As proud as you are, did you allow yourself

As proud as you are, did you allow yourself
to be charmed just to get stronger?

As proud as you are, did you allow yourself
just to get stronger?

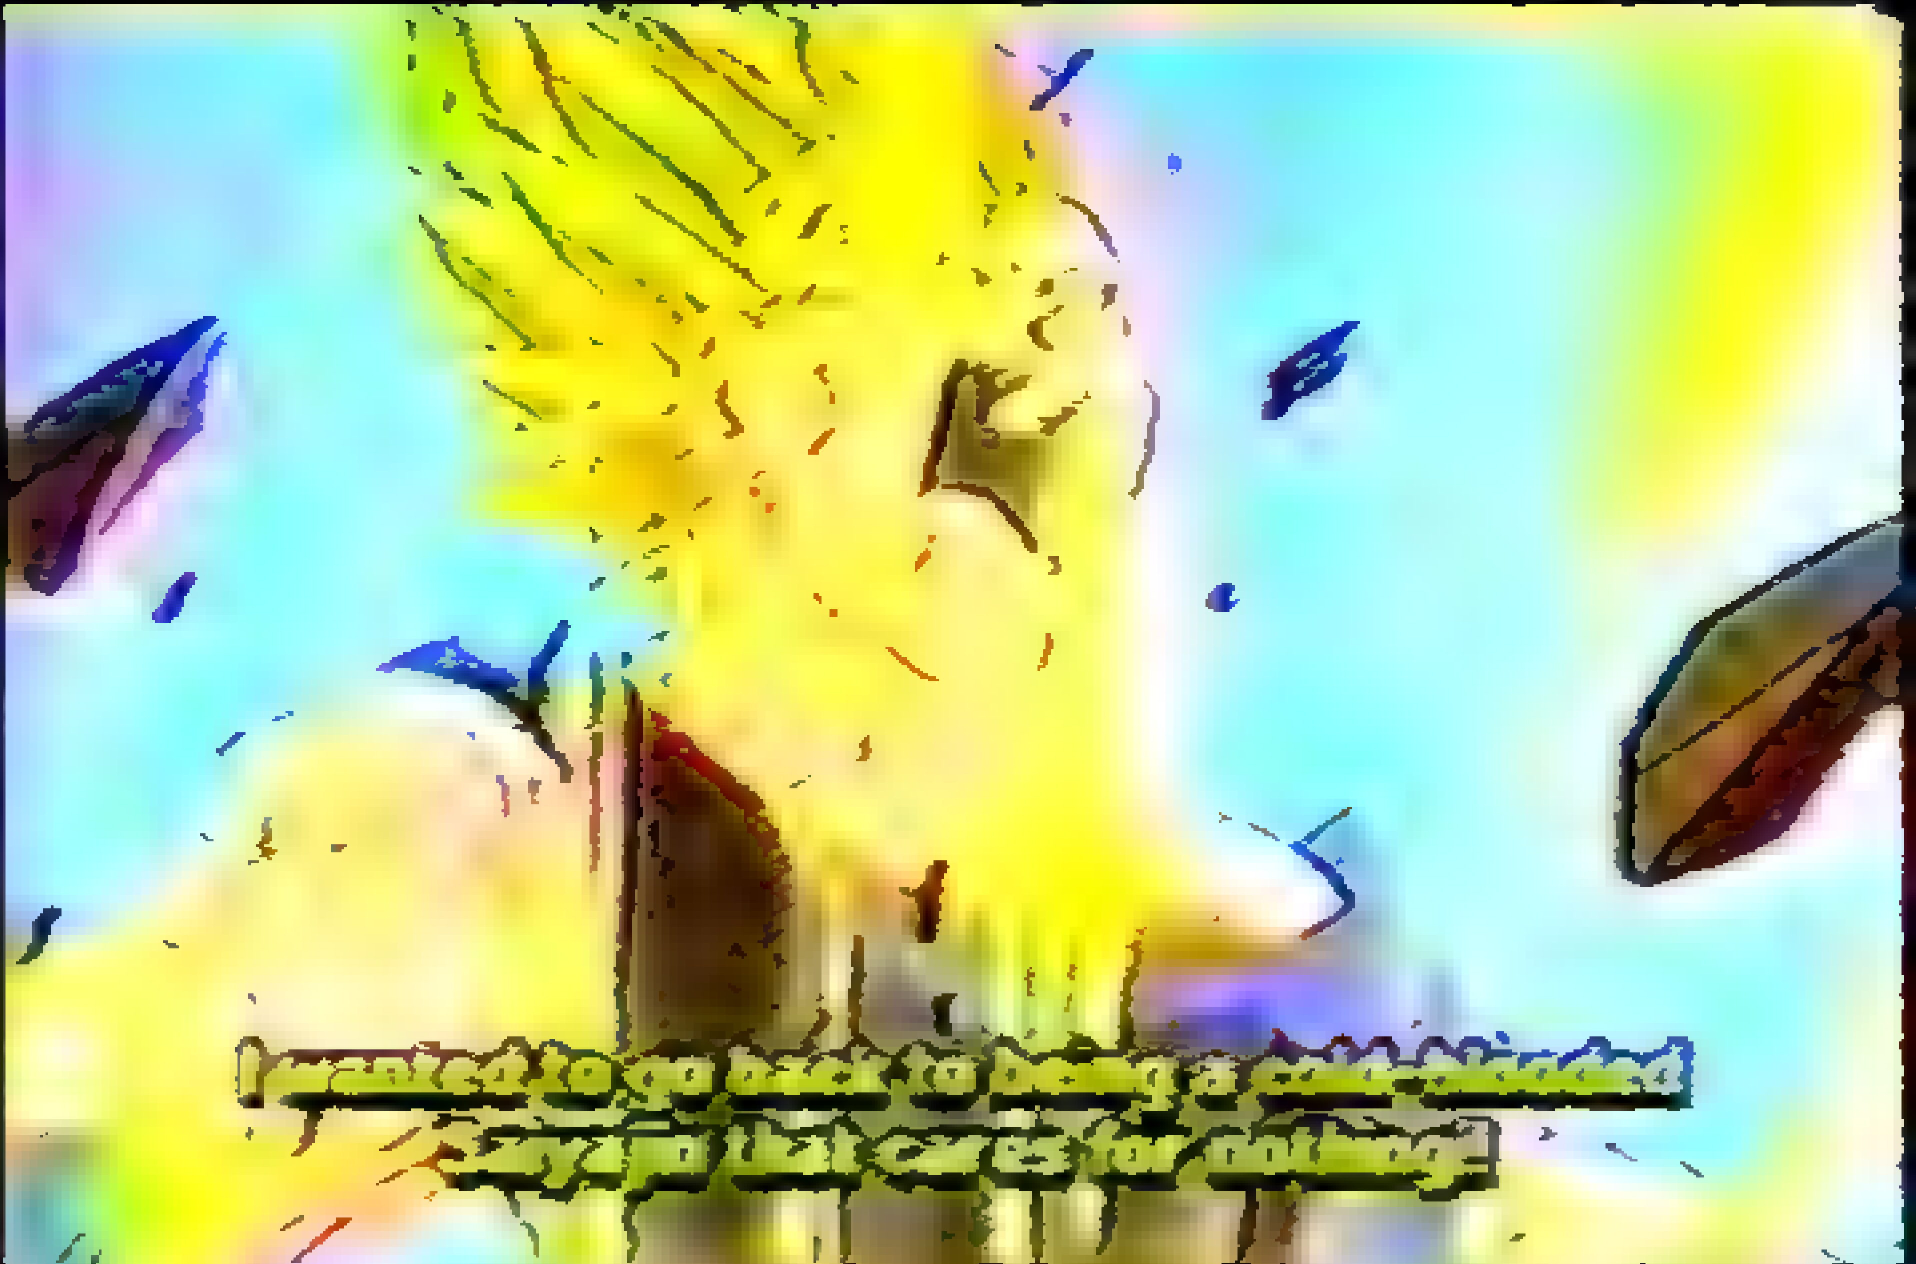

I wanted to go back to the way I used to be!

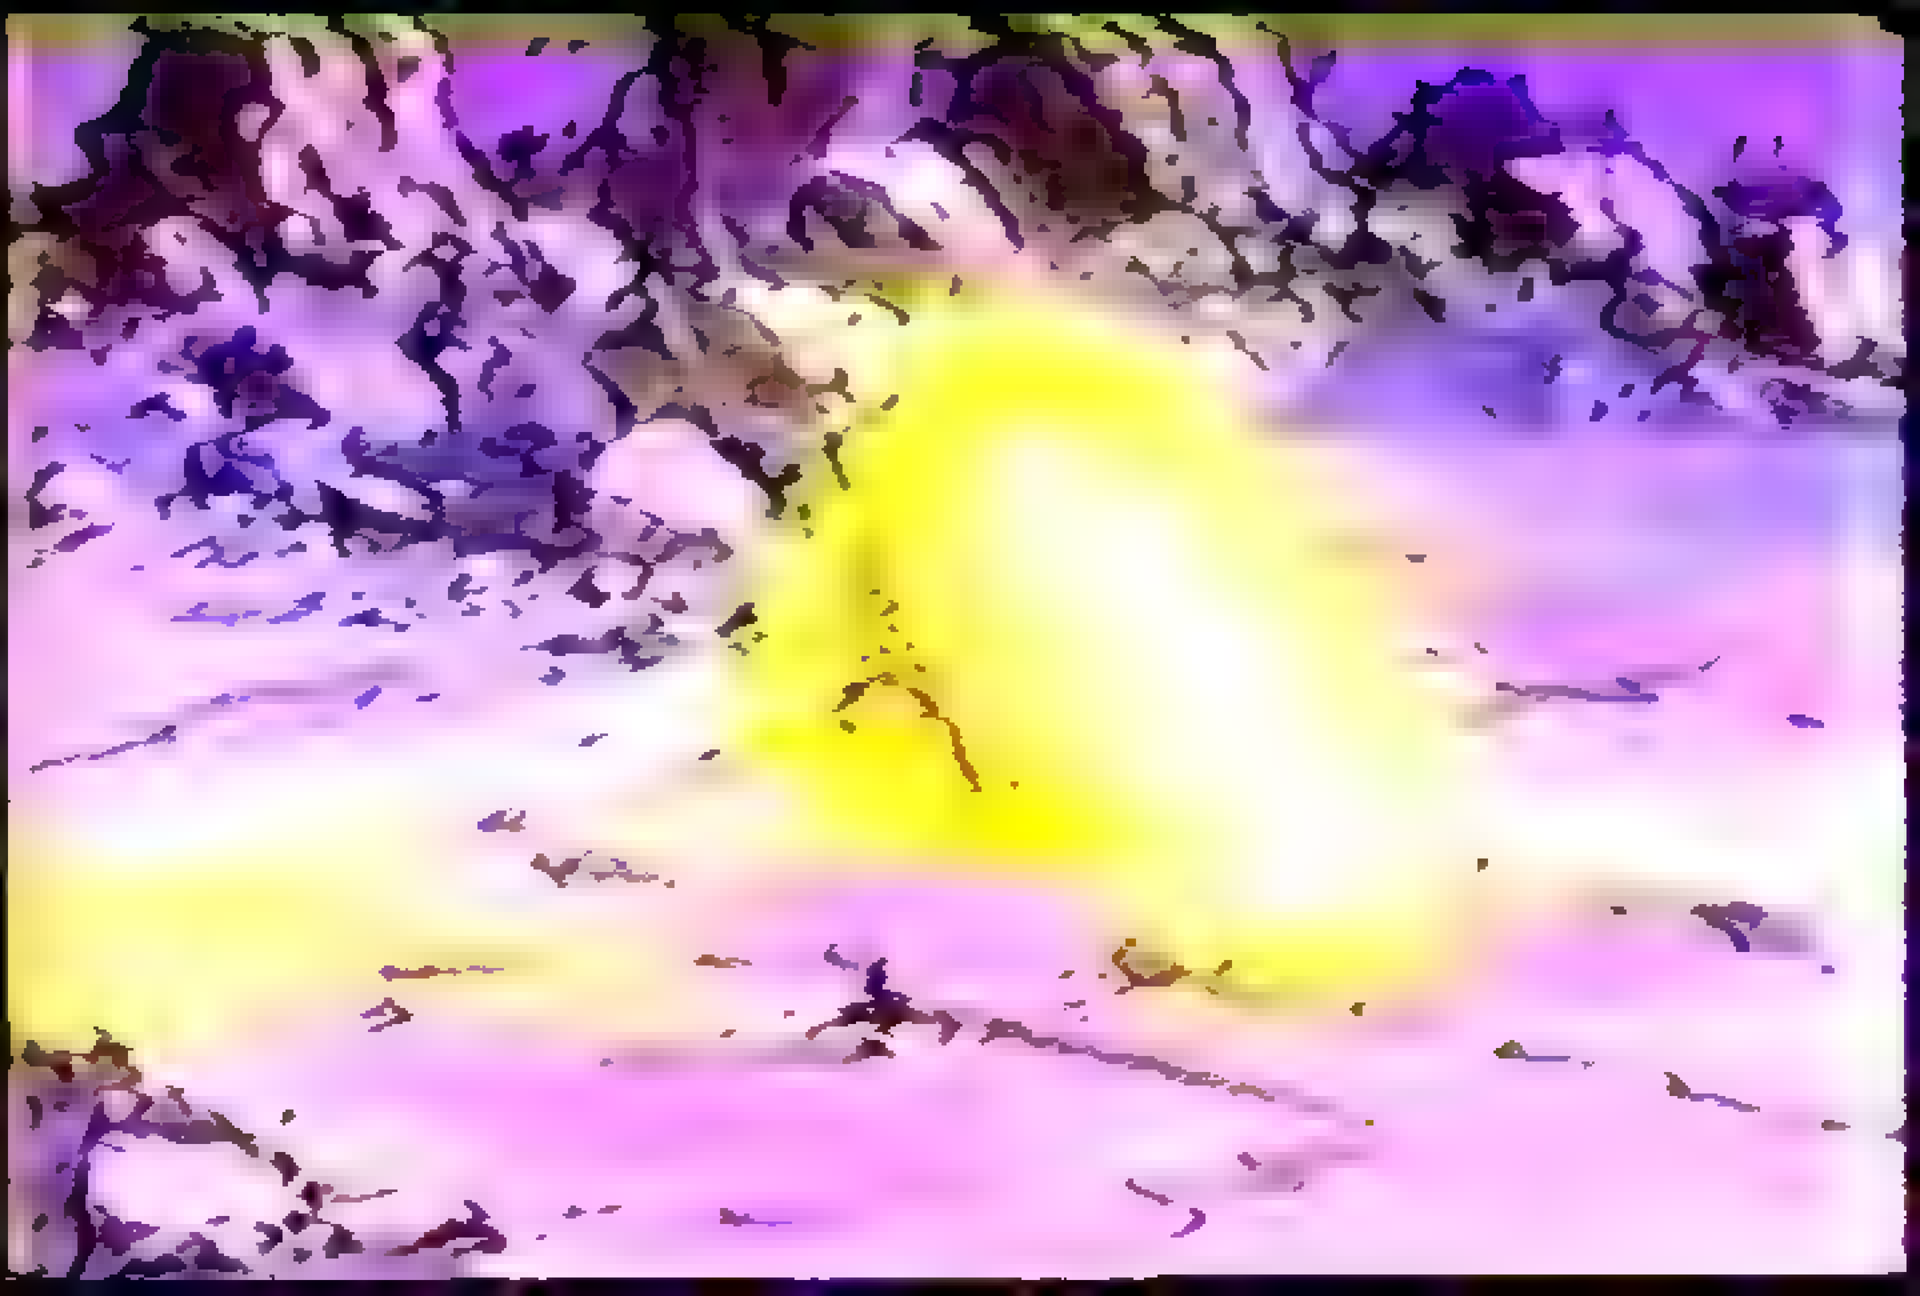

I wanted to go back to the way I used to be!

I wanted to go back to being a cold-blooded
Saiyan that cares for nothing!

I wanted to go back to being a
cares for nothing.

I wanted to fight with you on your own level.

I wanted to fight with you on your own level!

The battle between Gokou and Vegita, who has
returned to being an evil warrior continues

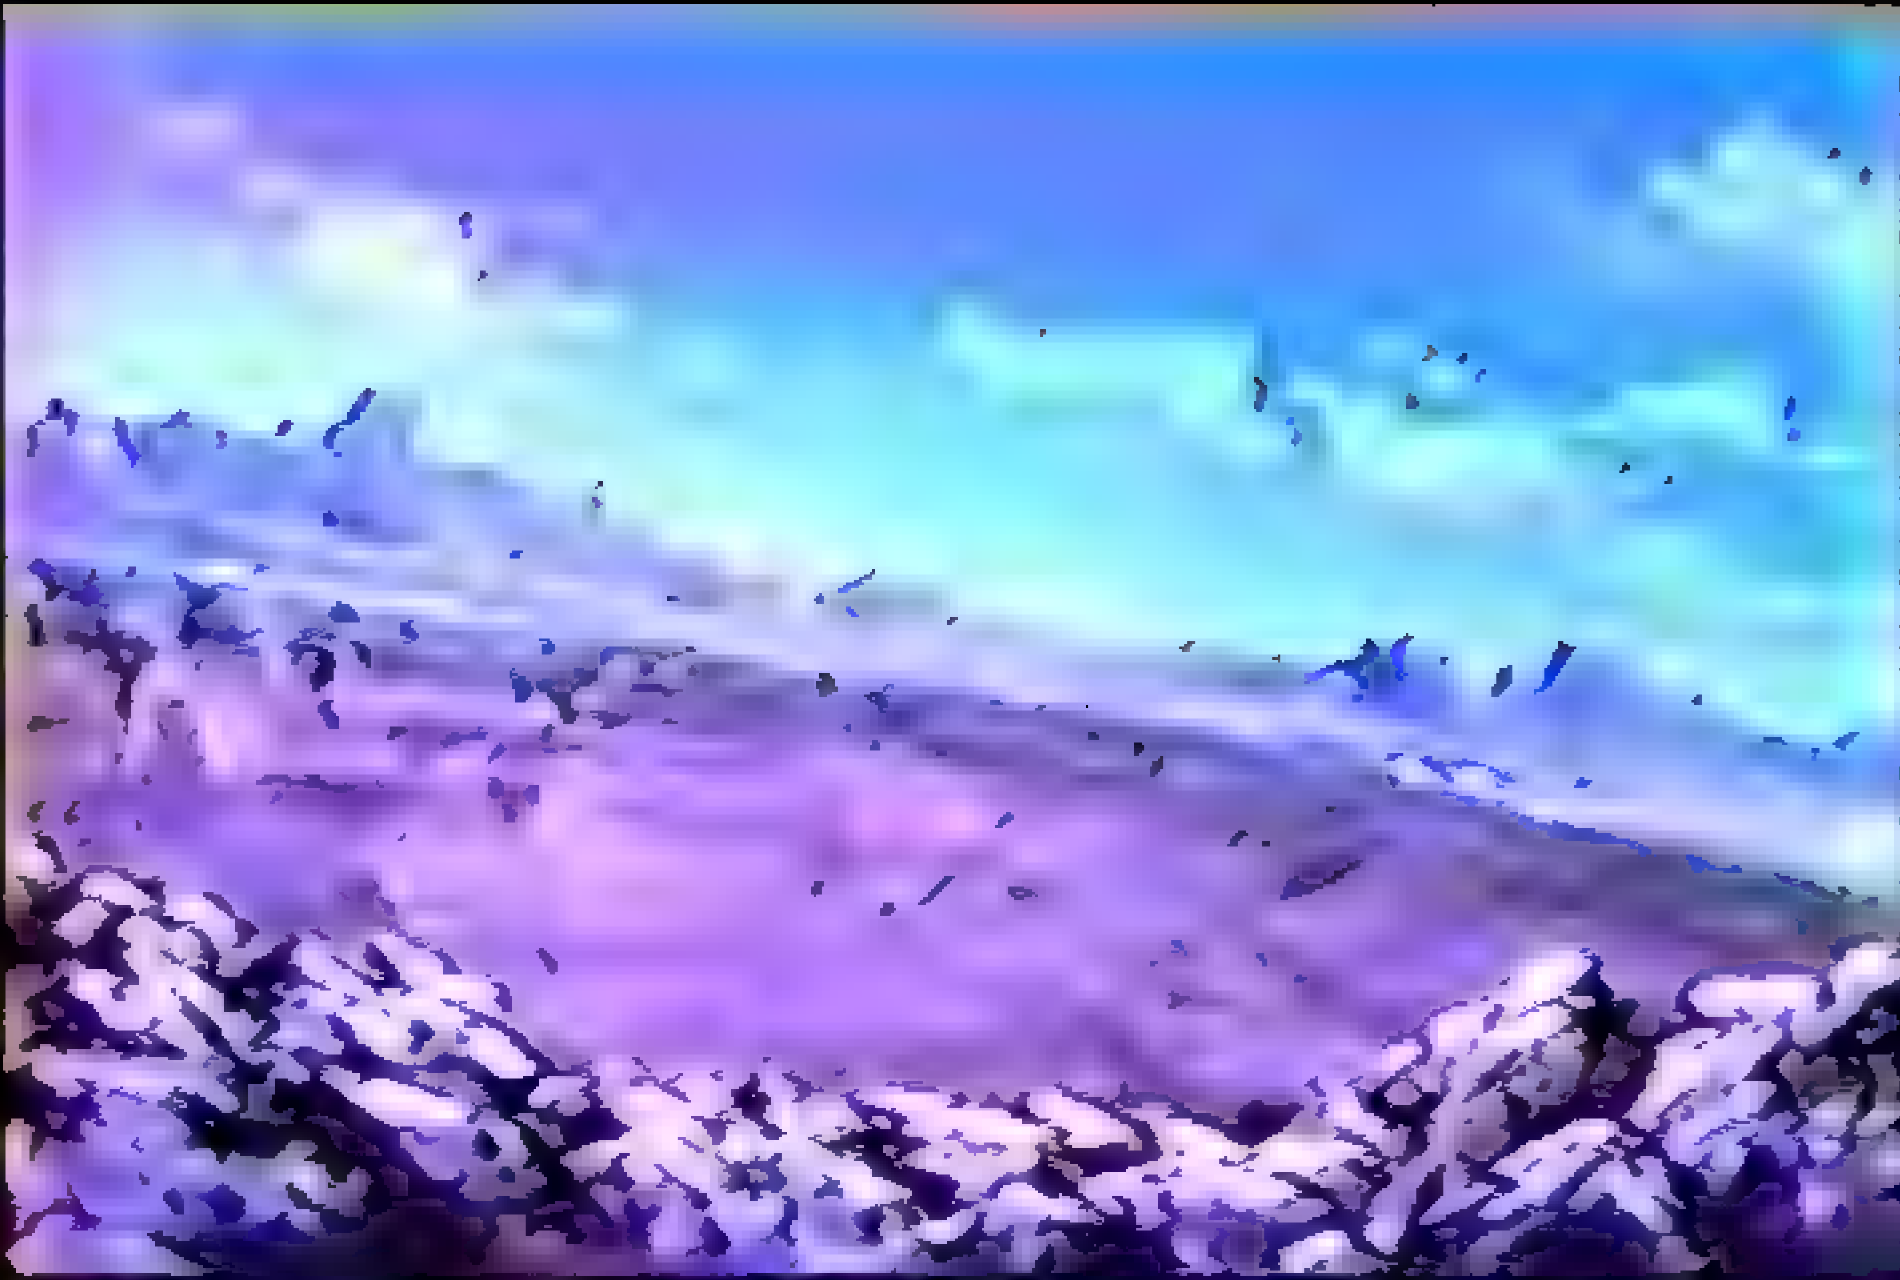

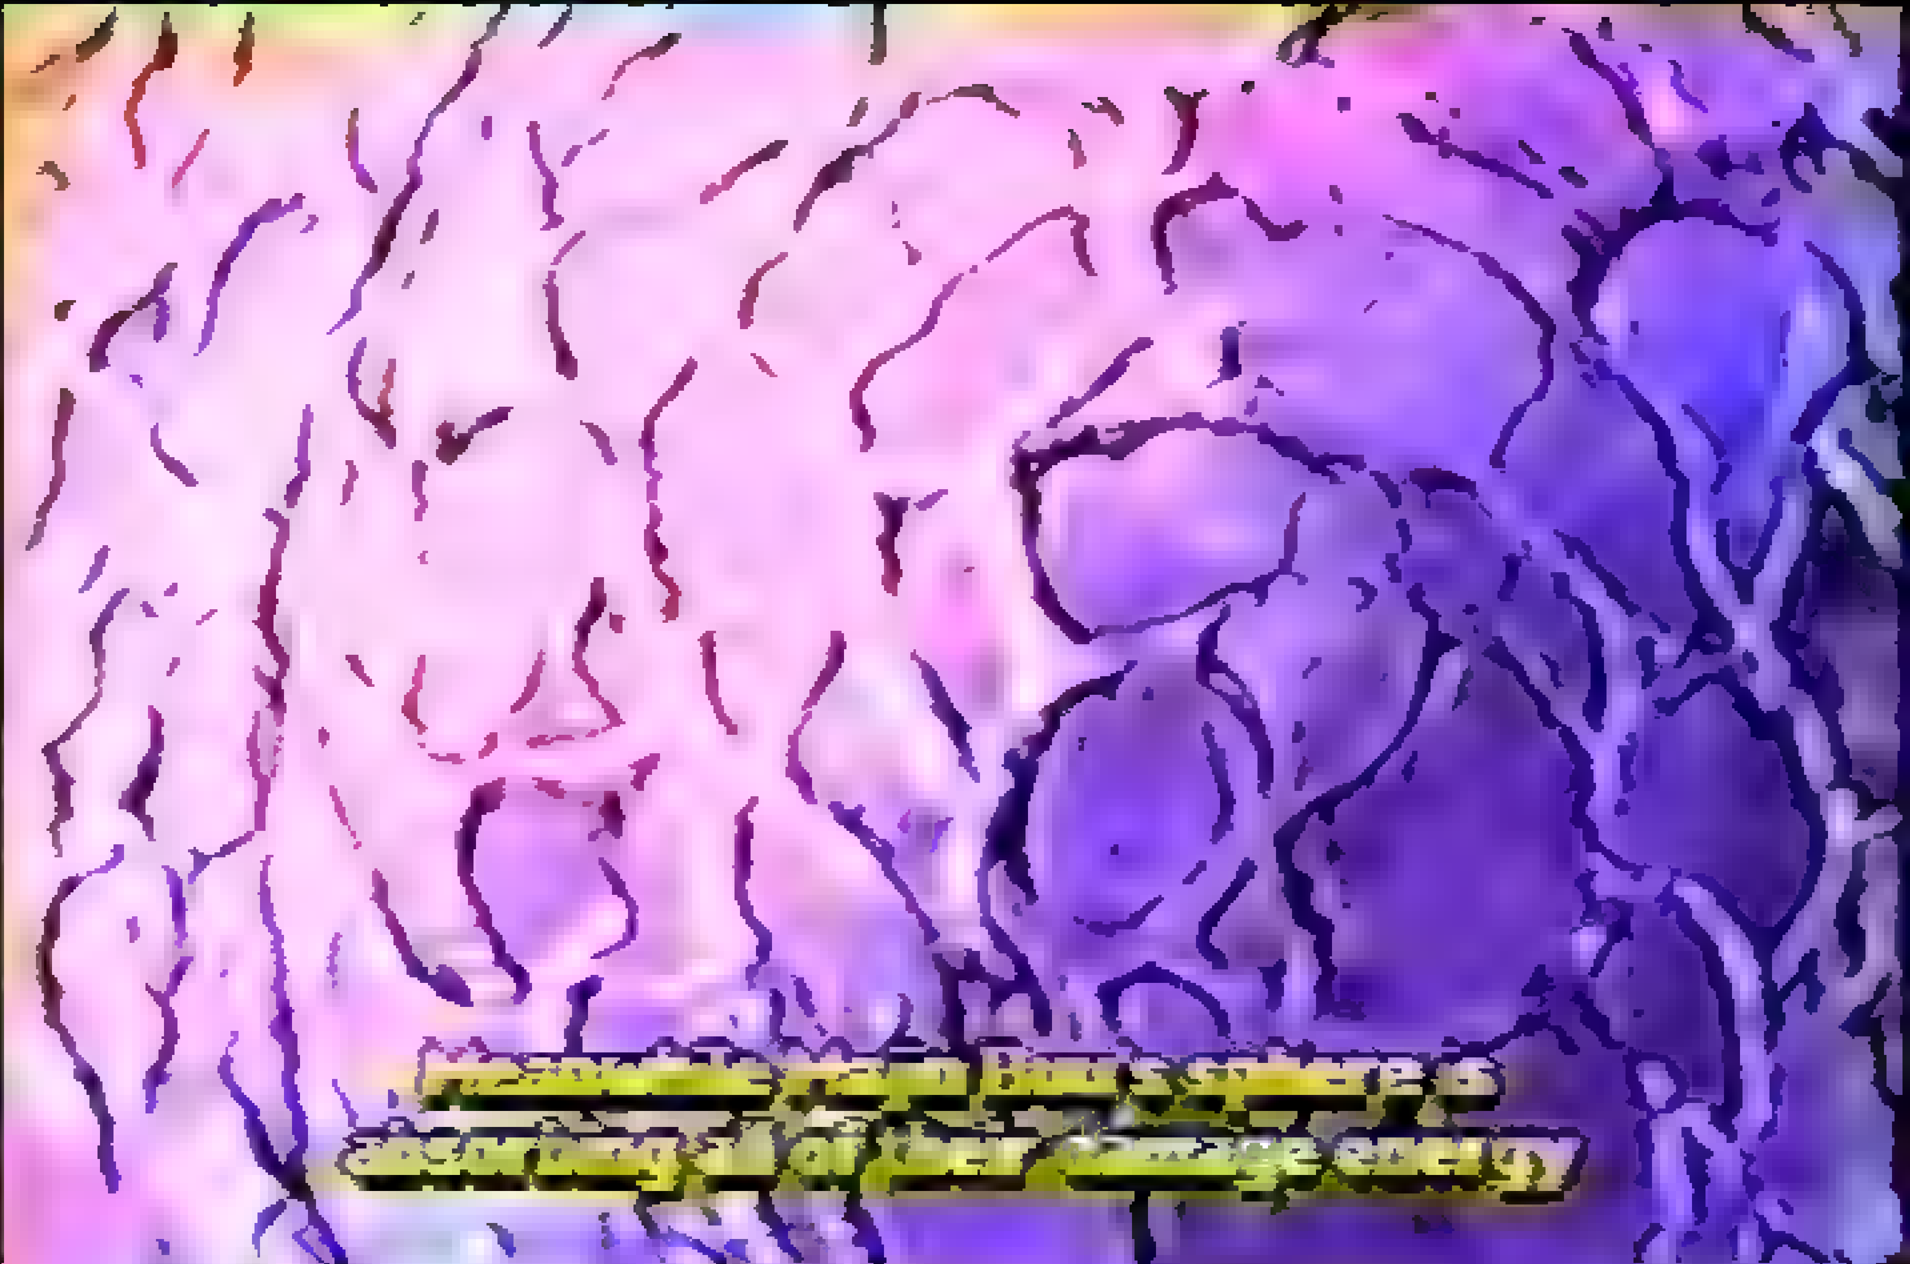

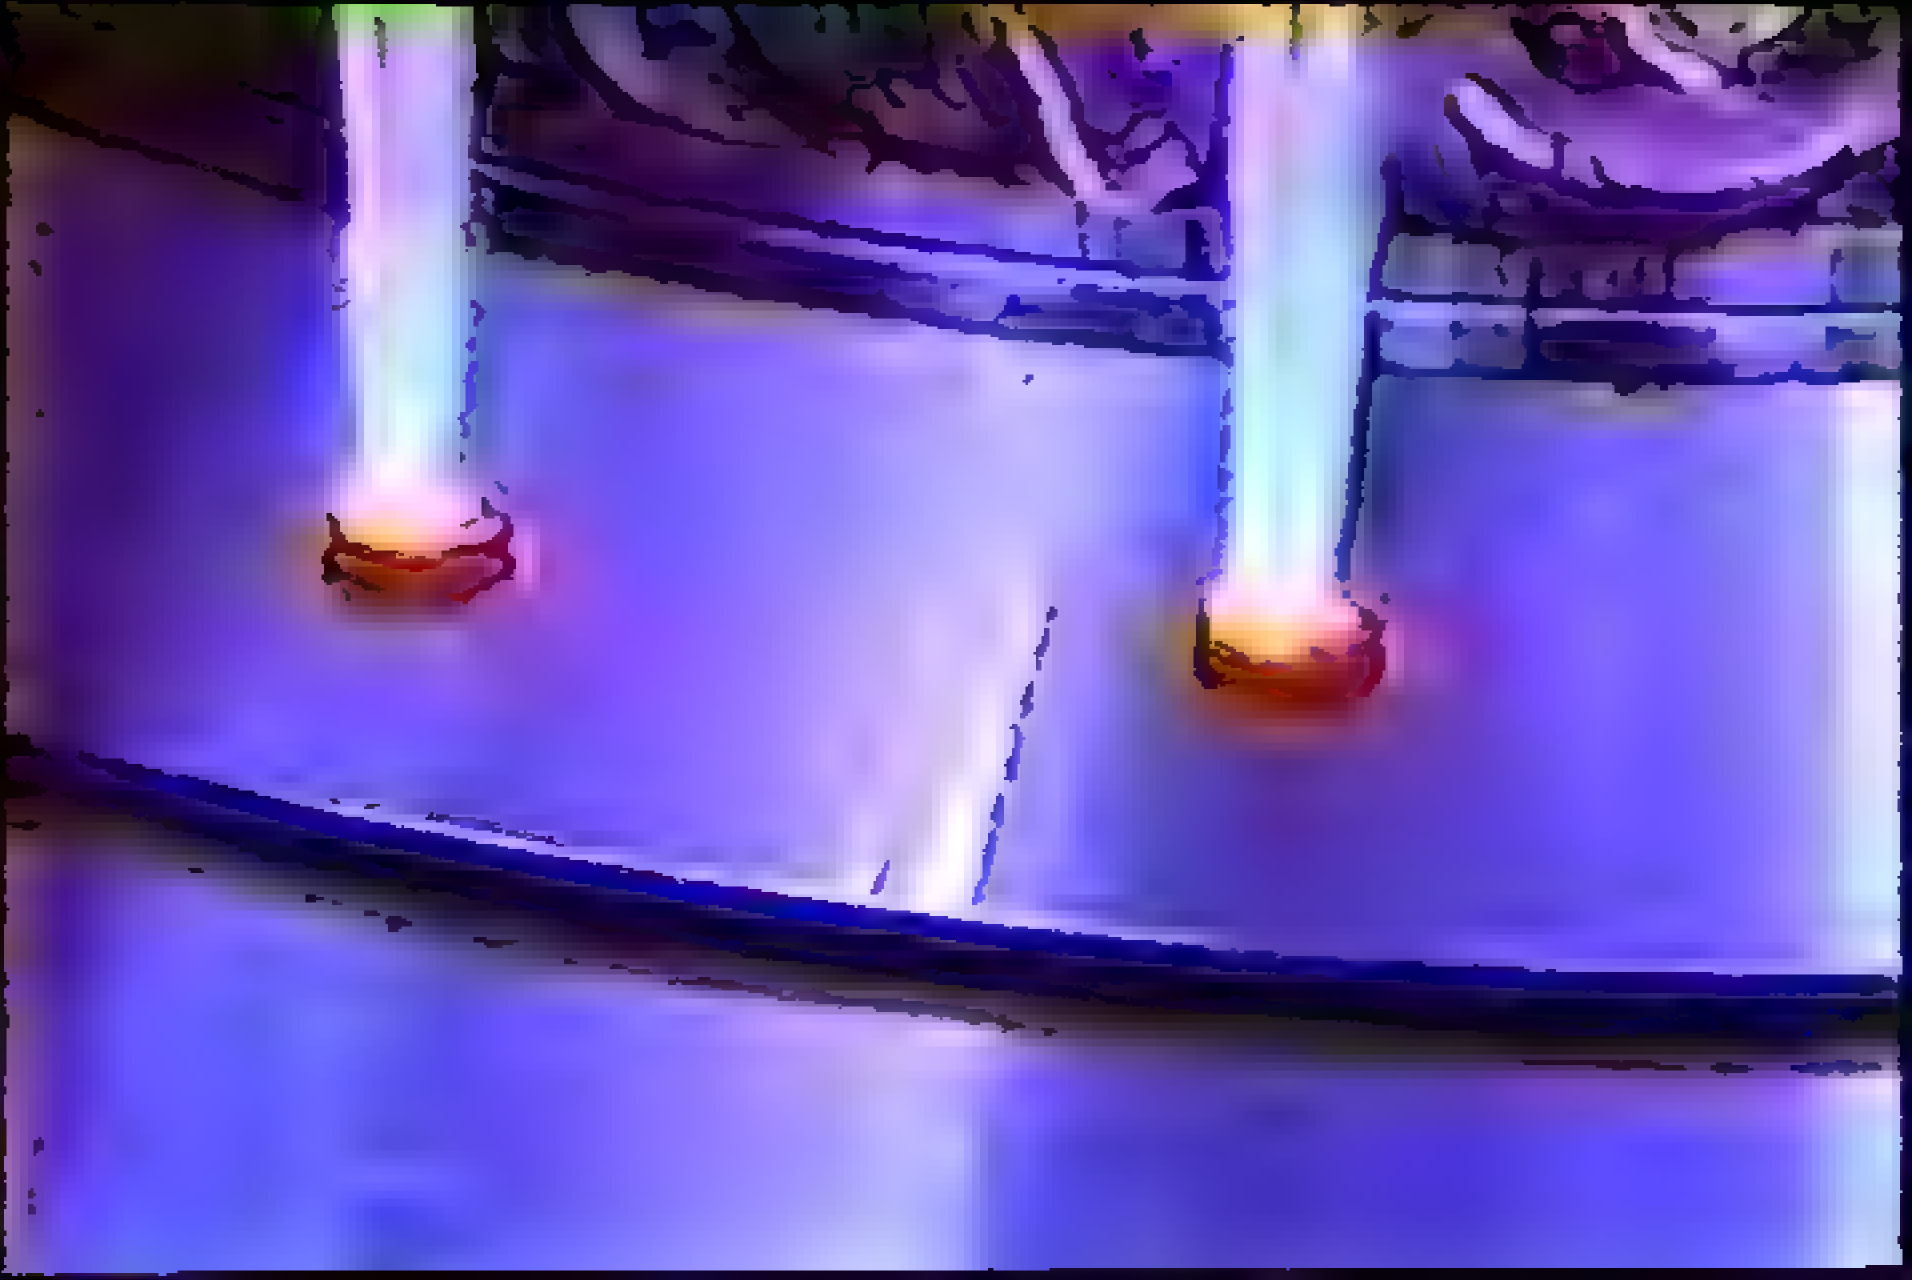

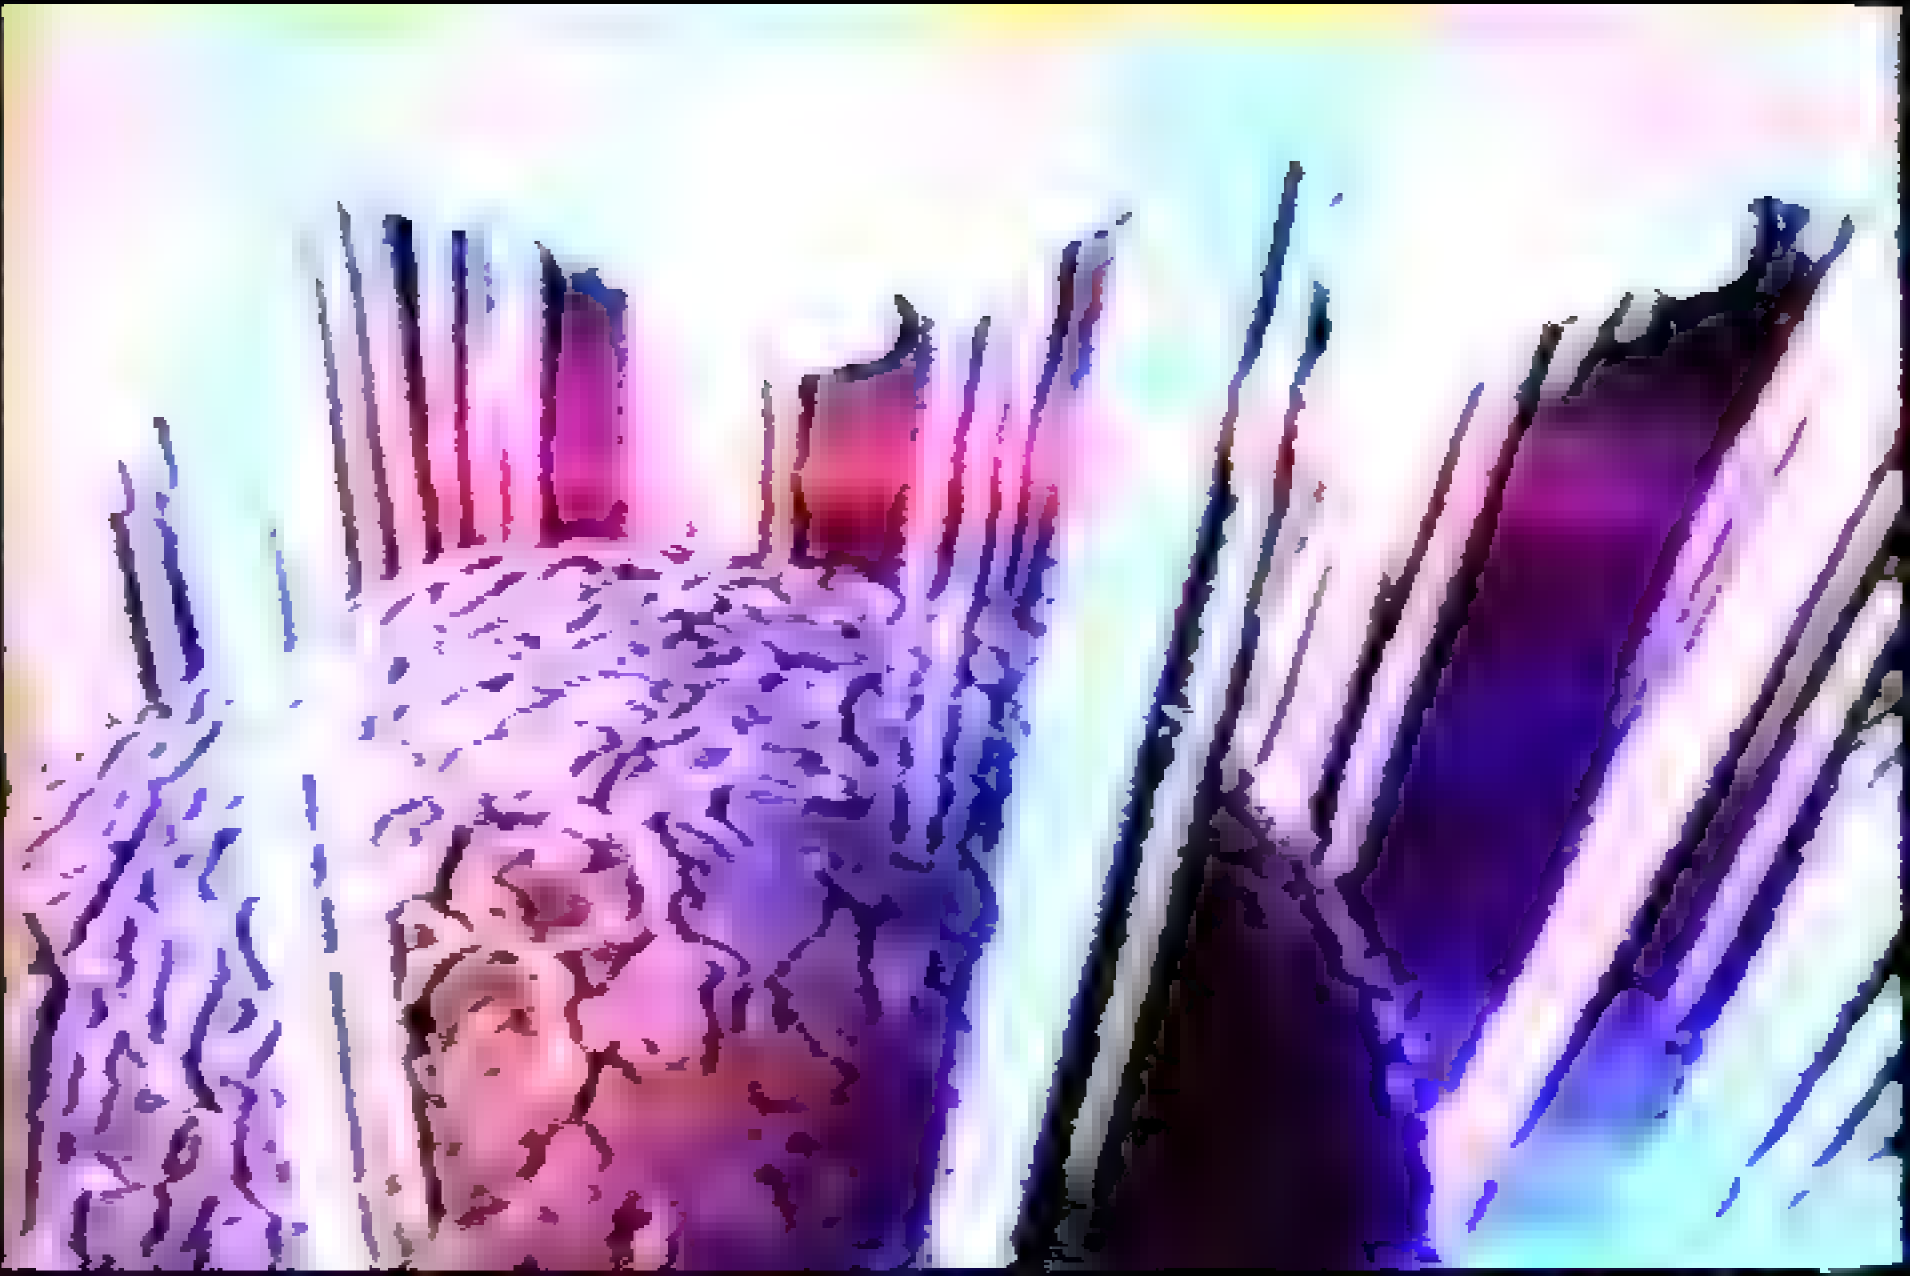

He's achieved full power

And finally the Seal has been broken

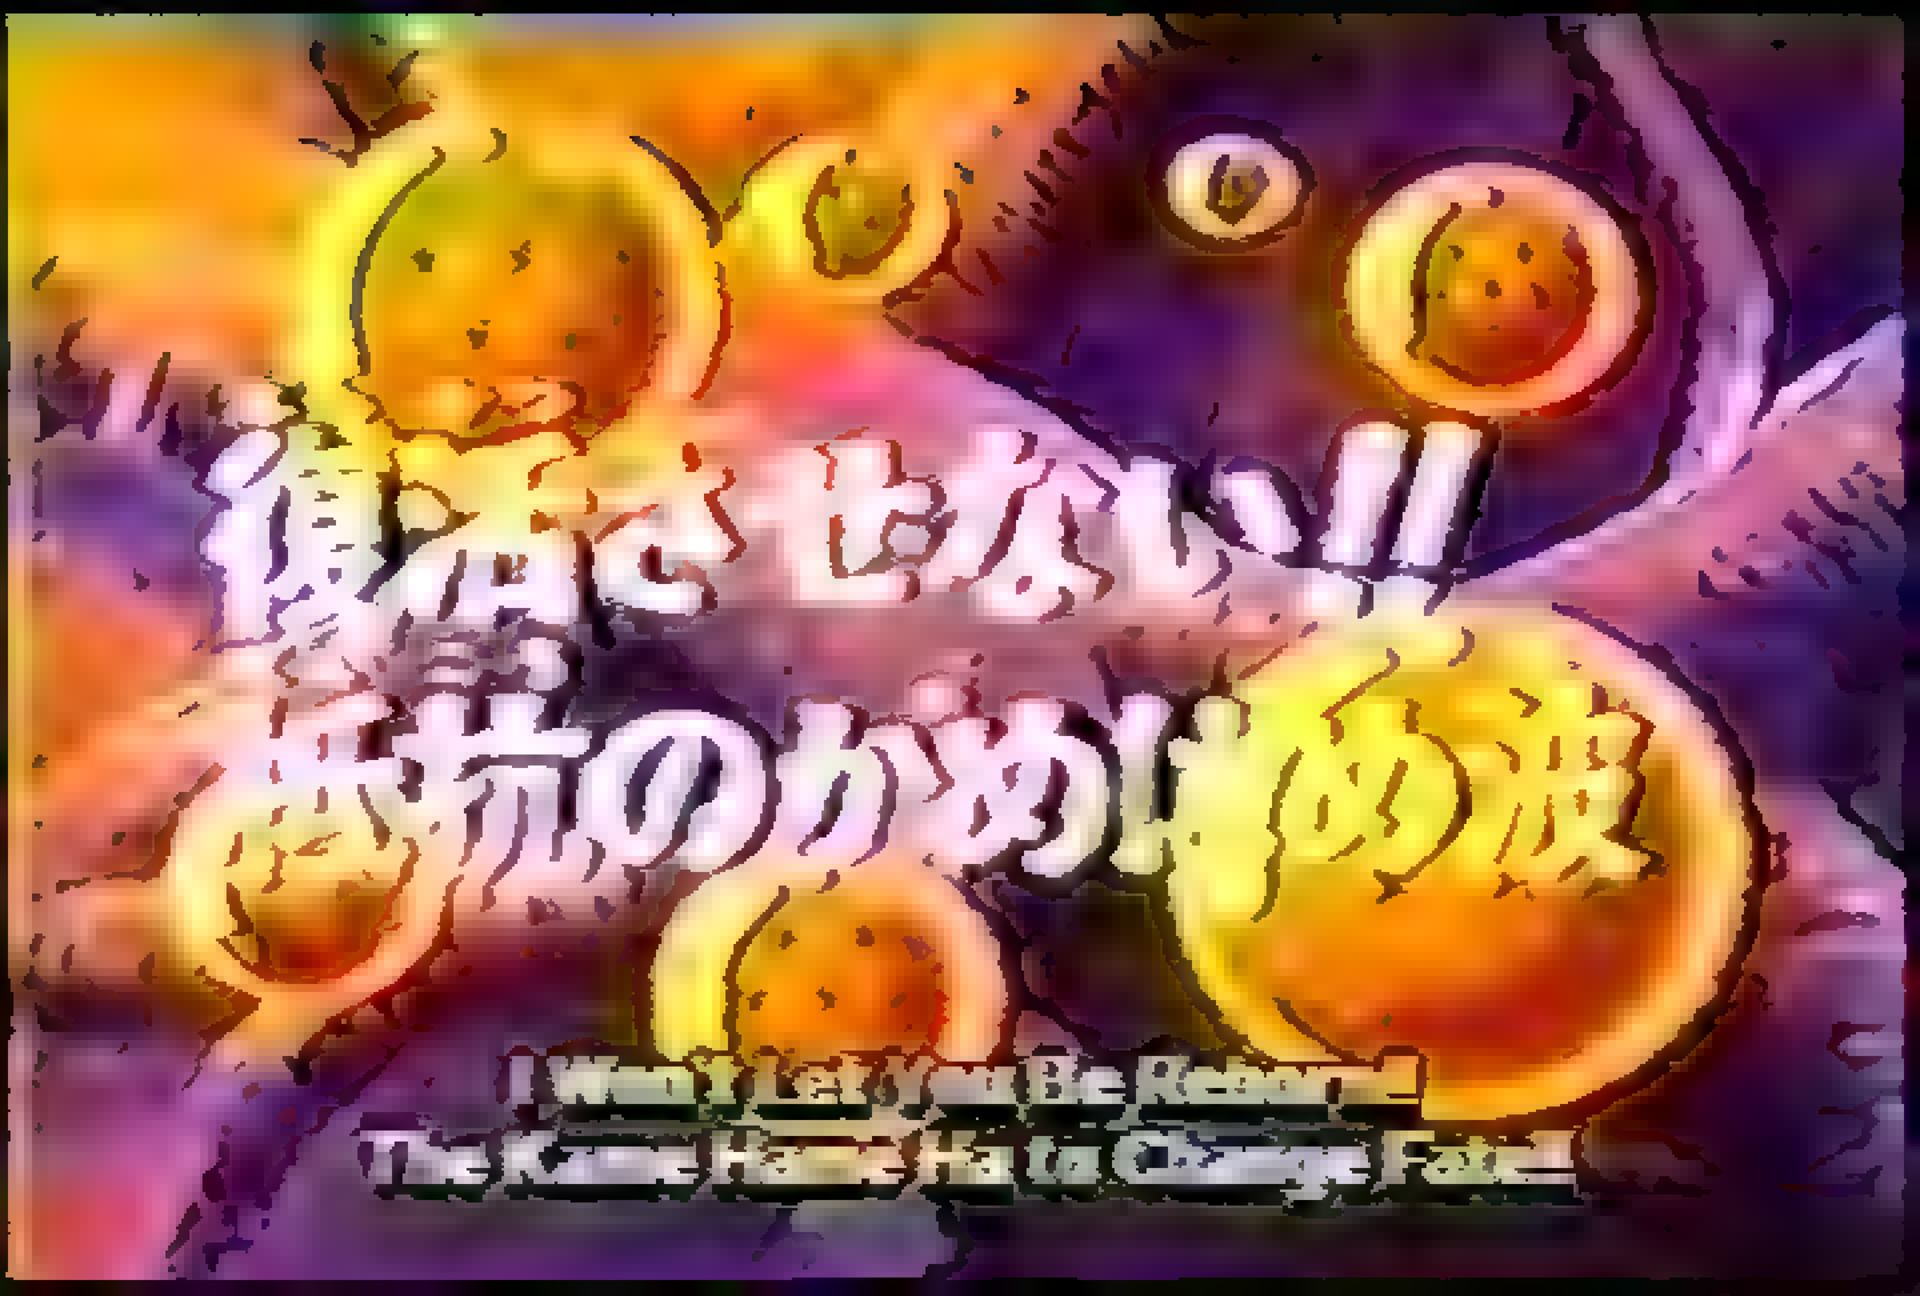

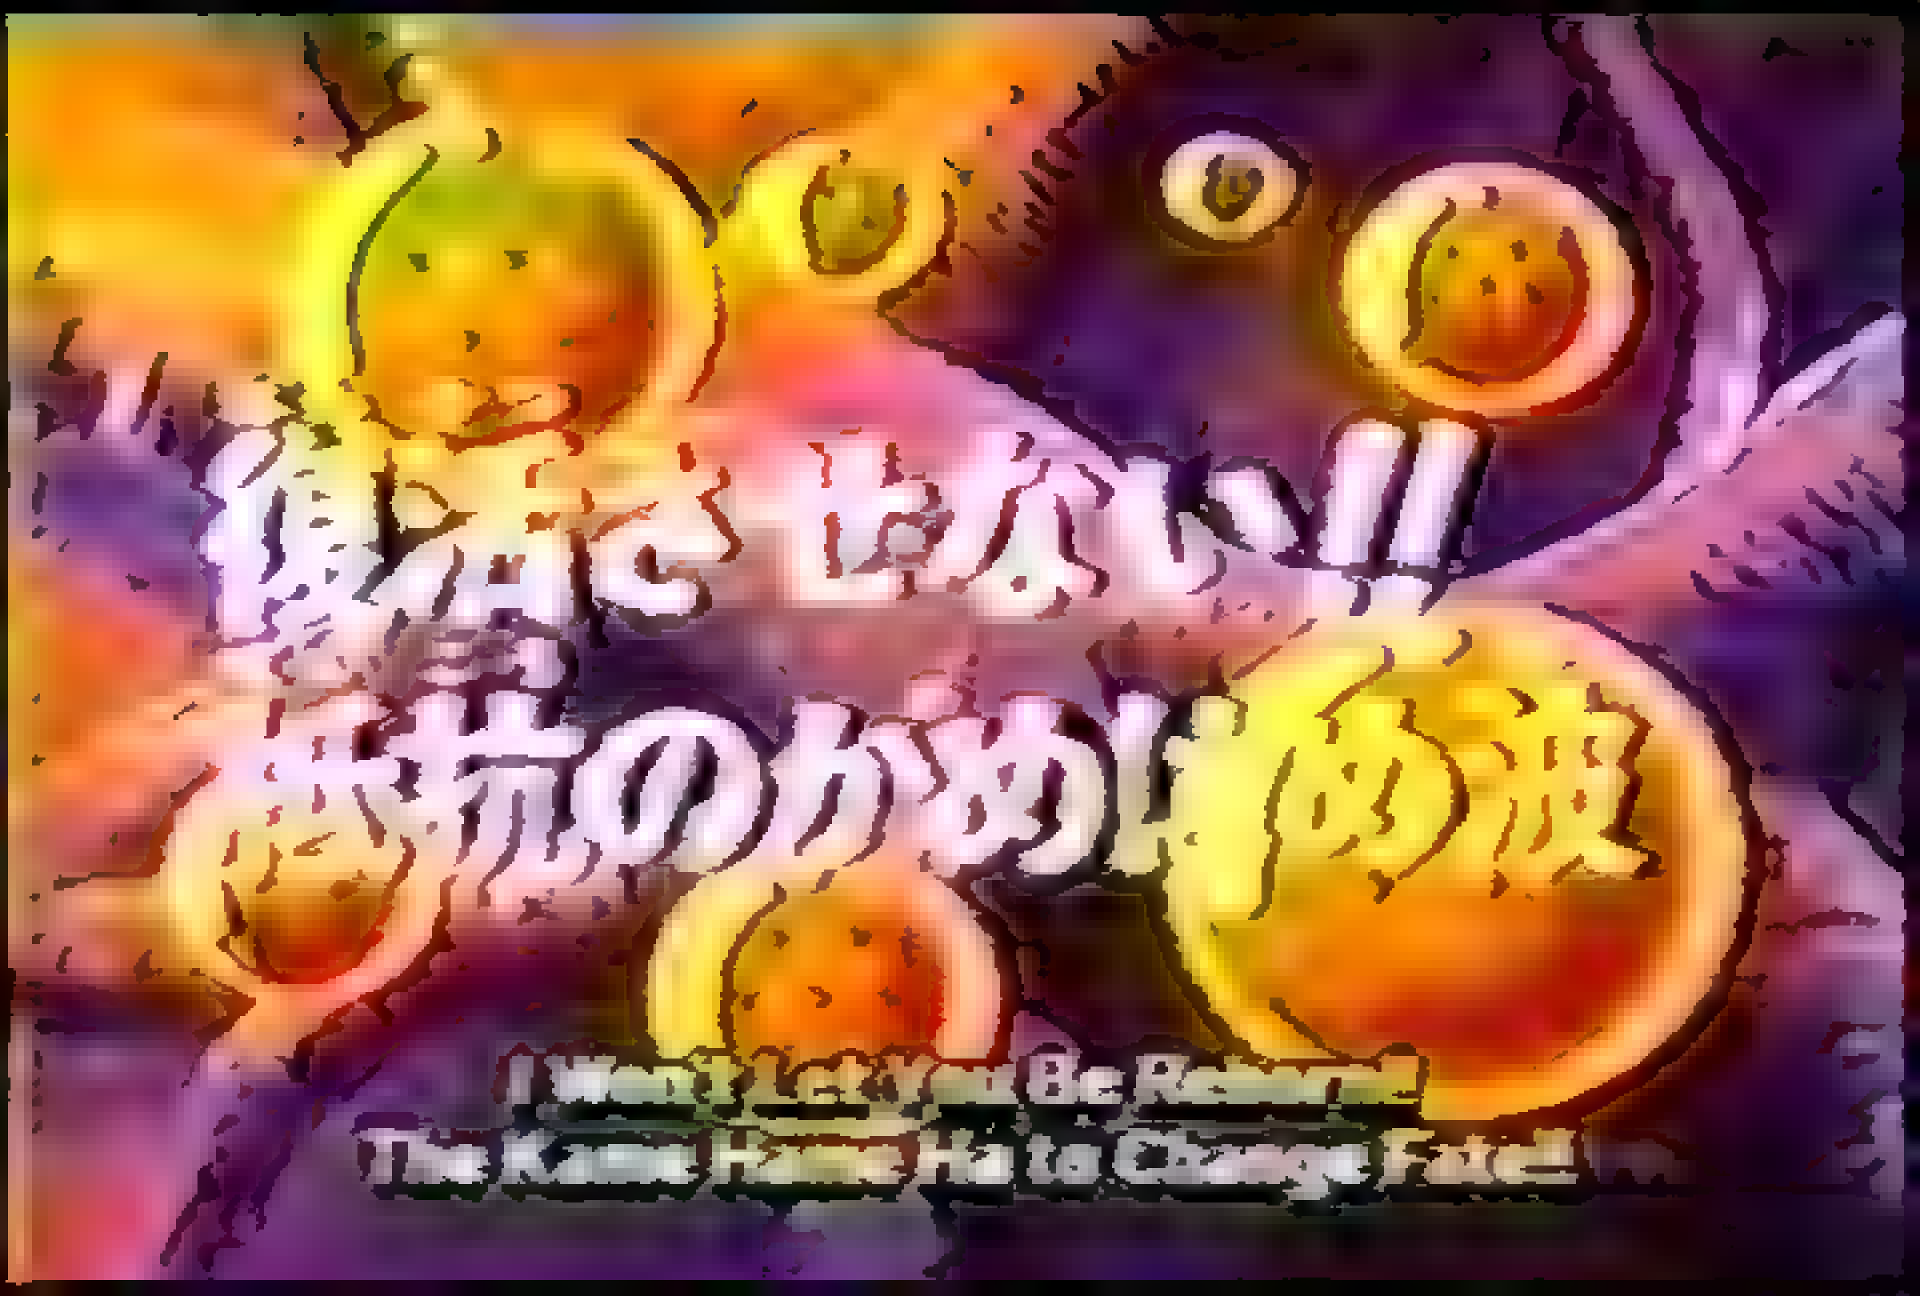

復活させない!!
運命のかめはめ波

The Kame Hame Ha to Change Fate!

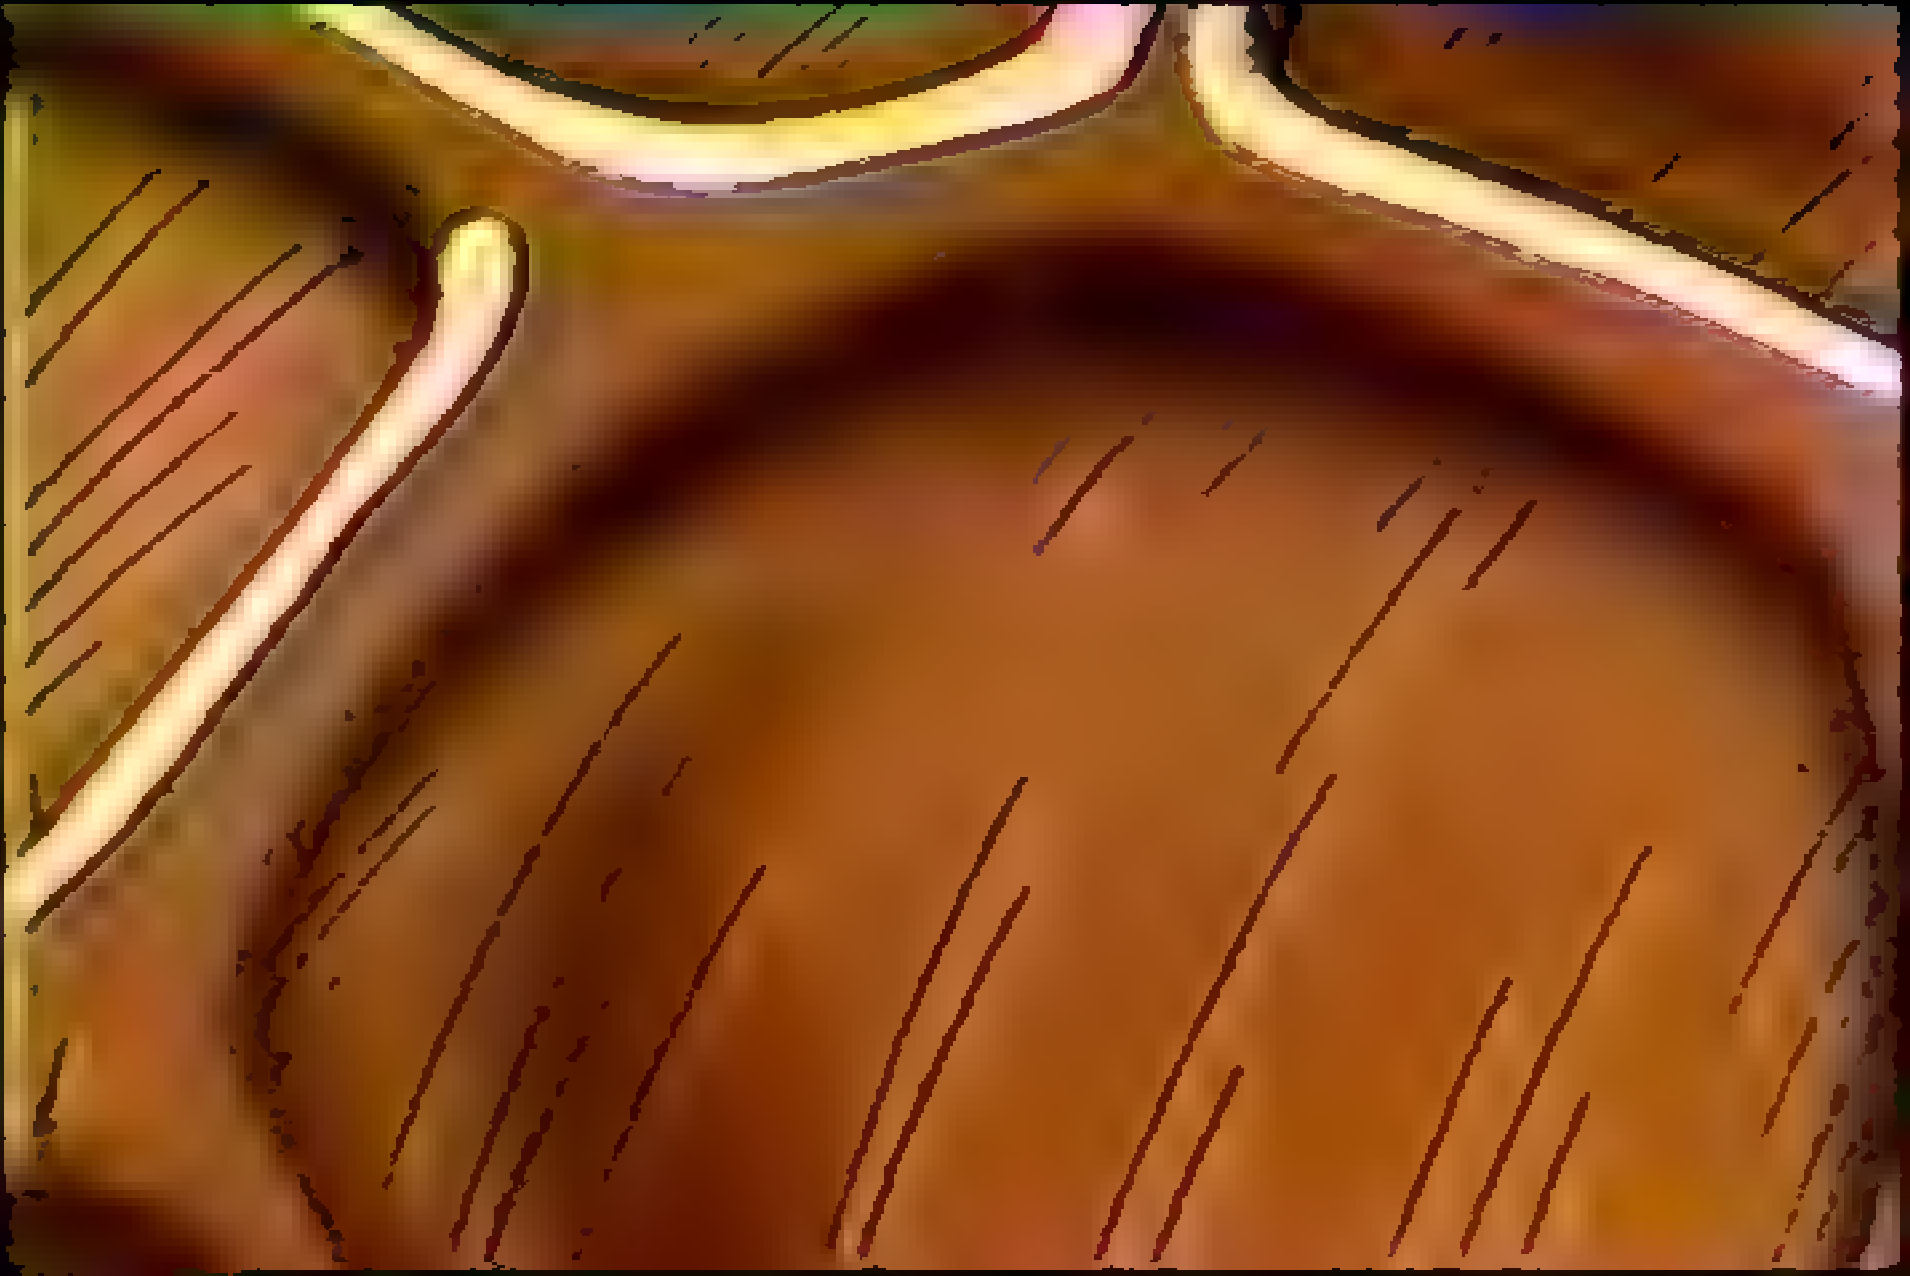

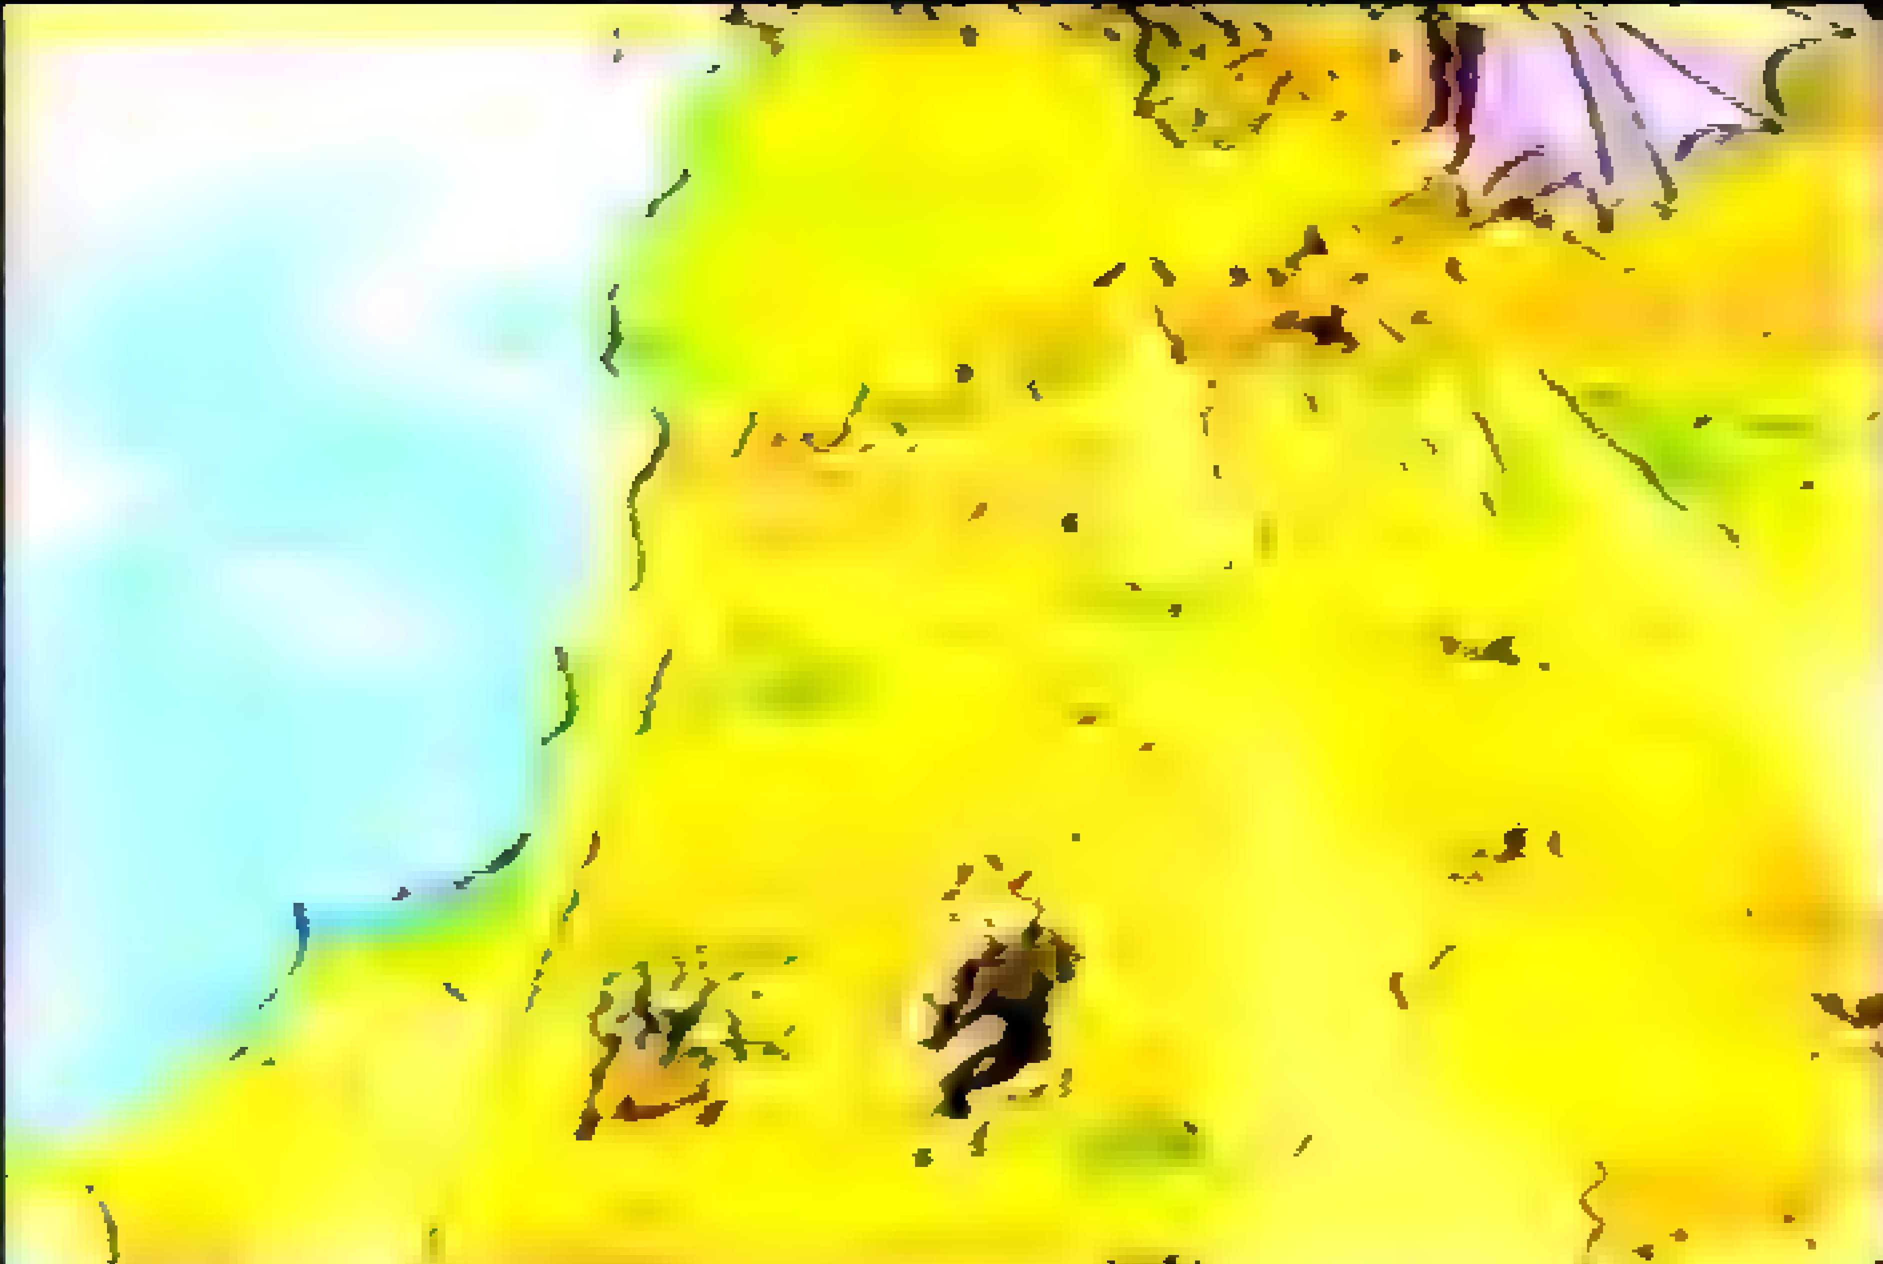

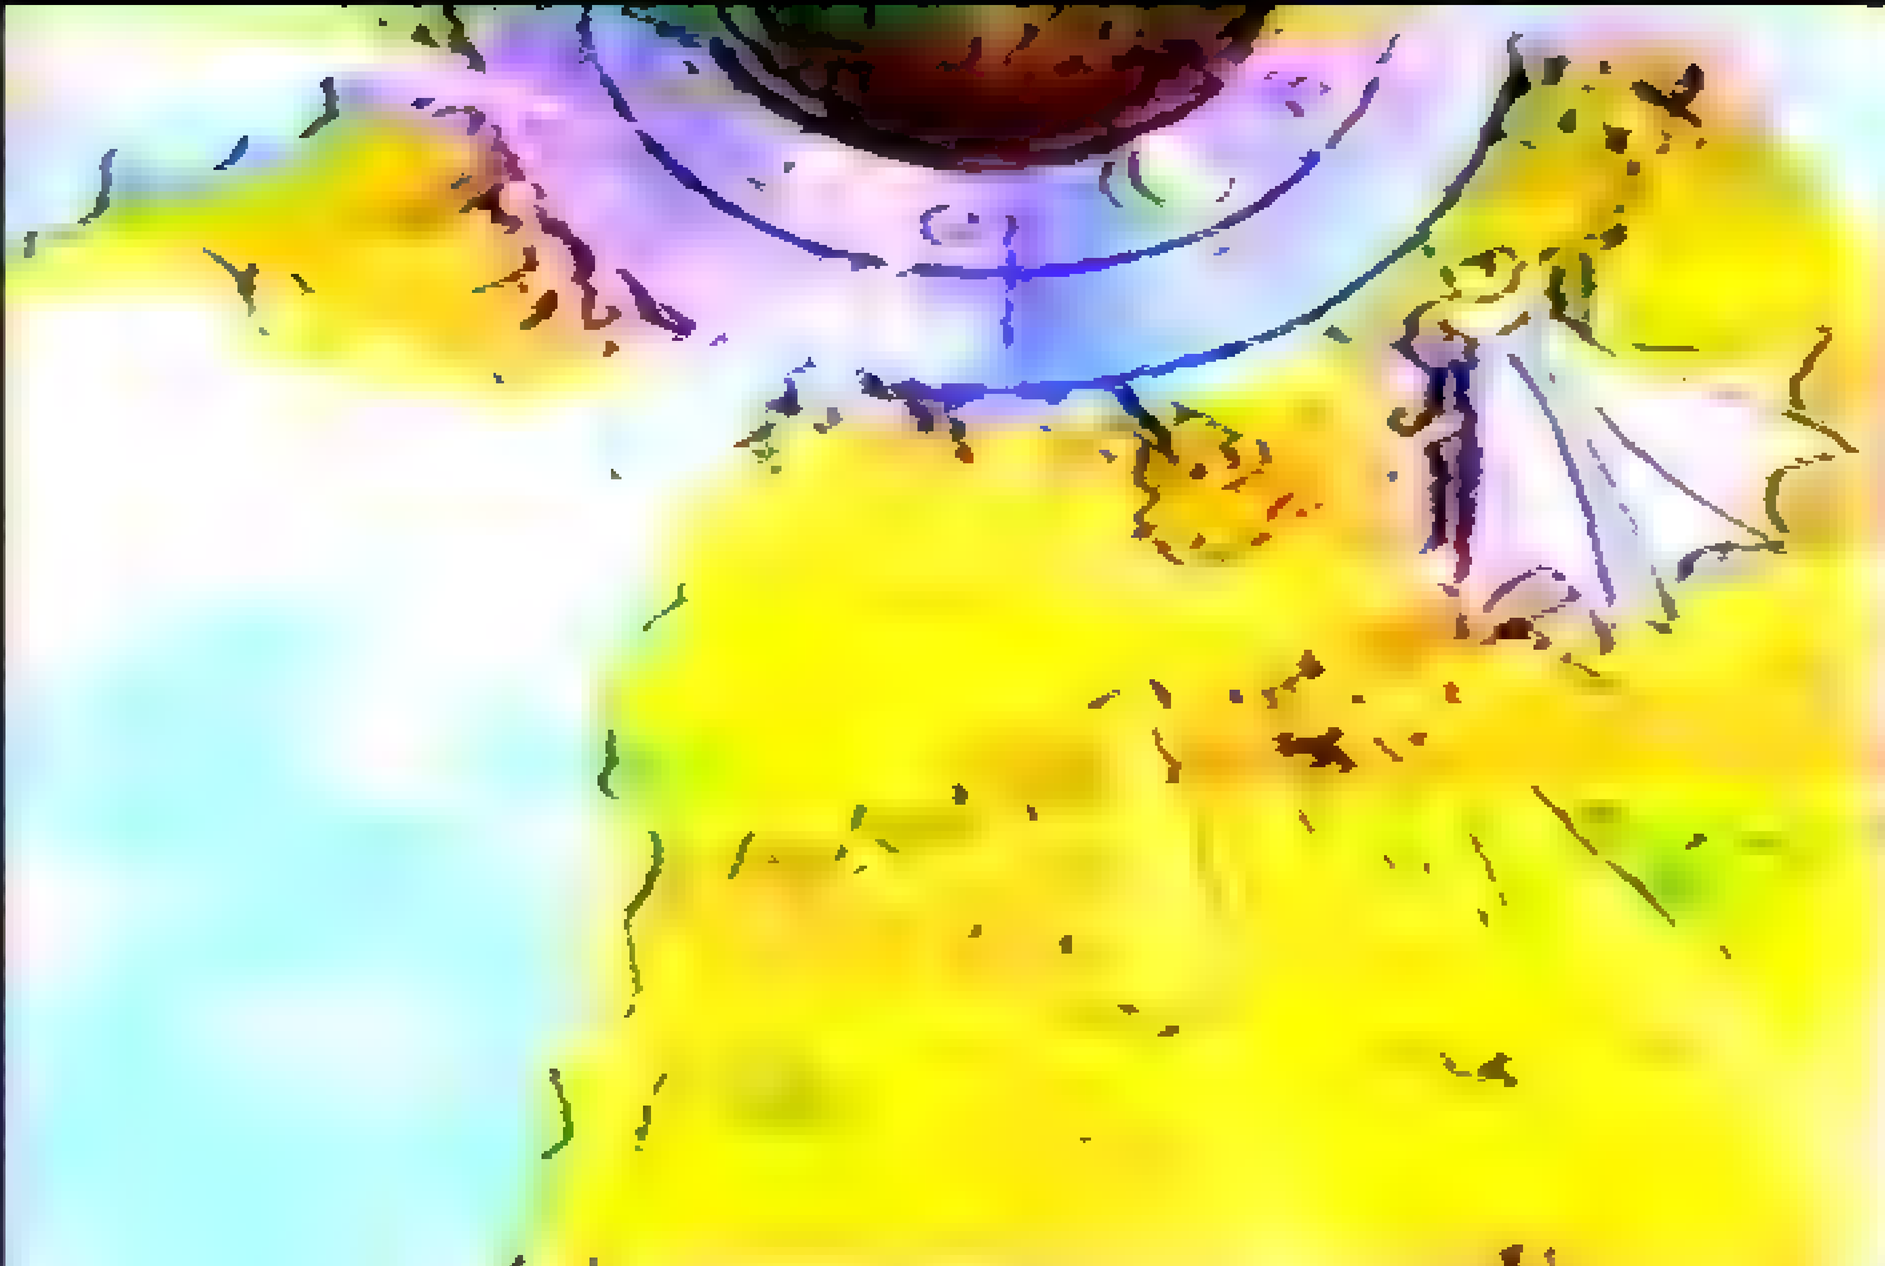

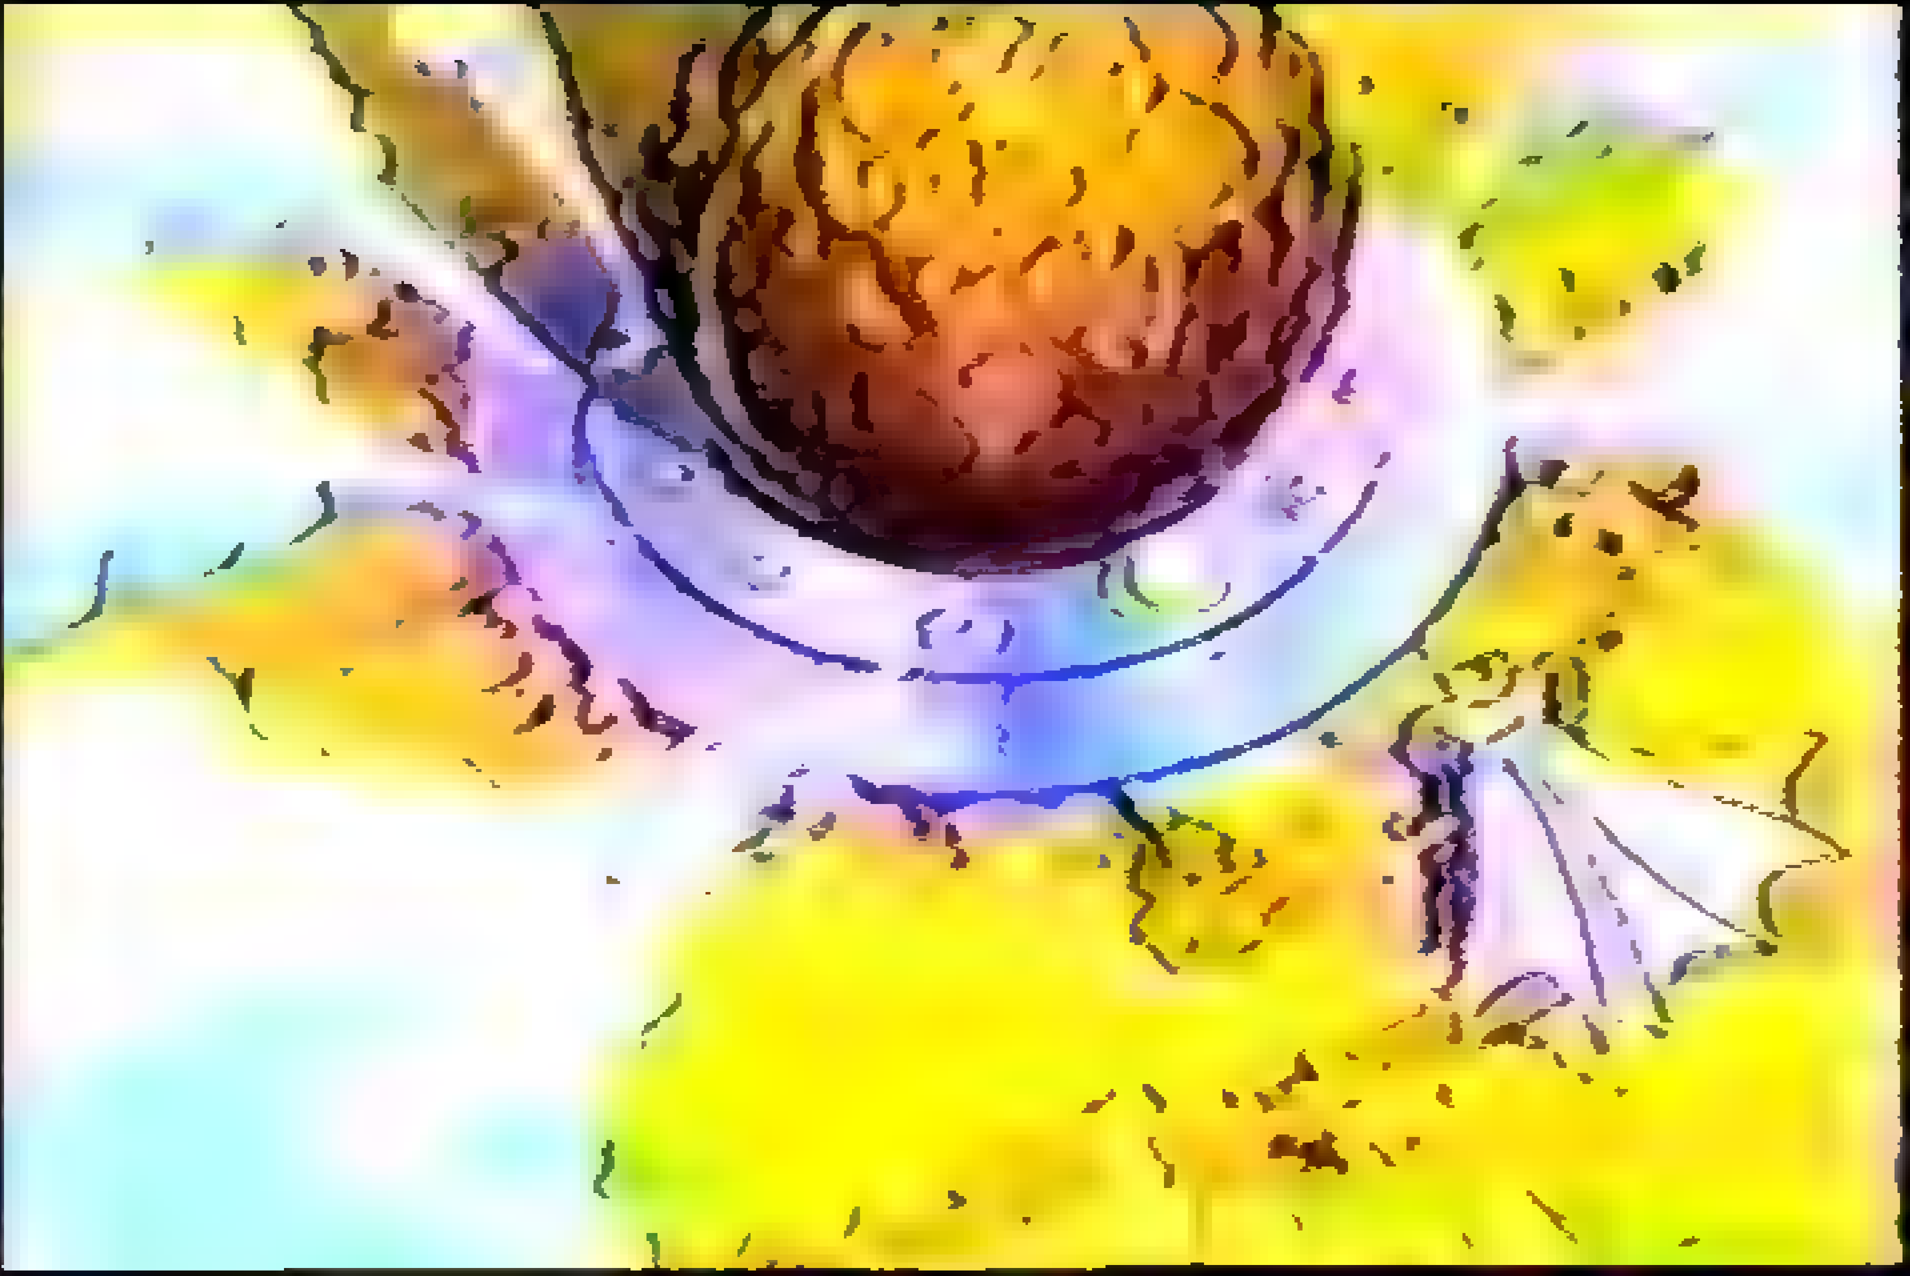

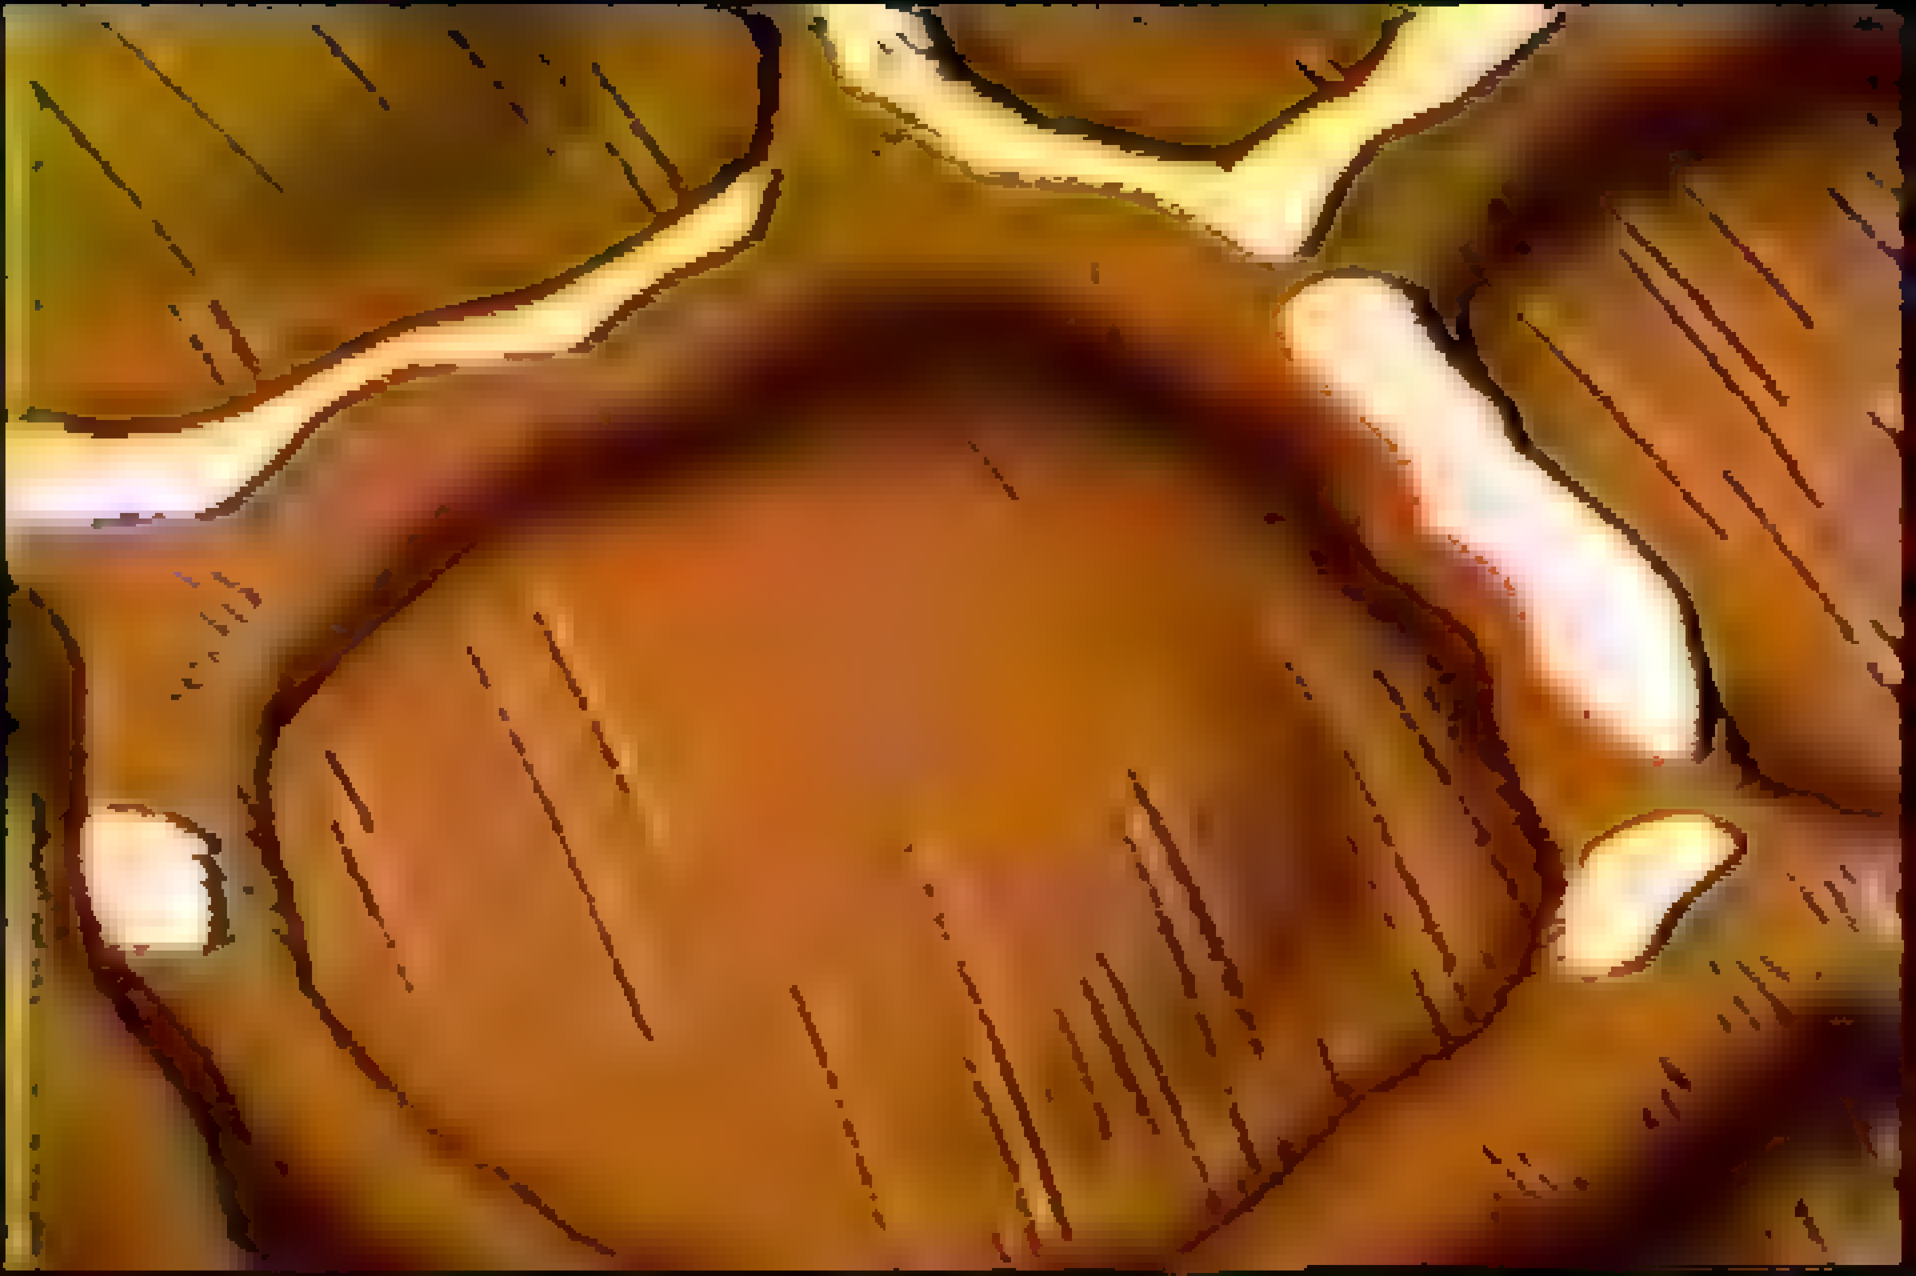

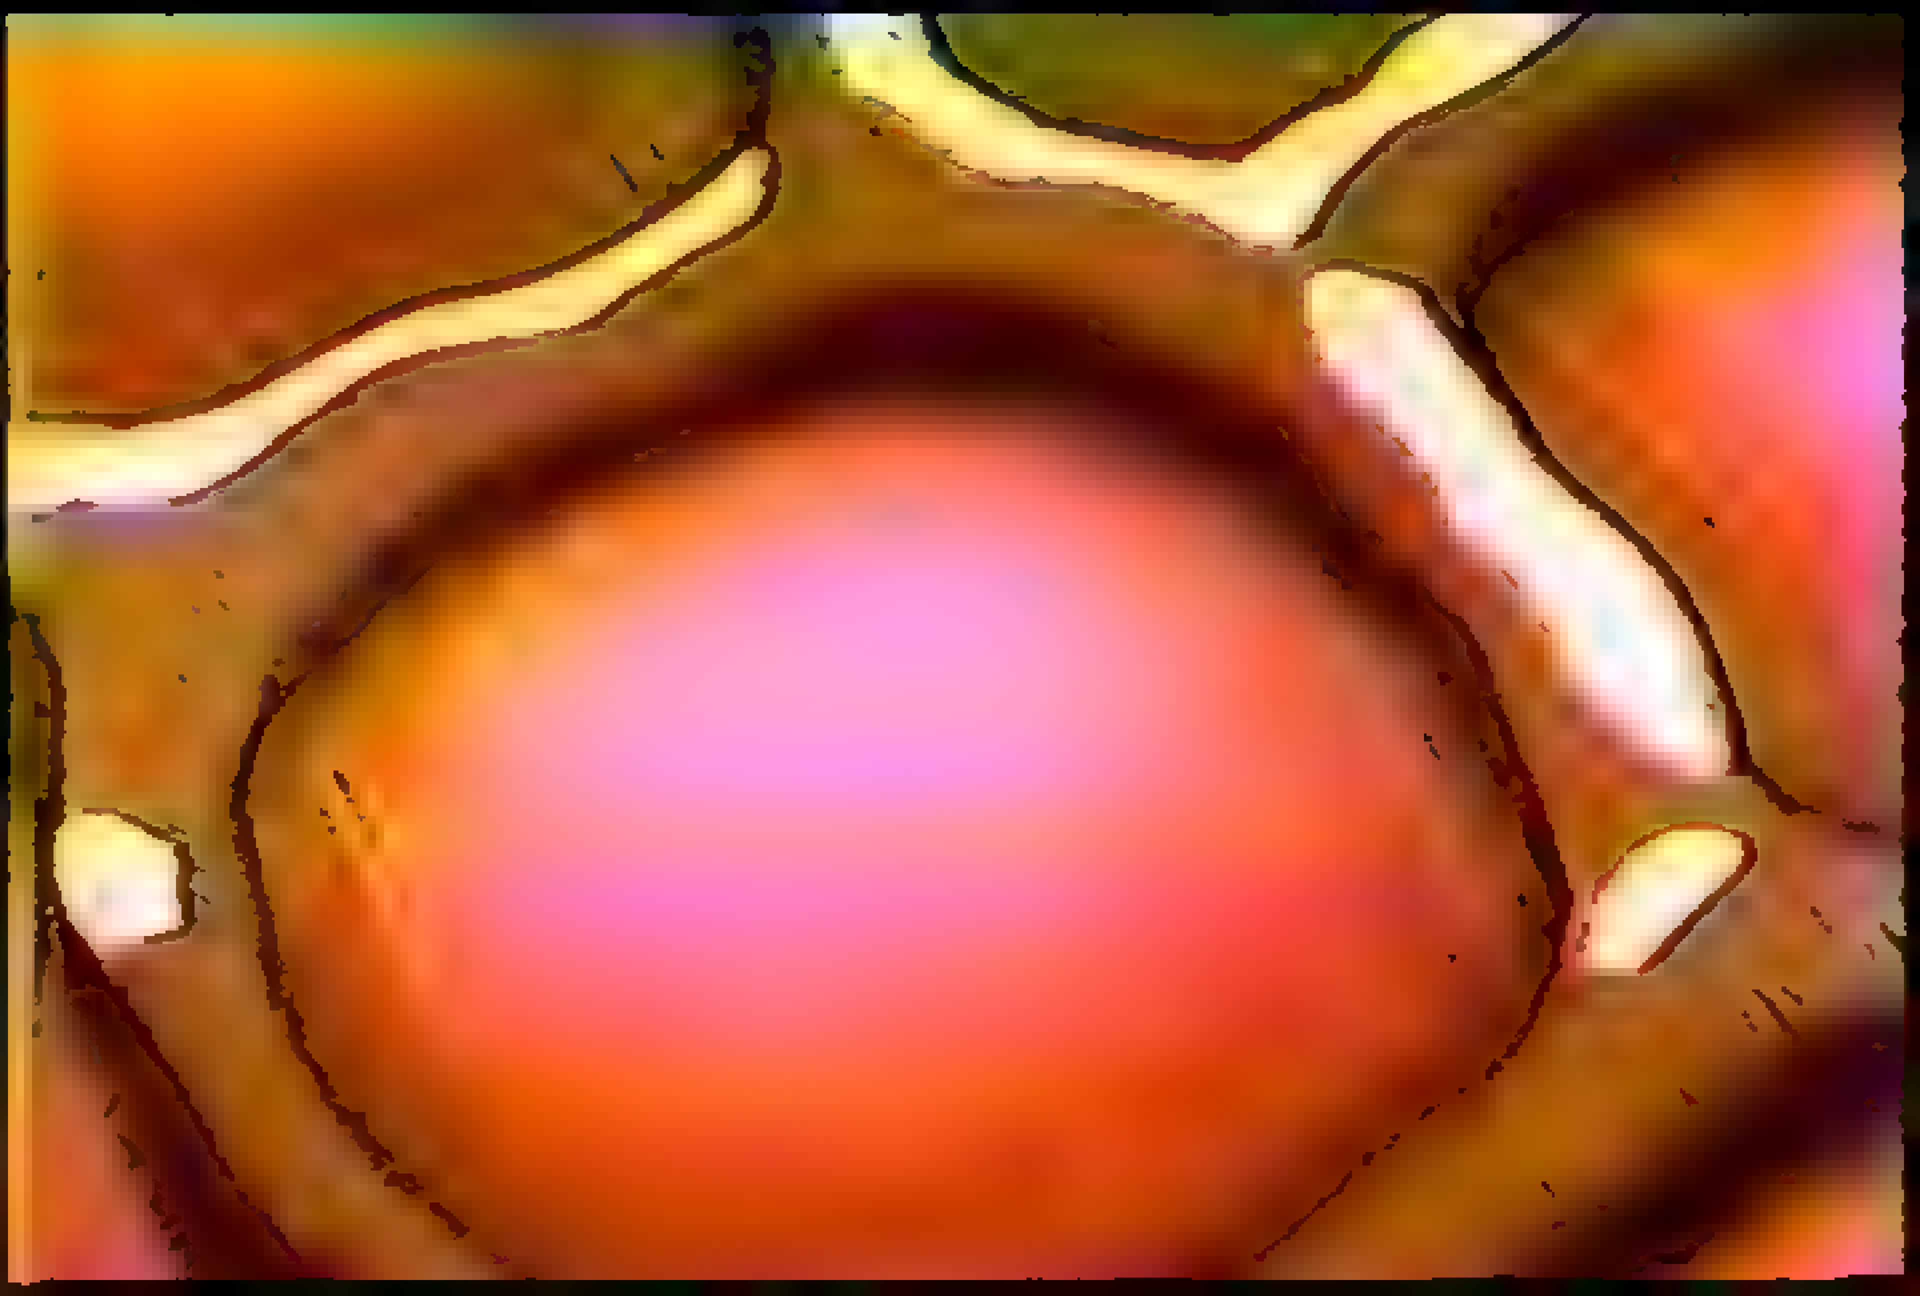

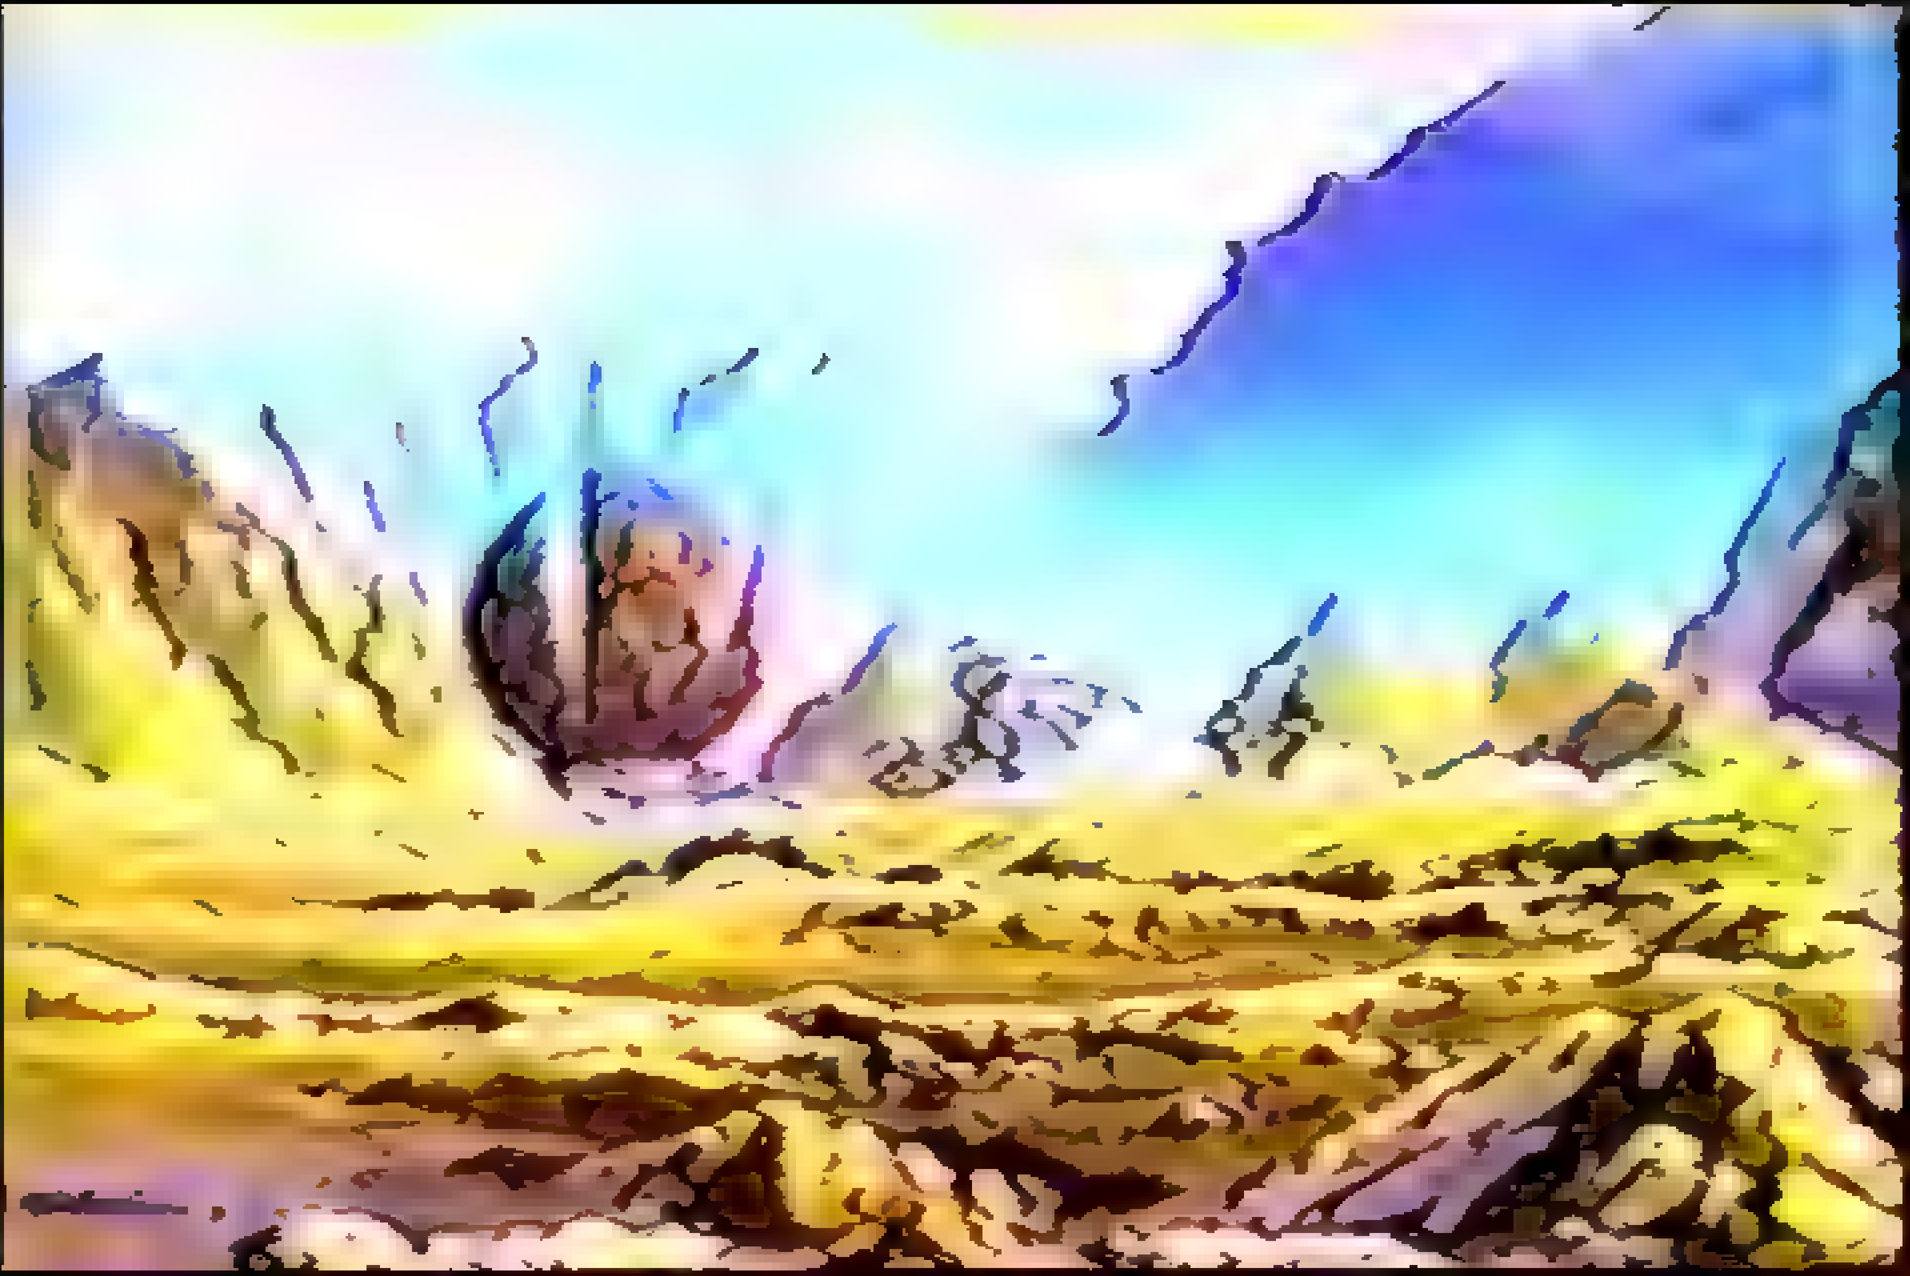

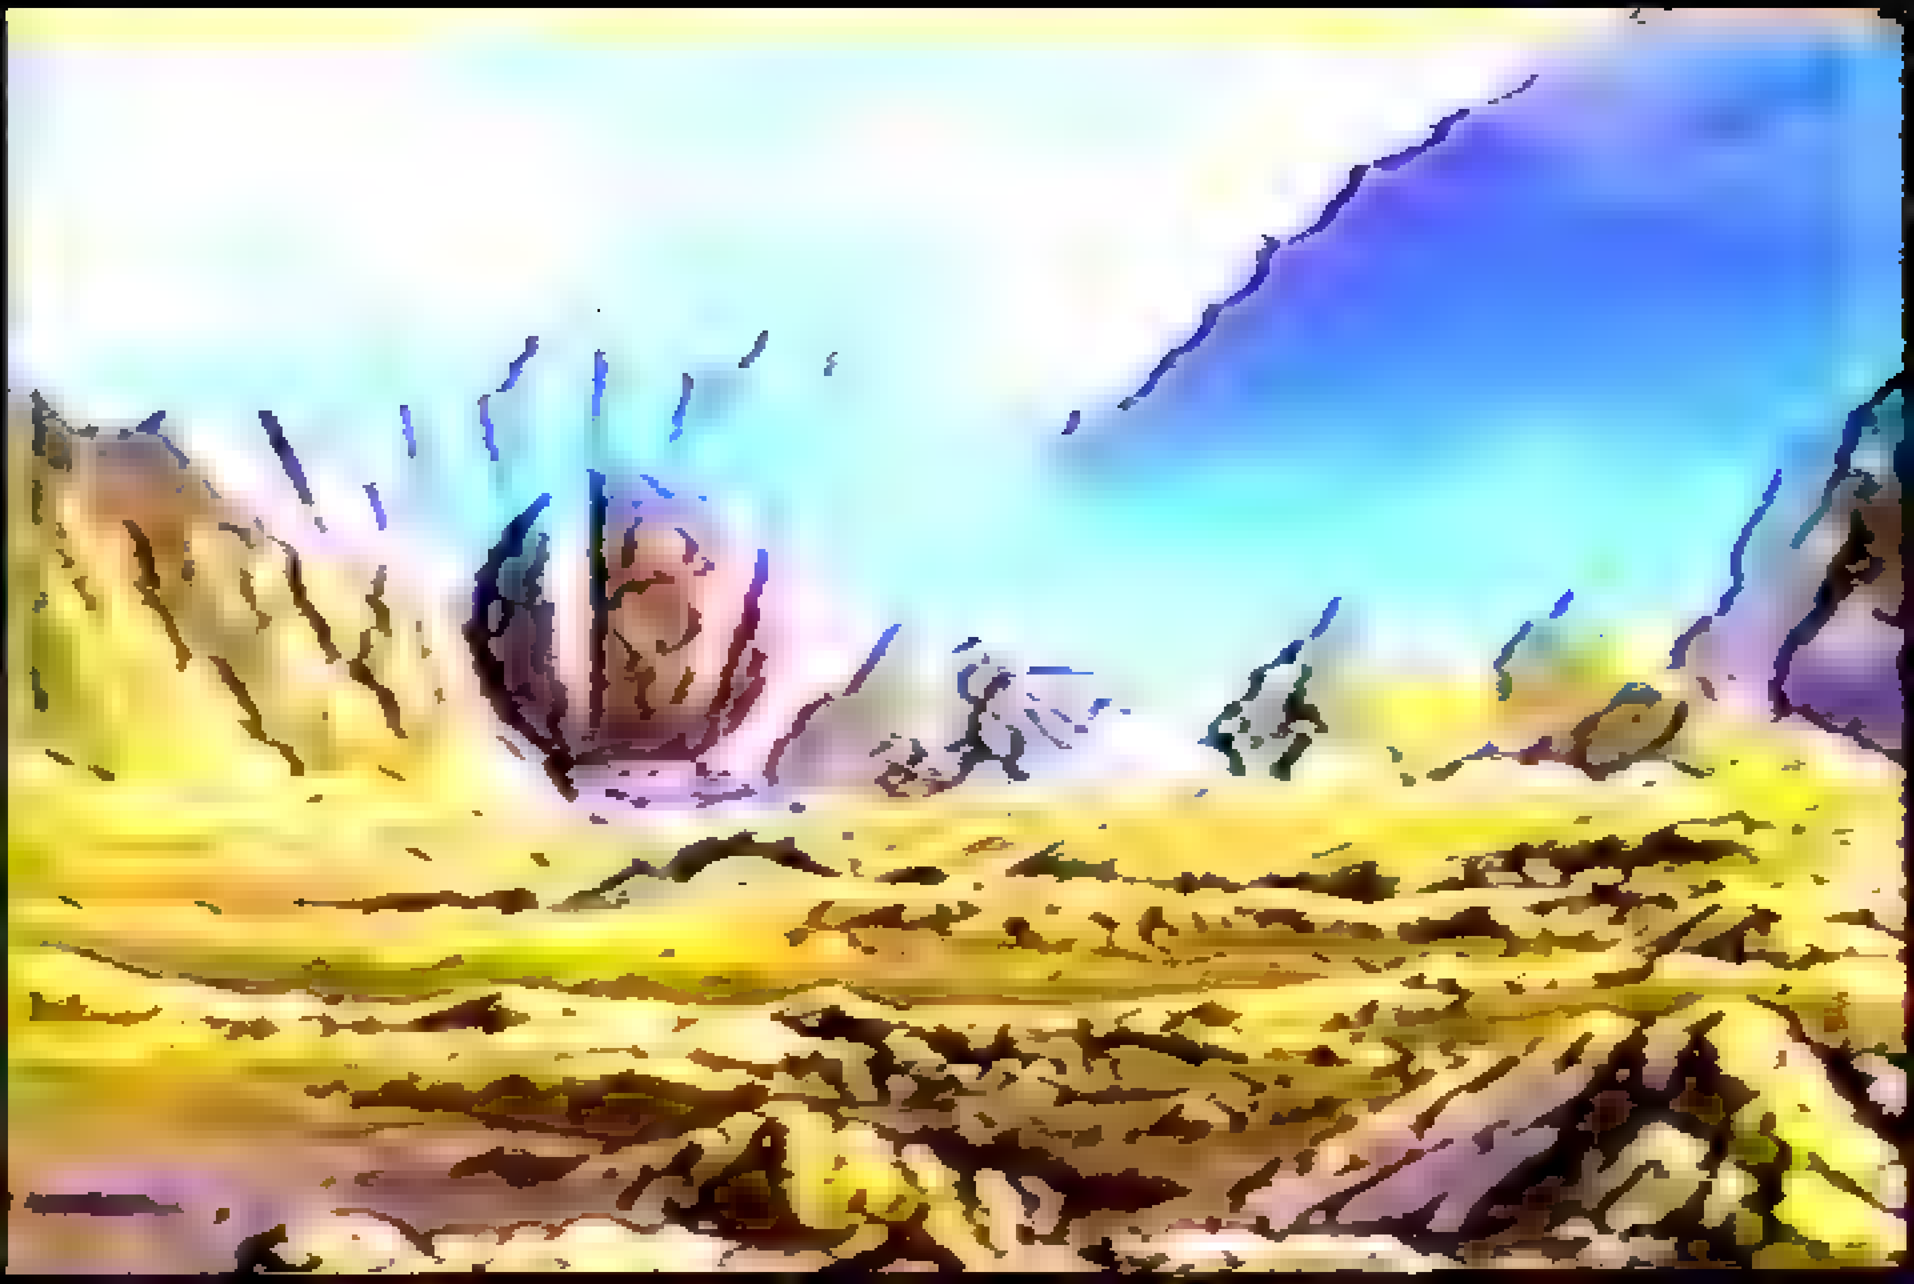

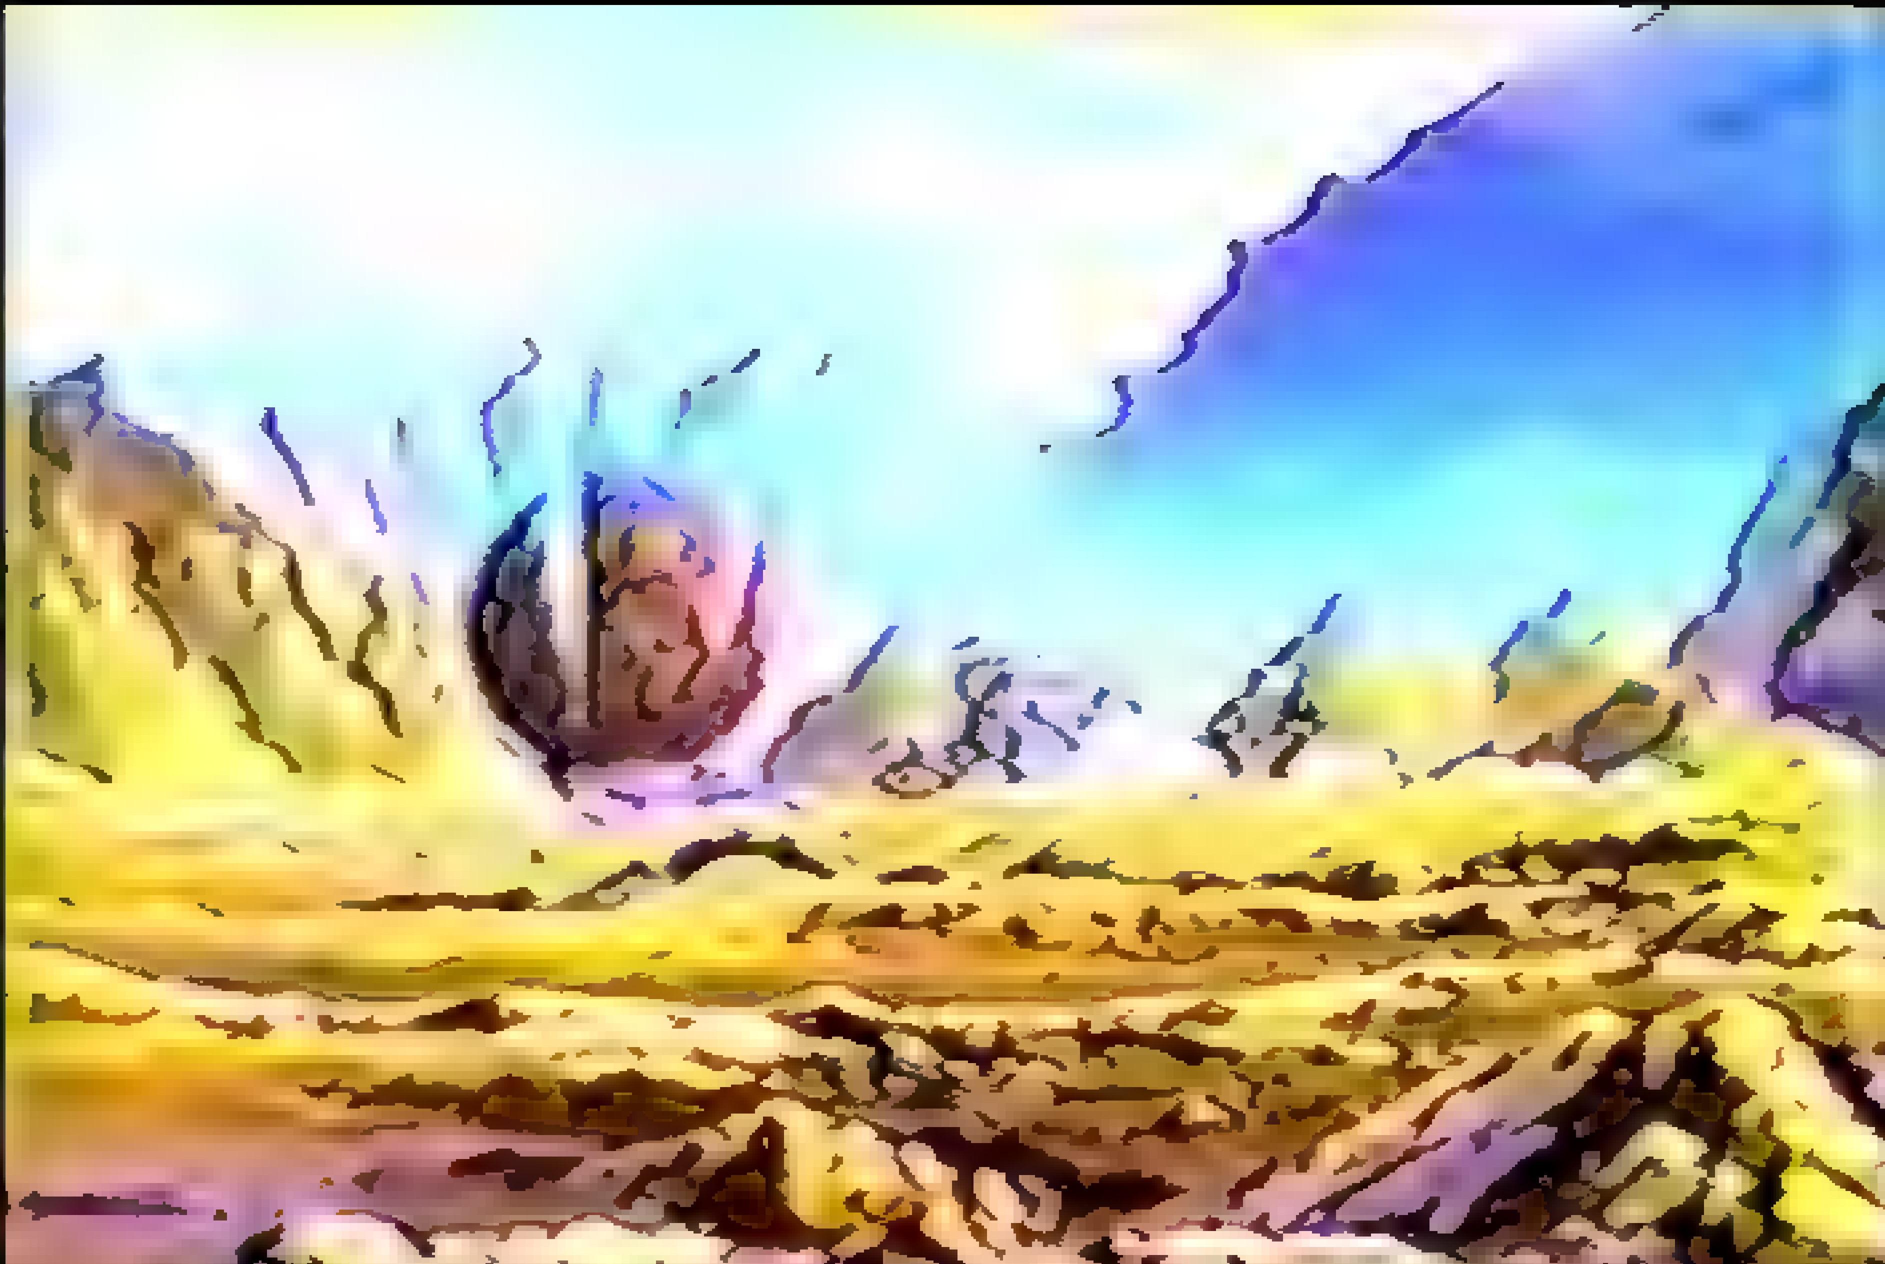

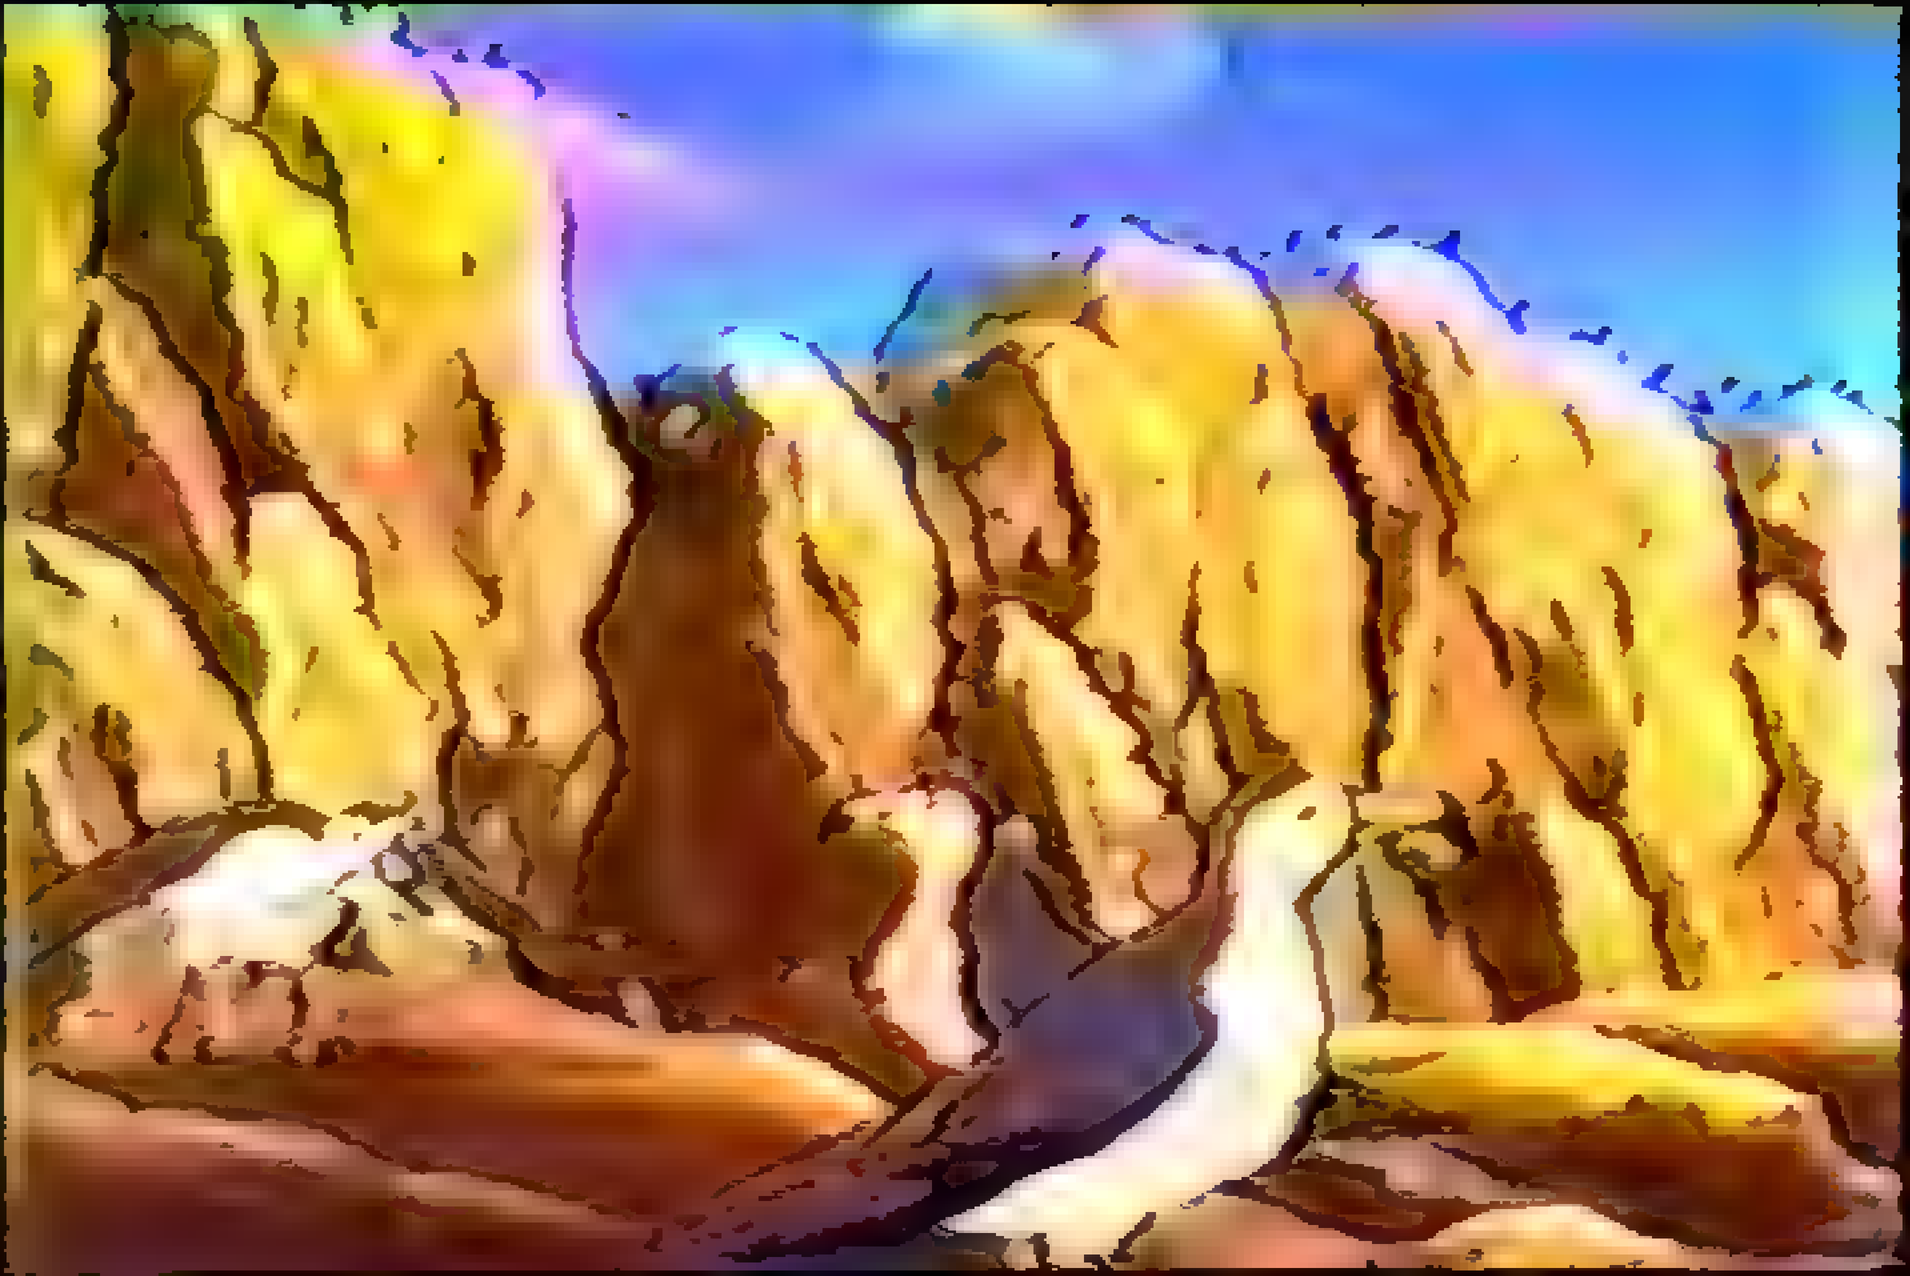

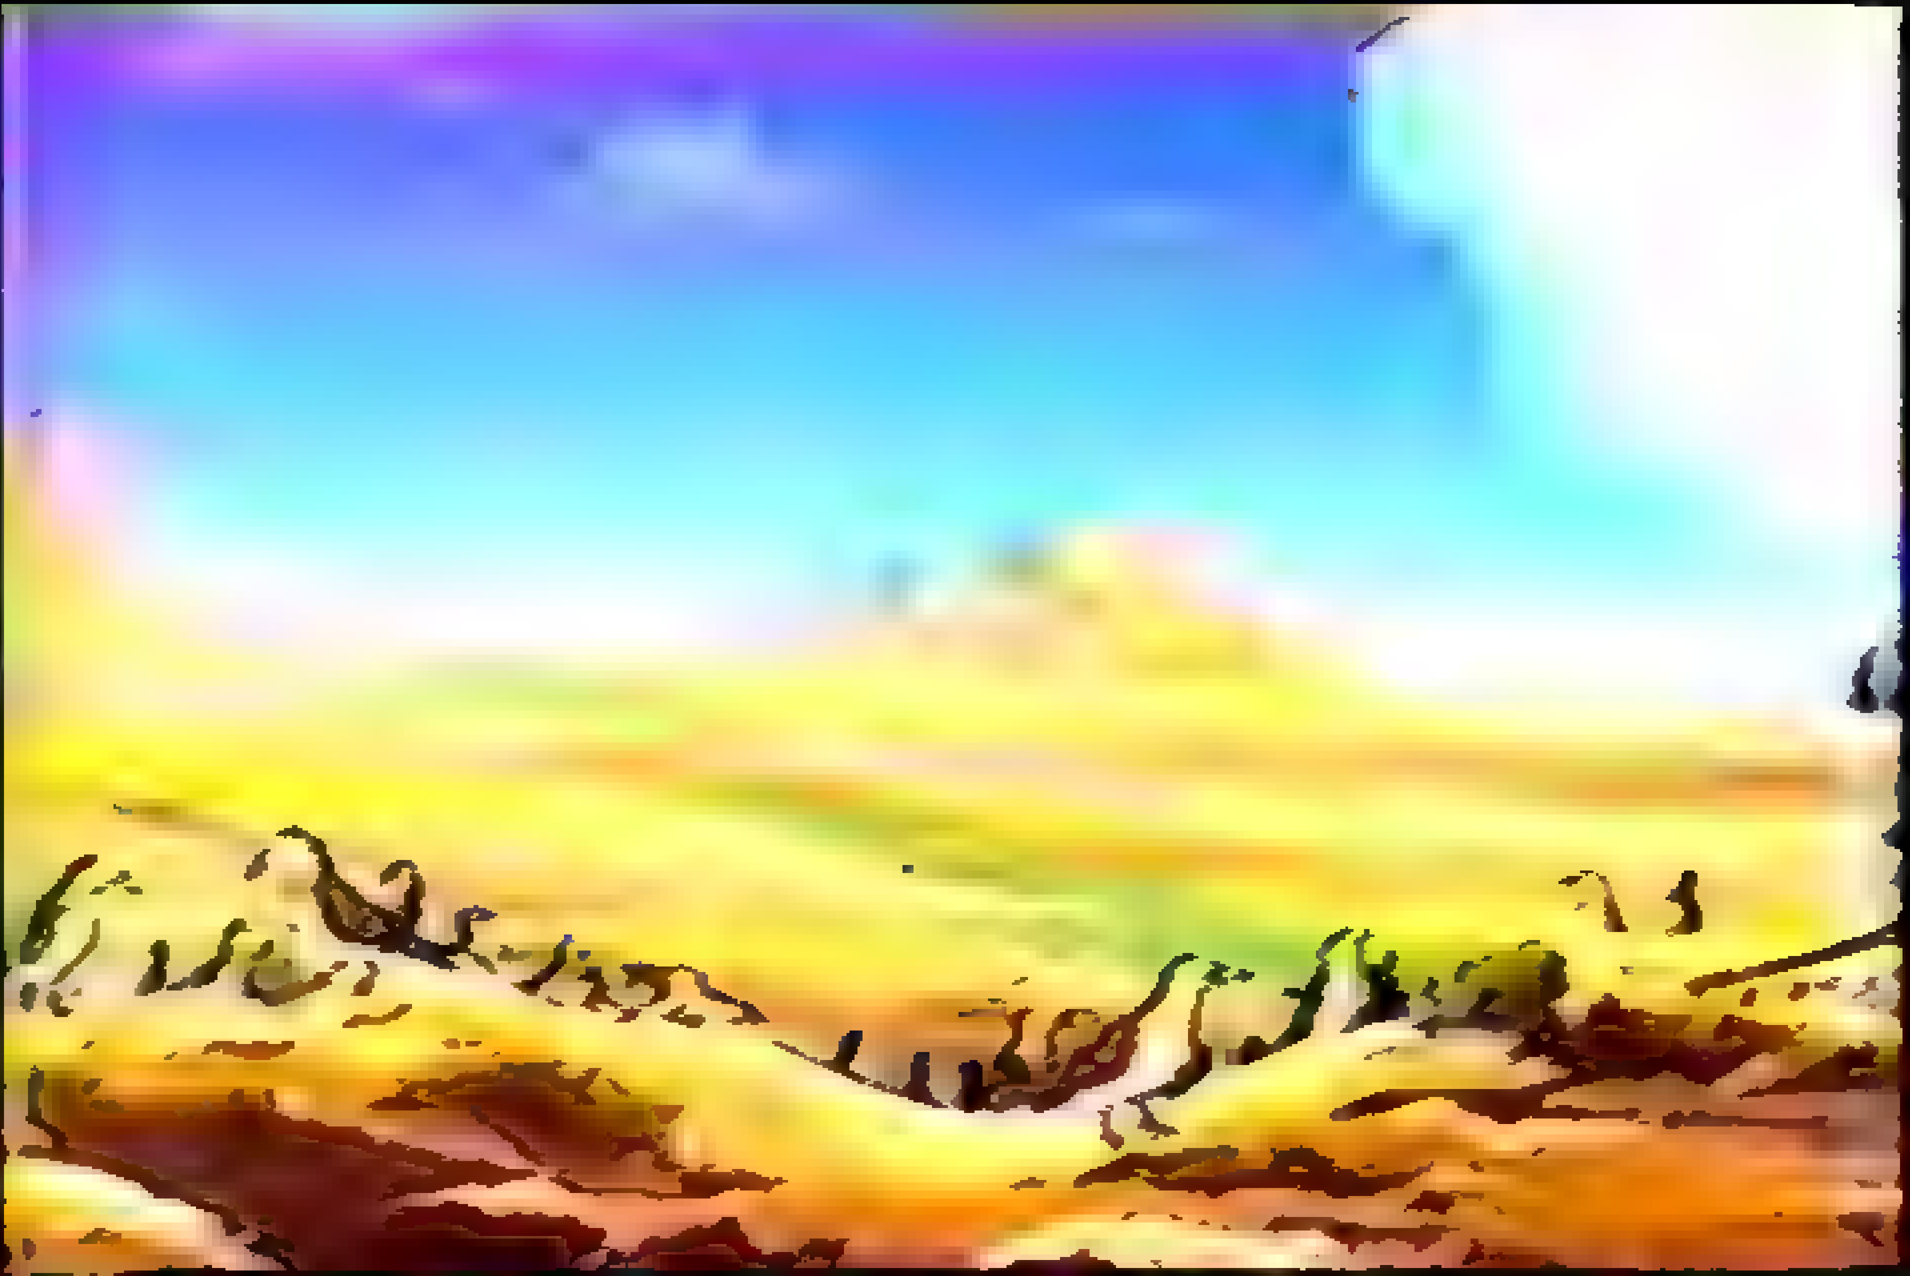

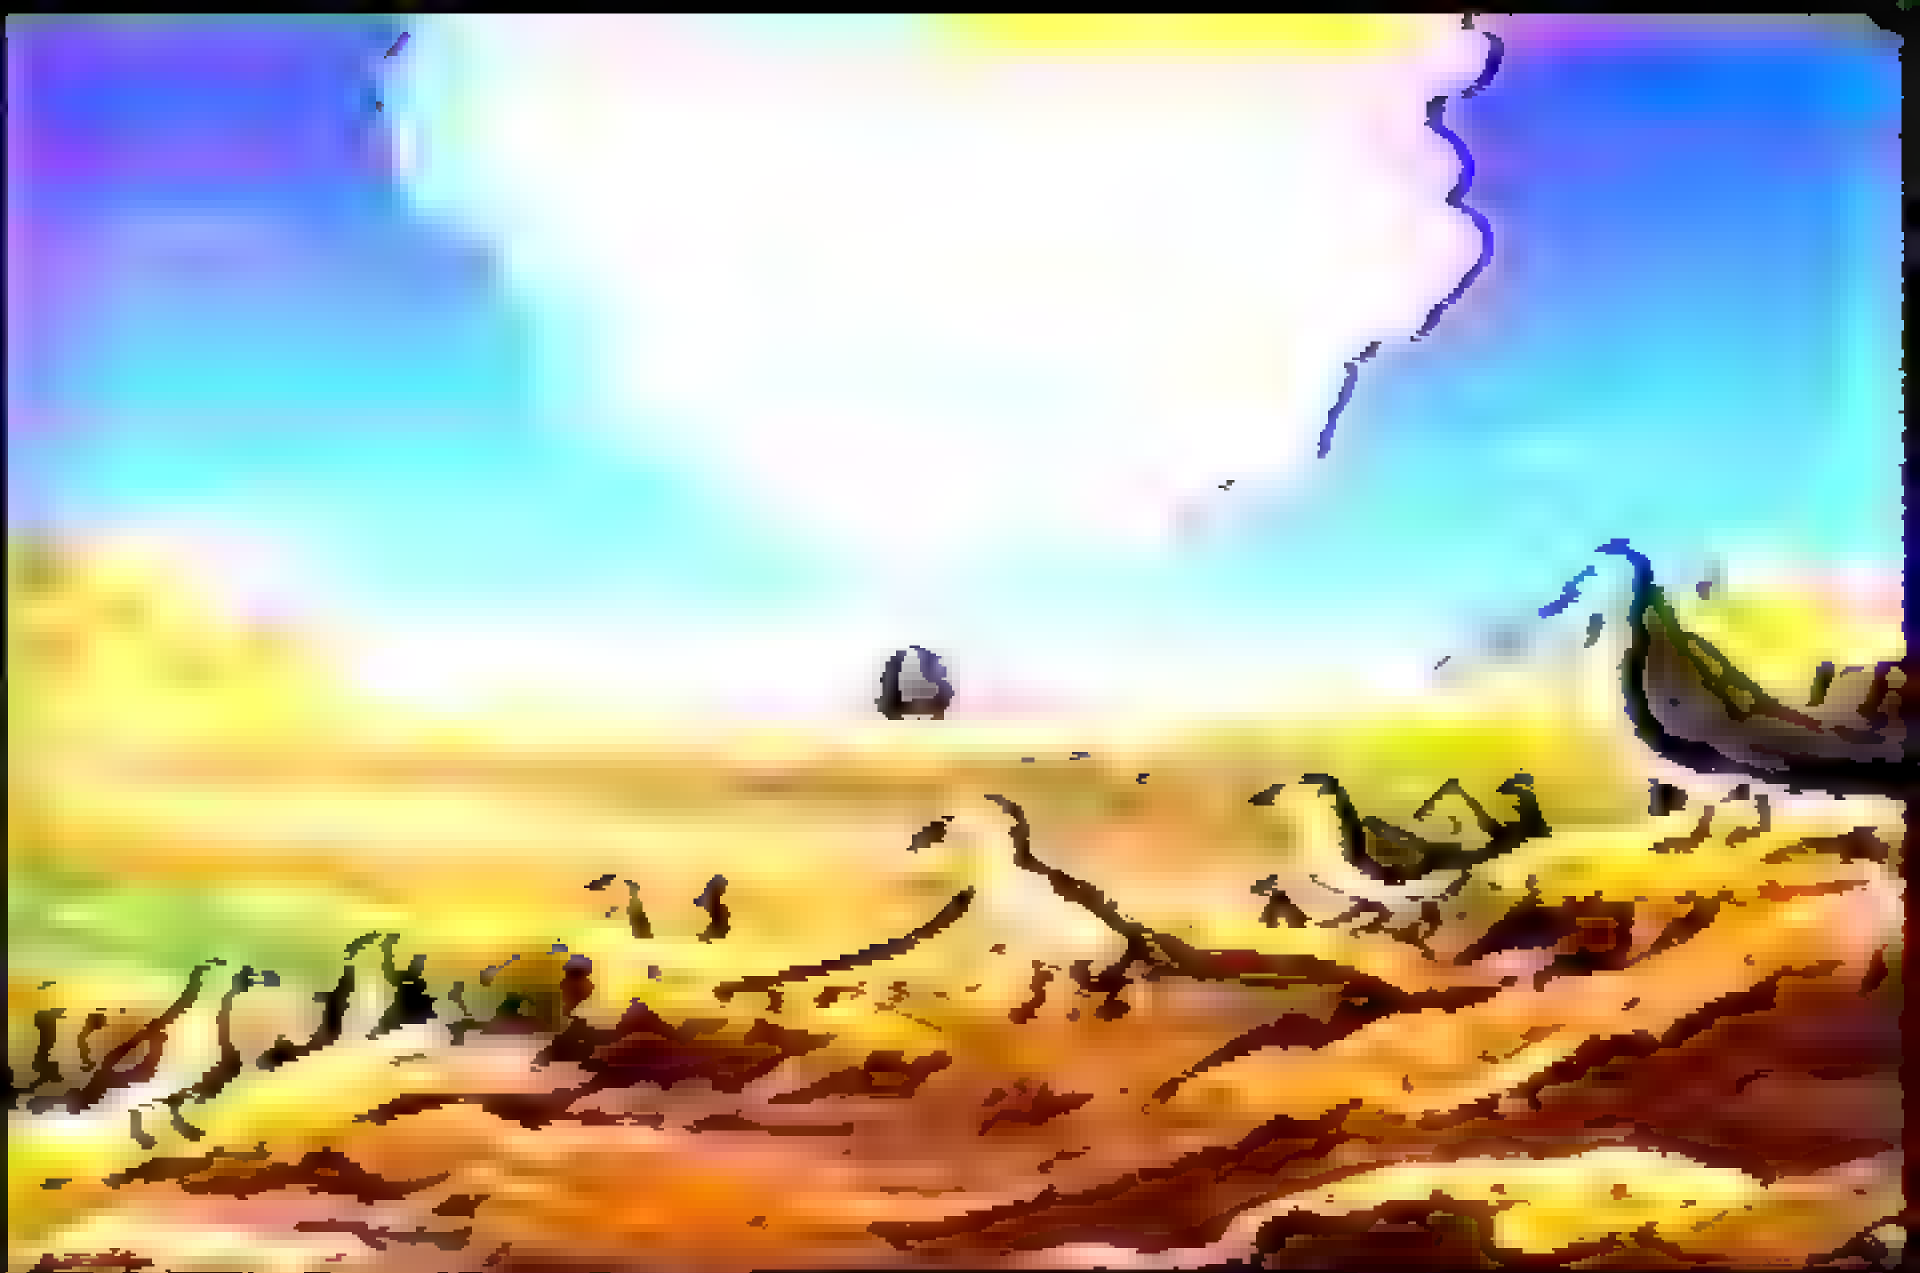

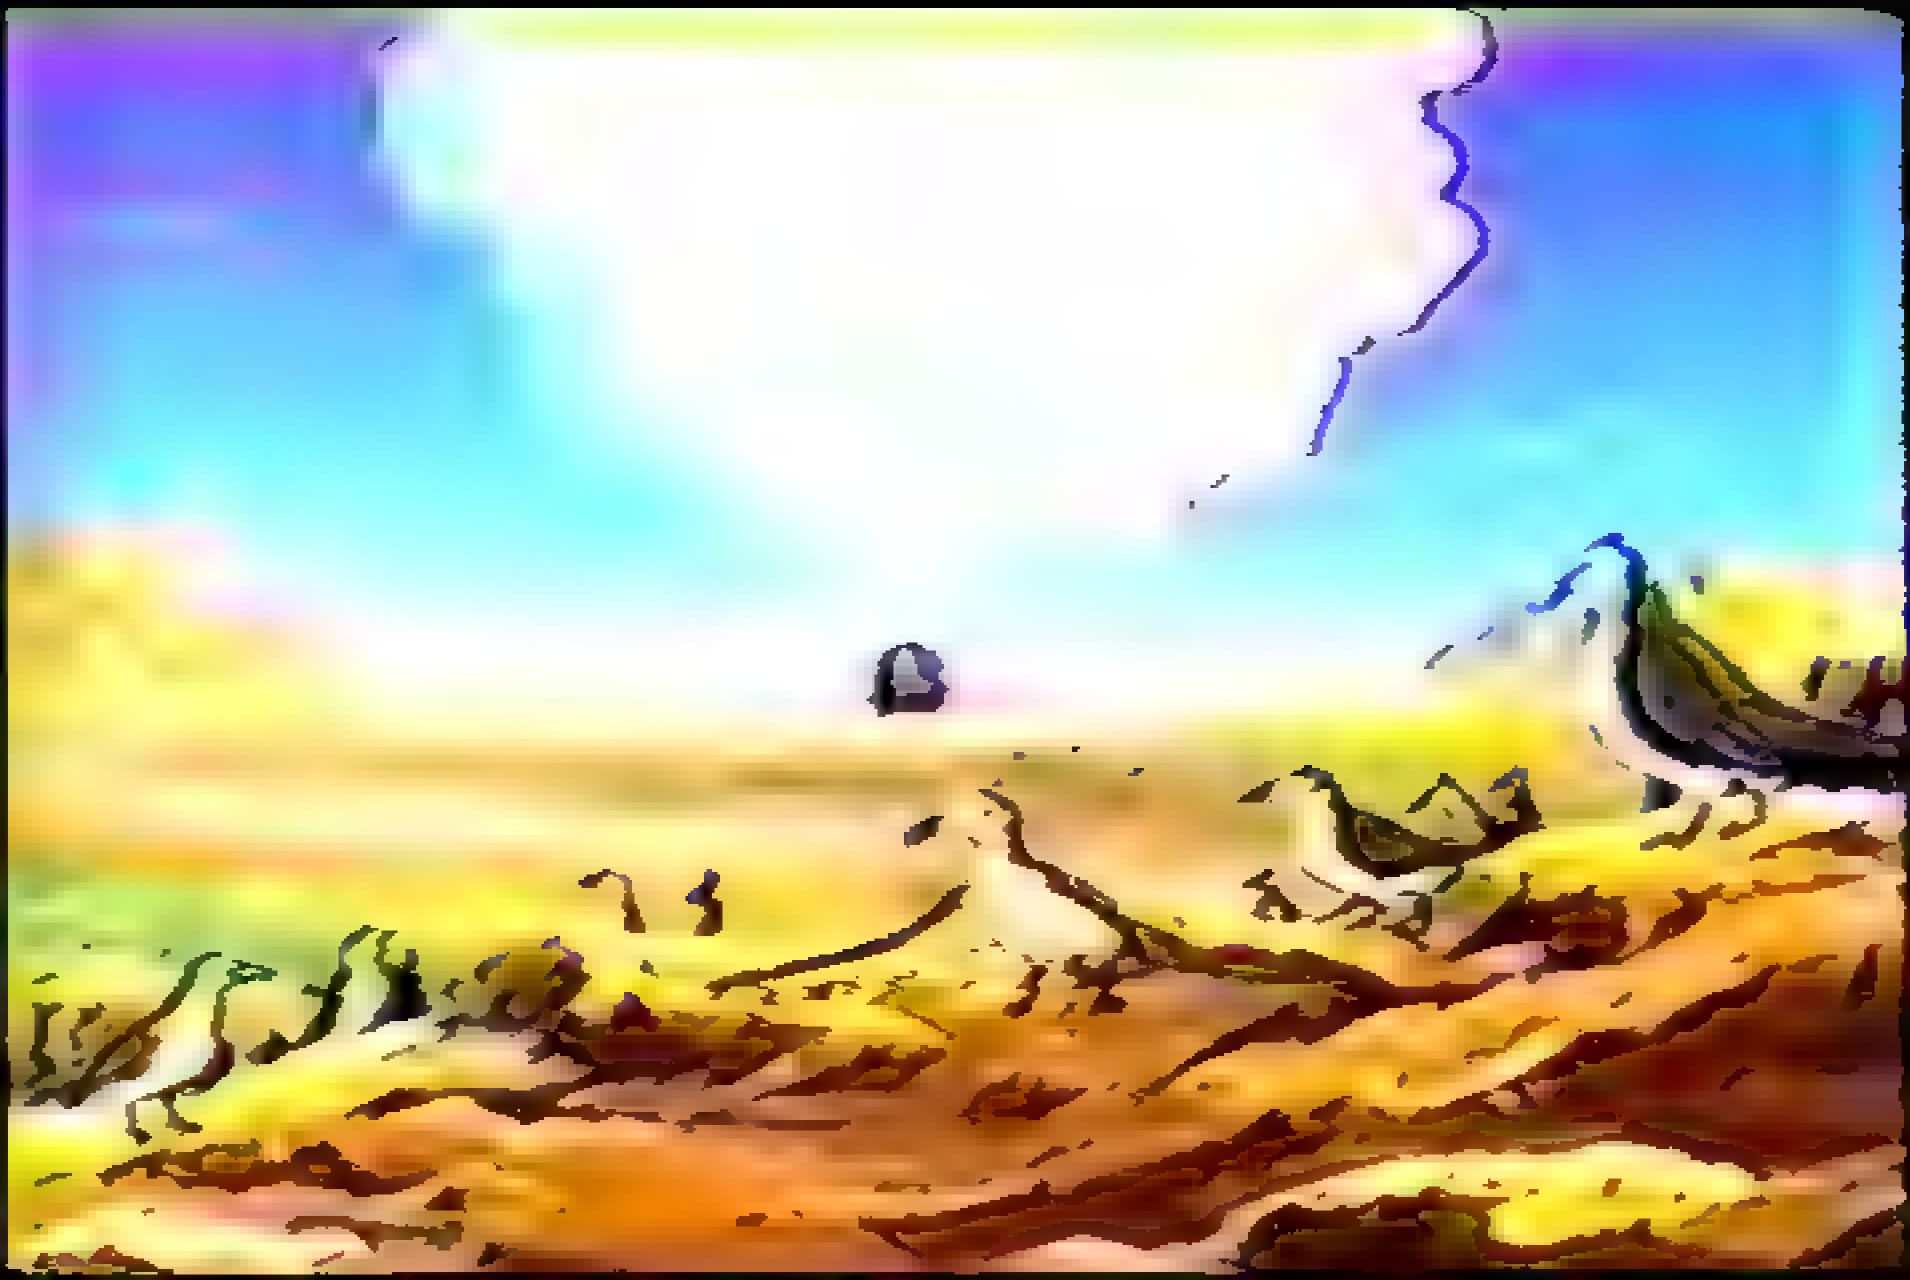

Doctor, Majin Buu's about to come out!

At last, I get to see Papa Bad! Come out!

How powerful are you?
Creation of my father!

How powerful are you?
Creation of my father!

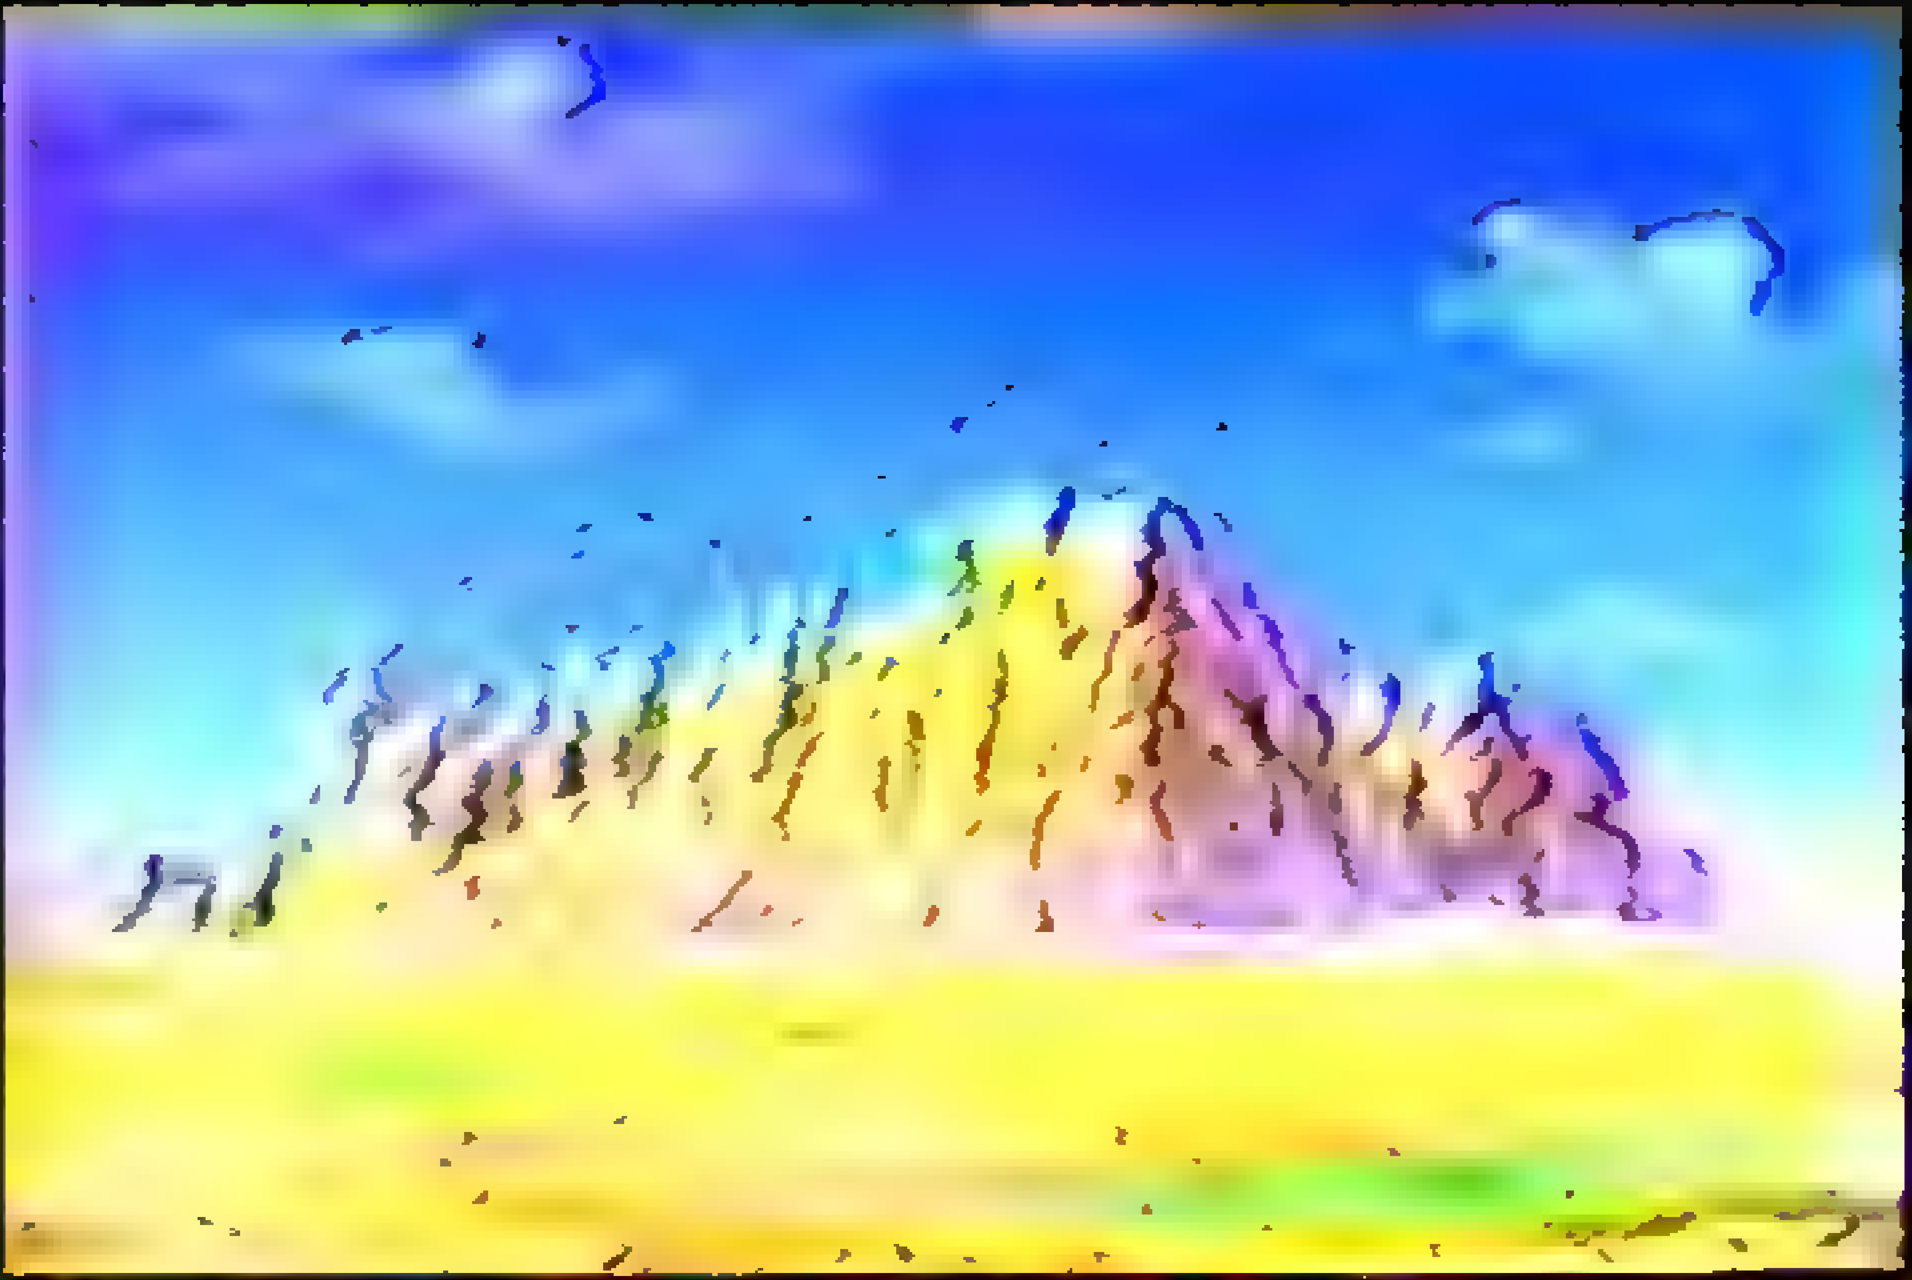

I'm looking forward to it, Lord Babidee

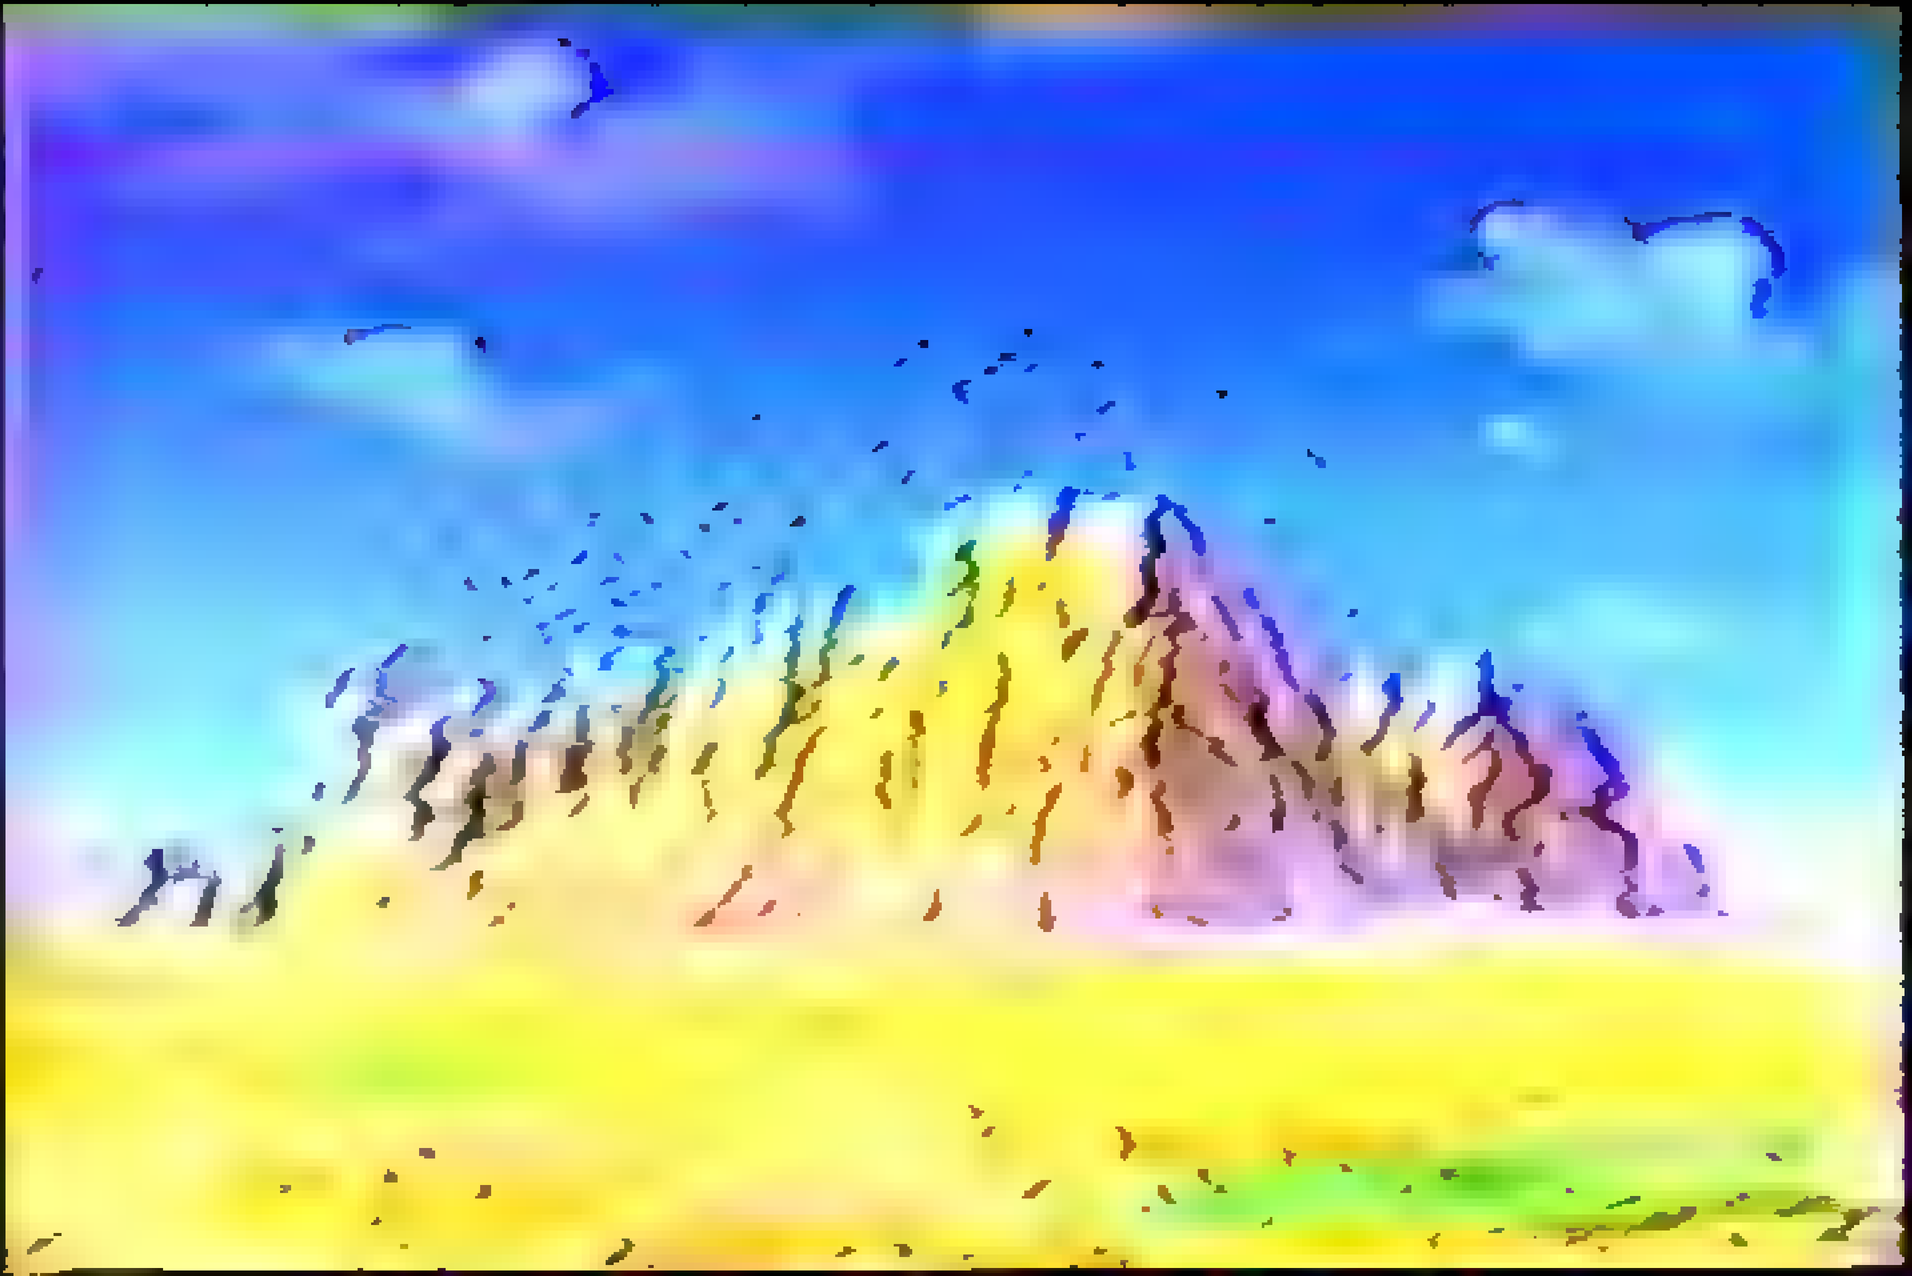

I've waited for this day.

Come out fast!!

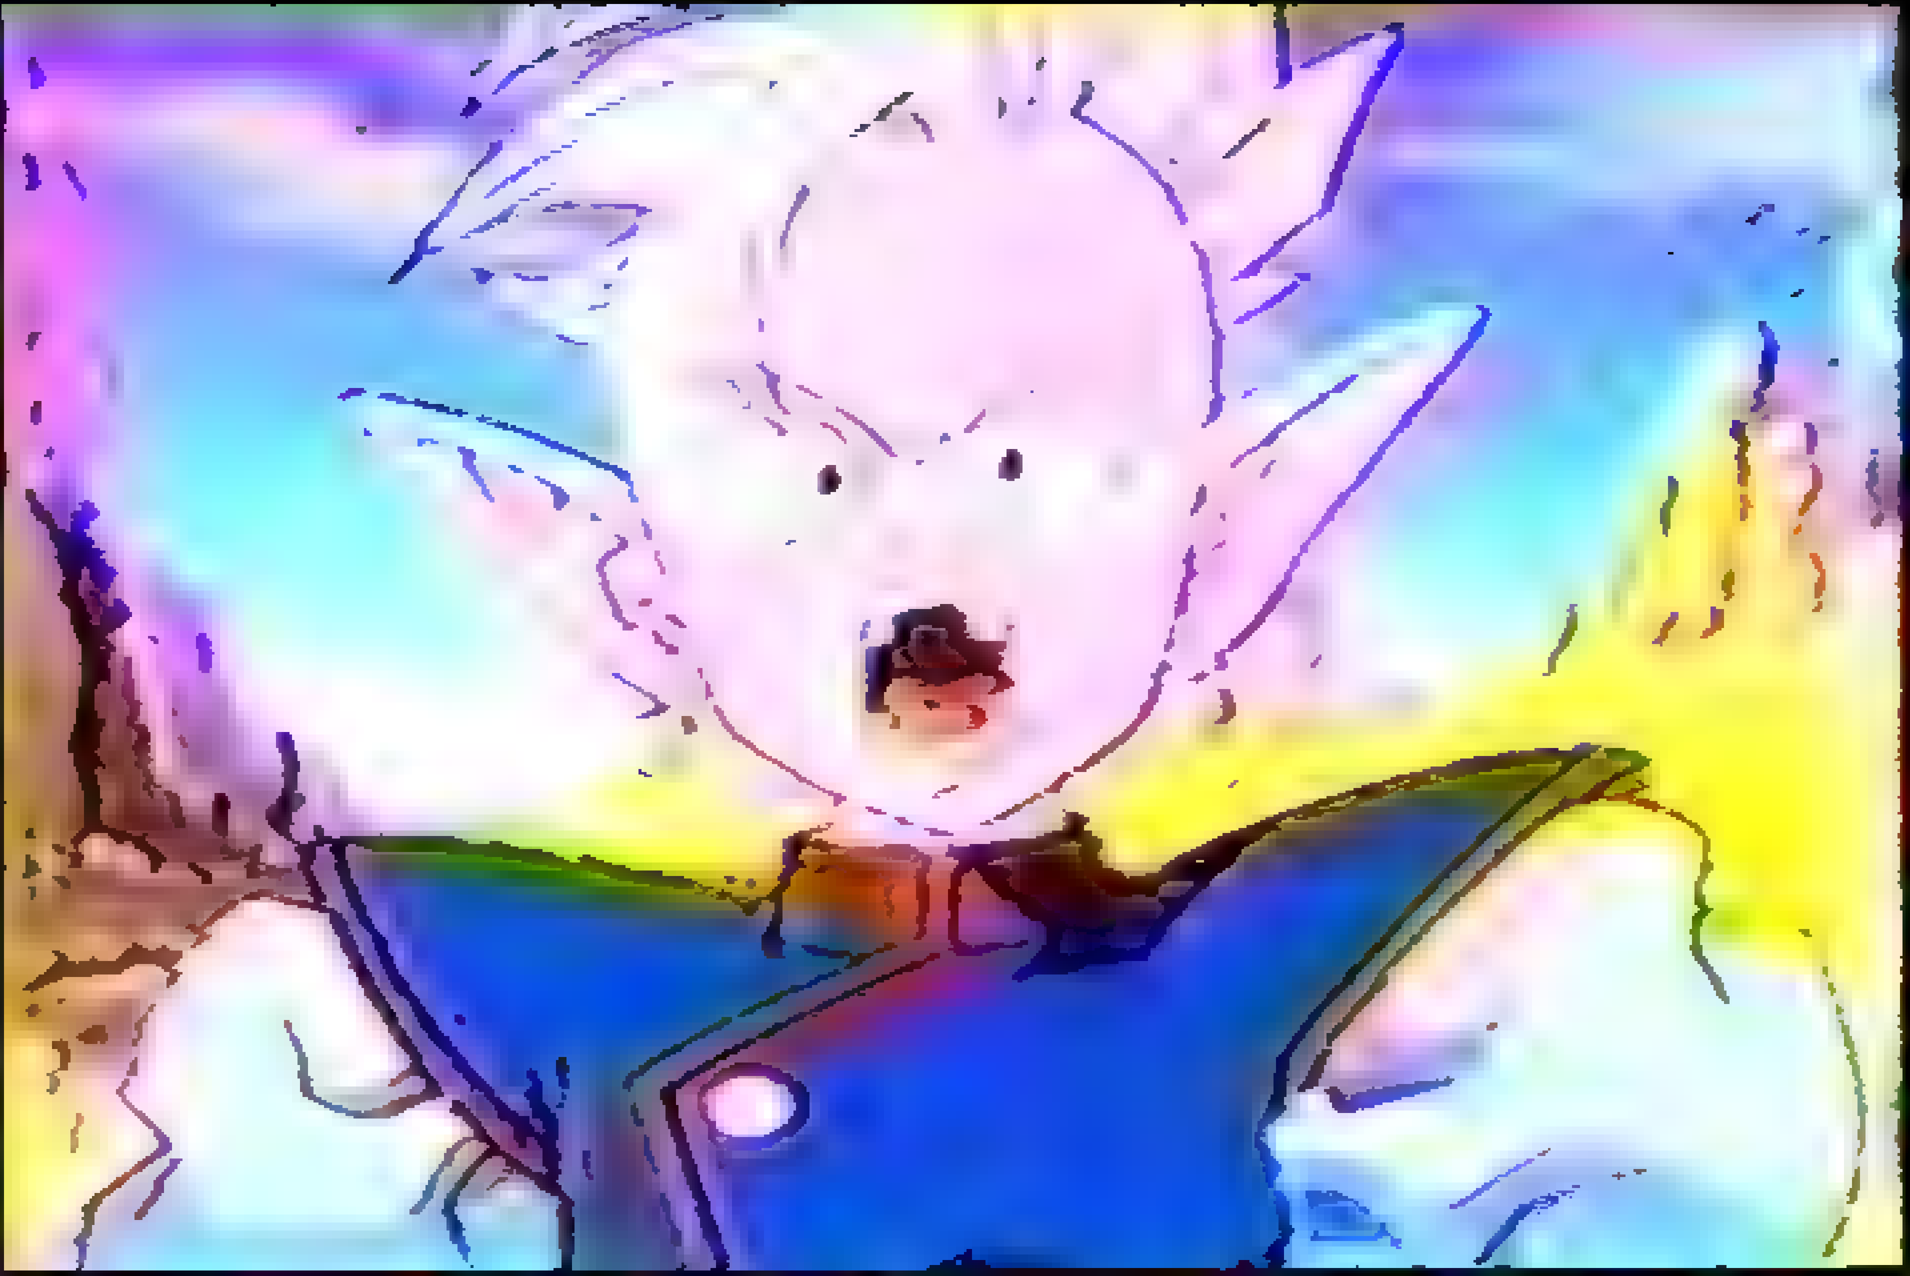

Come out fast!

Father's damage energy caused this...

The energy he's gotten because
he's surpassed Super Saiyan...

The energy he's gained because
he's surpassed Super Saiyan...

I can't believe Majin Buu's already been reborn

It's no good, Gohan! We have to get away!

We have to run away now, Gohan!

We have to run away now, Gohan!

If we leave now, Majin Buu'll be reborn

We can't beat Majin Buu! Not even you,
're strong enough to beat him, Gohan

We can't beat Majin Buu! Not even you
are strong enough to beat him, Gohan

No one can beat him!

If we stay here, we're sure to be killed!!

If we stay here, we're sure to be killed!

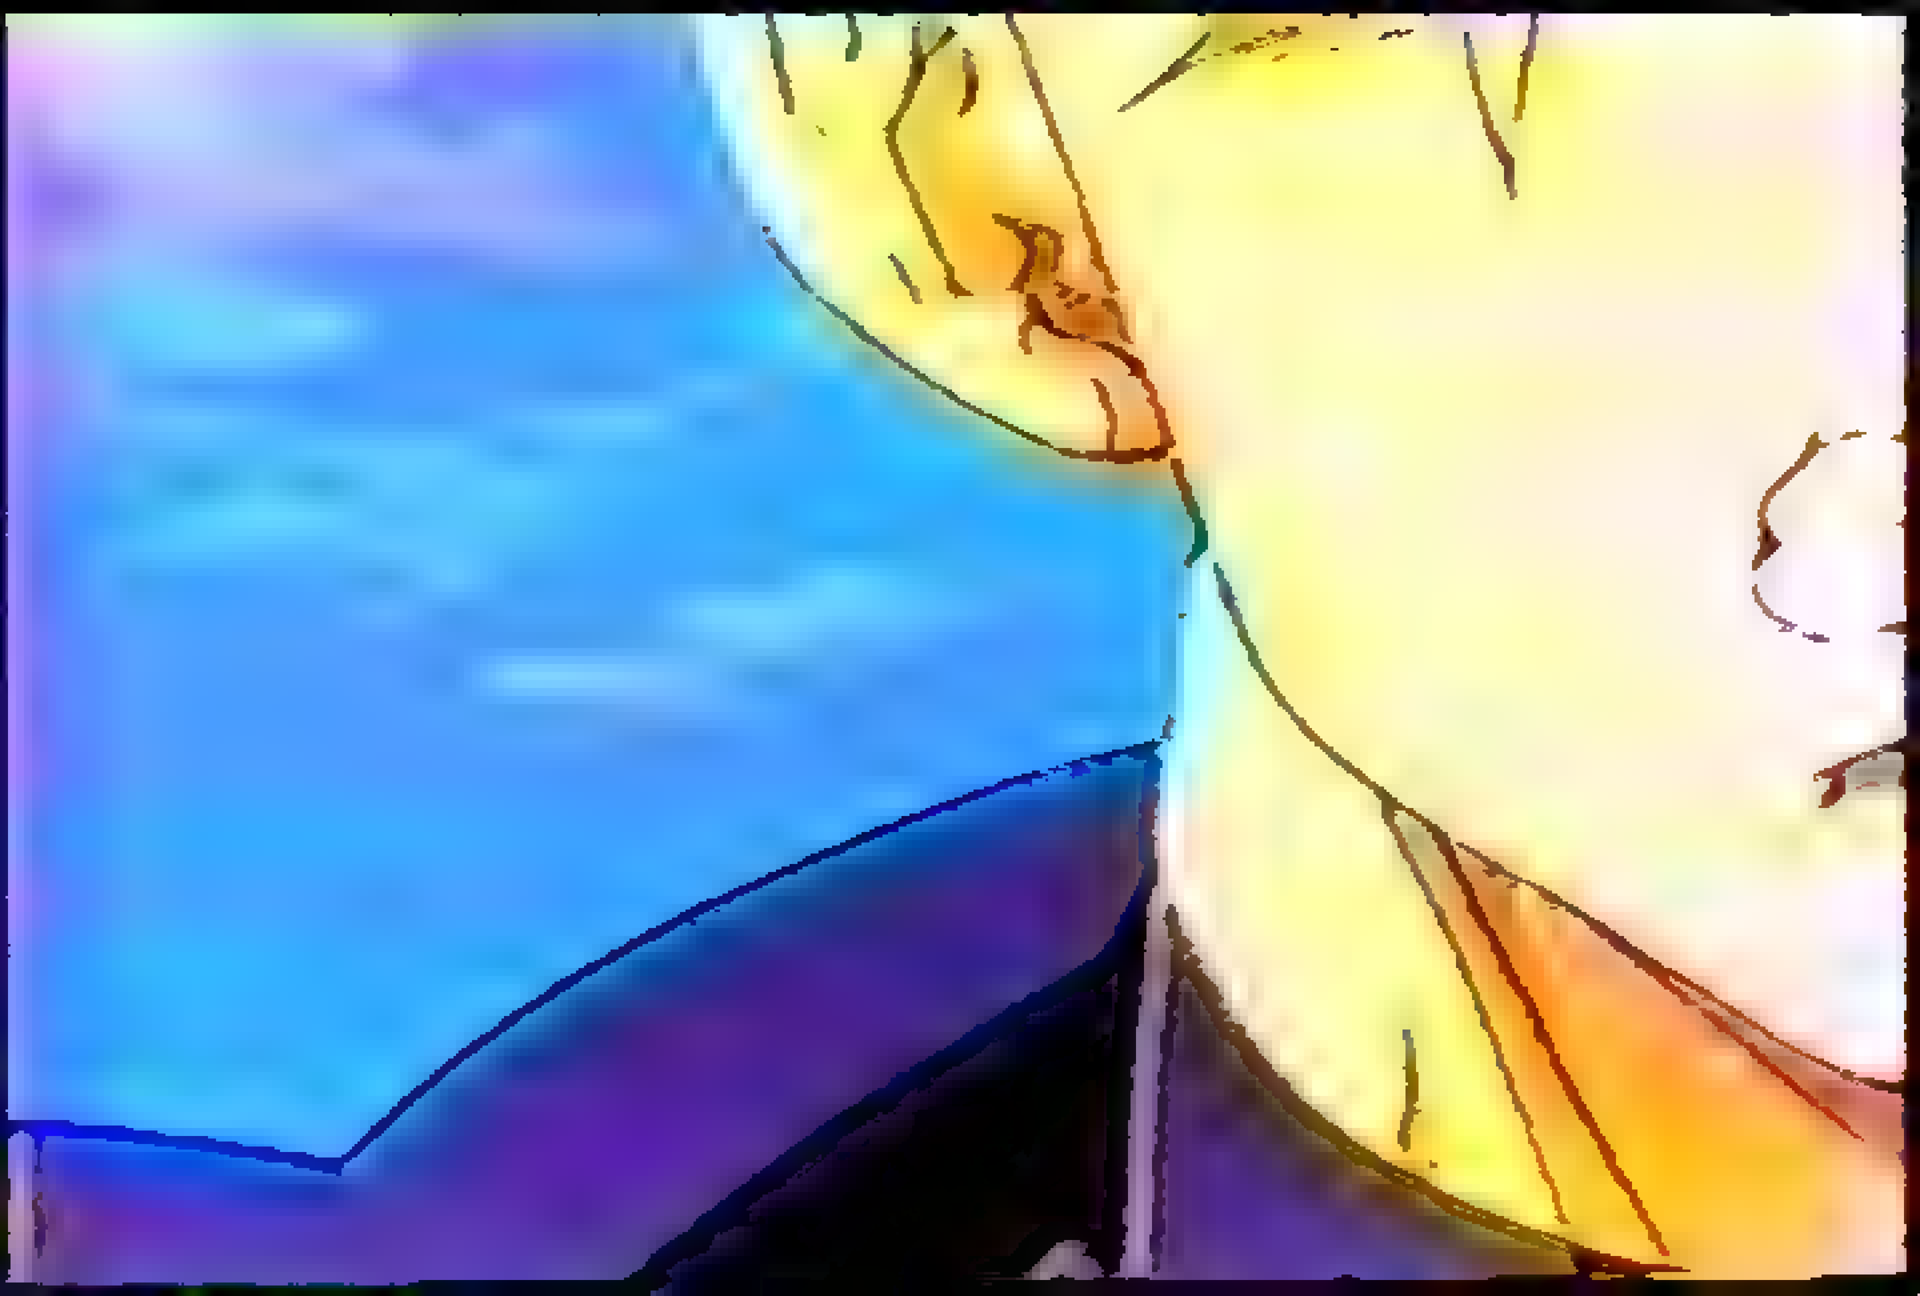

But, Master

We have to run away fast!

We want to run away fast!

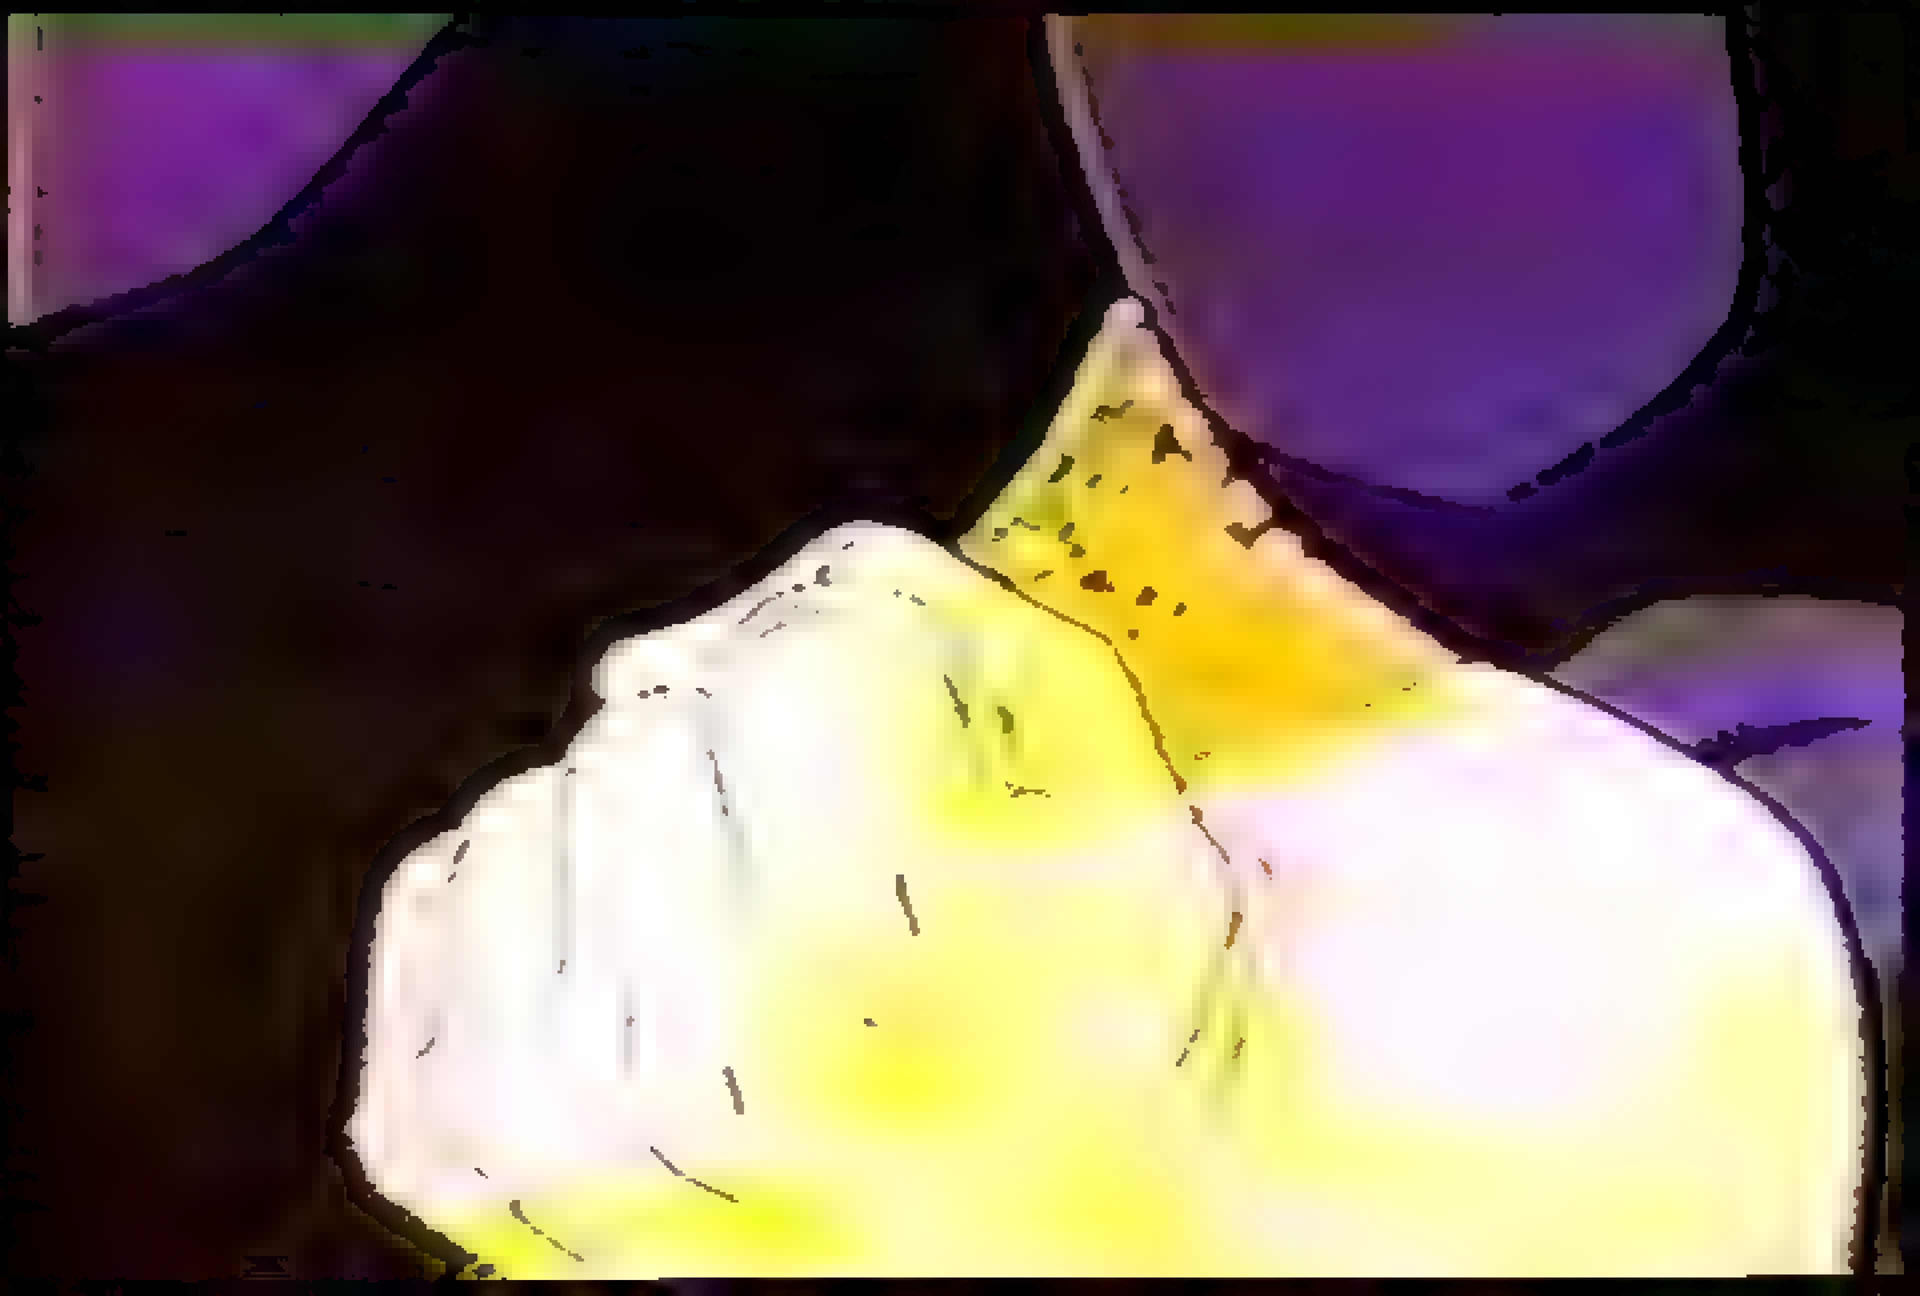

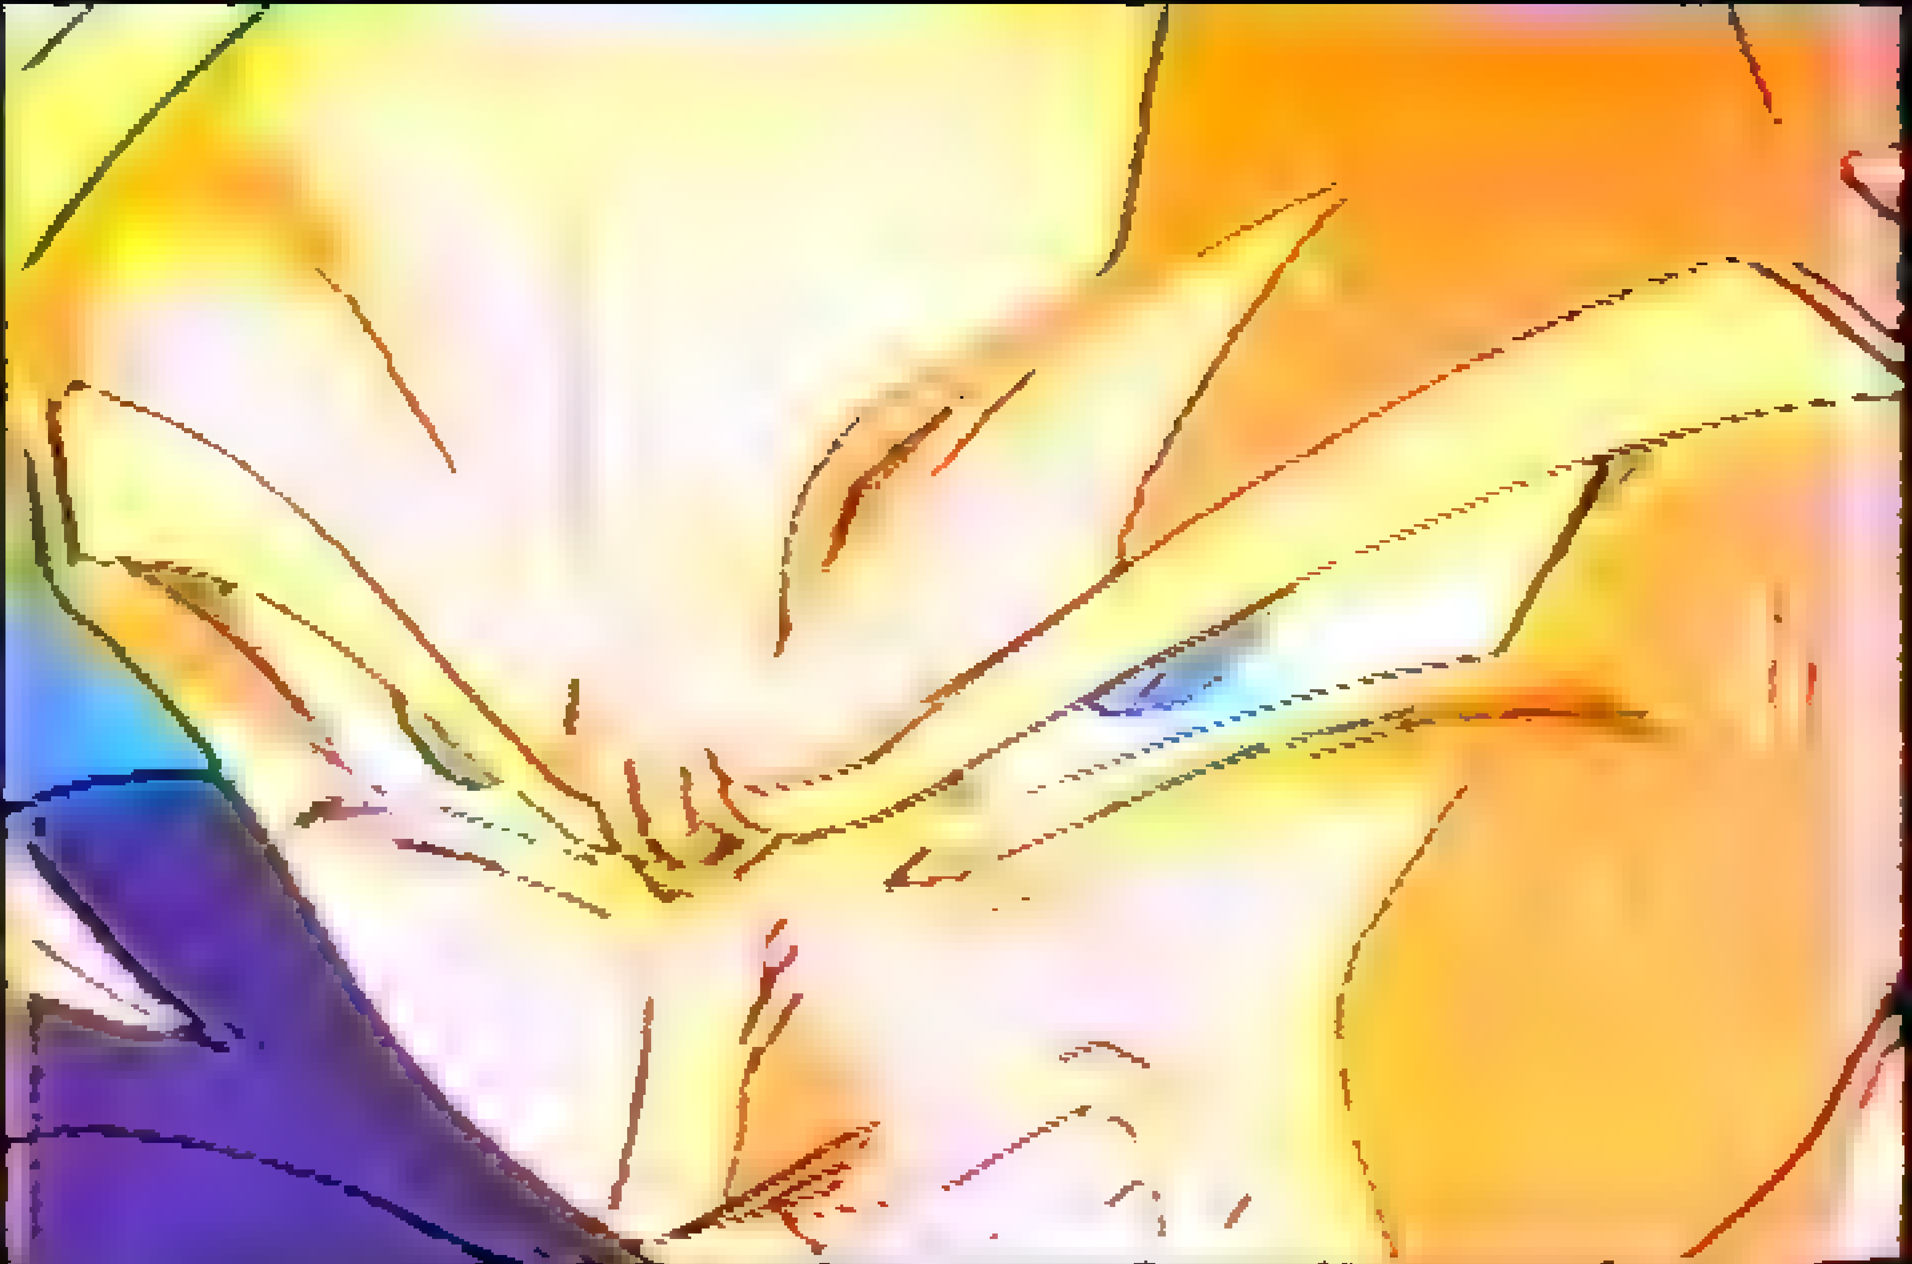

But I'm already at full
power, the best I can do...

But I'm already at full
power, the least I can do...

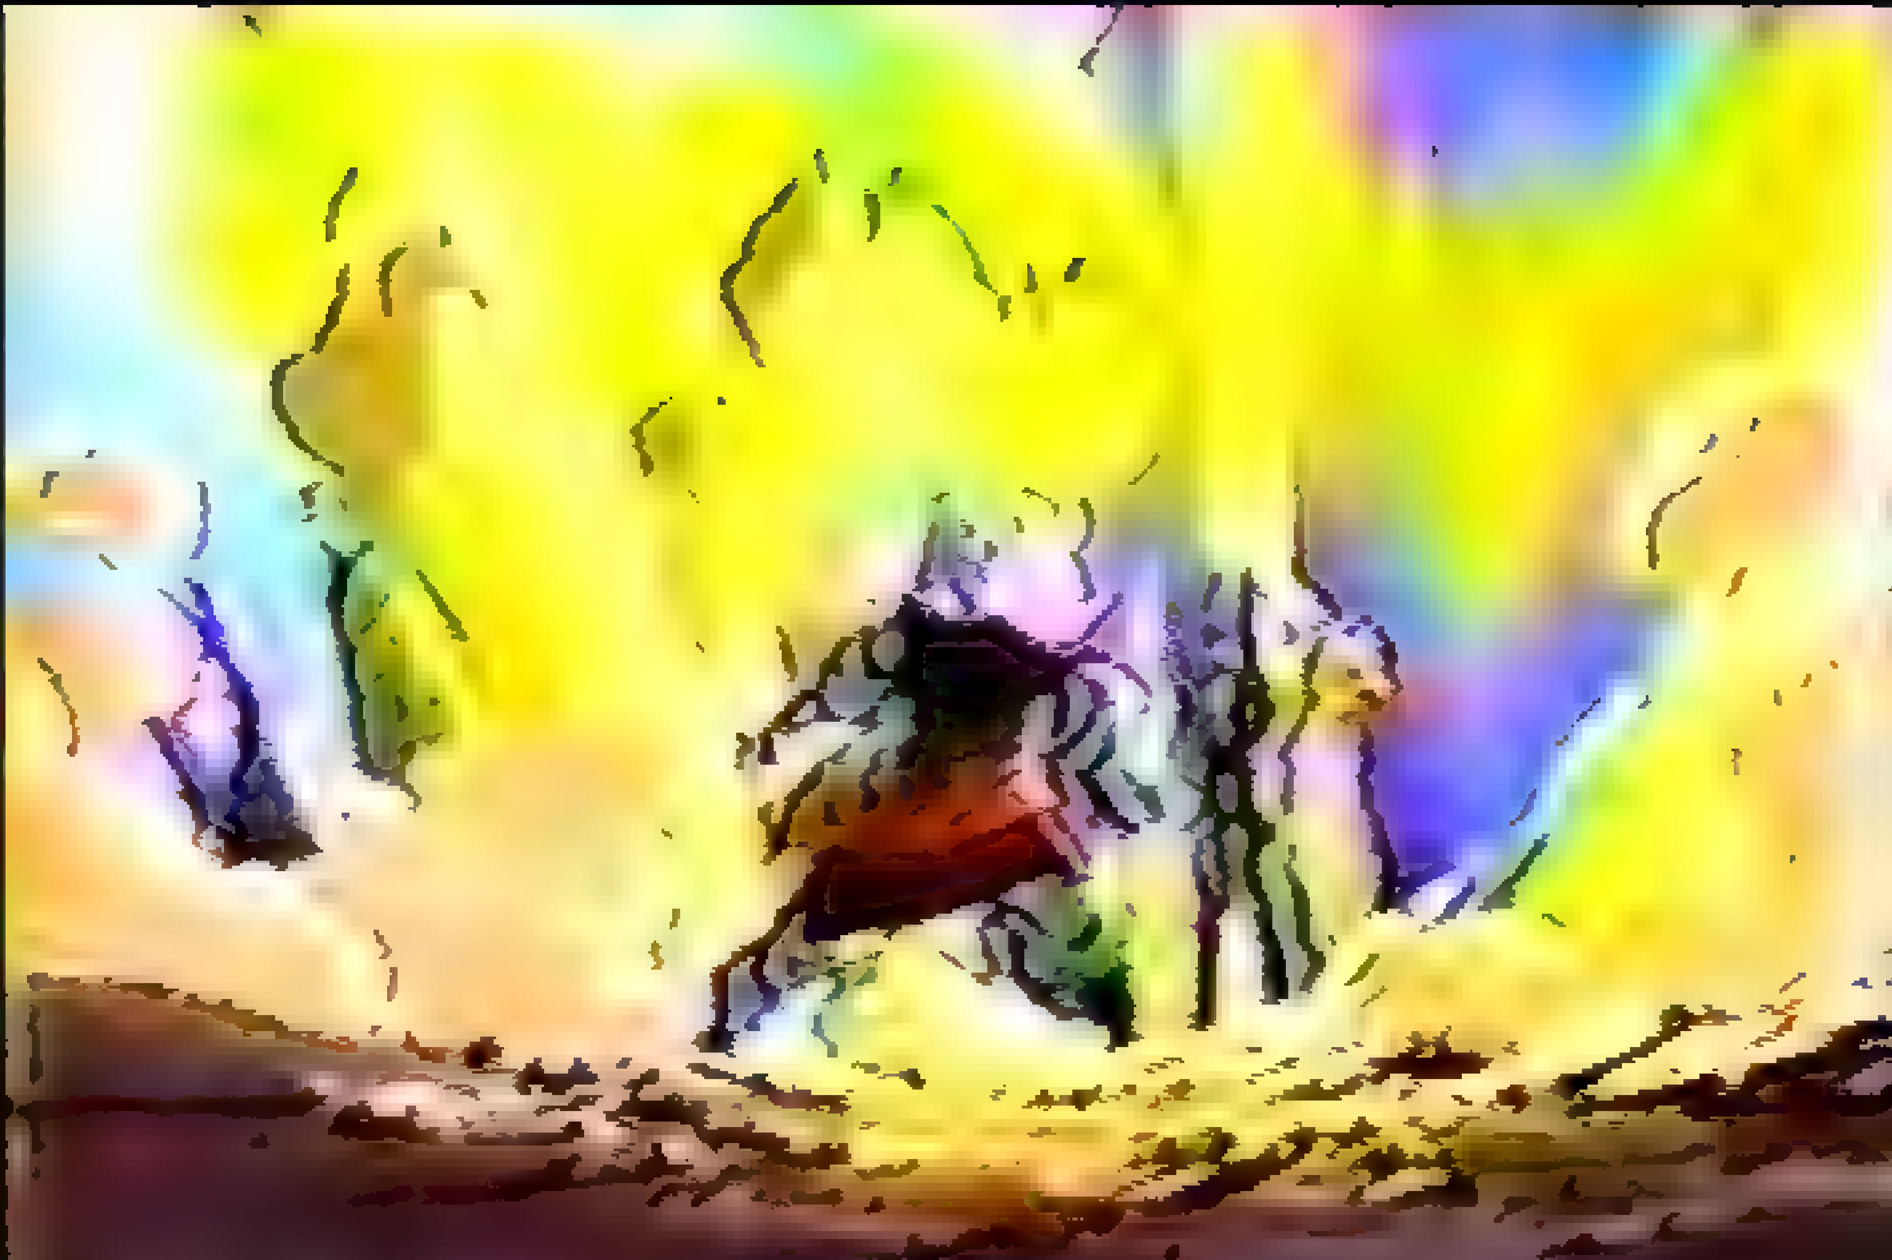

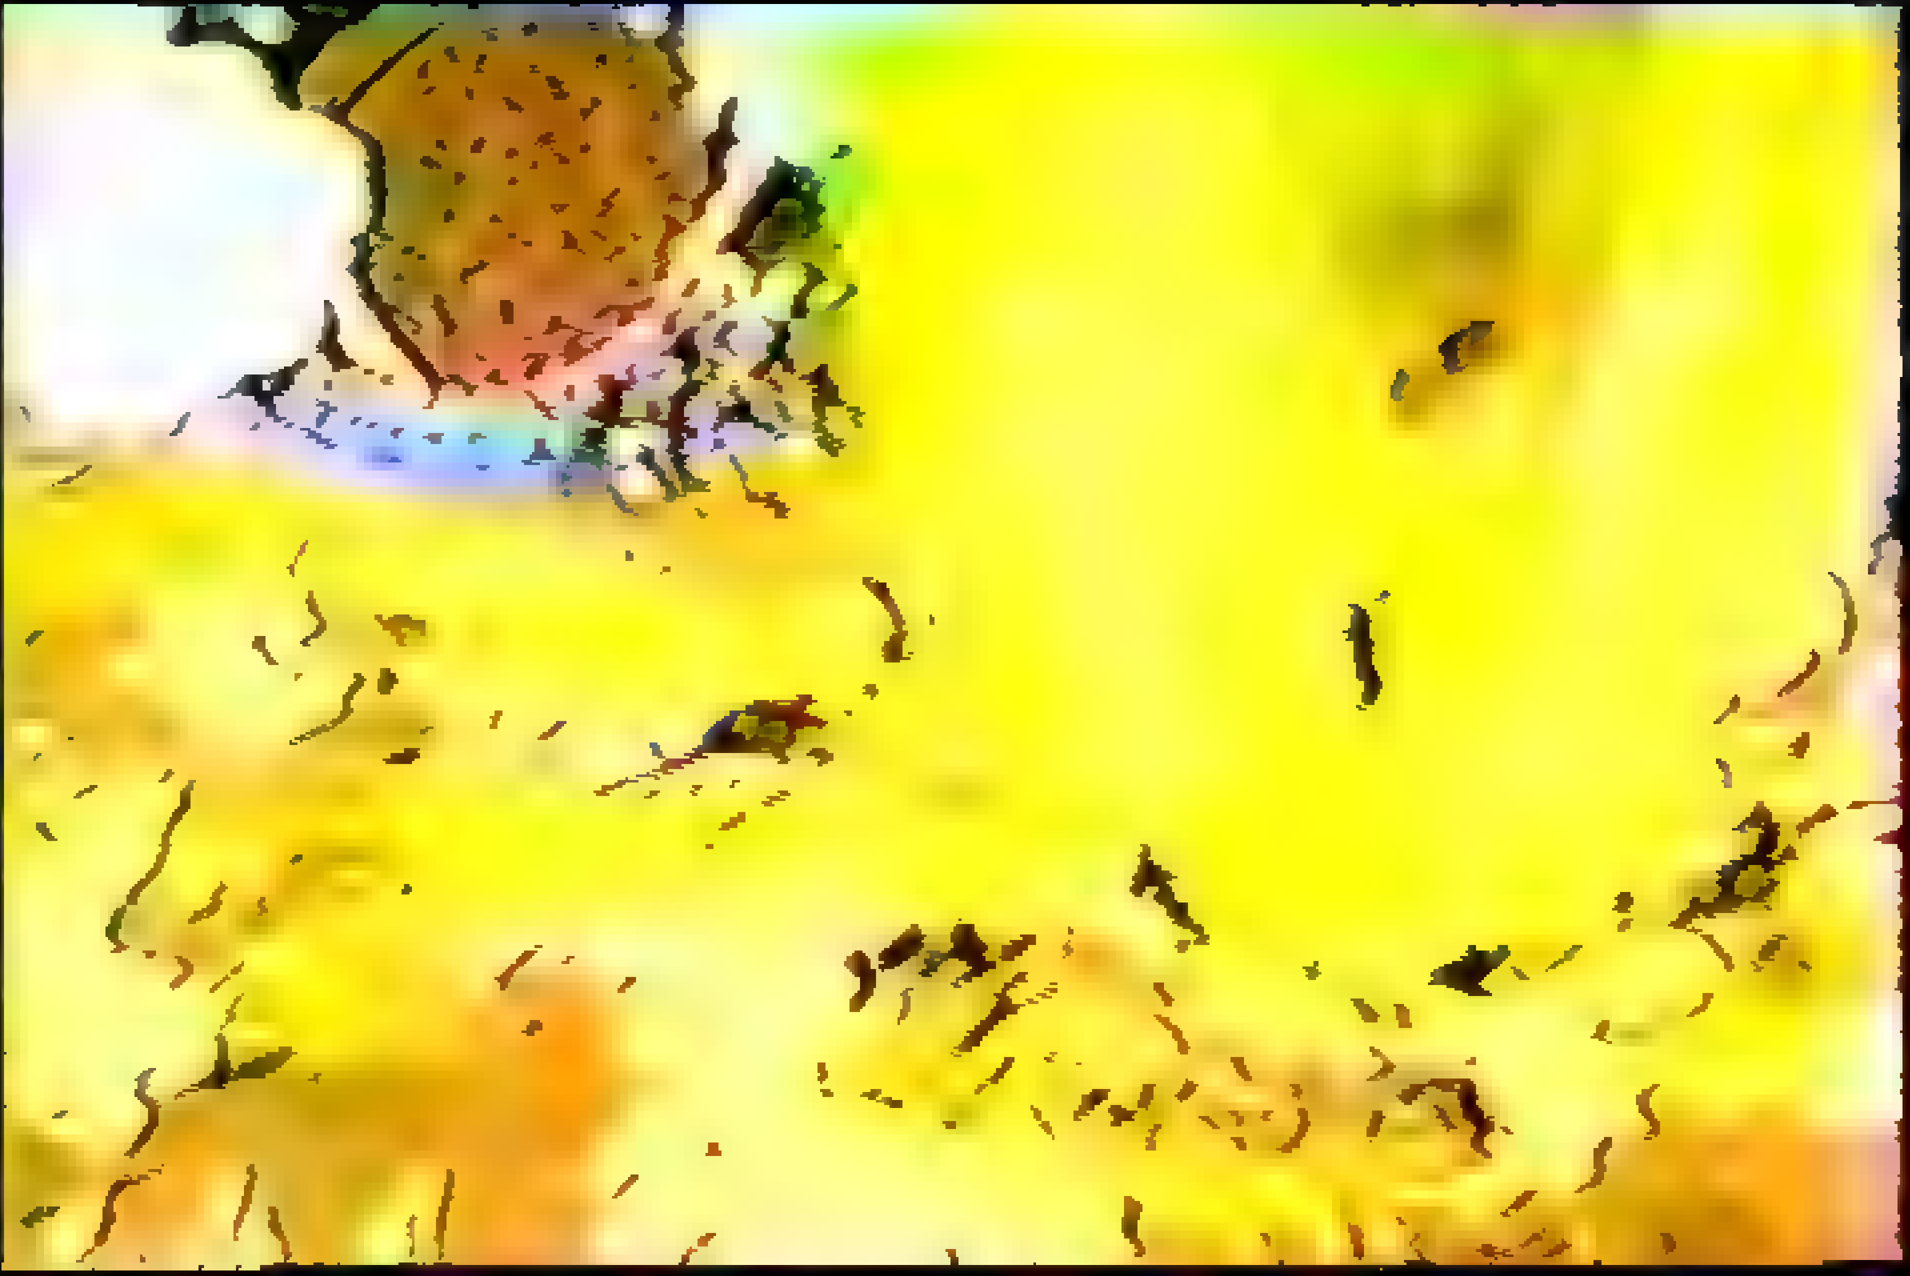

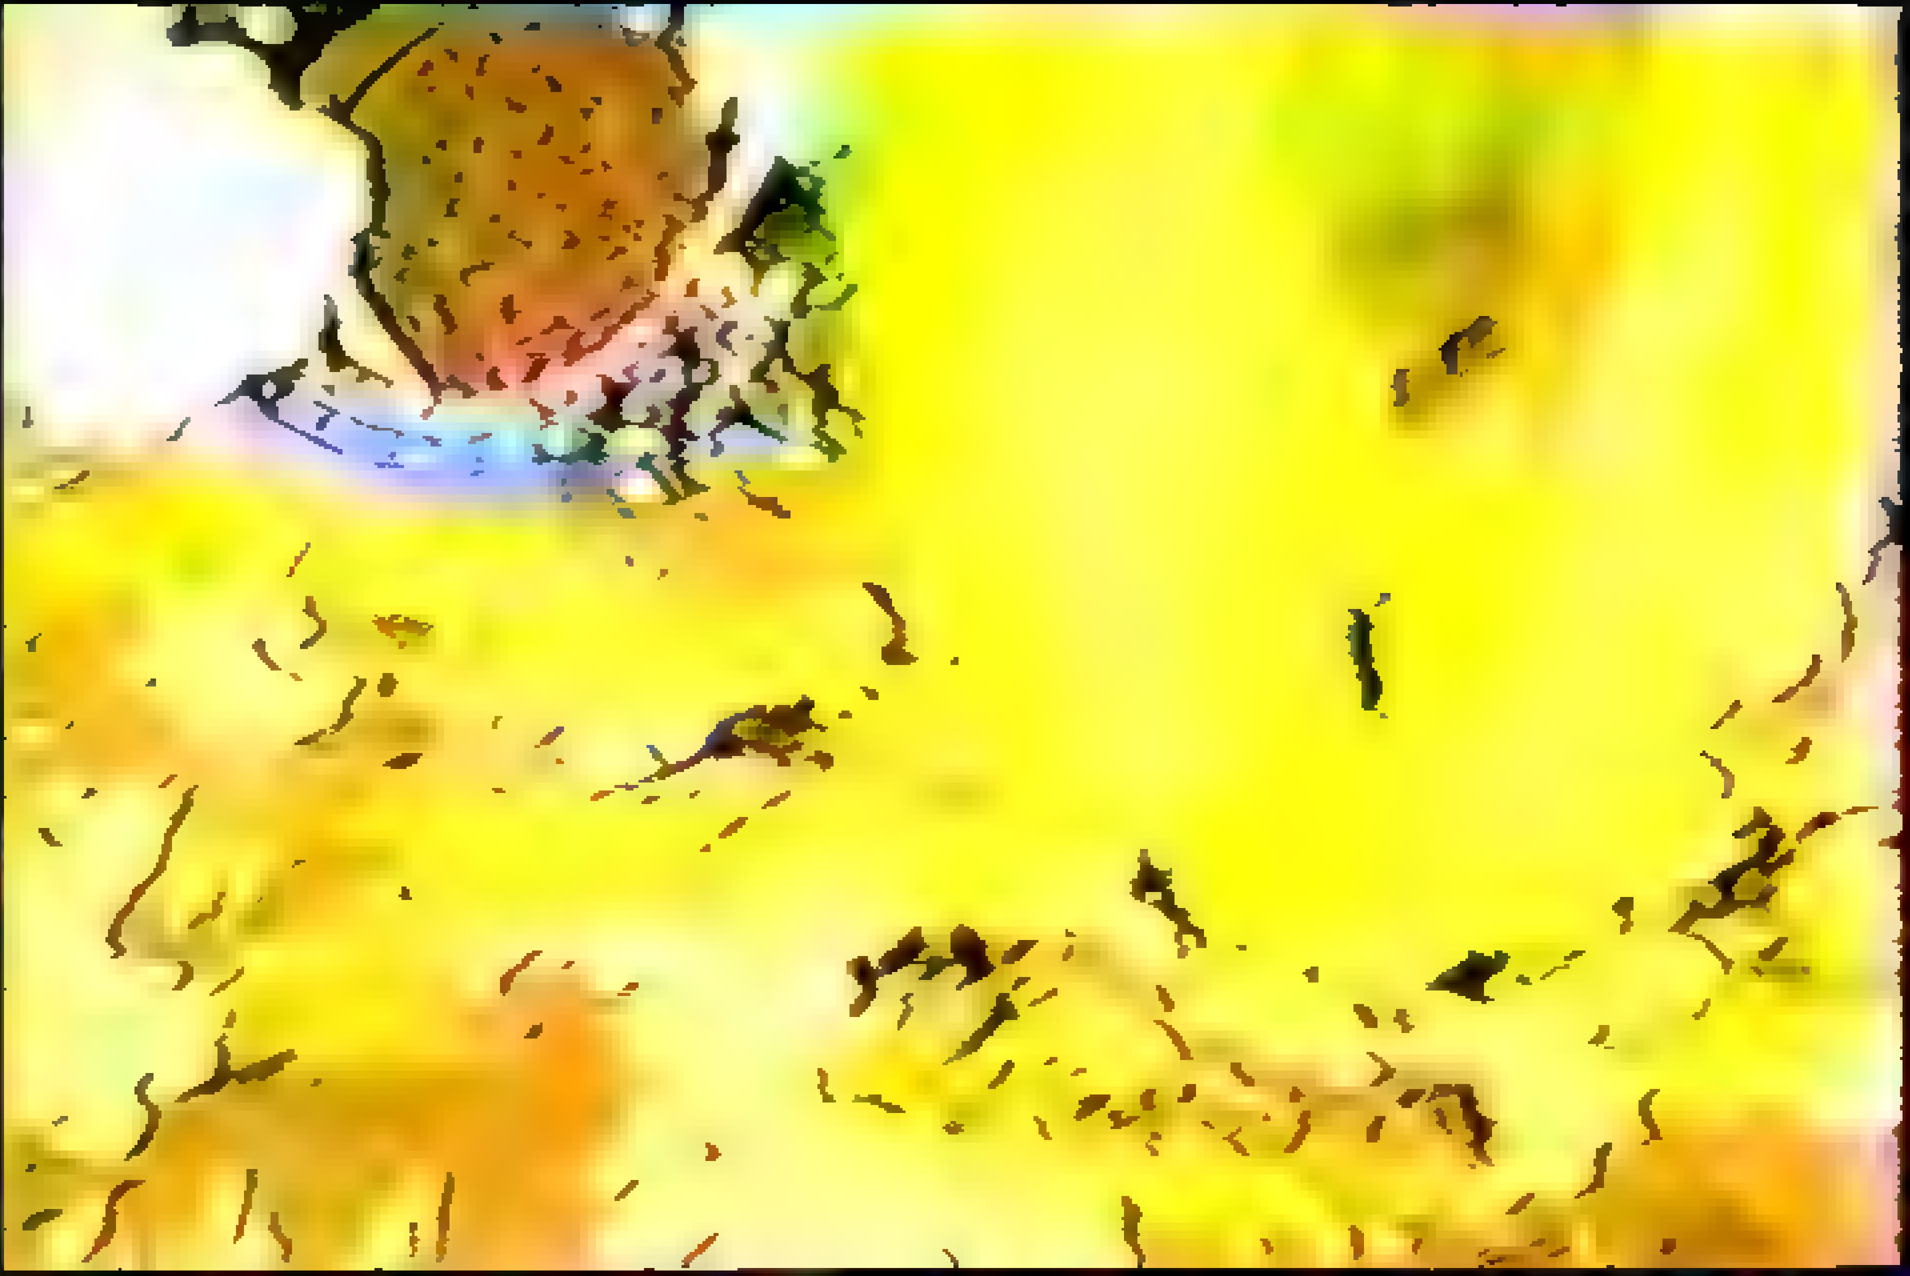

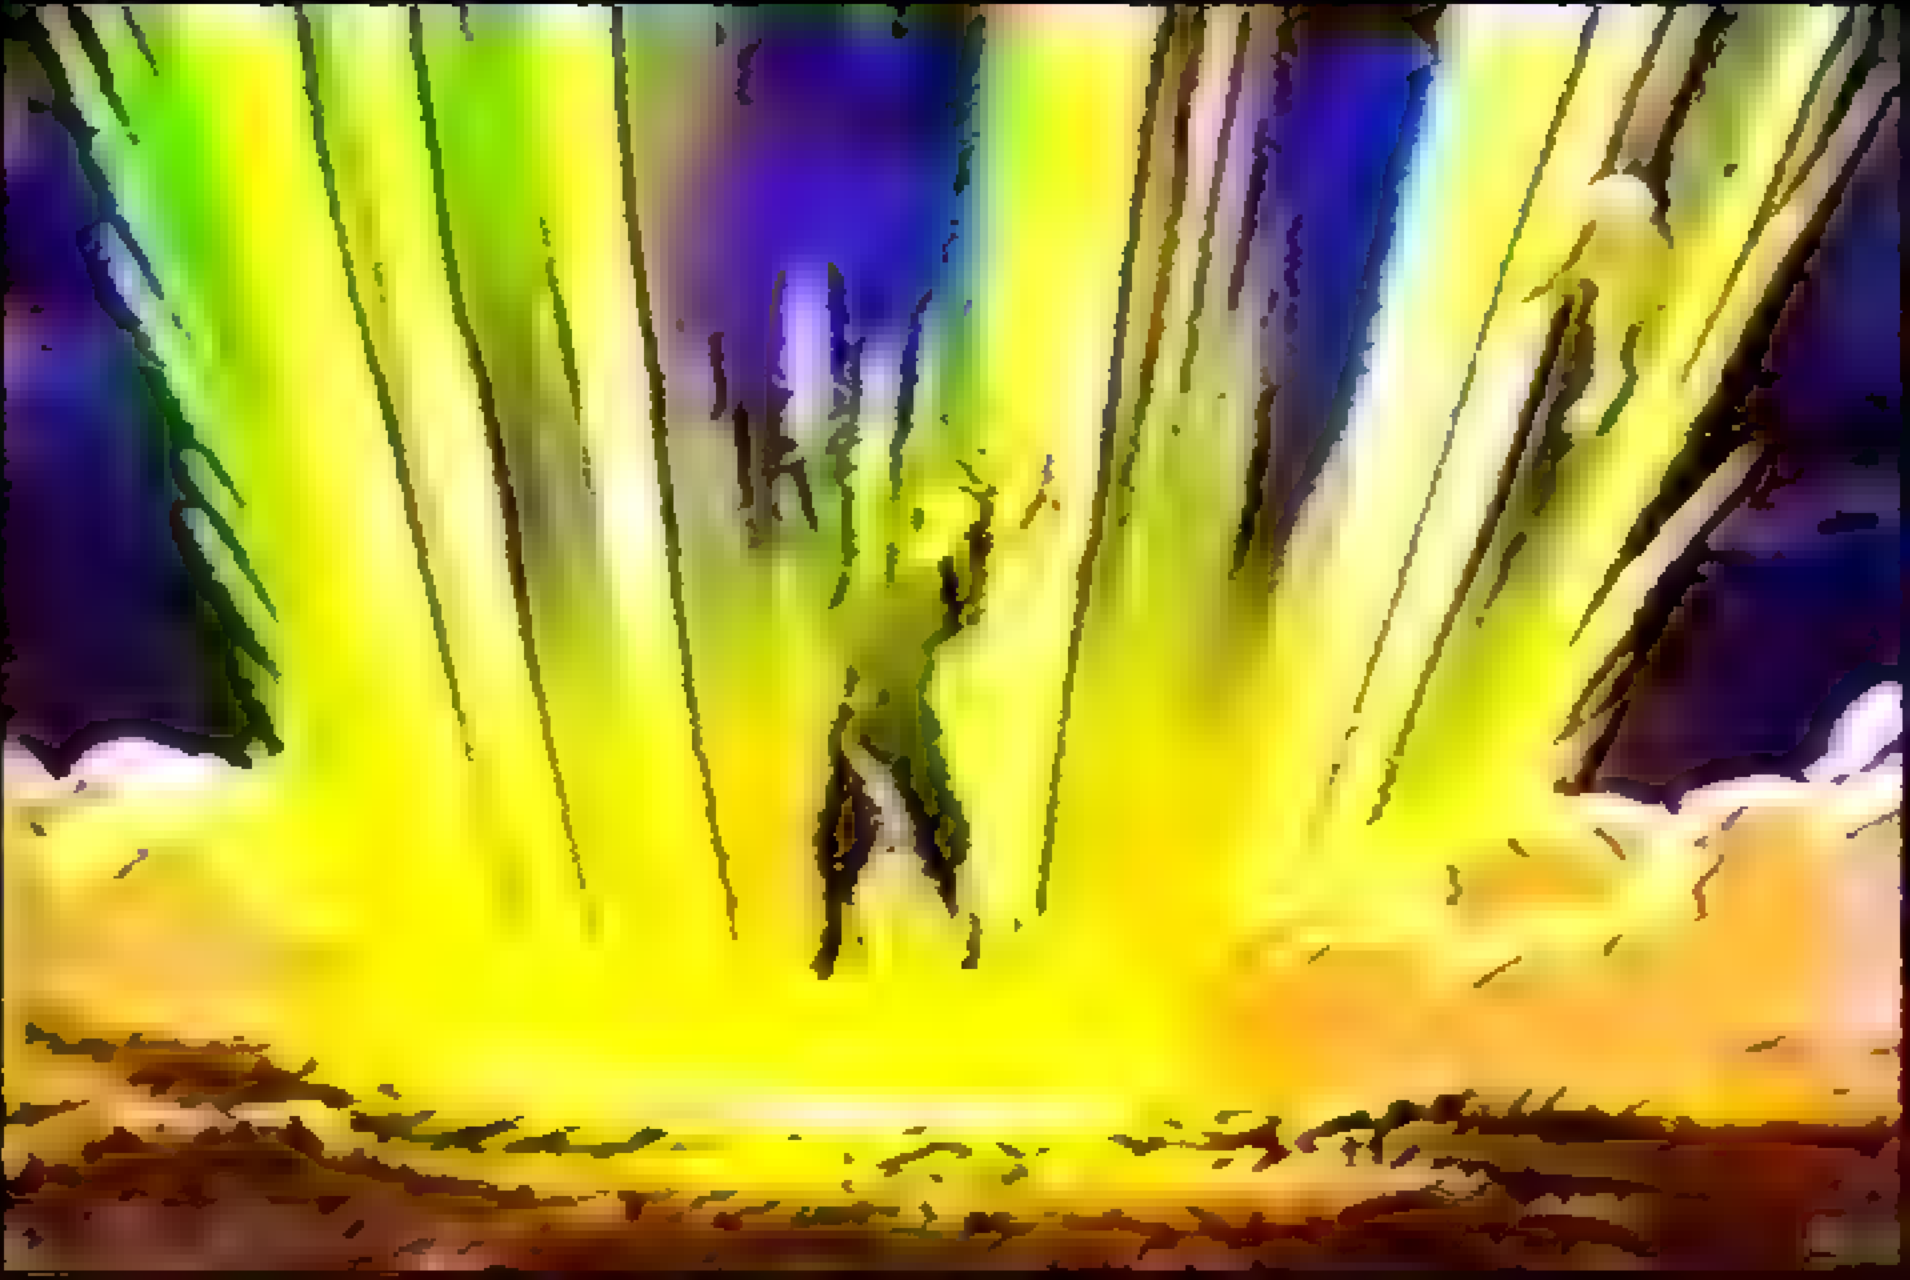

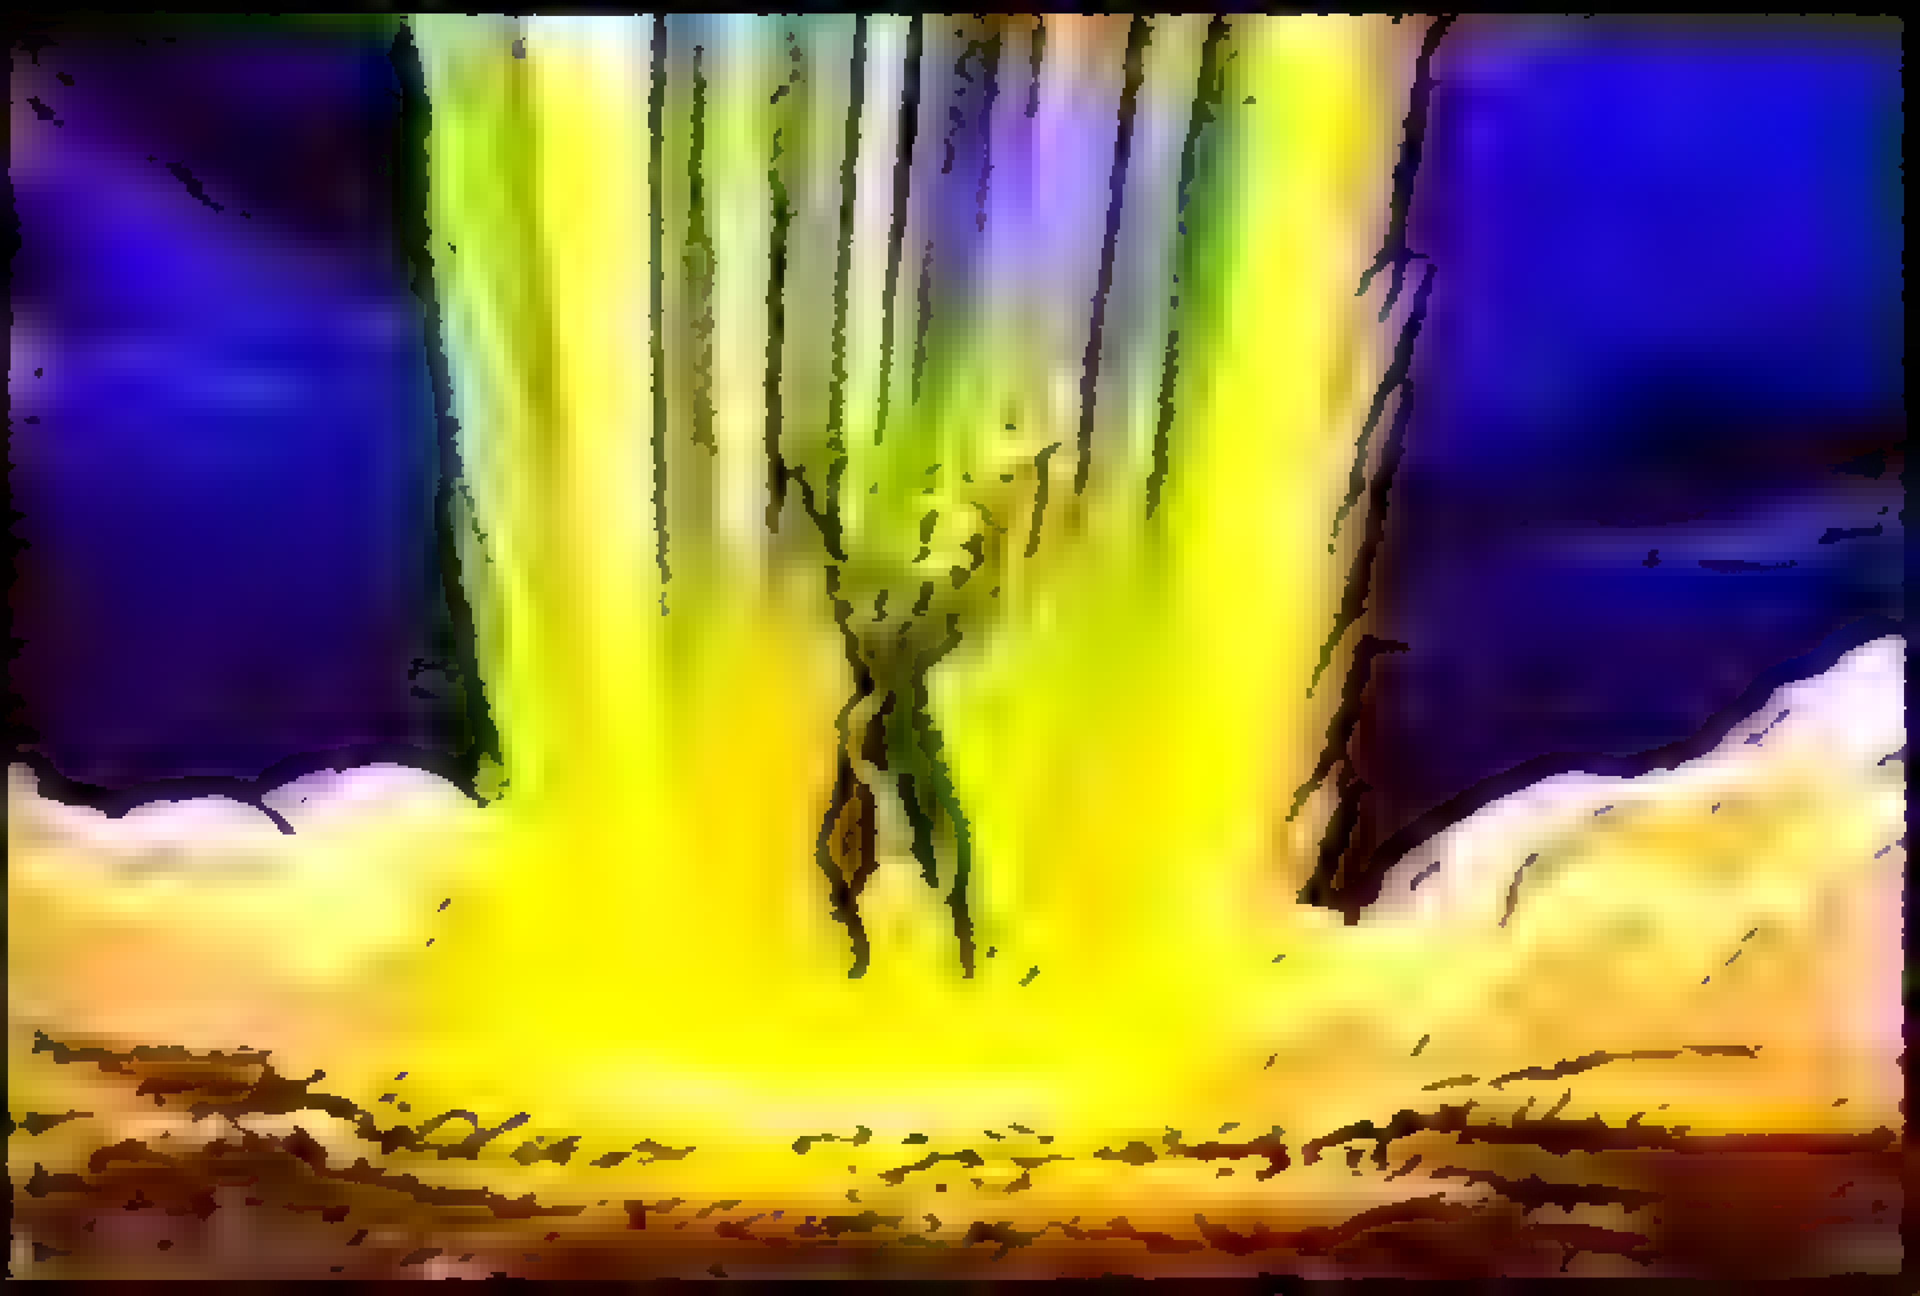

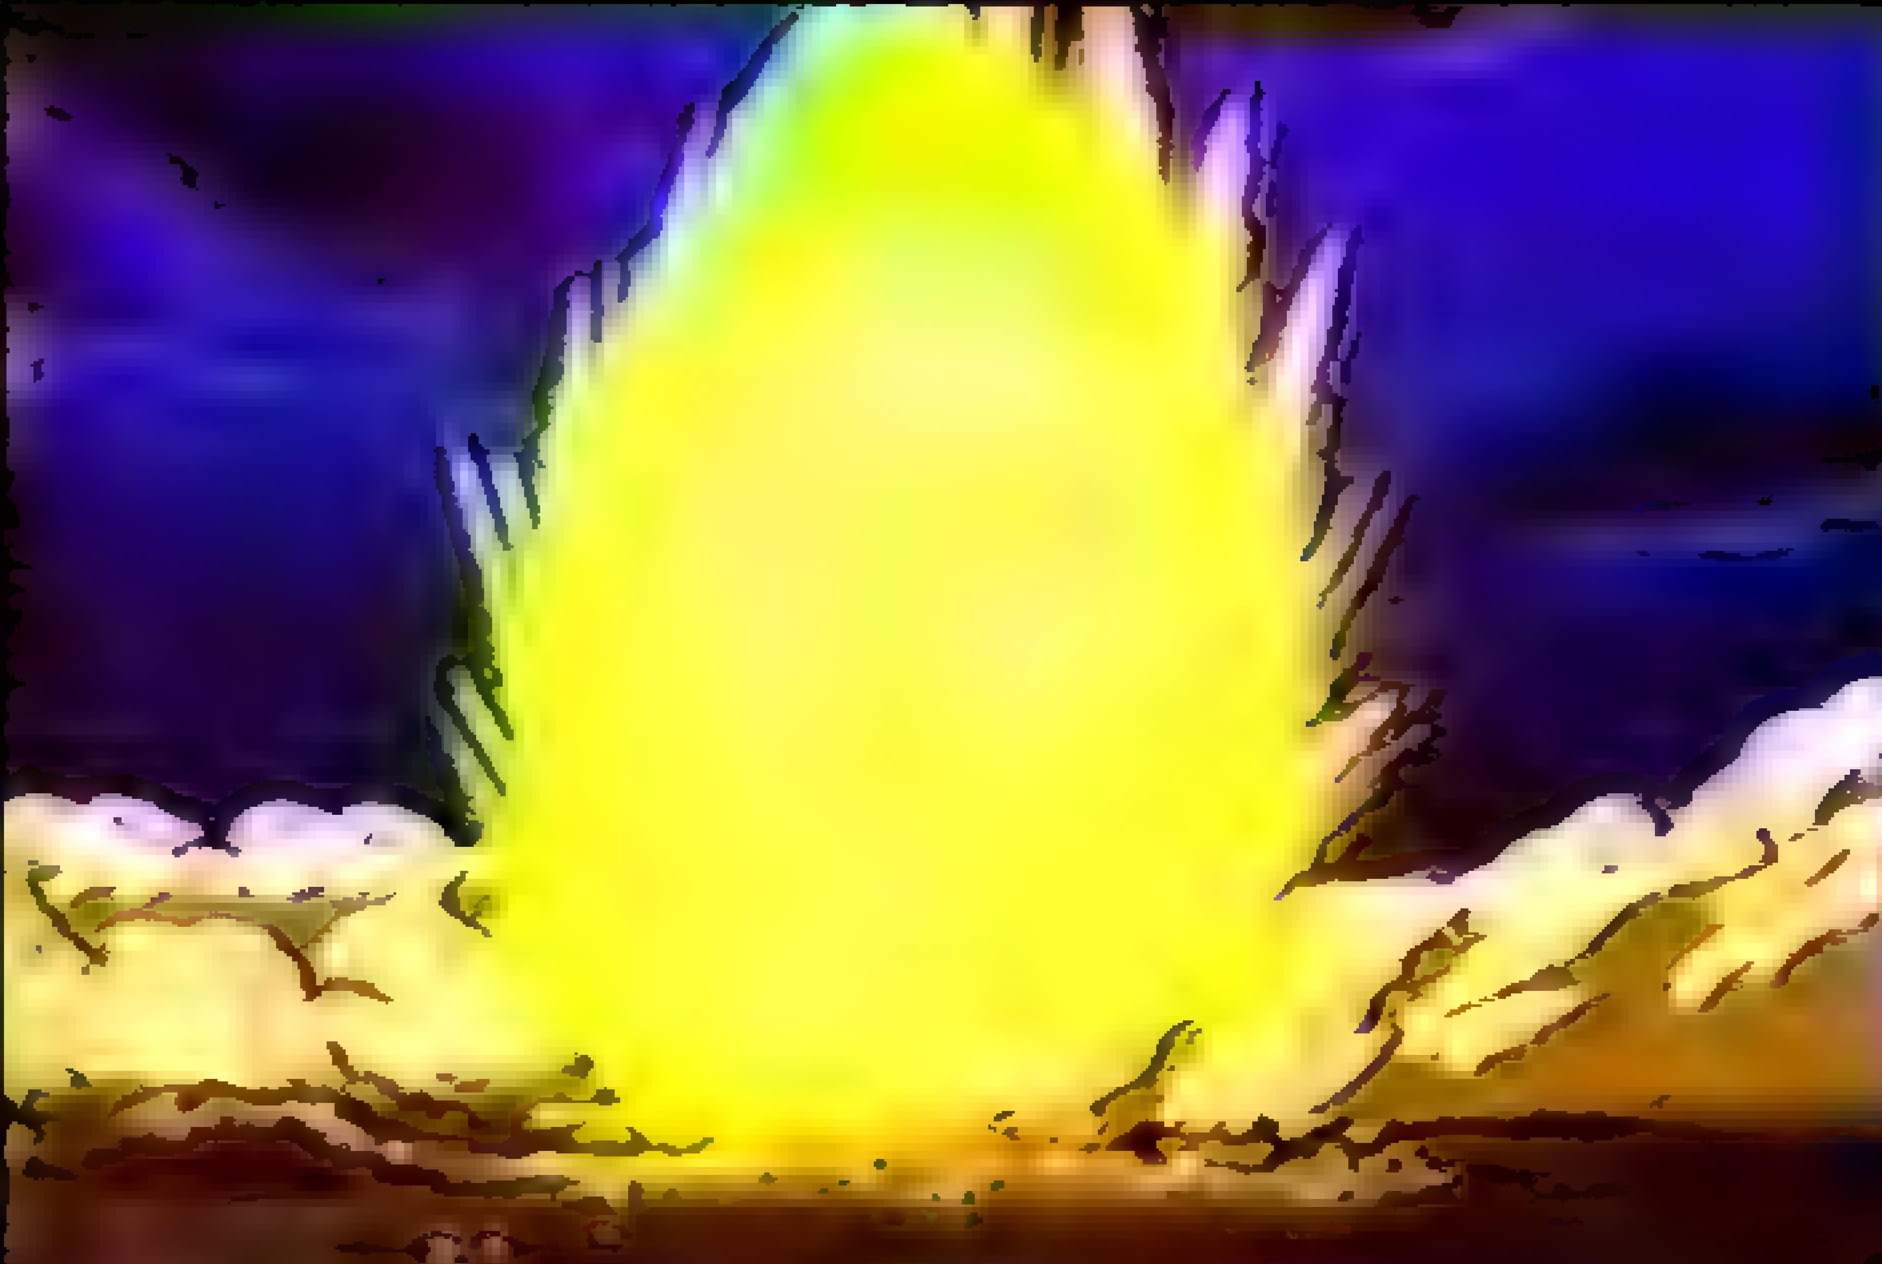

Gohan, what are you doing?

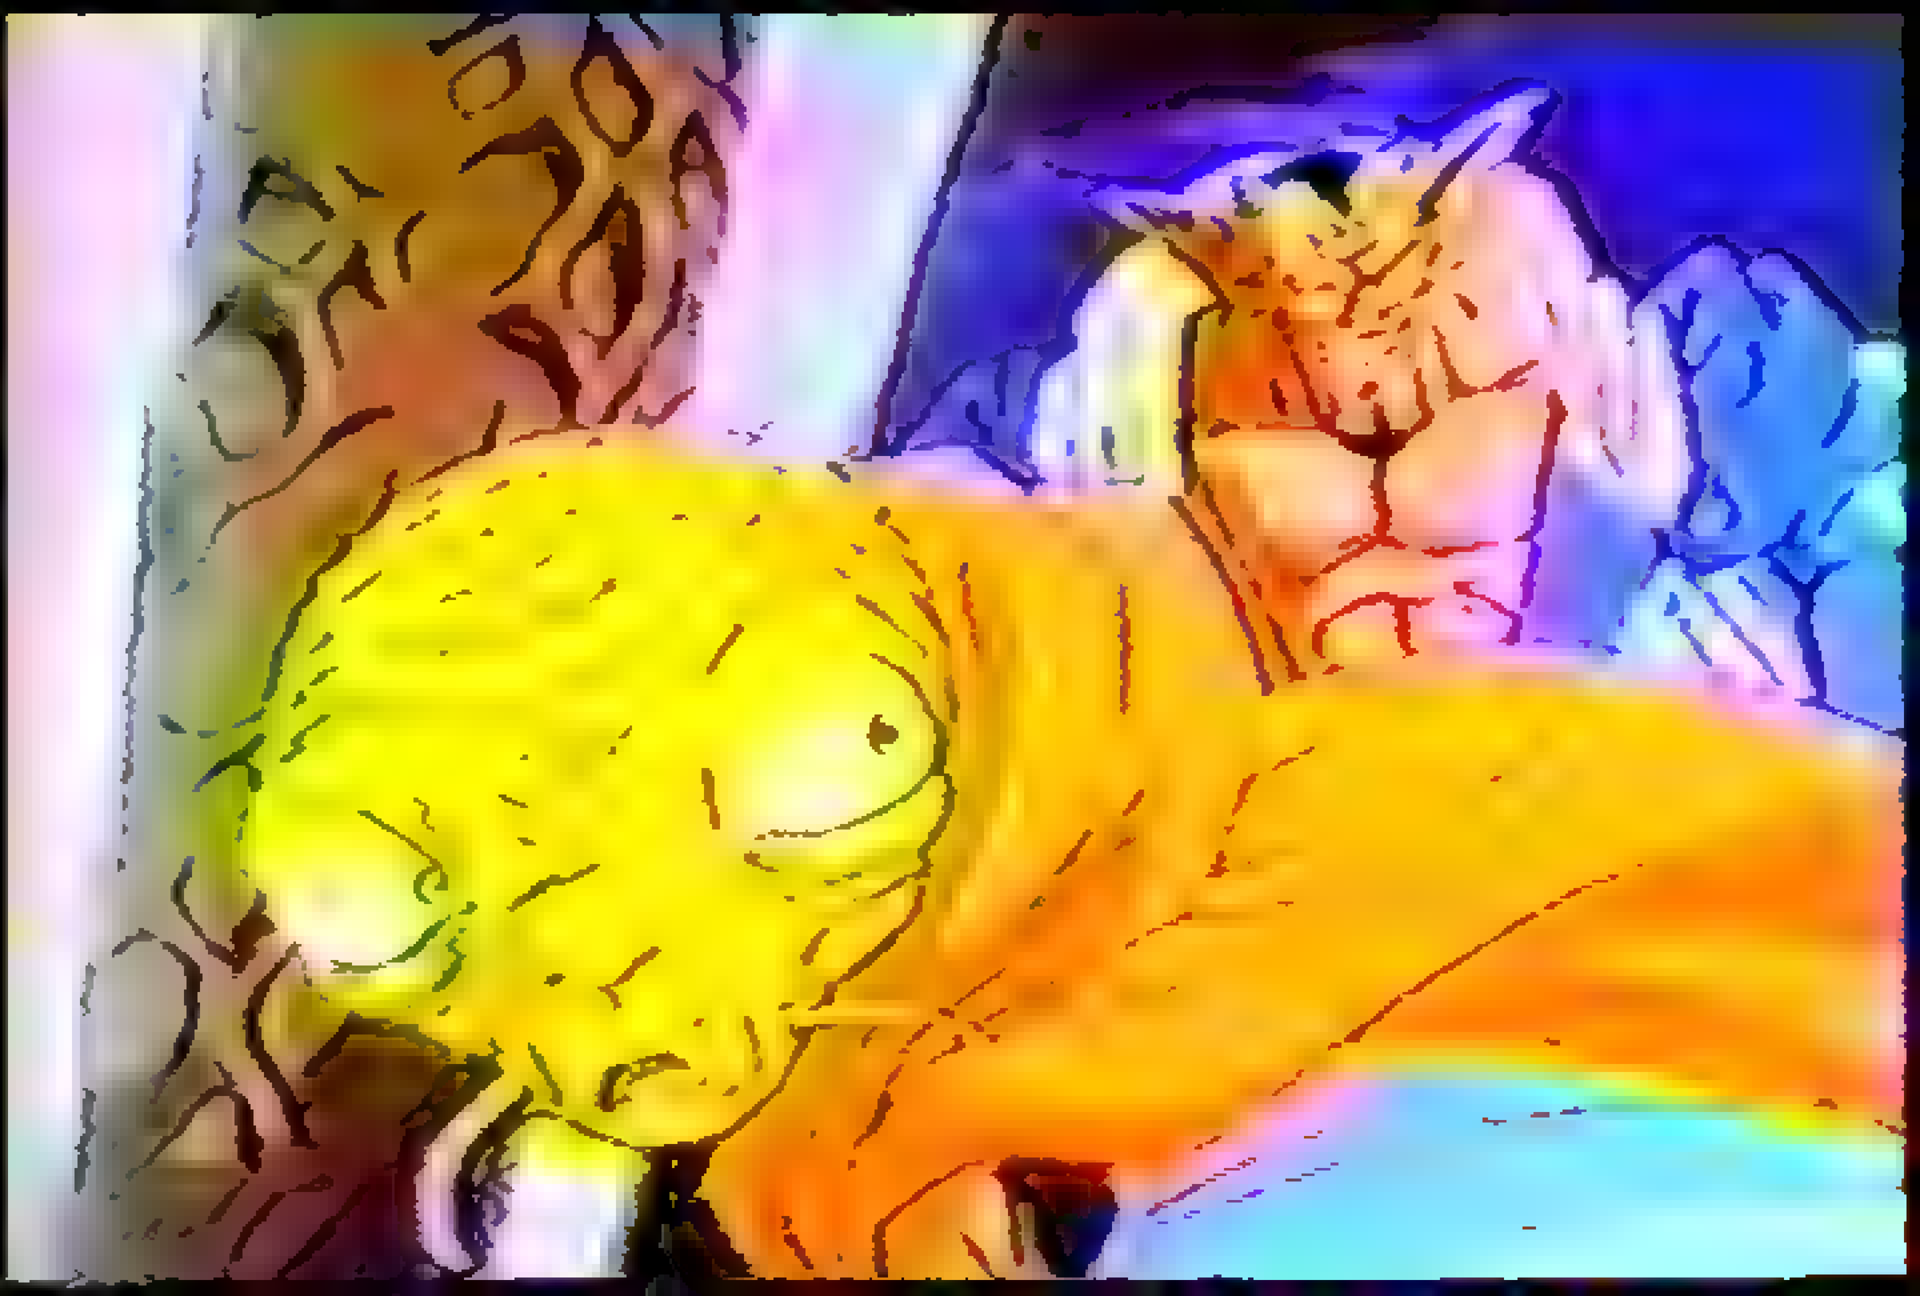

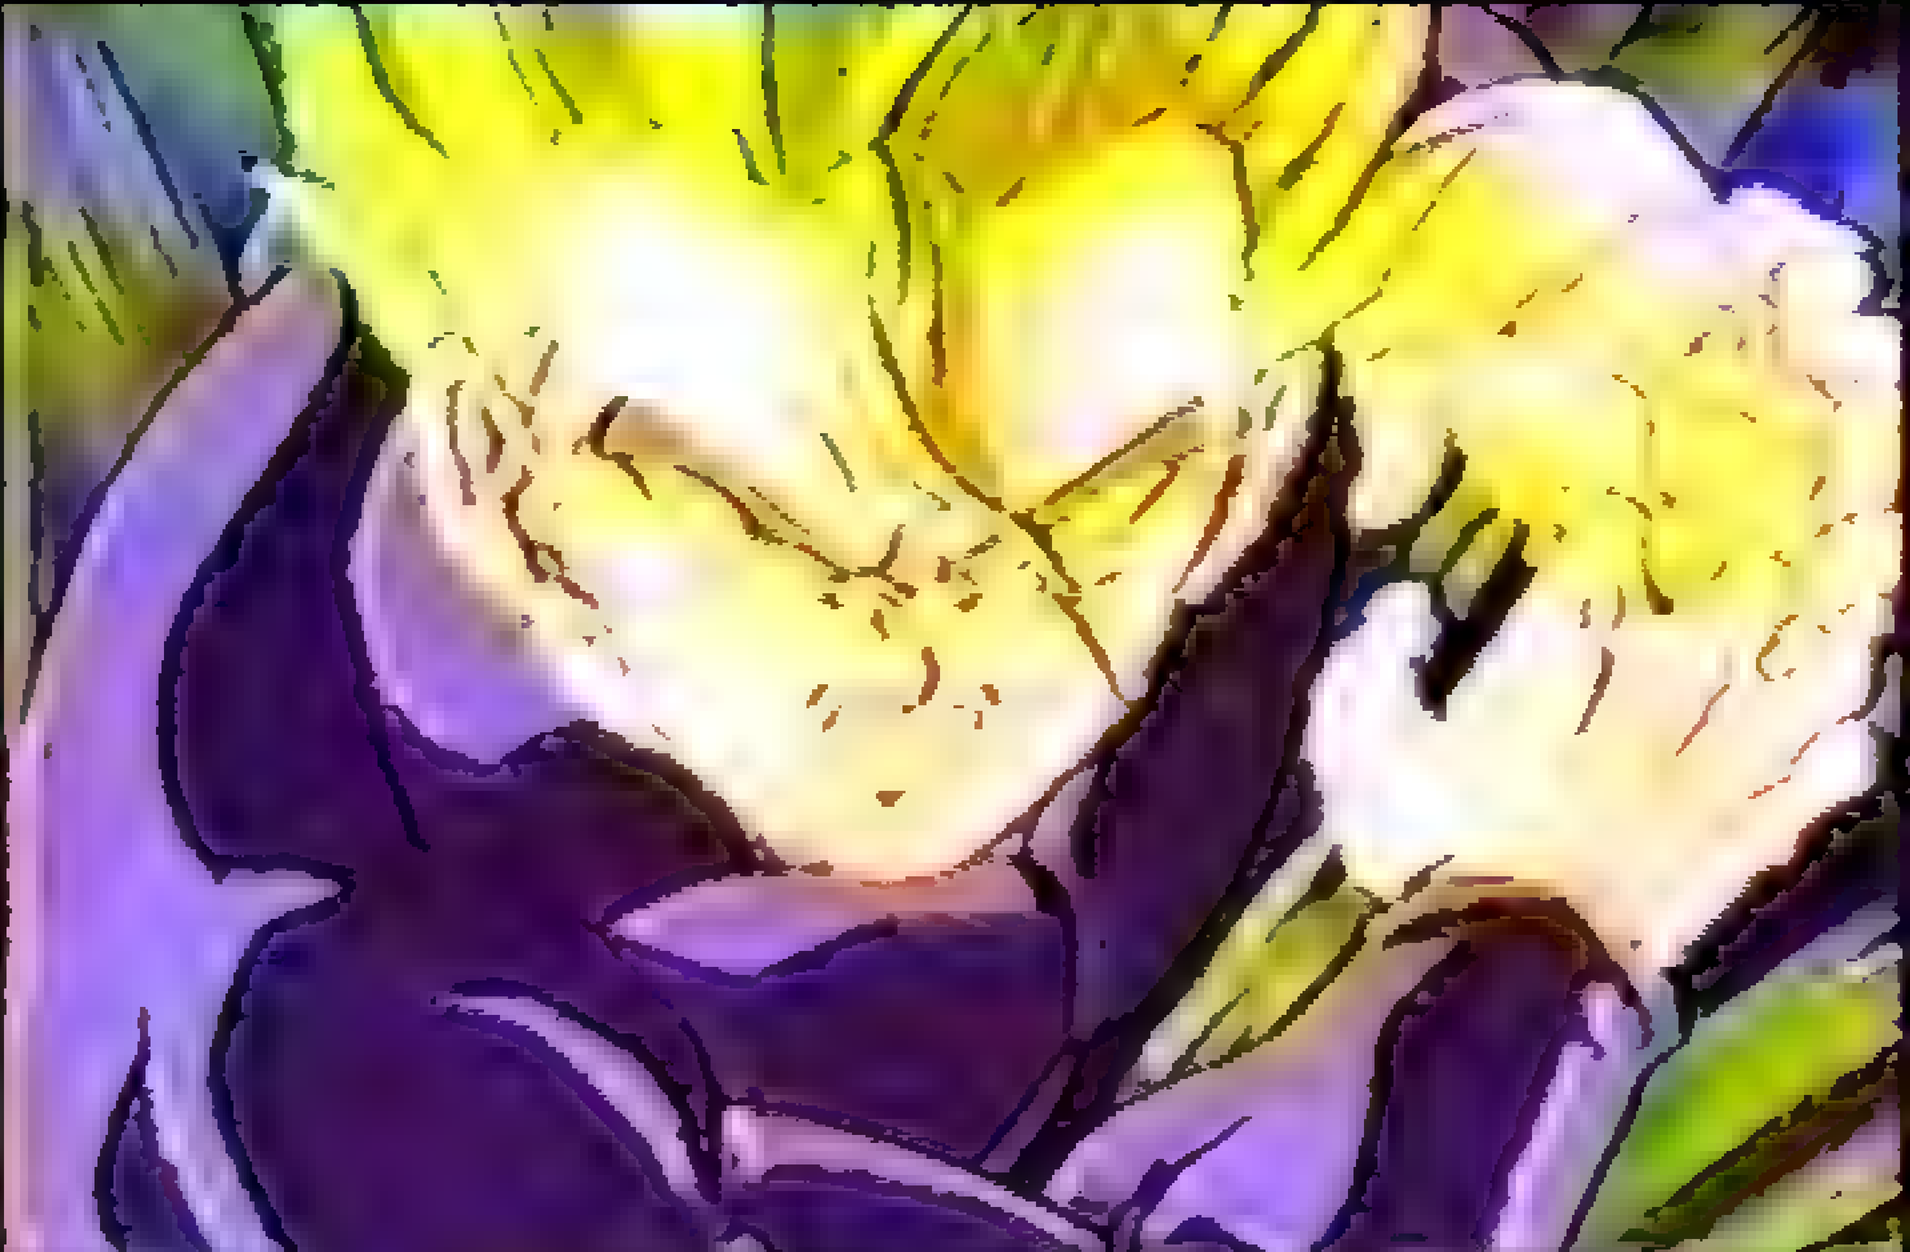

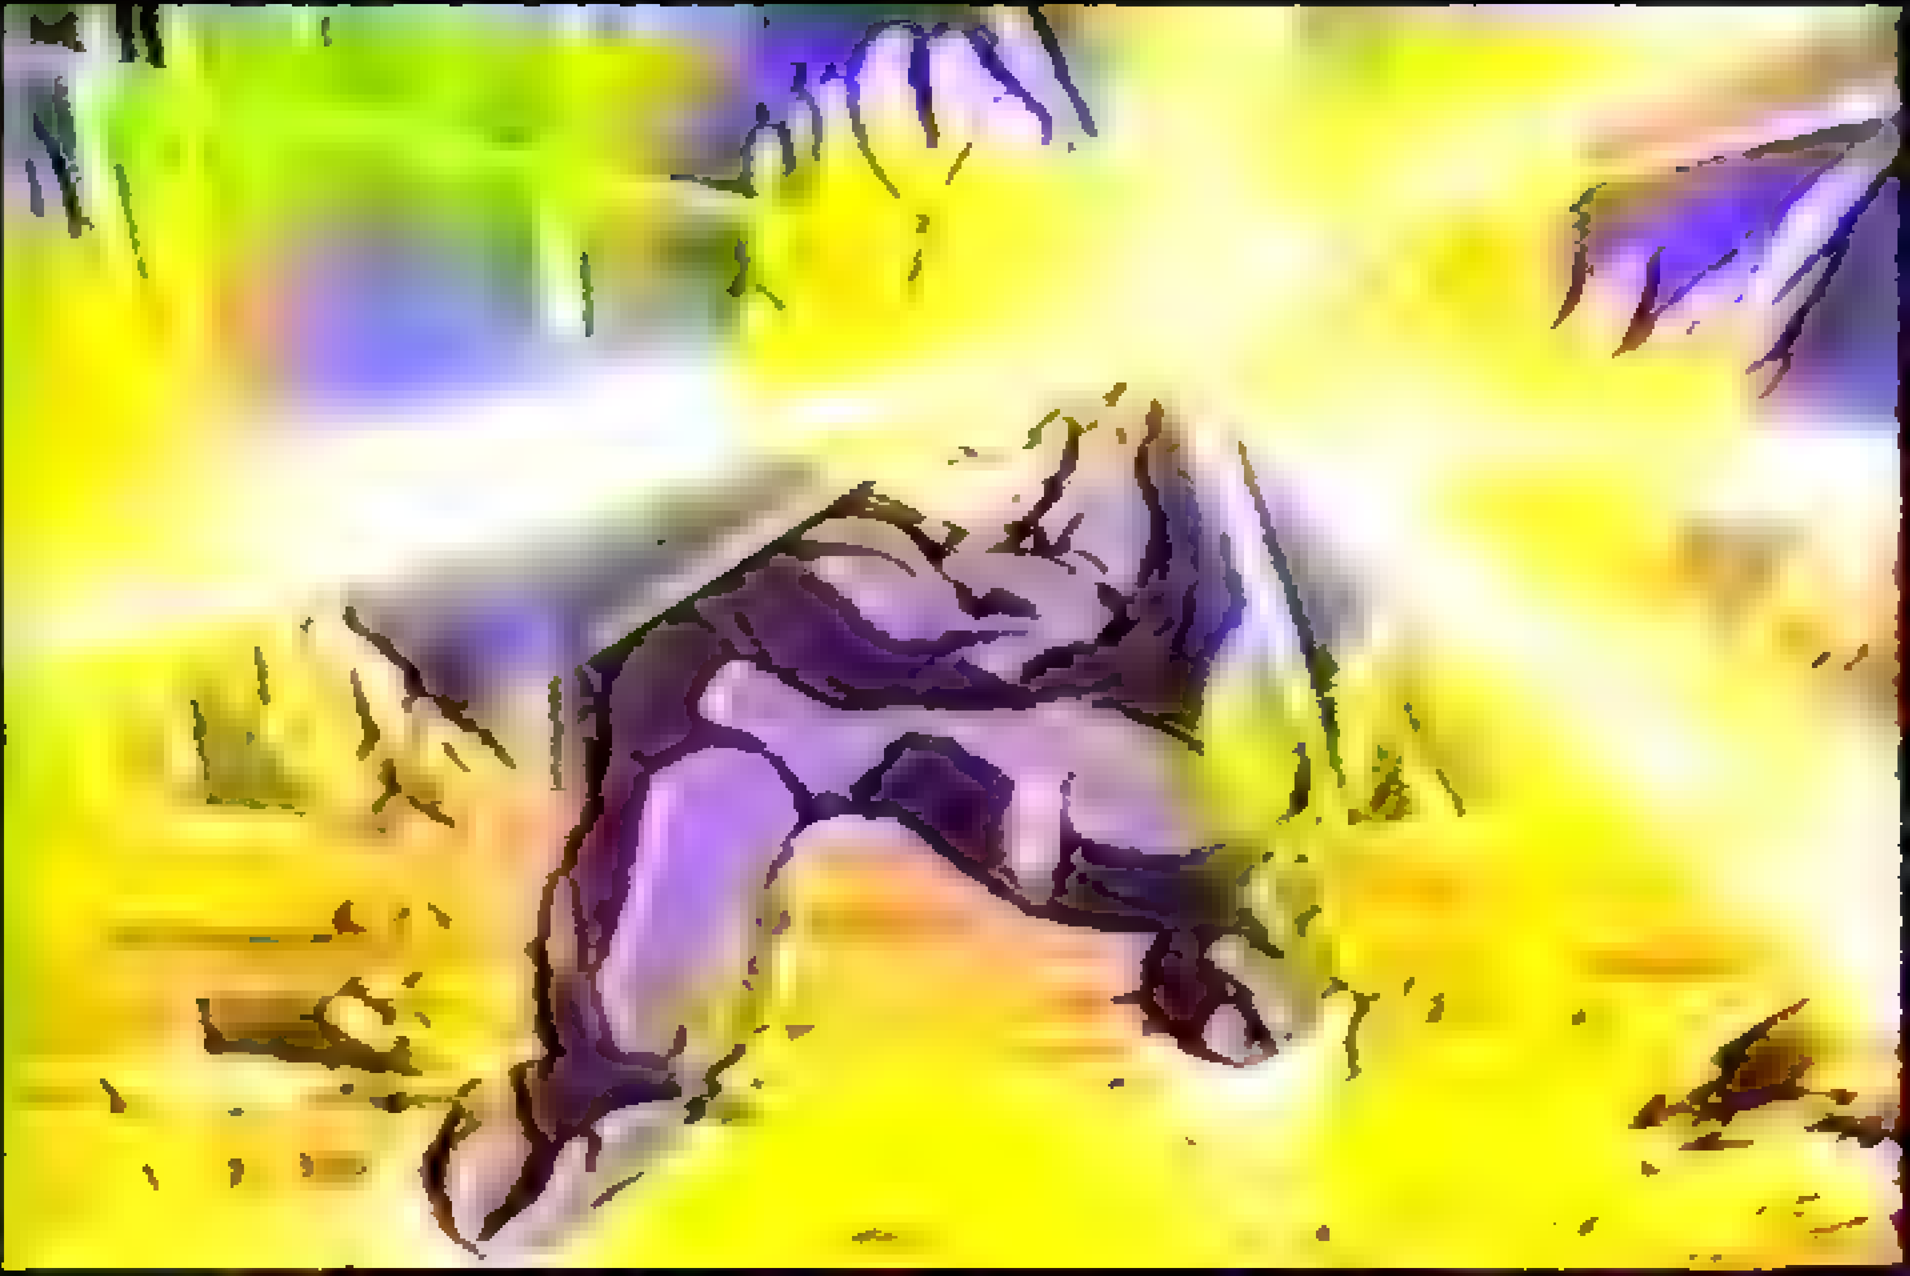

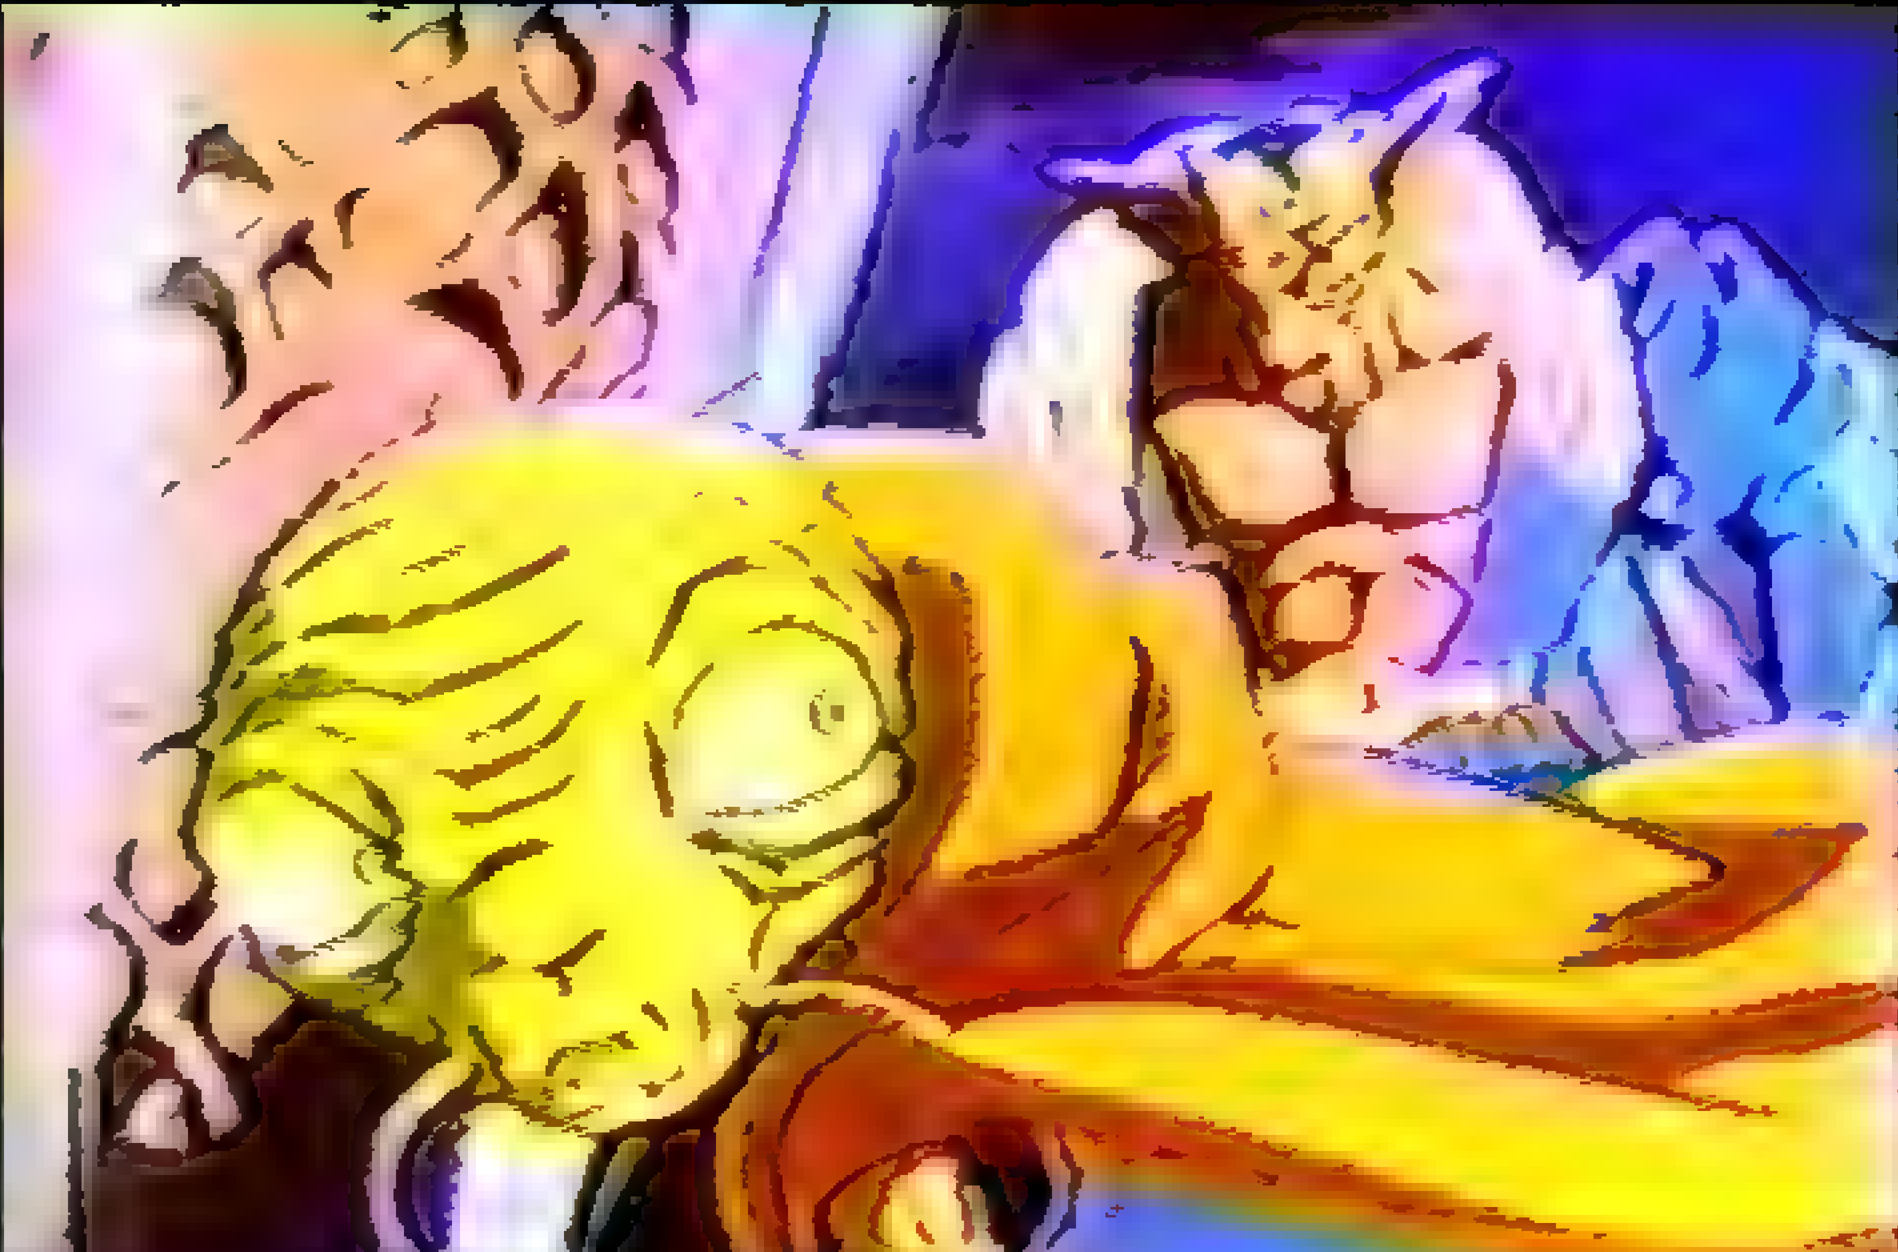

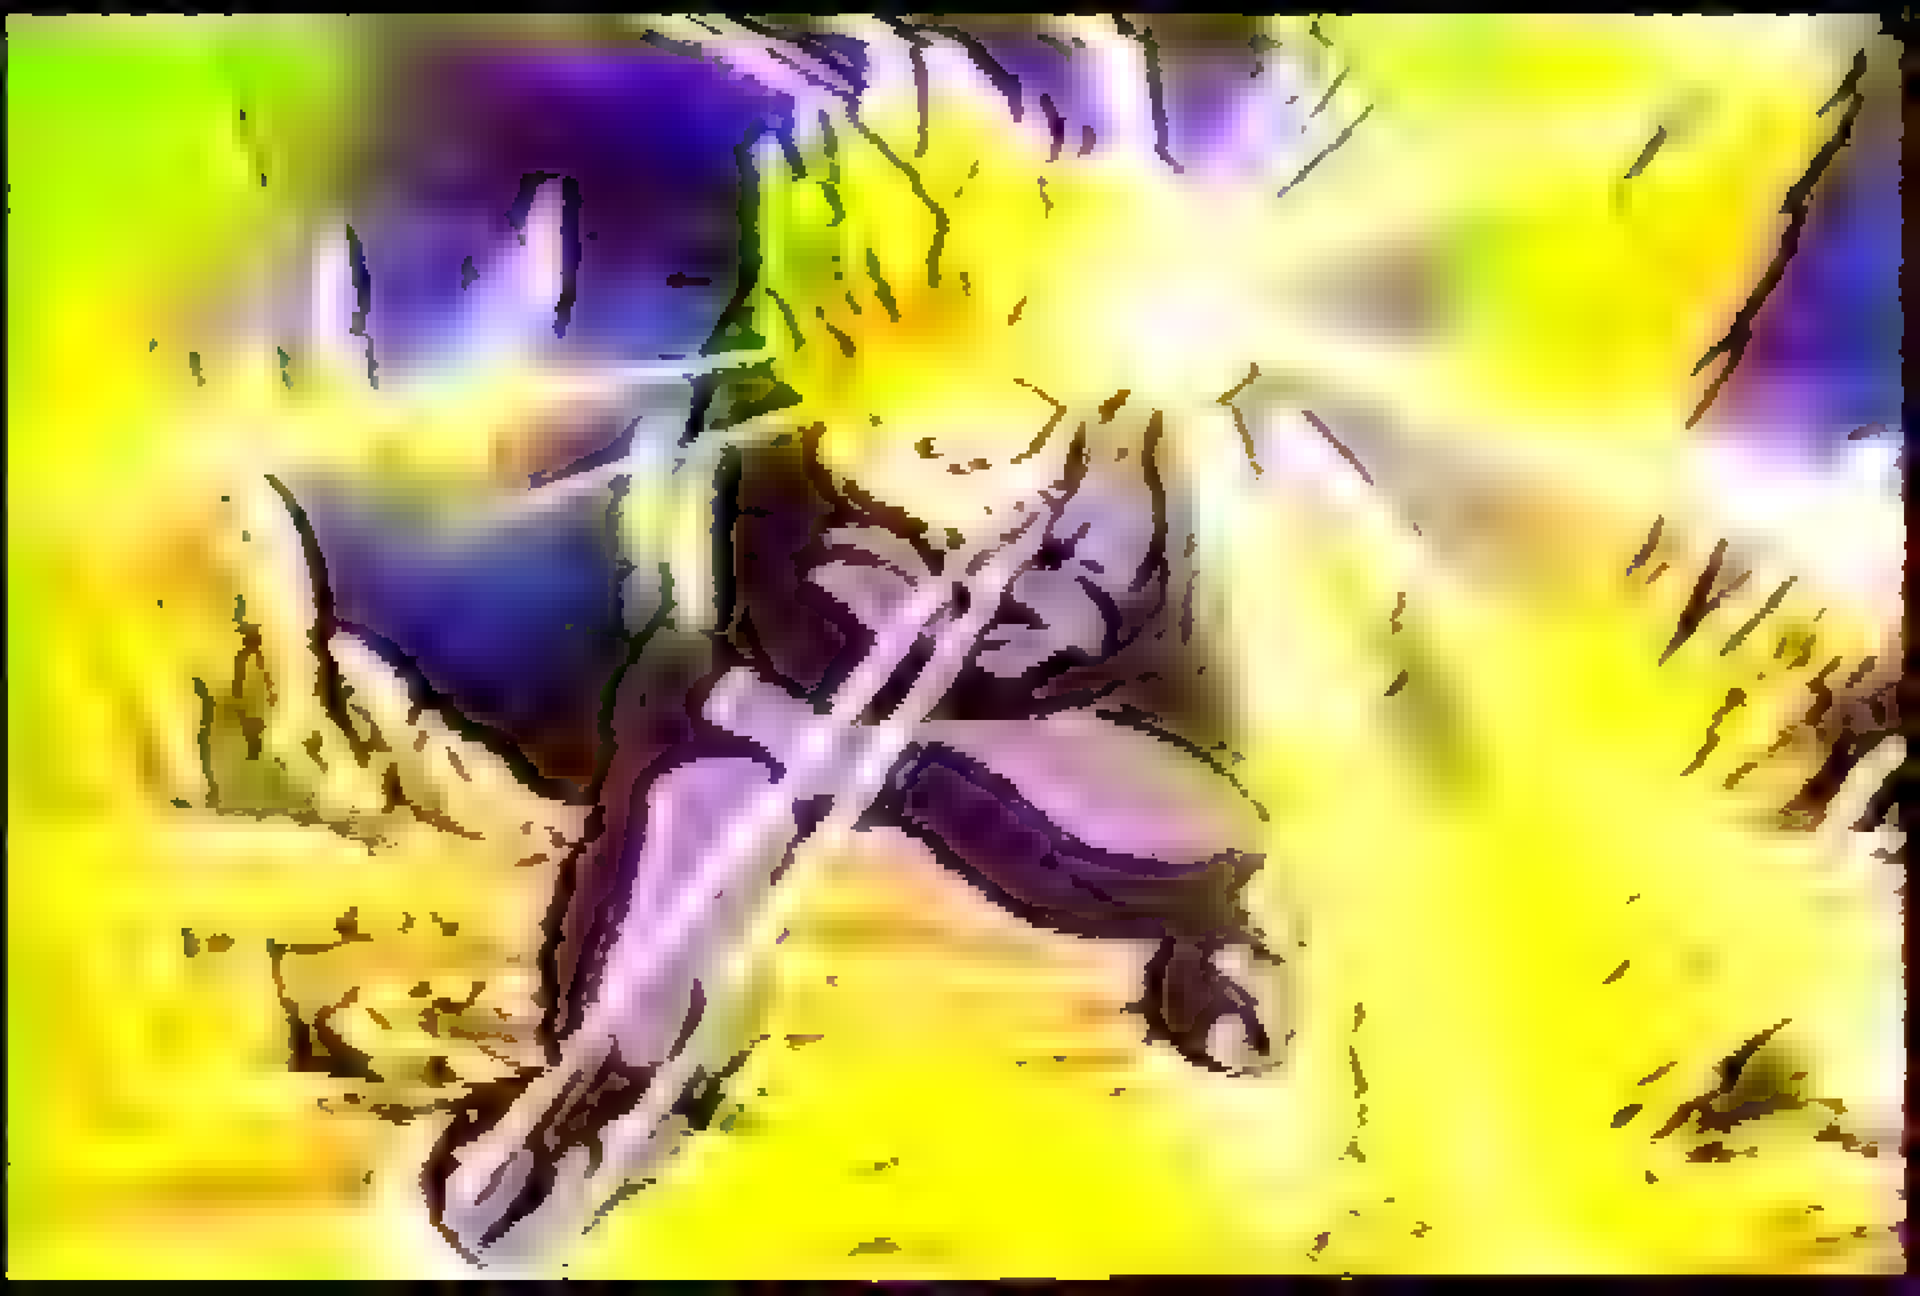

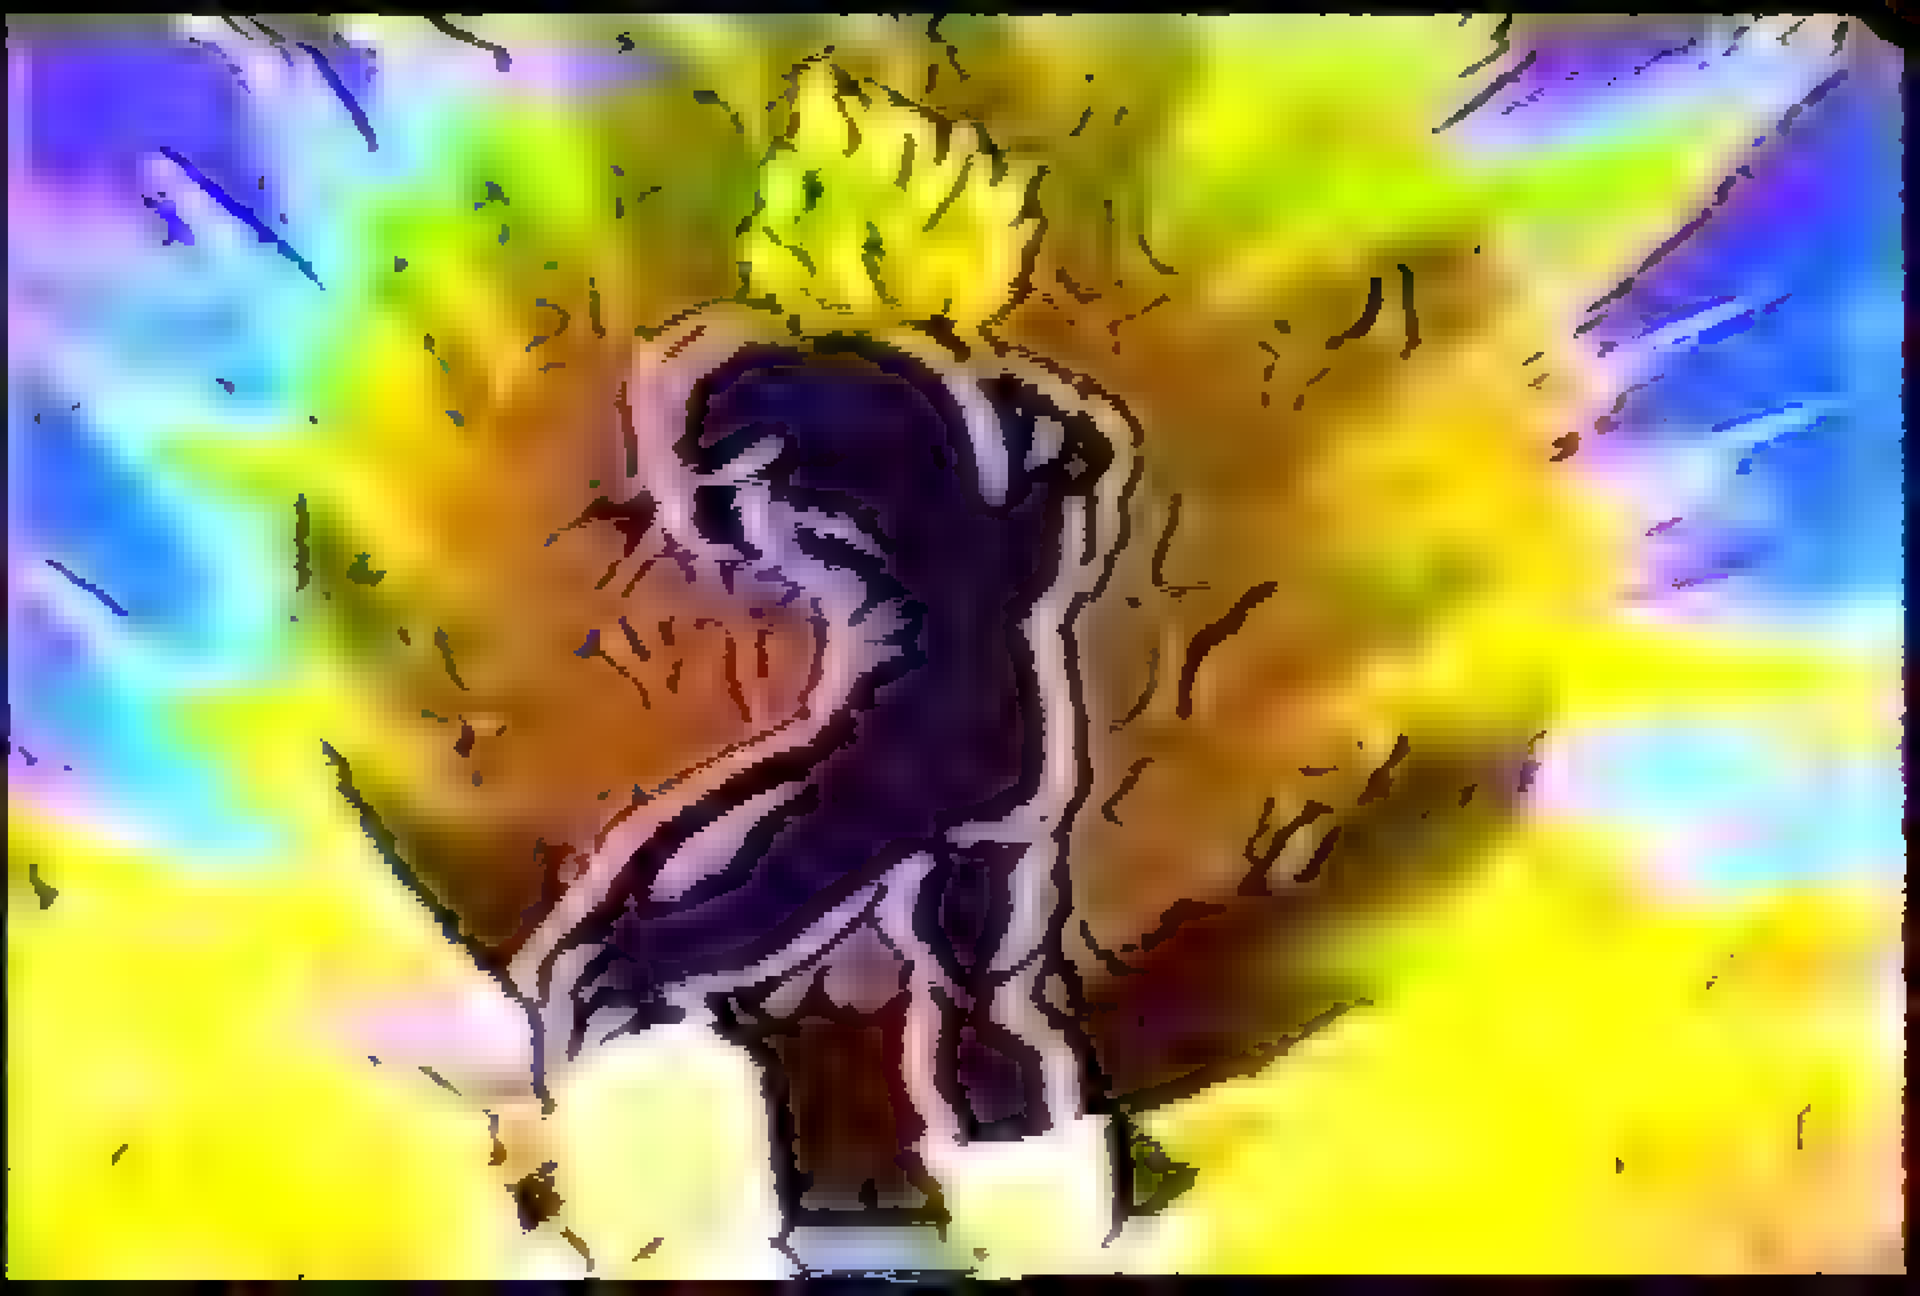

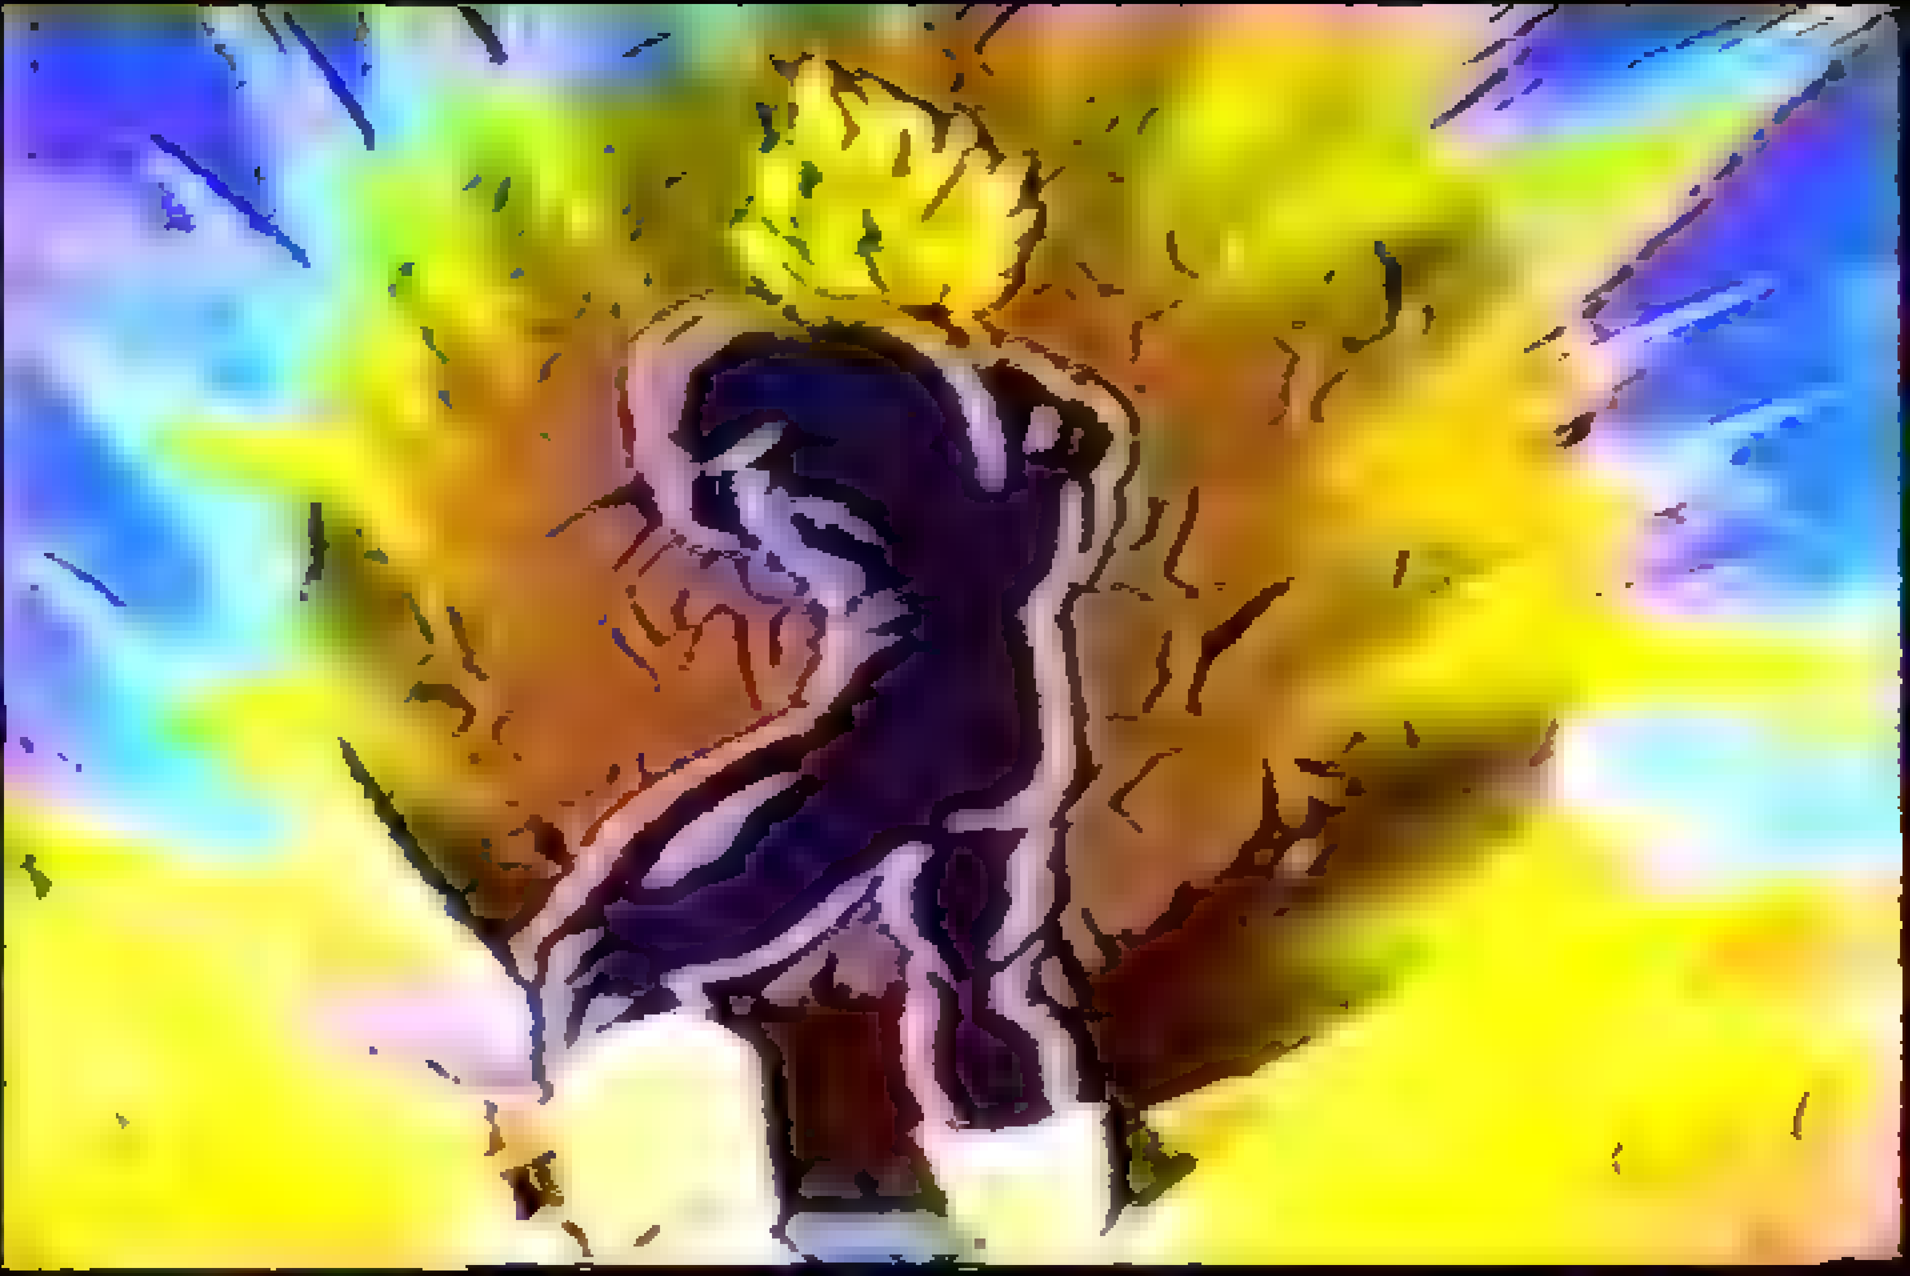

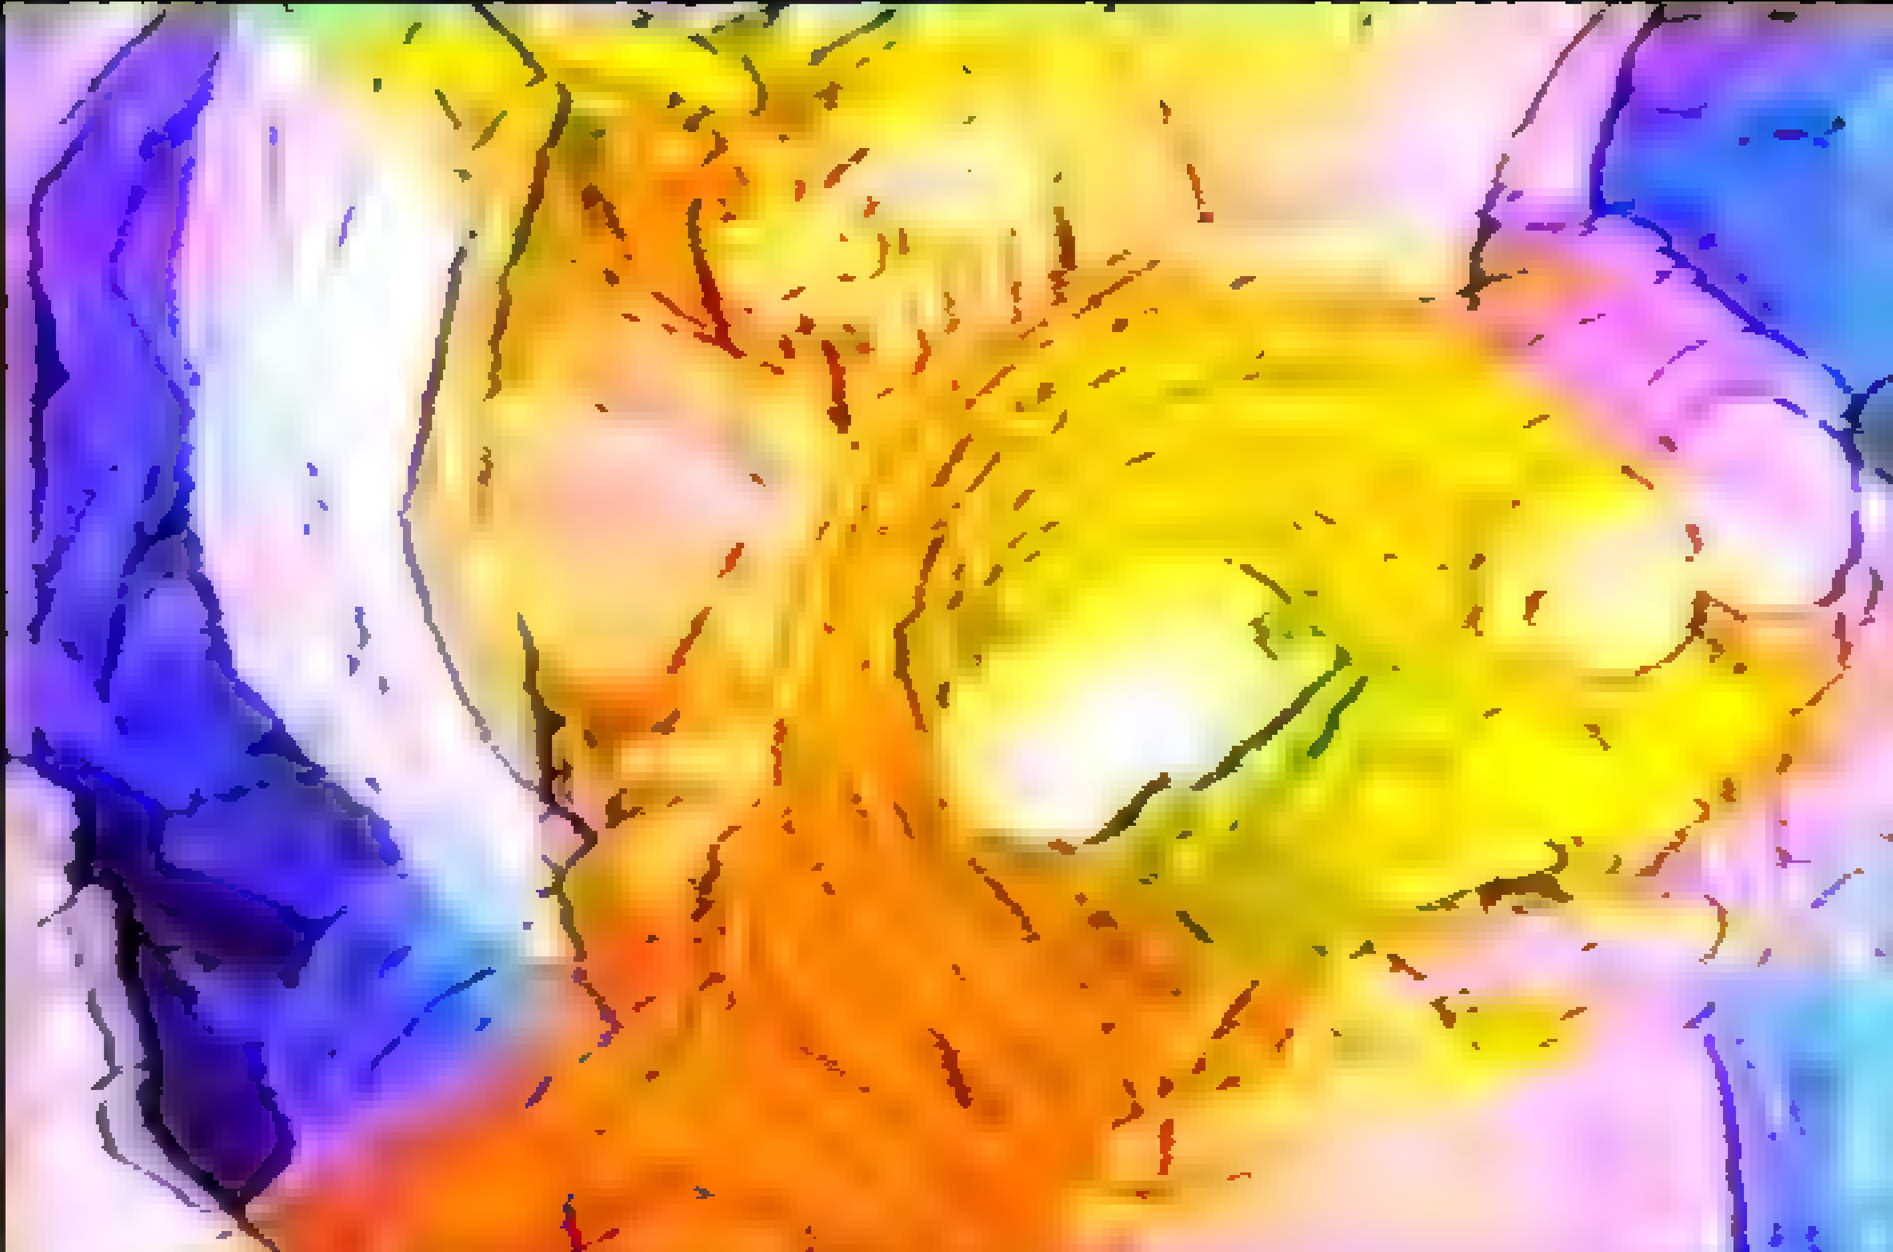

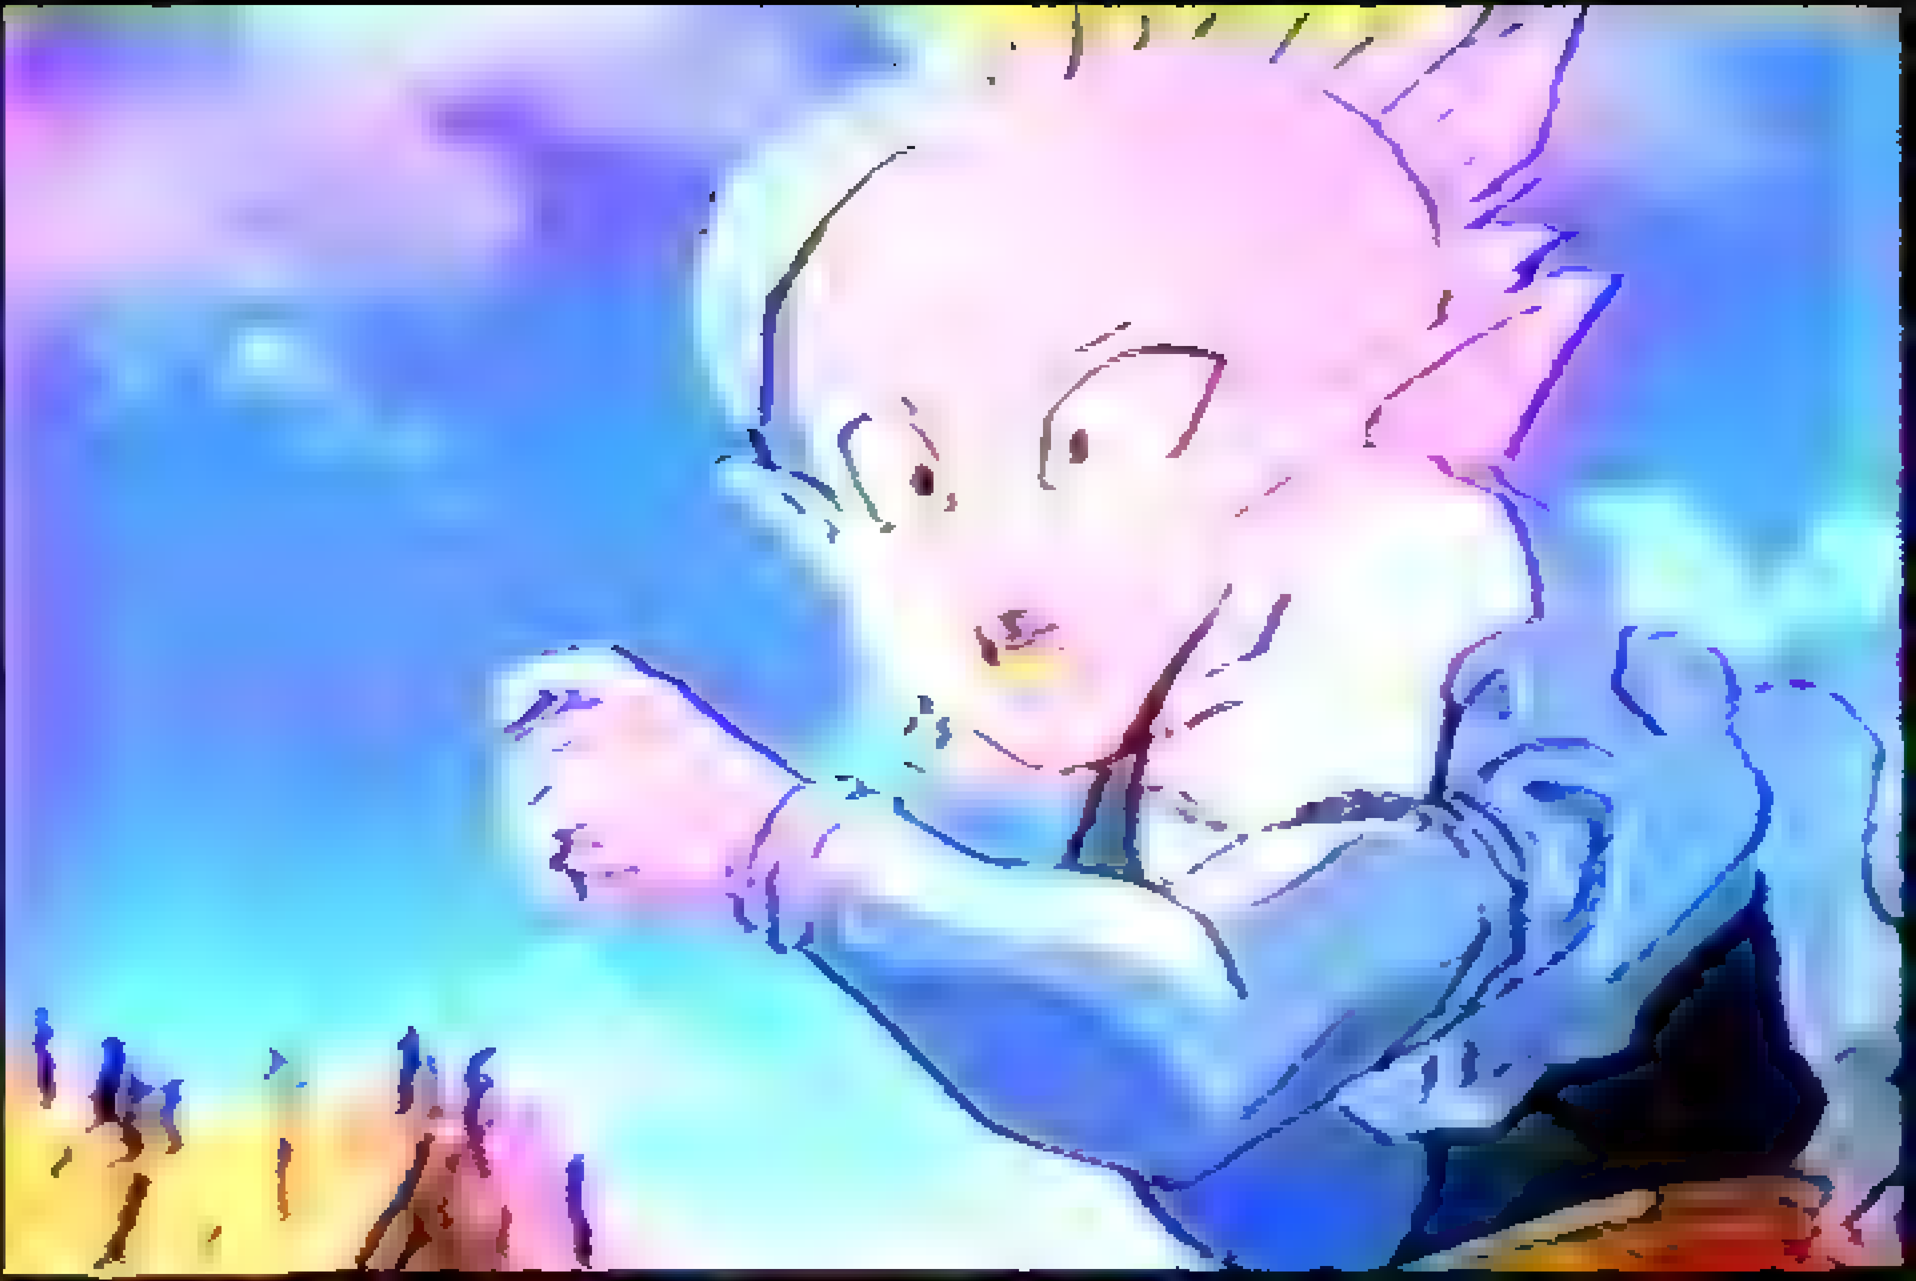

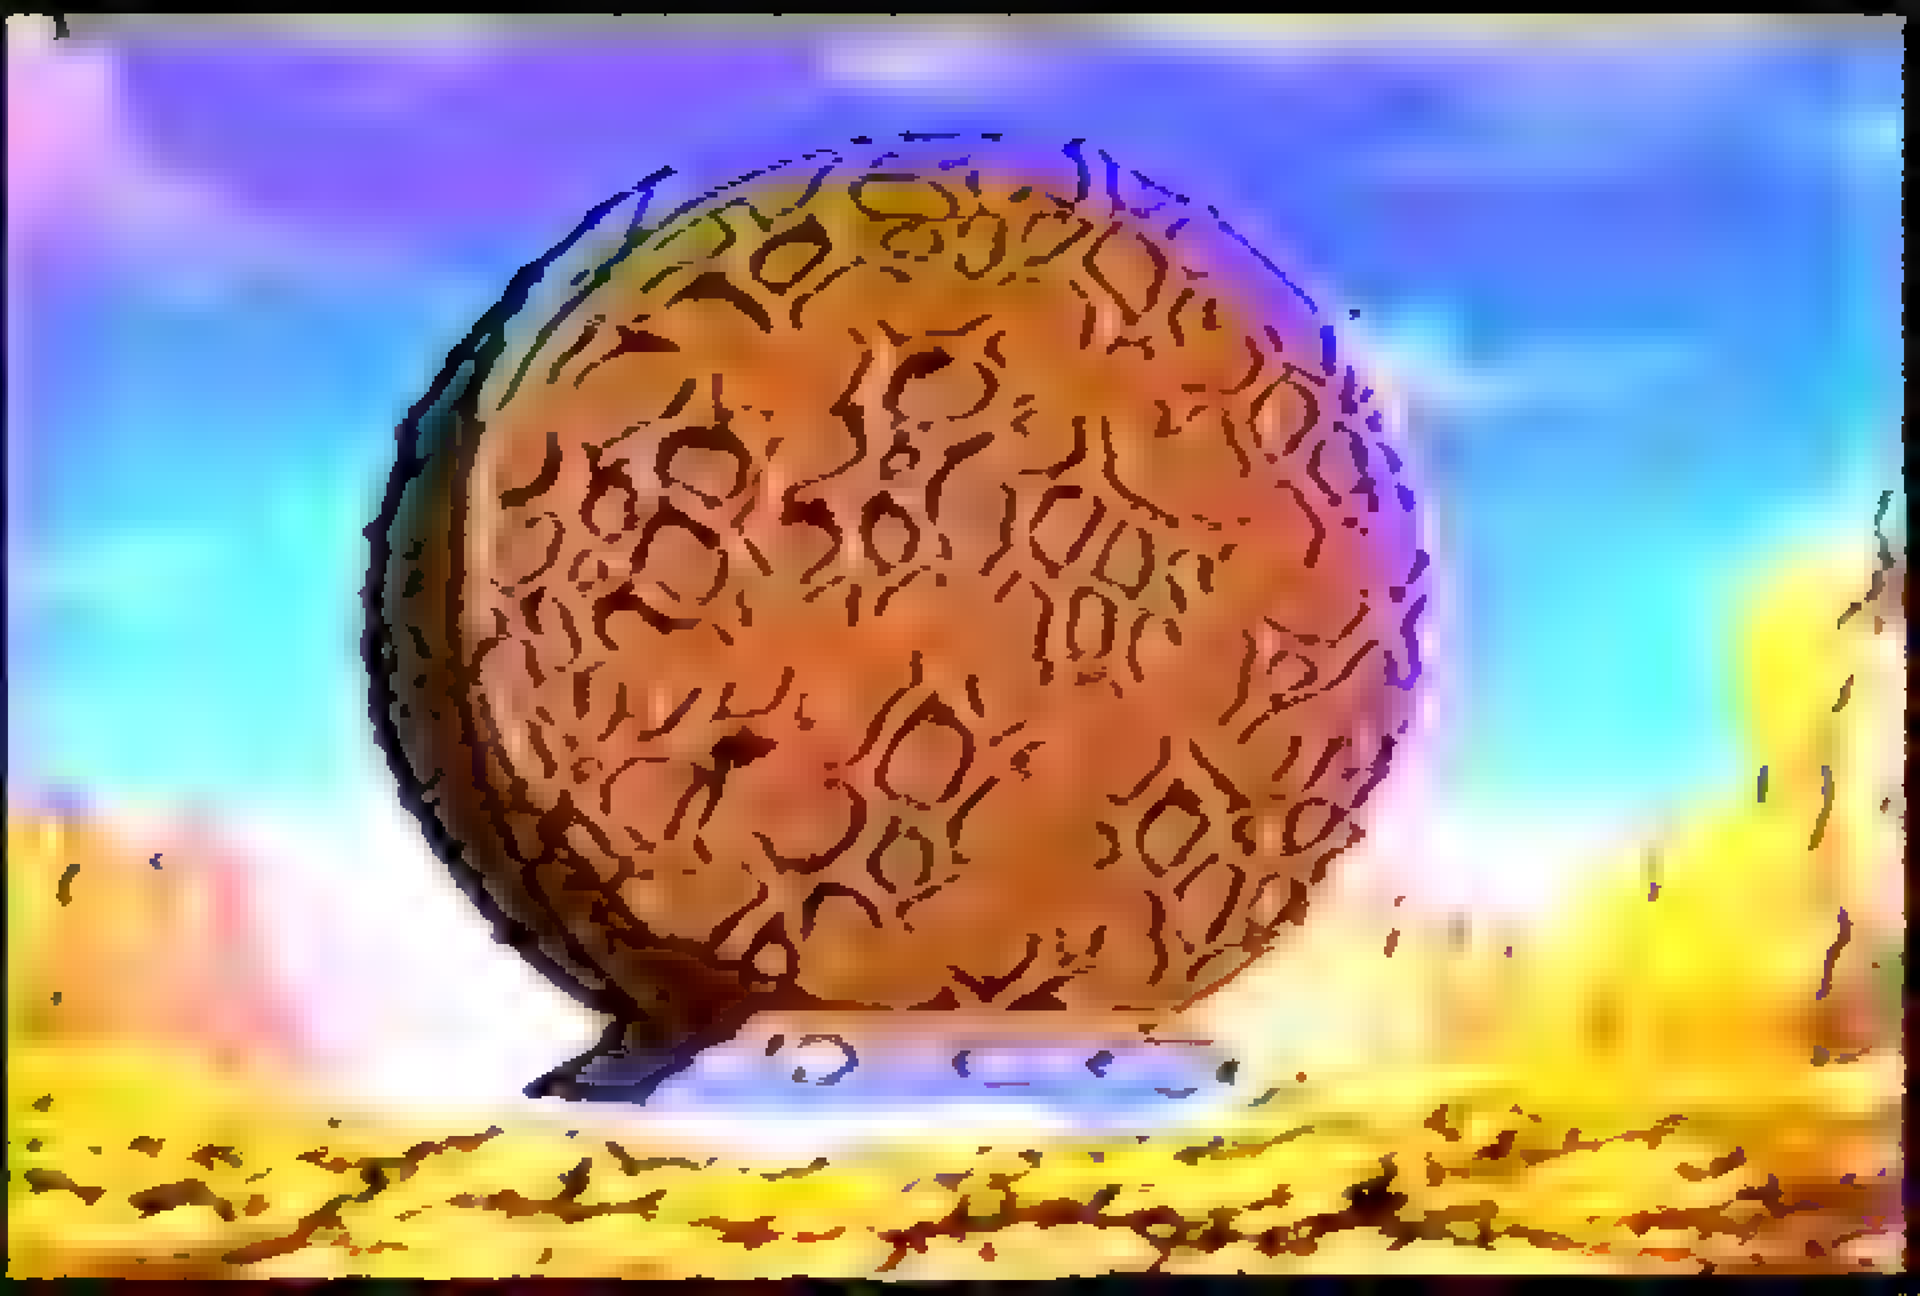

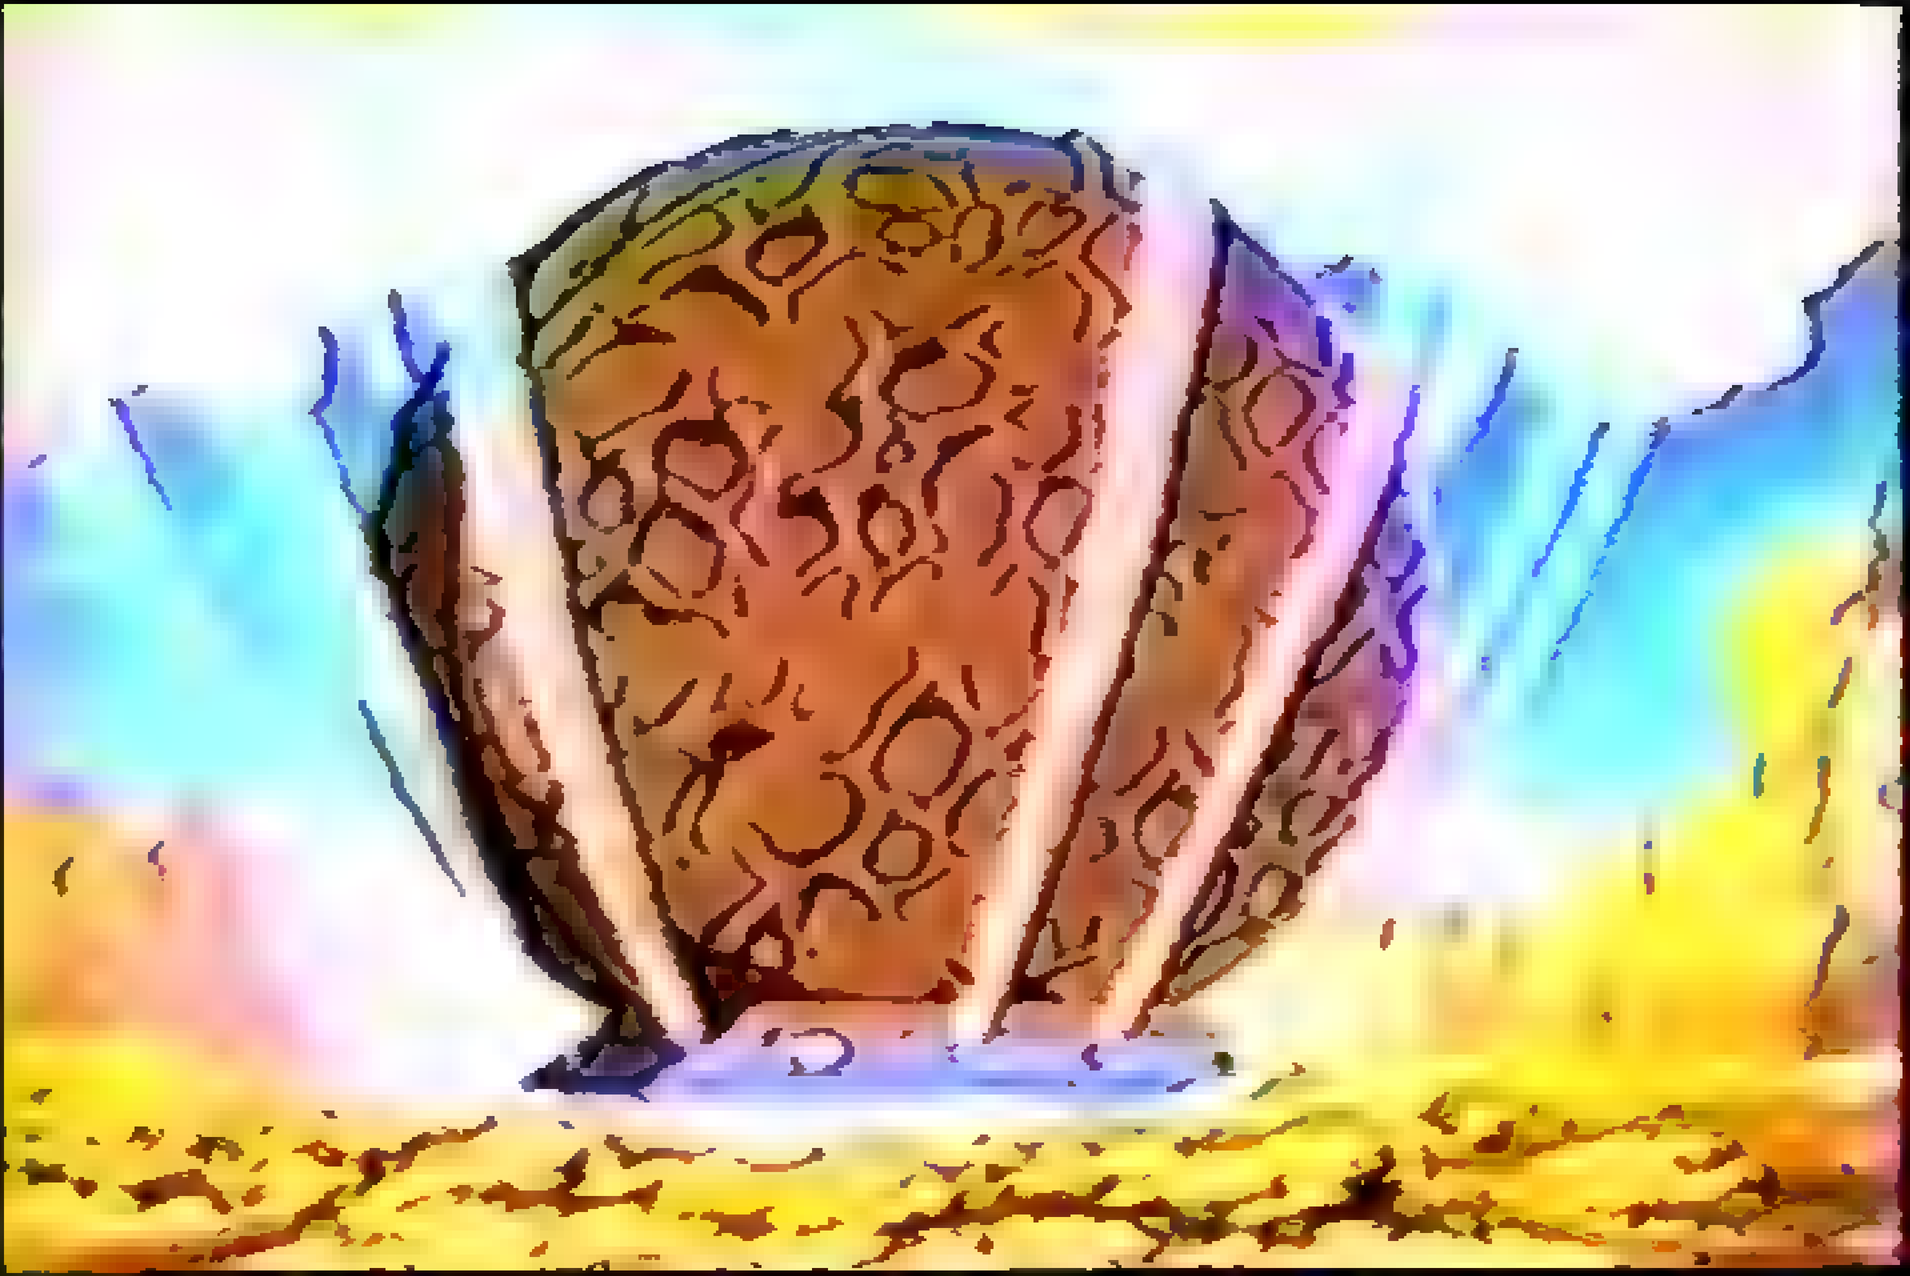

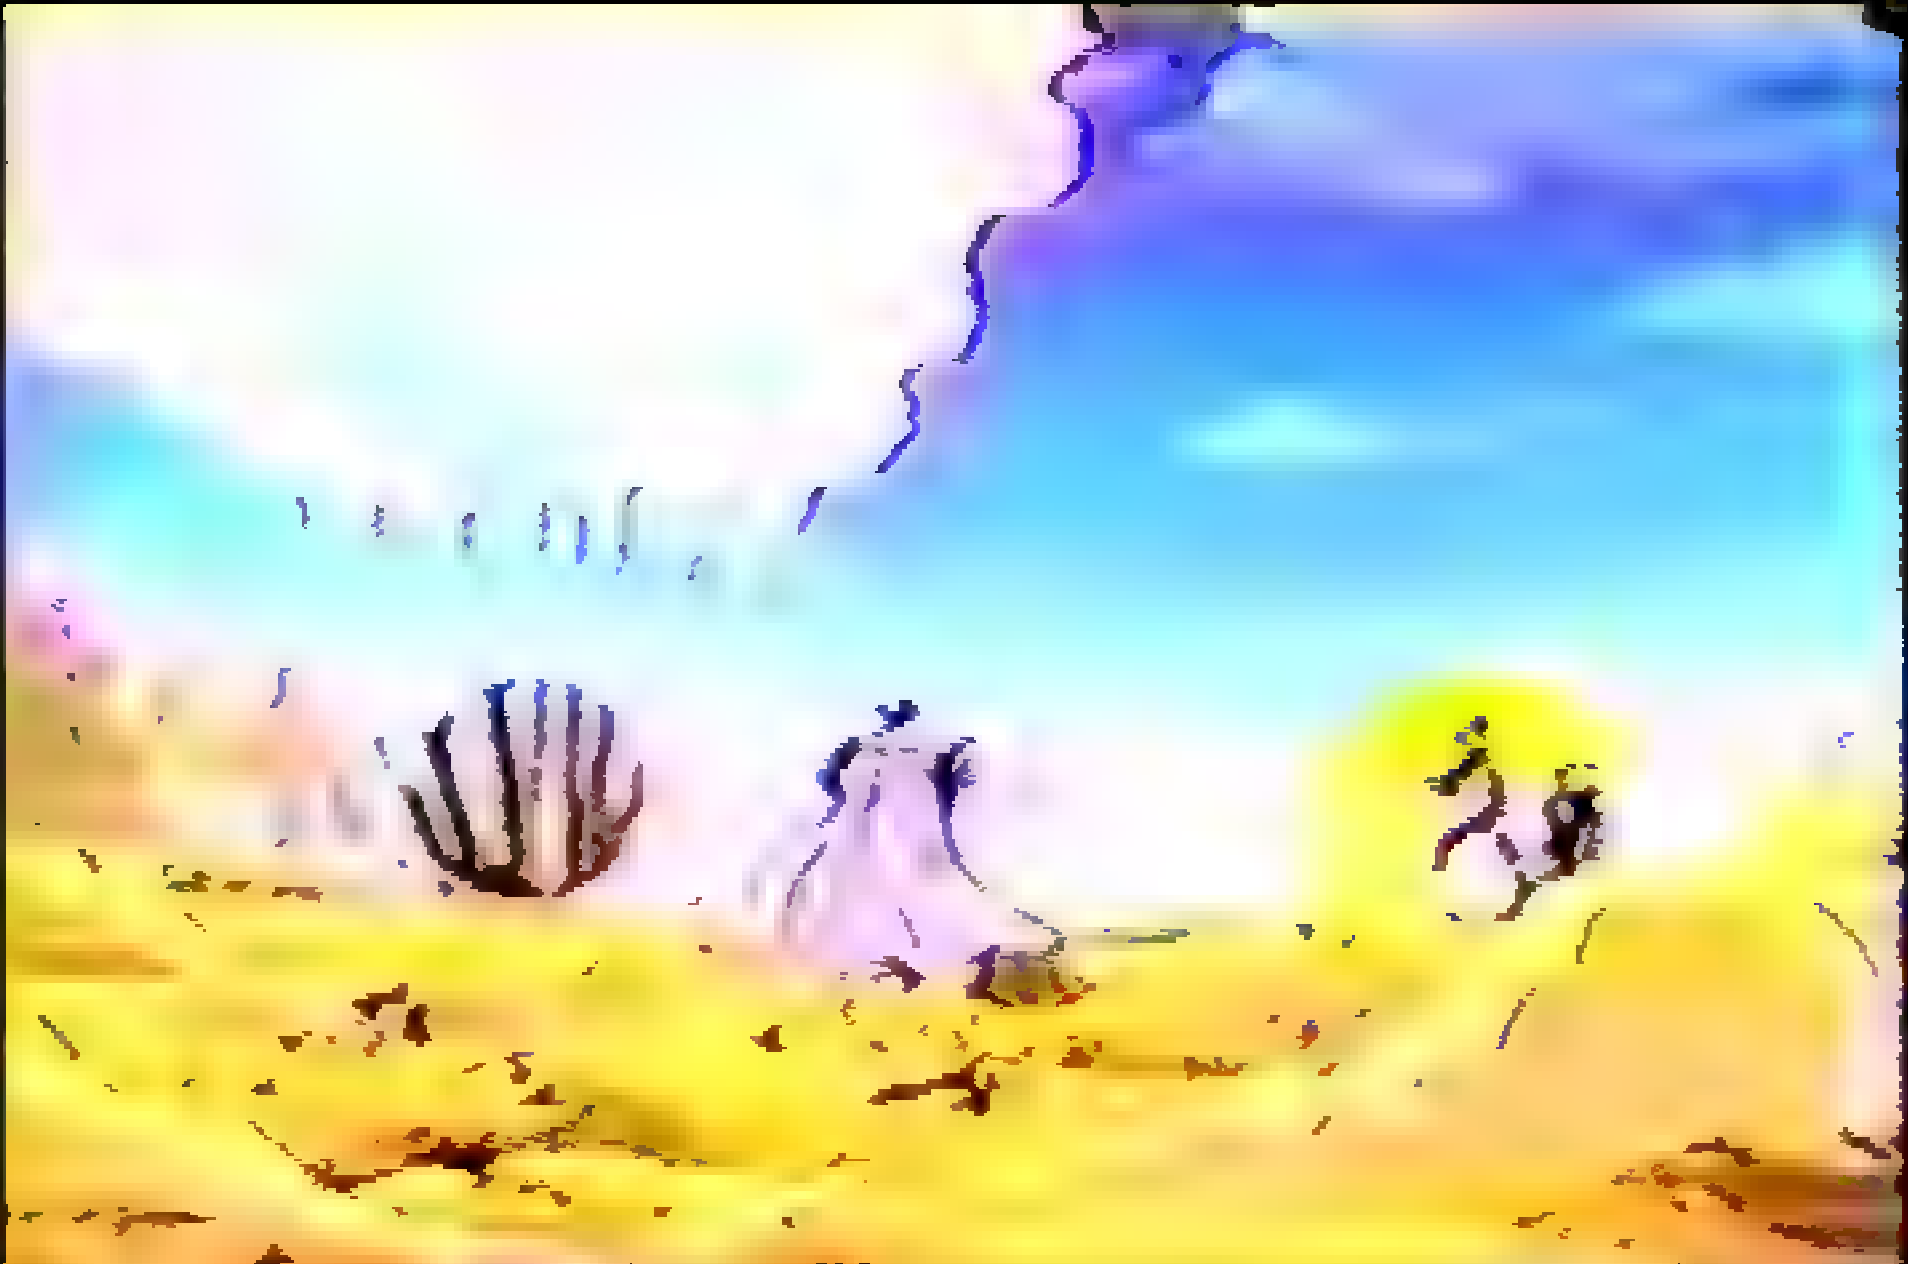

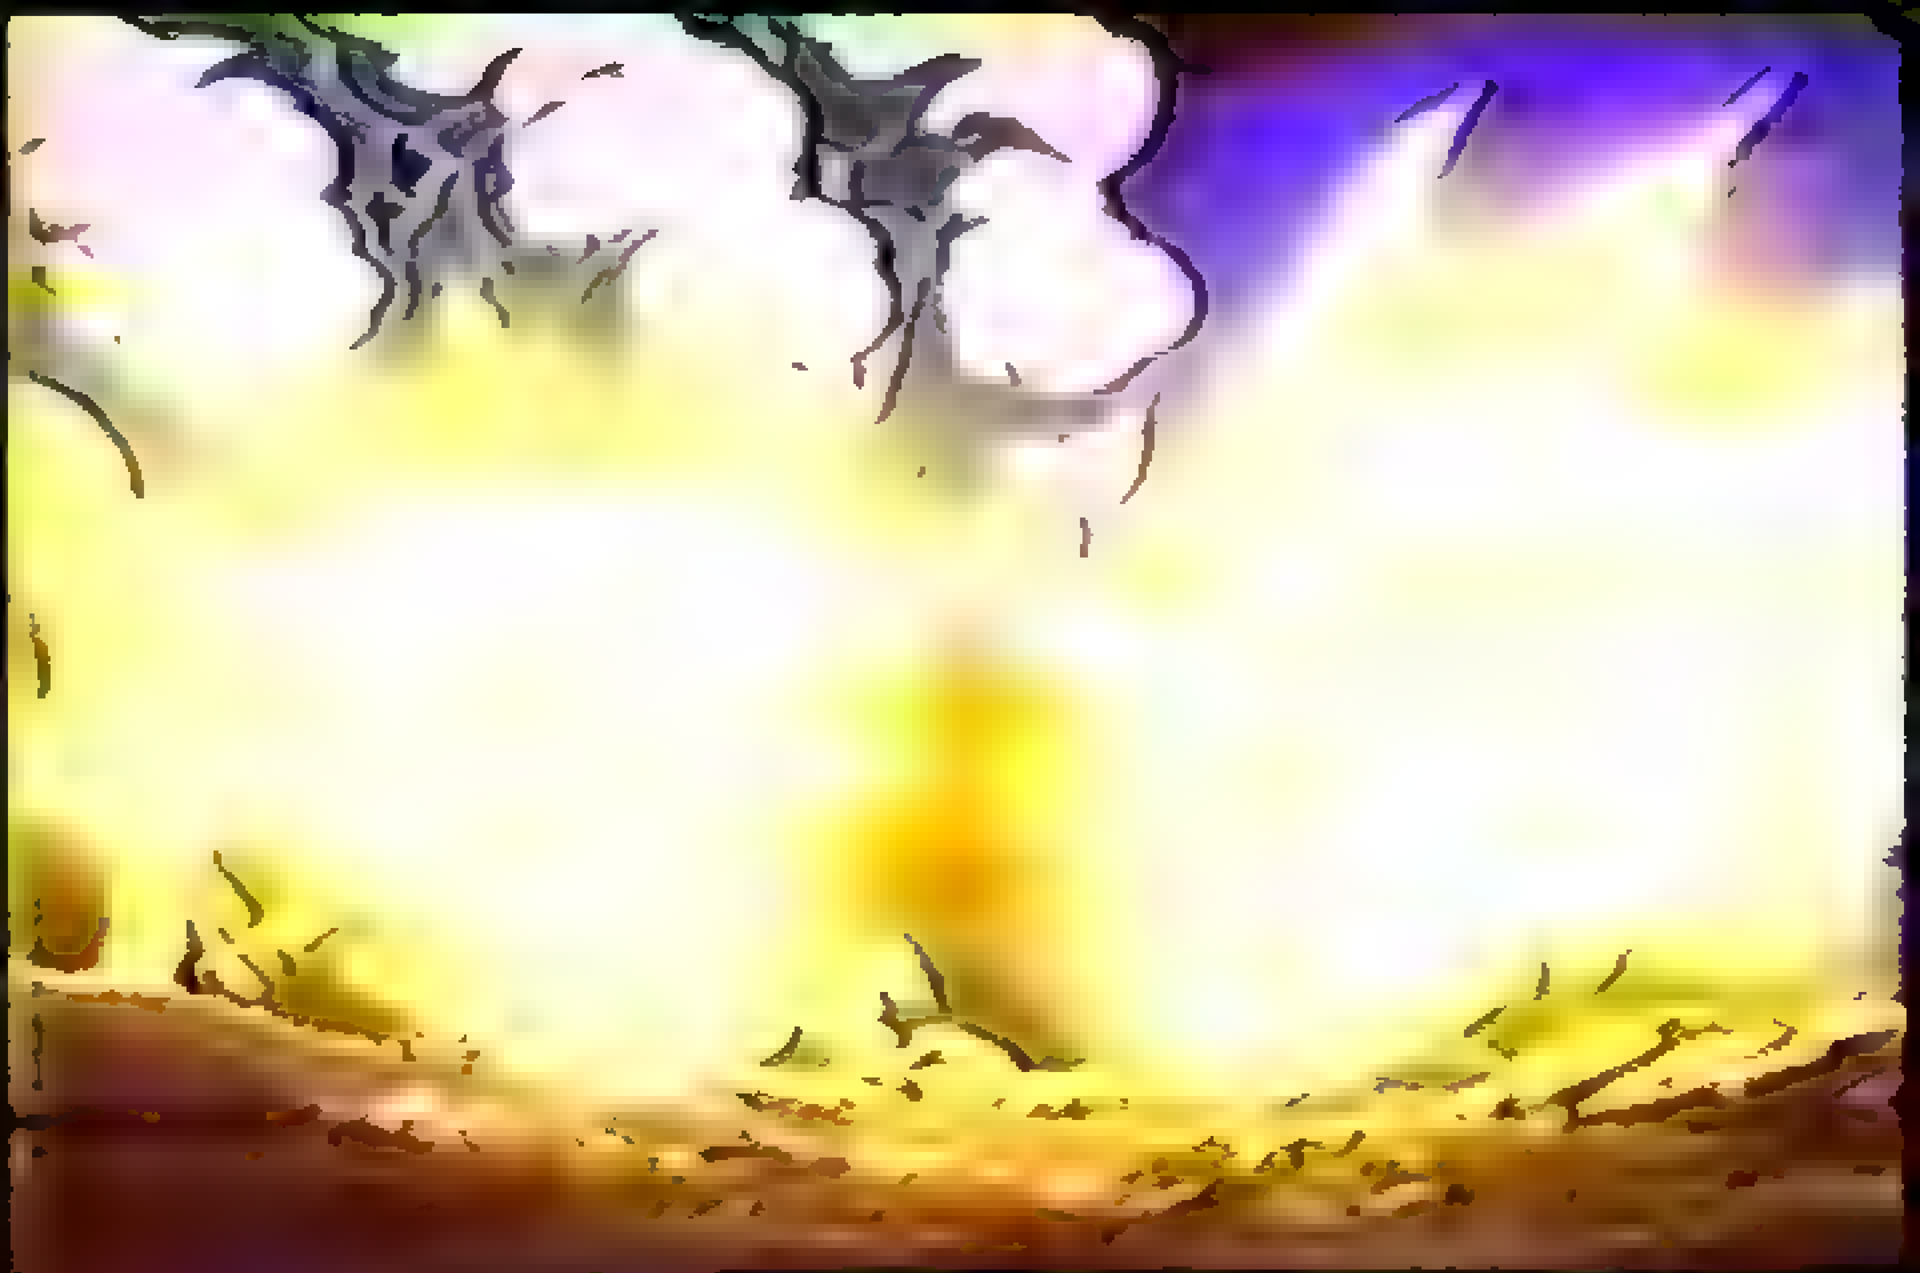

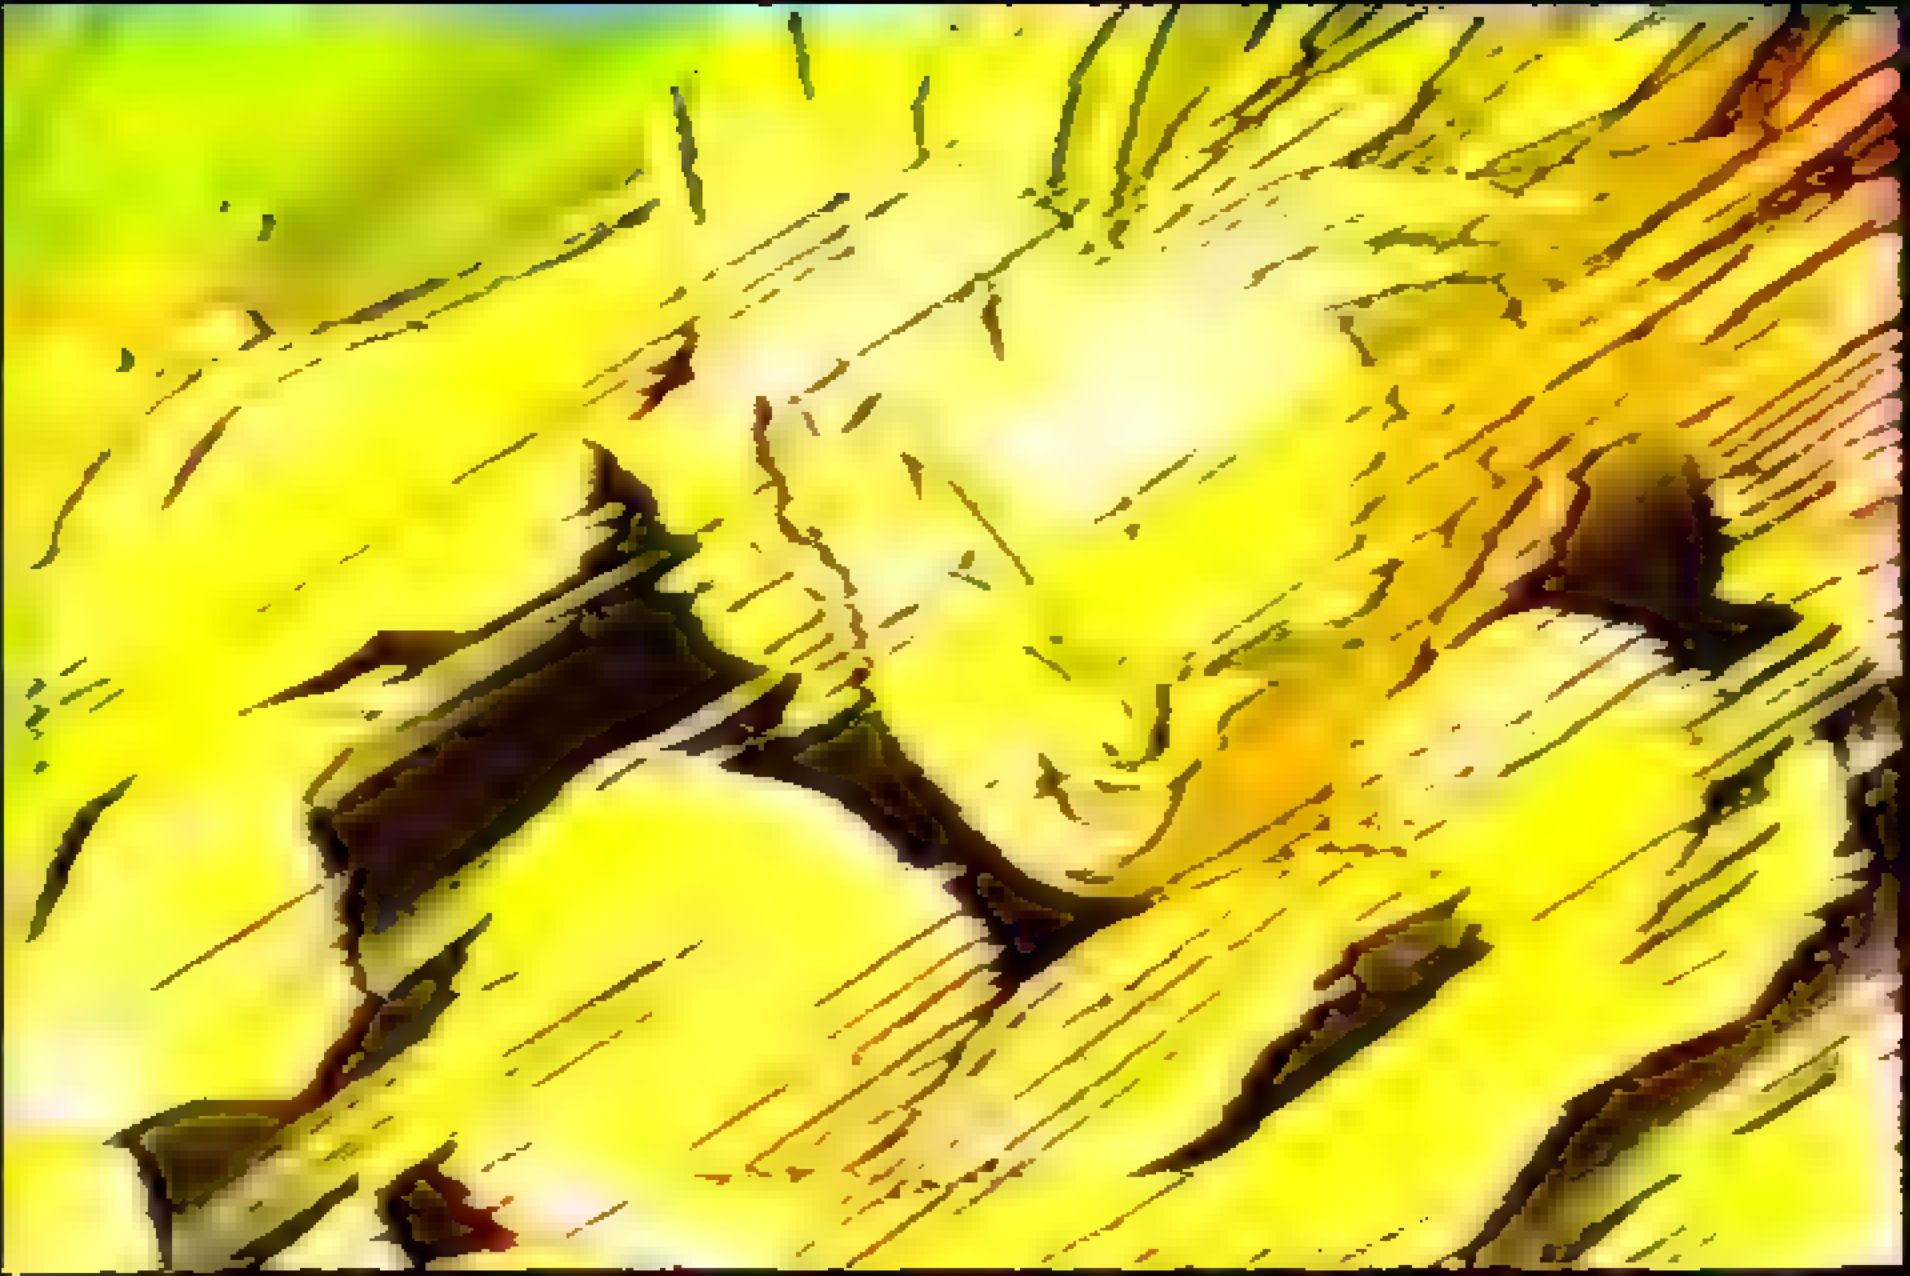

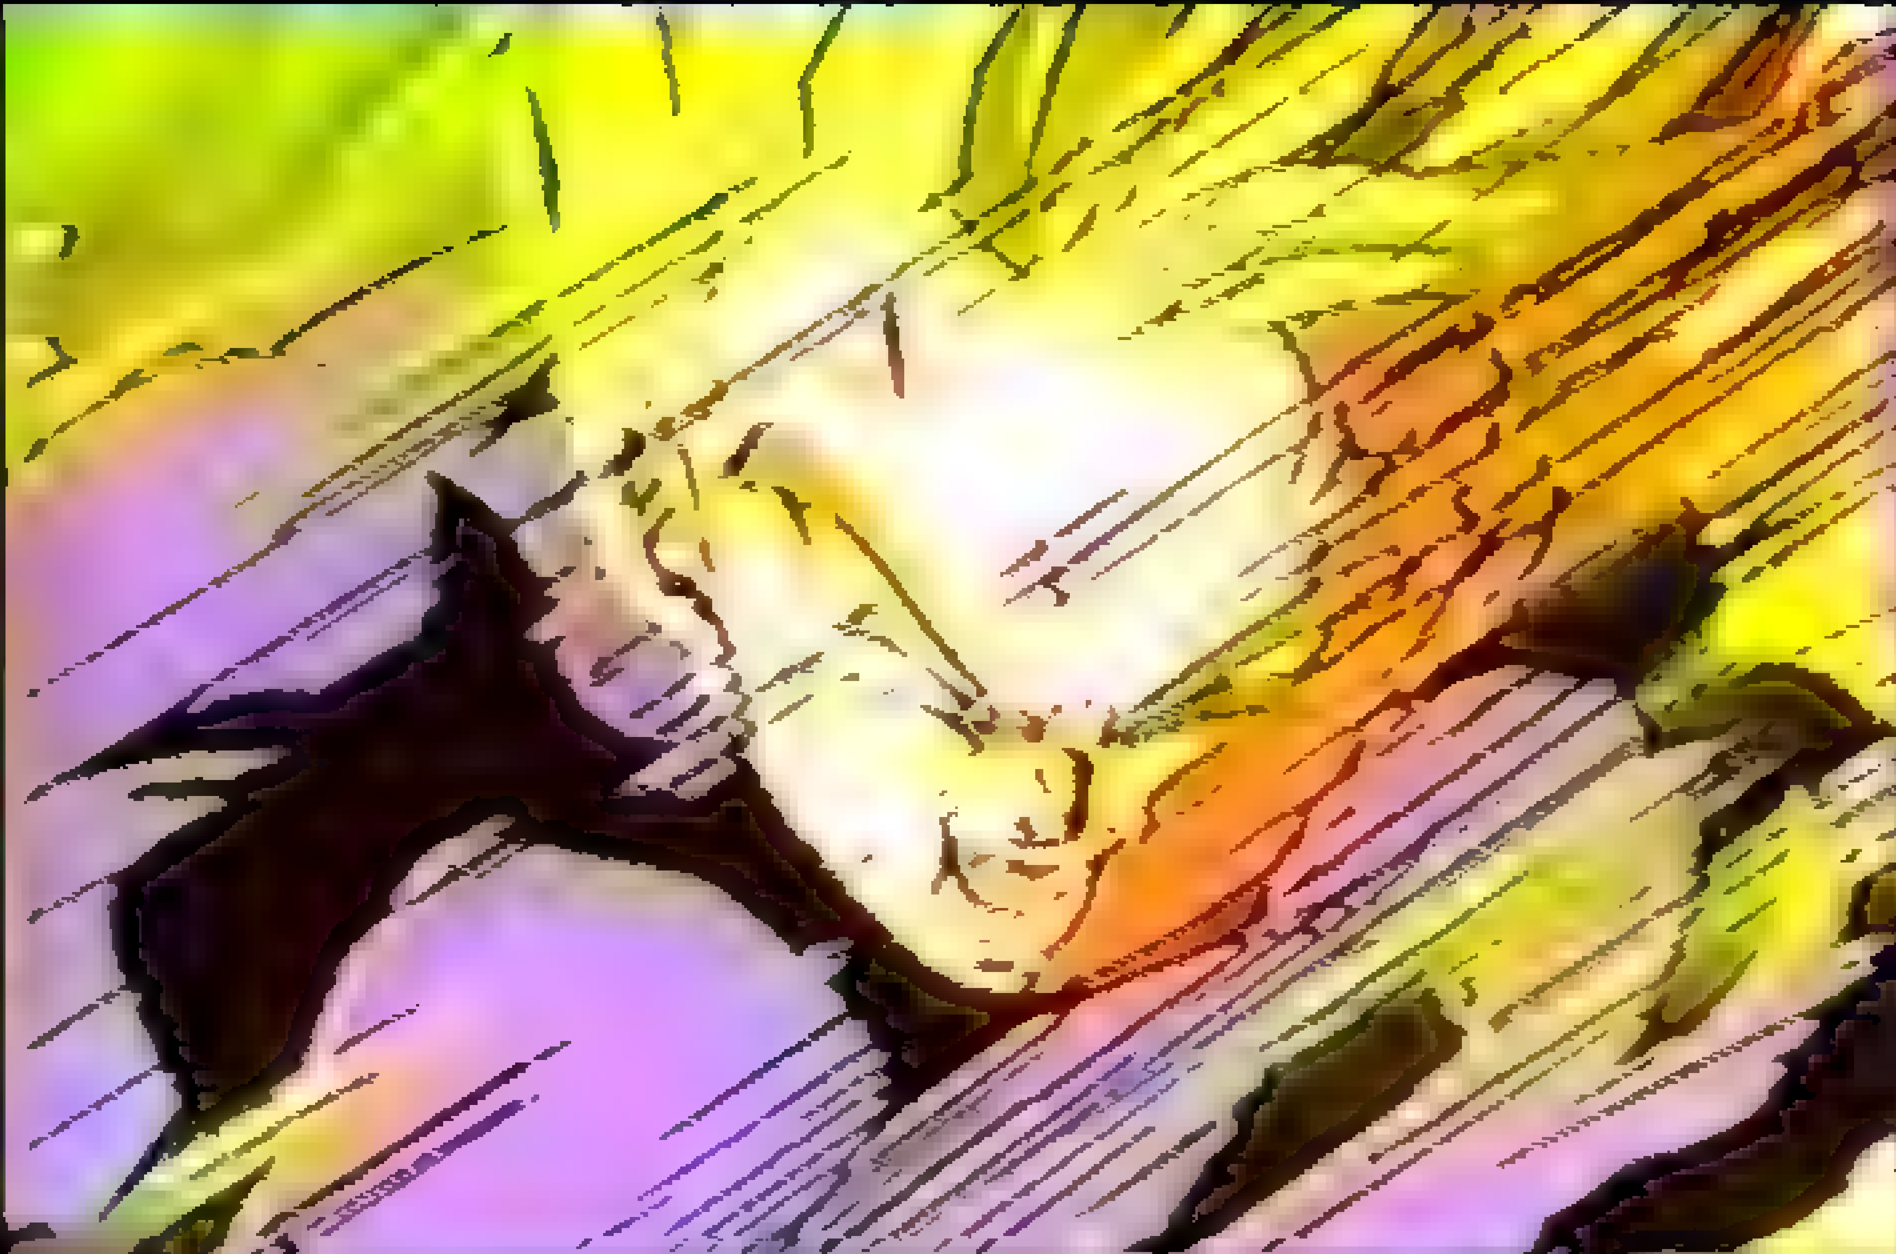

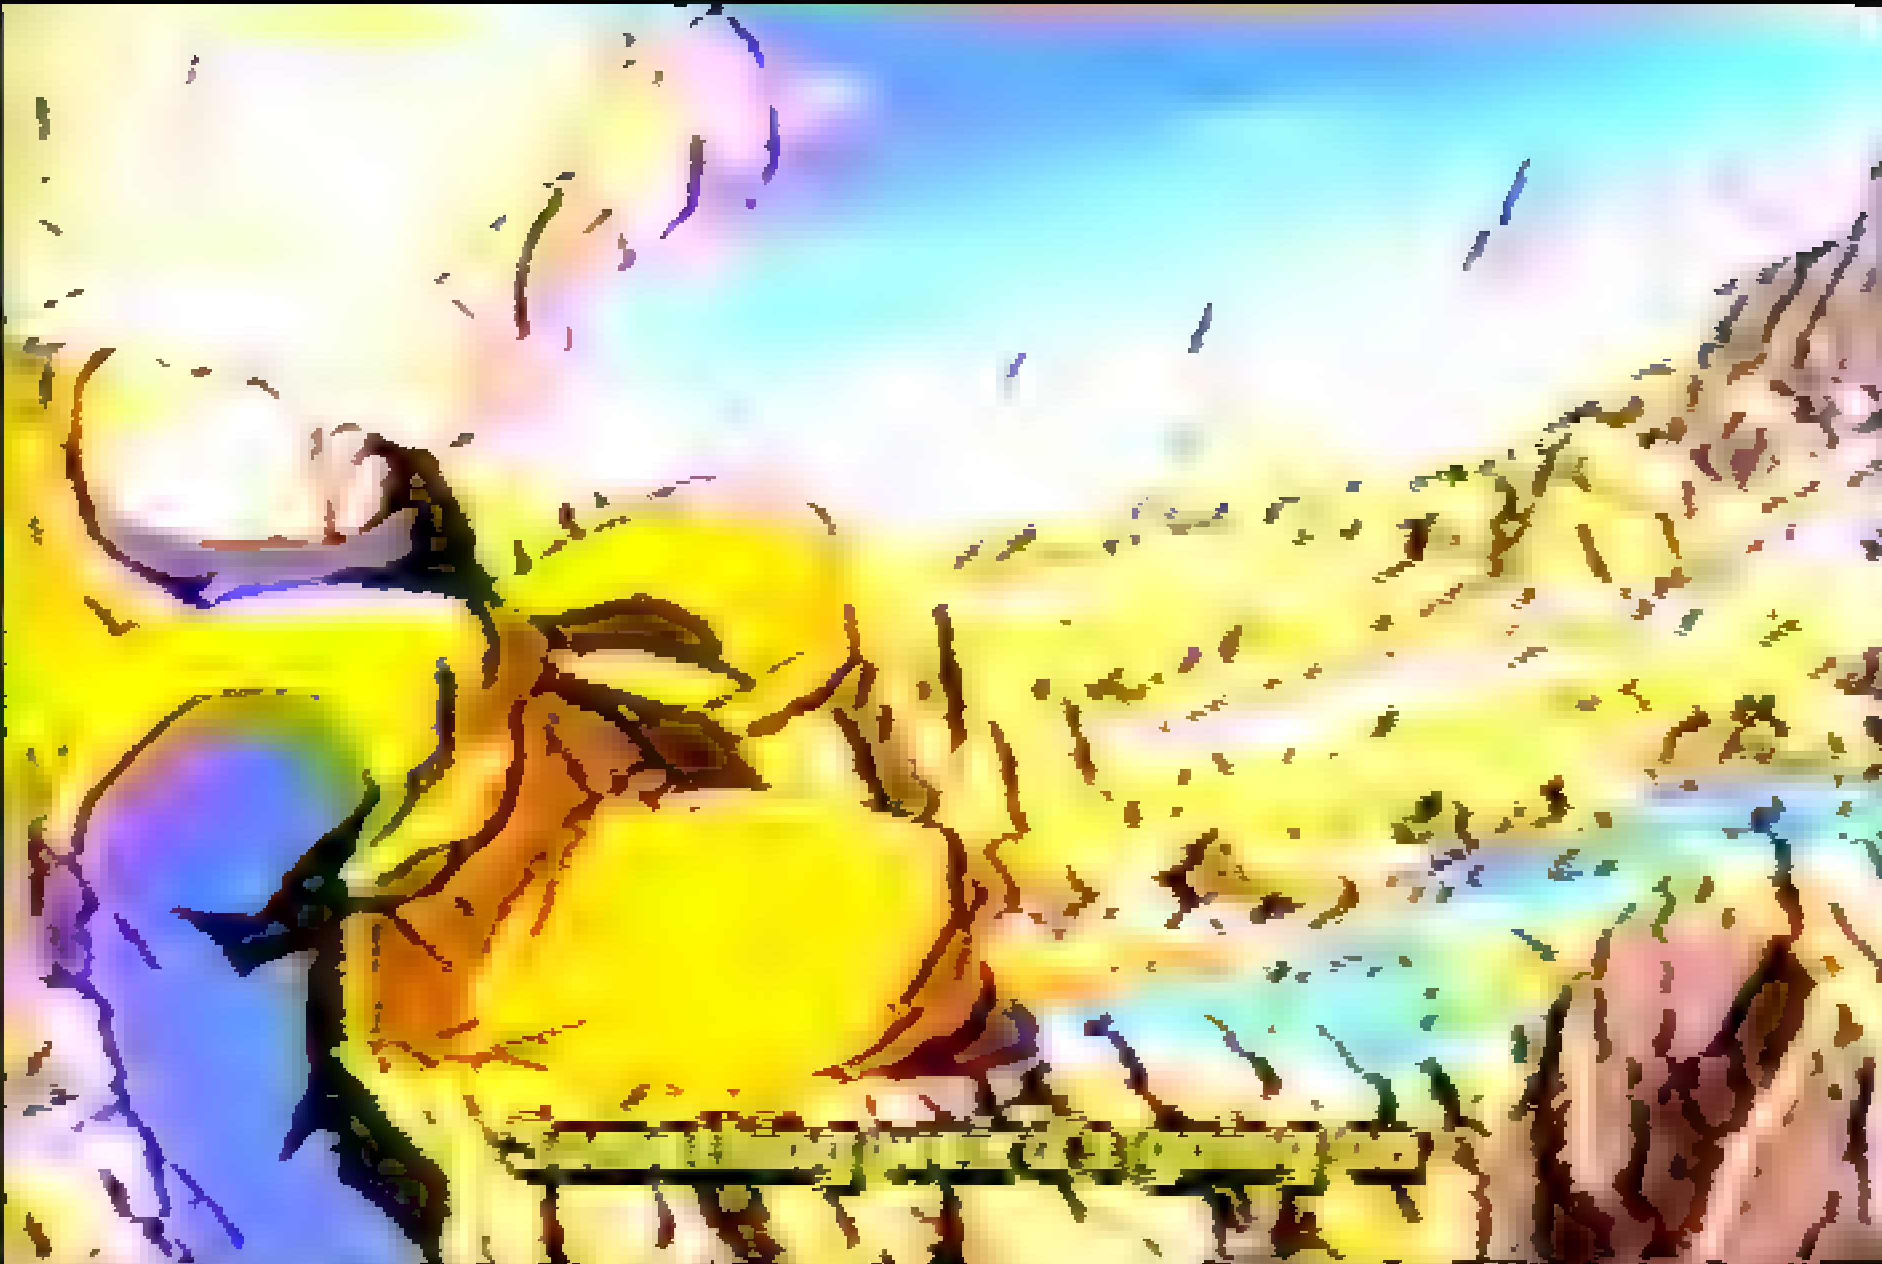

Trunks!! Stop stop!

What is it, Cabba?

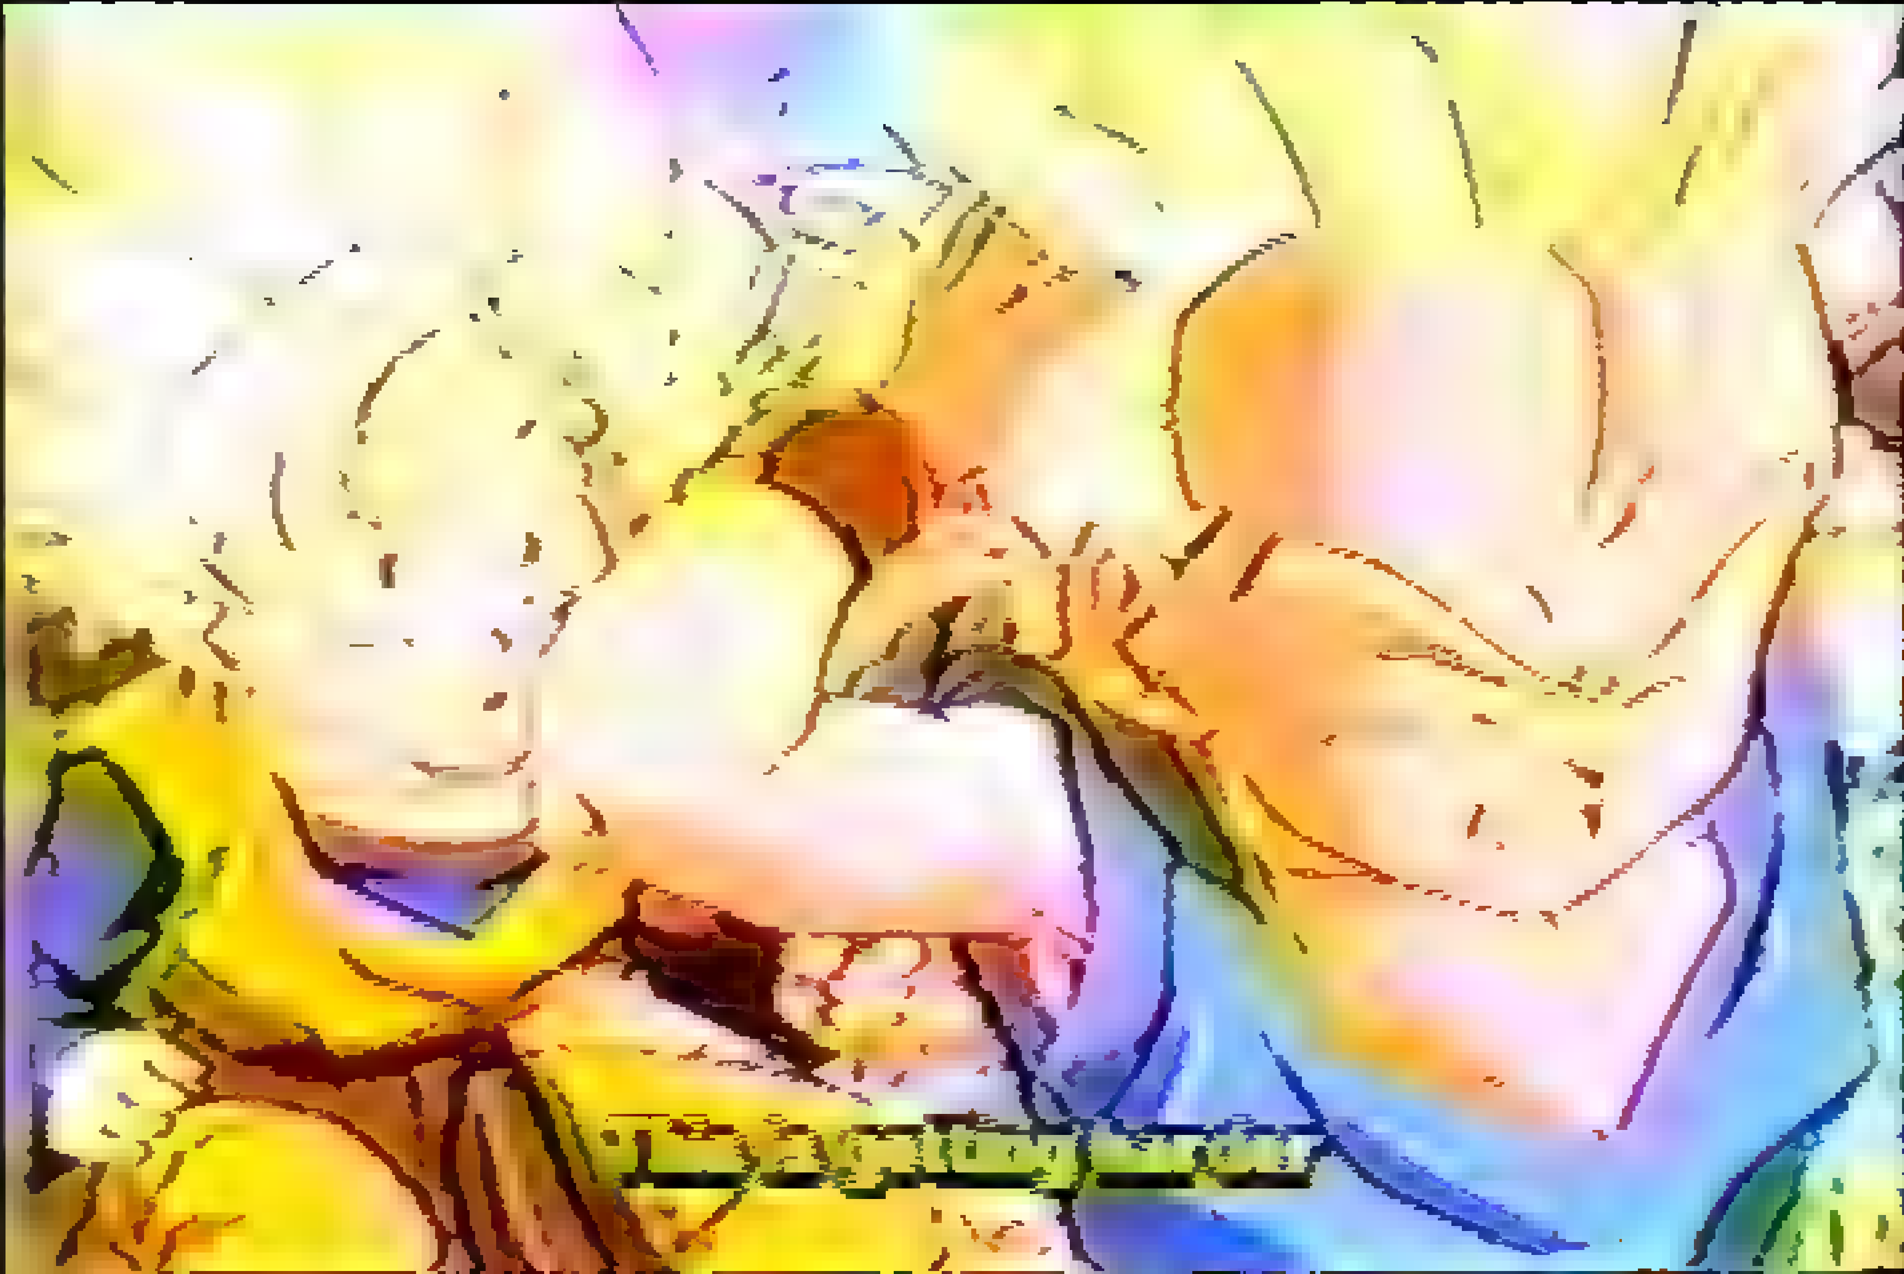

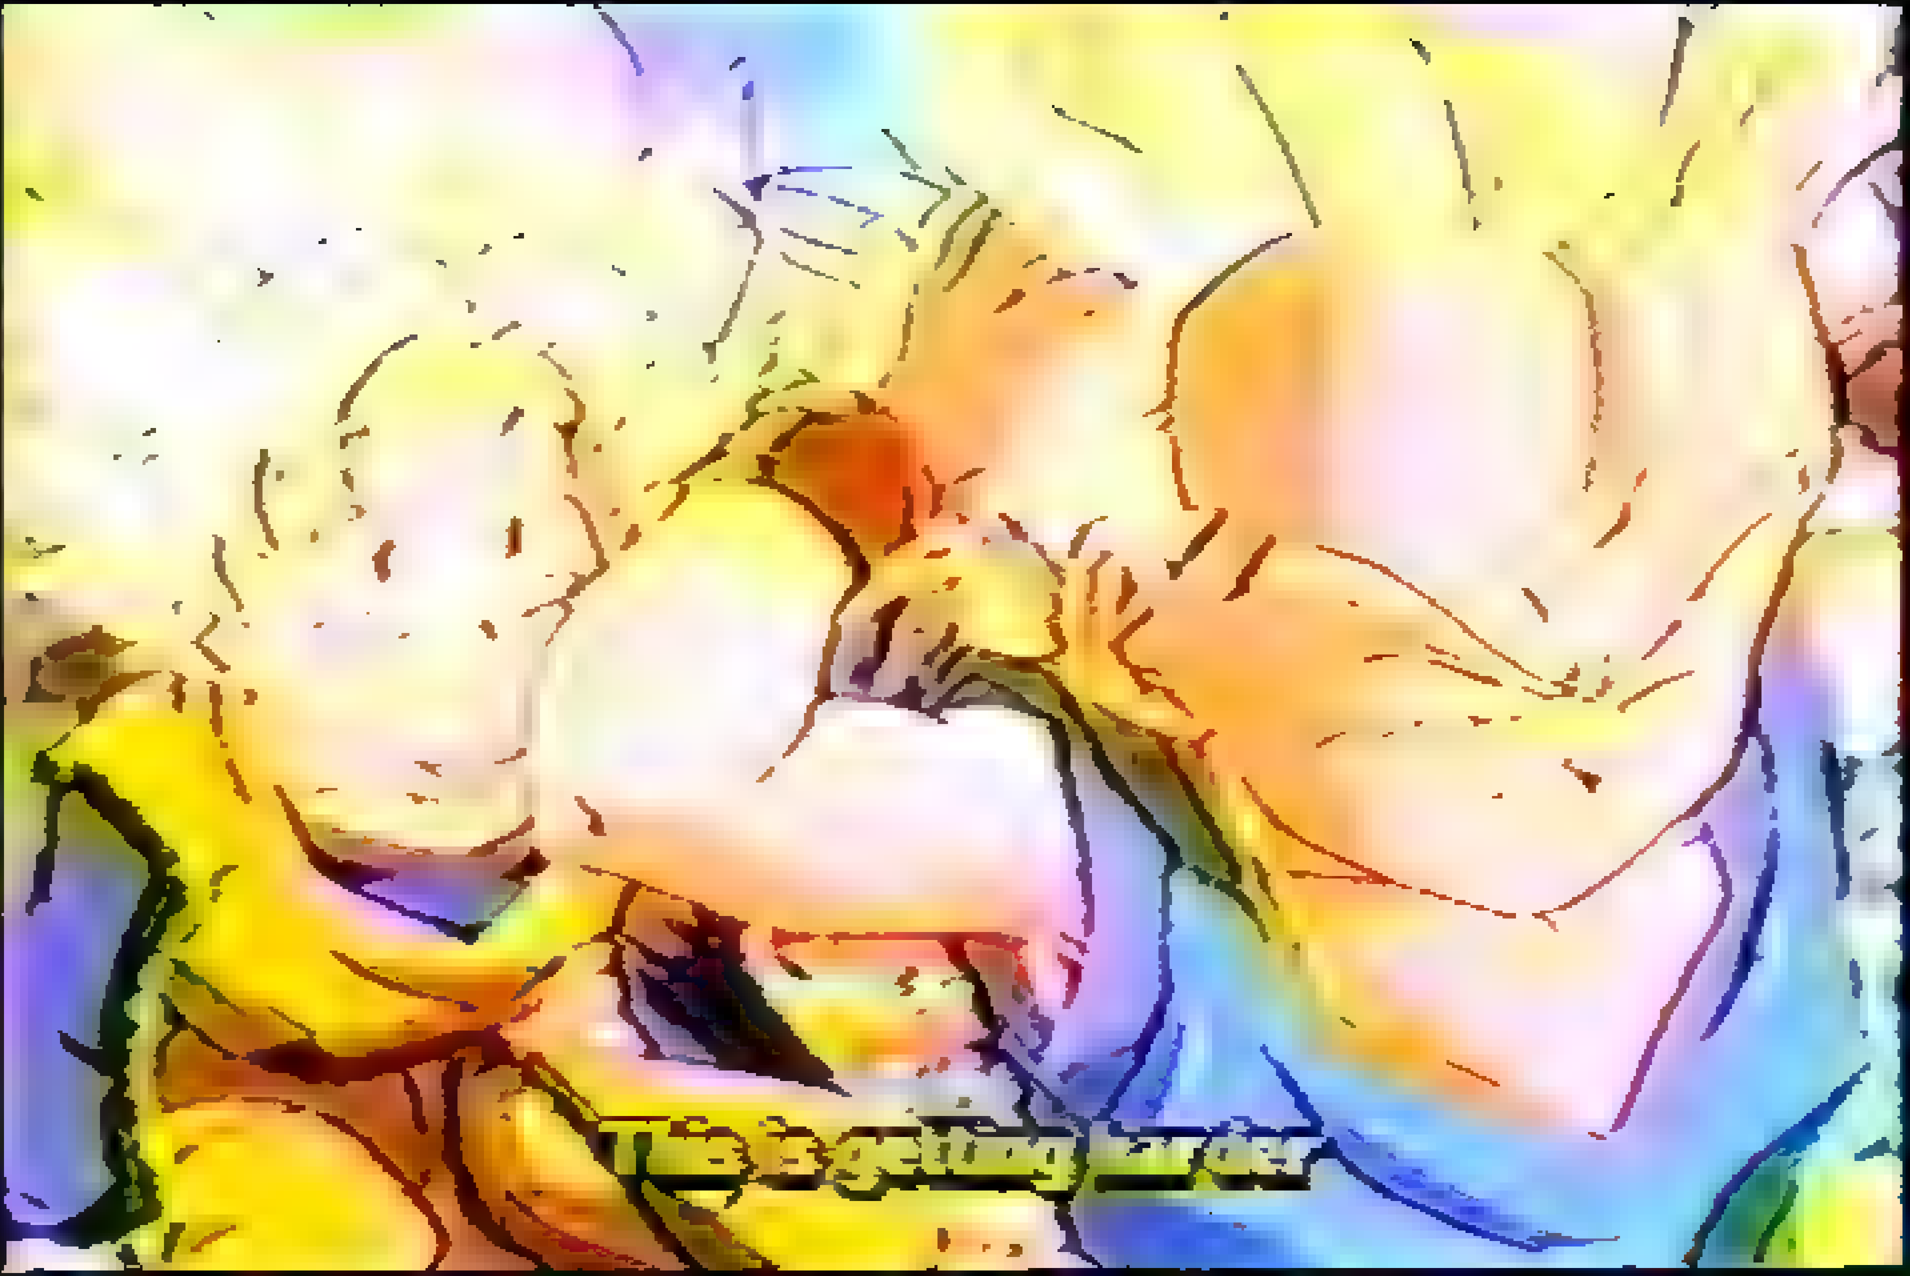

But there's strong ones over there, too

And over there, too

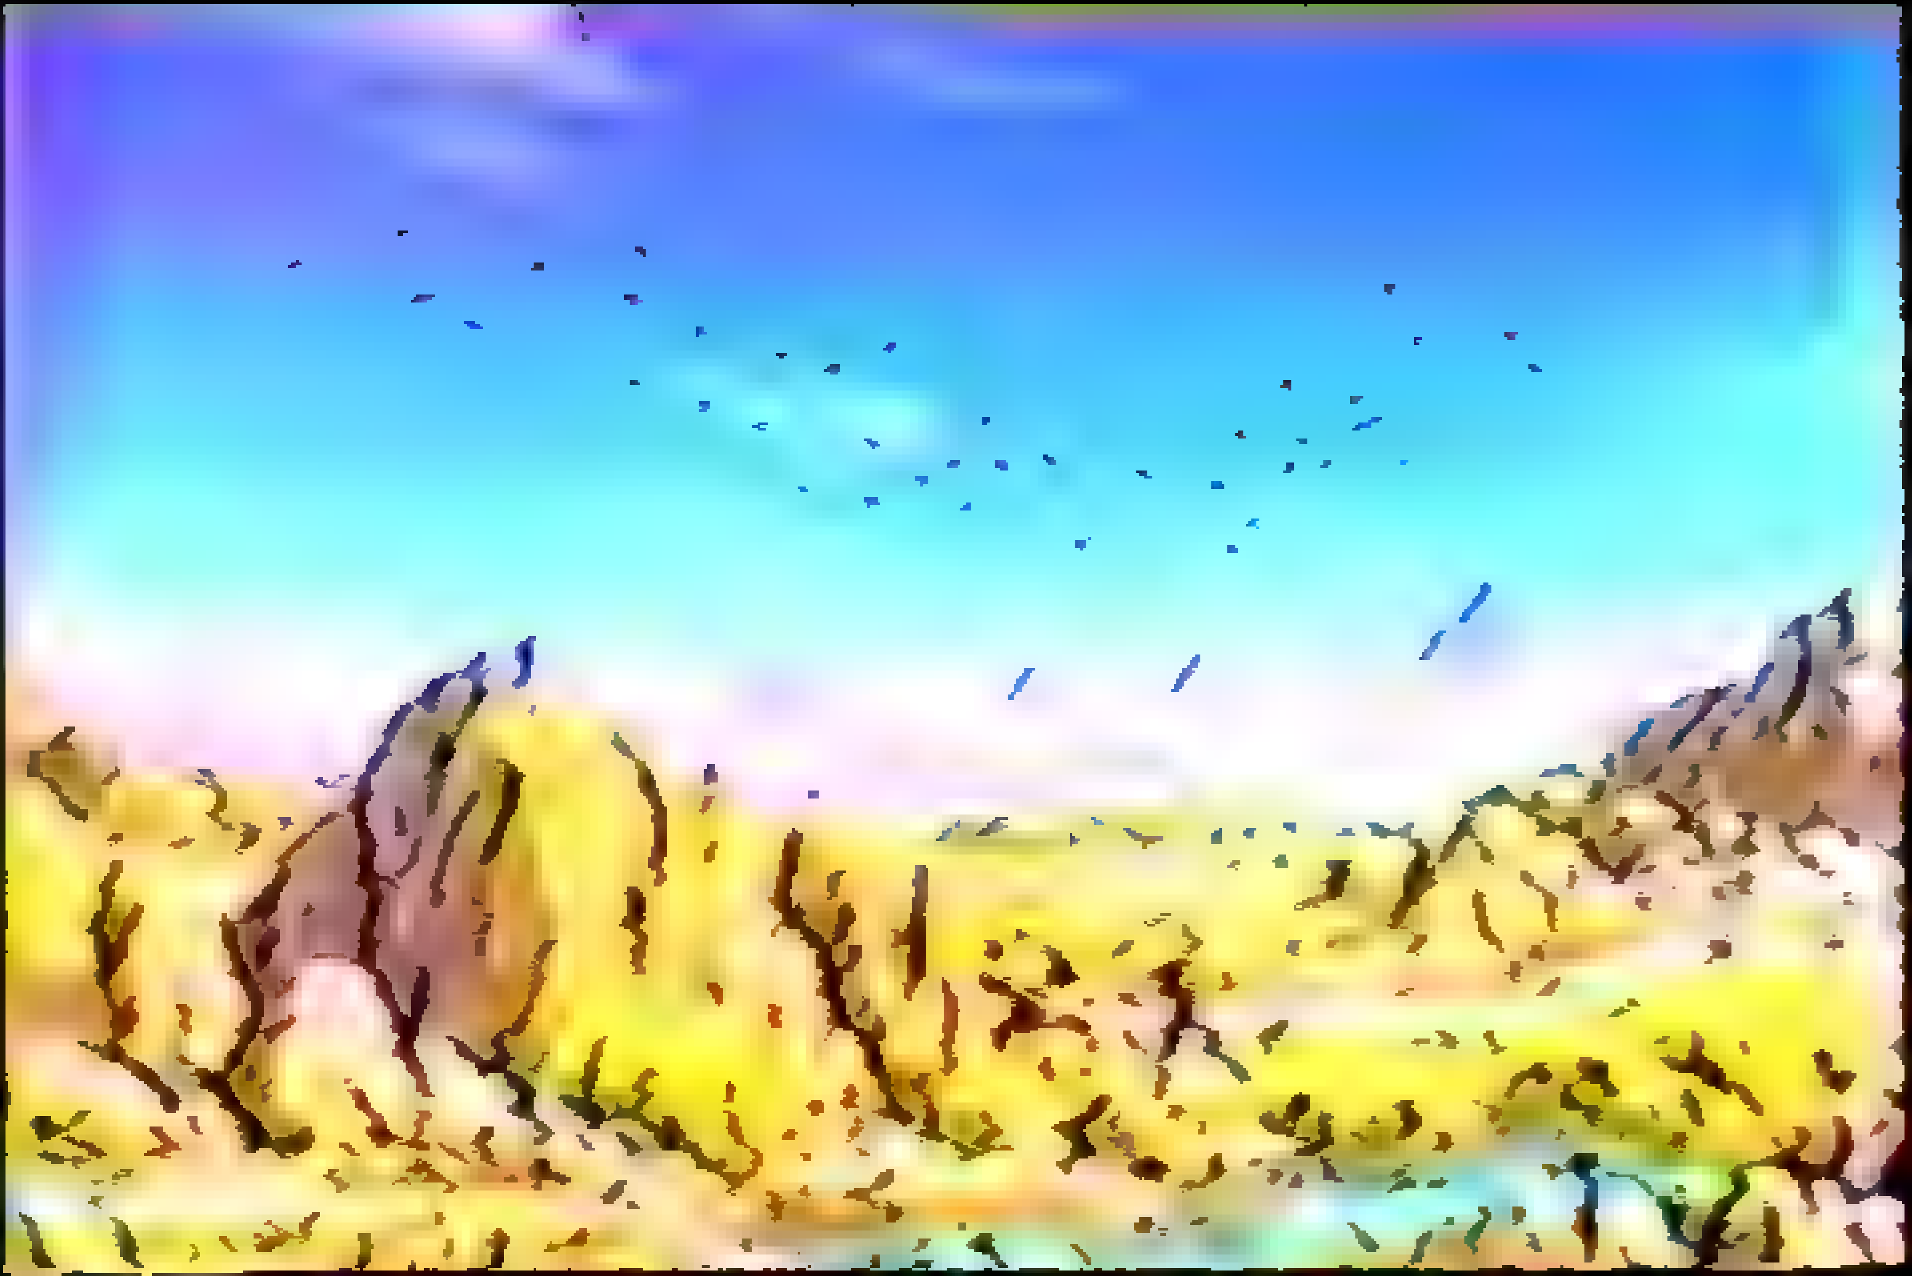

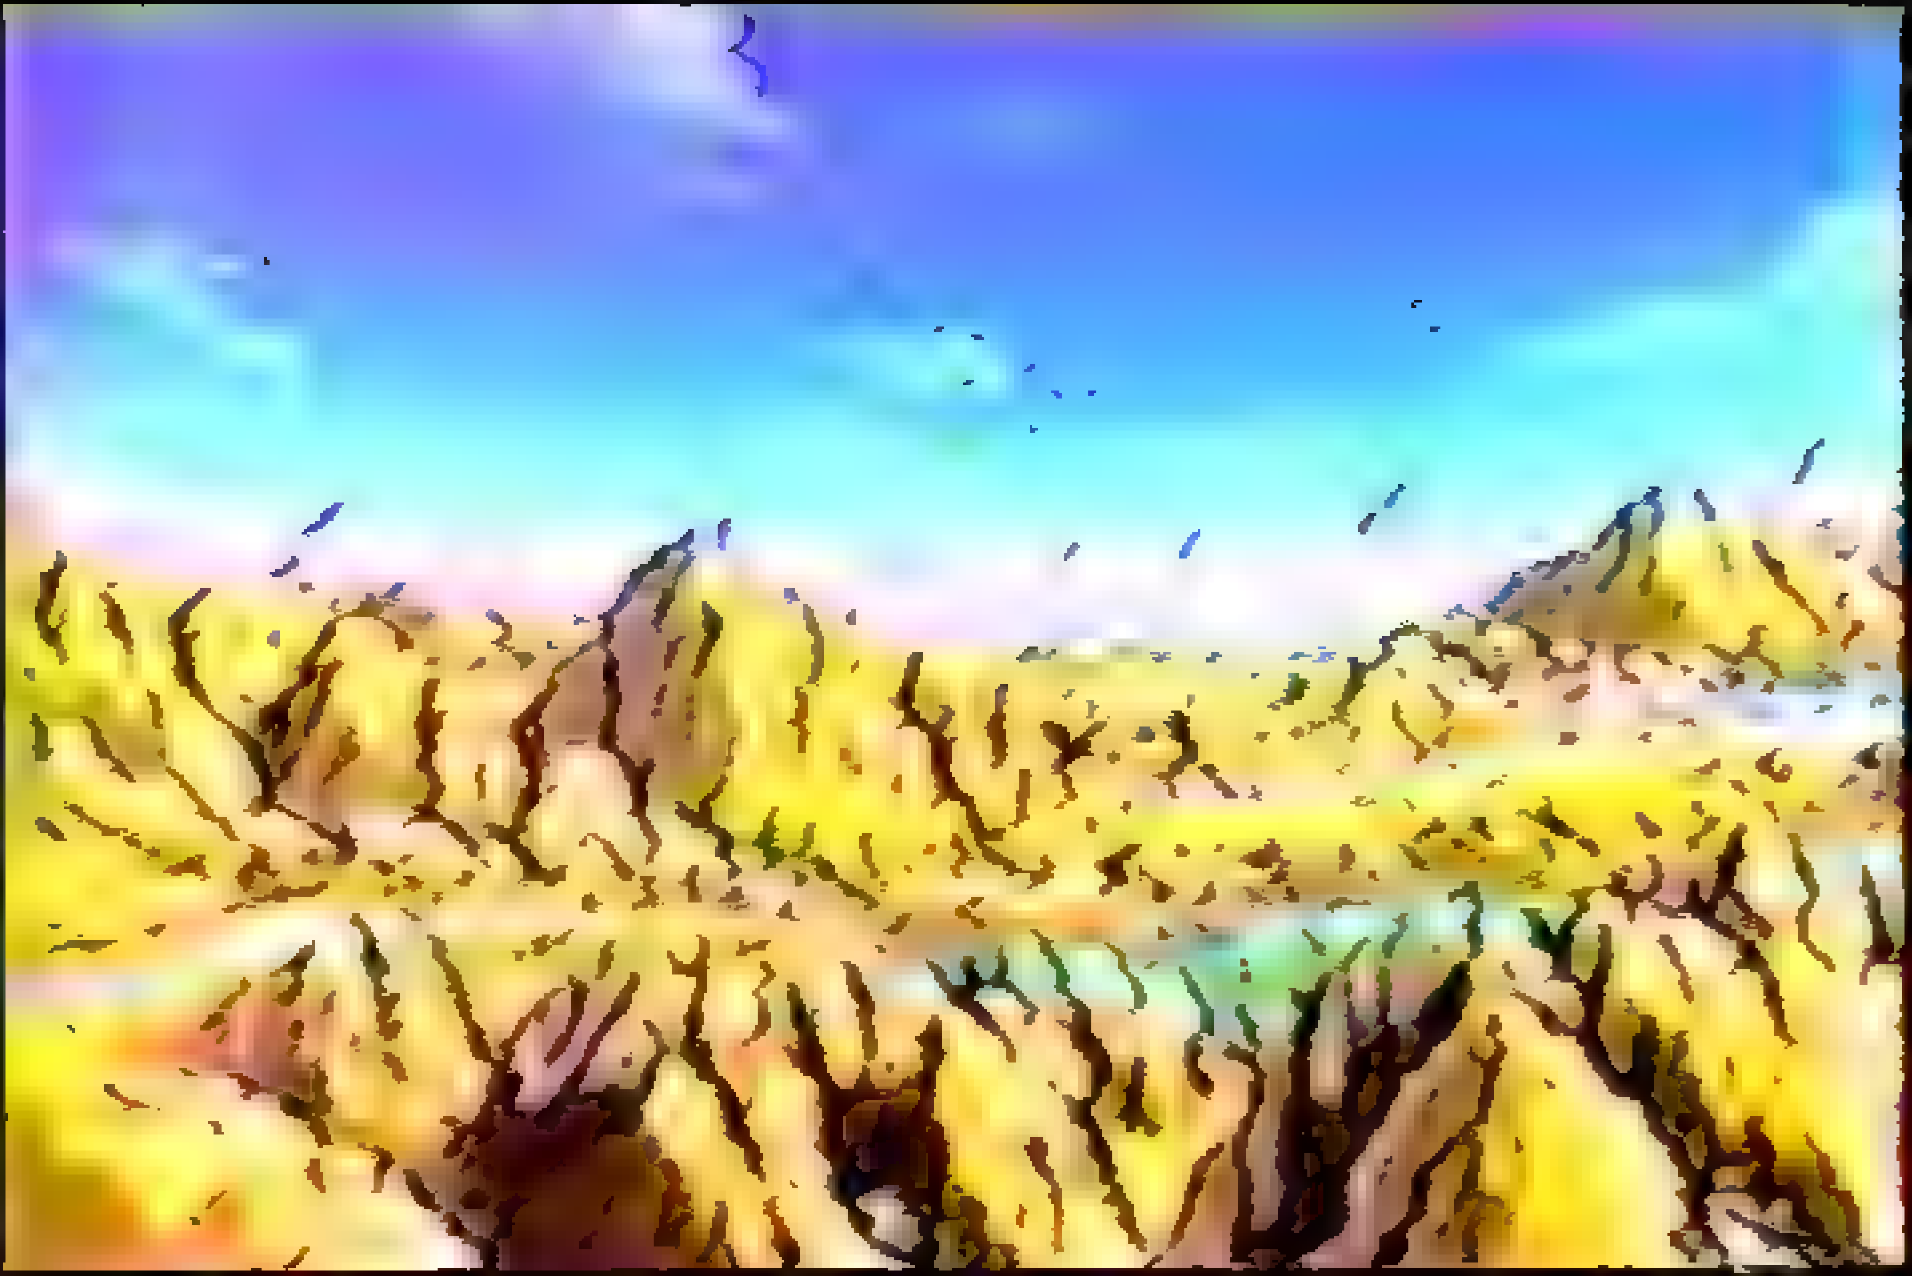

This is getting harder

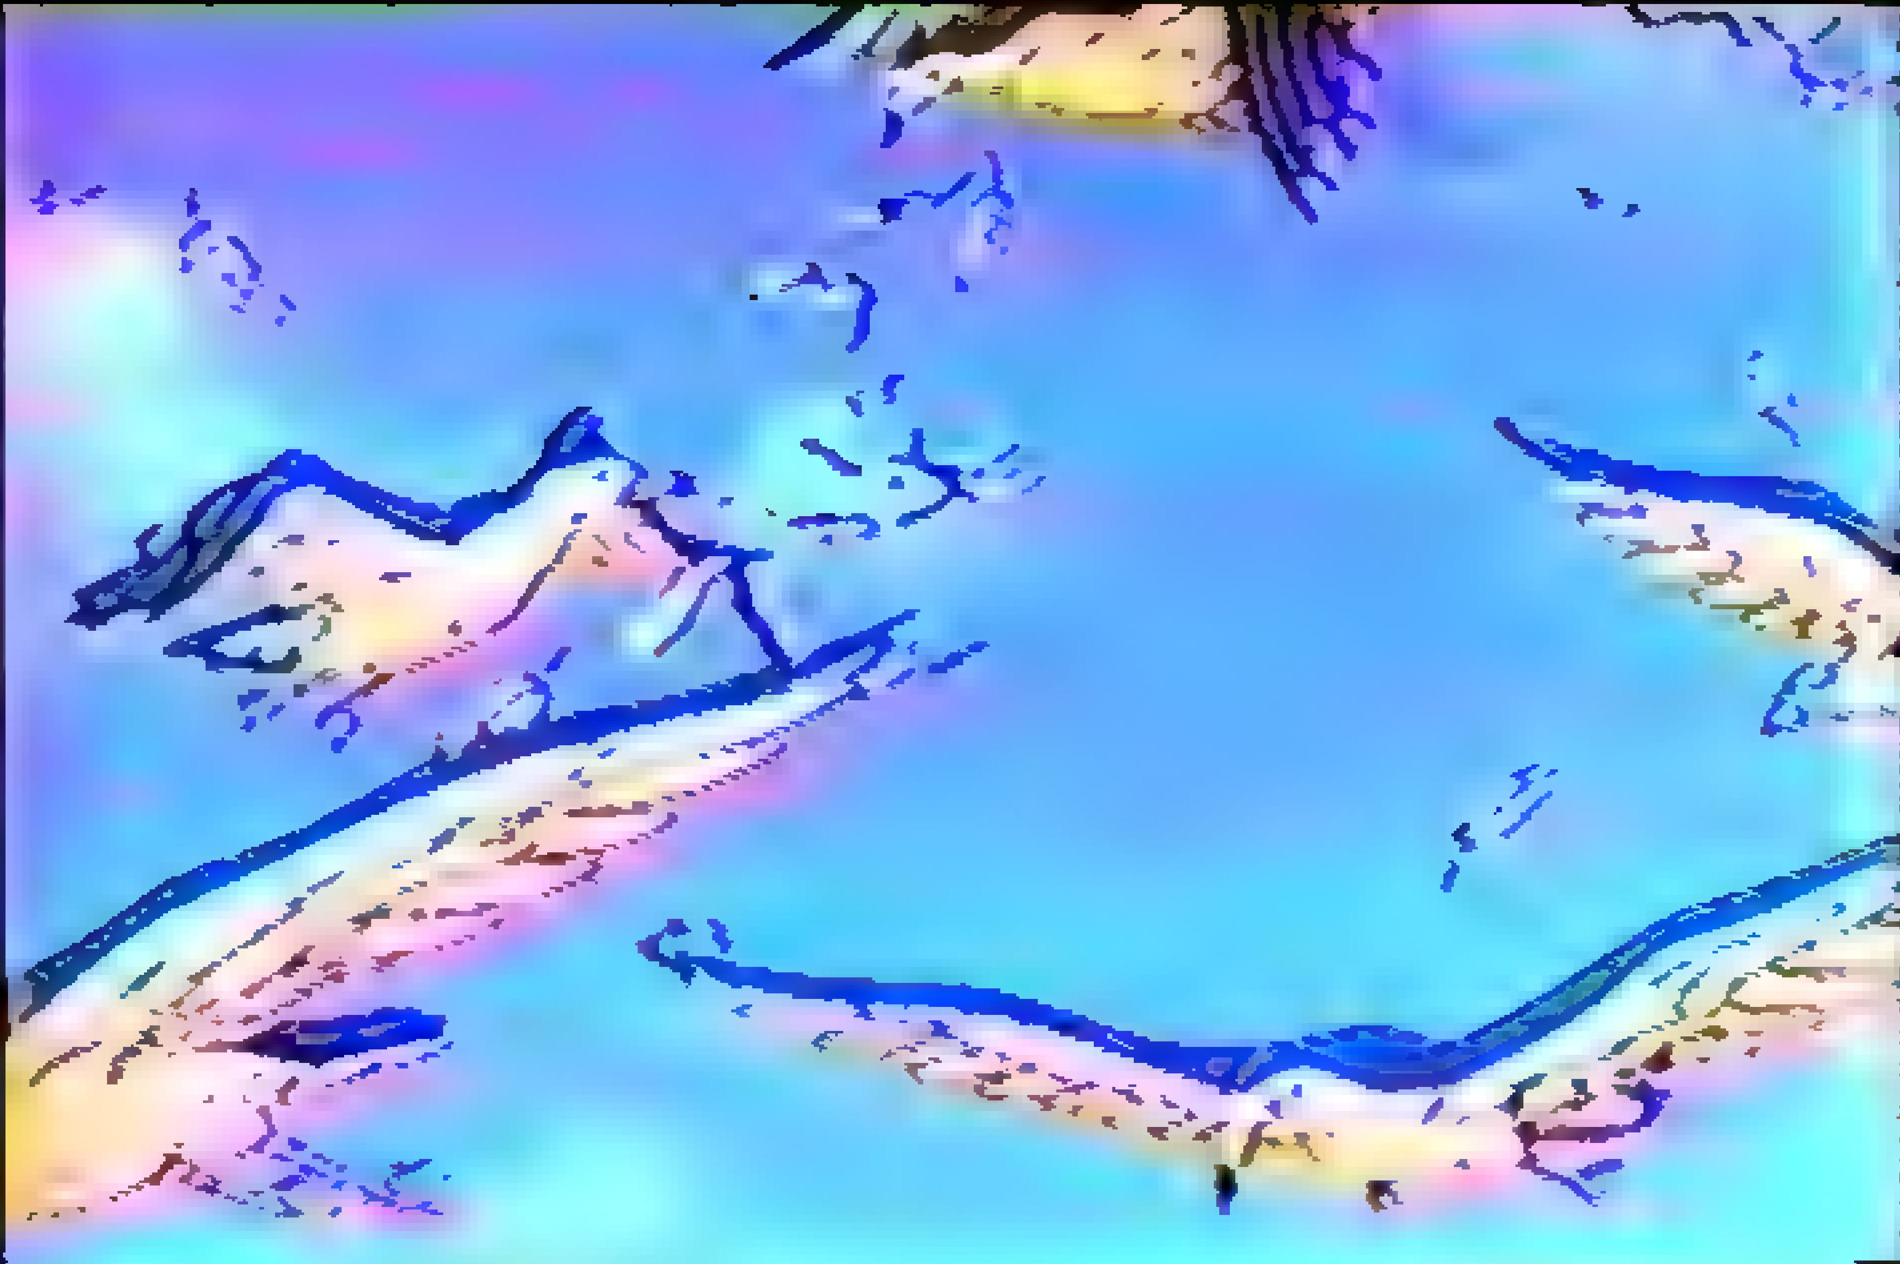

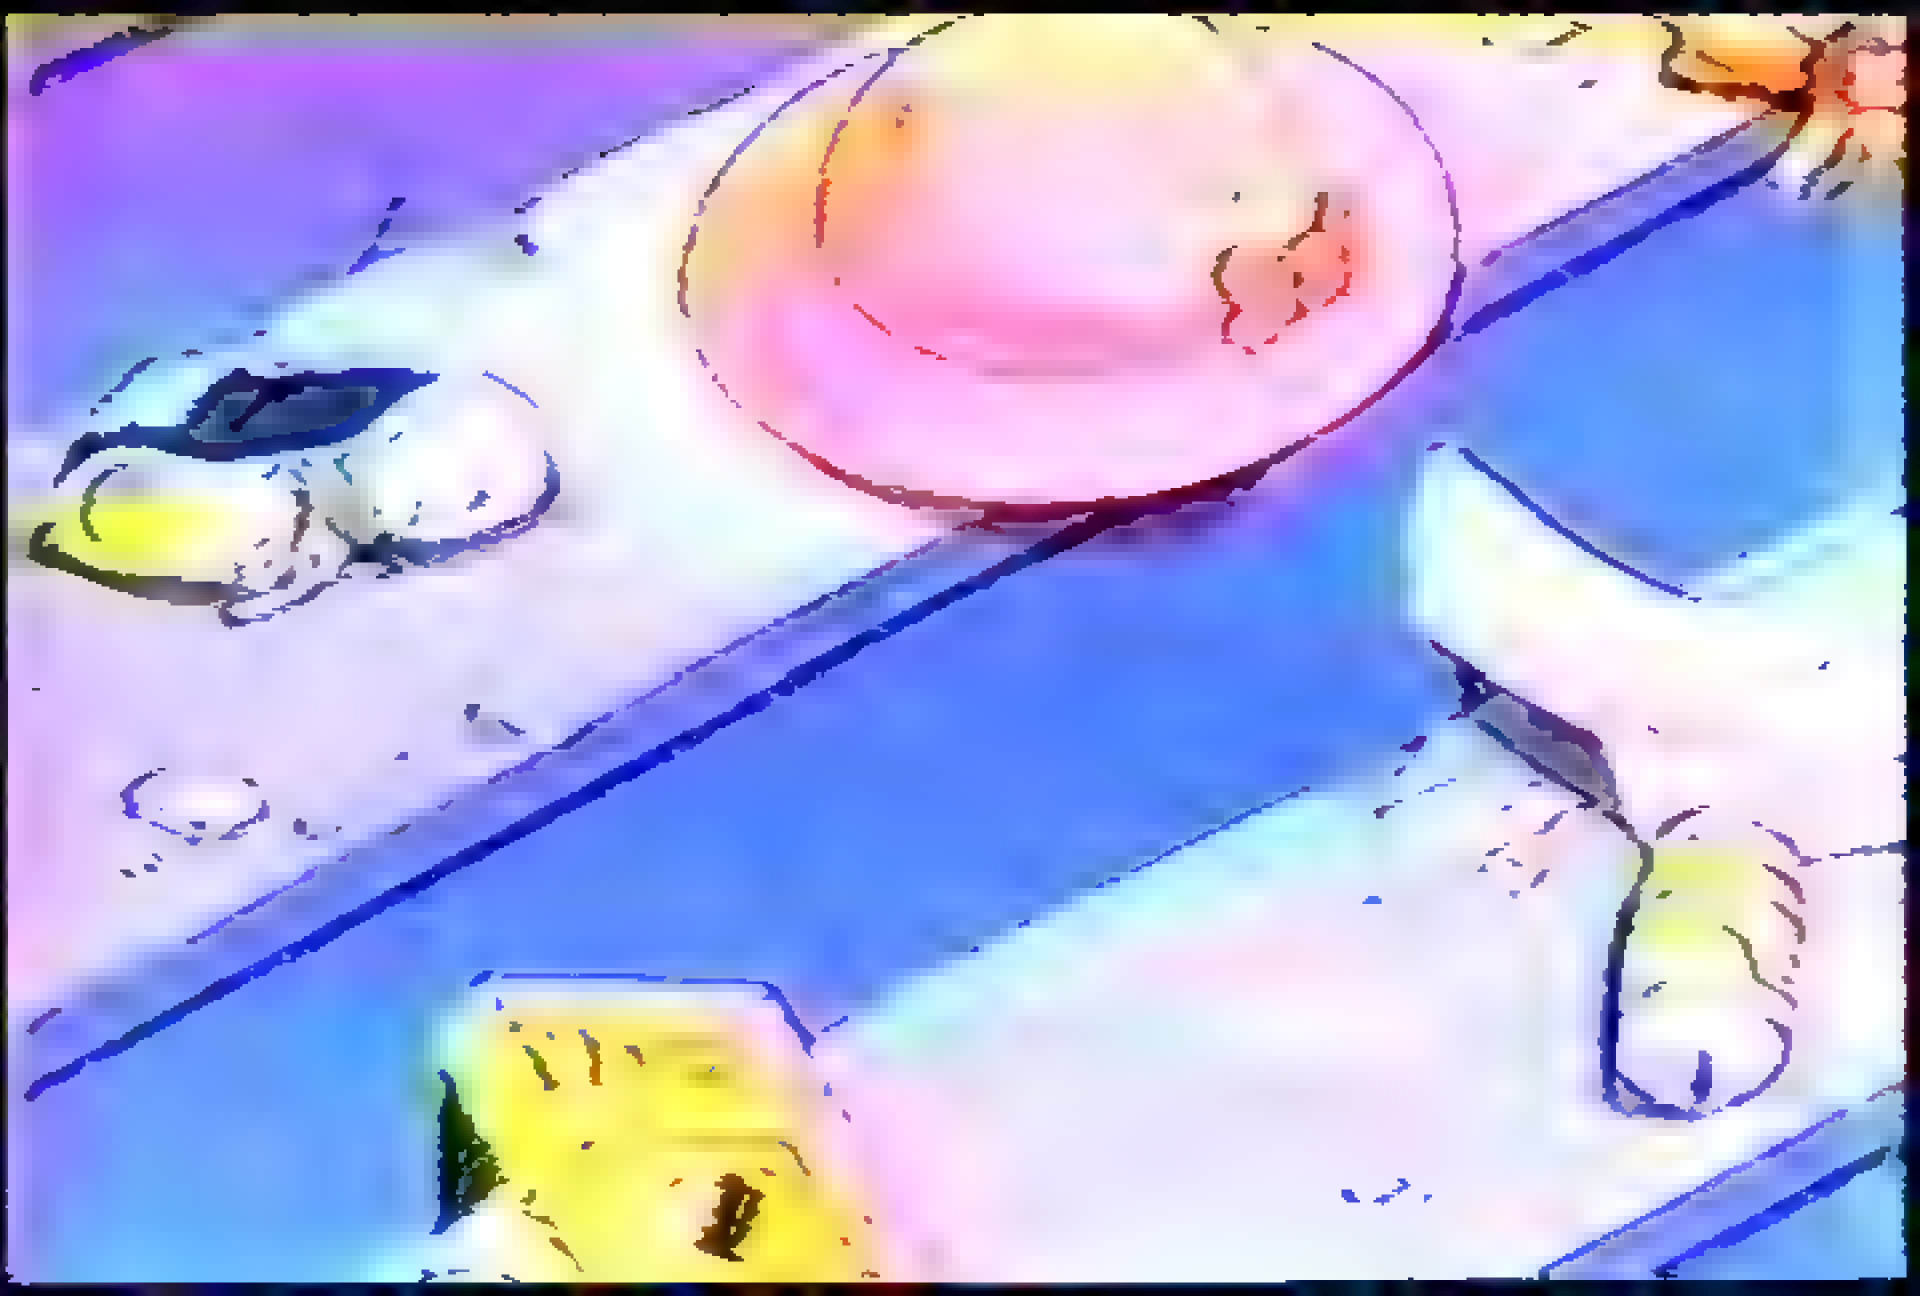

What do they mean?

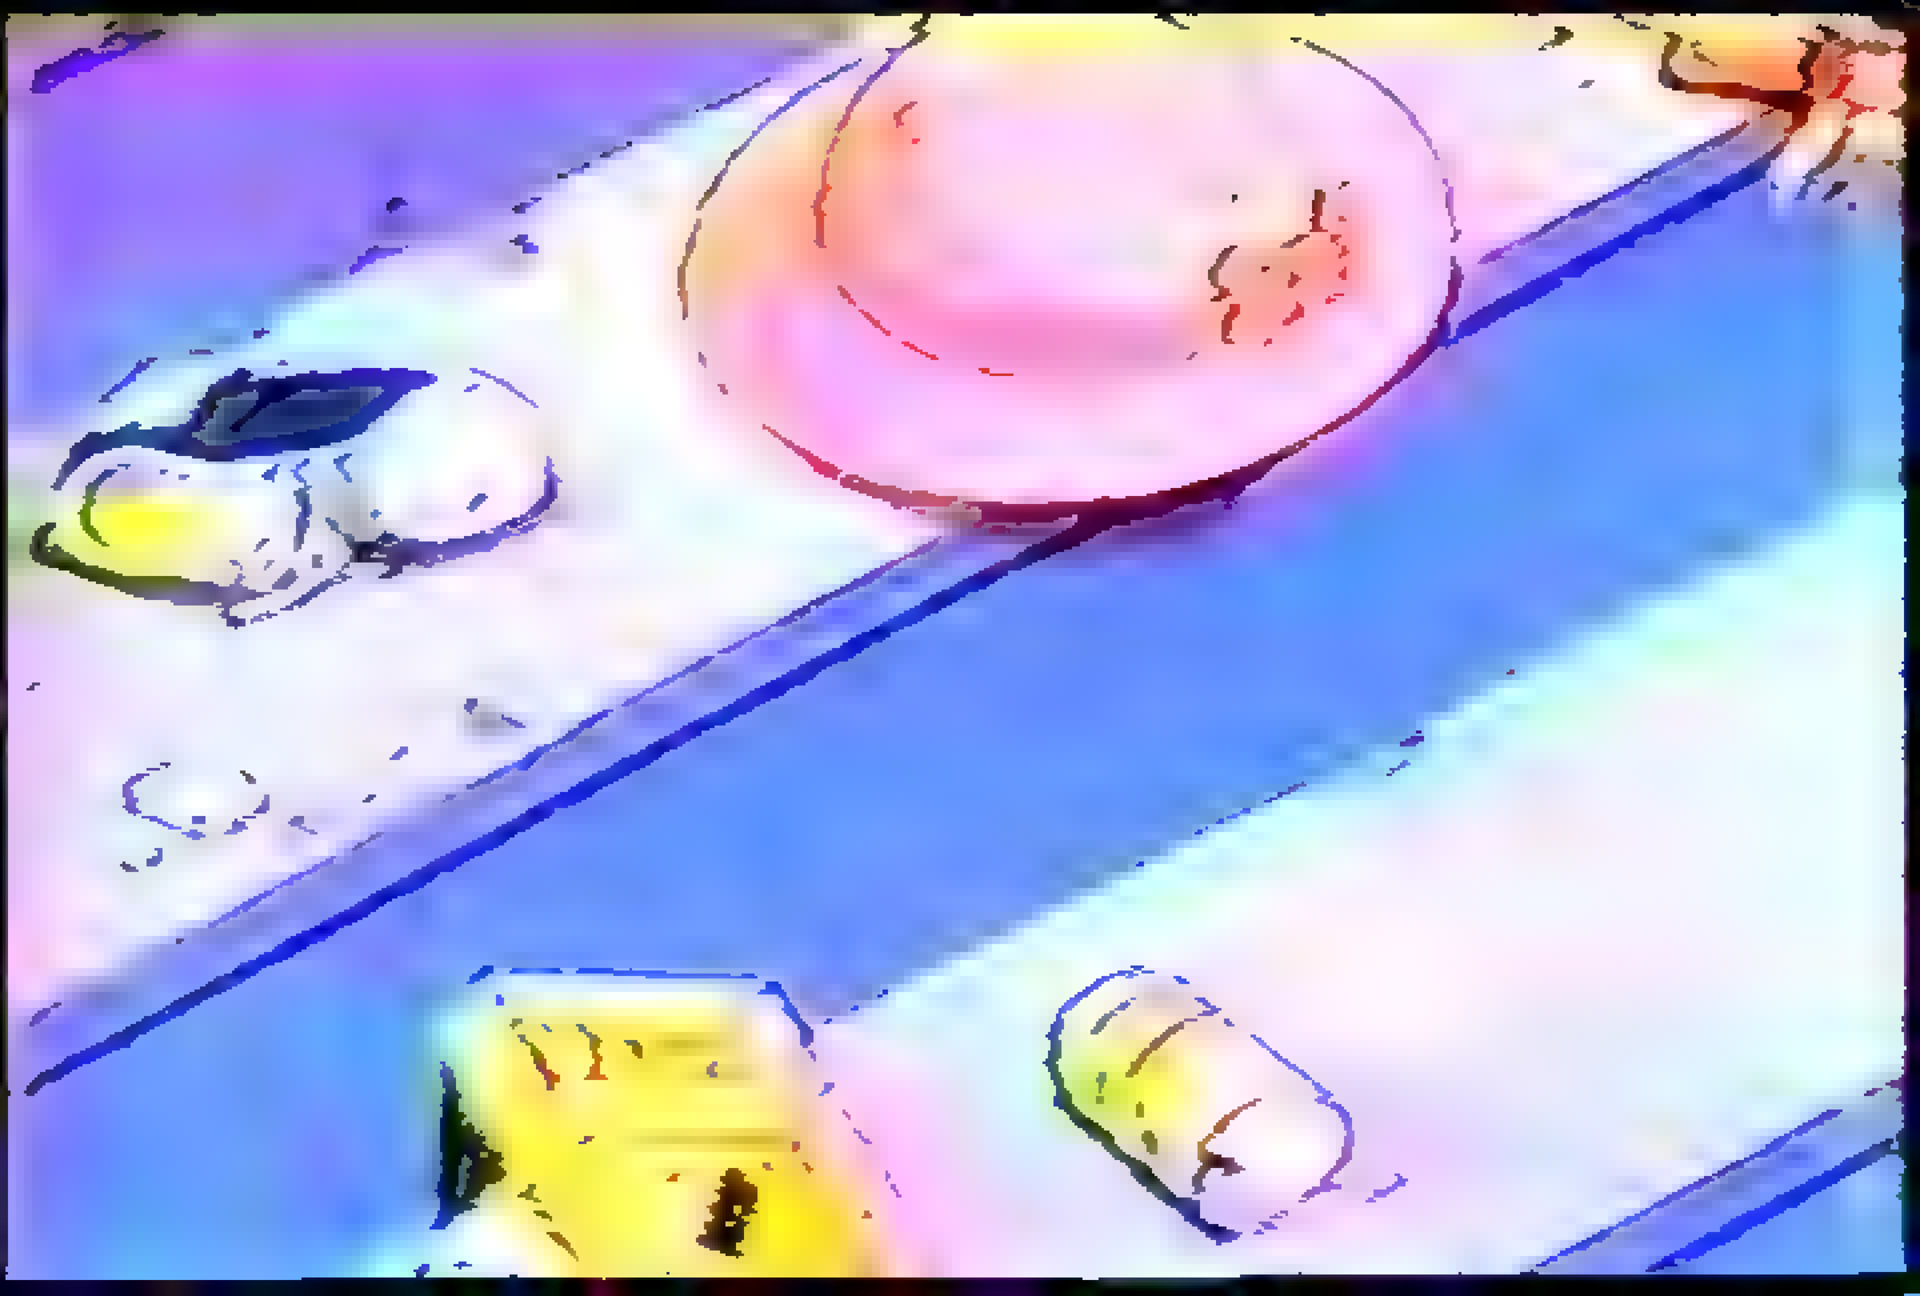

I wonder if they have
anything to do with Majin Buu

I wonder if they have
anything to do with Majin Buu

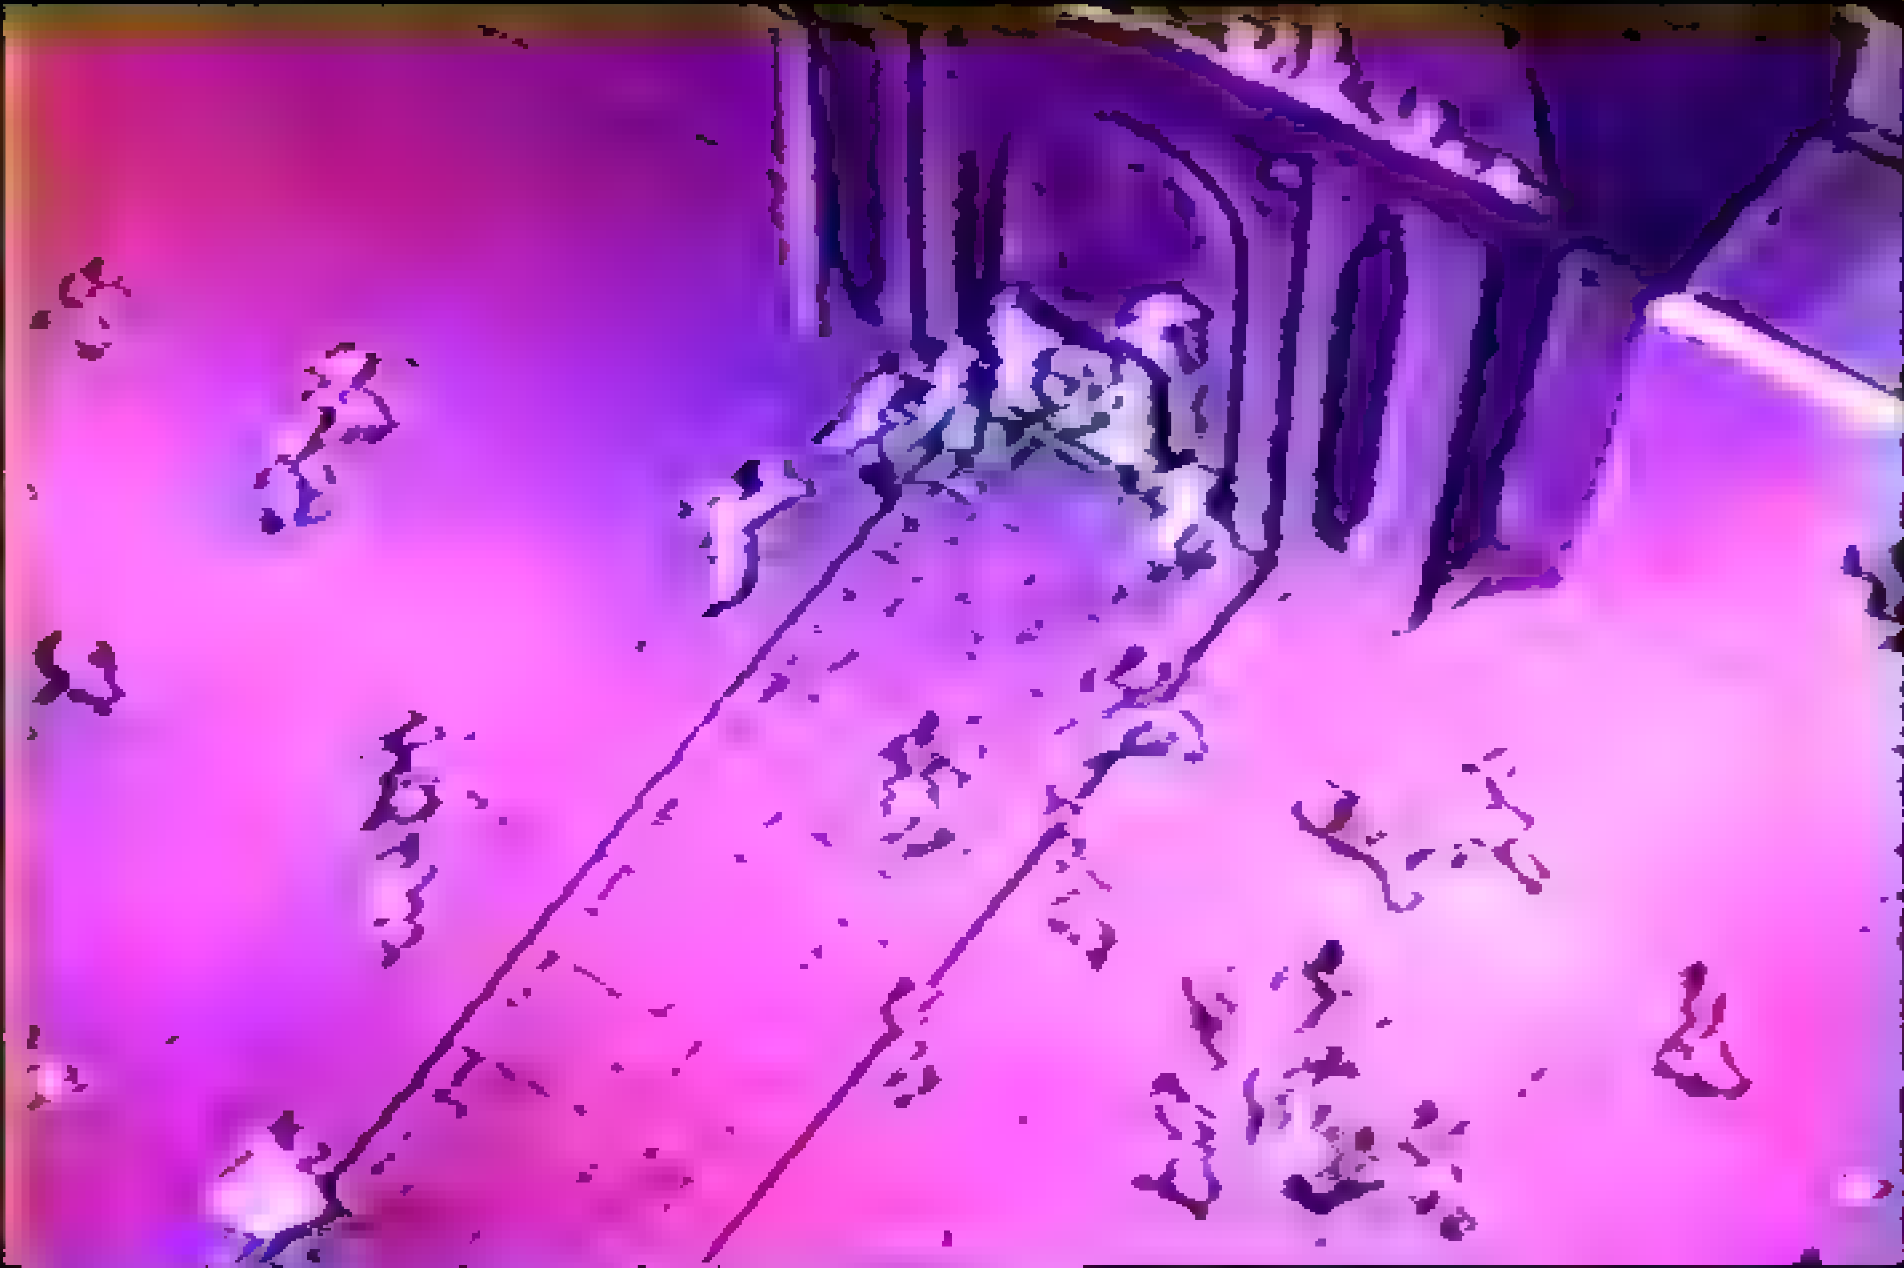

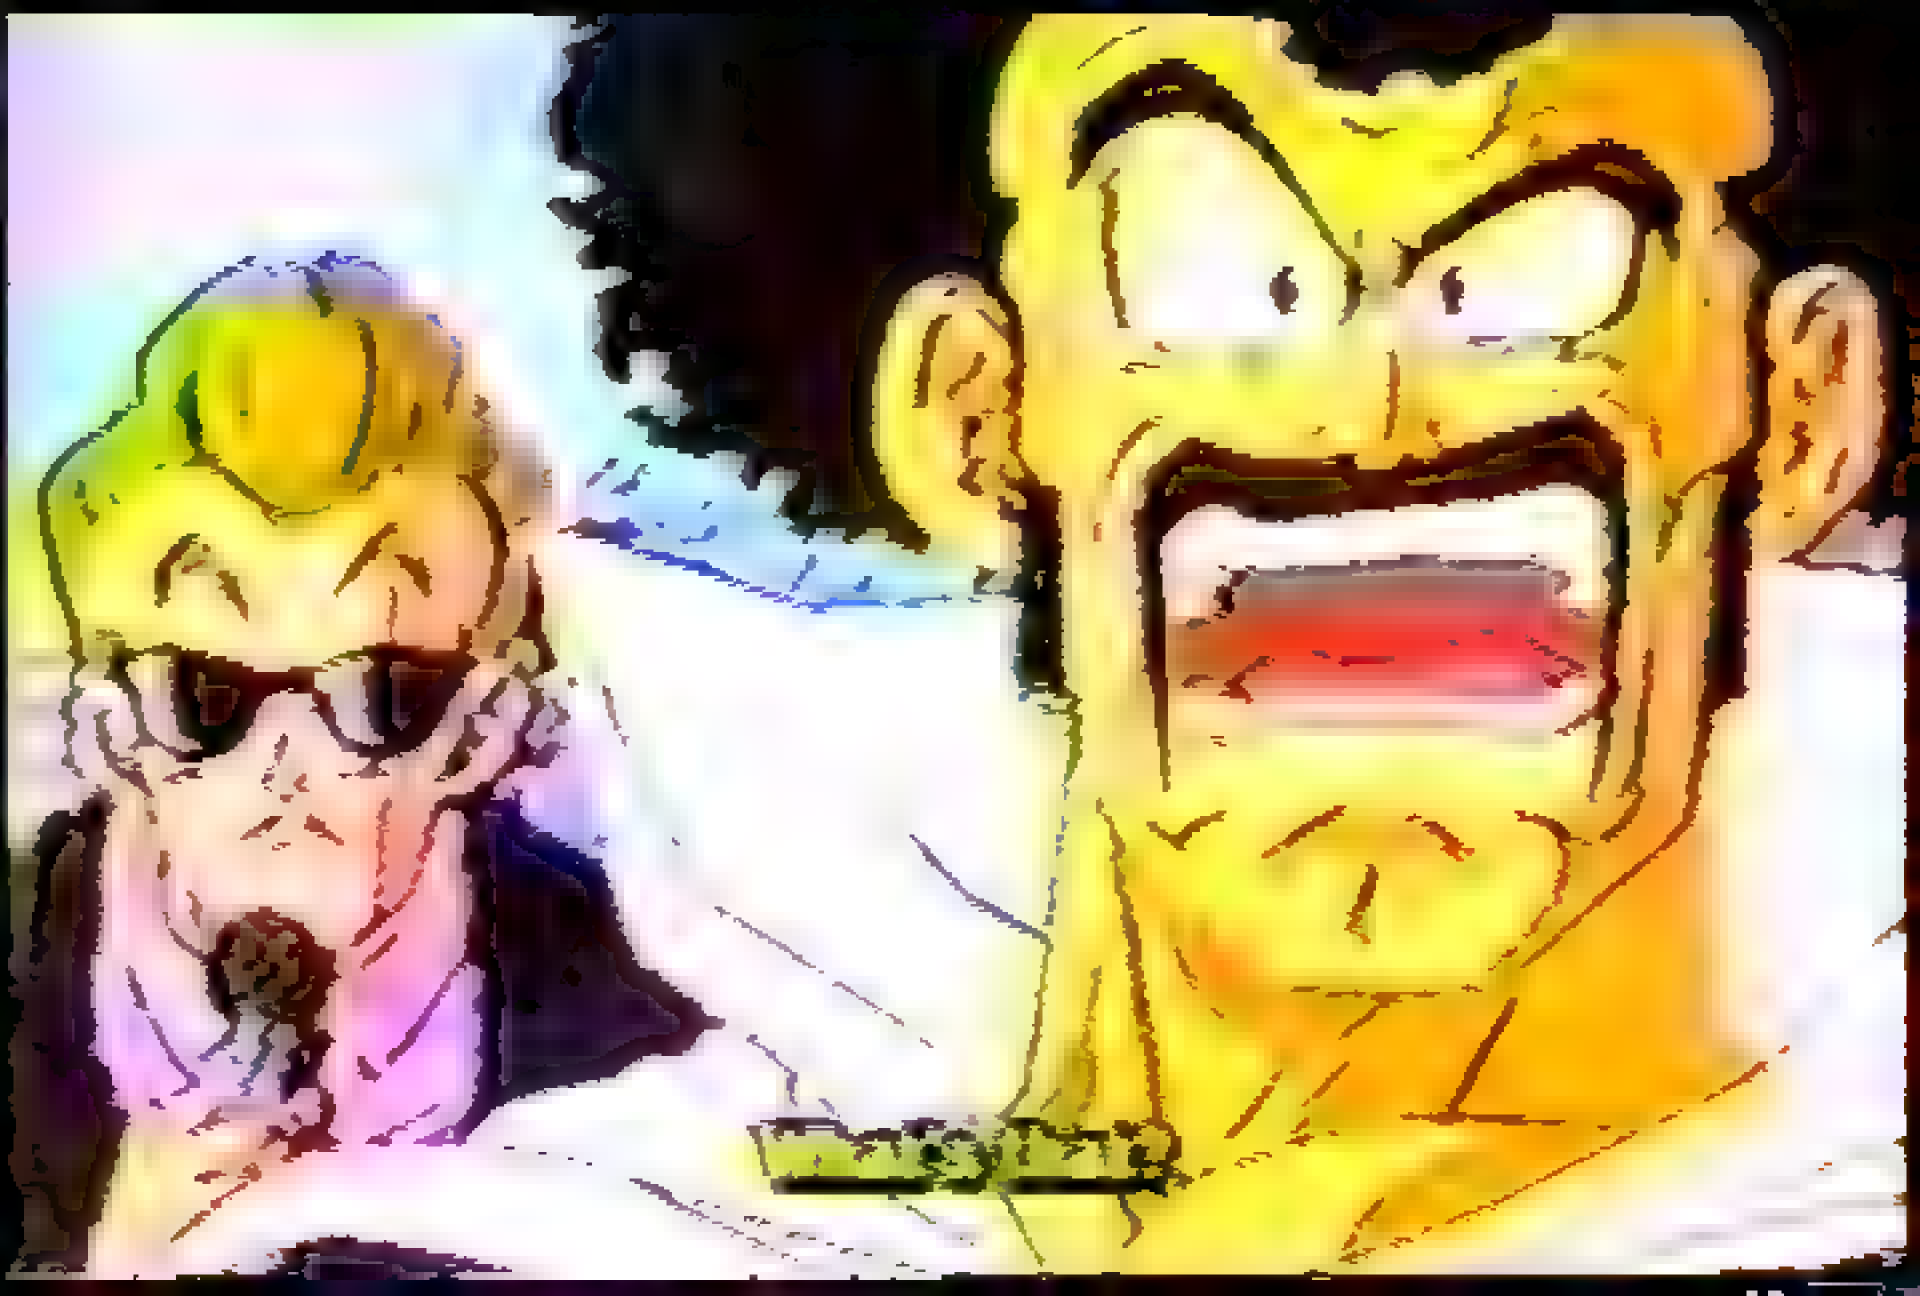

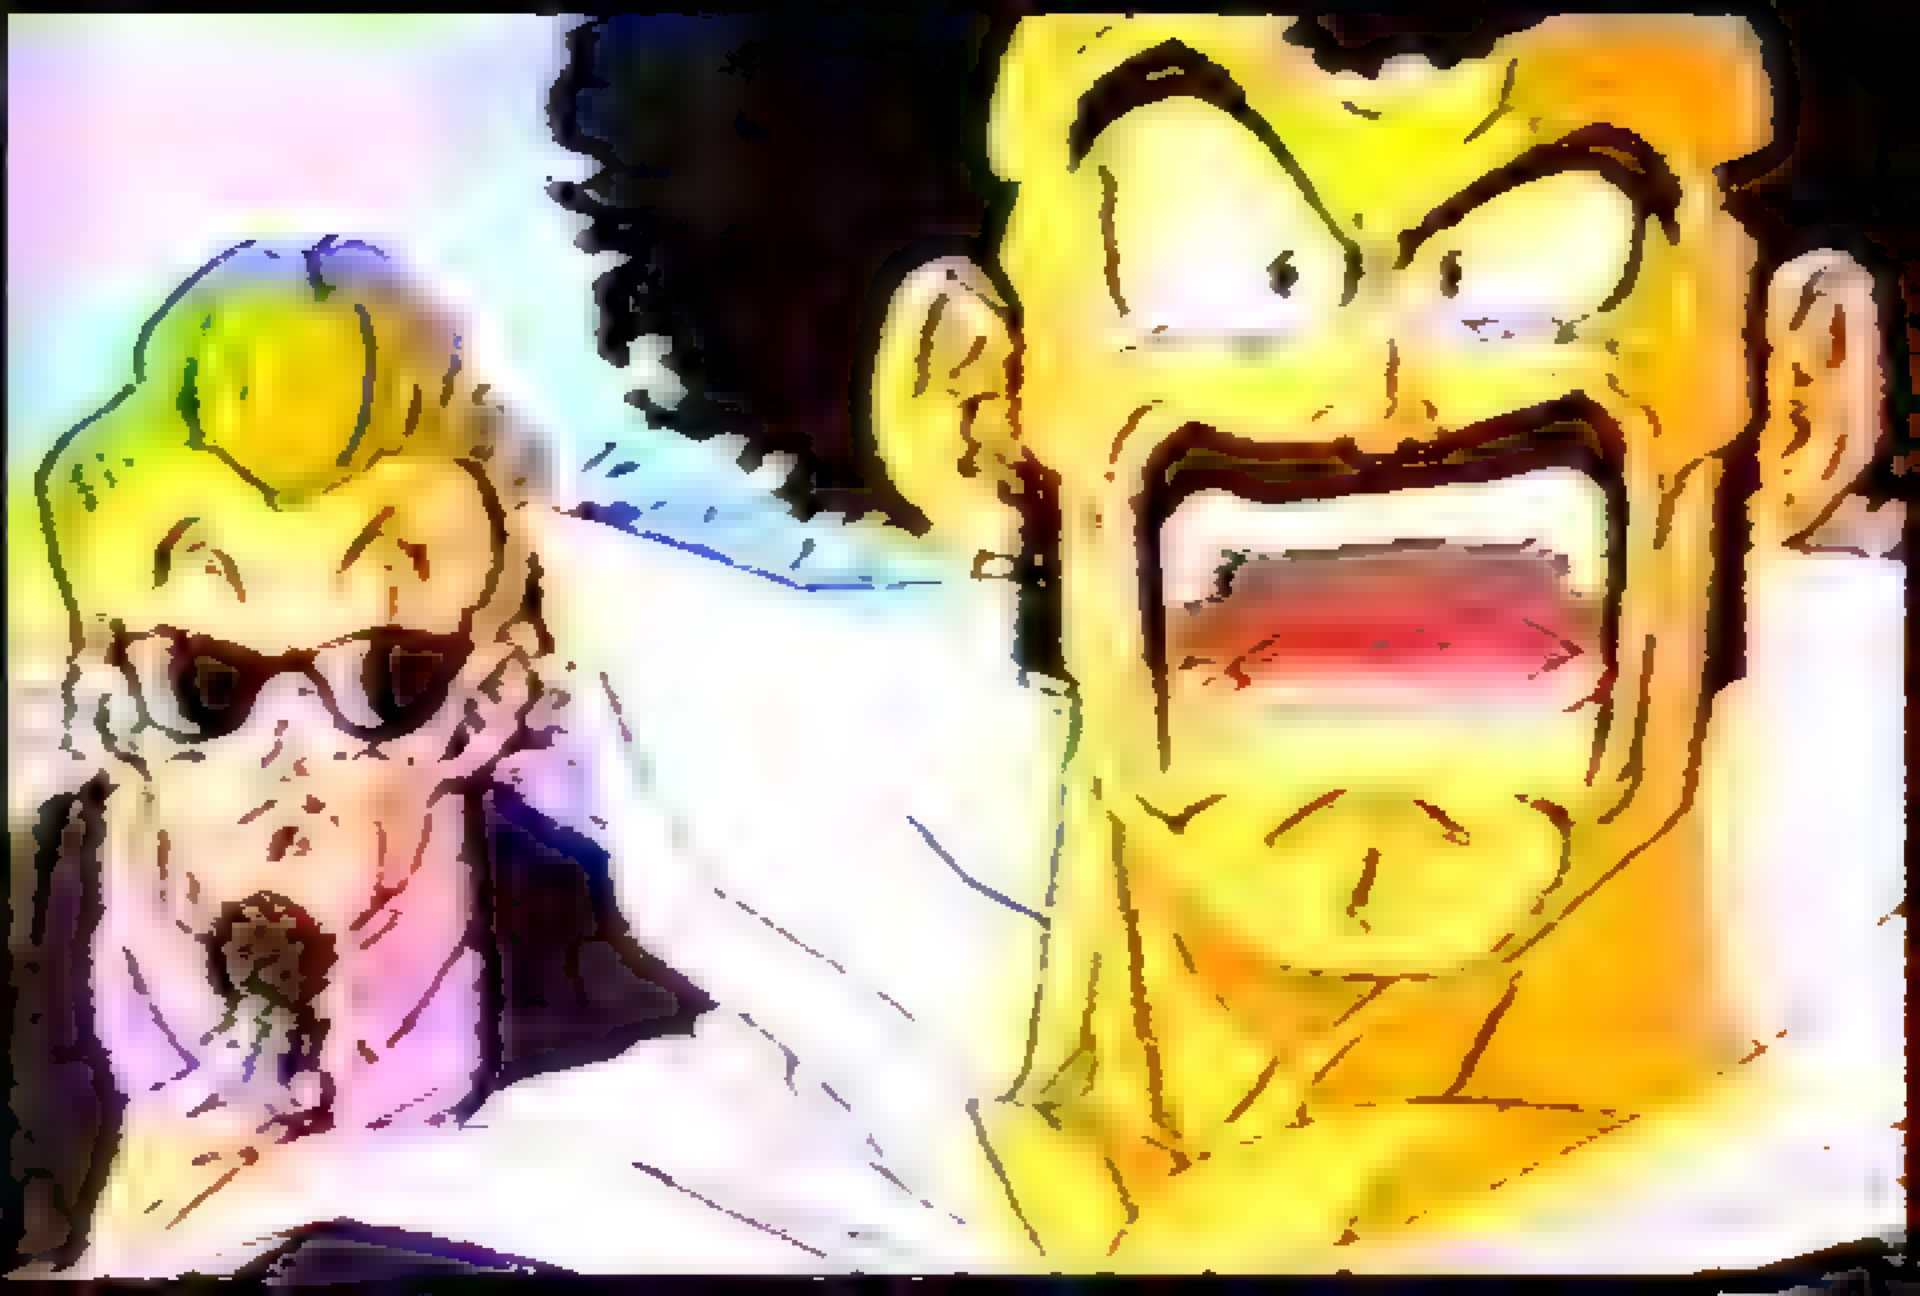

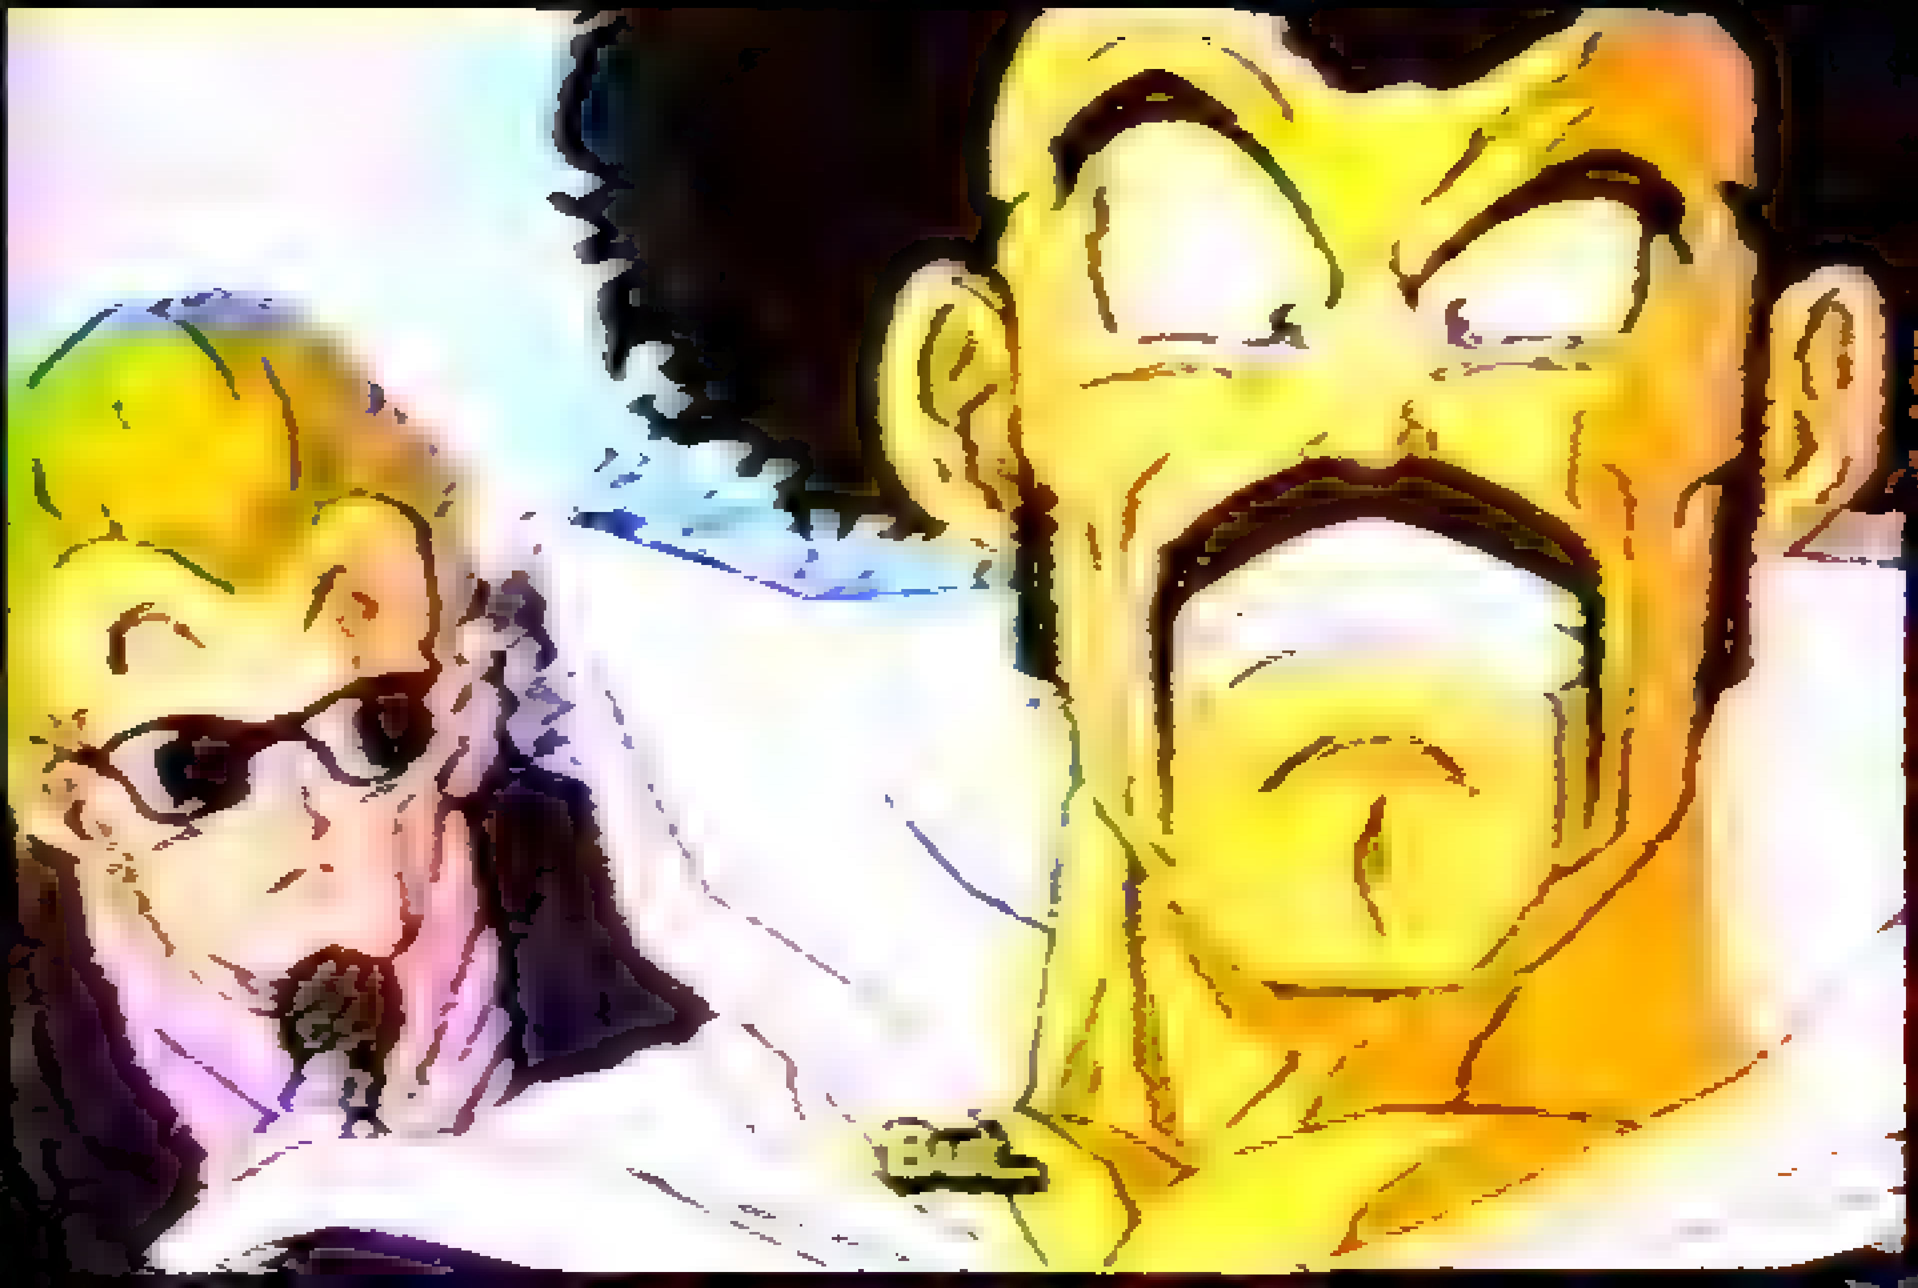

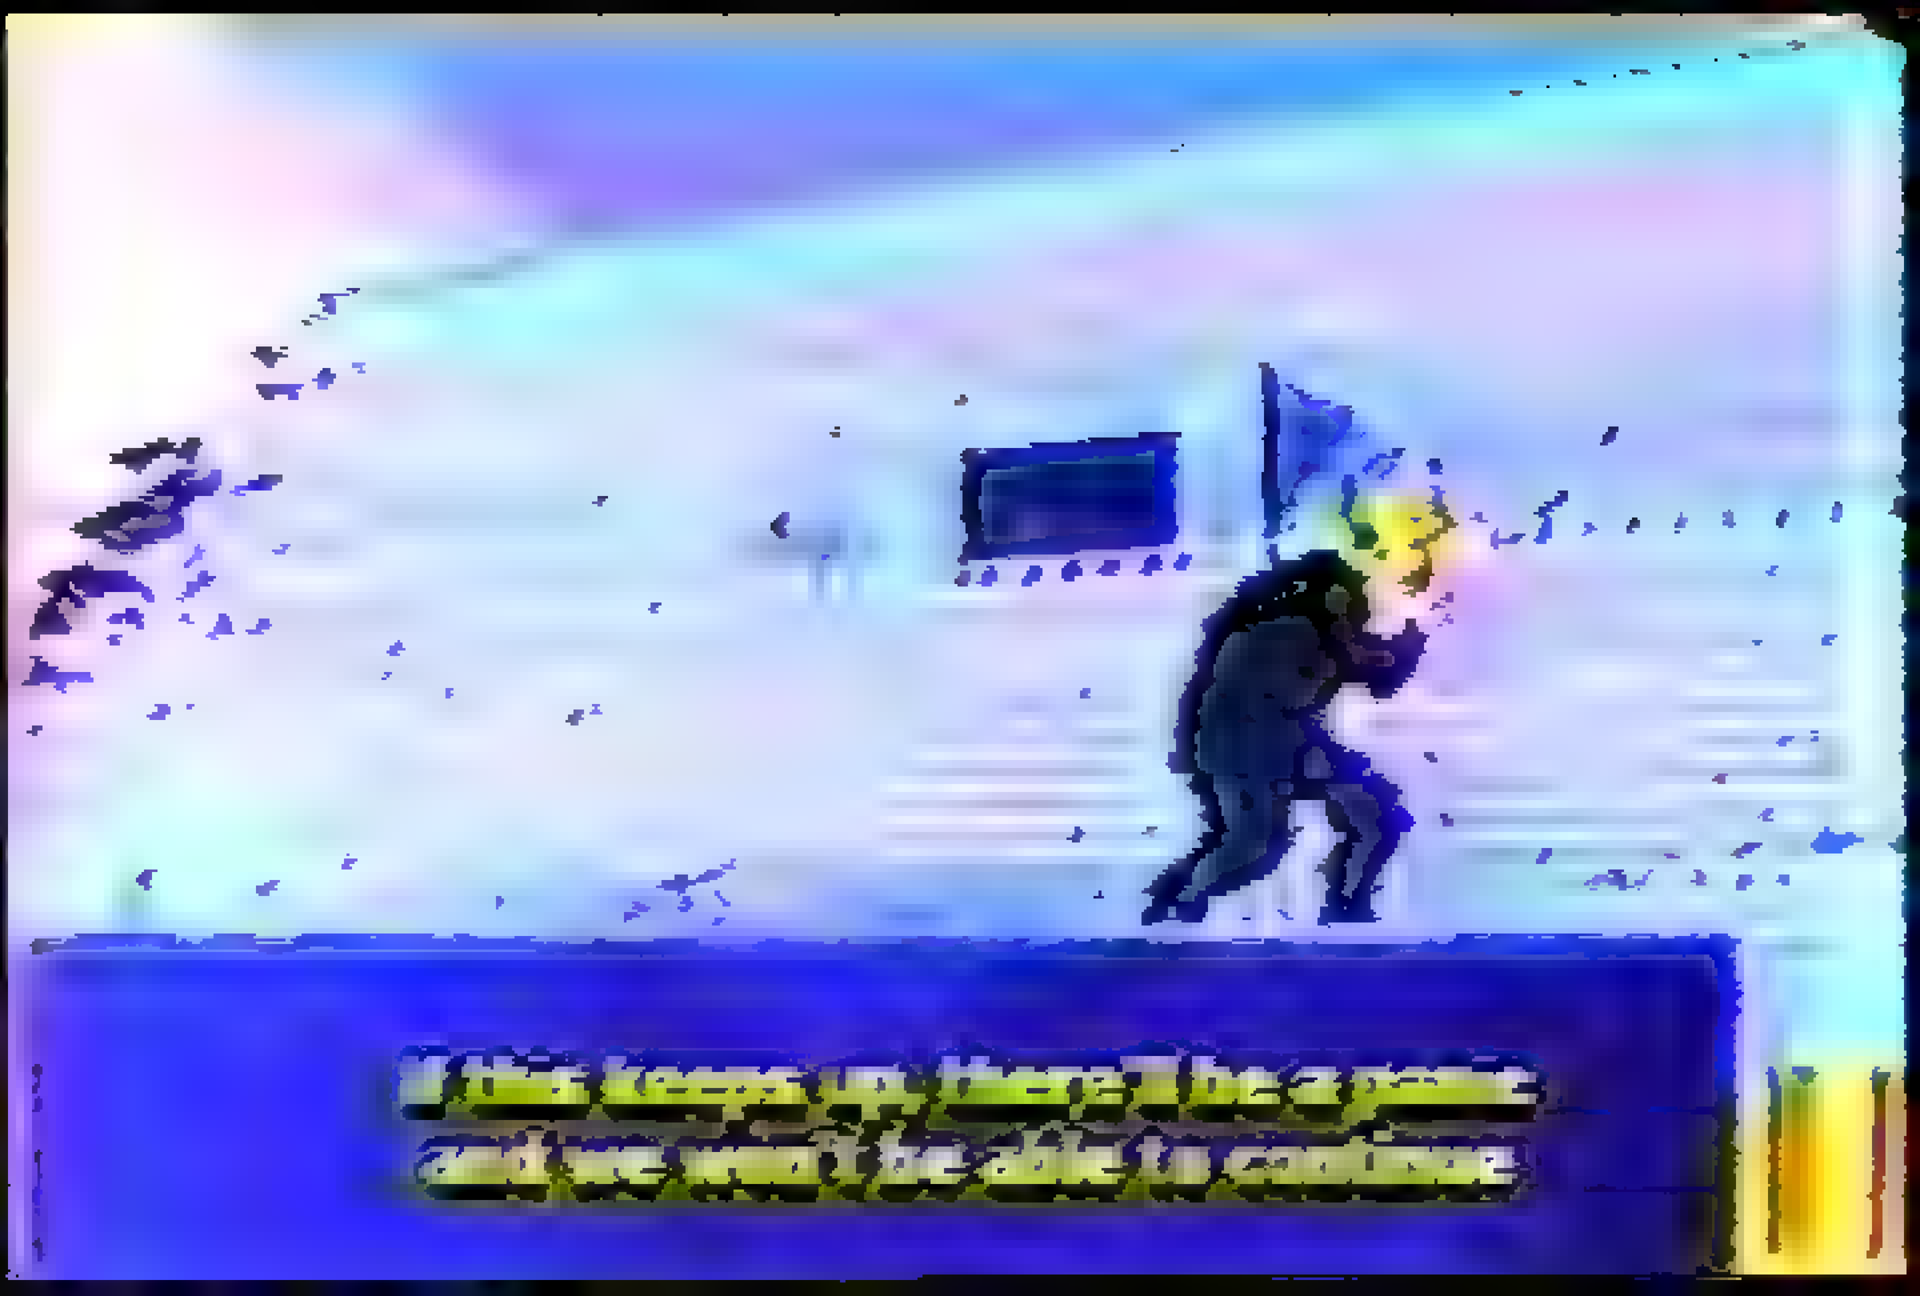

could you please
tell everyone to calm down?

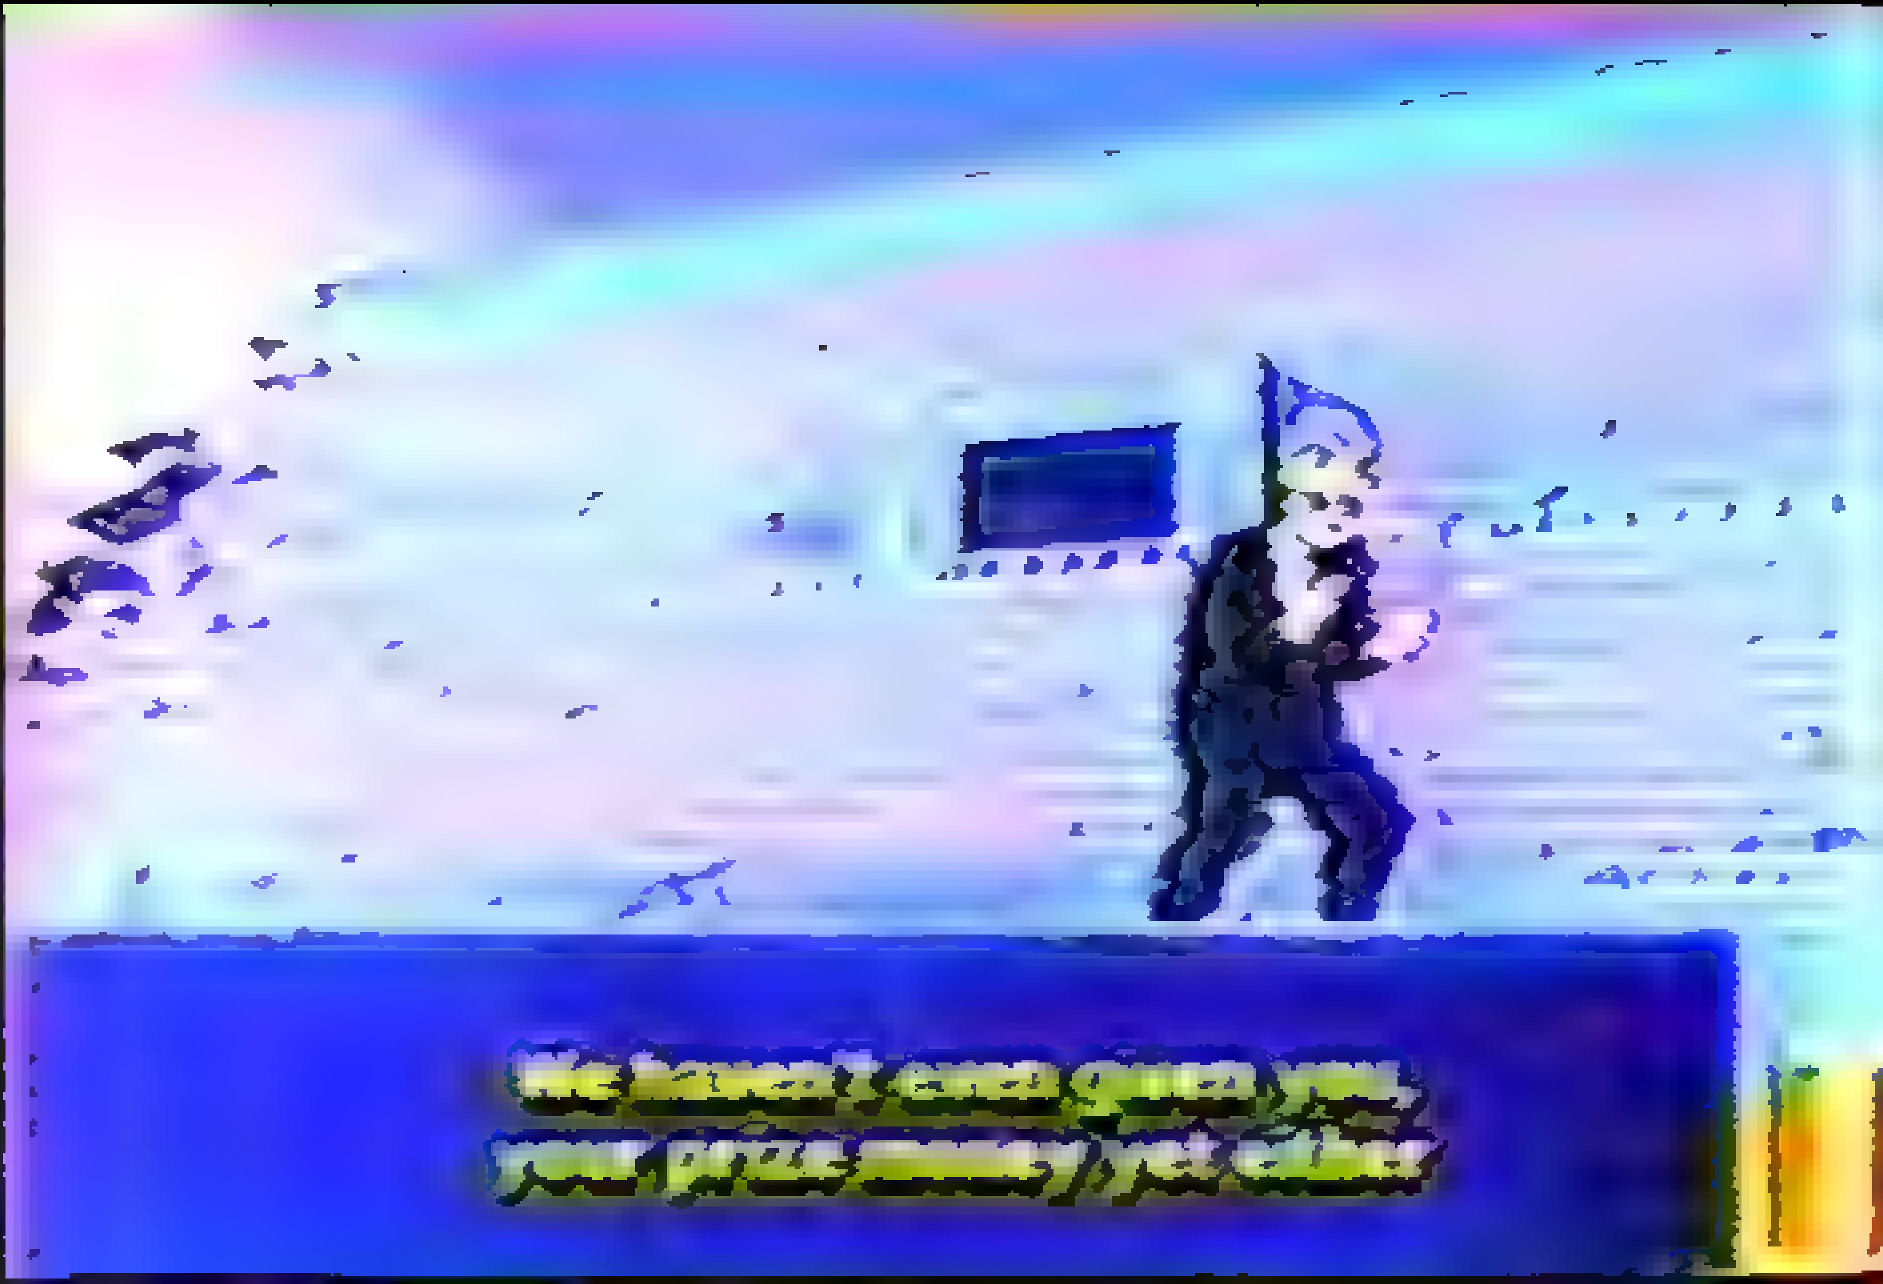

Mr. Satan, could you please
tell everyone to calm down?

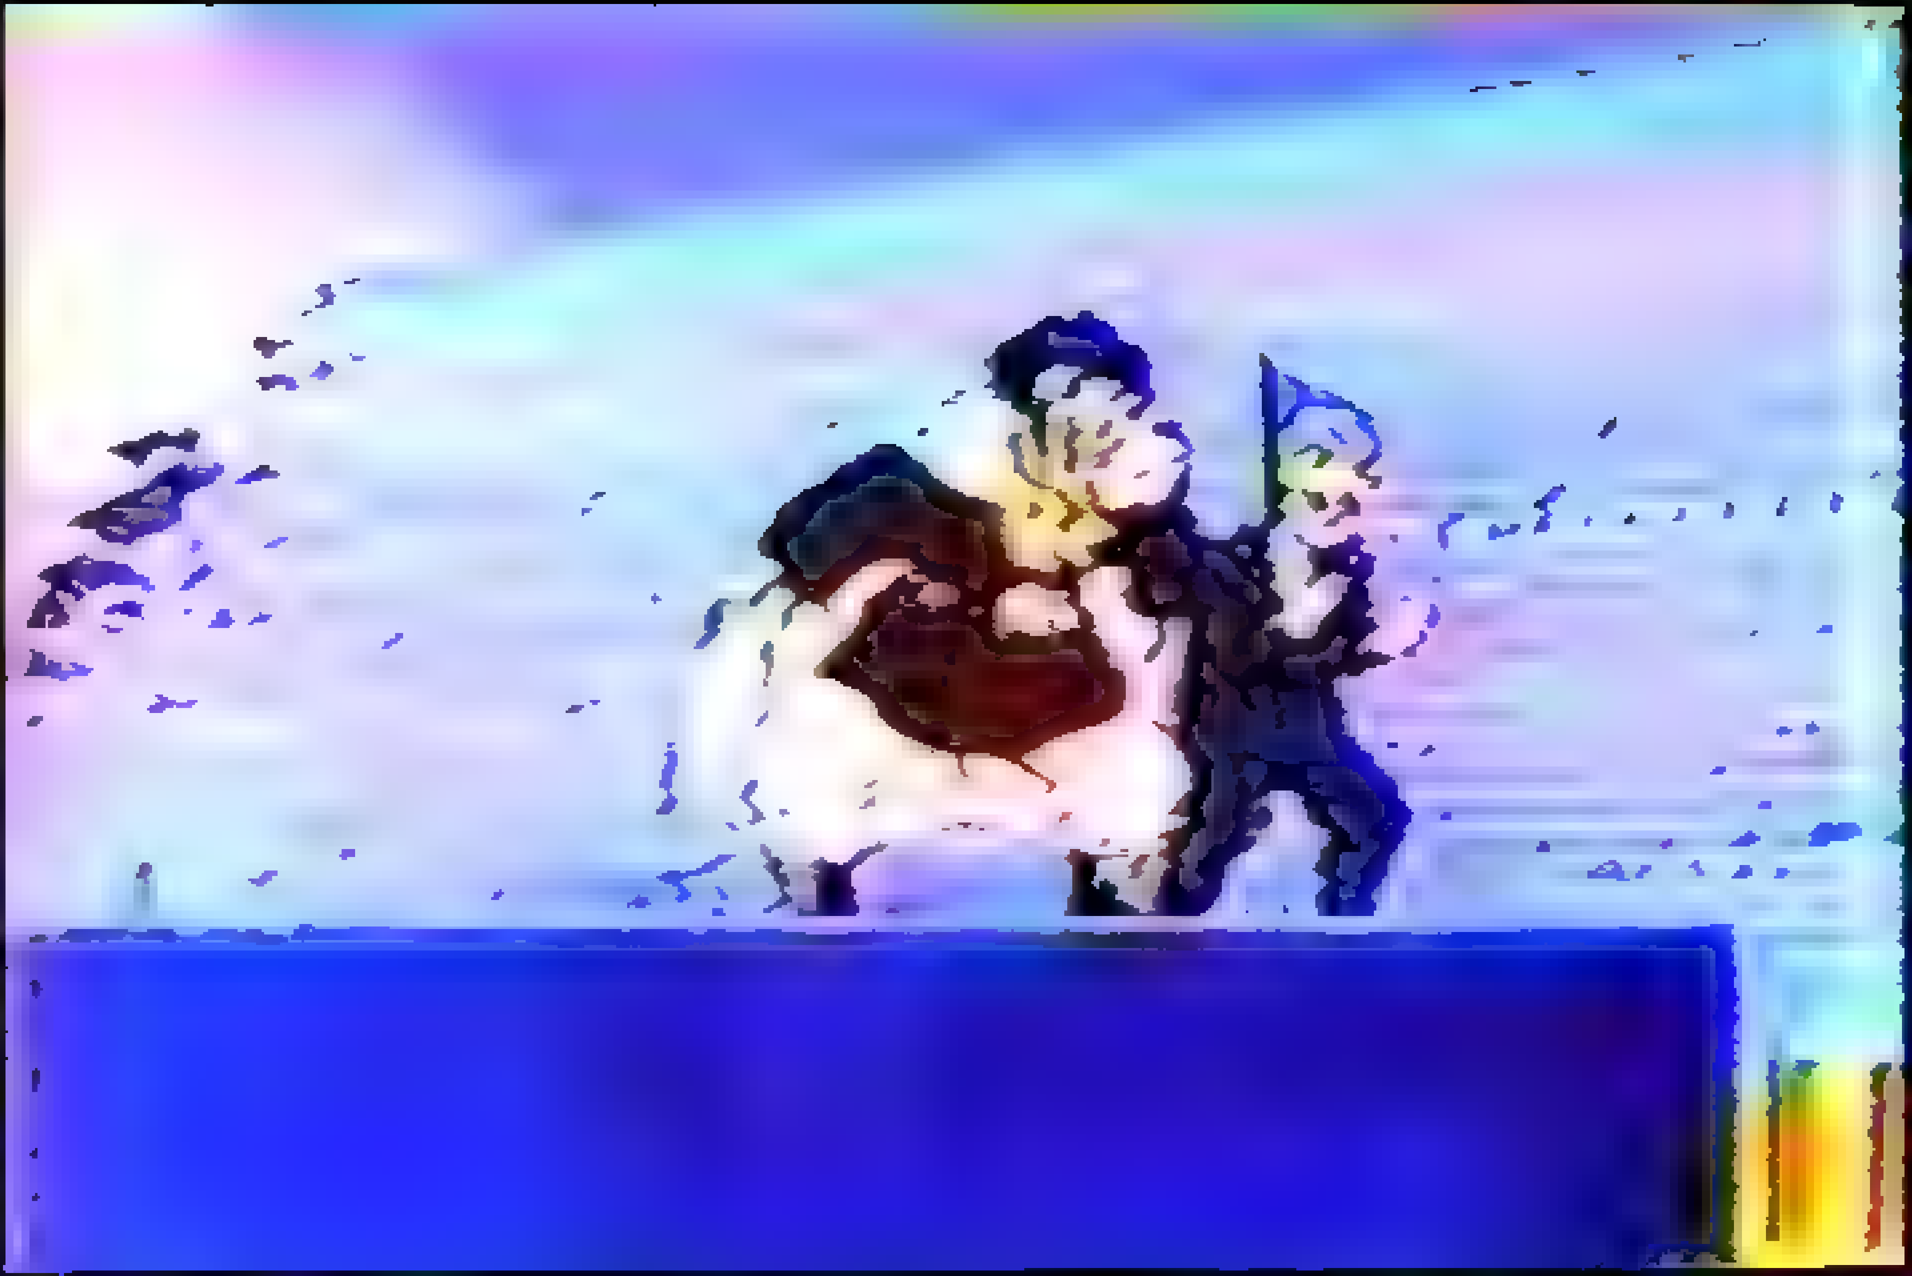

If this keeps up, there'll be a panic
and we won't be able to continue.

If this keeps up, there'll be a panic
and we won't be able to continue.

We haven't even given you
your prize money, yet either

The prize money?! I still
haven't gotten my prize money

We can't! Not in a situation like this

Everyone please calm down!

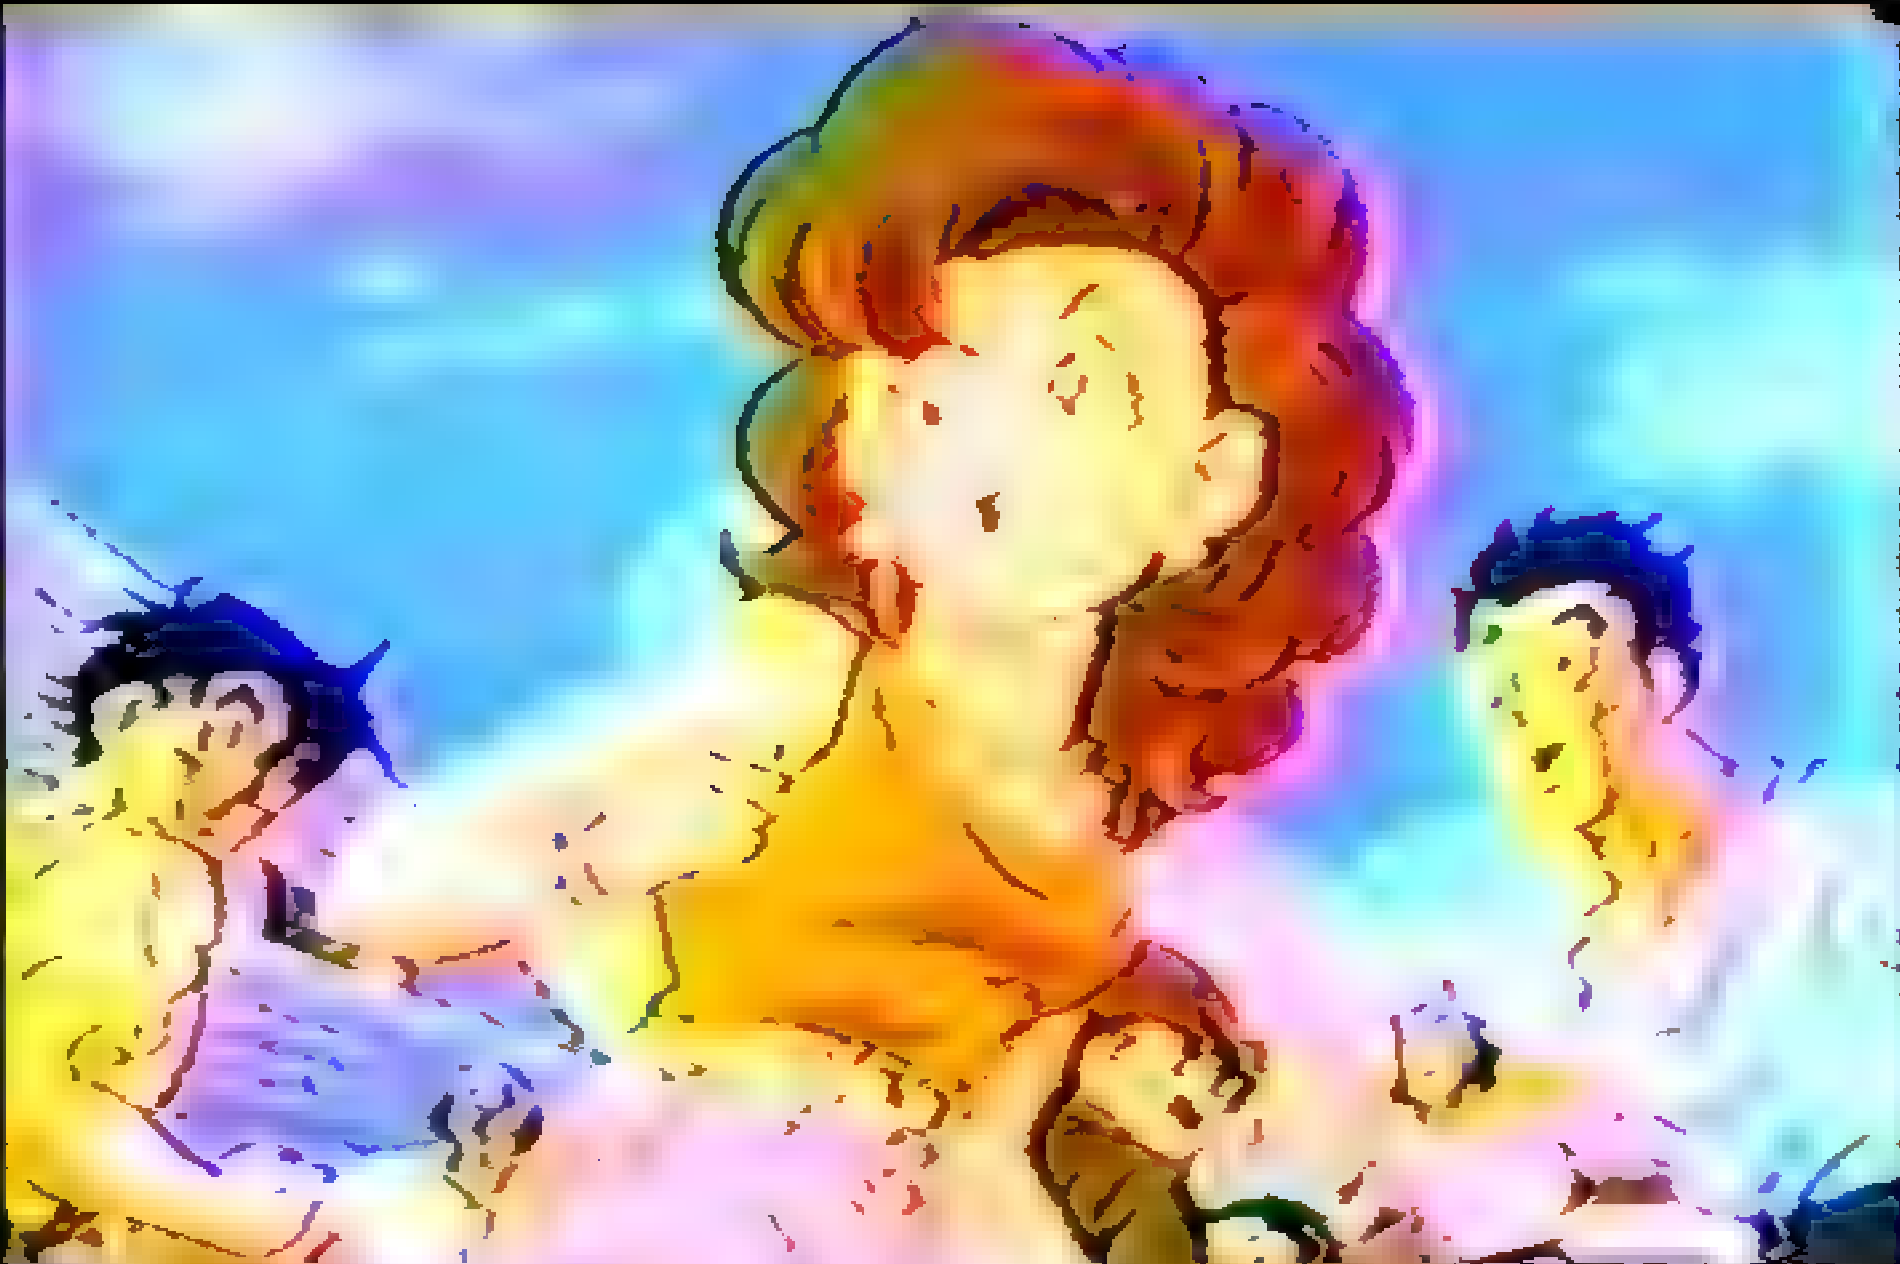

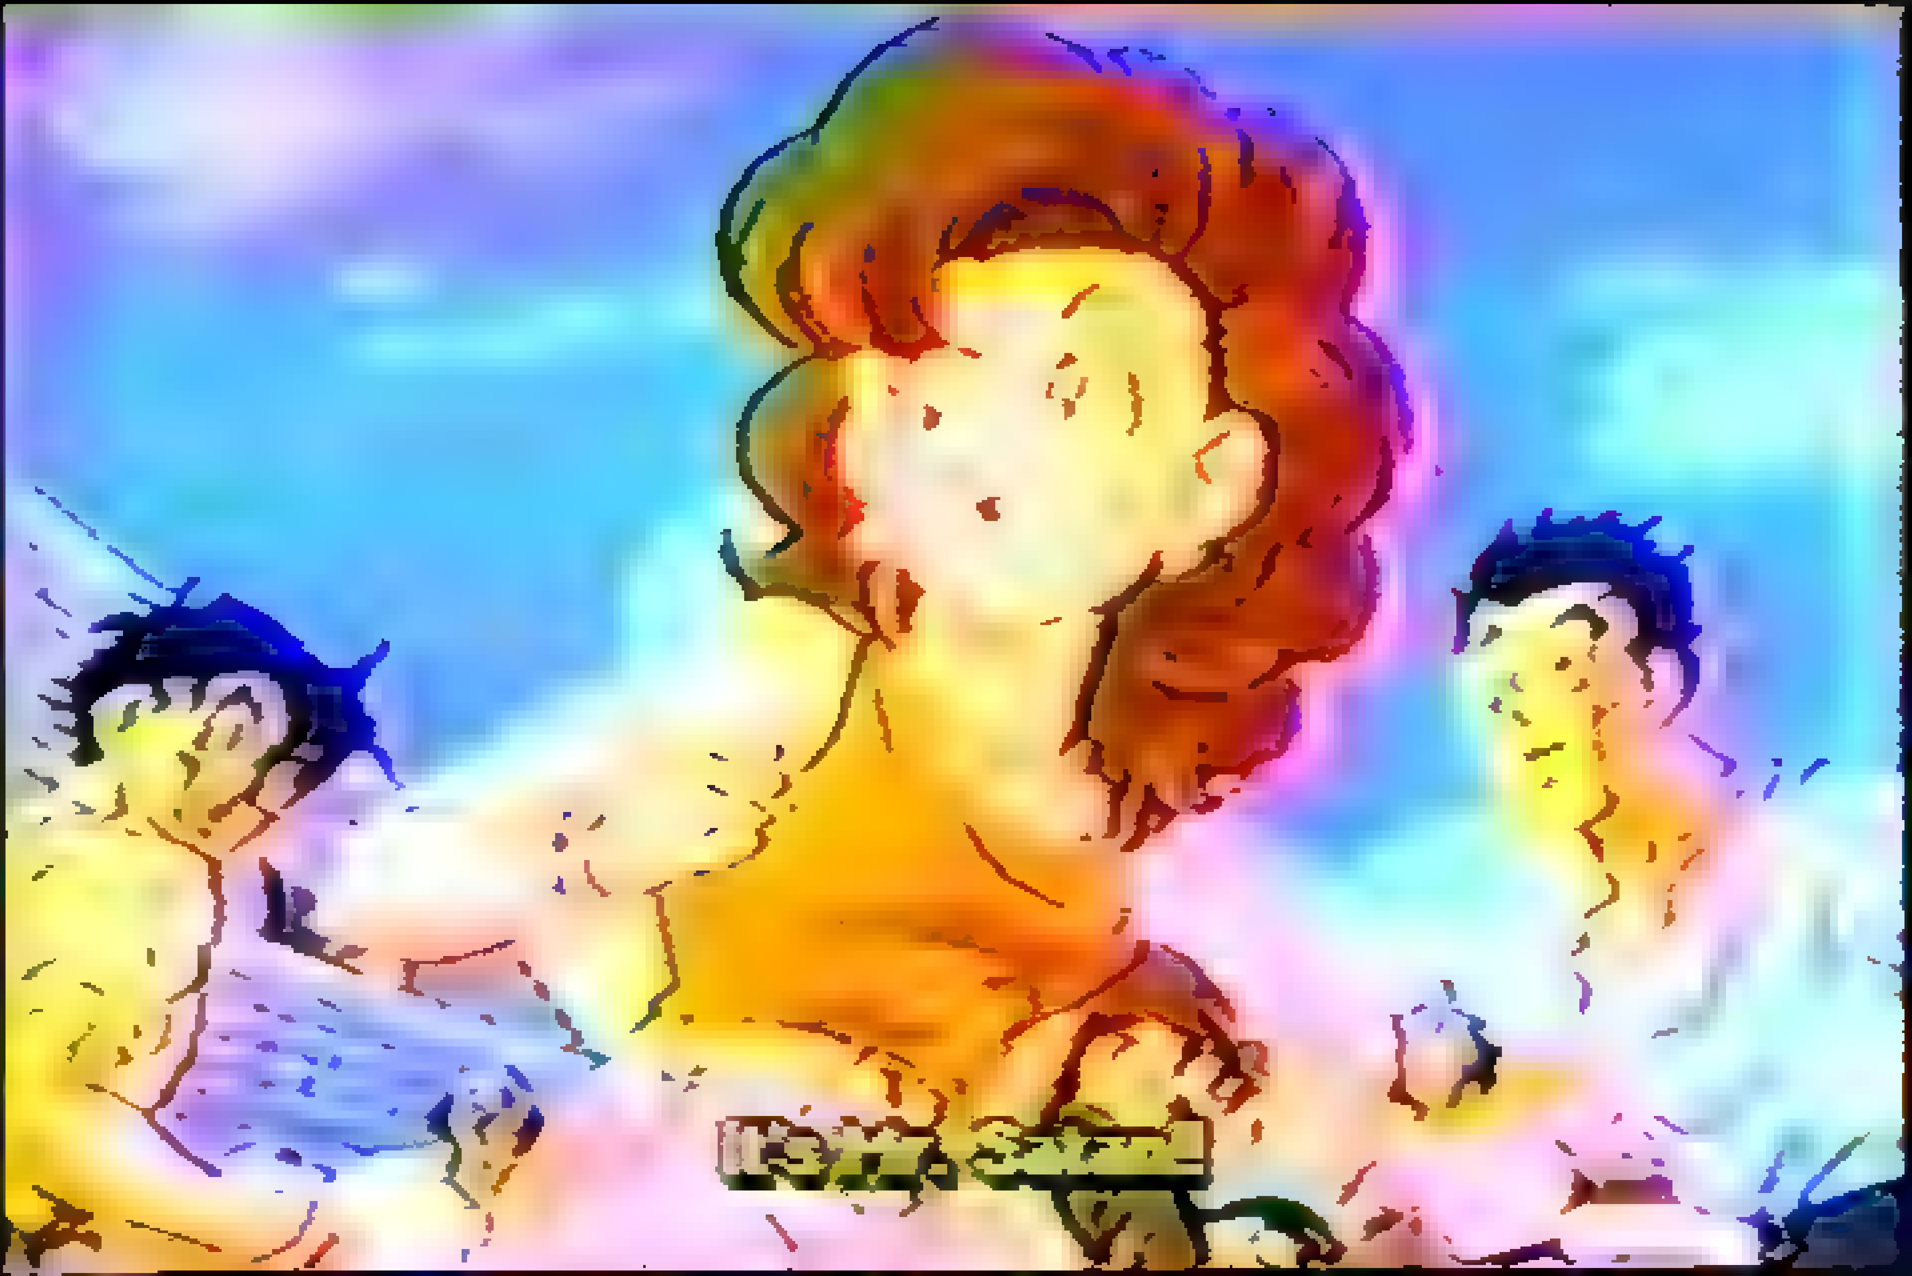

Even if it's the end of the world, I'll protect you!

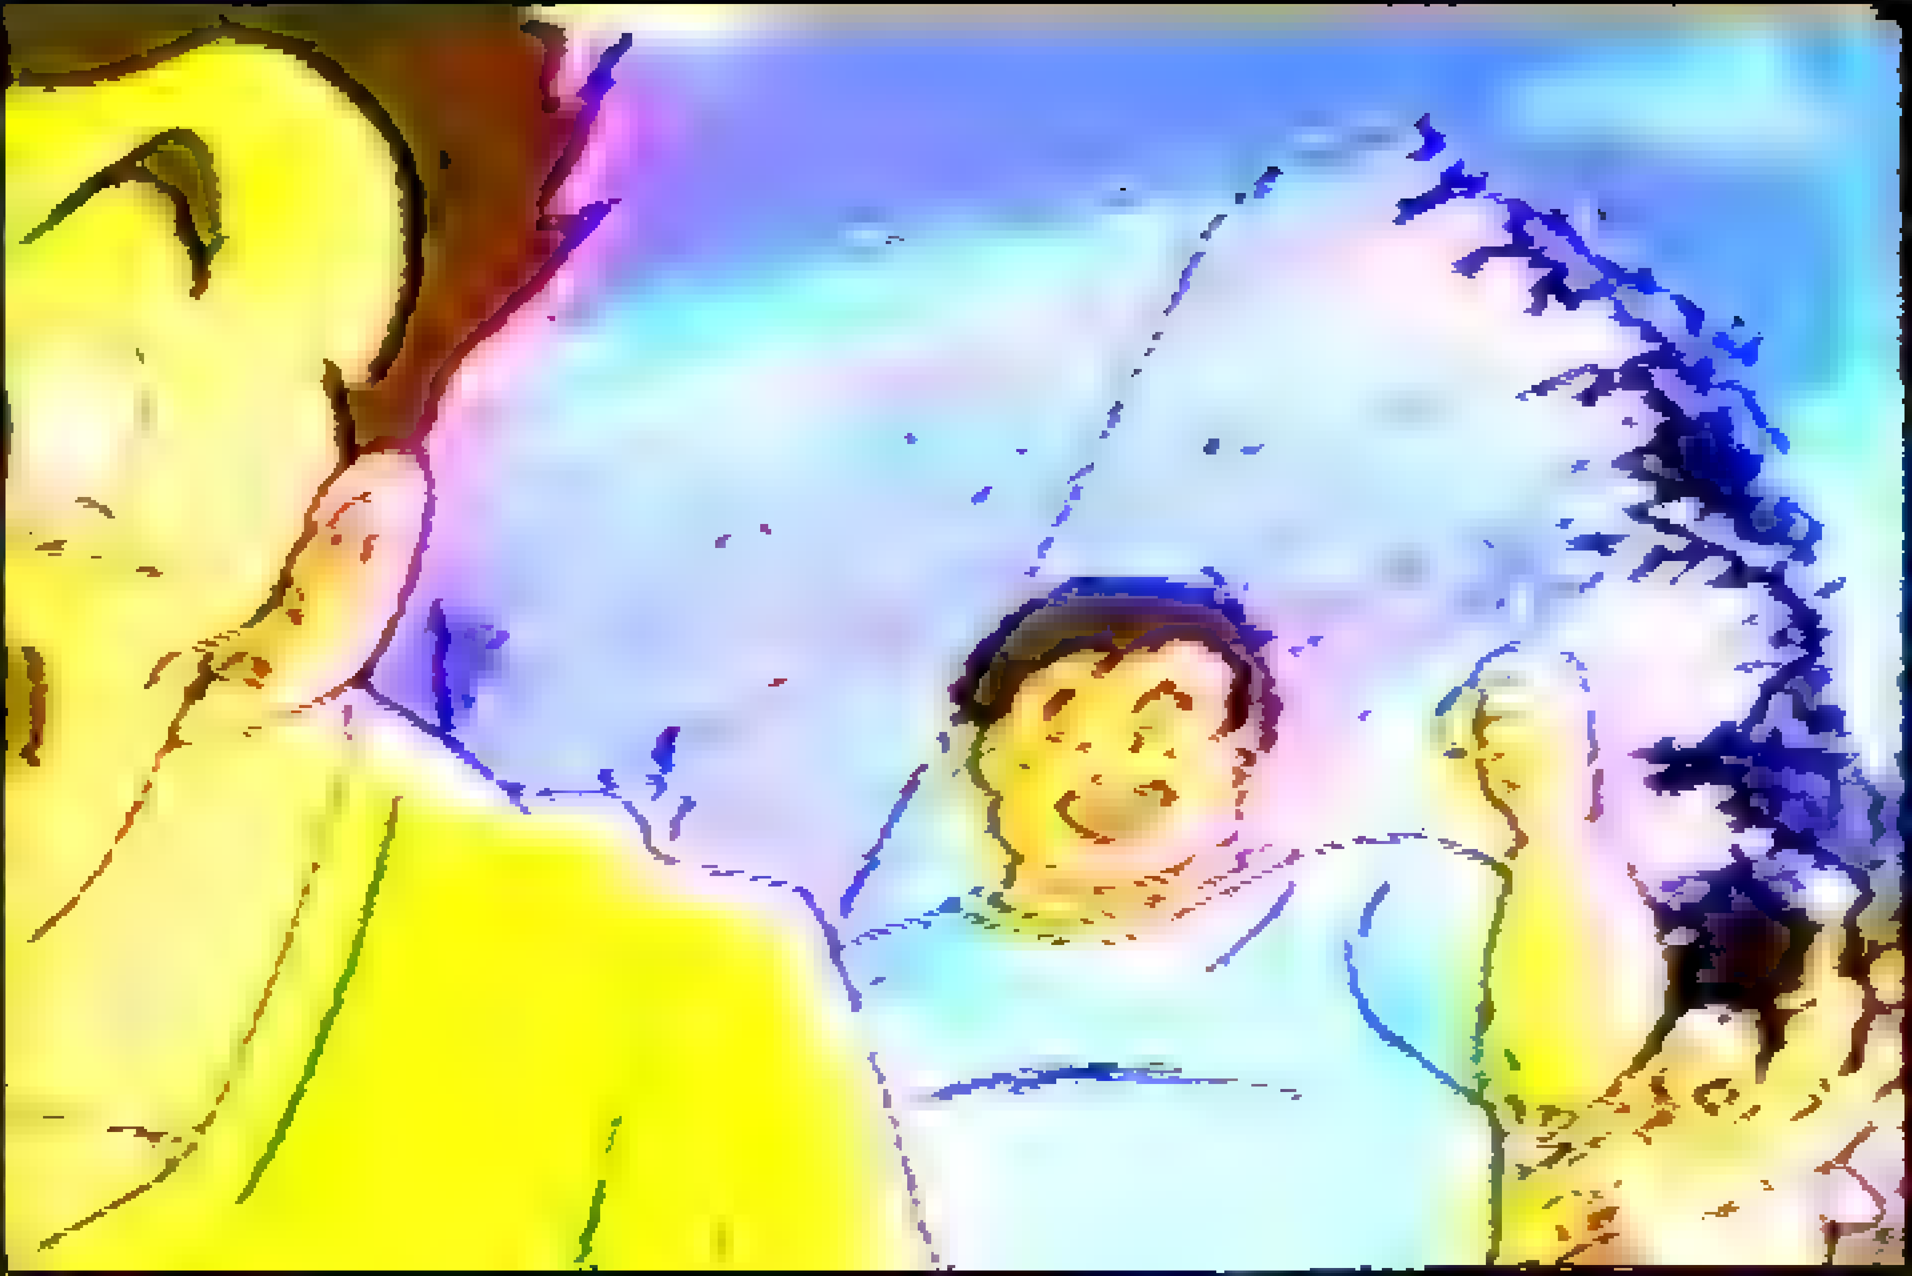

Even if it's the end of the
world, I will protect you!

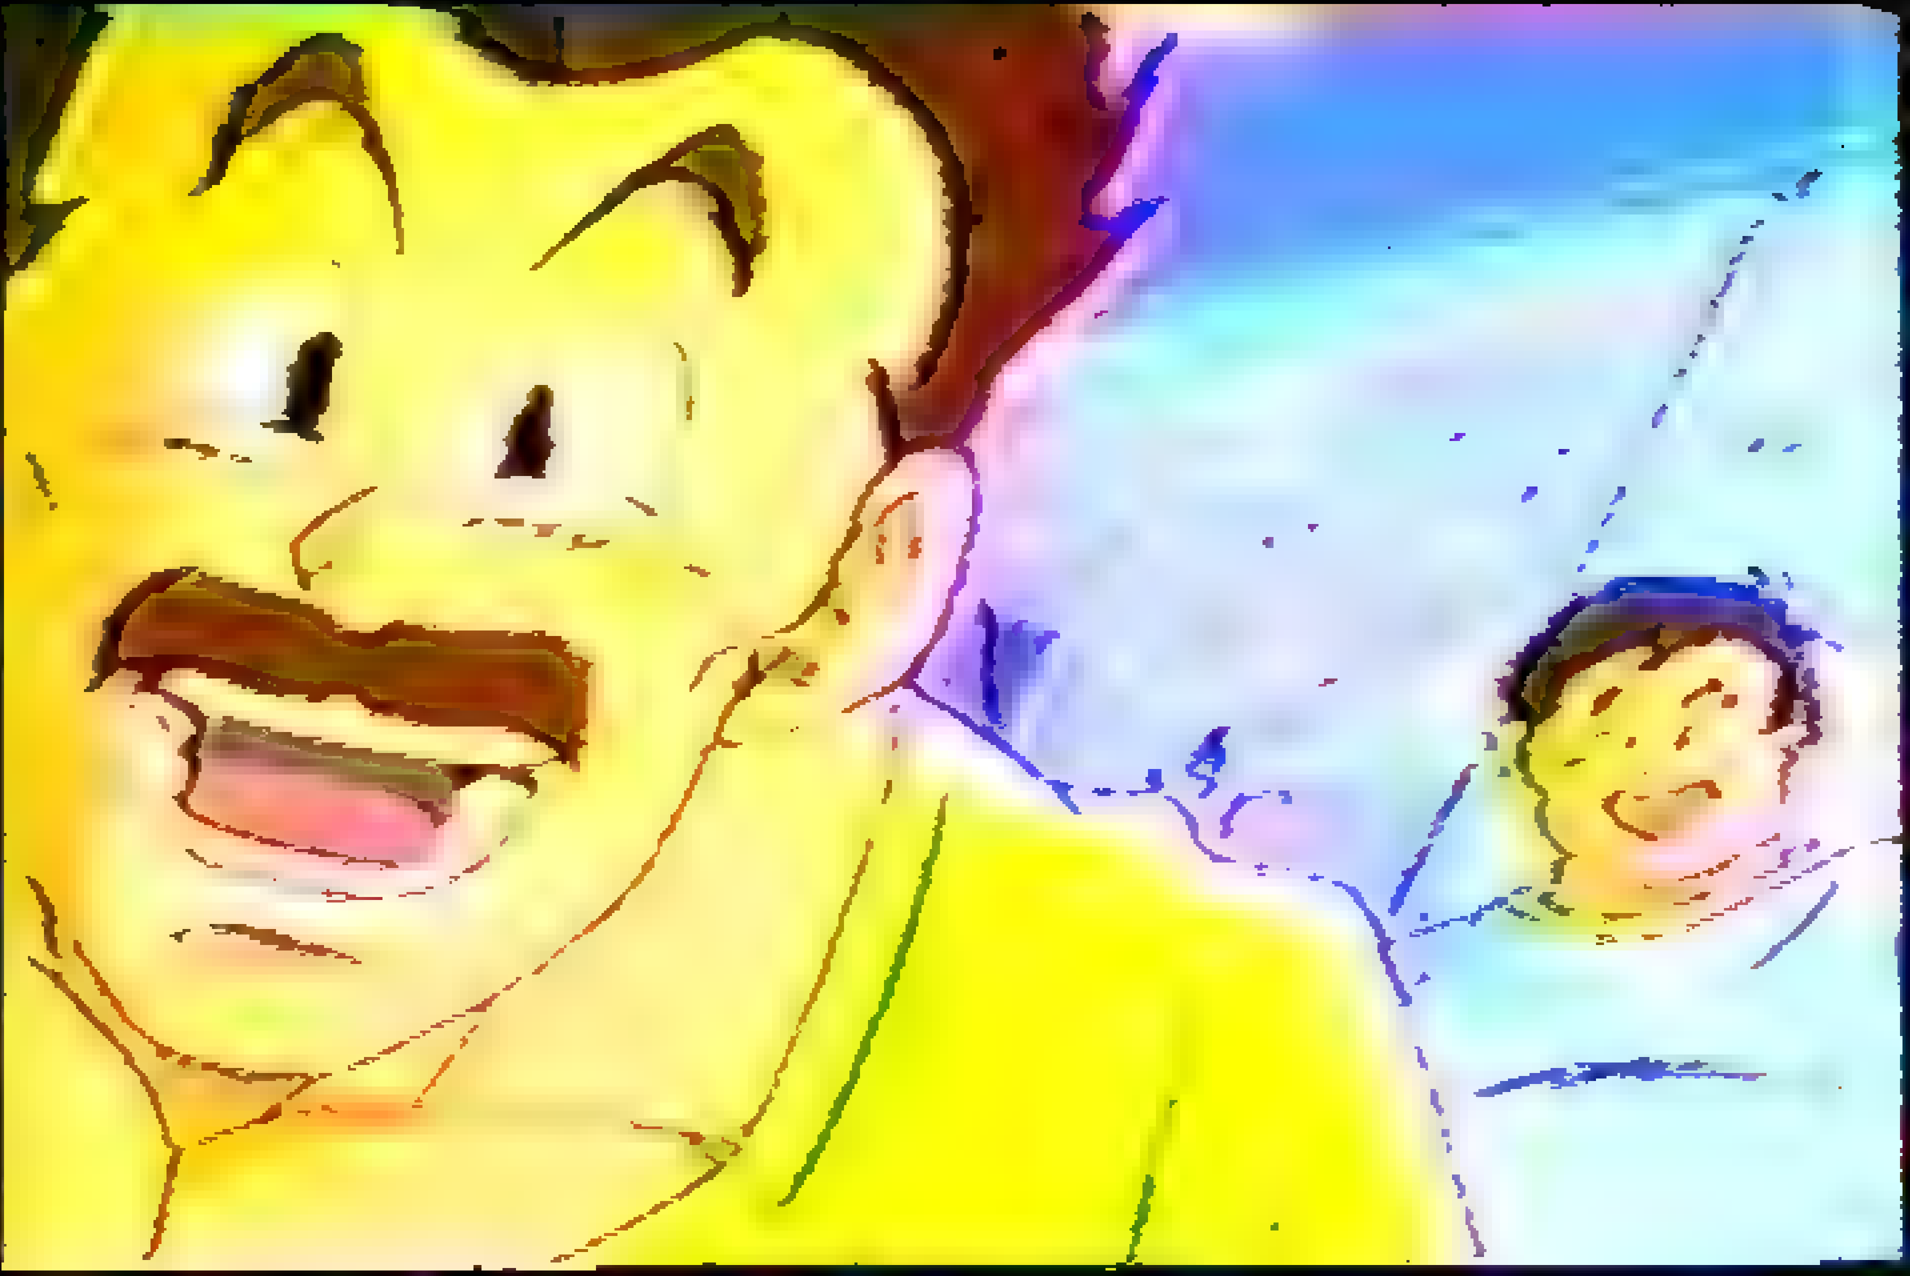

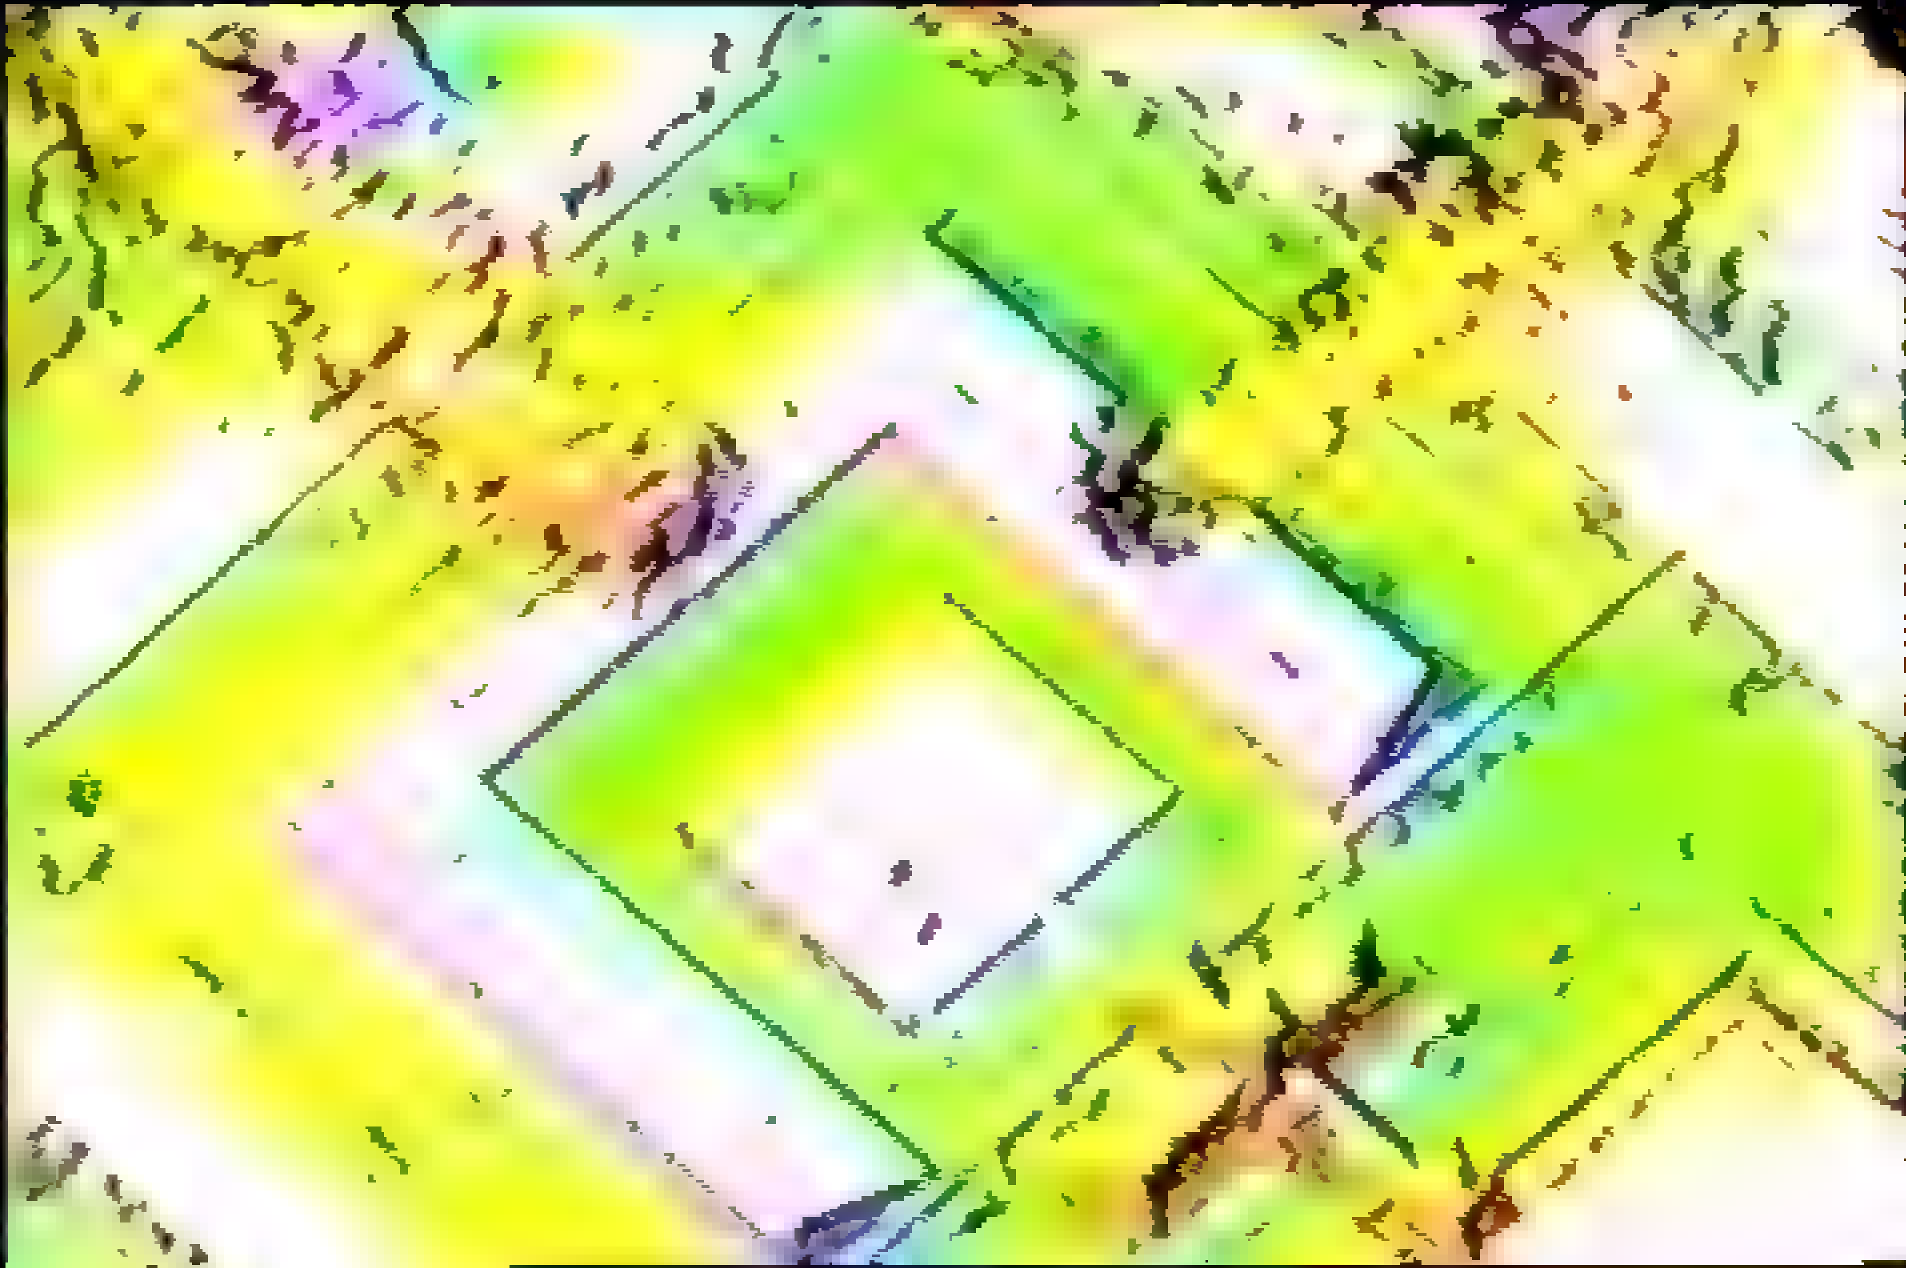

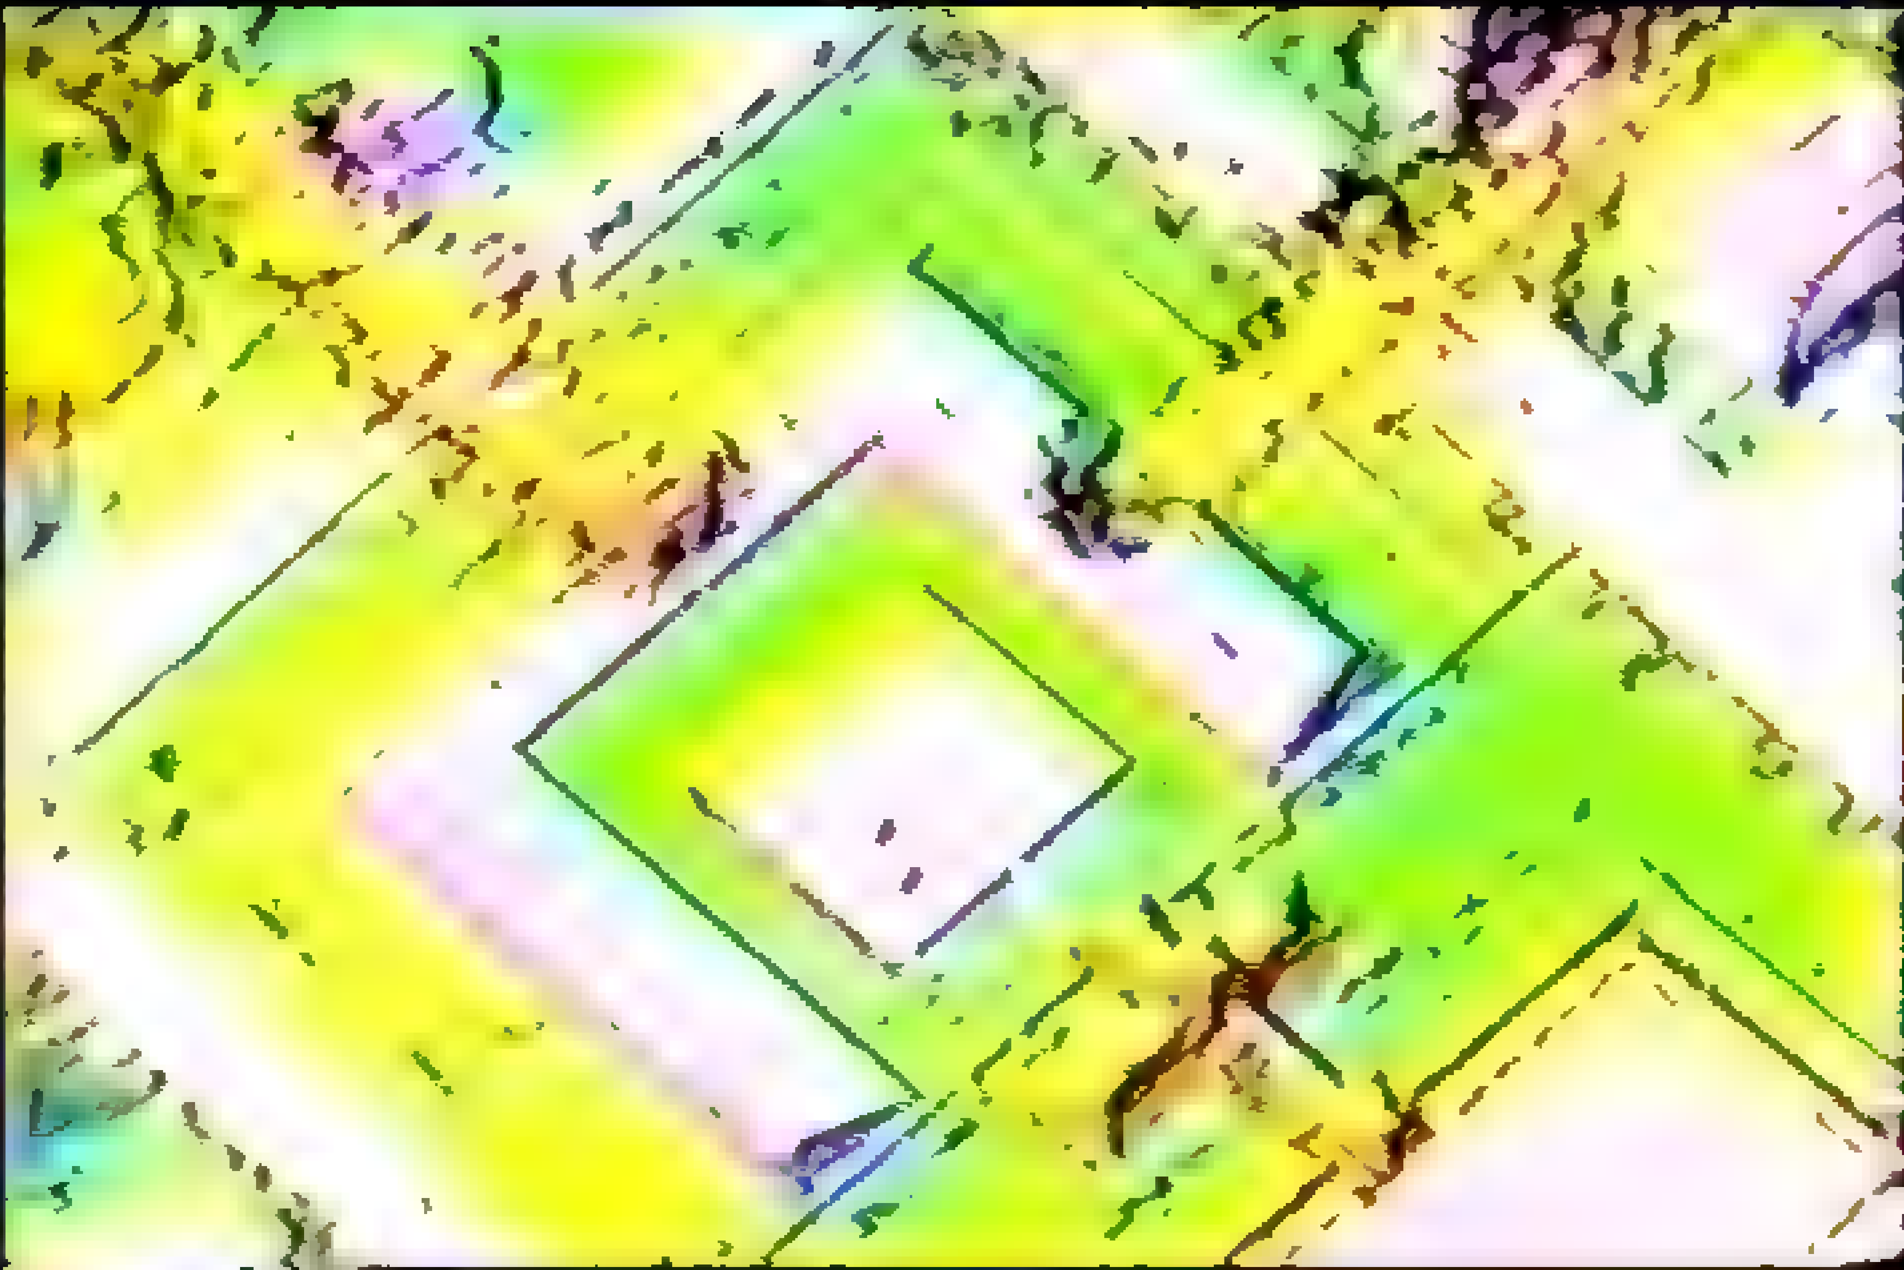

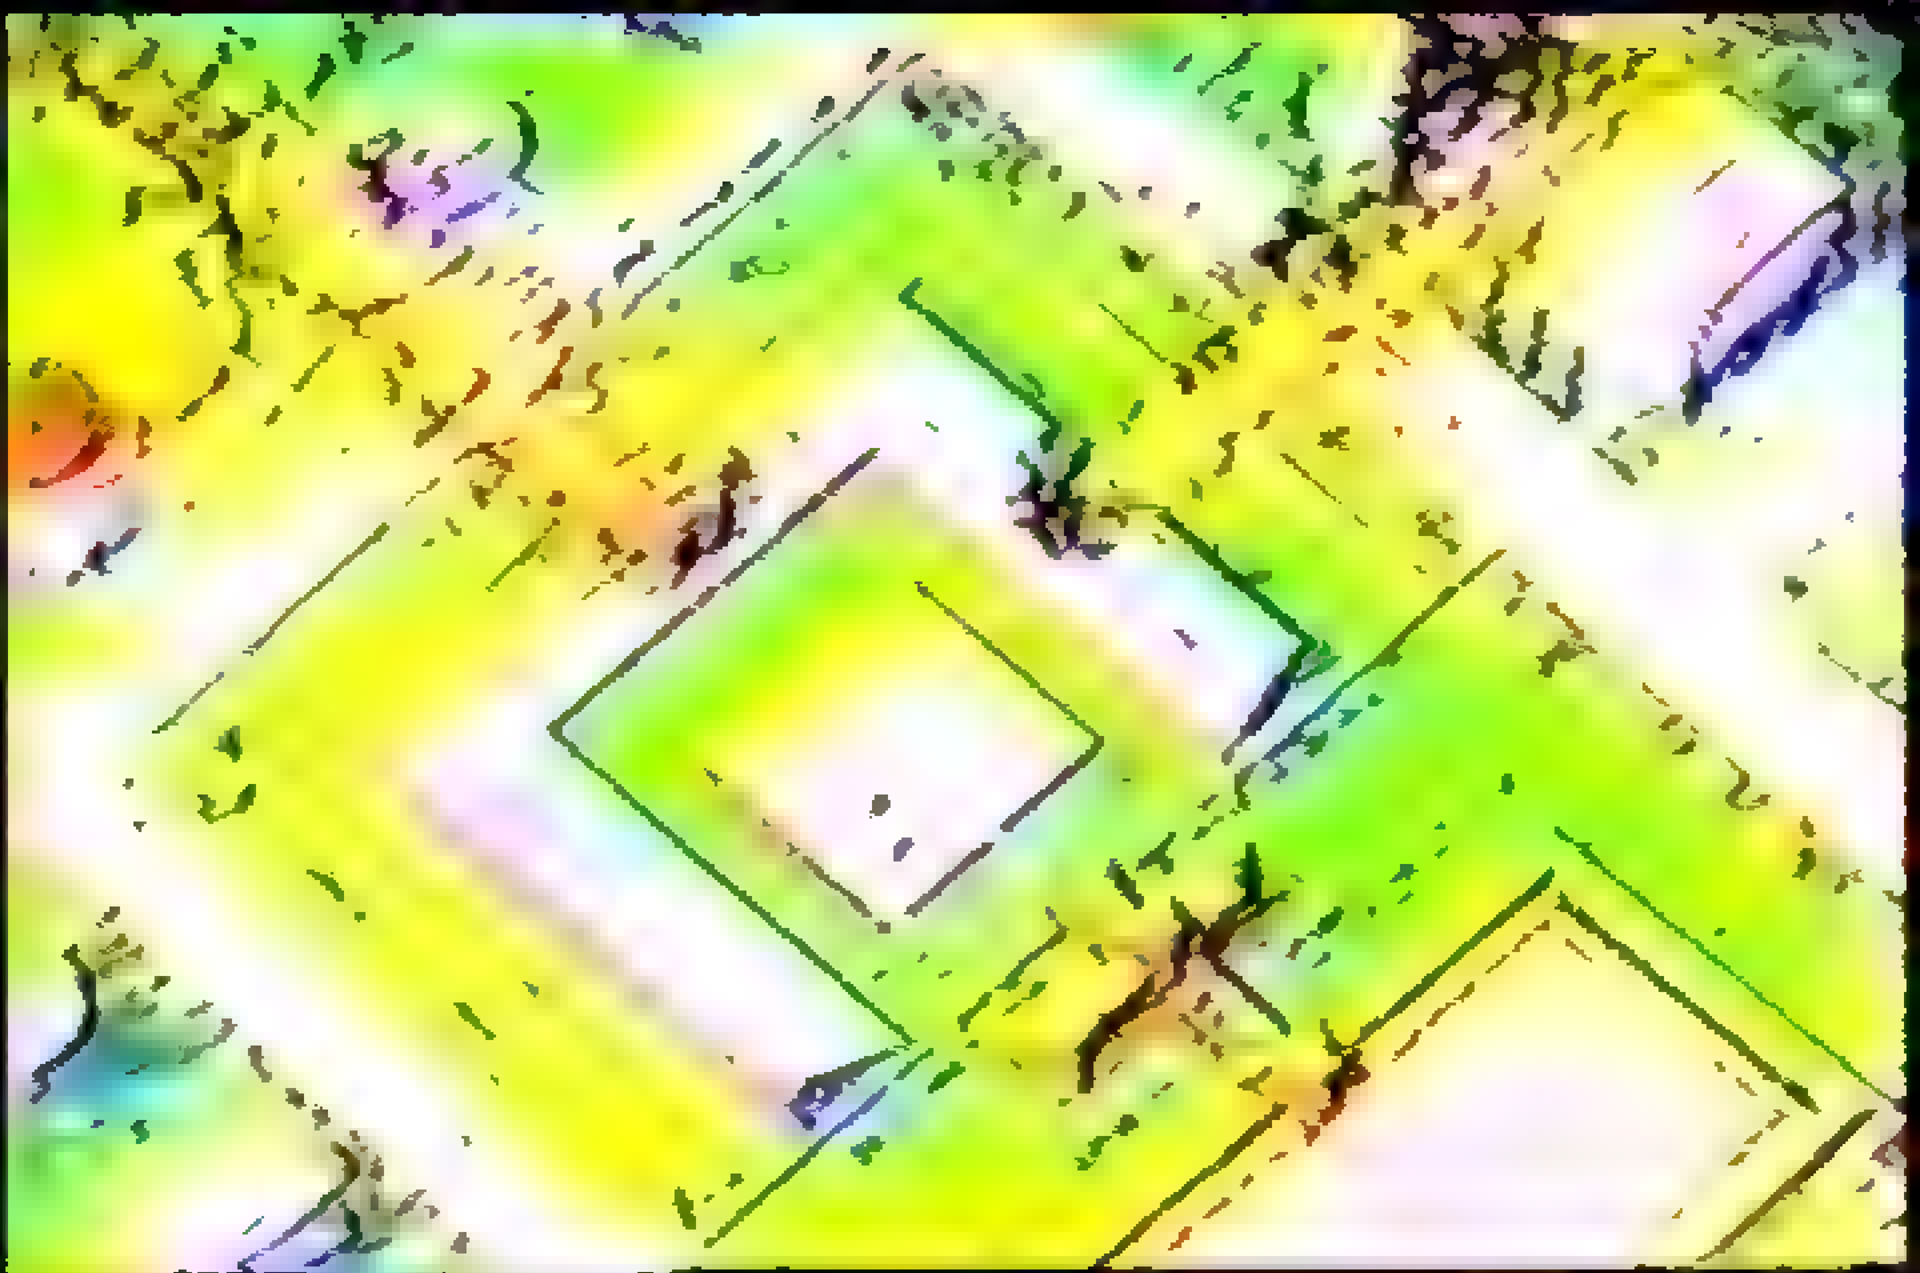

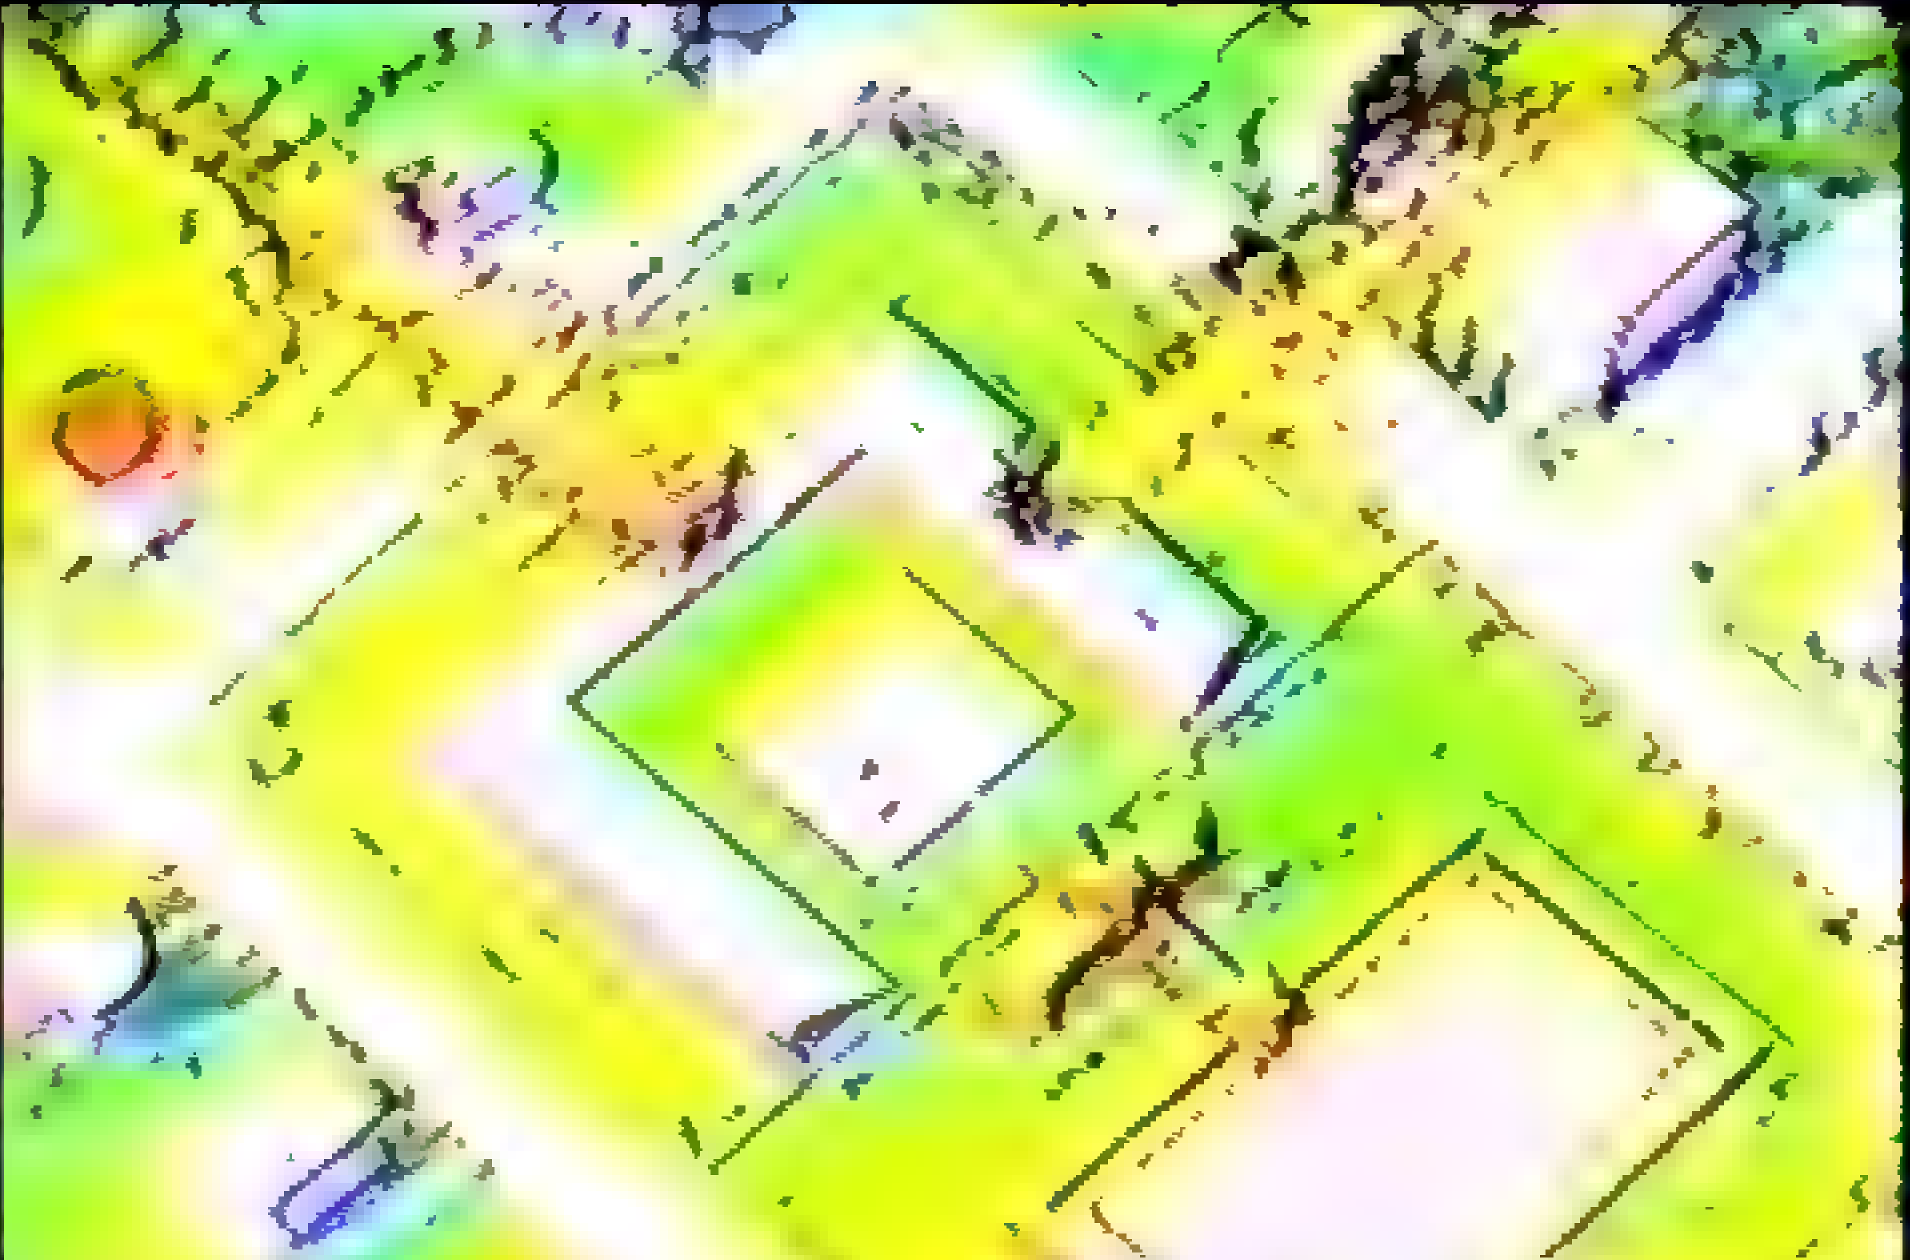

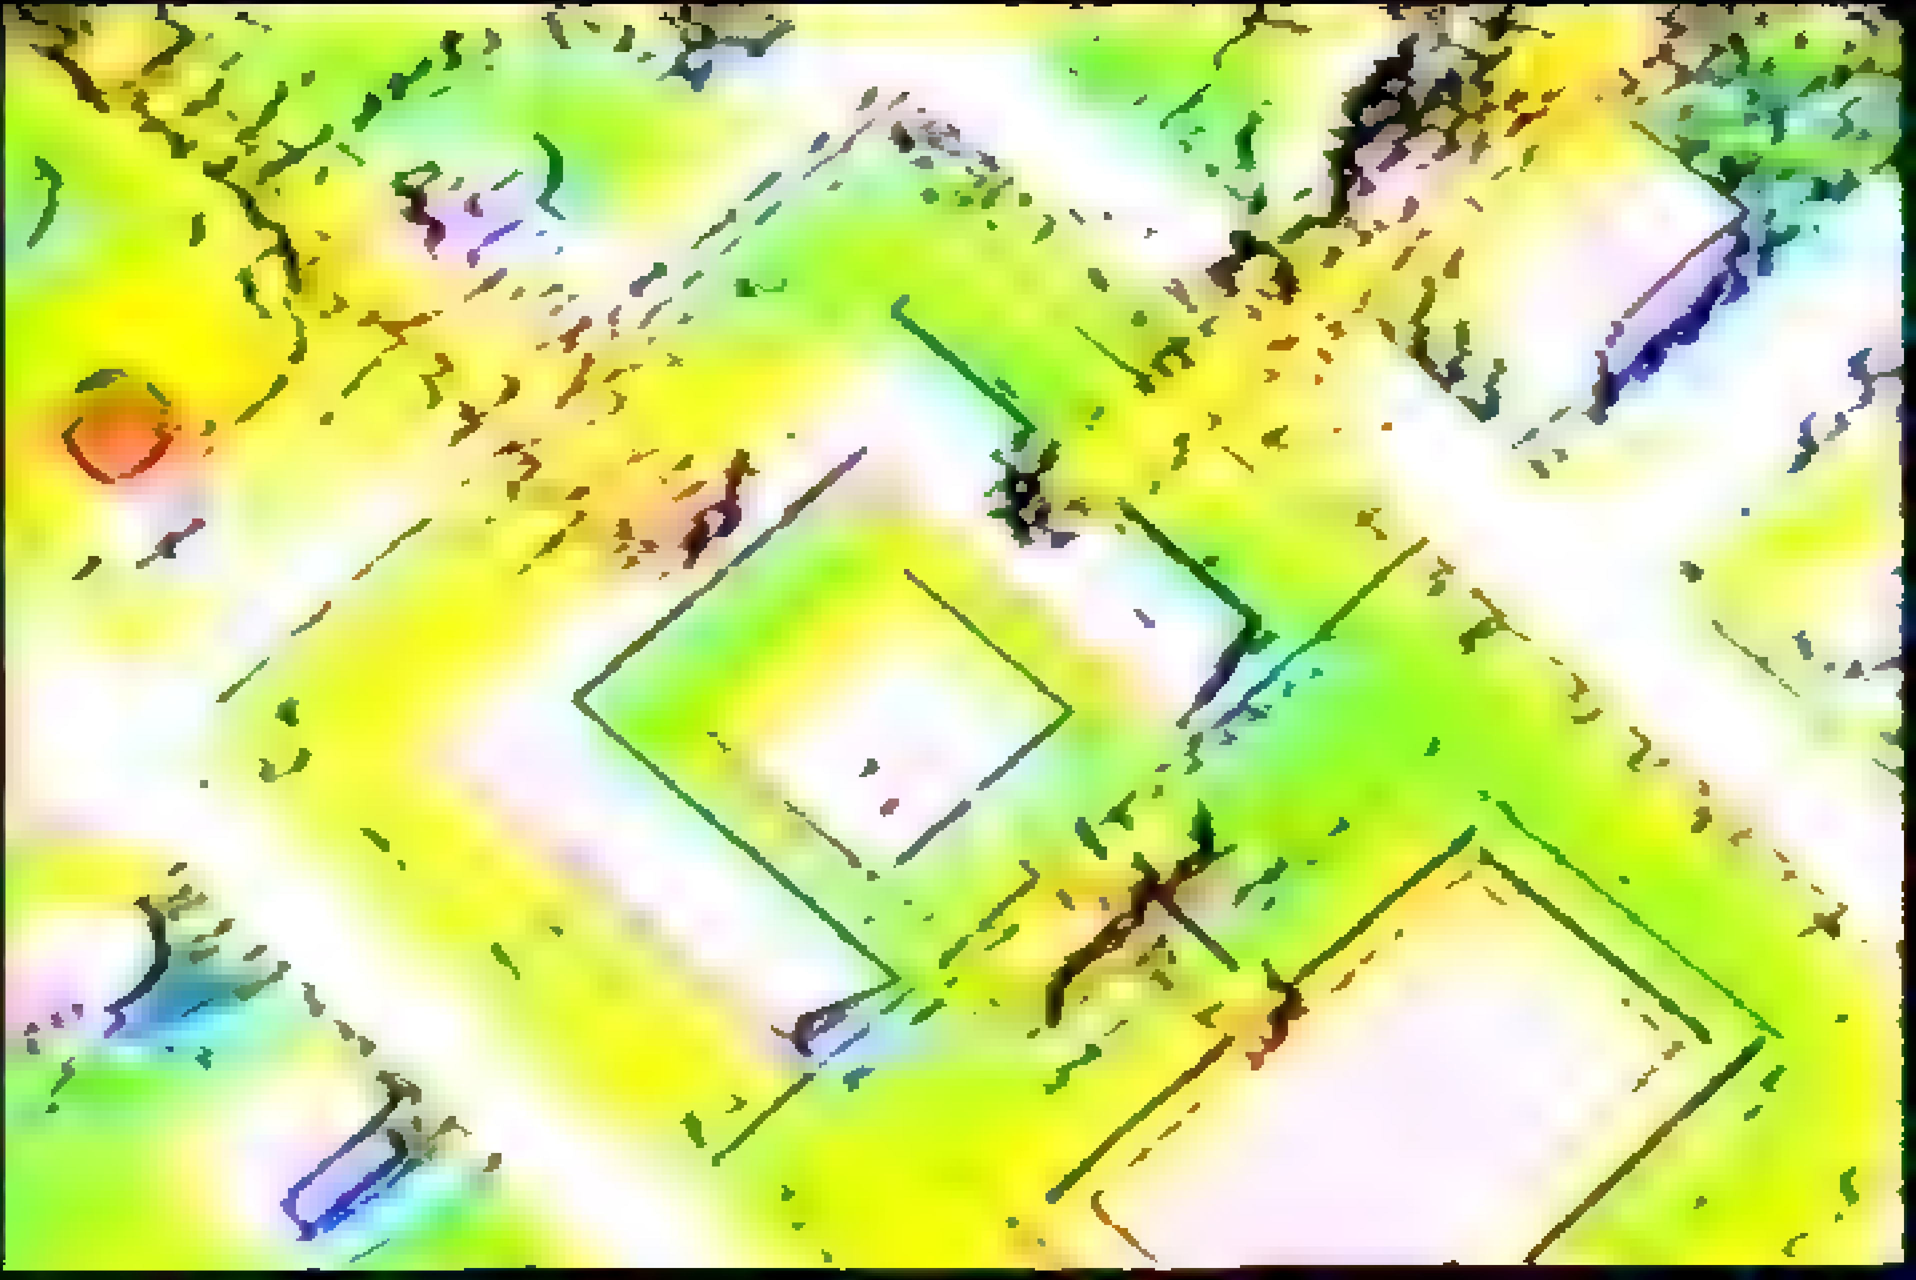

That was perfect

That was perfectly cool

Lord Babi Dee, shall I quash him down?

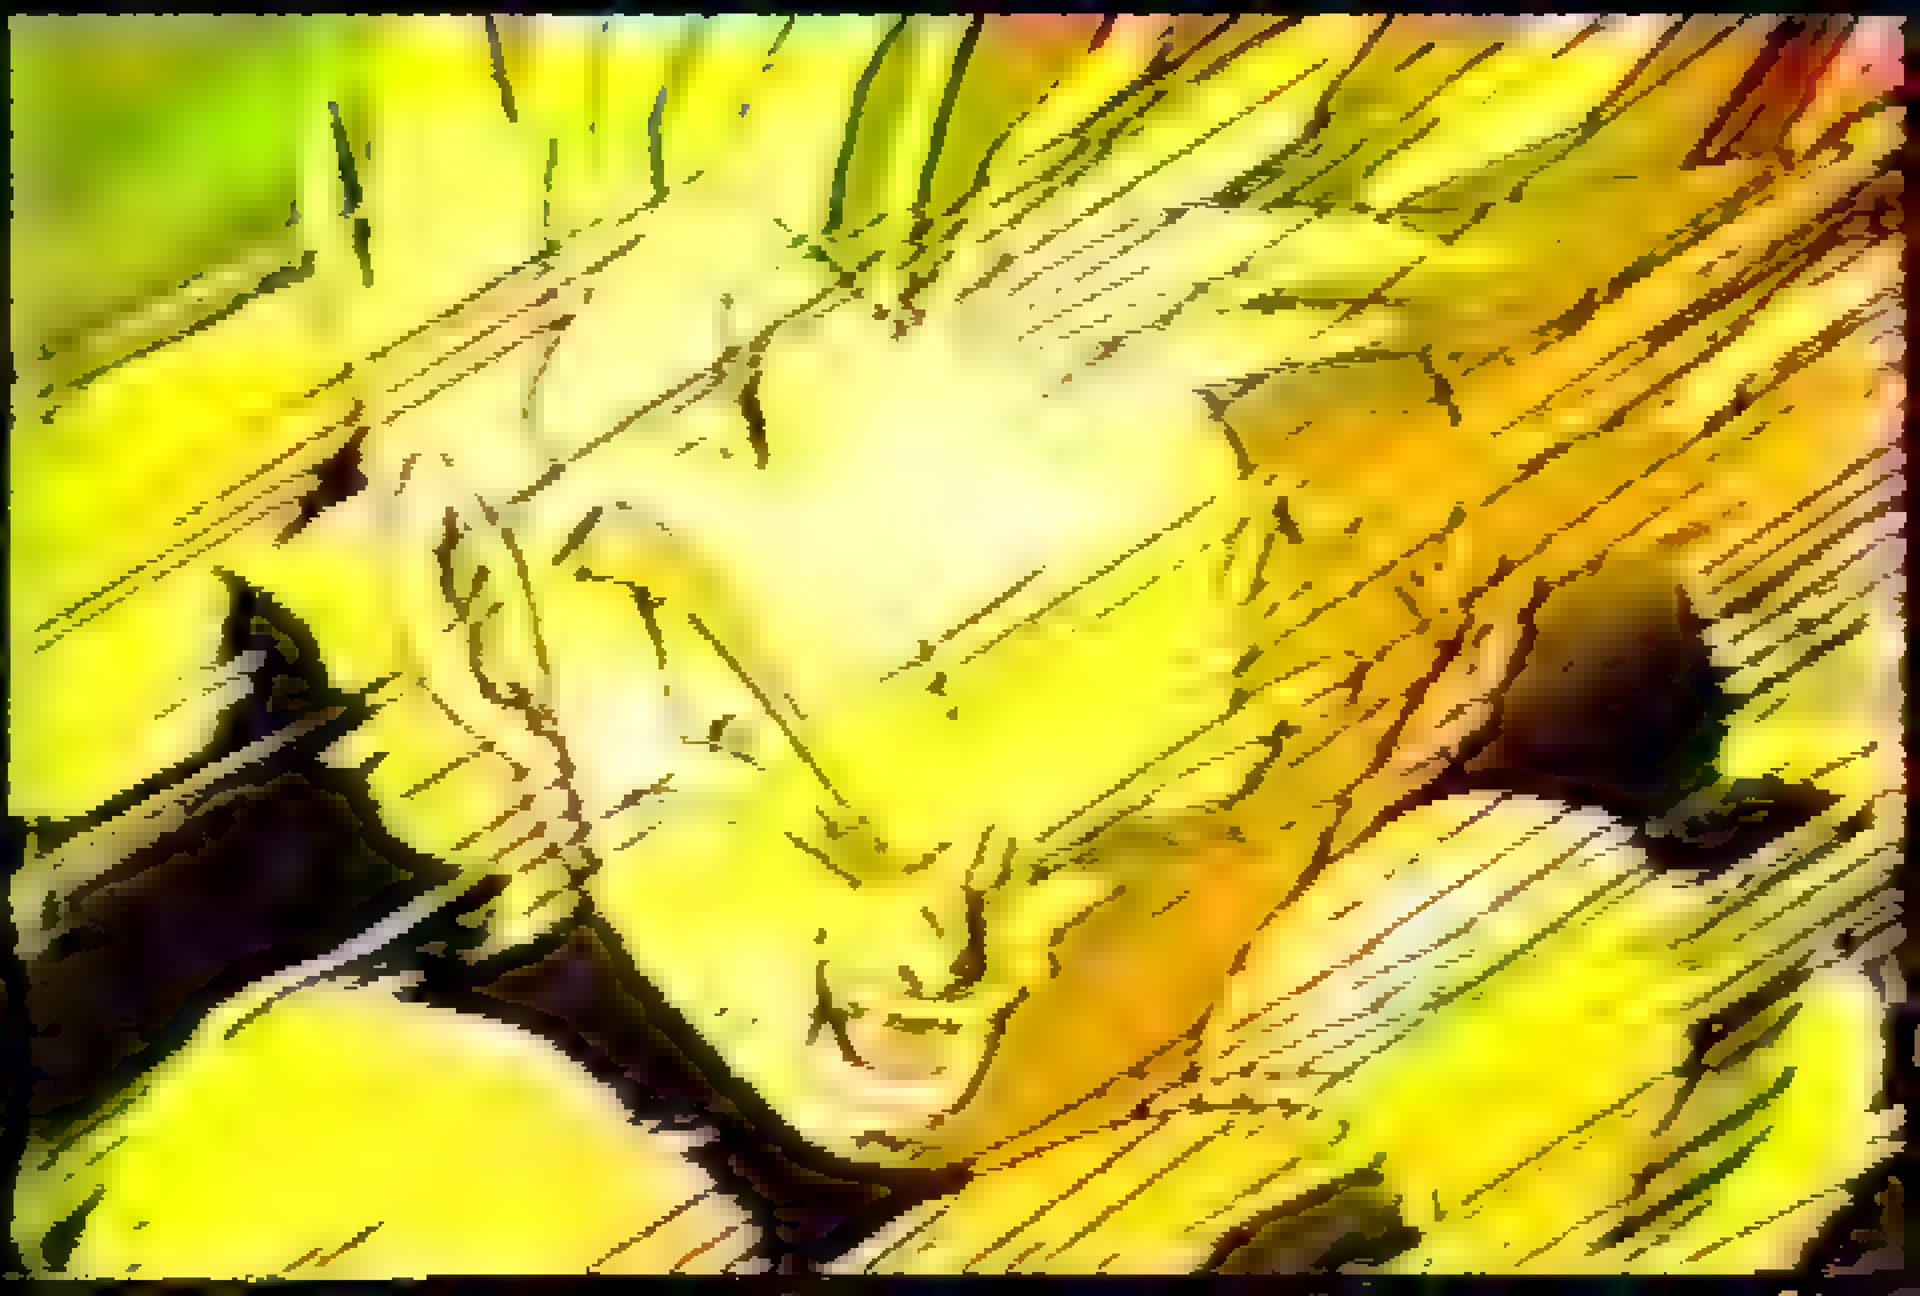

Lord Babi Dee, shall I quiet him down?

That won't affect Majin Buu in the least!

That won't affect Majin Buu in the least!

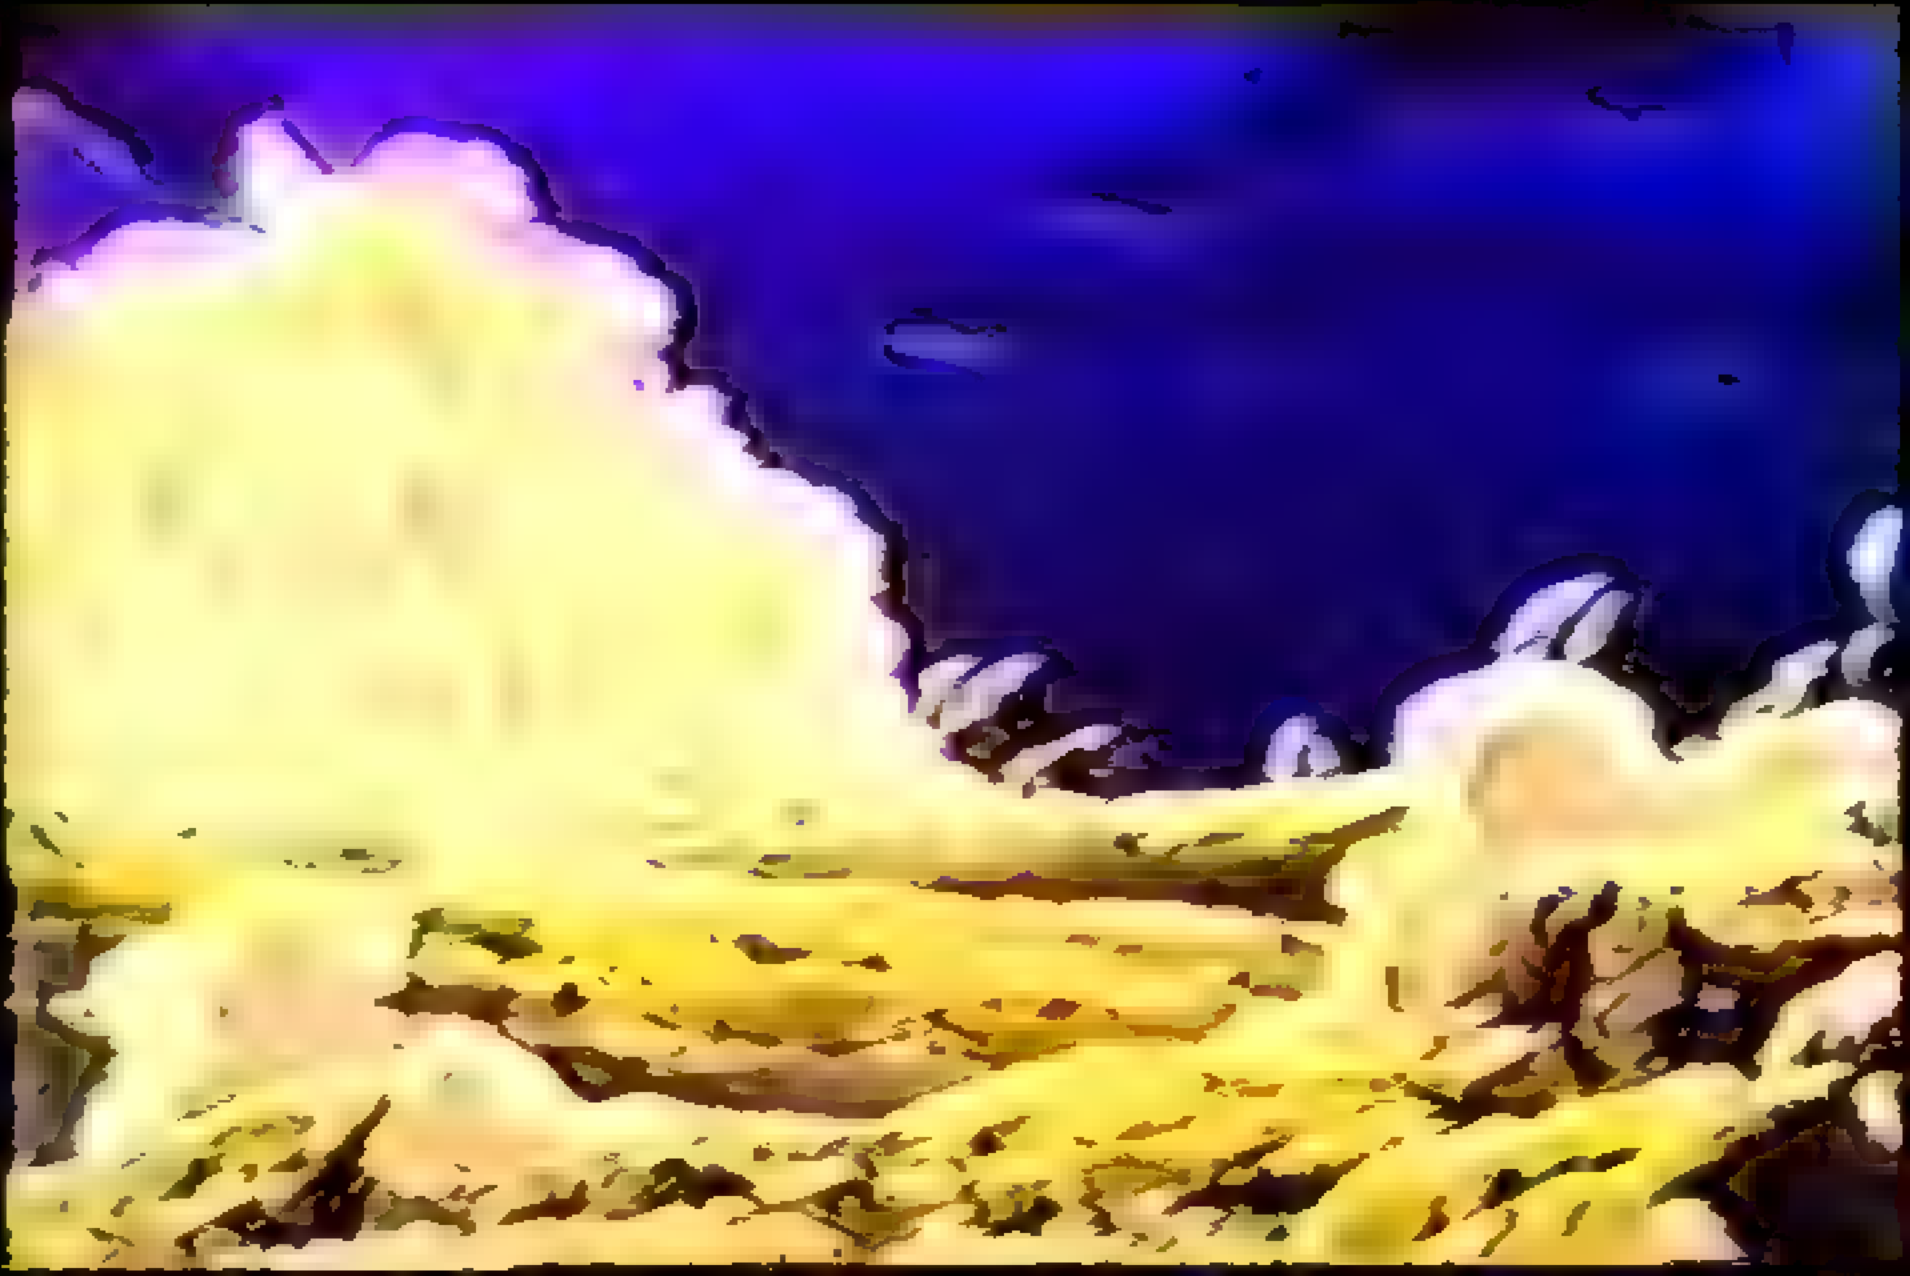

You're wasting your efforts!

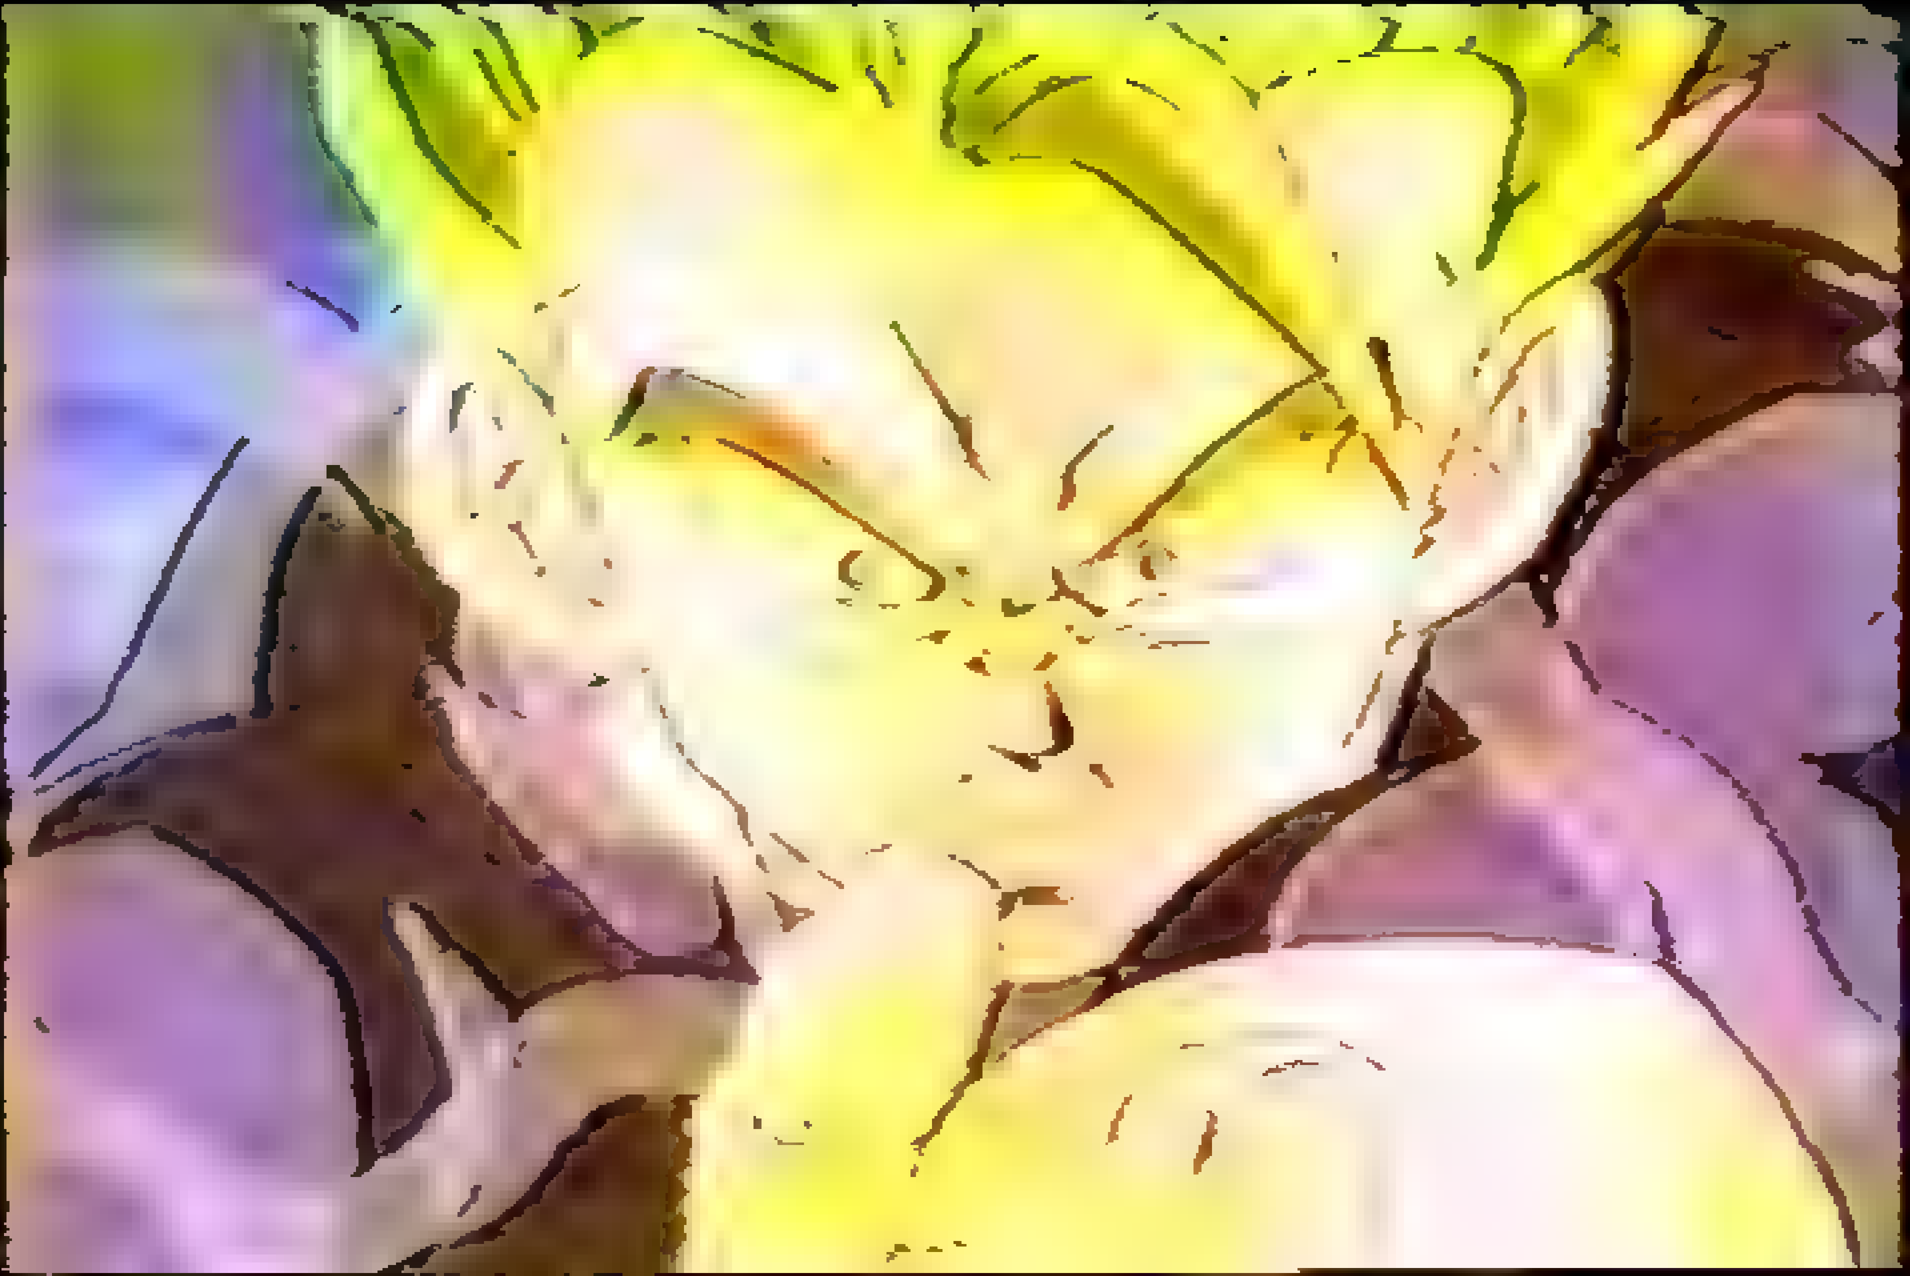

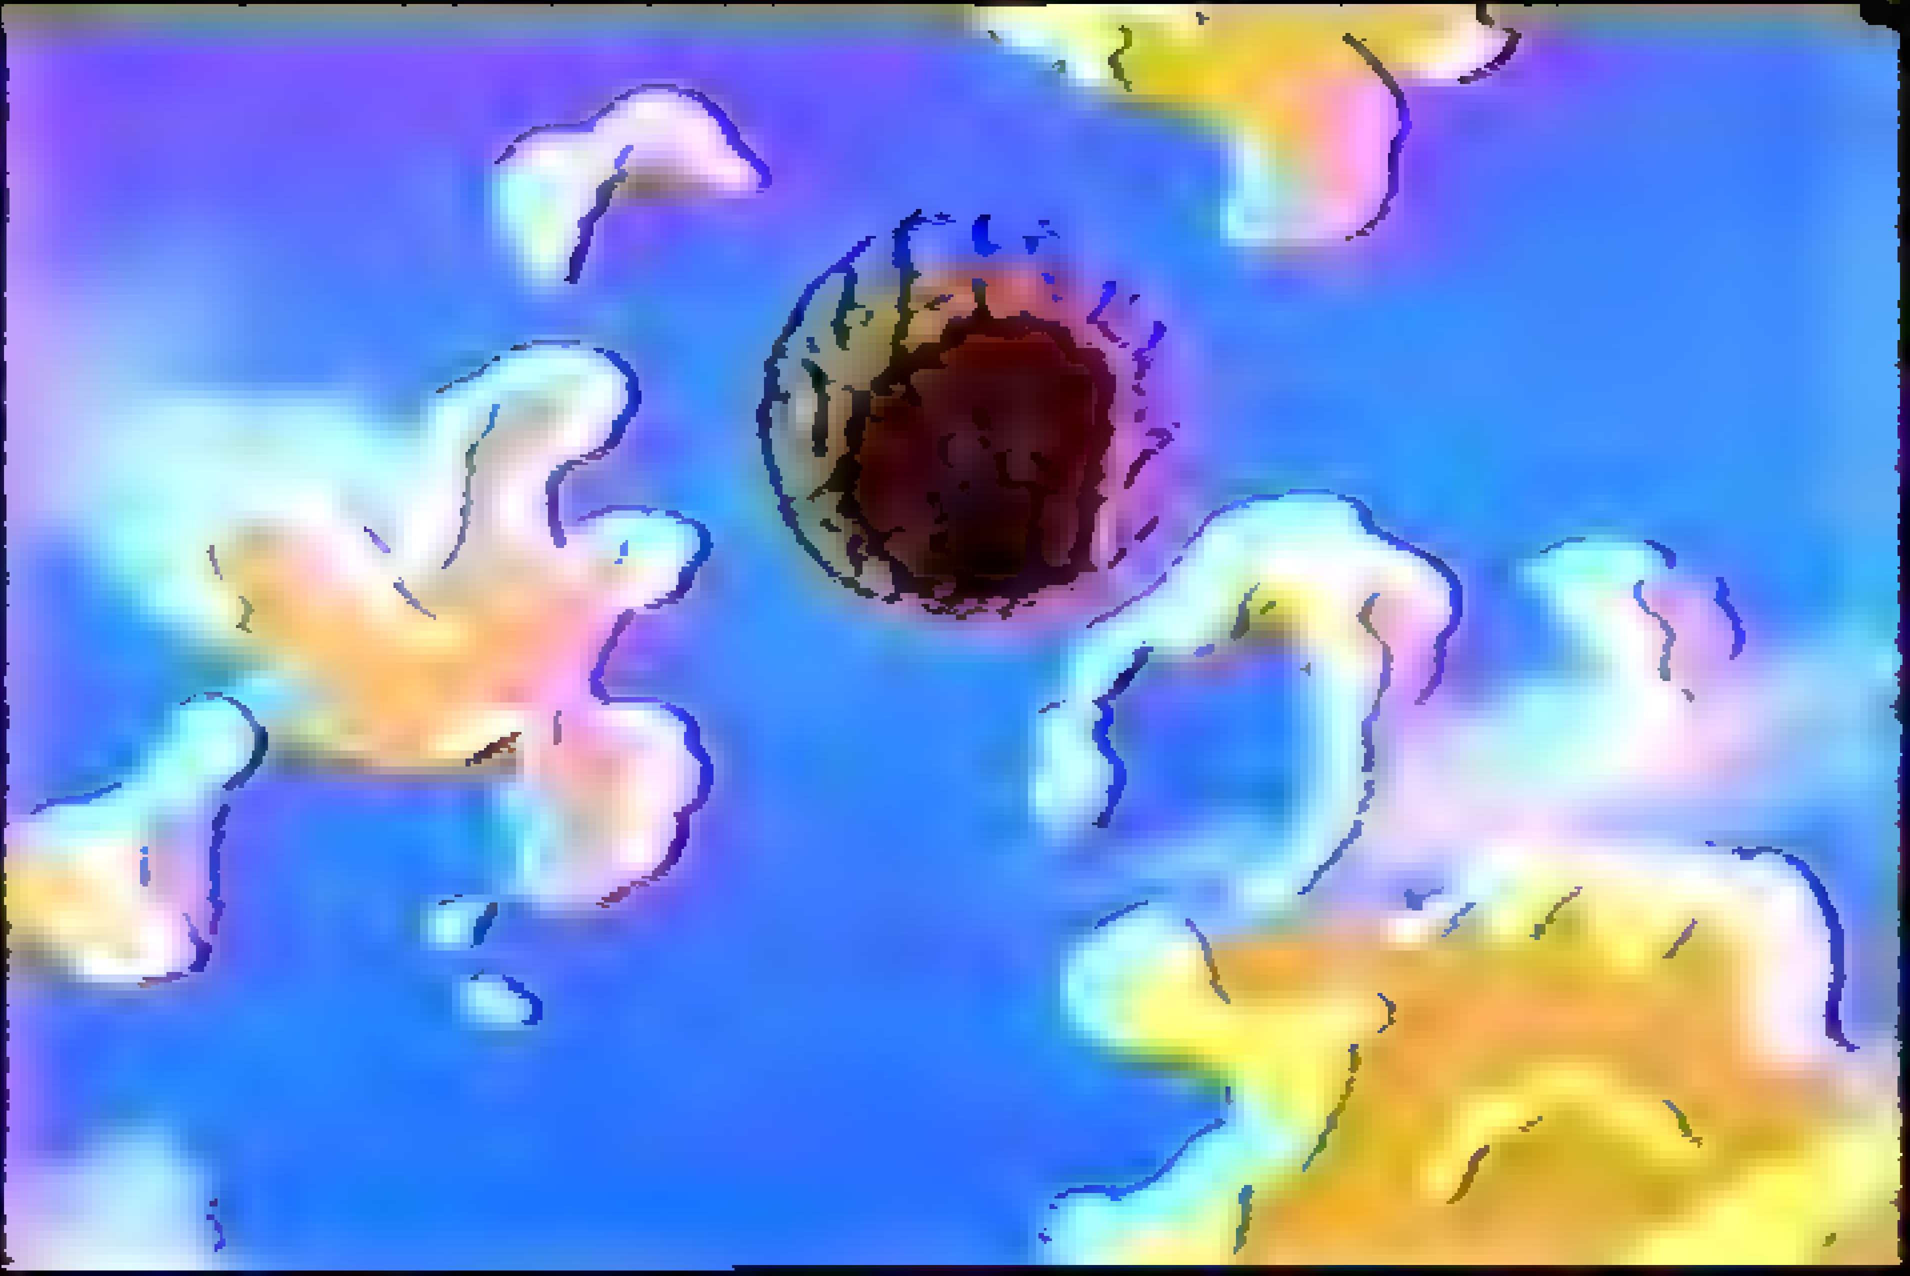

Okay_

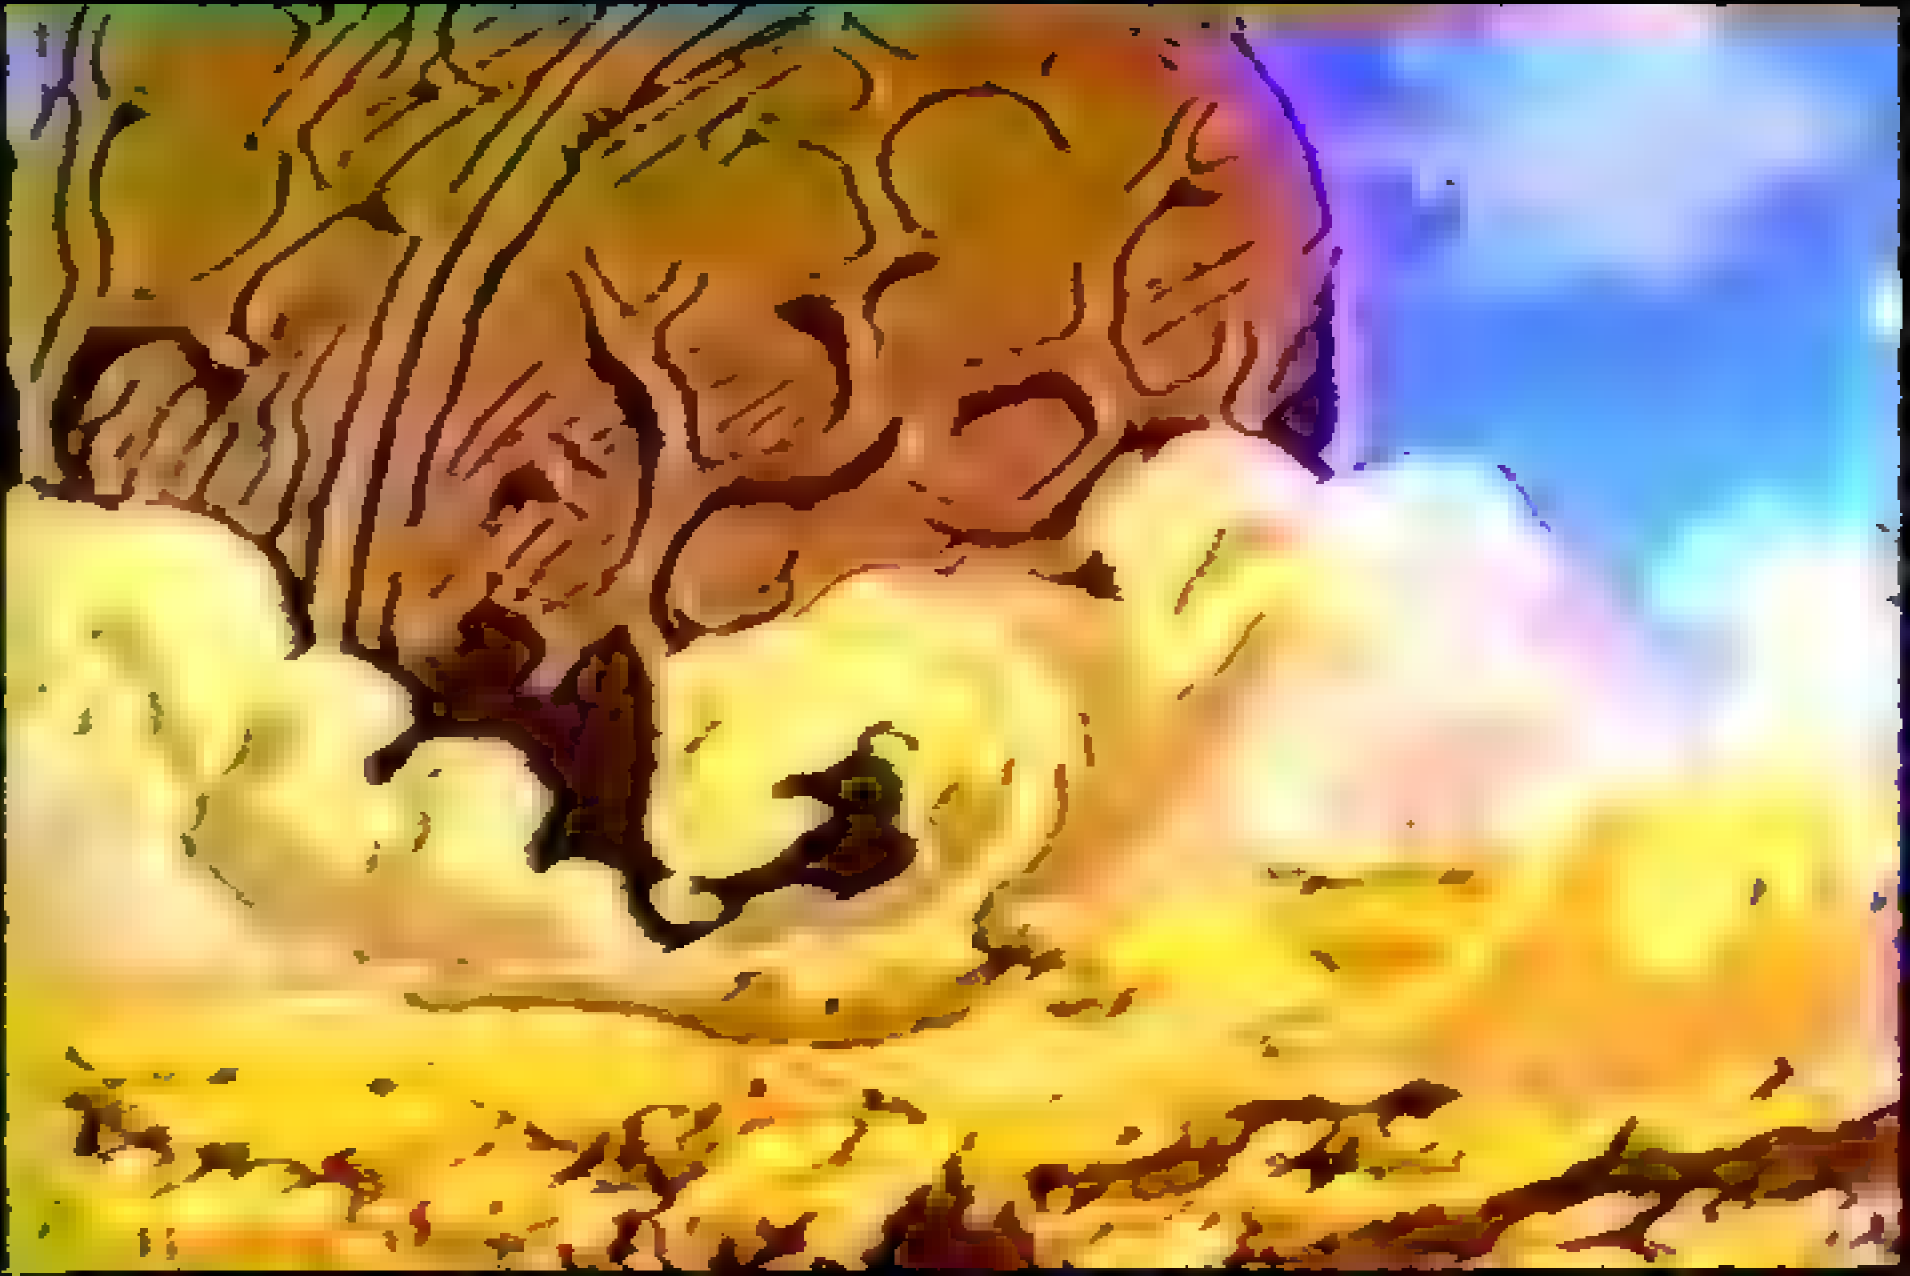

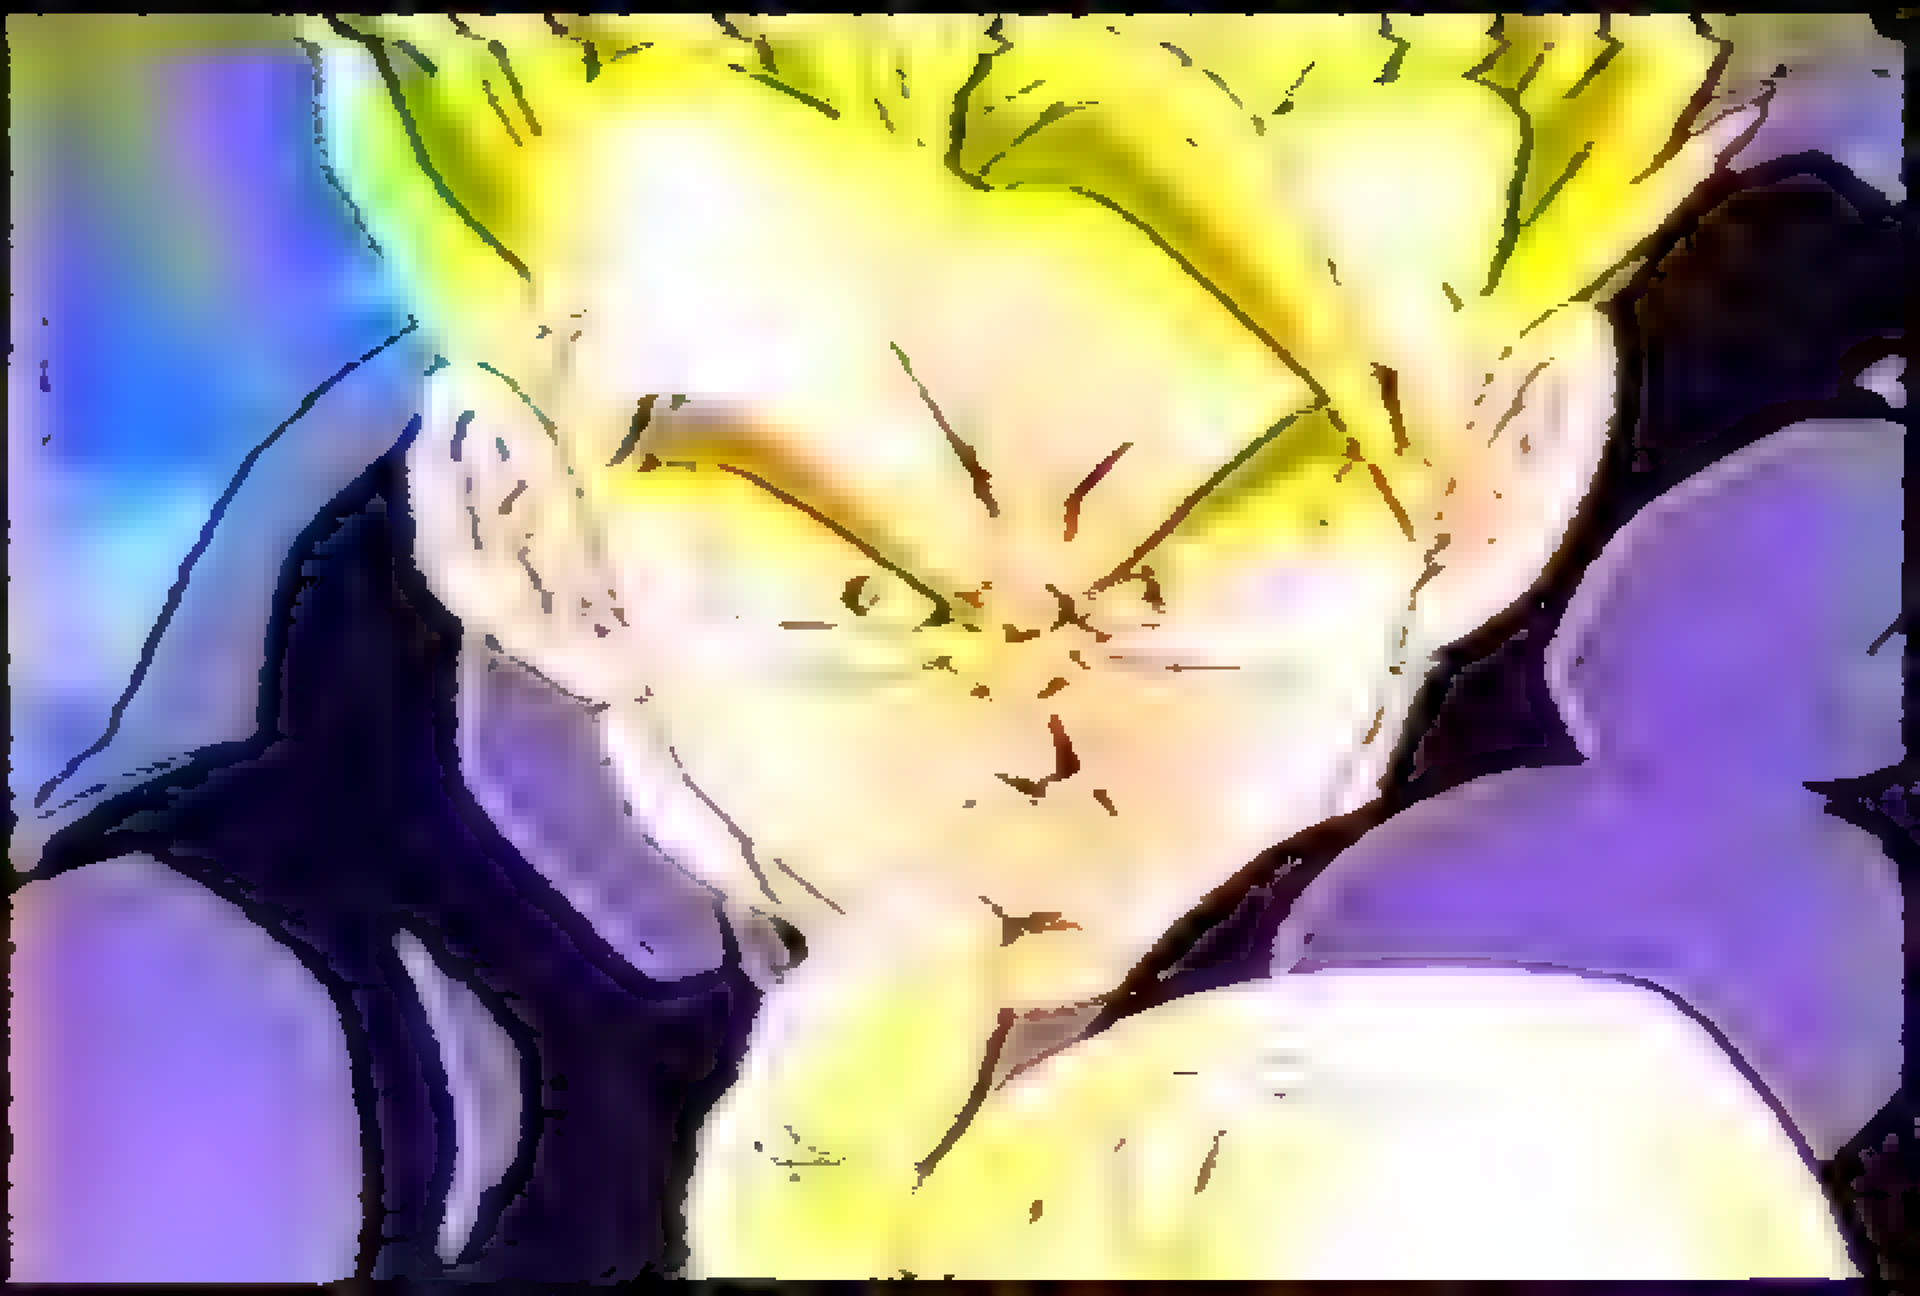

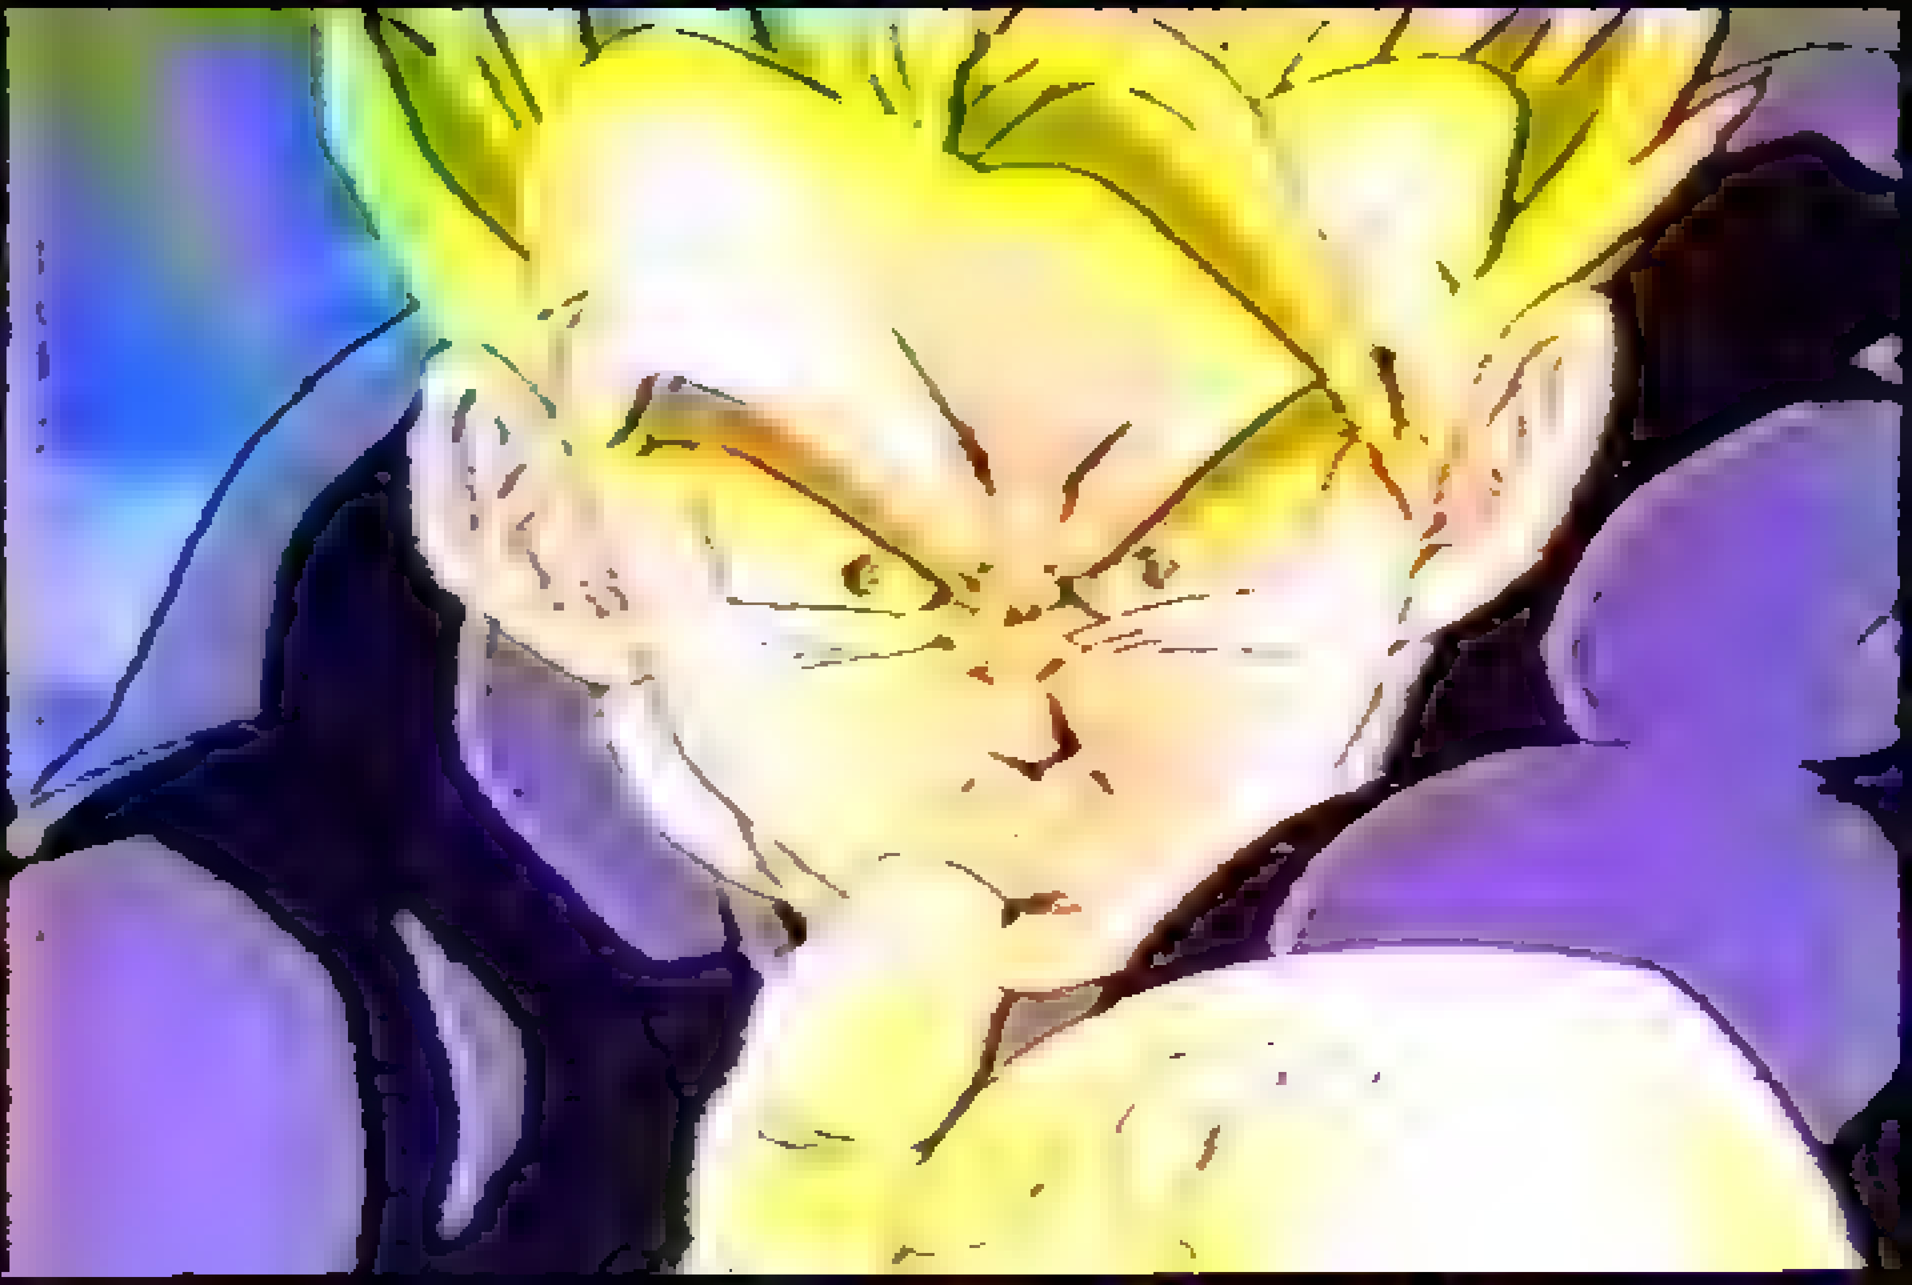

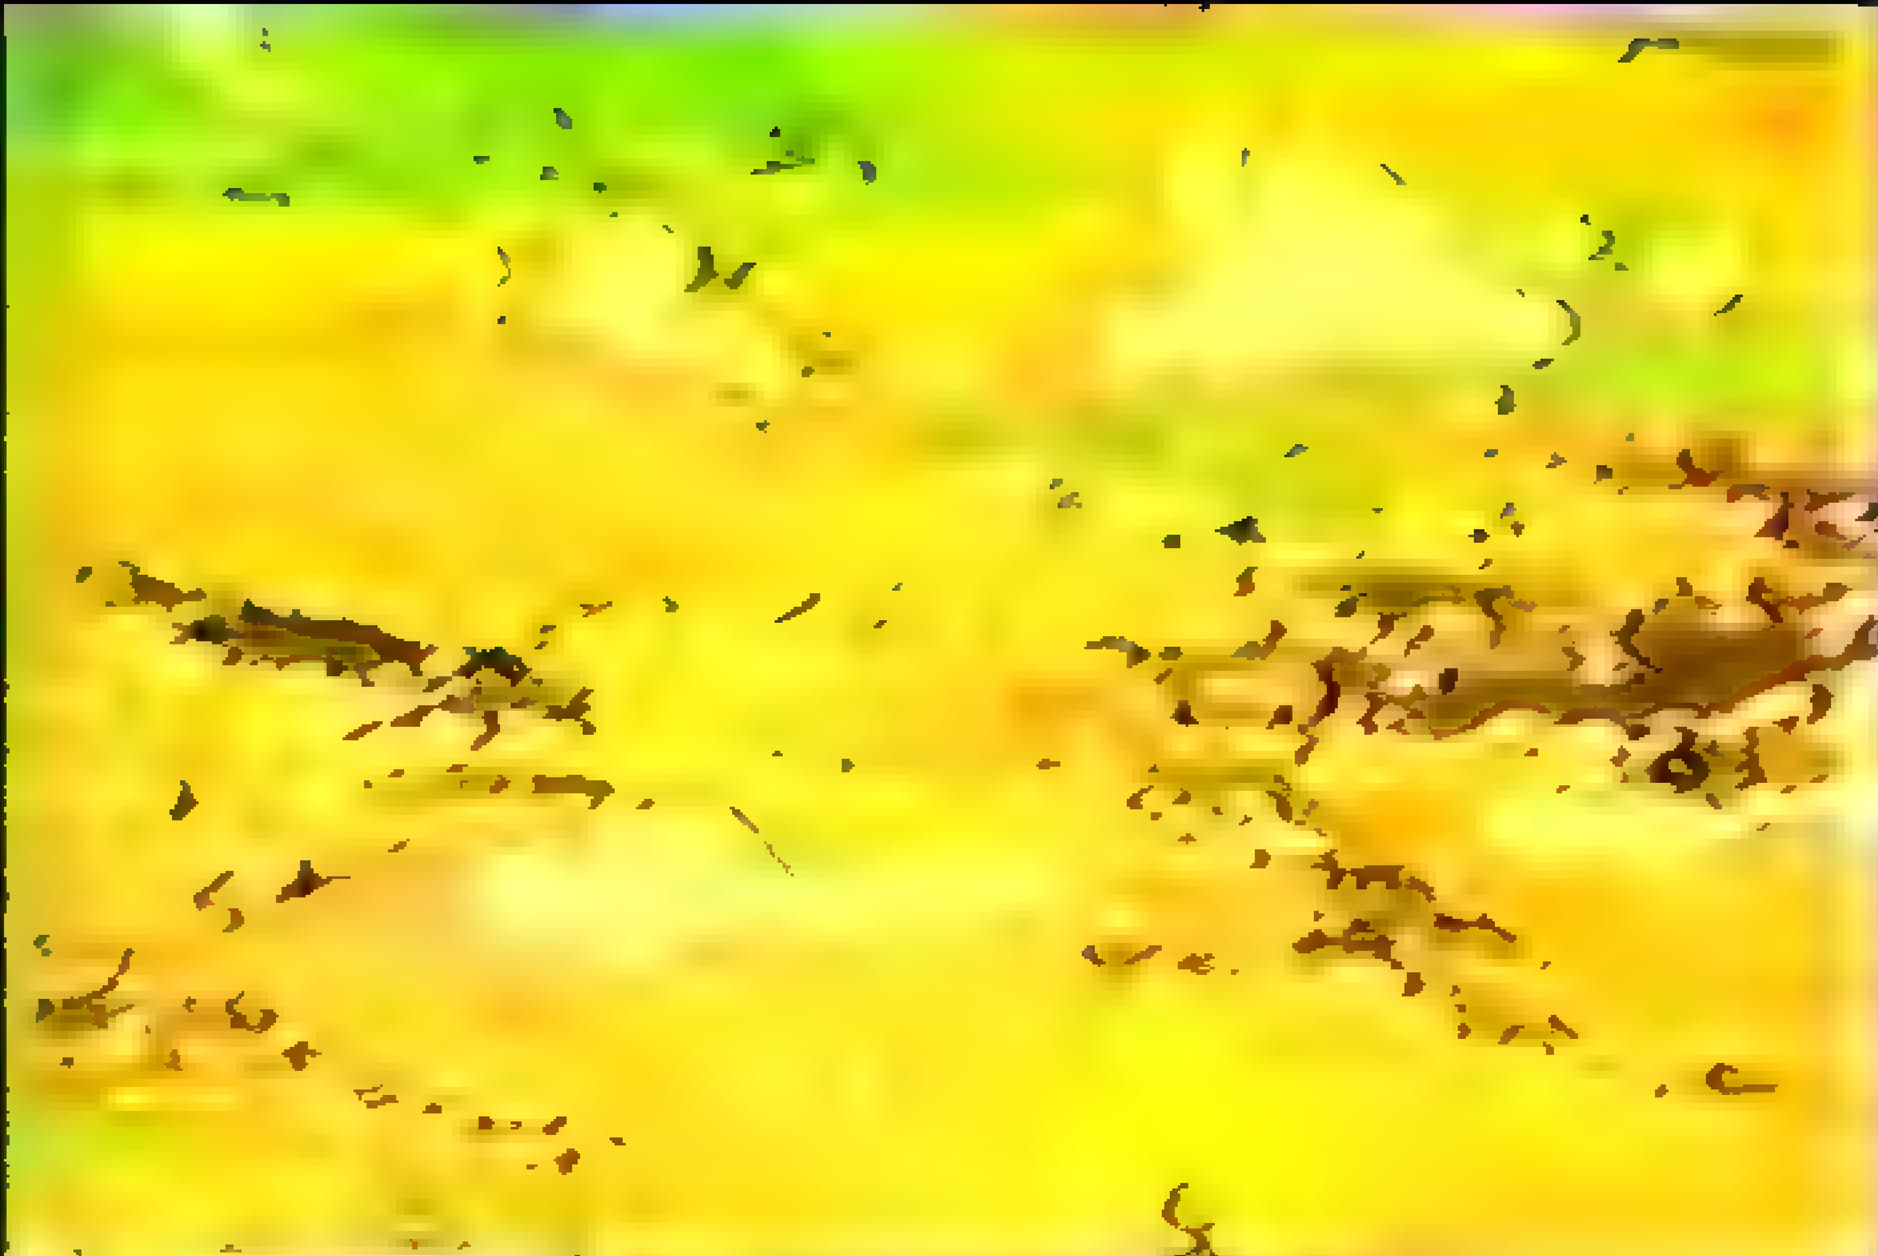

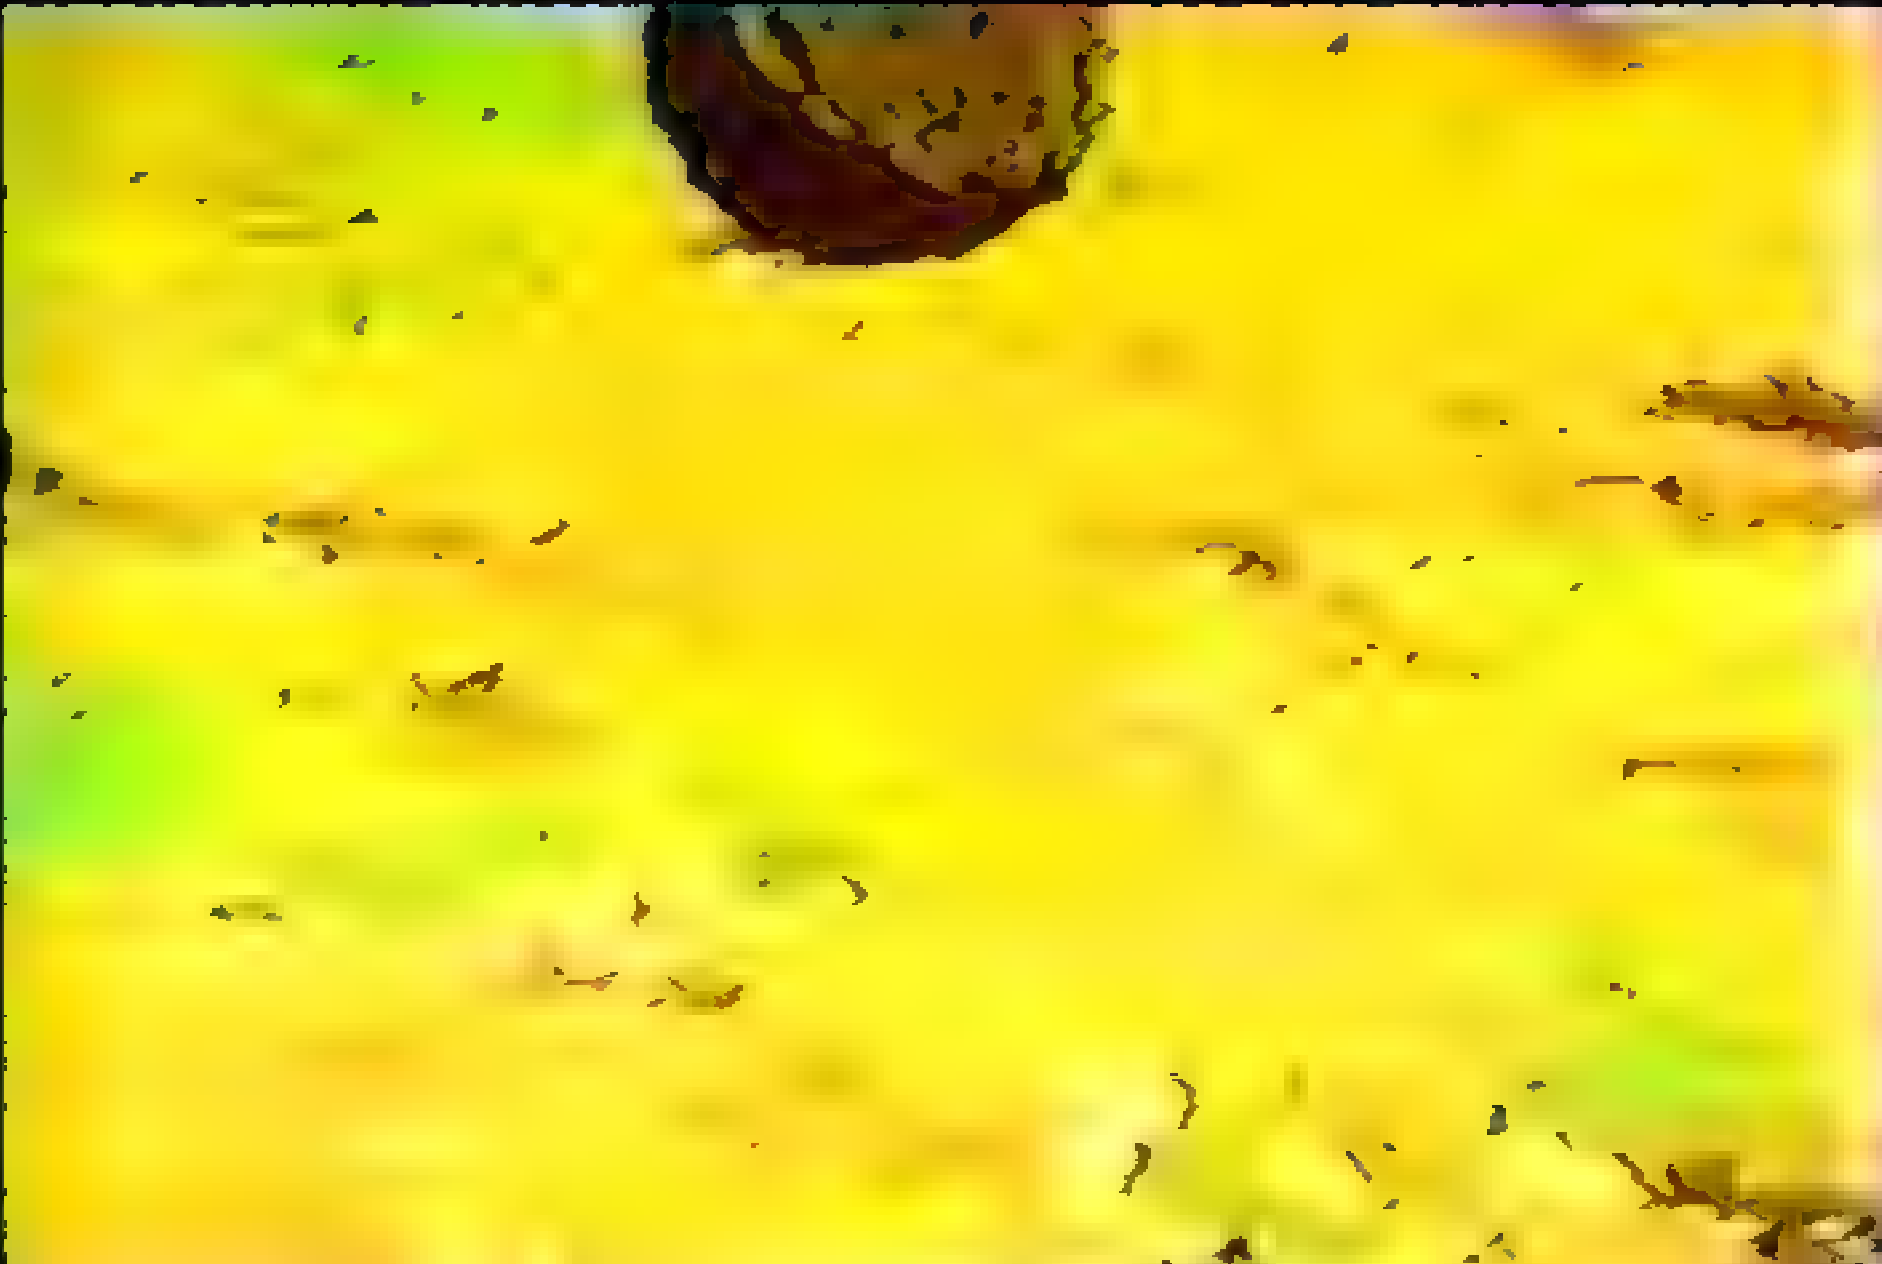

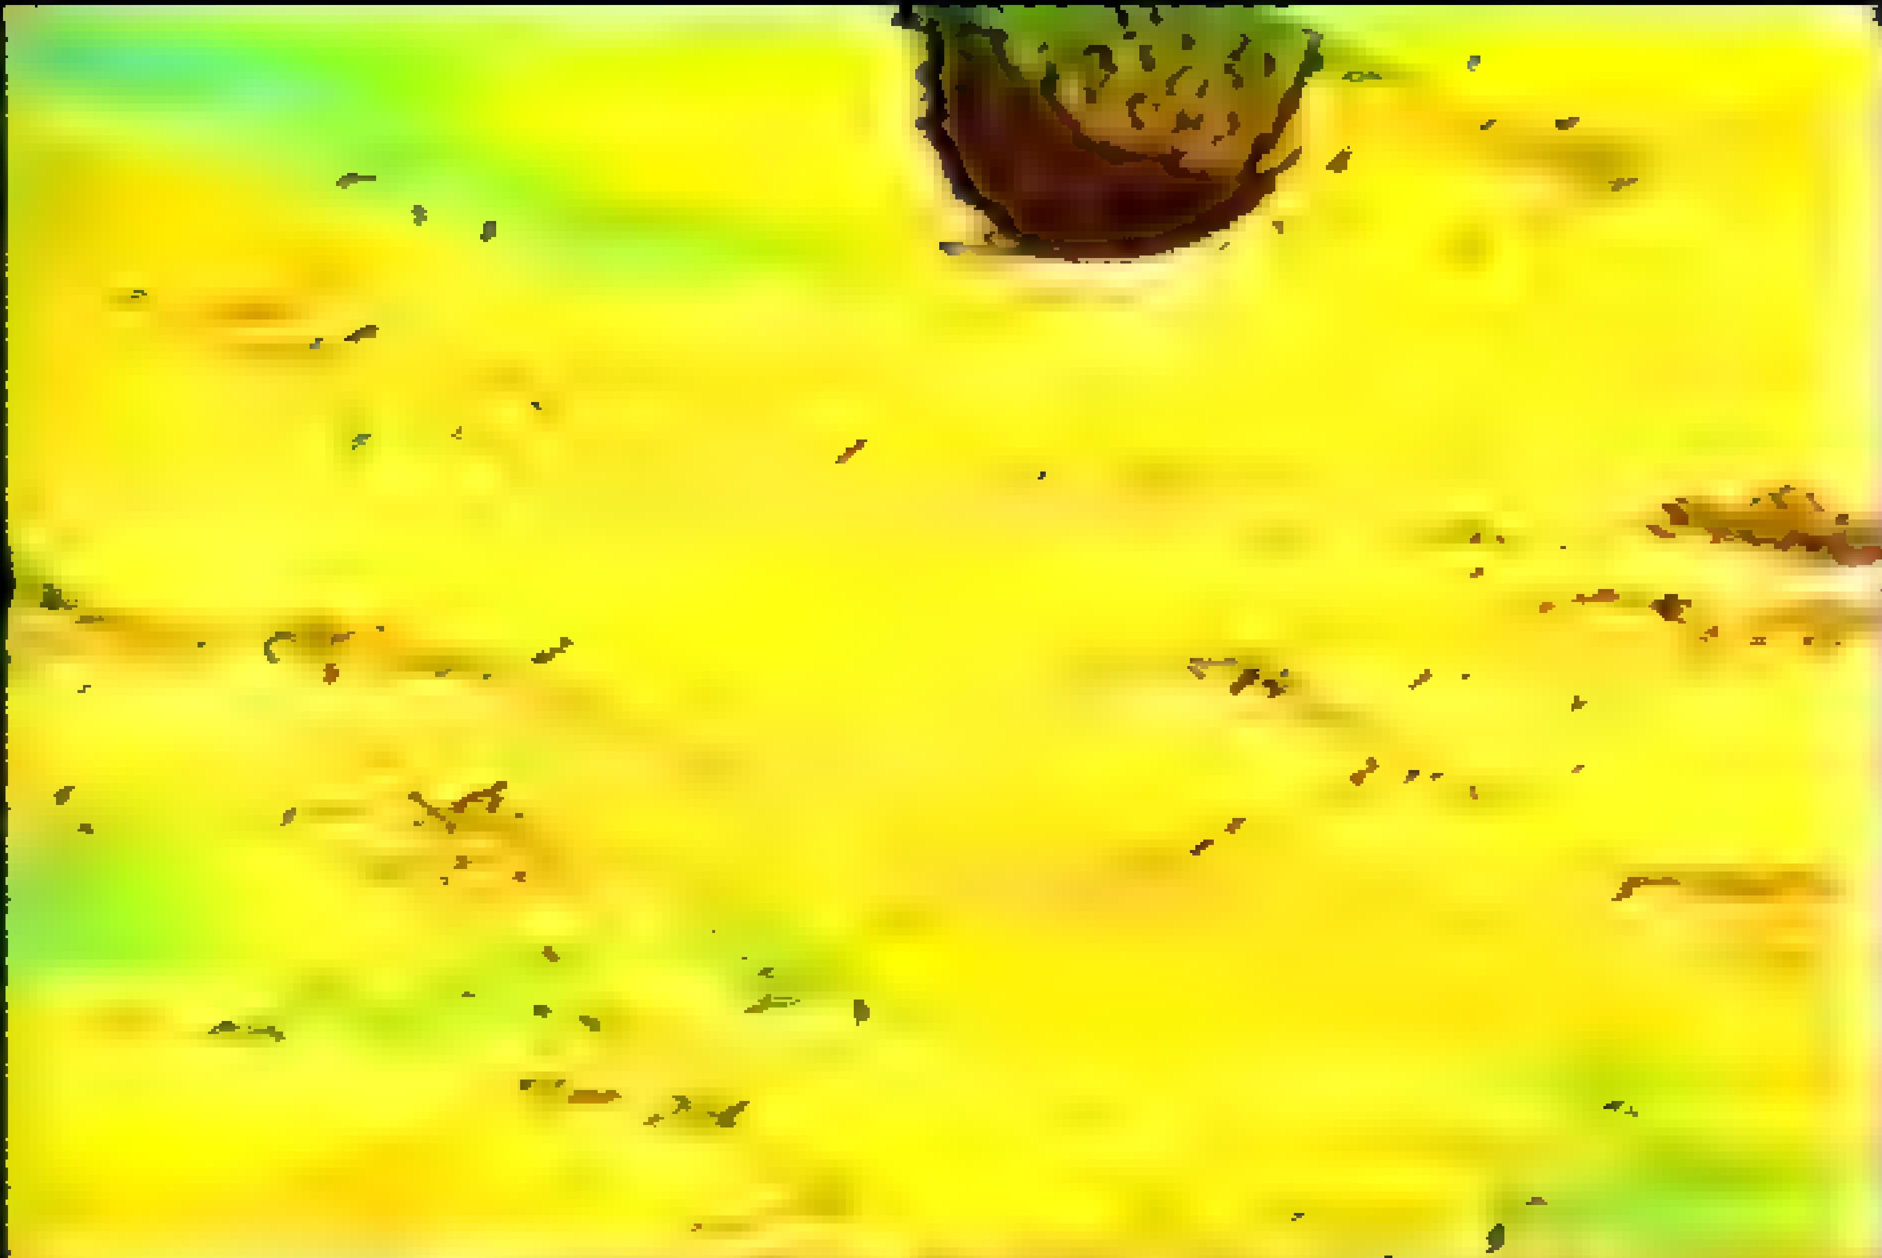

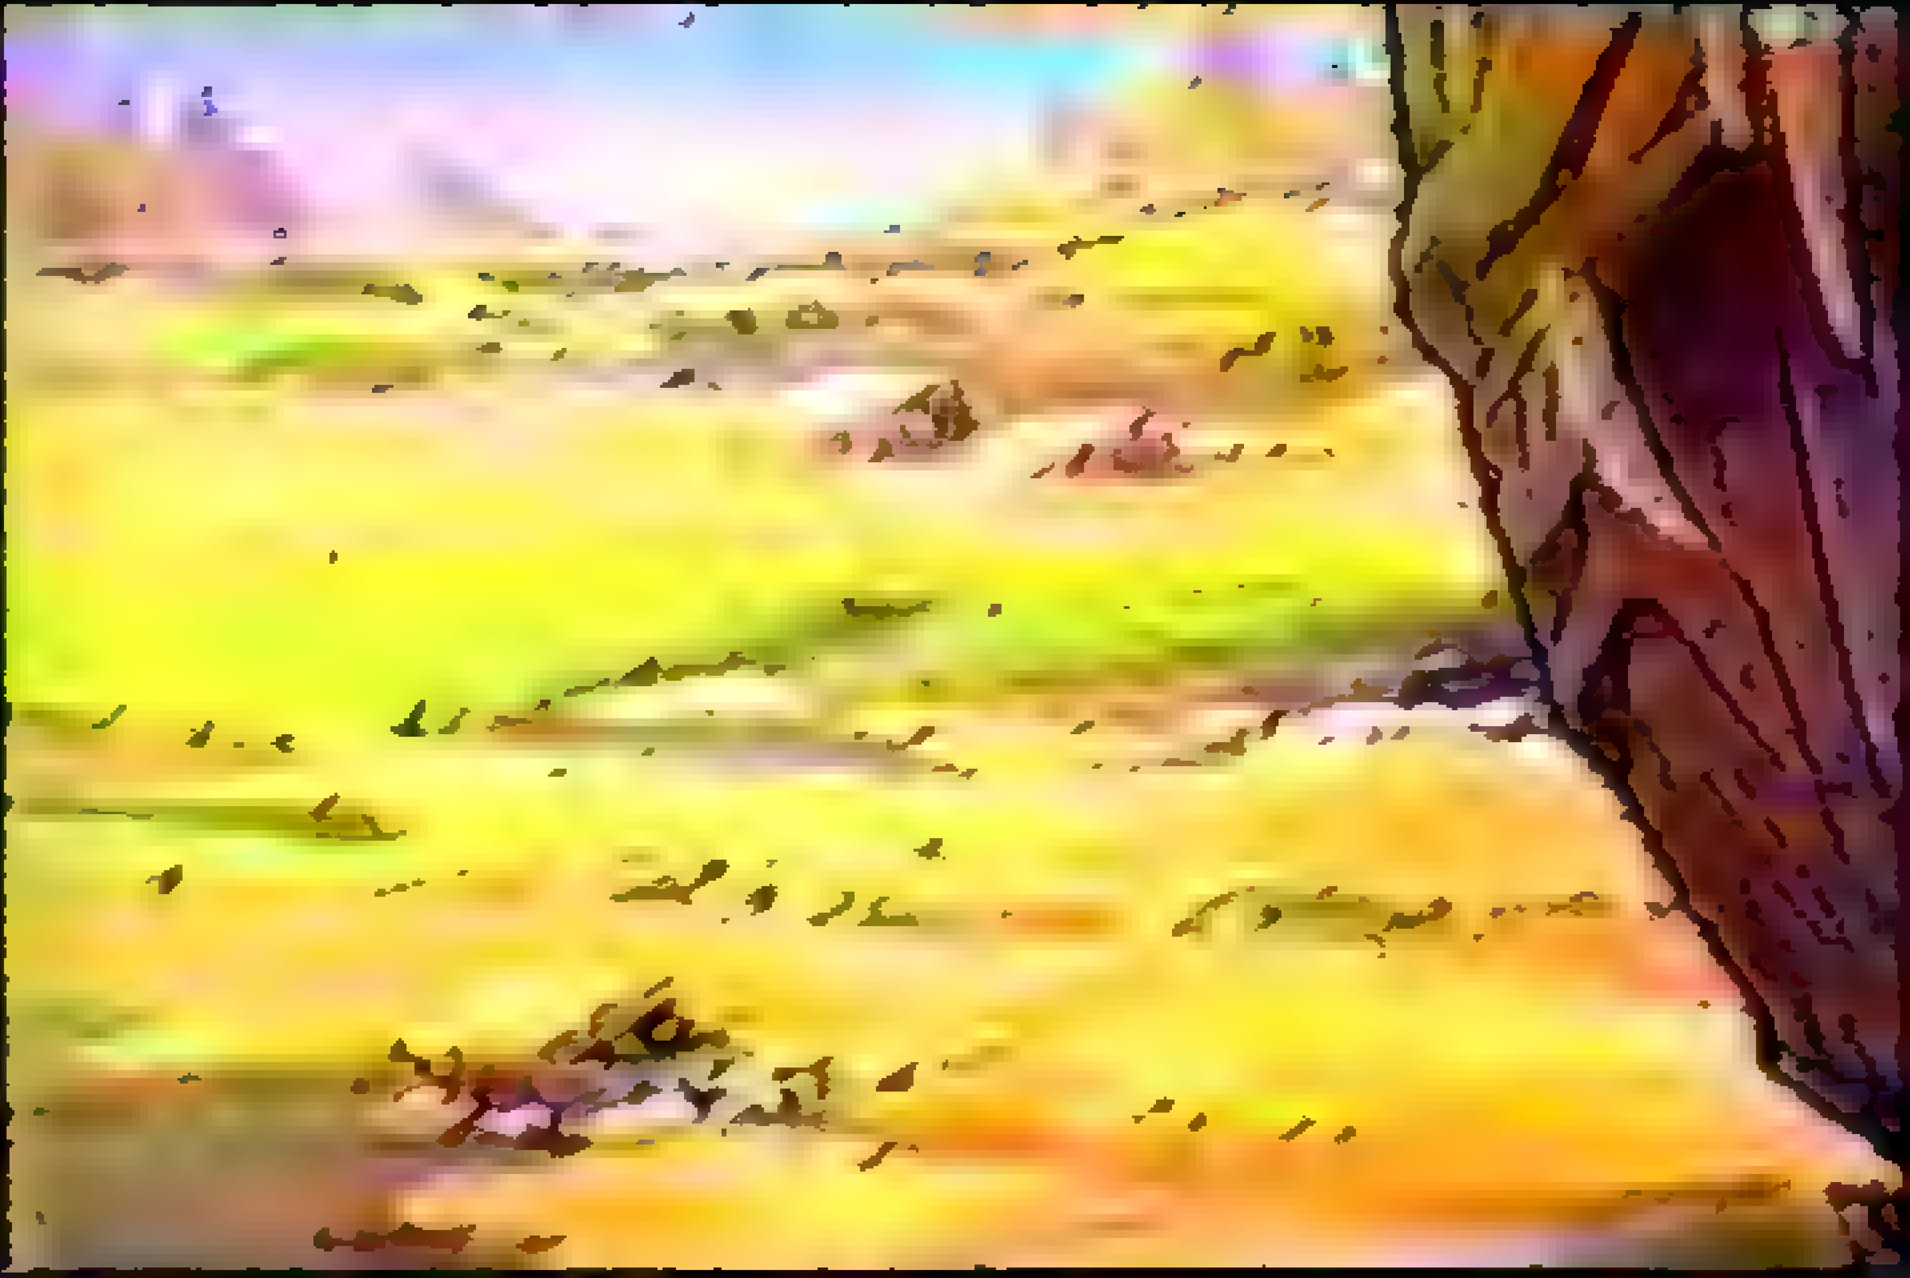

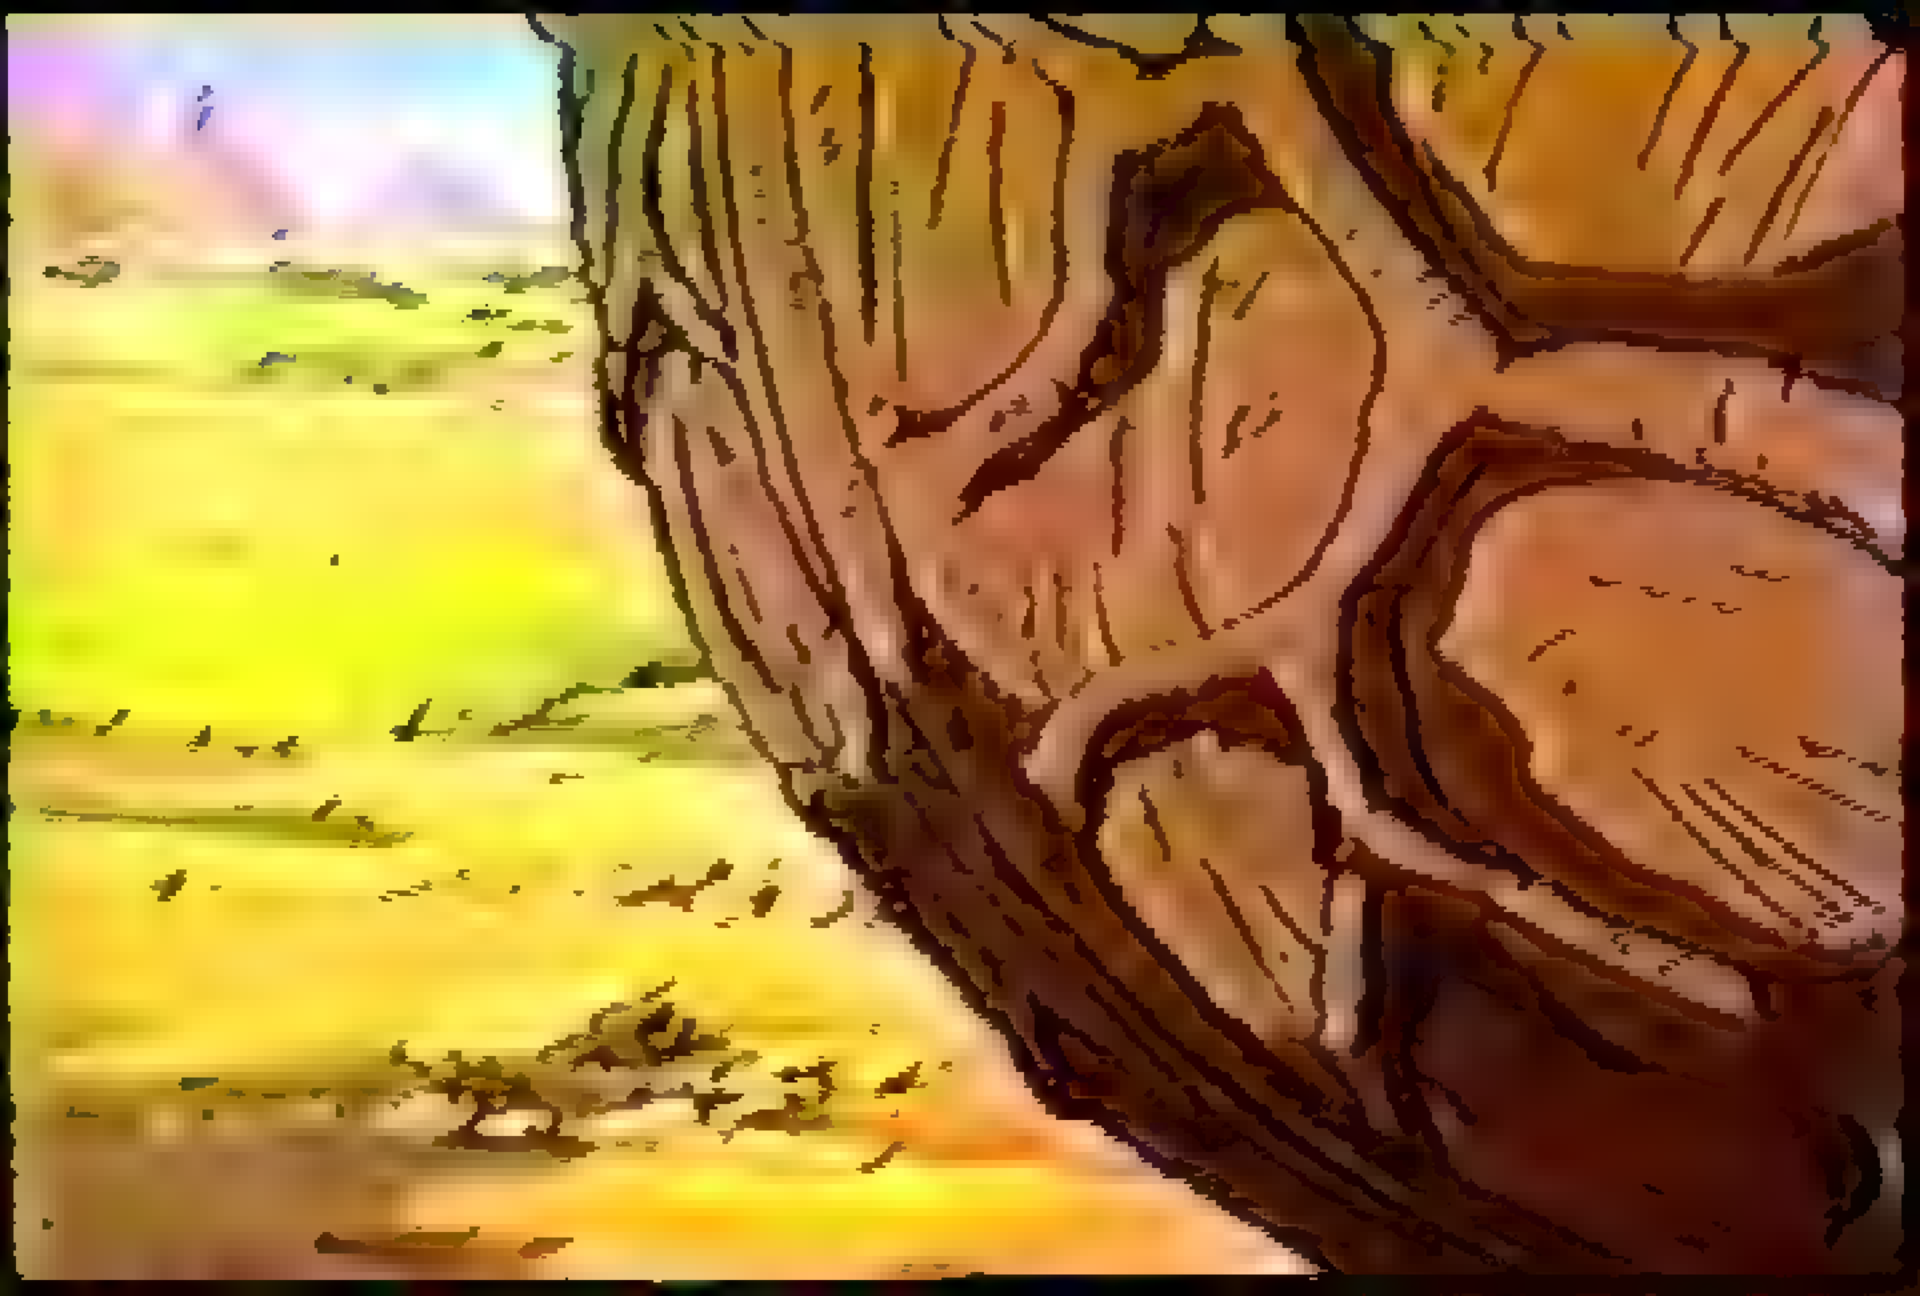

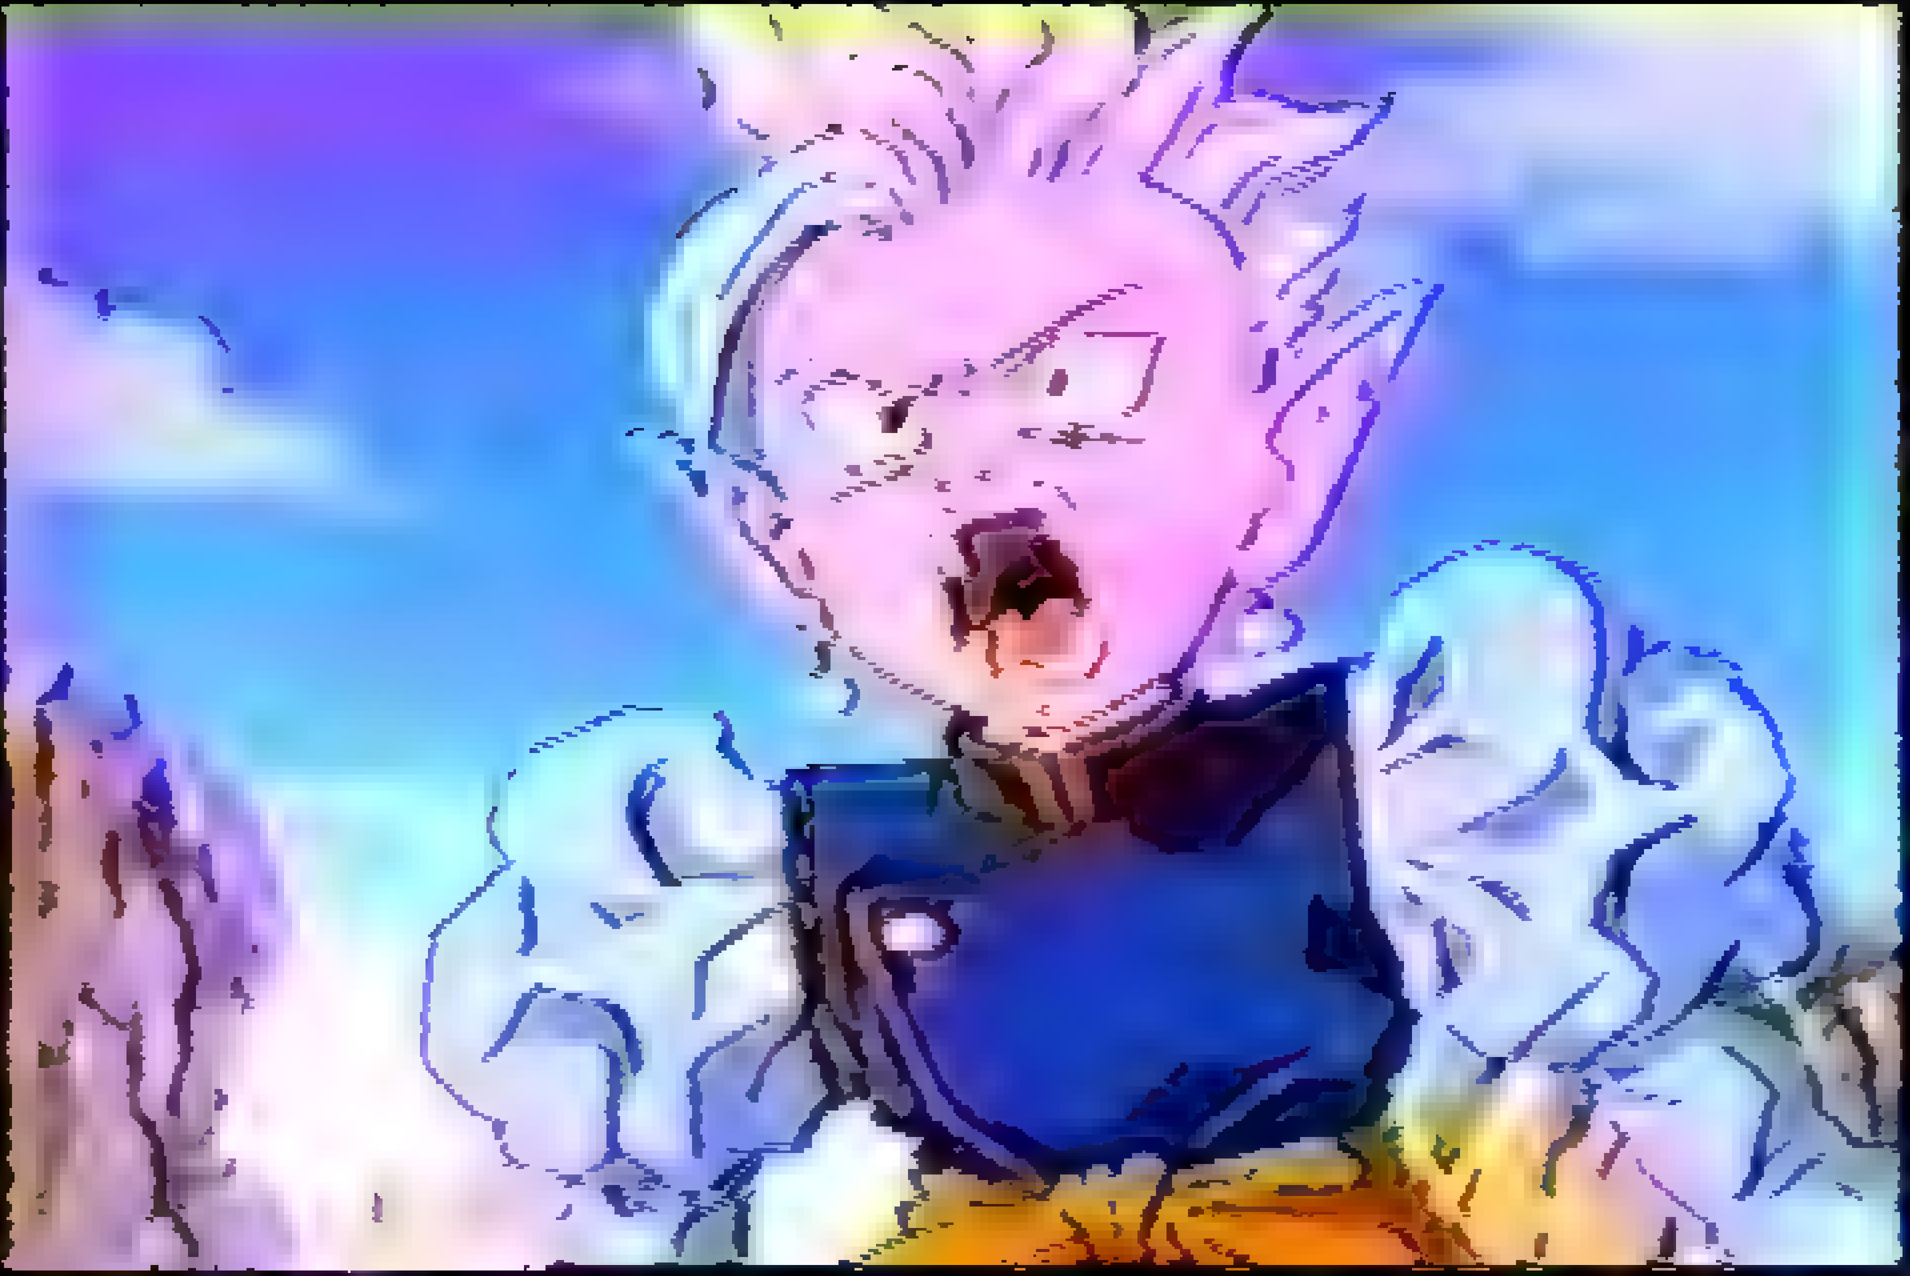

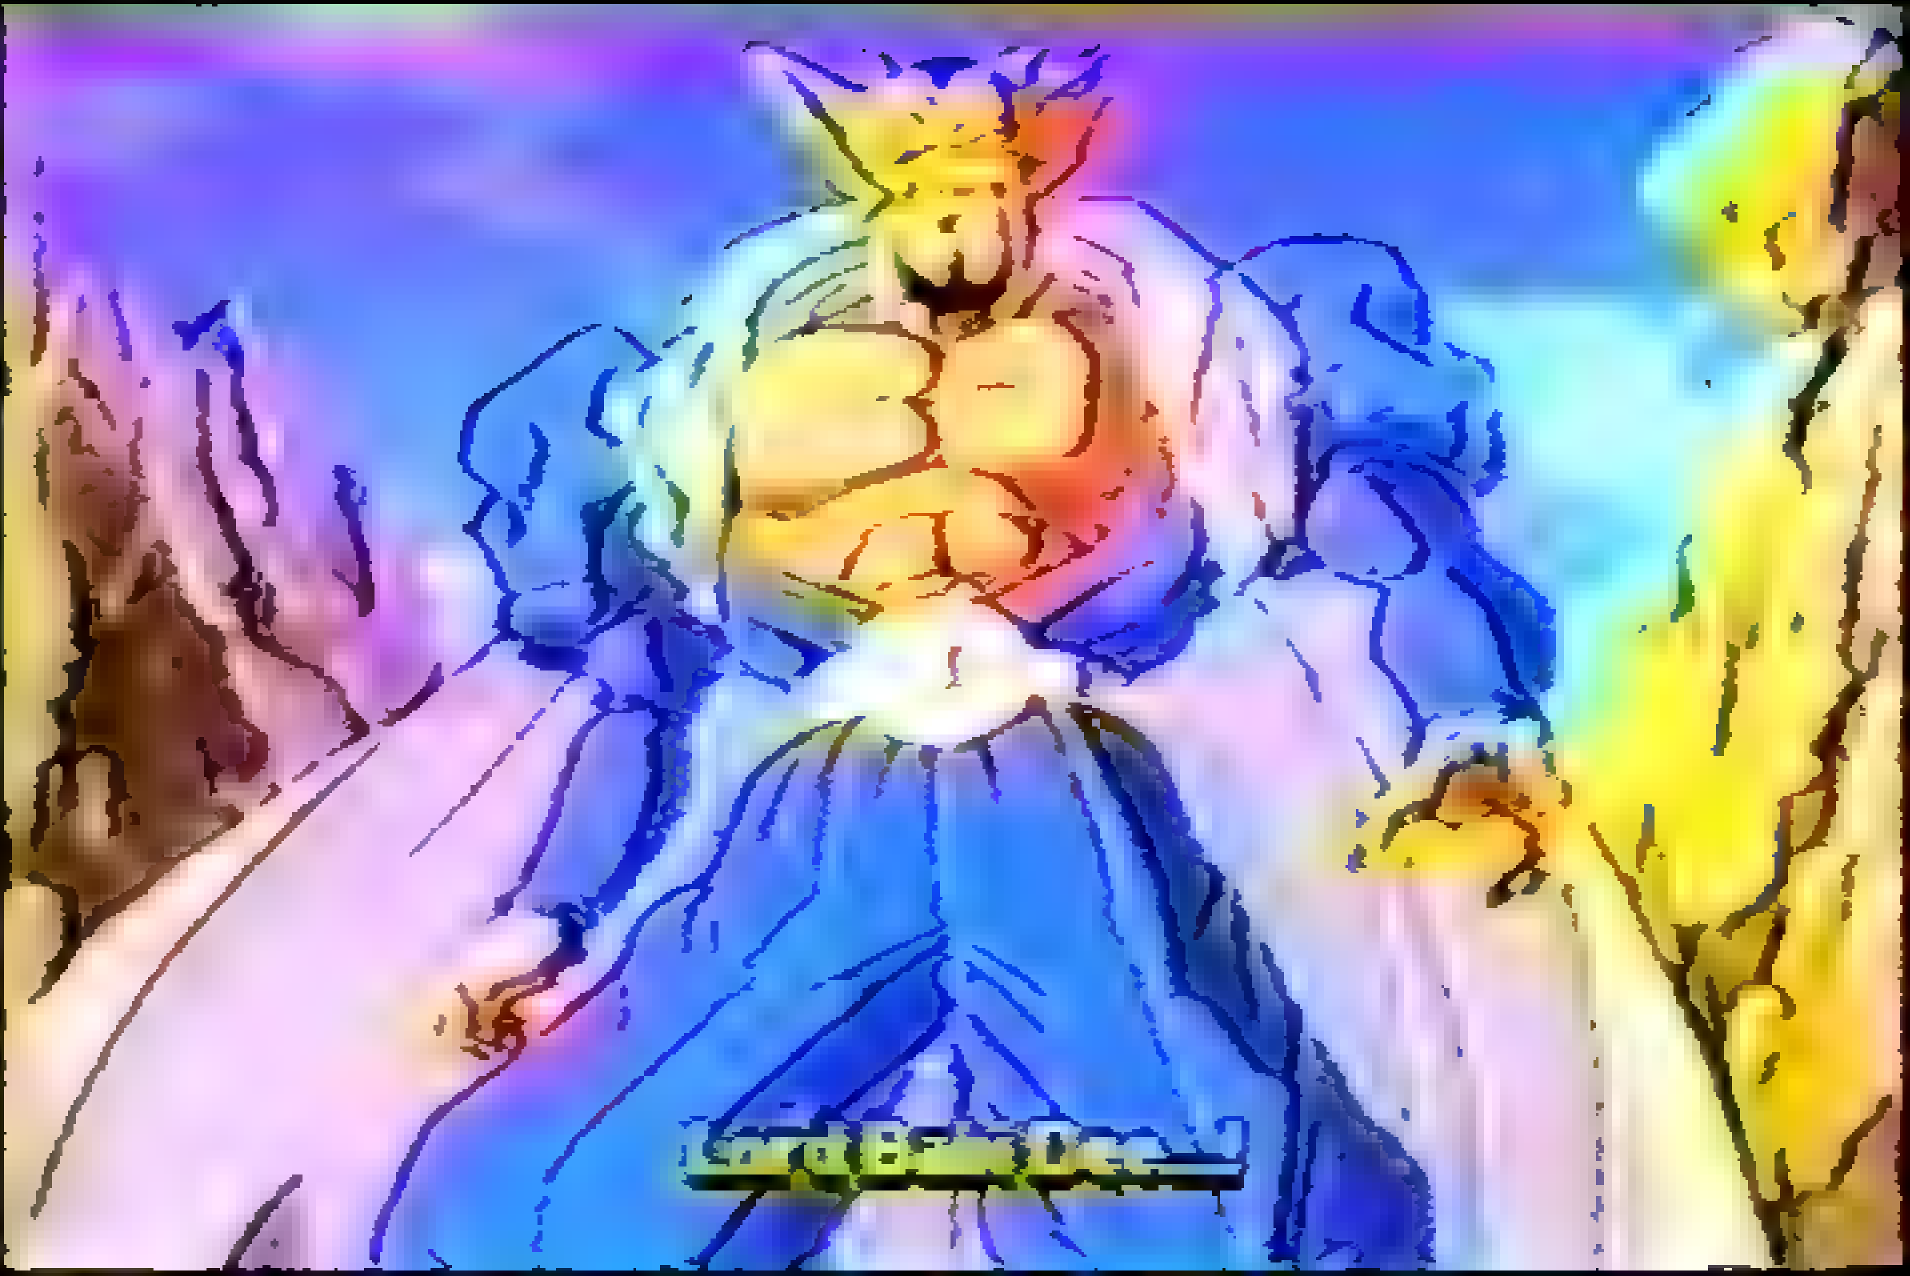

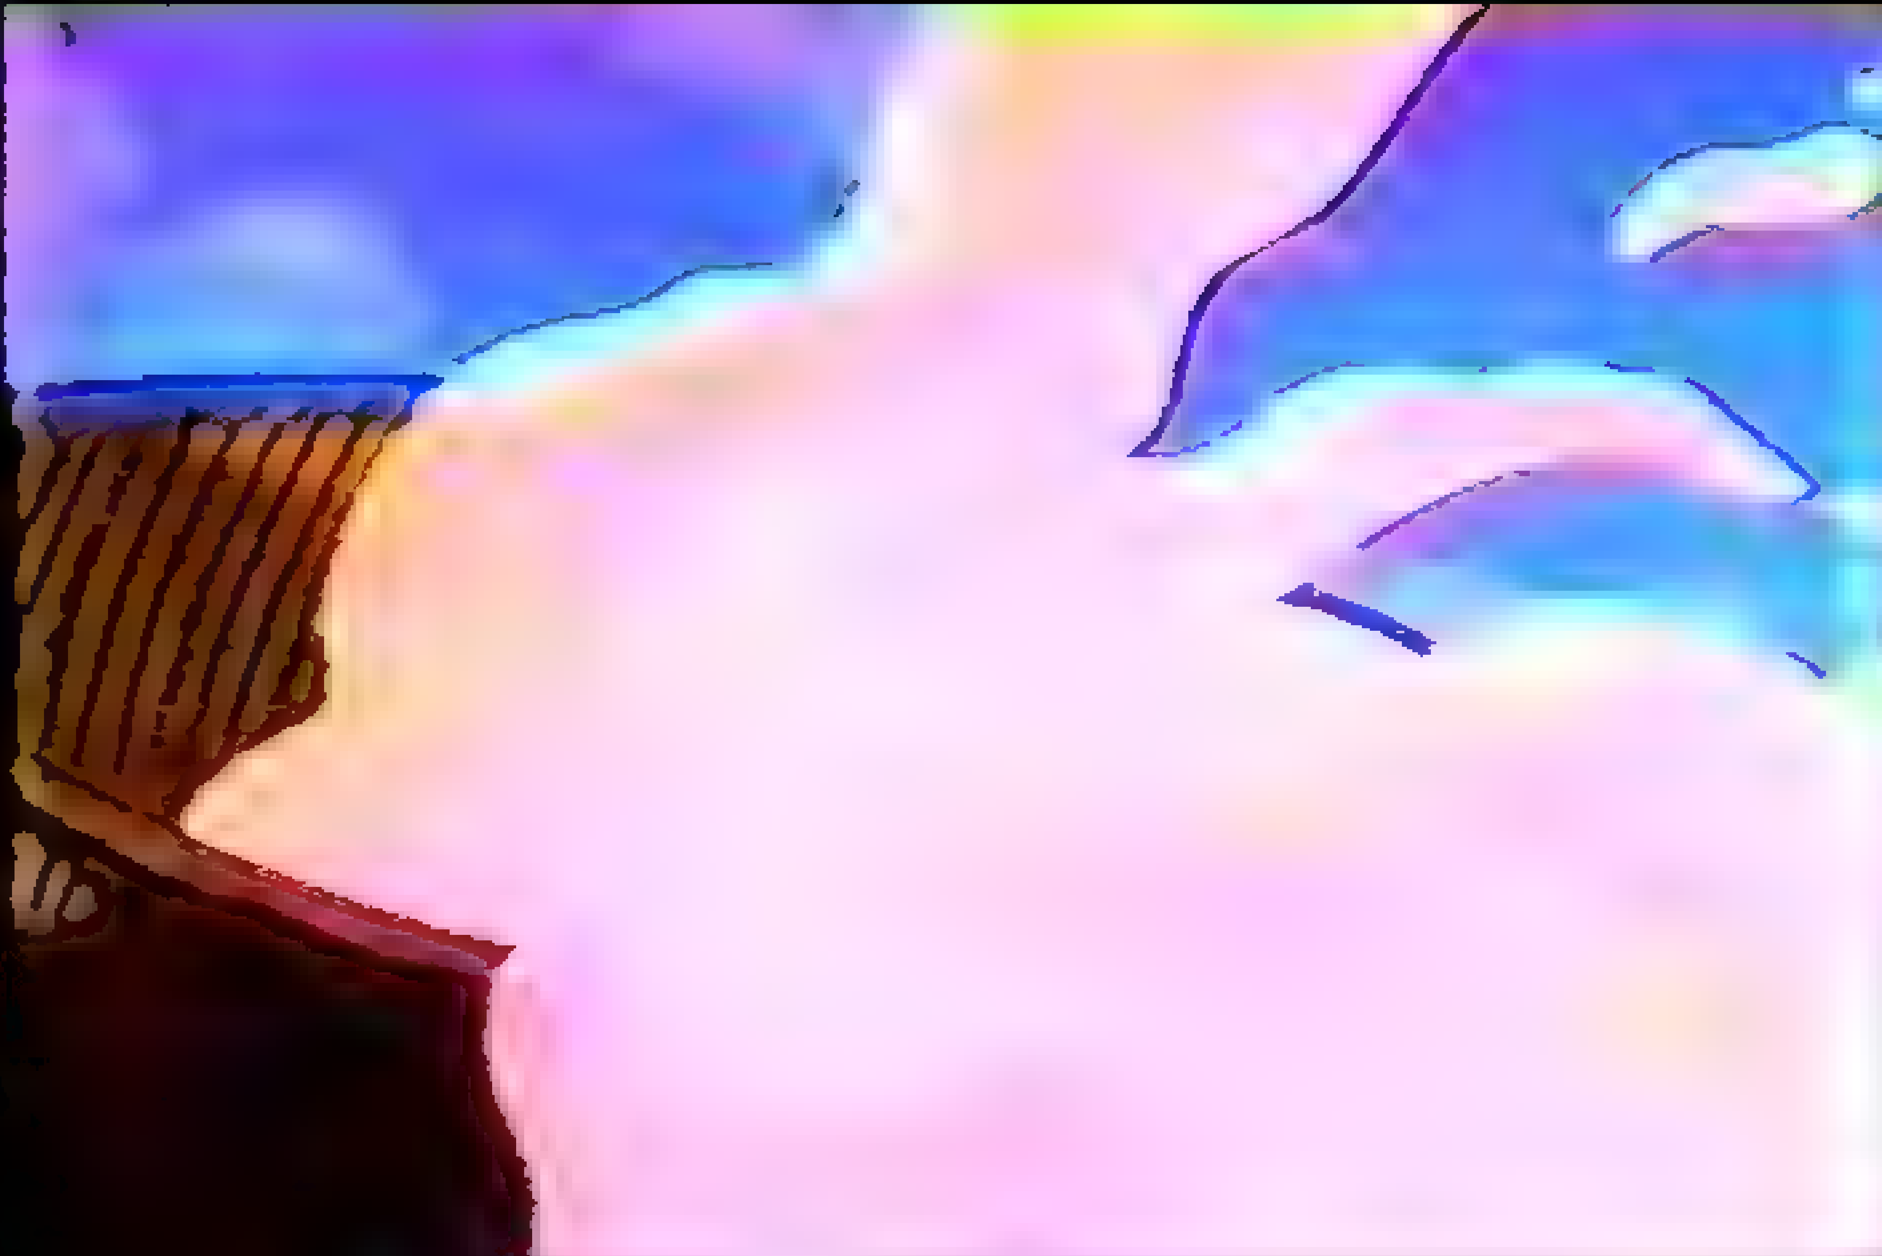

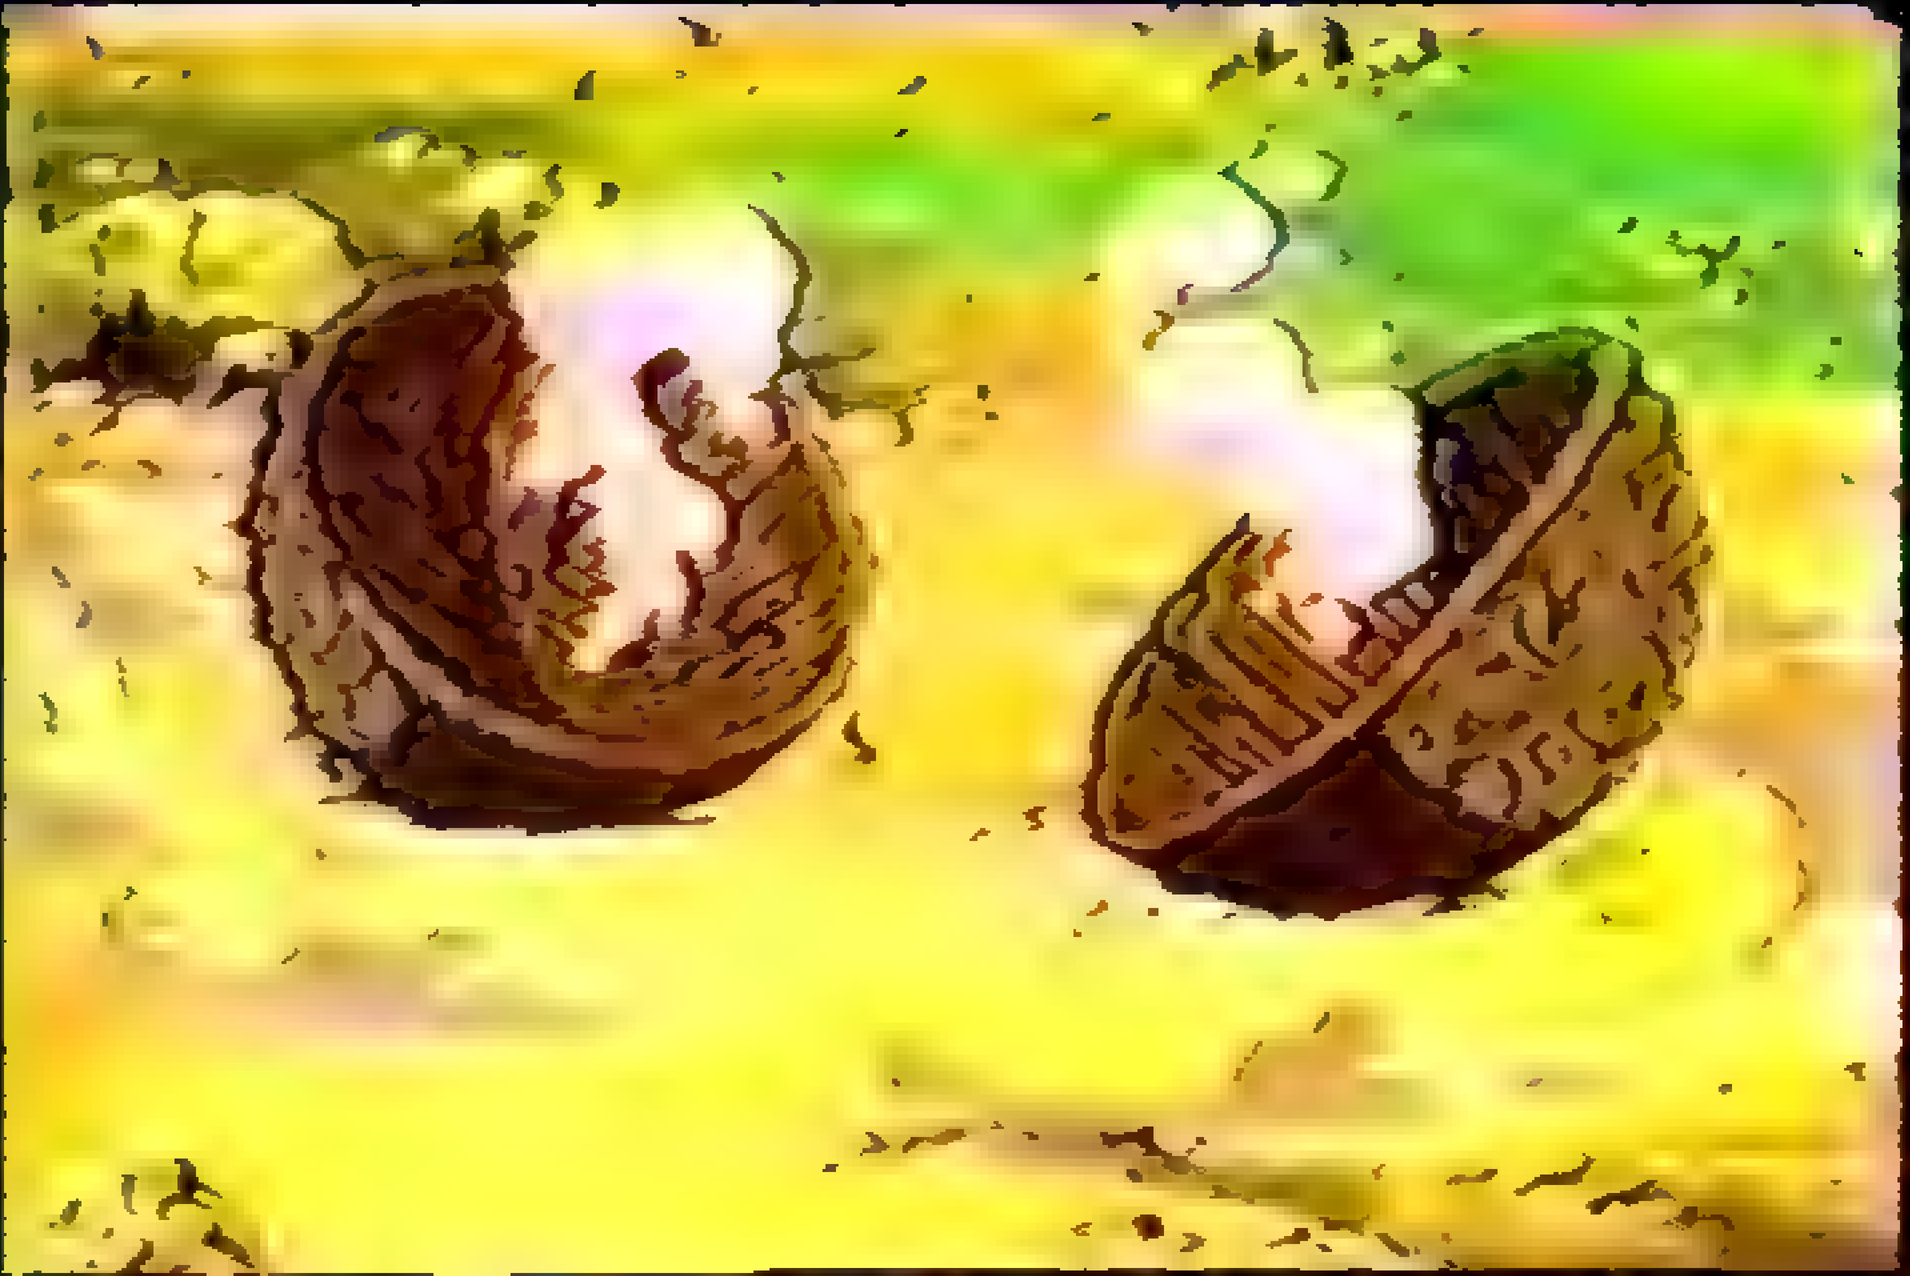

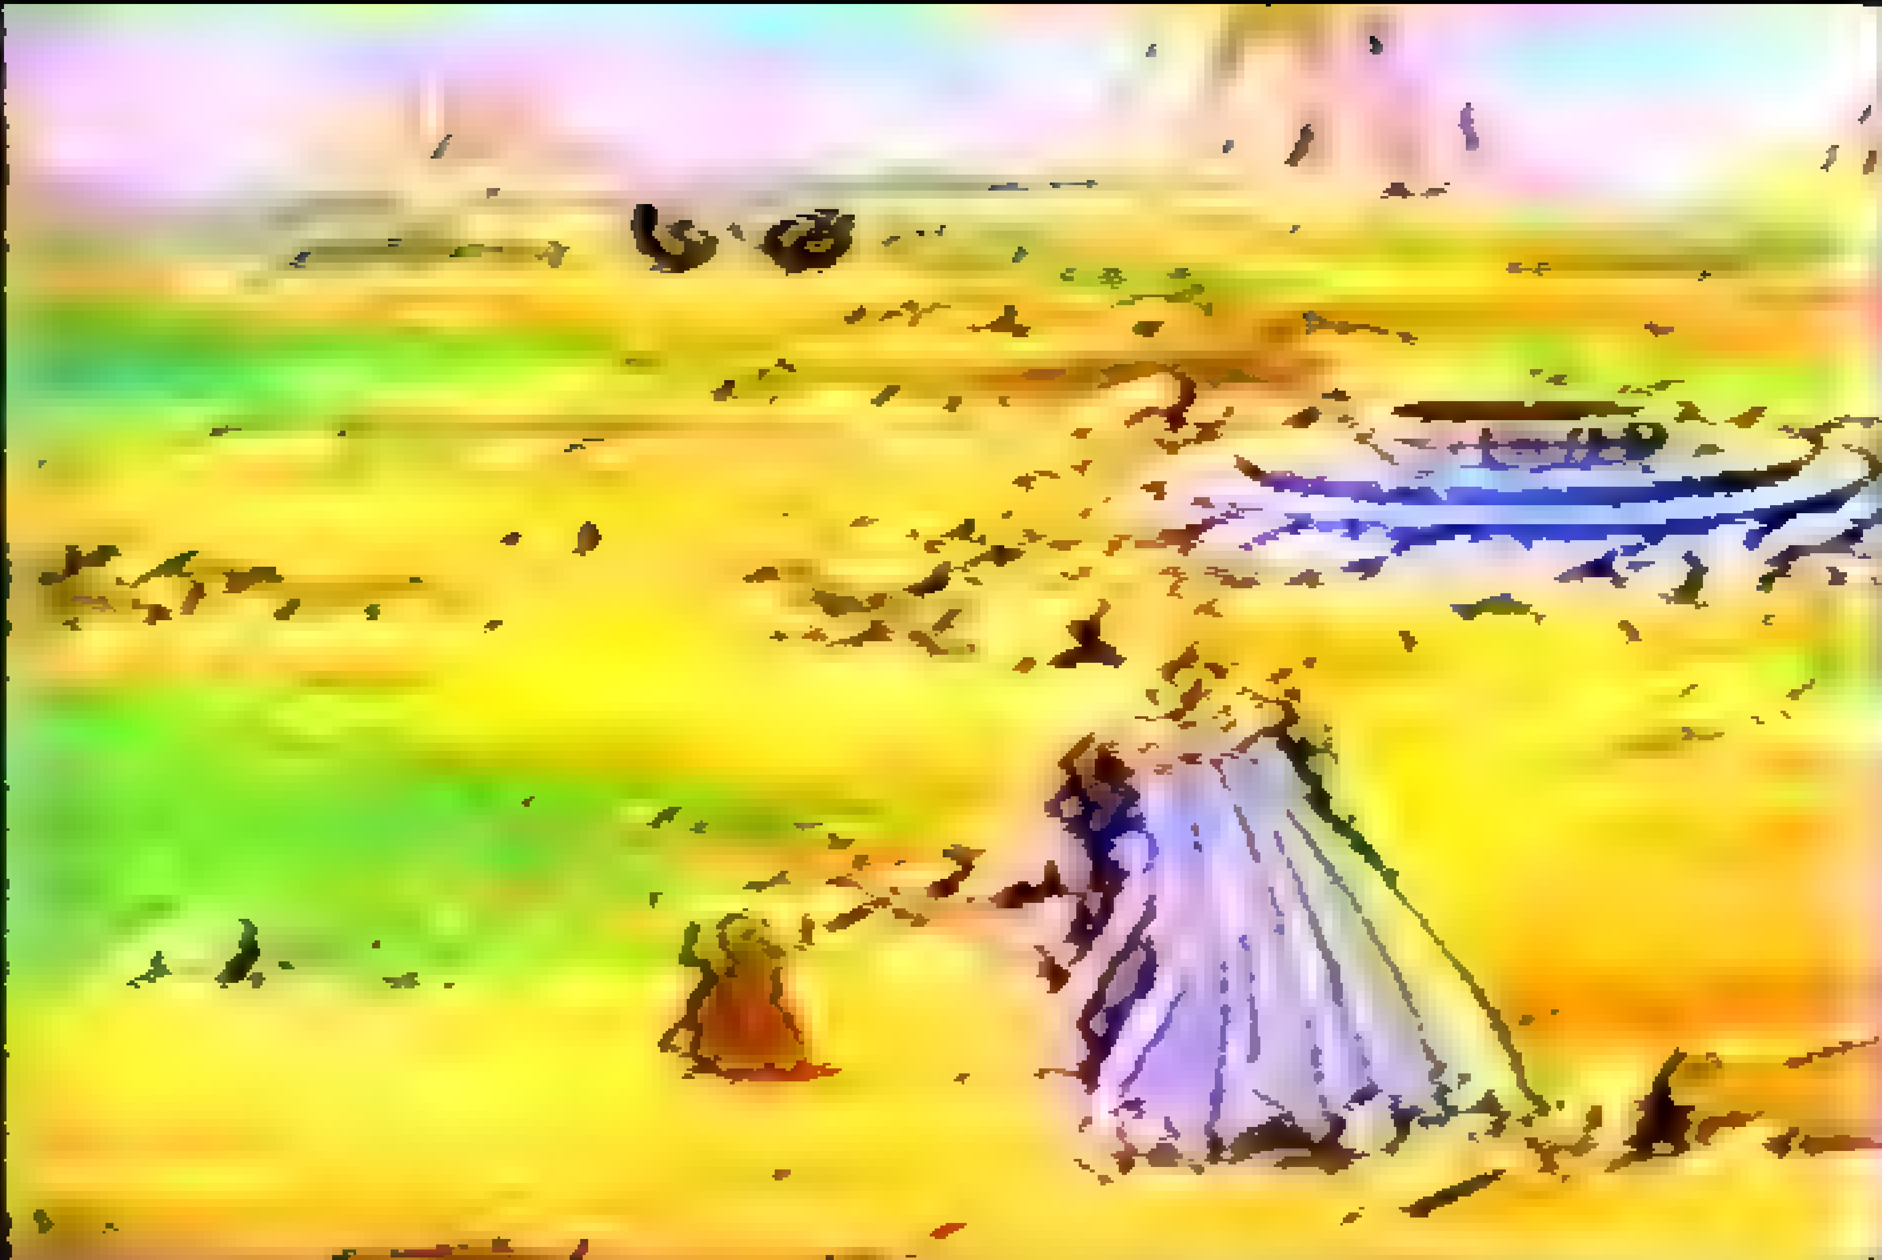

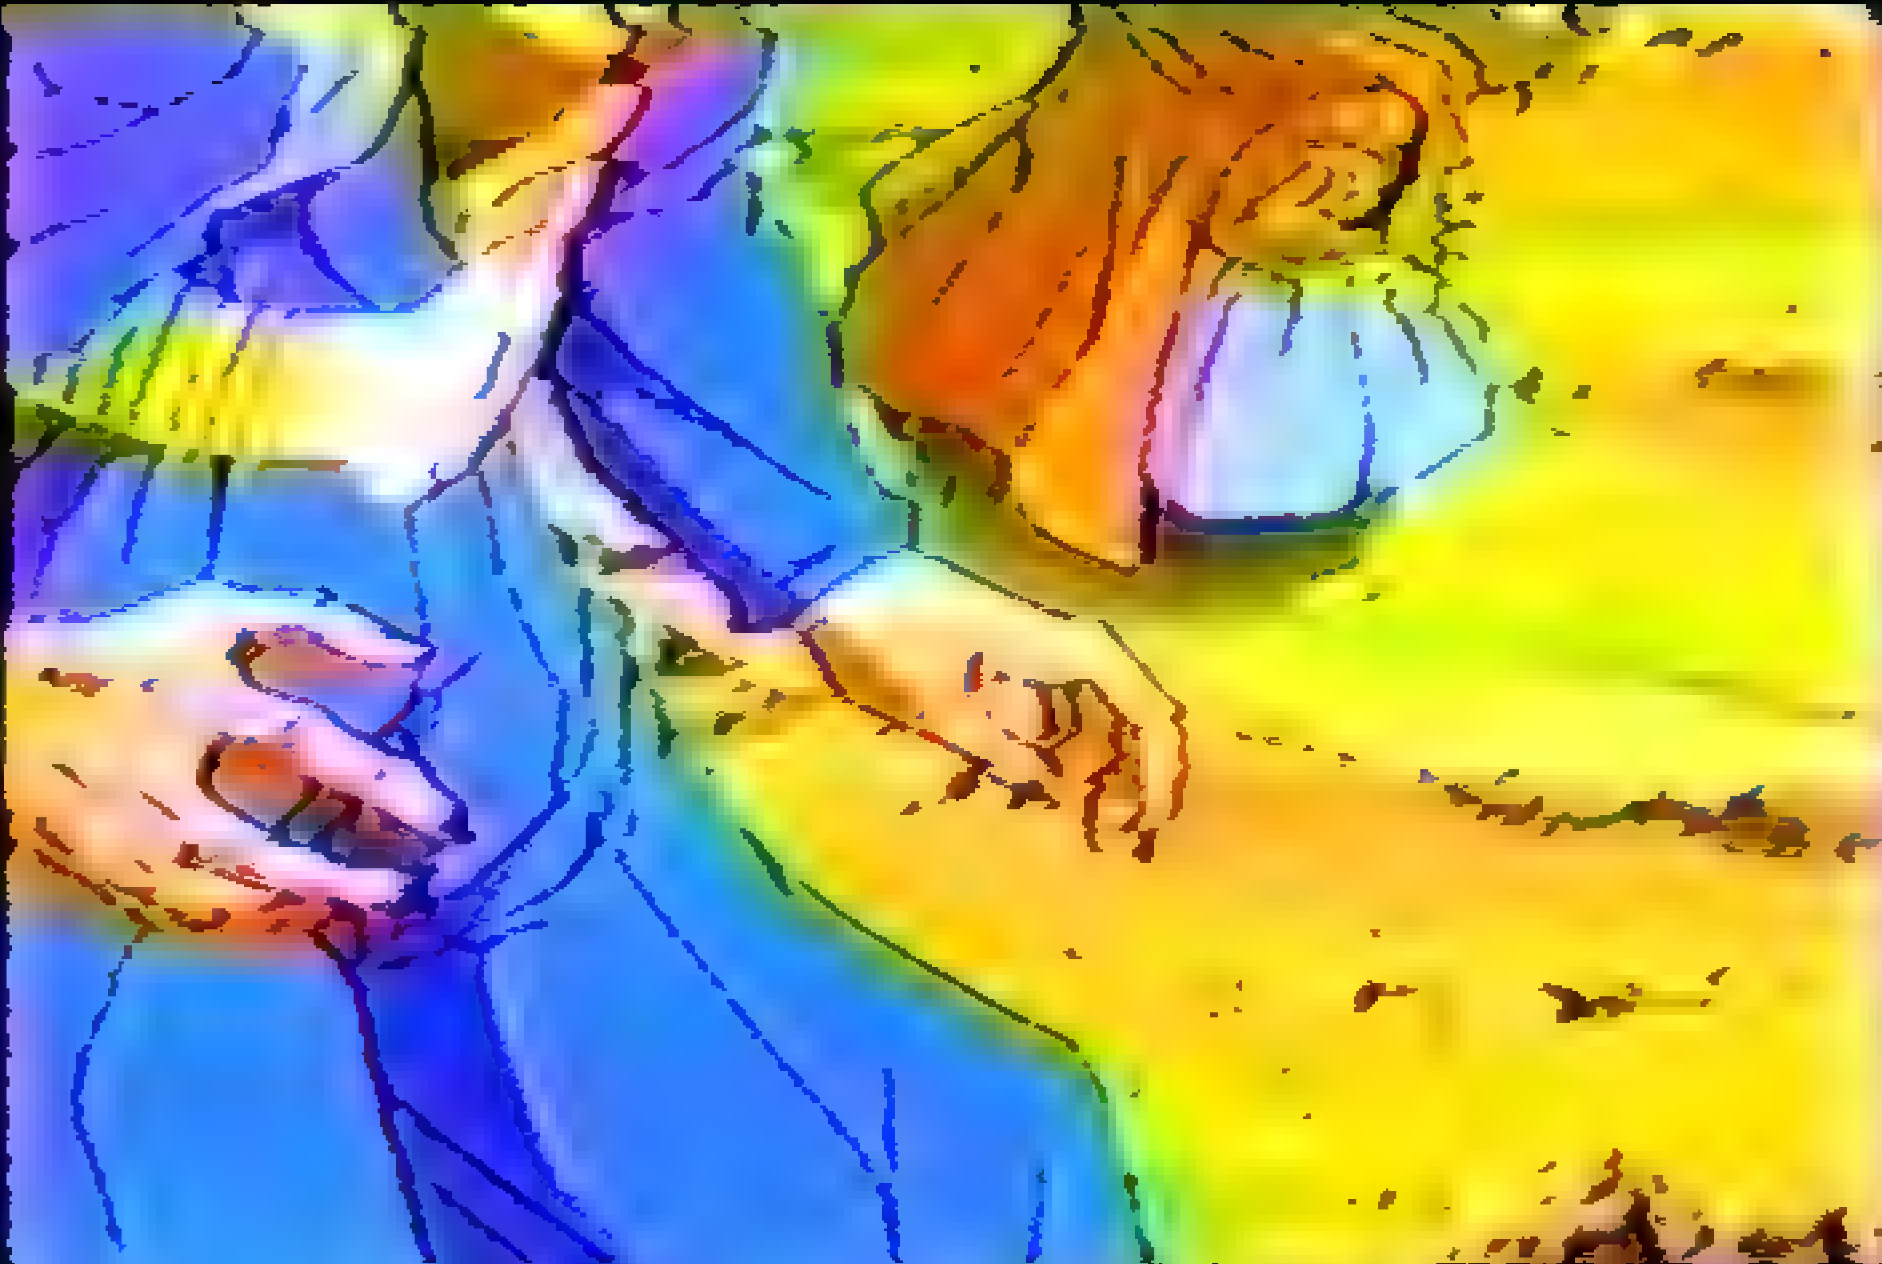

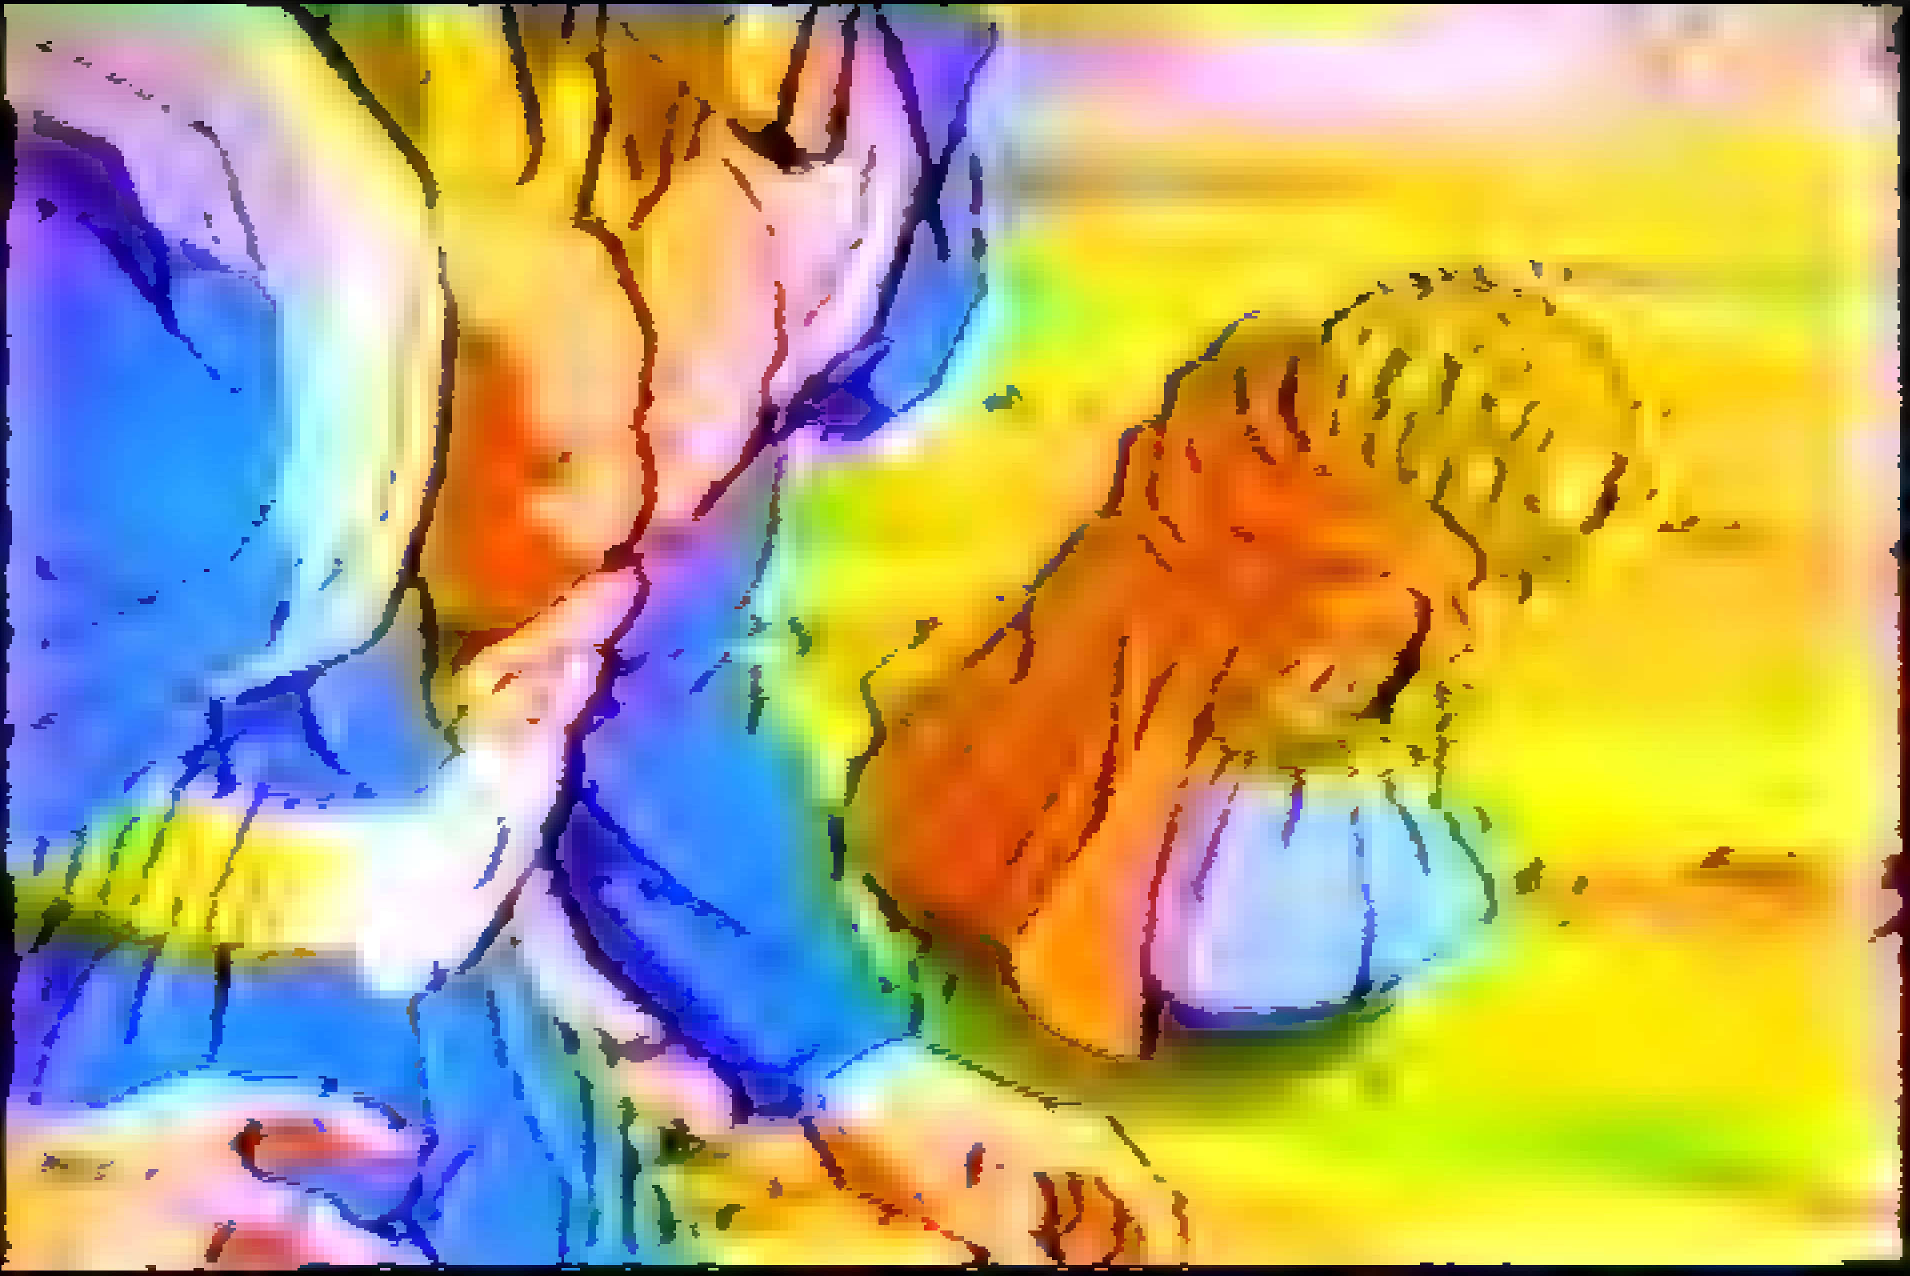

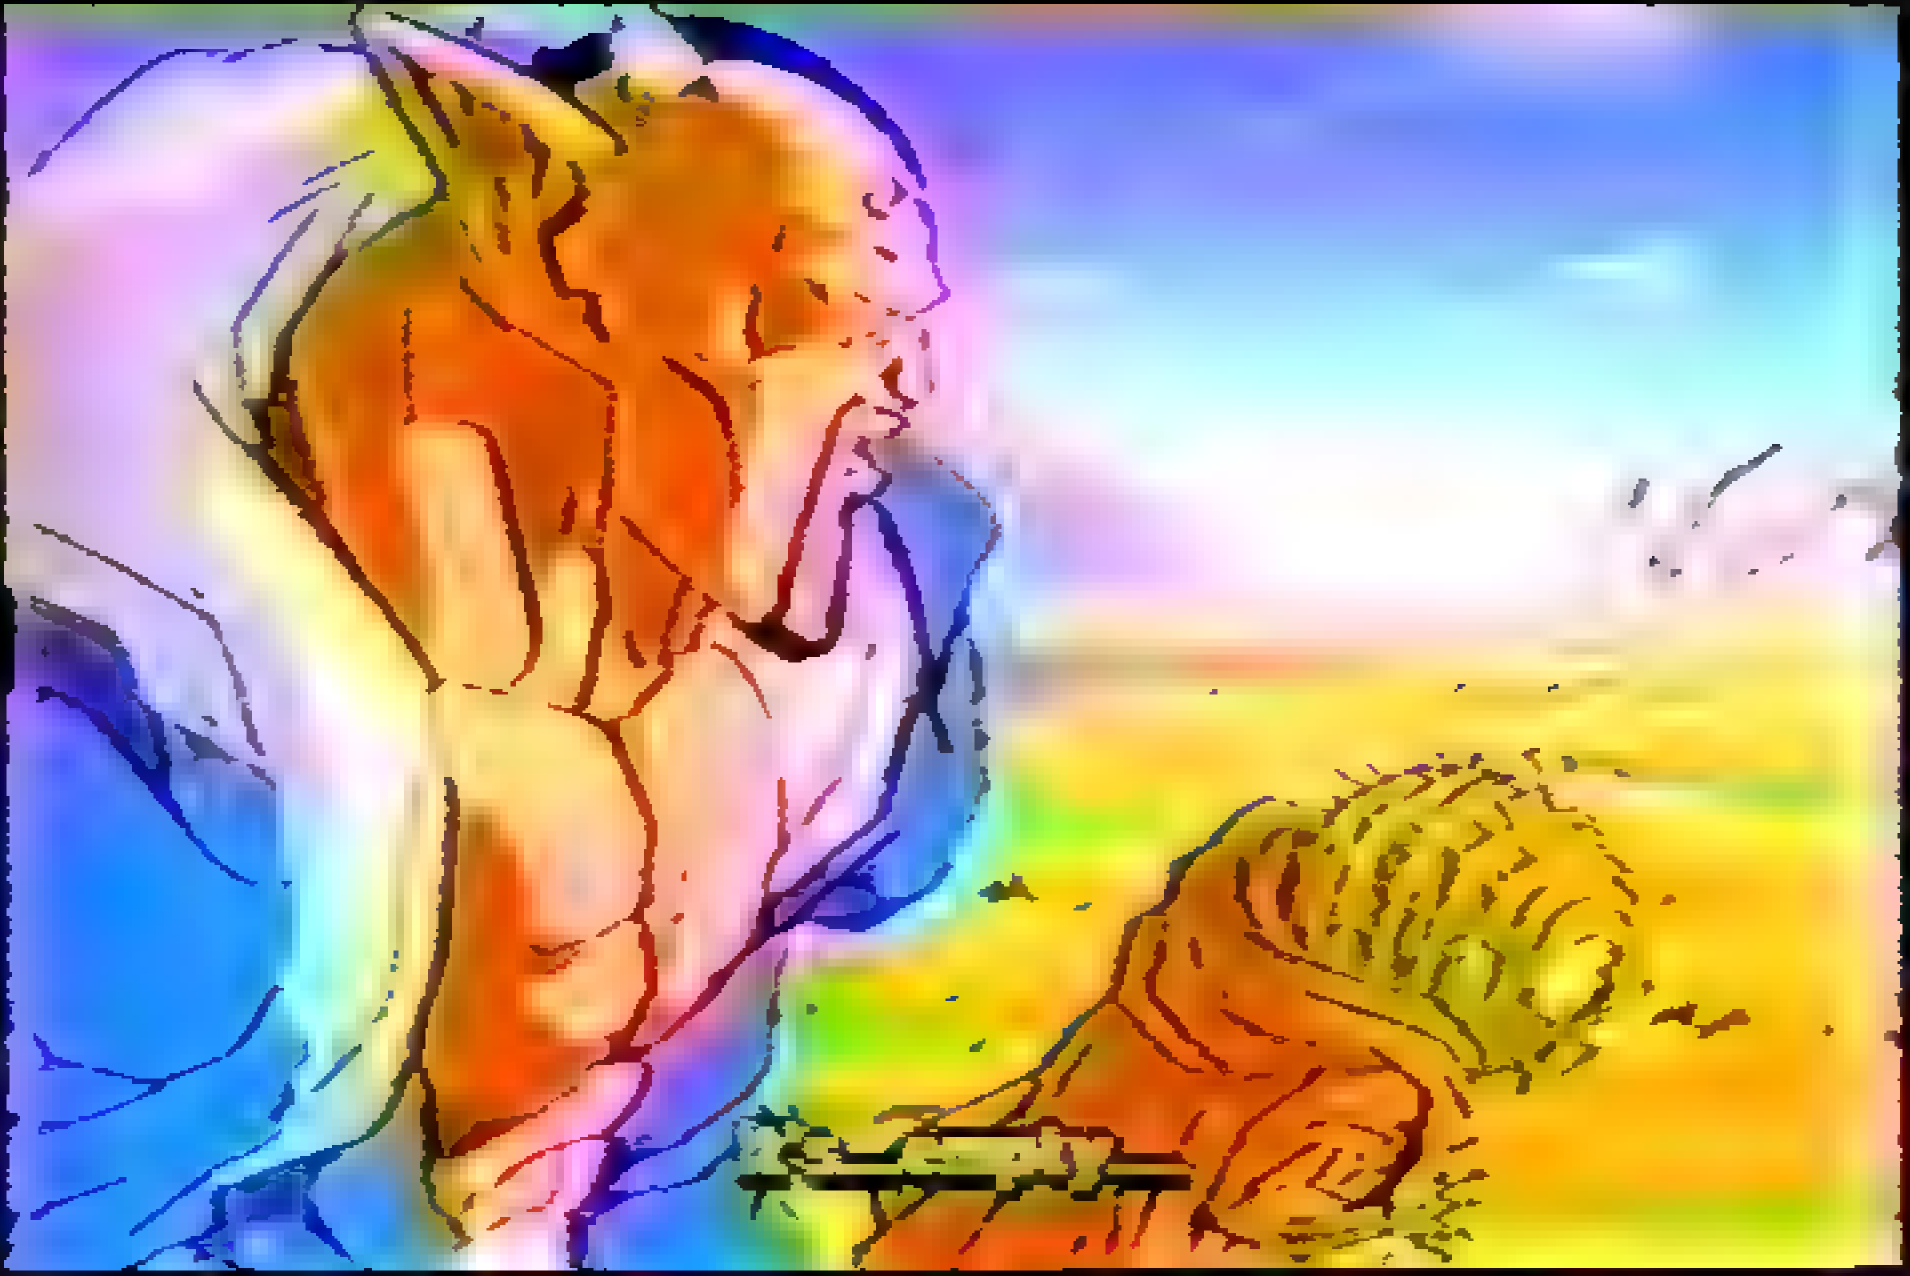

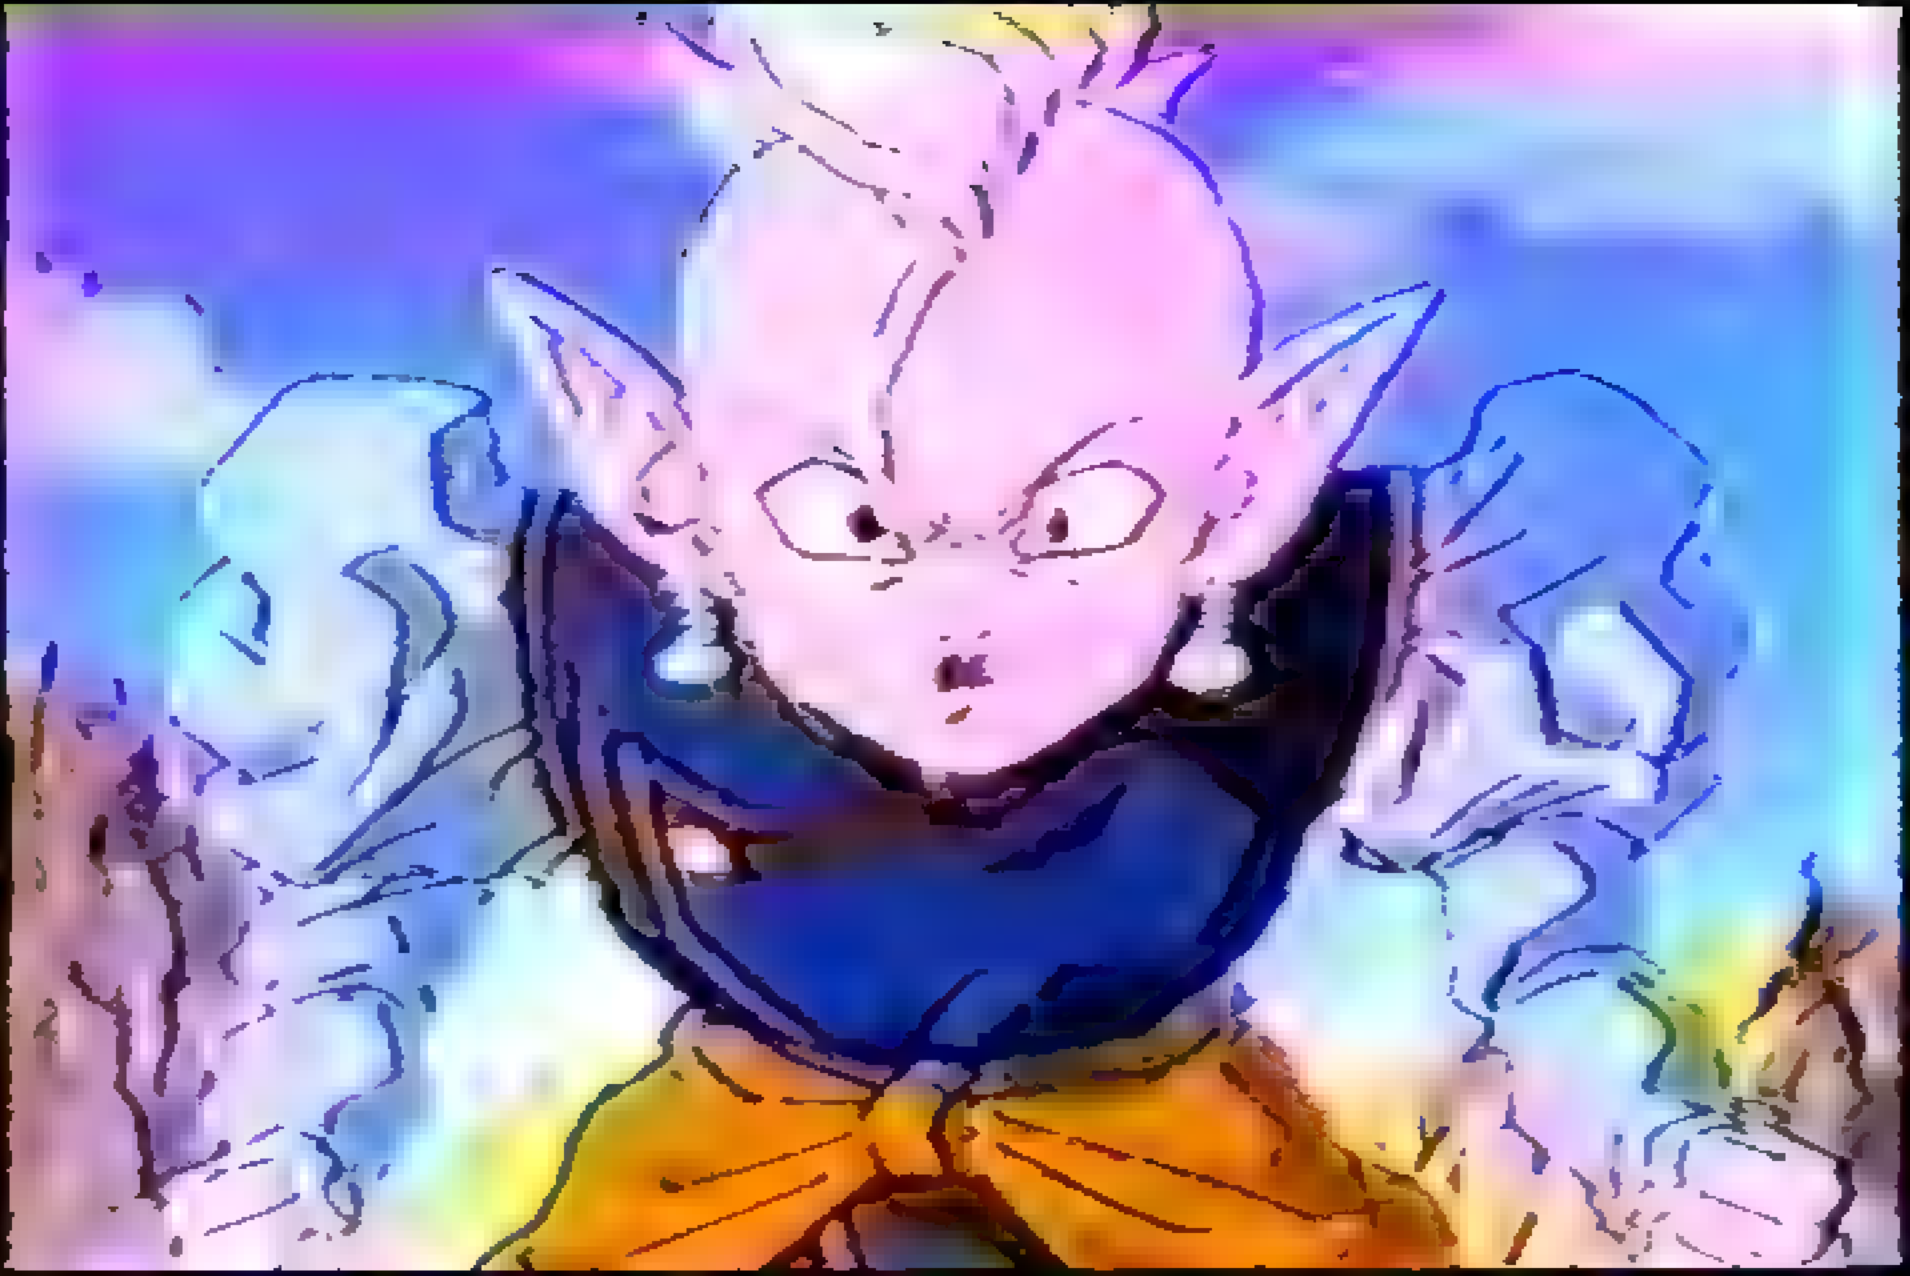

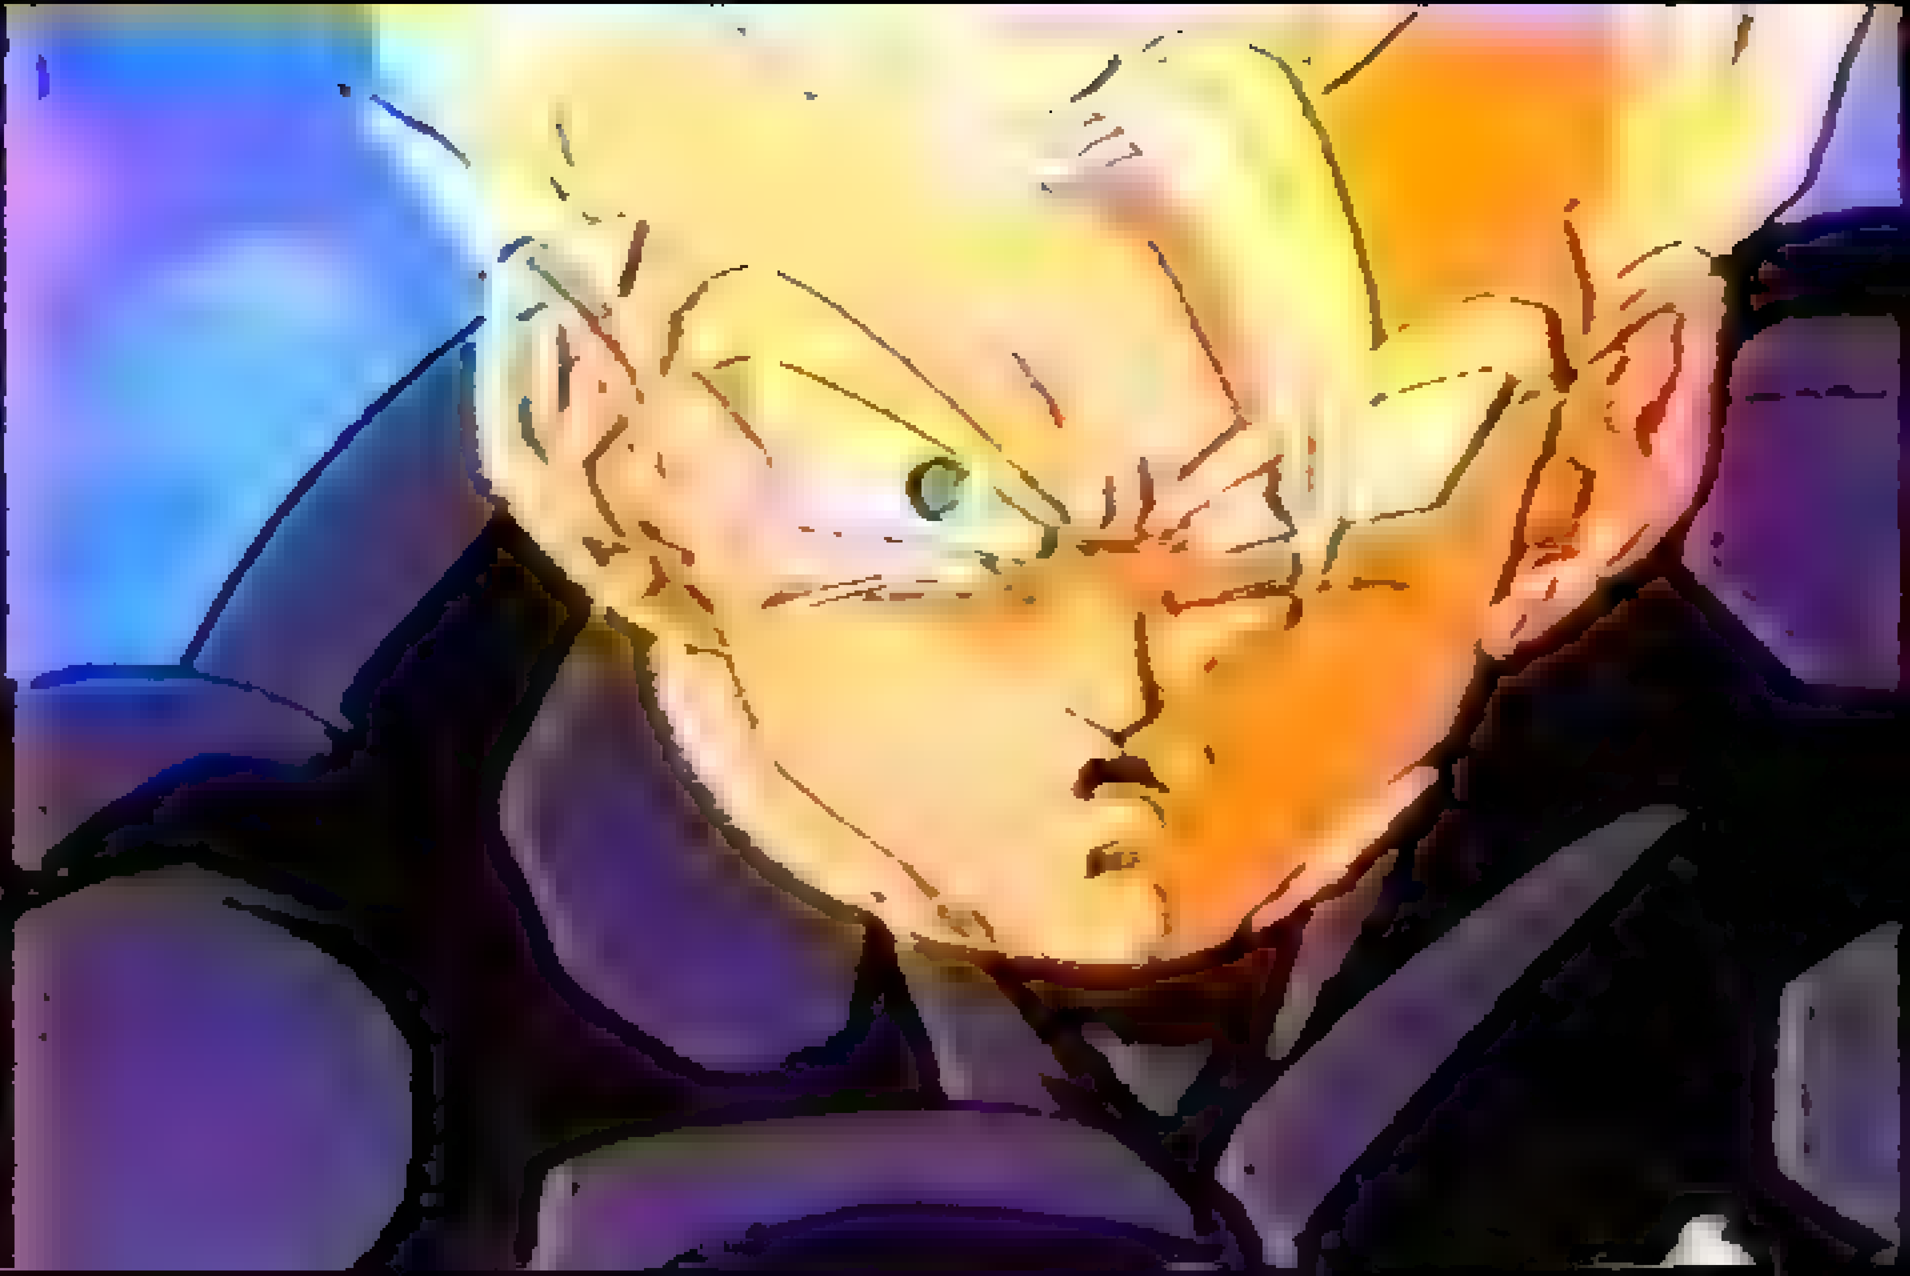

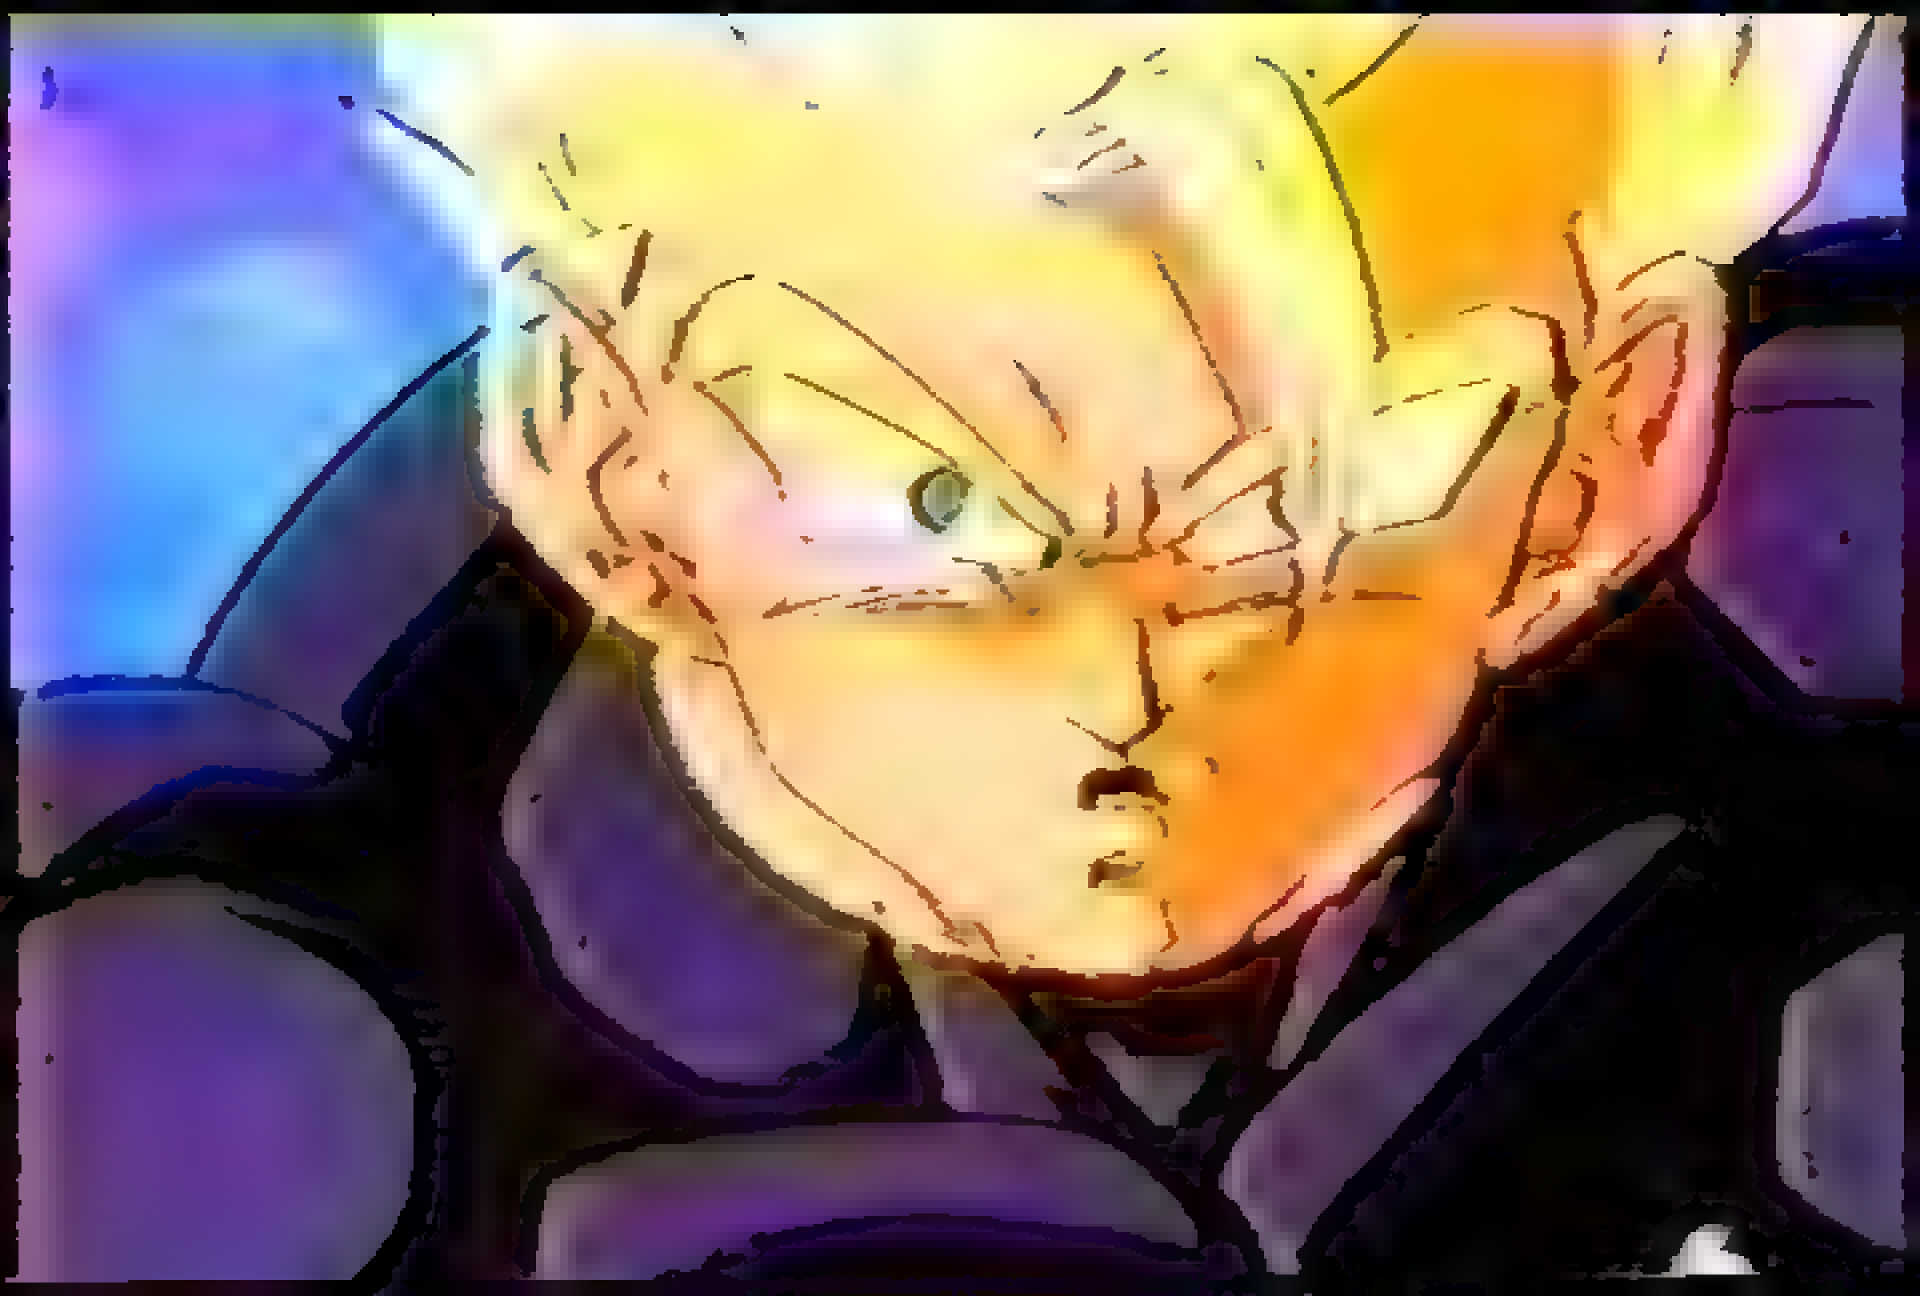

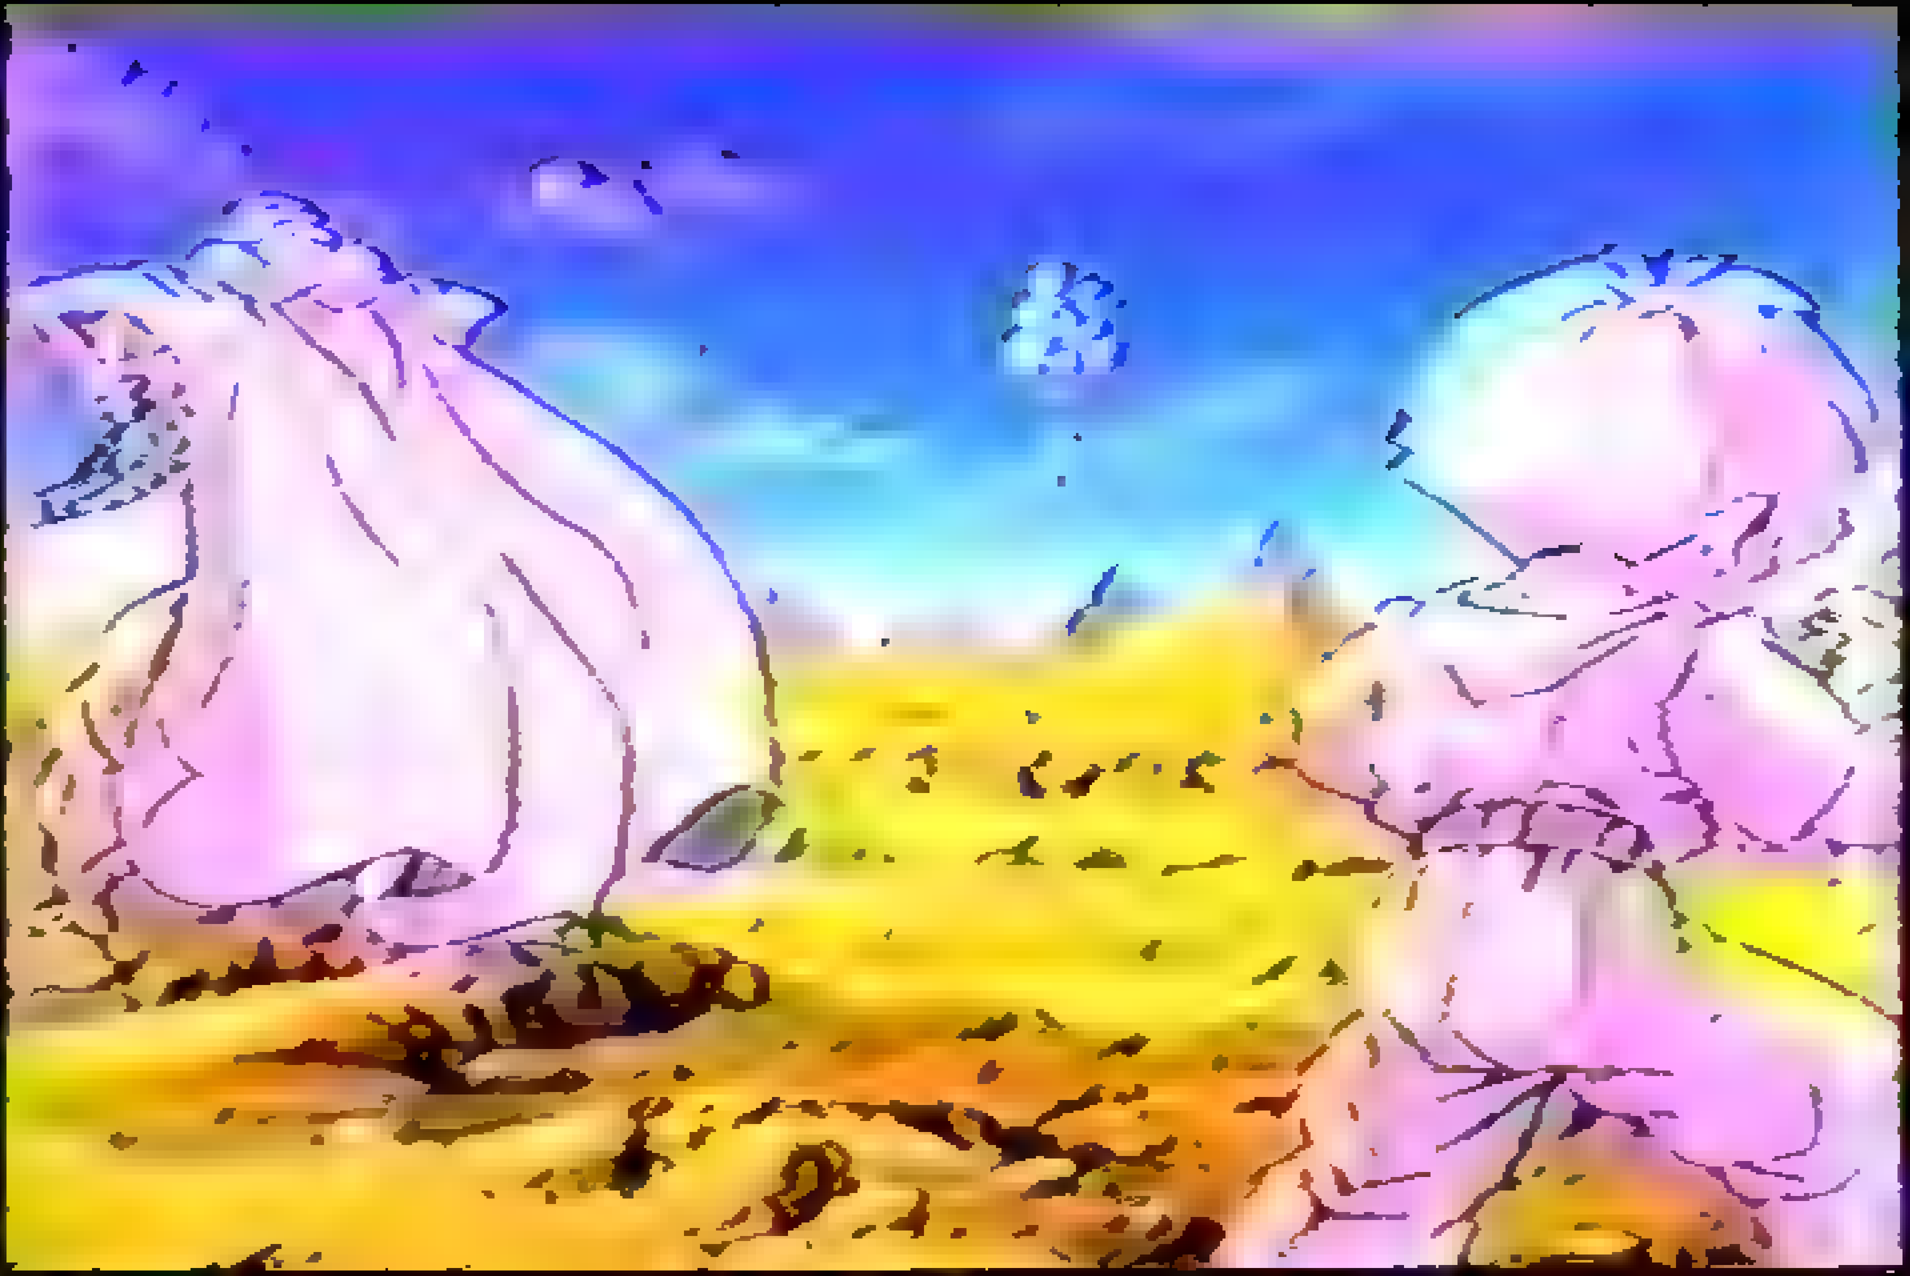

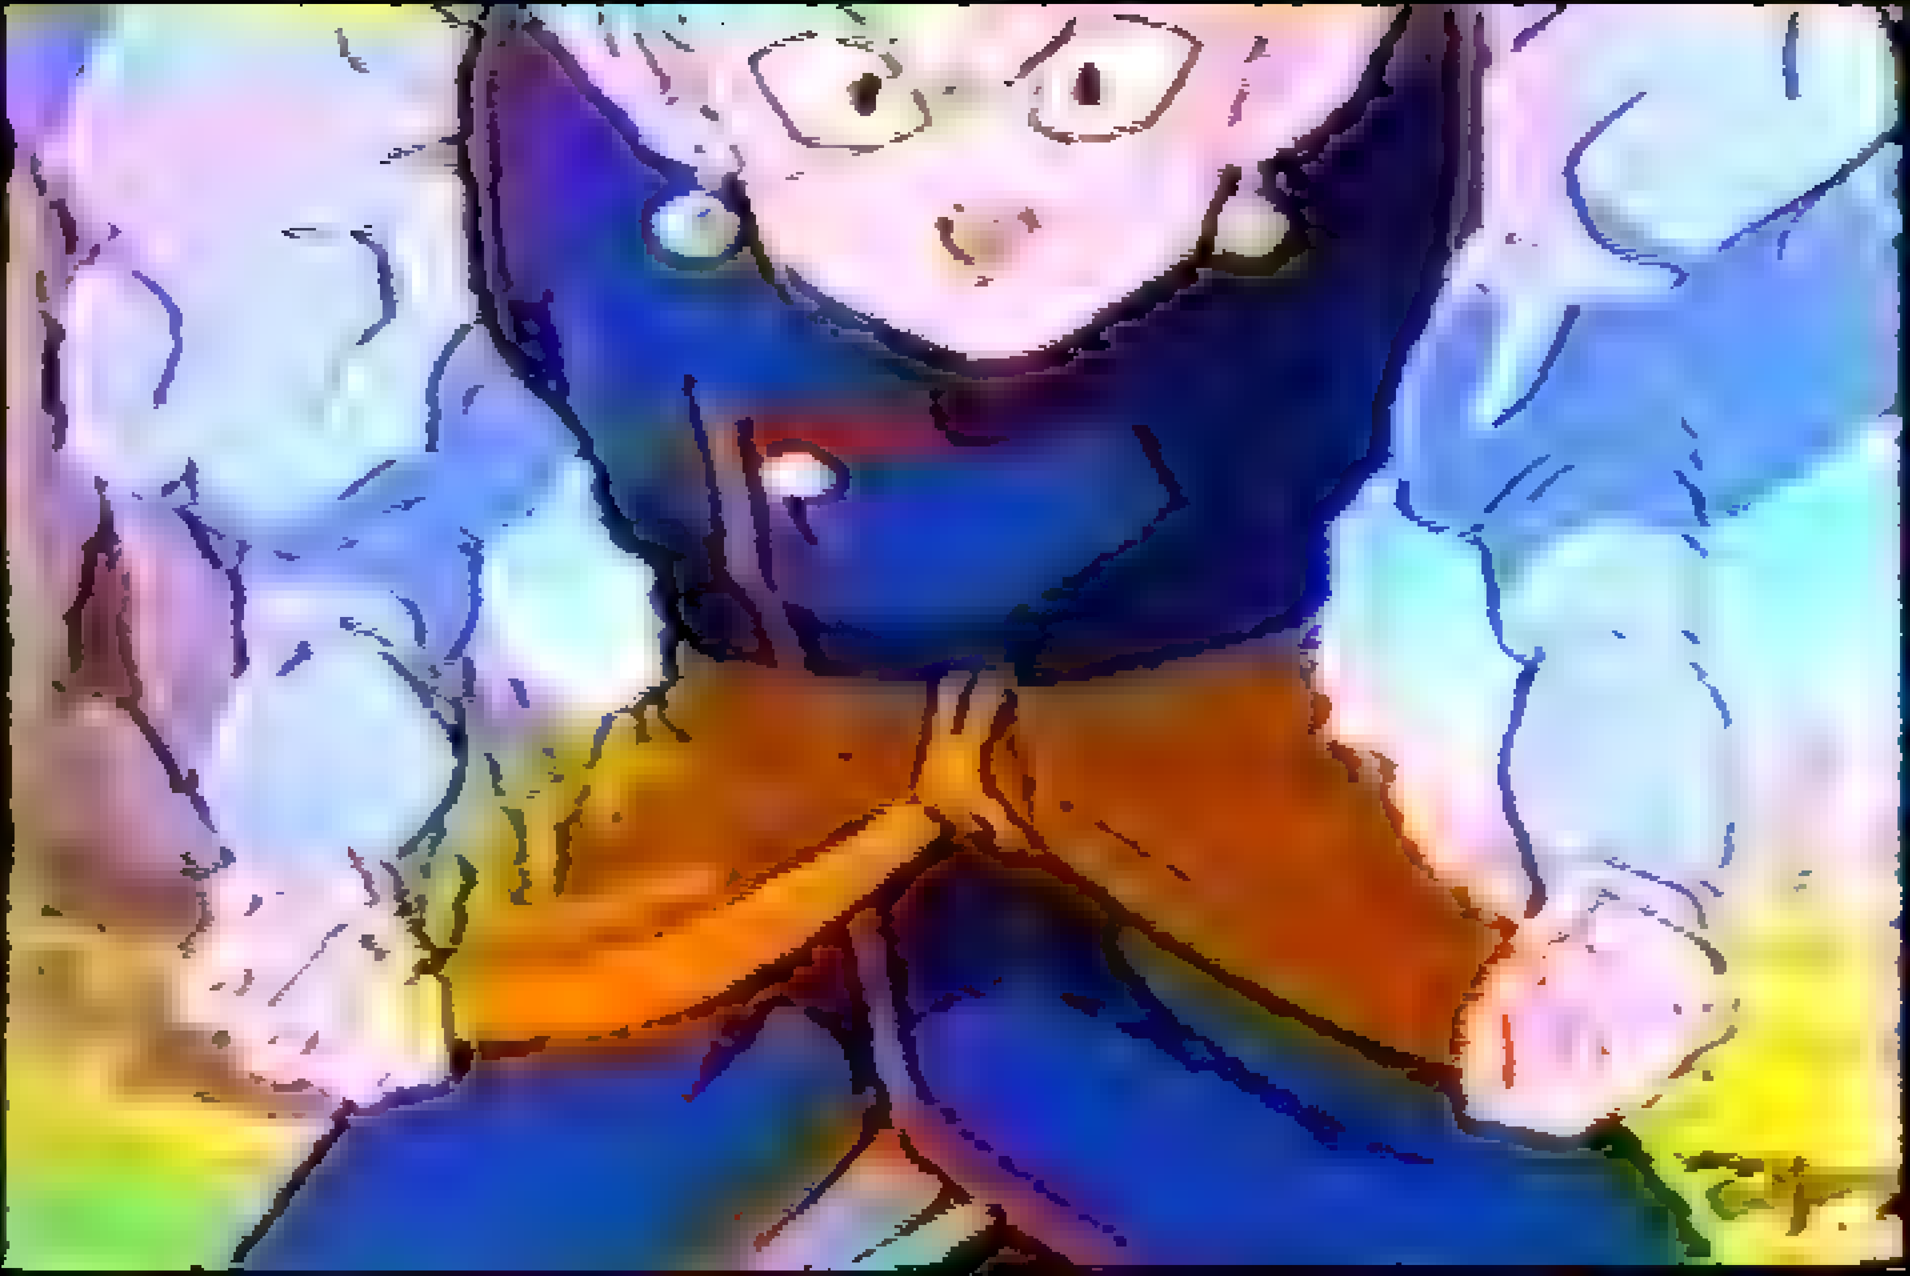

Come out! I told you to come out!

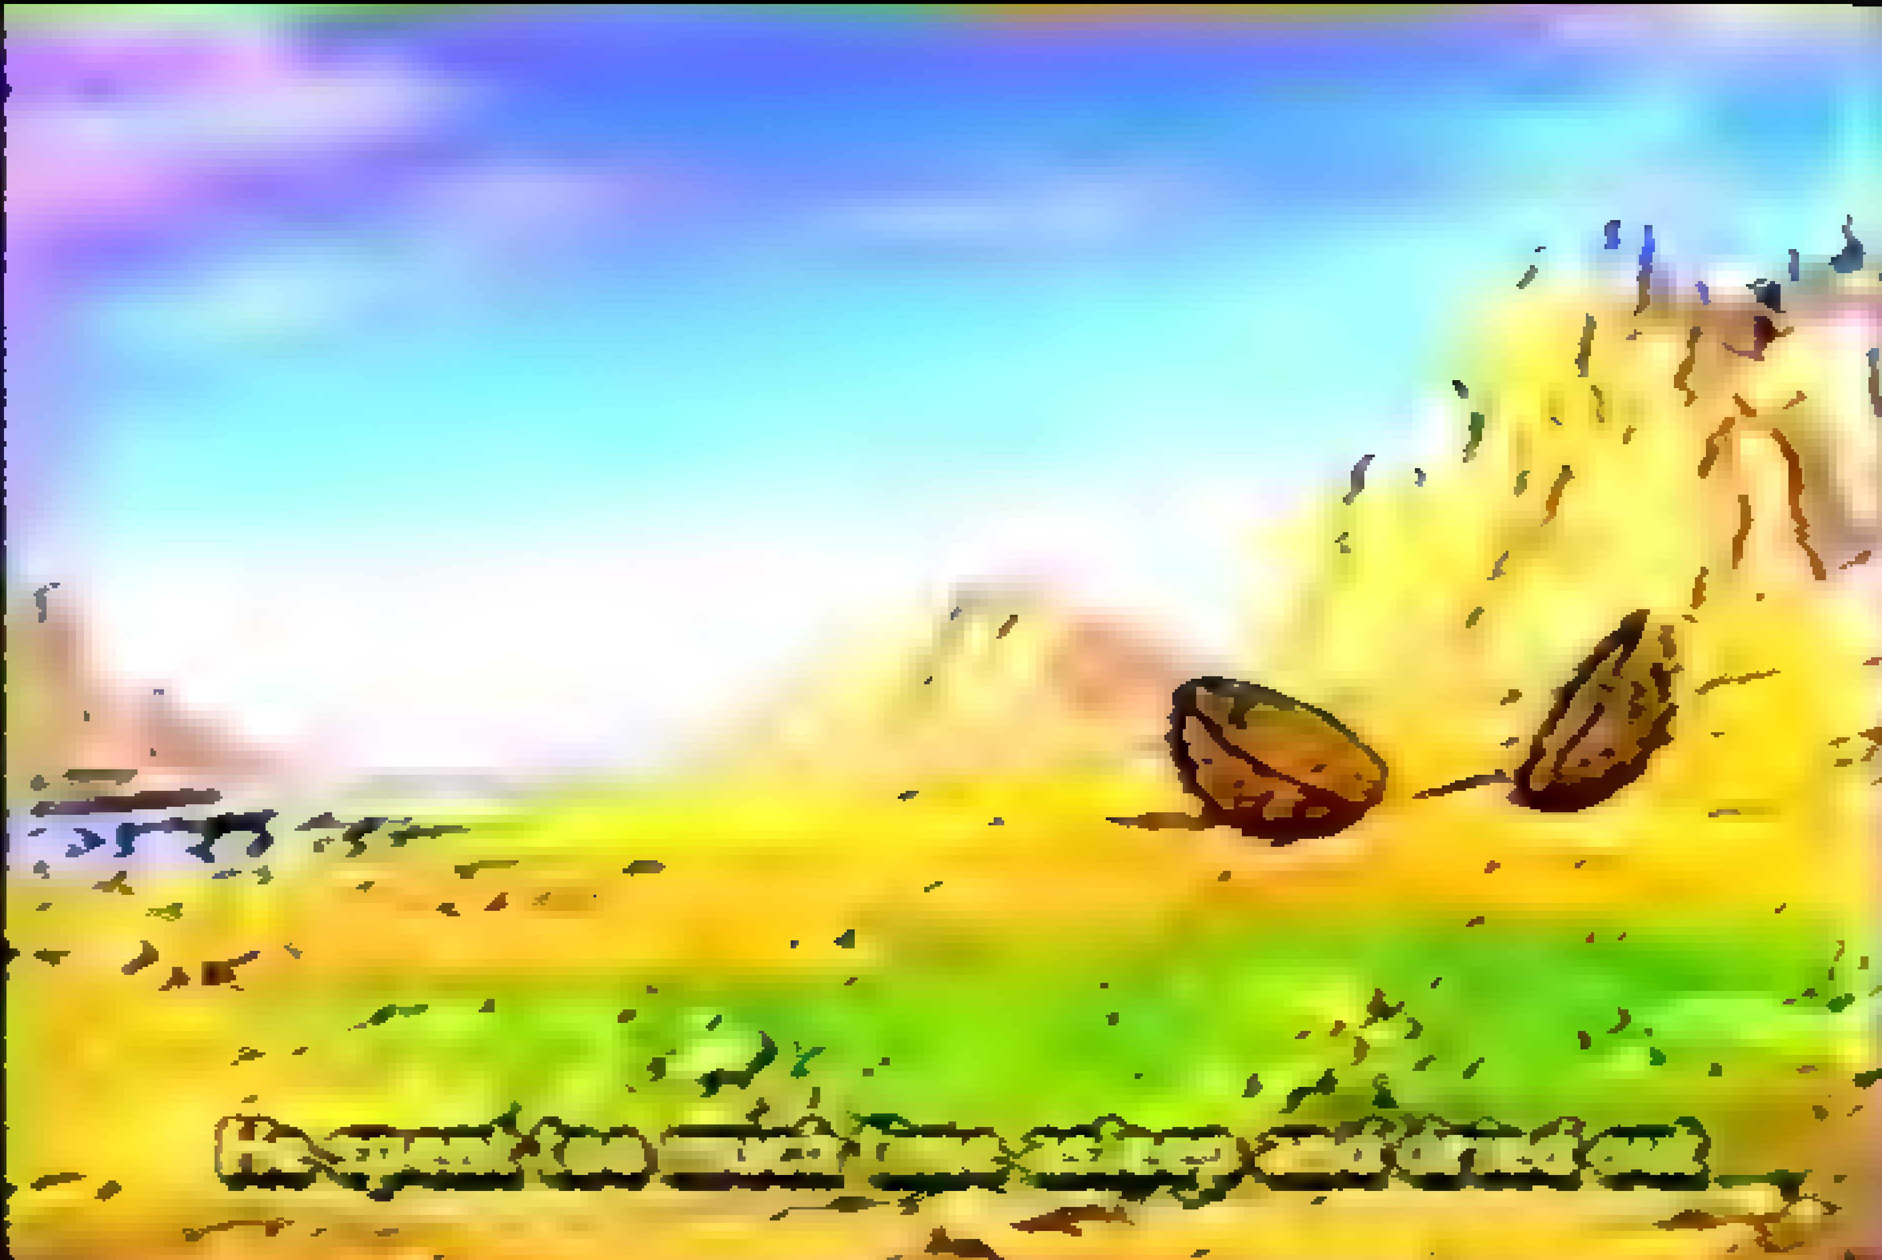

Majin Buu was destroyed by that attack?

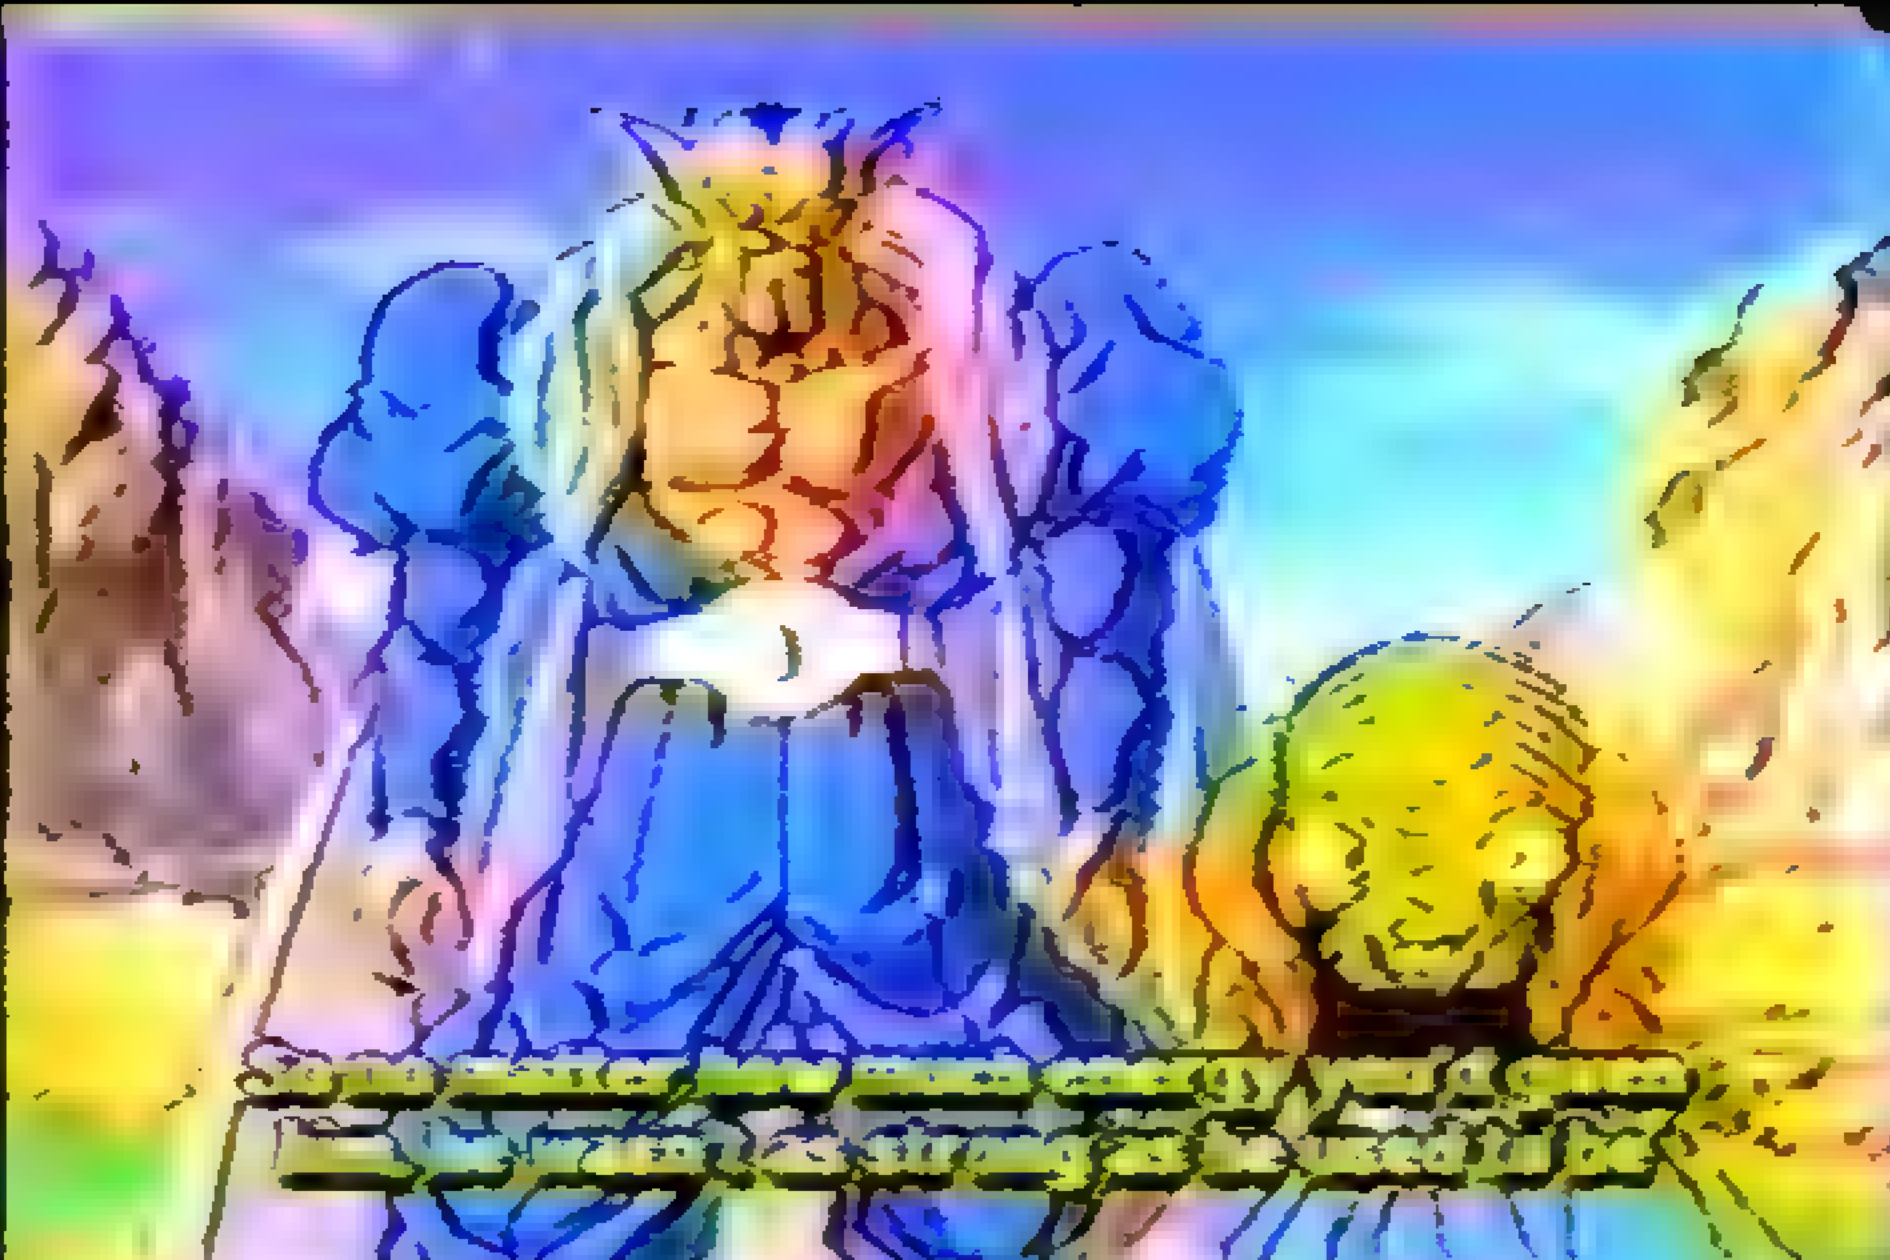

Majin Buu was destroyed by that attack!

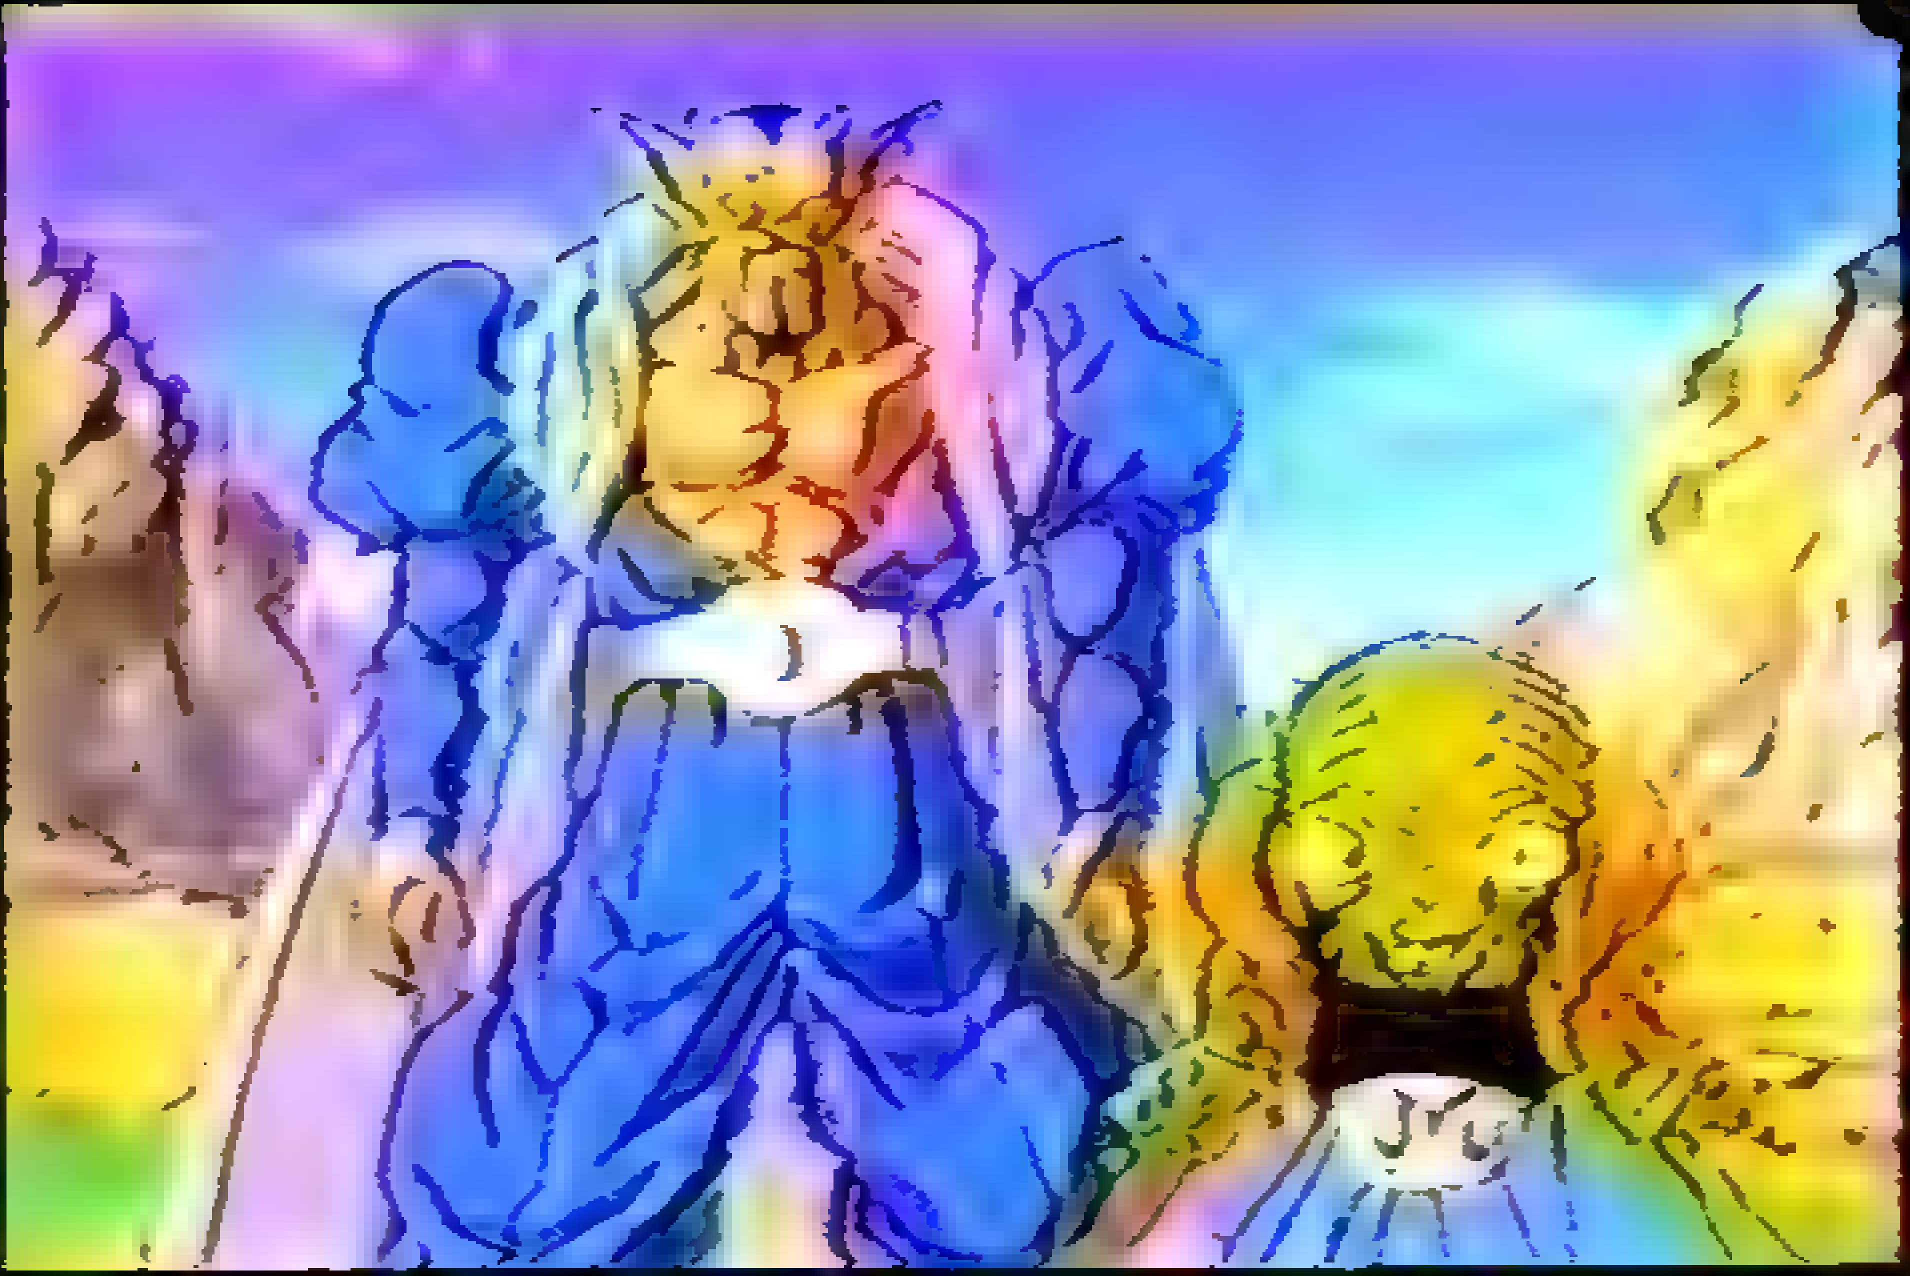

He spent too much time asleep and dried out.

That's fine, Lord Babi Dee

You don't need Majin Buu, you have me

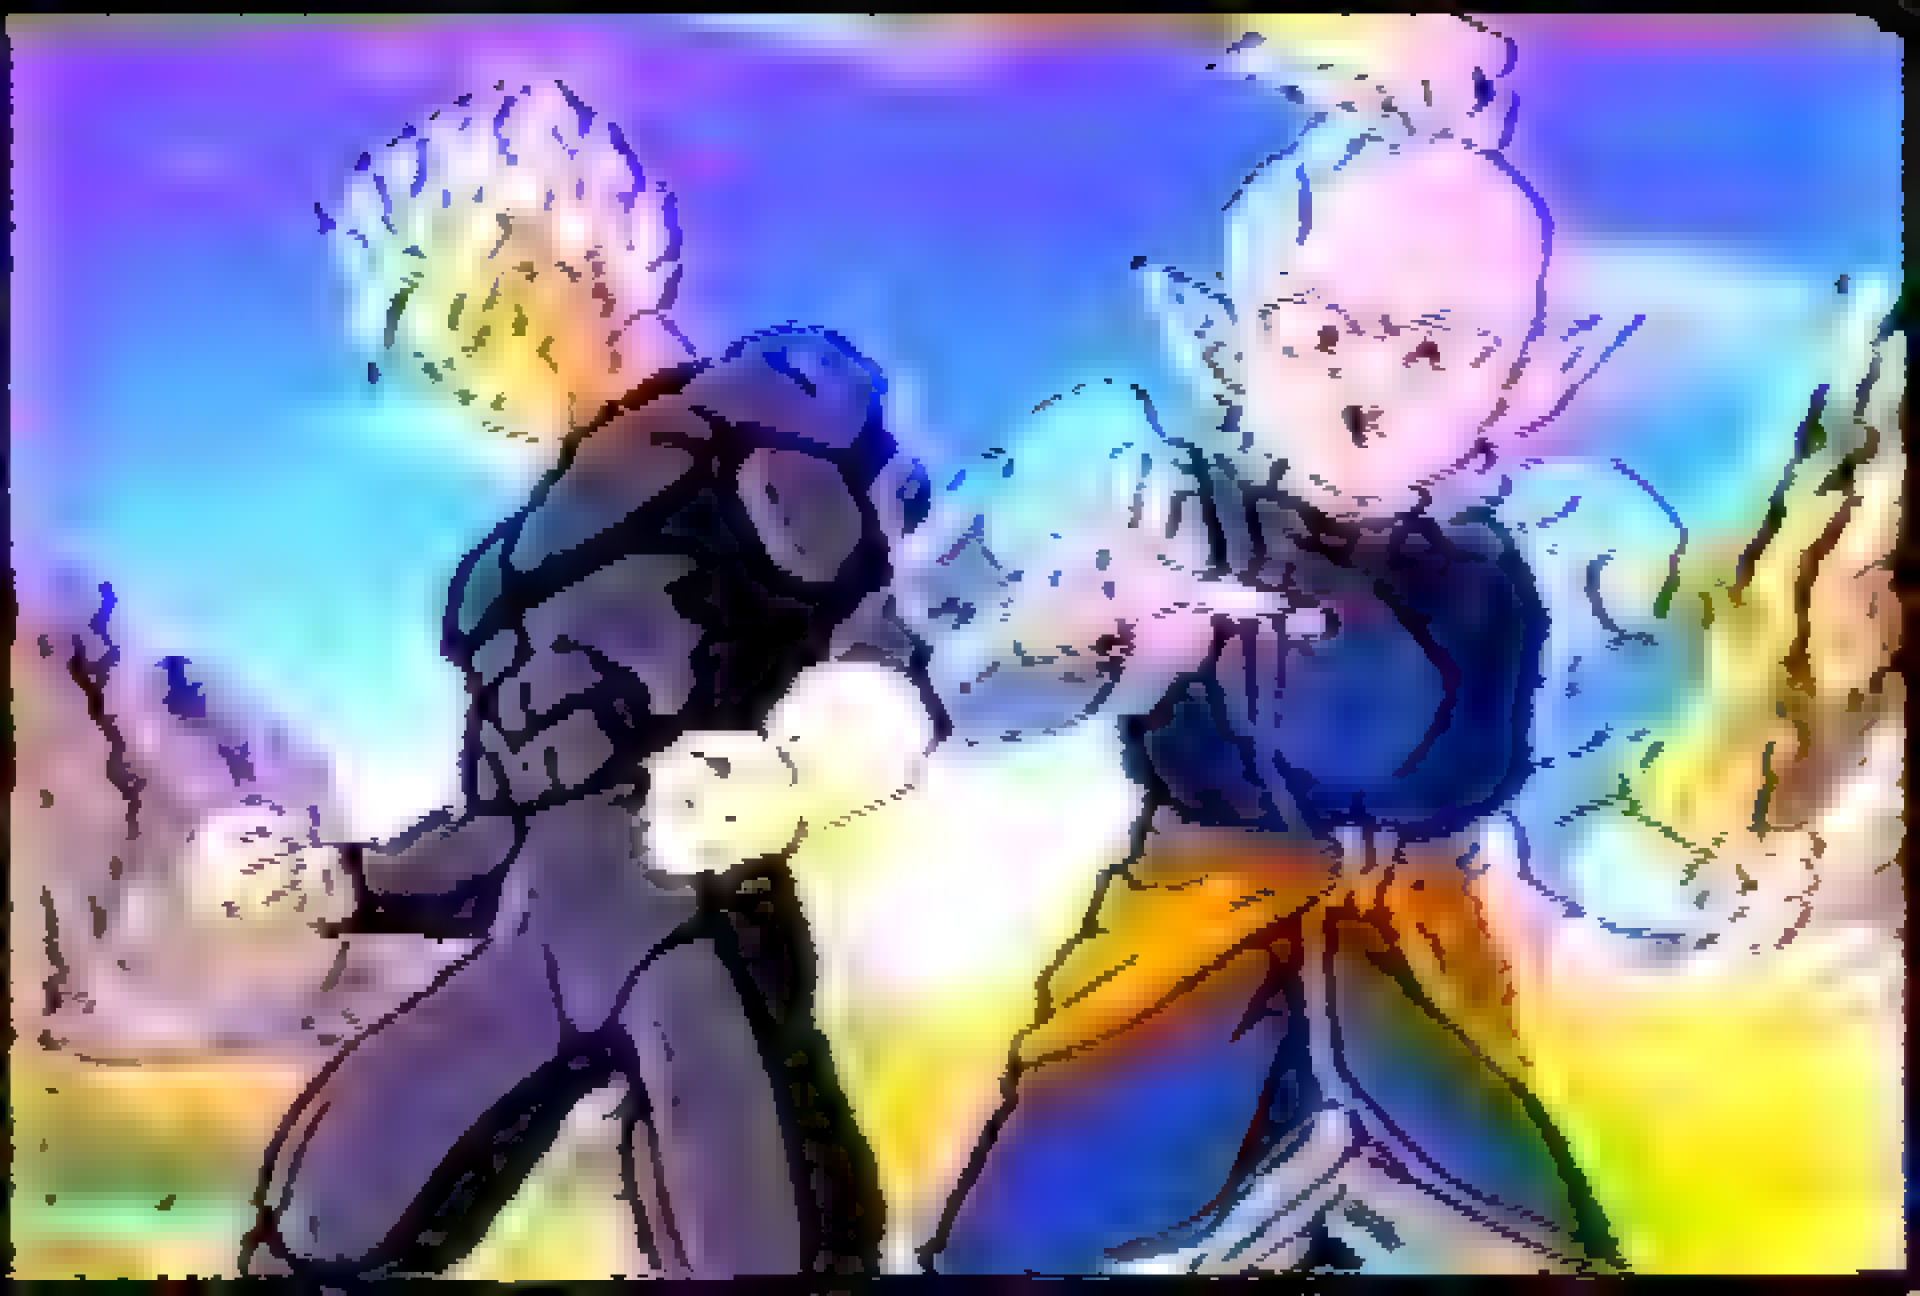

But, daddy made Majin Buu

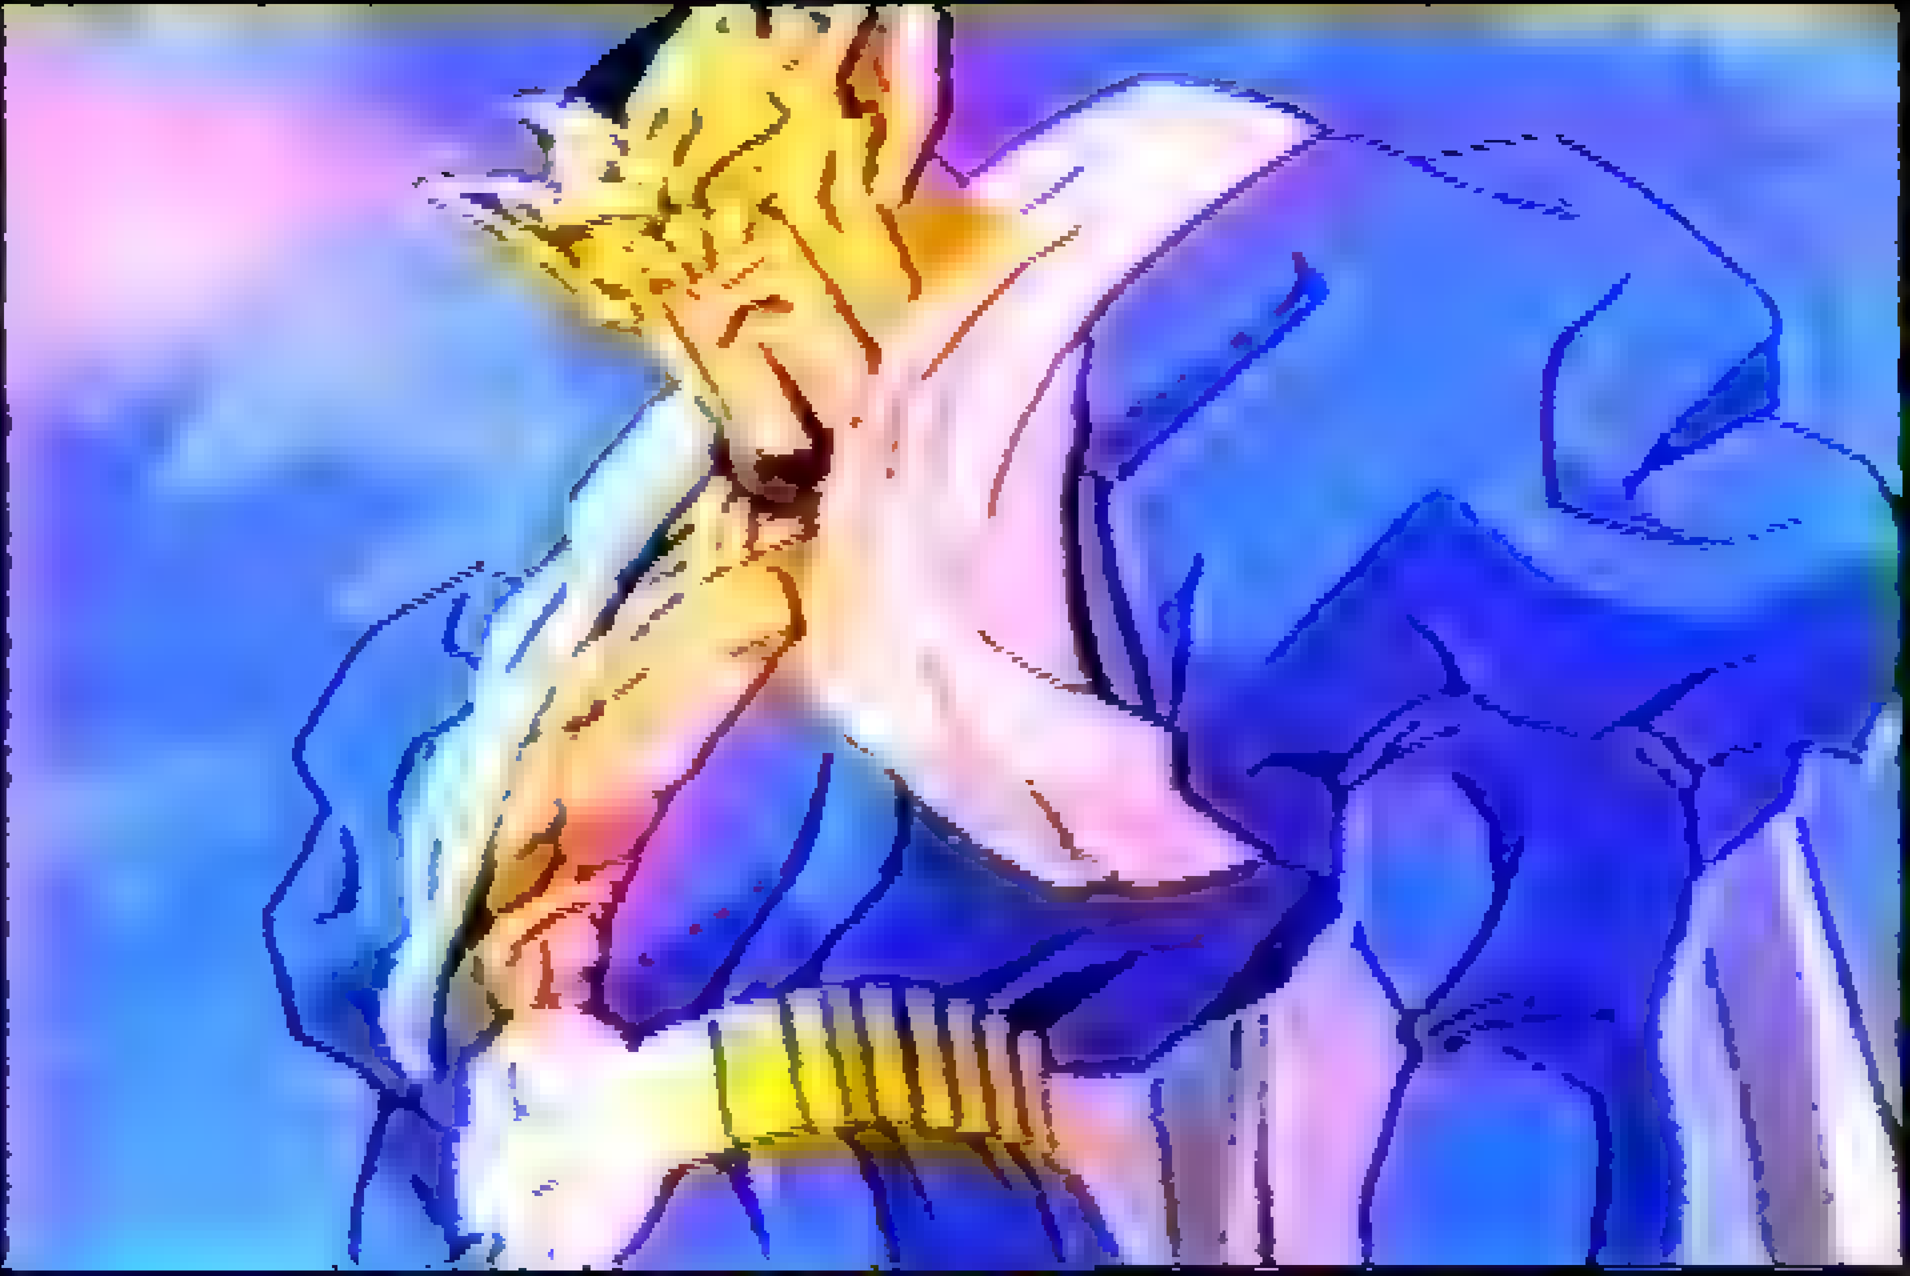

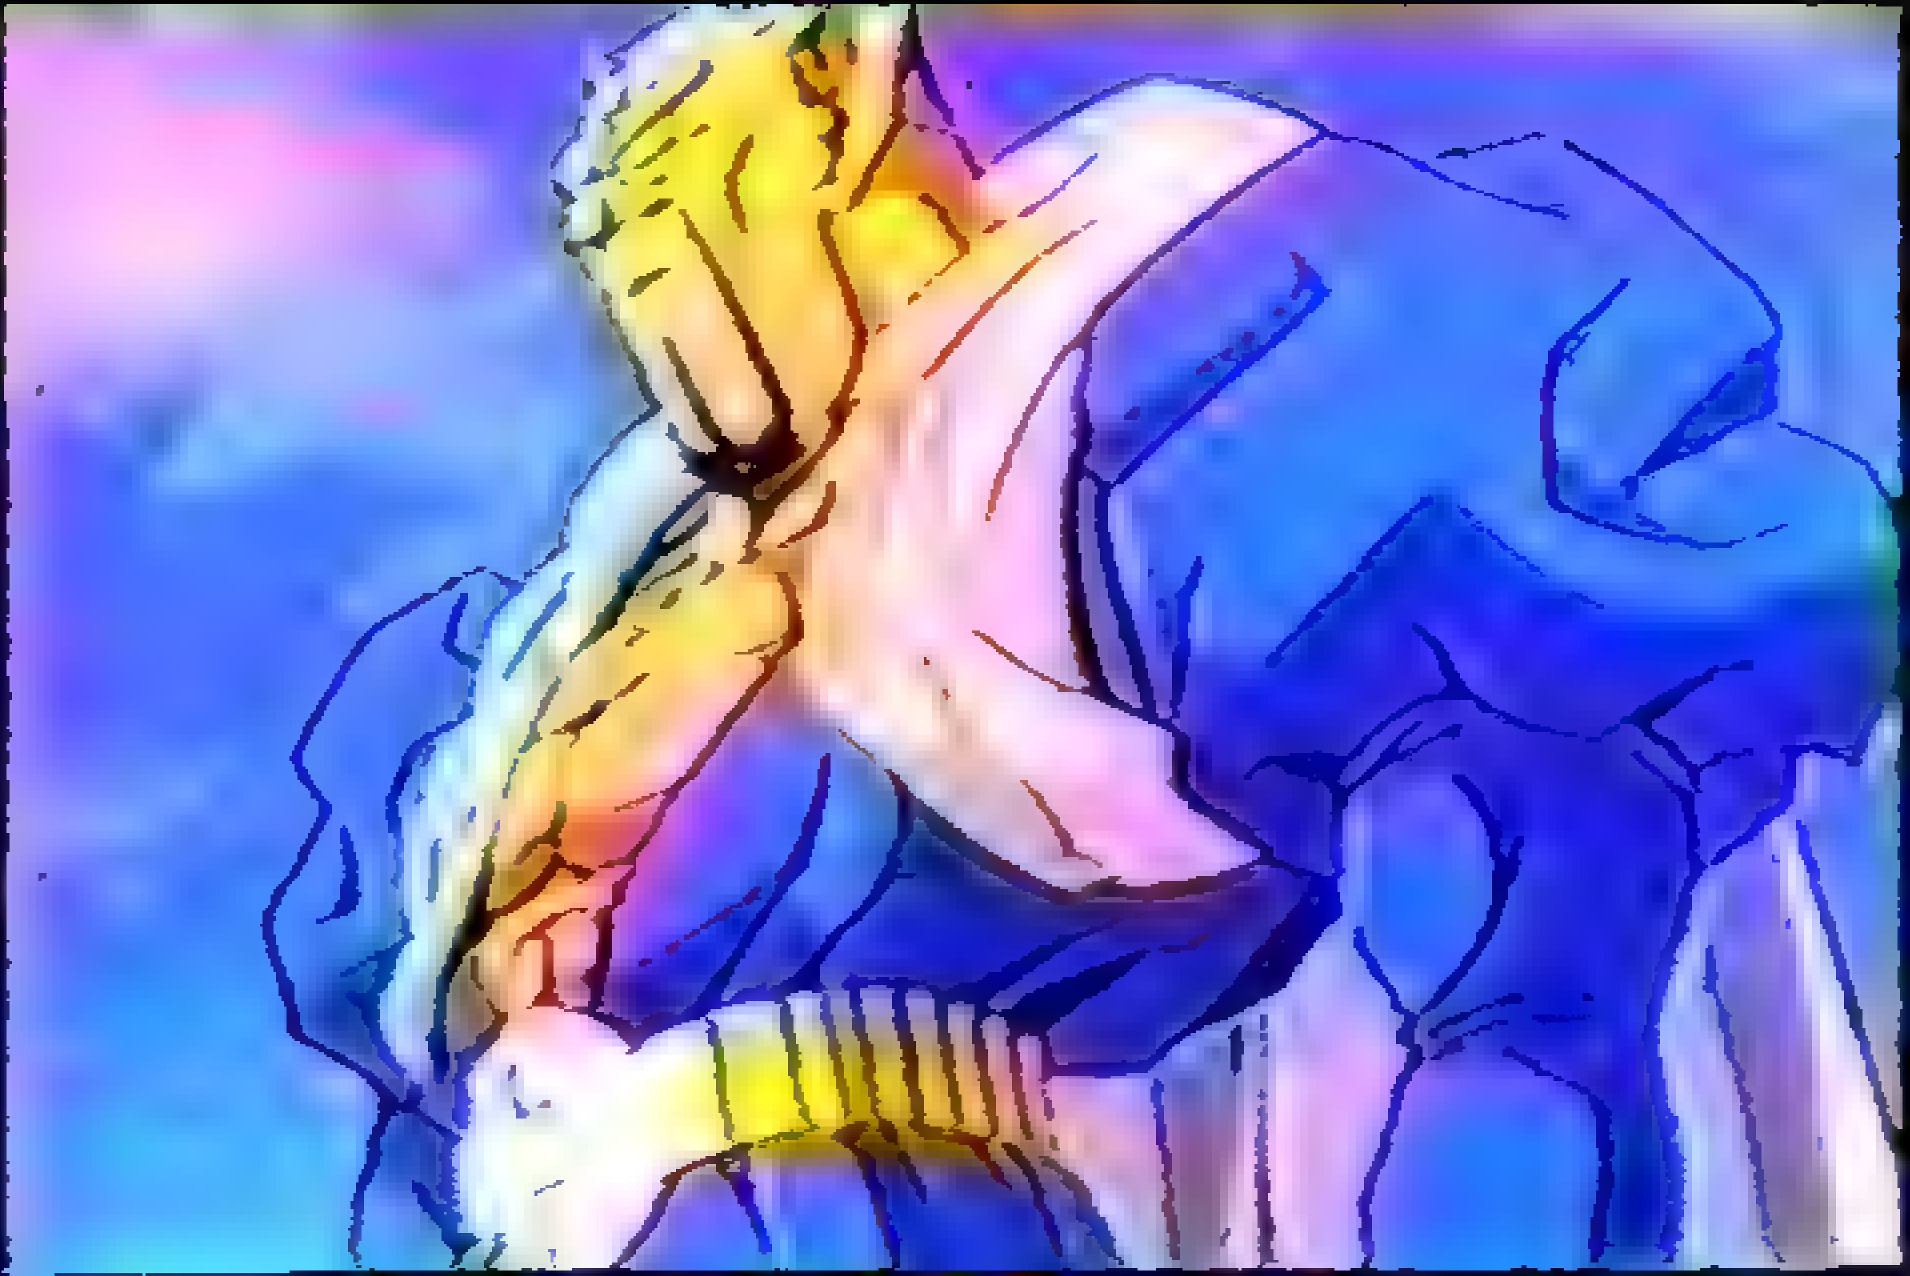

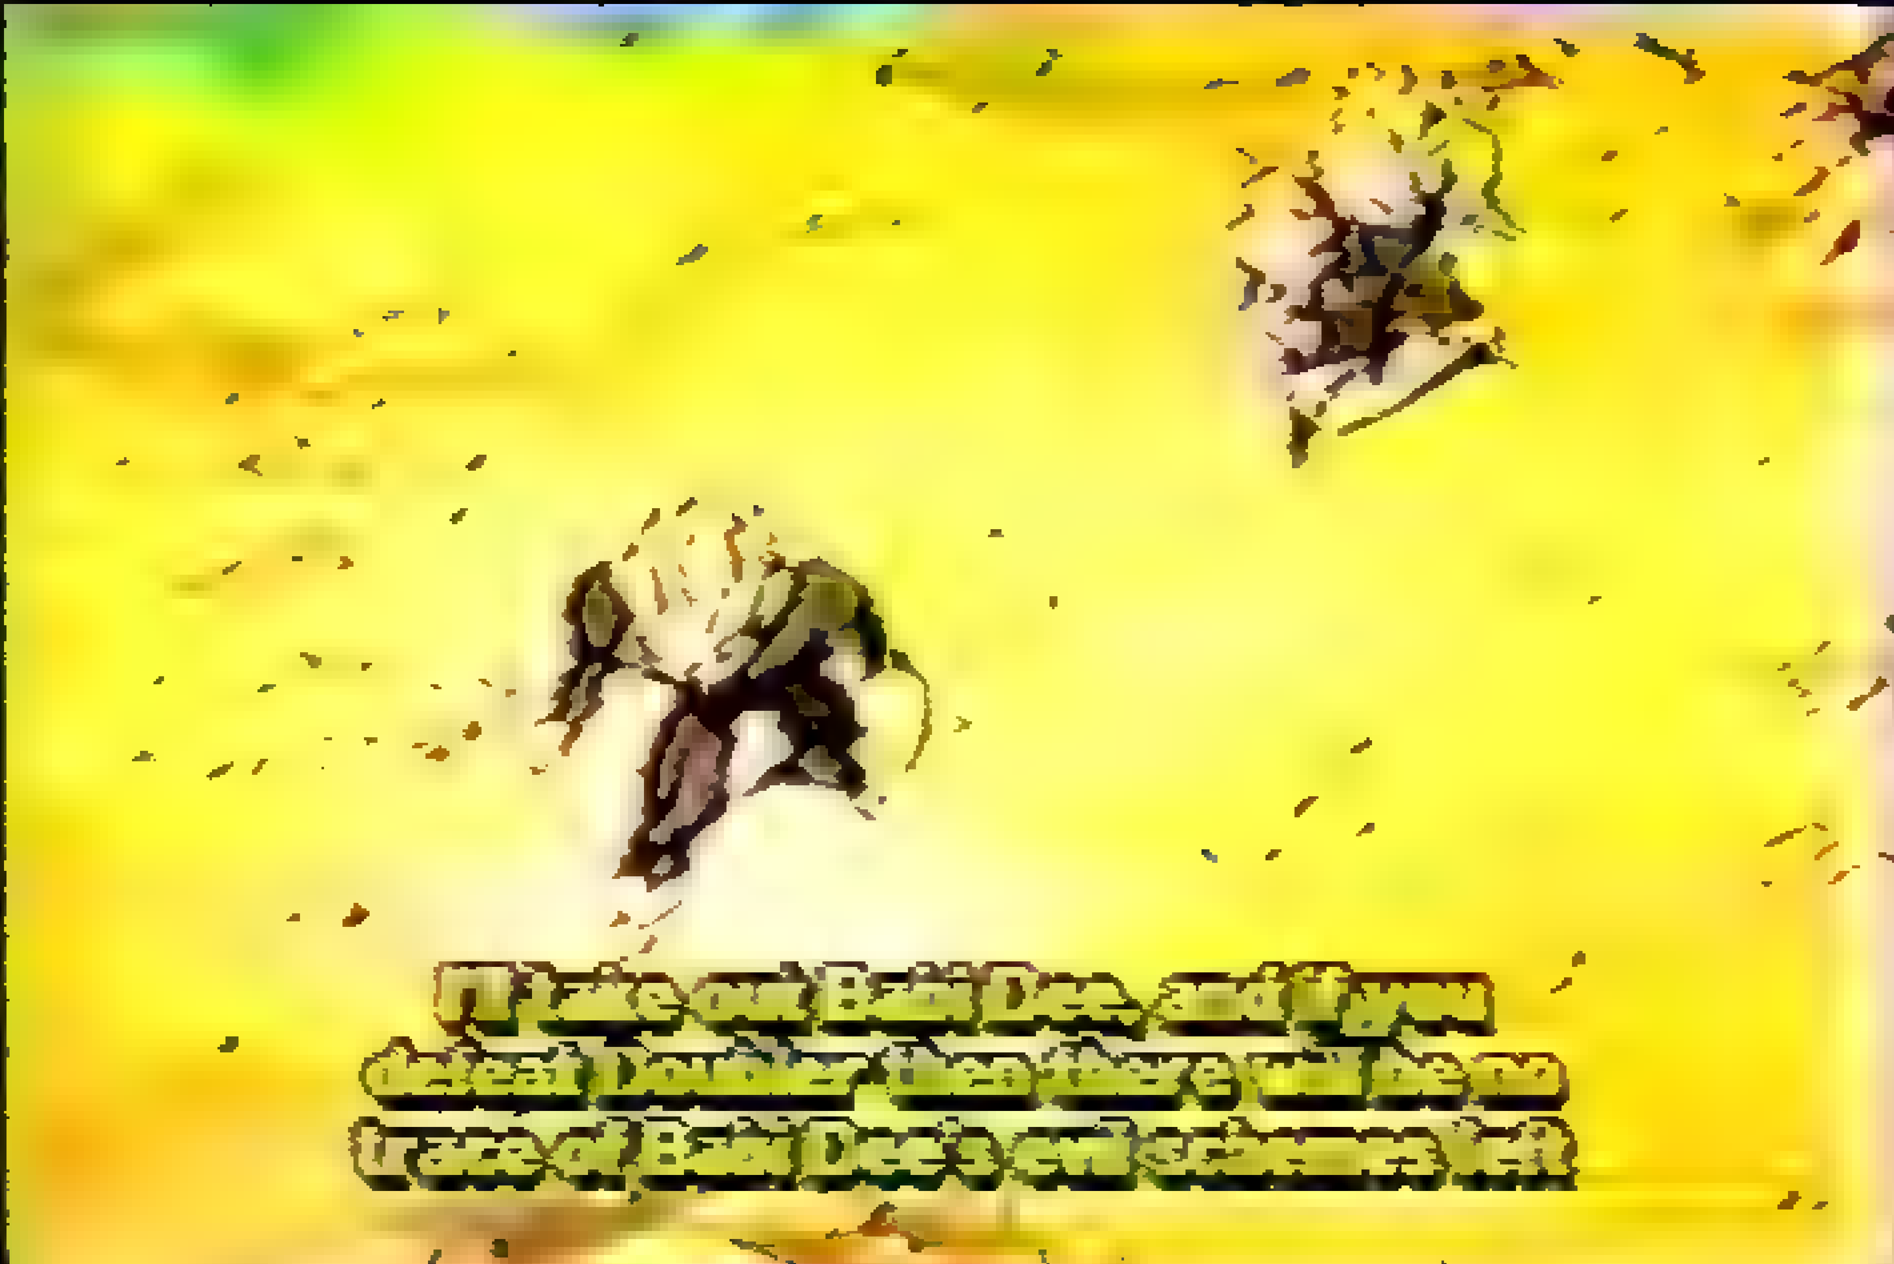

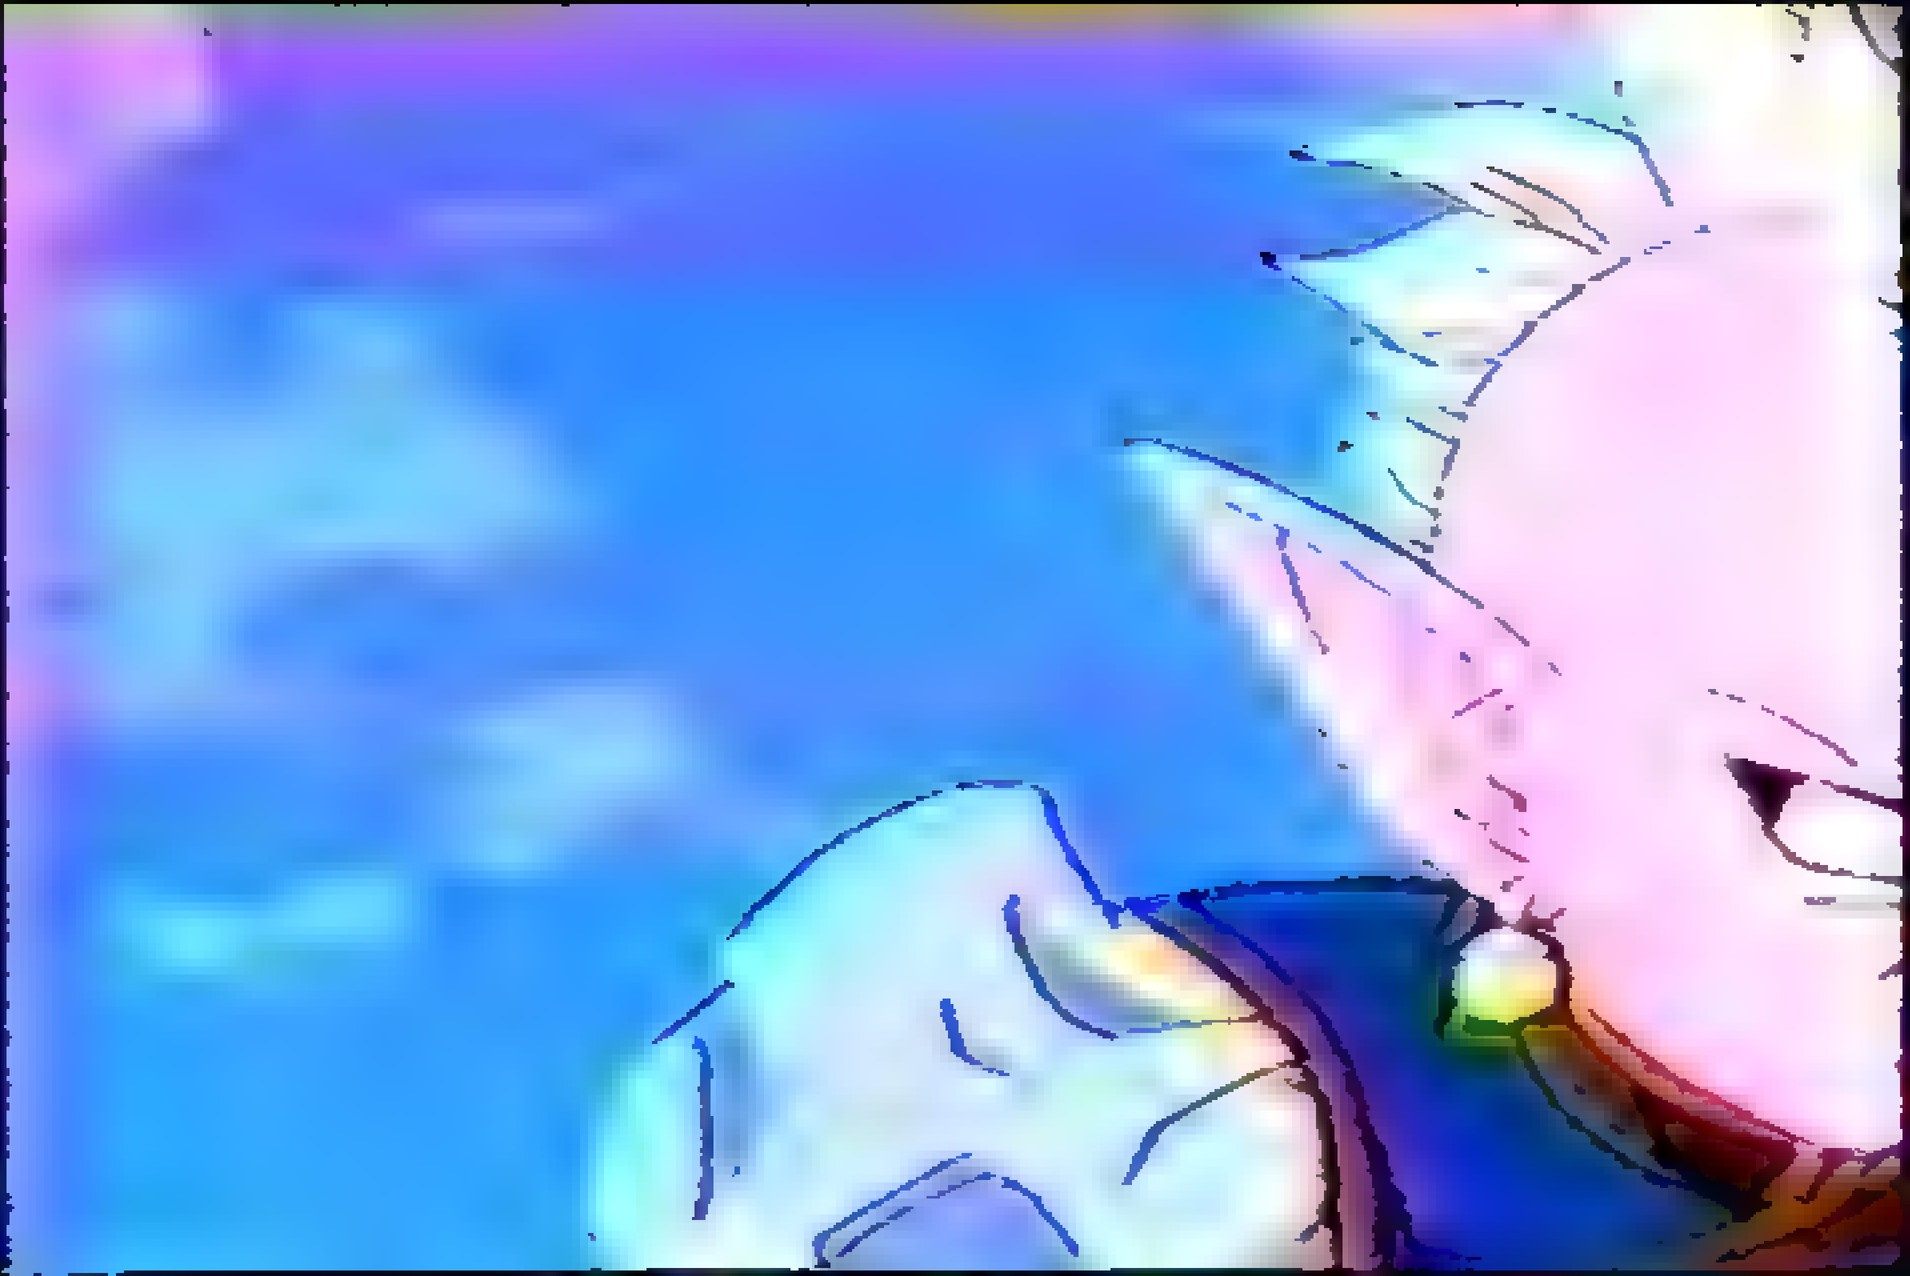

I'll take out Babi Dee, and if you
defeat Dabura, then there will be no
trace of Babi Dee's evil schemes left

I'll take out Babi Dee, and if you
defeat Janemba then there will be no
trace of Babi Dee's evil schemes left

I'll take out Babi Dee, and if you
defeat Dounker then there will be no

I'll take out Babi Dee, and if you
defeat then there will be no

The smoke! That's the smoke
that just came out of the sphere!

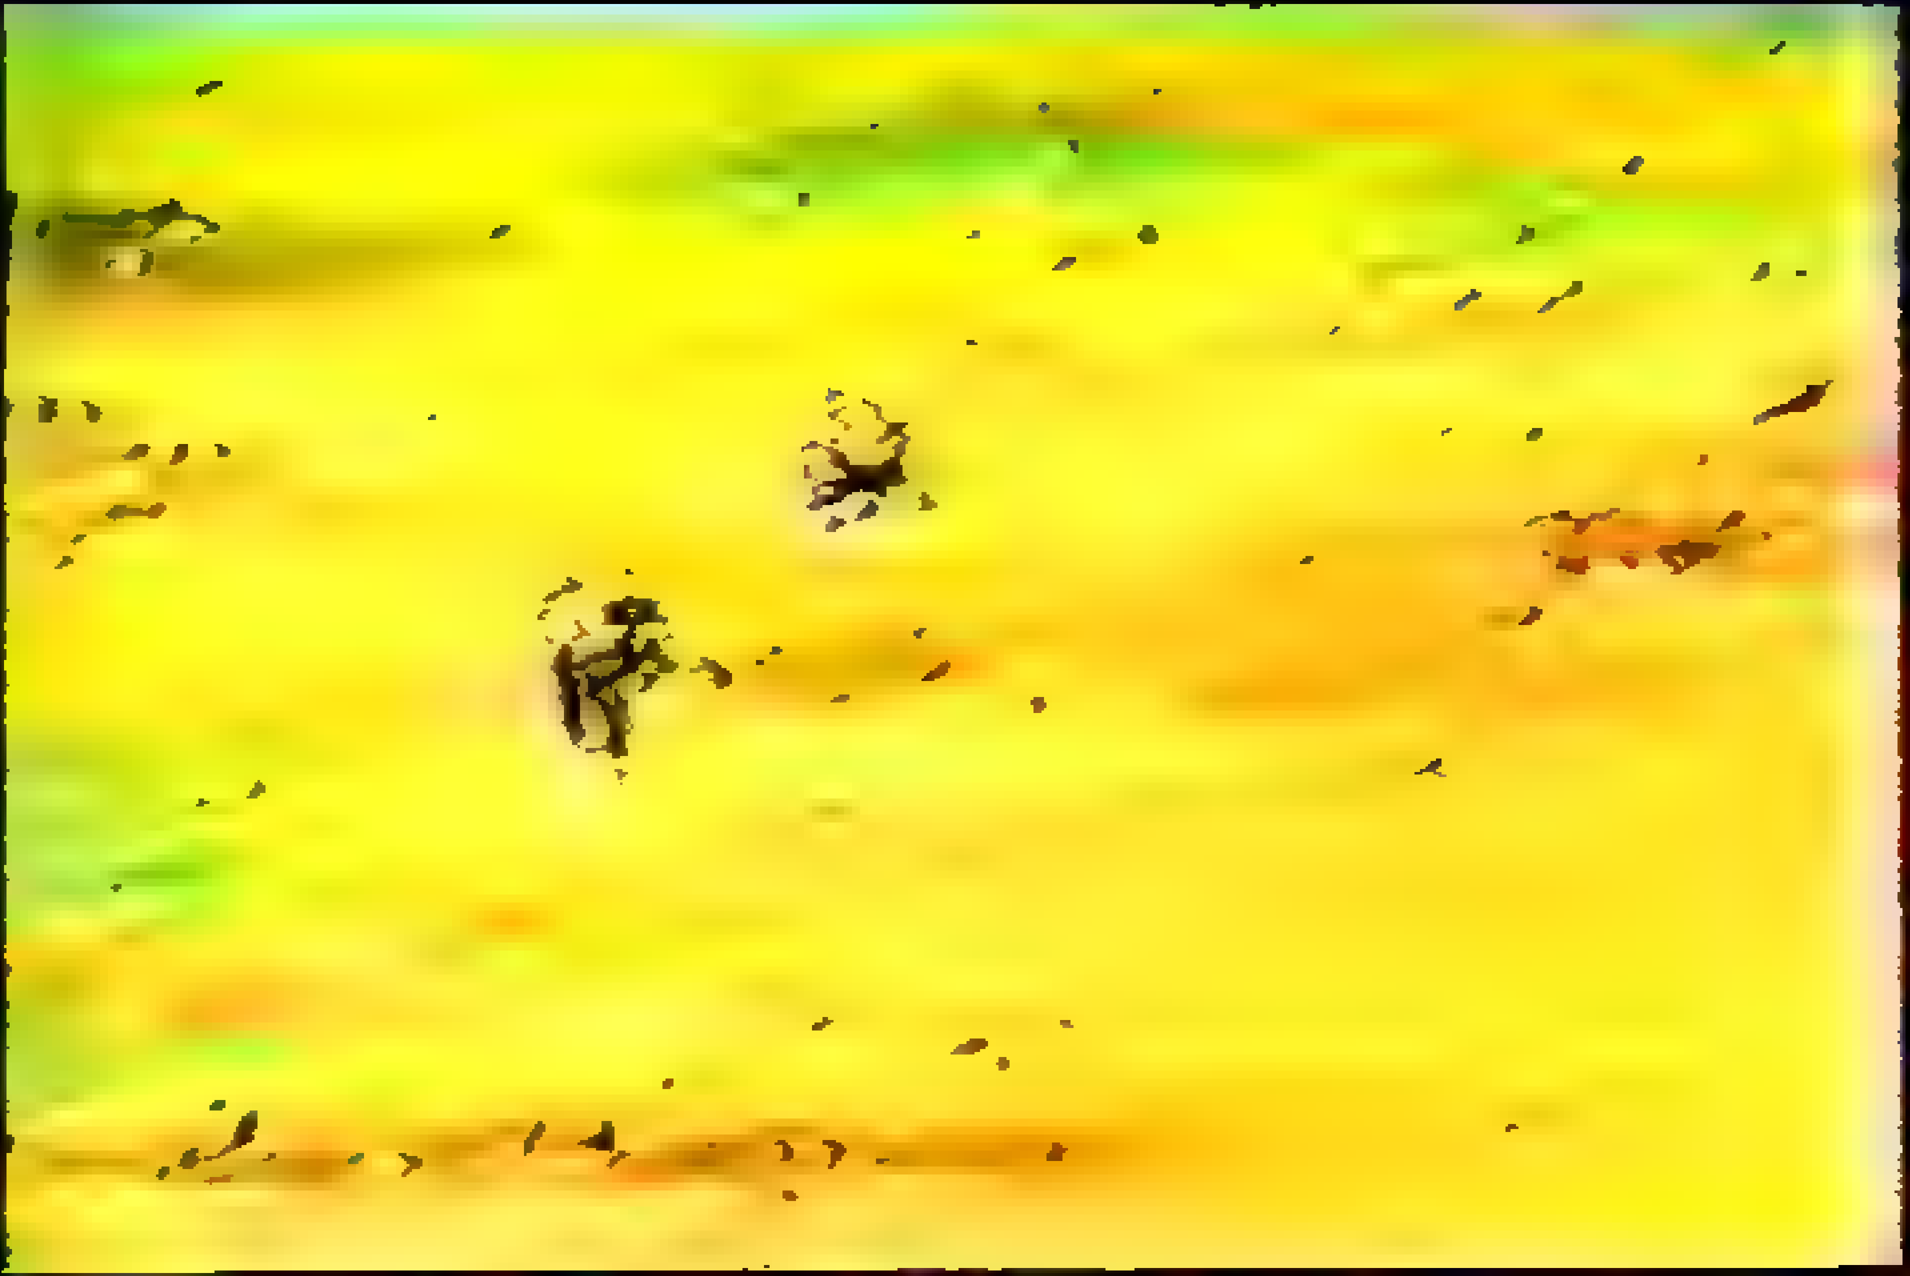

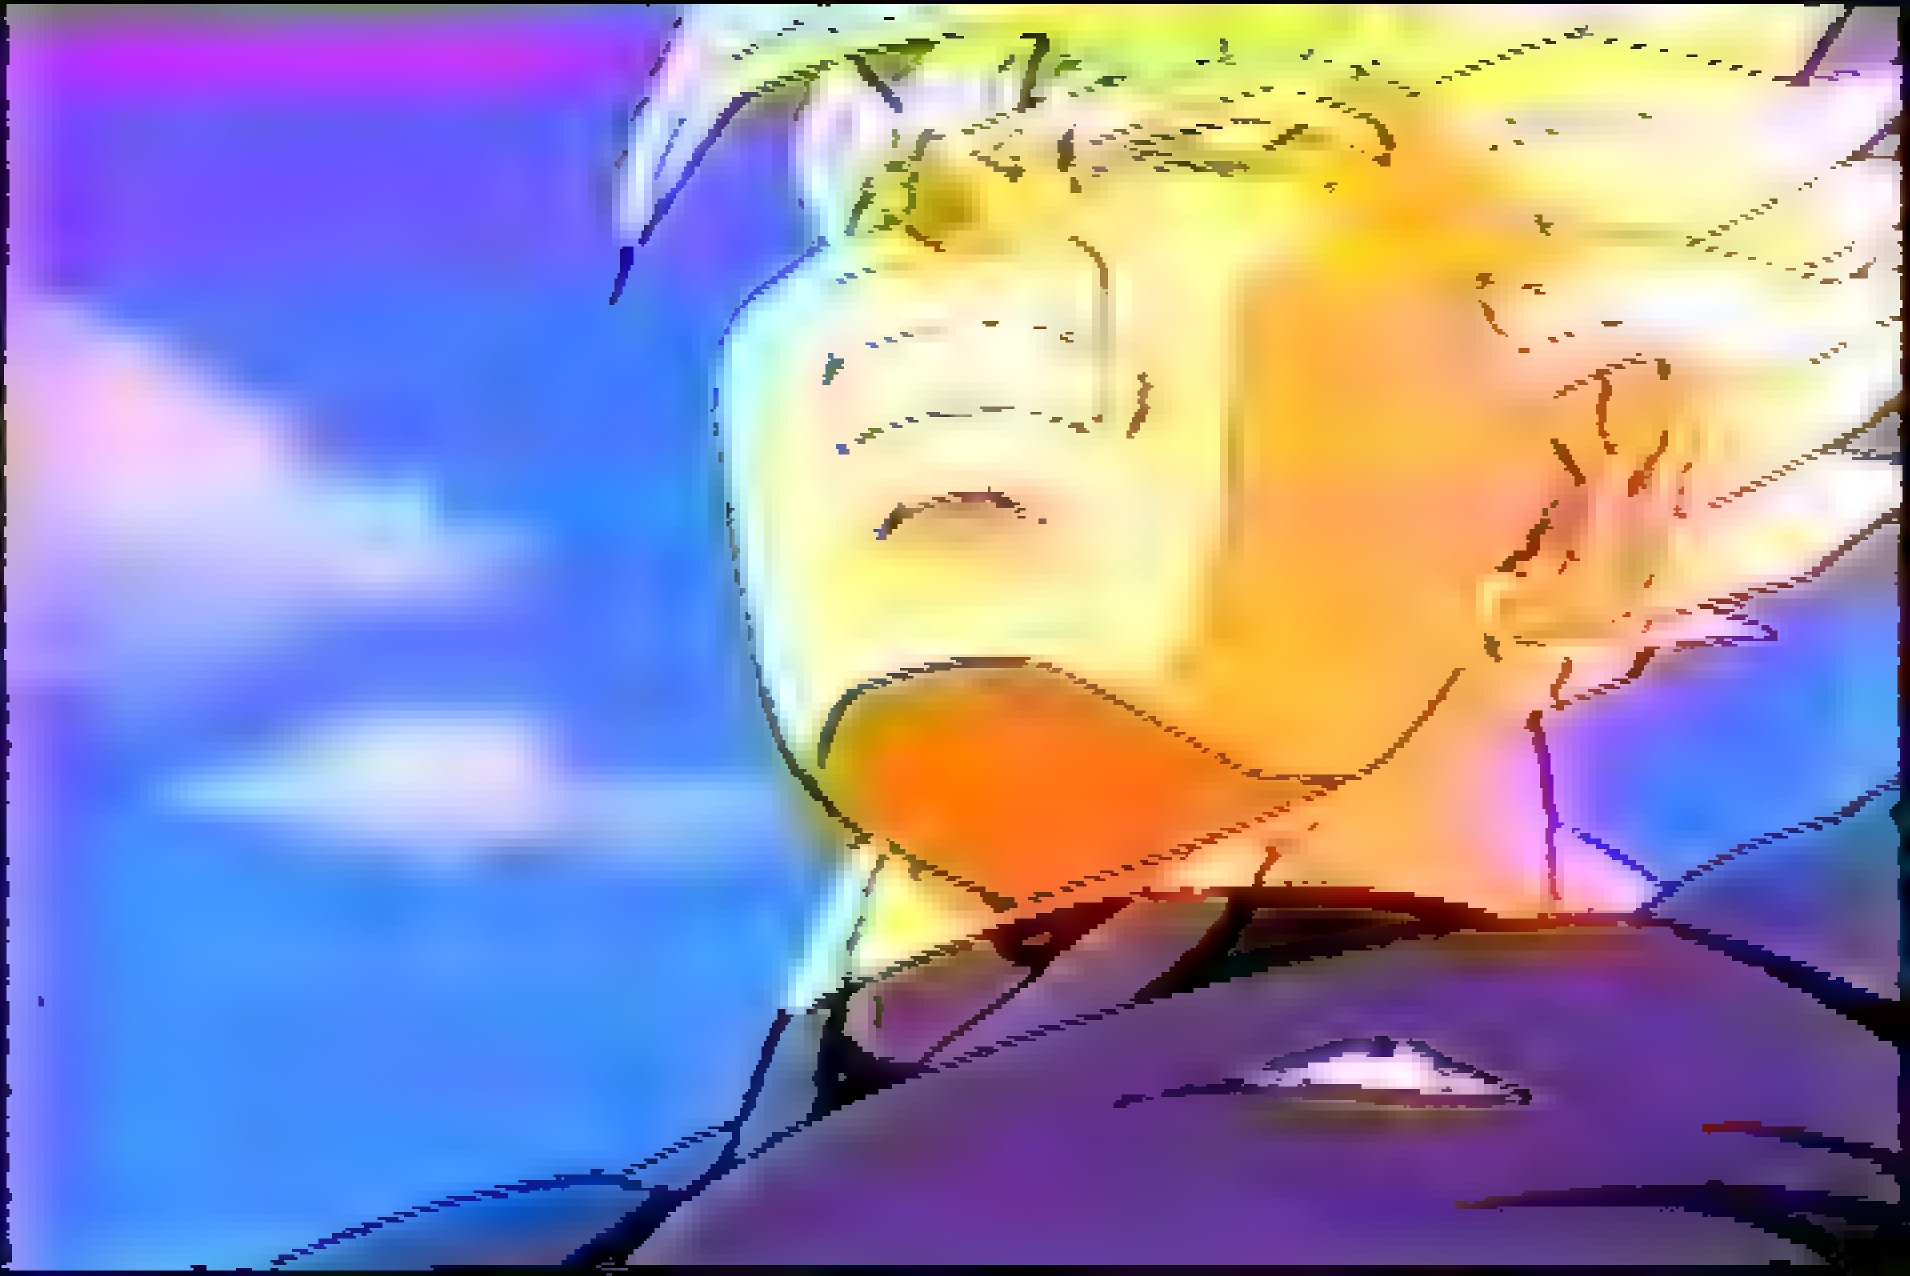

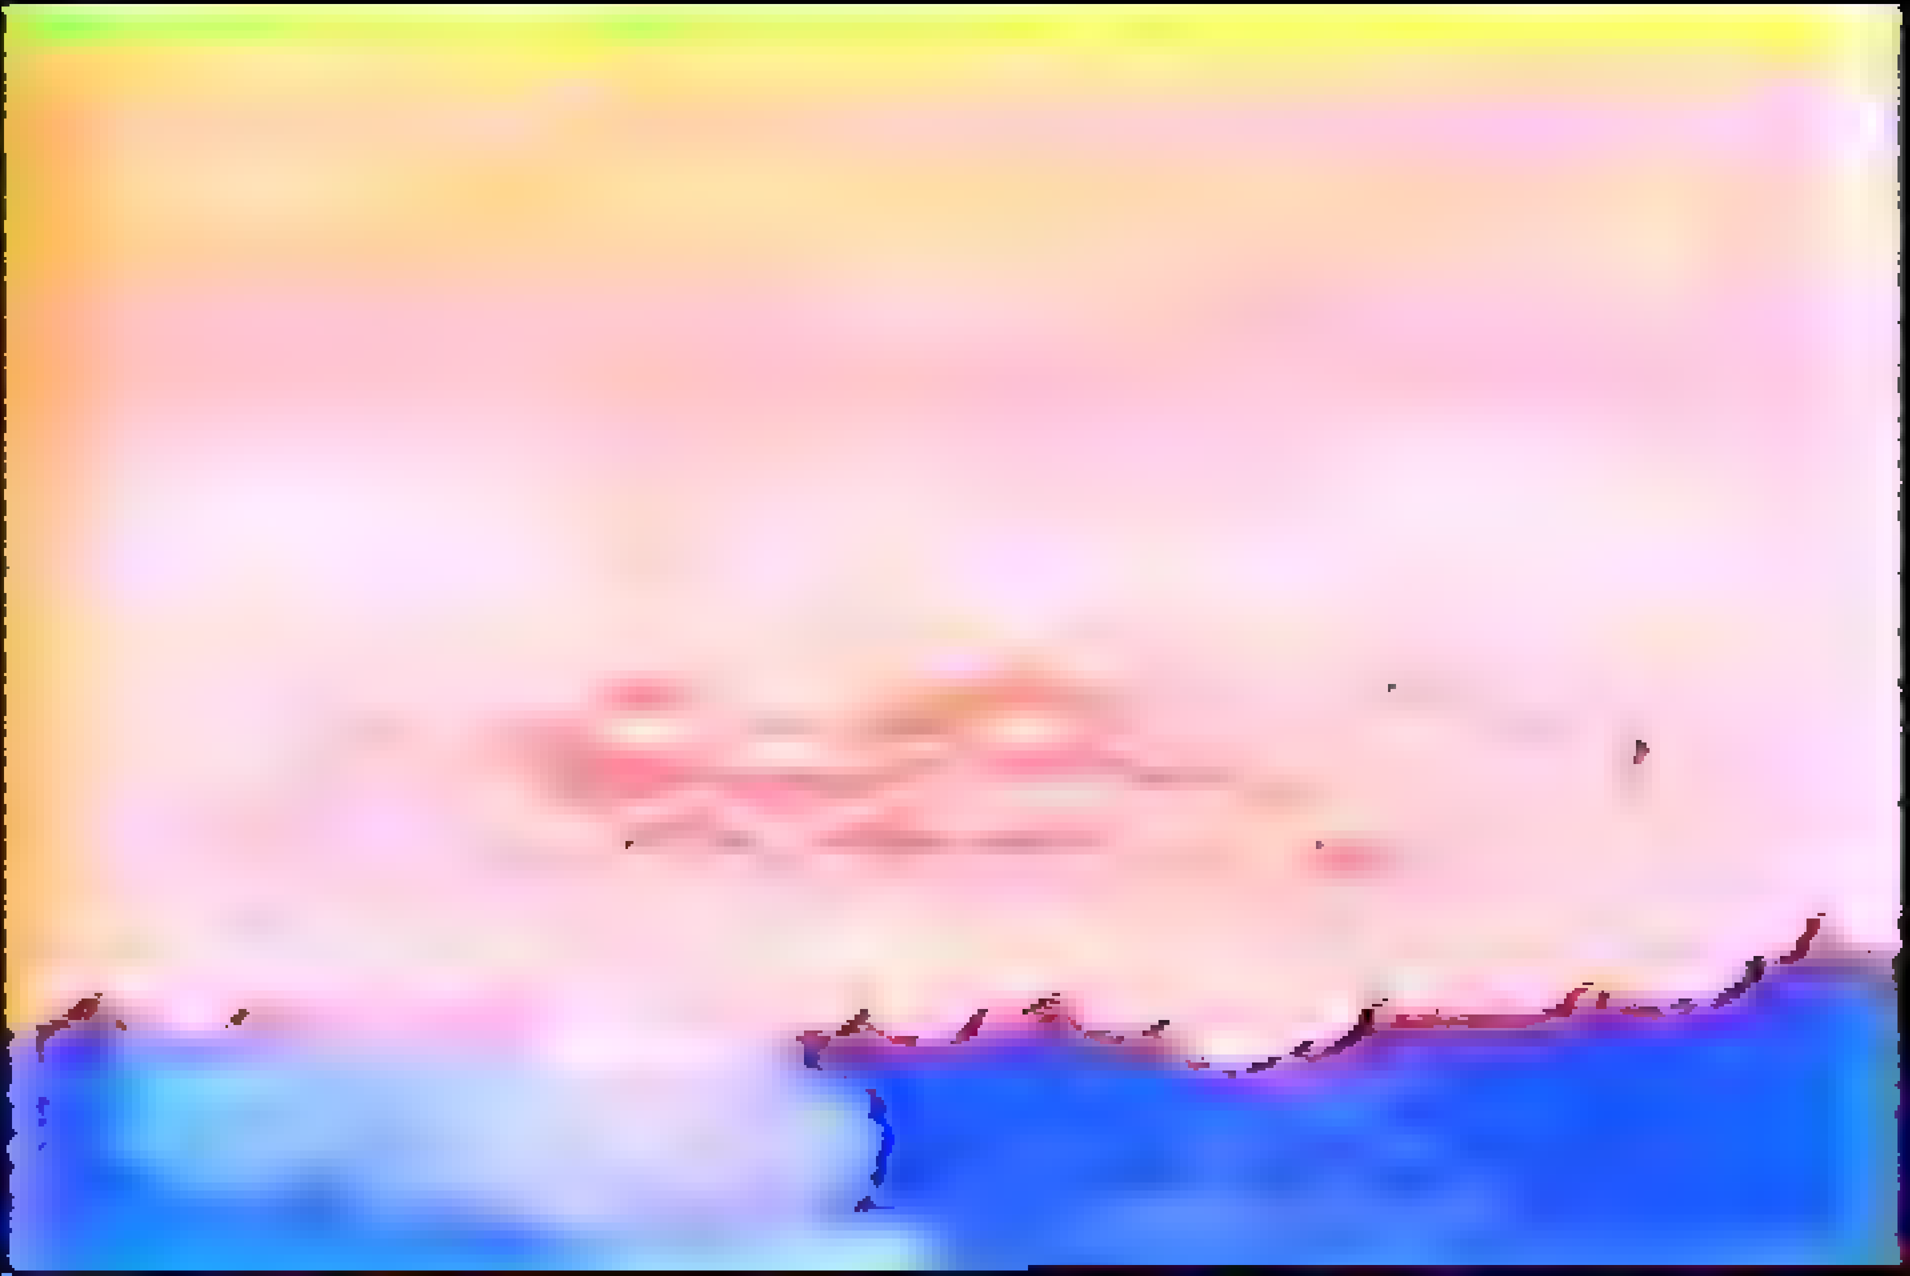

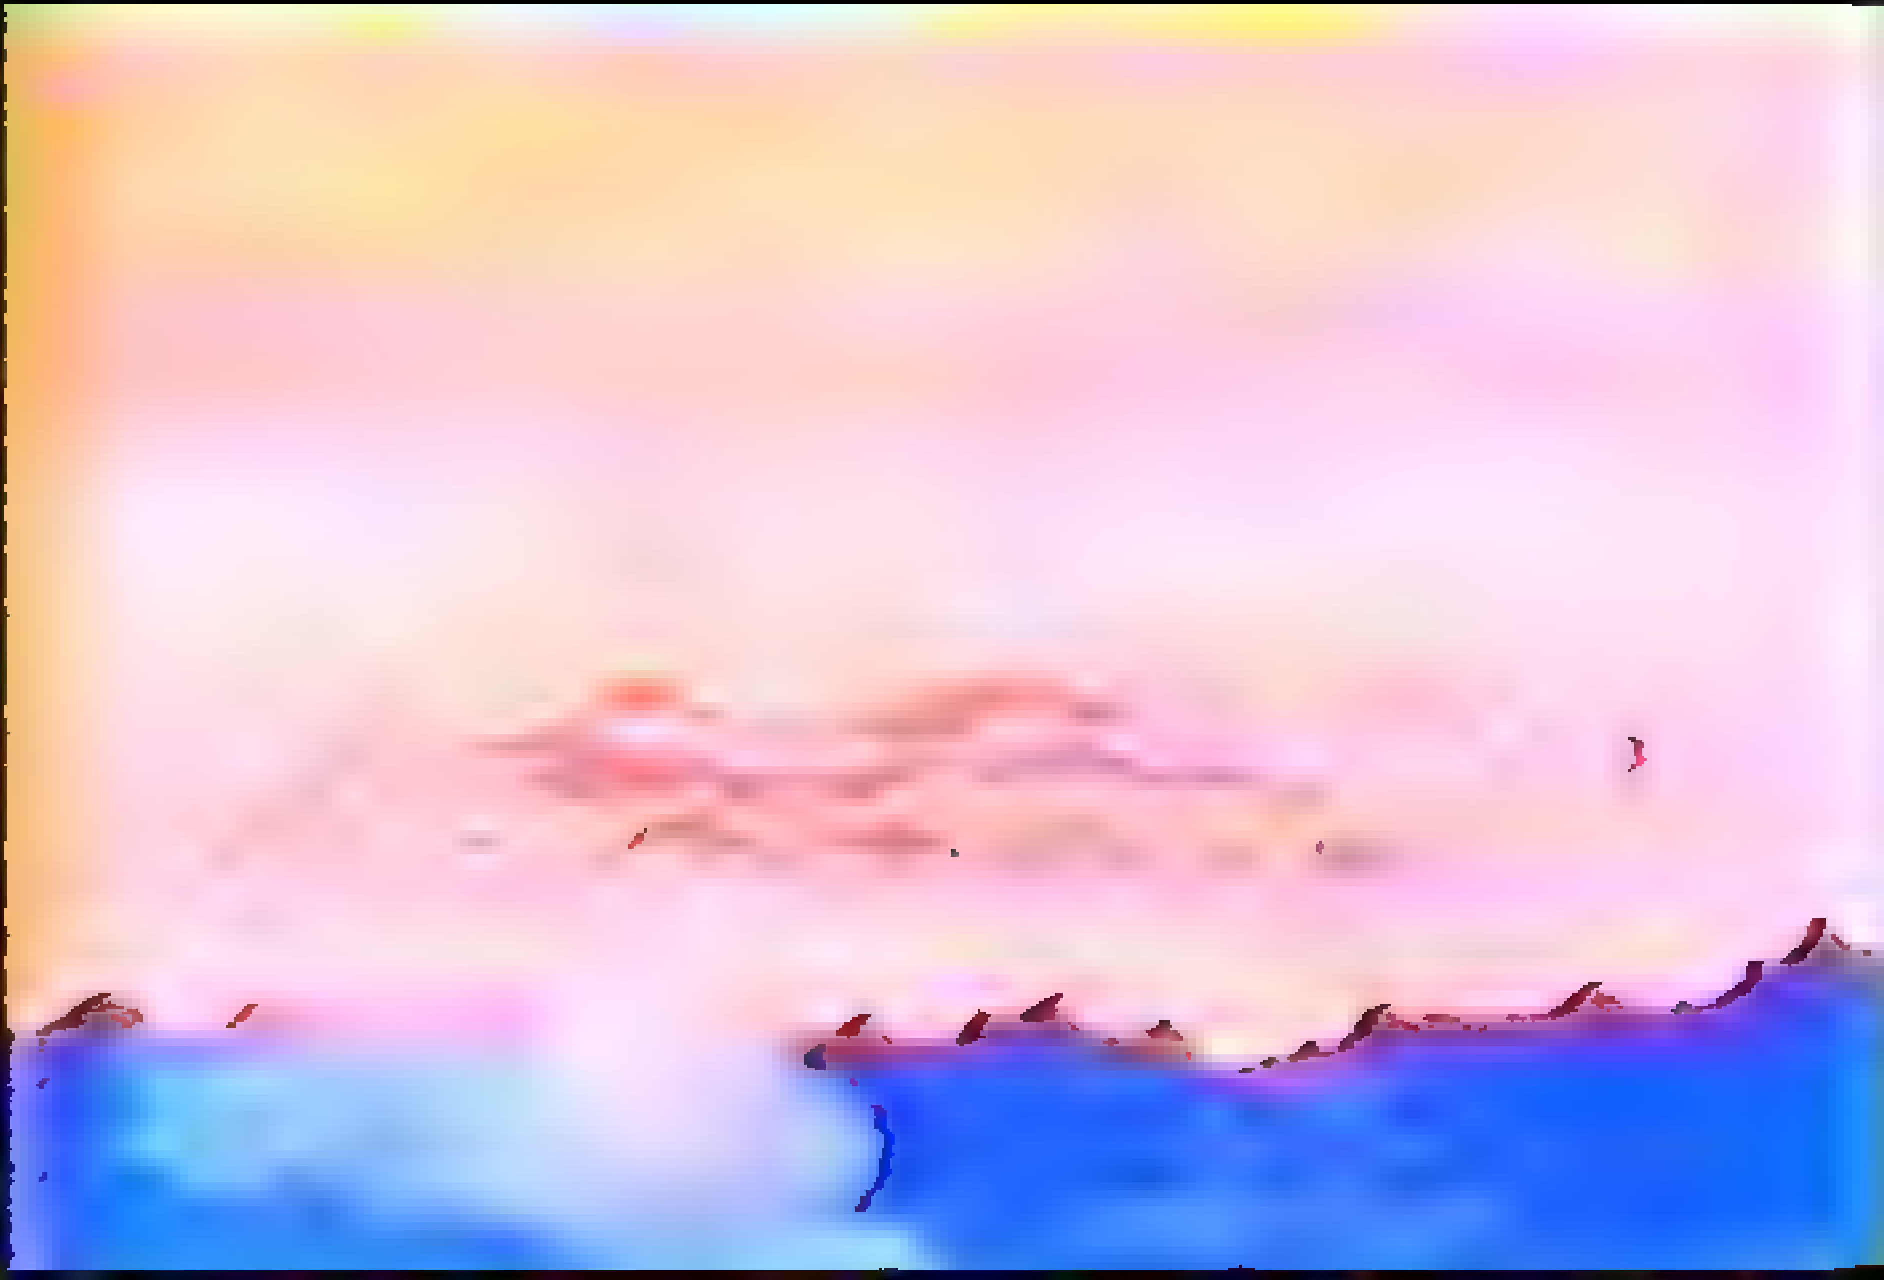

Is that a cloud? No, the
smoke is gathering together!

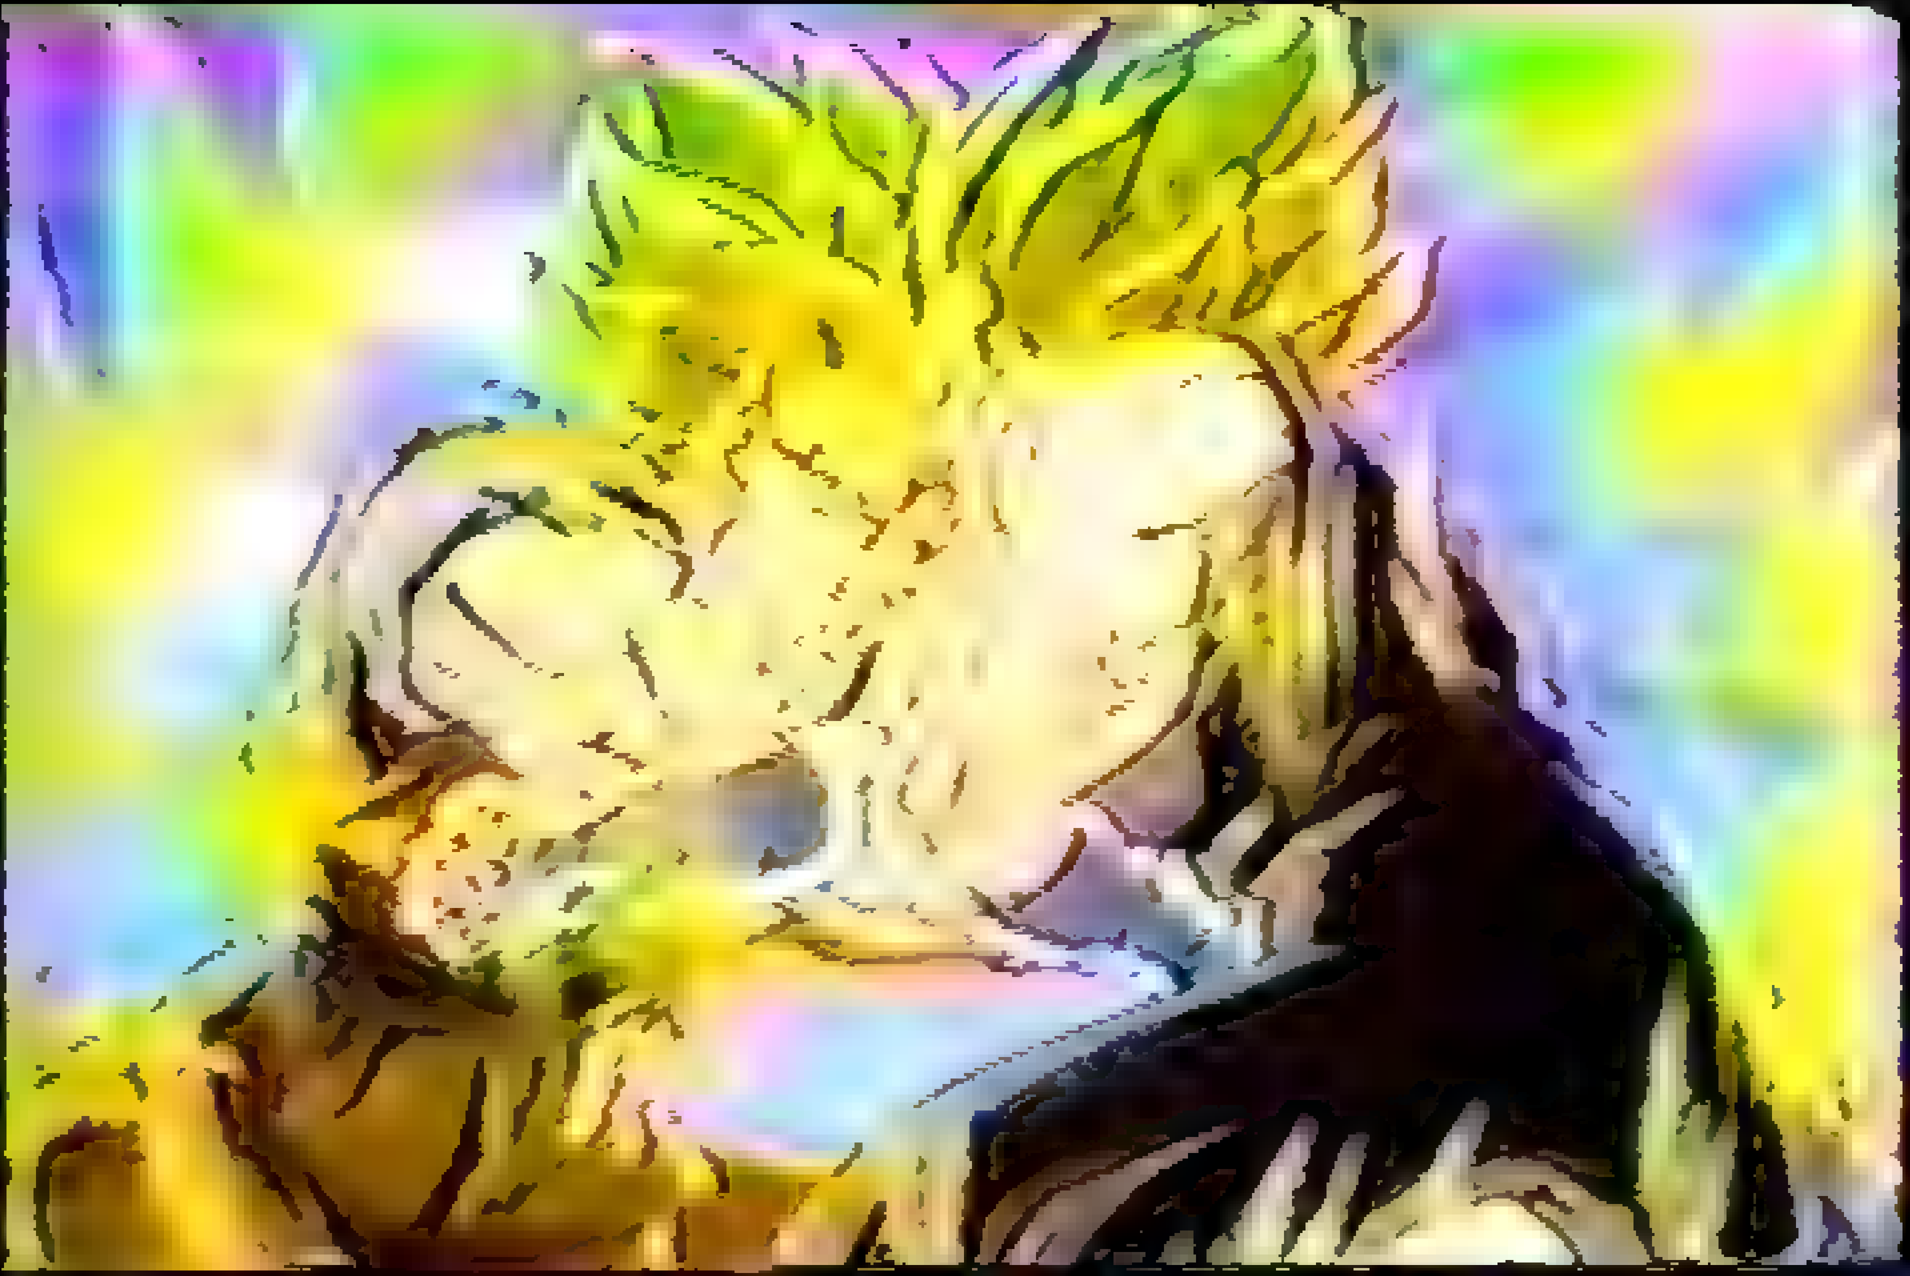

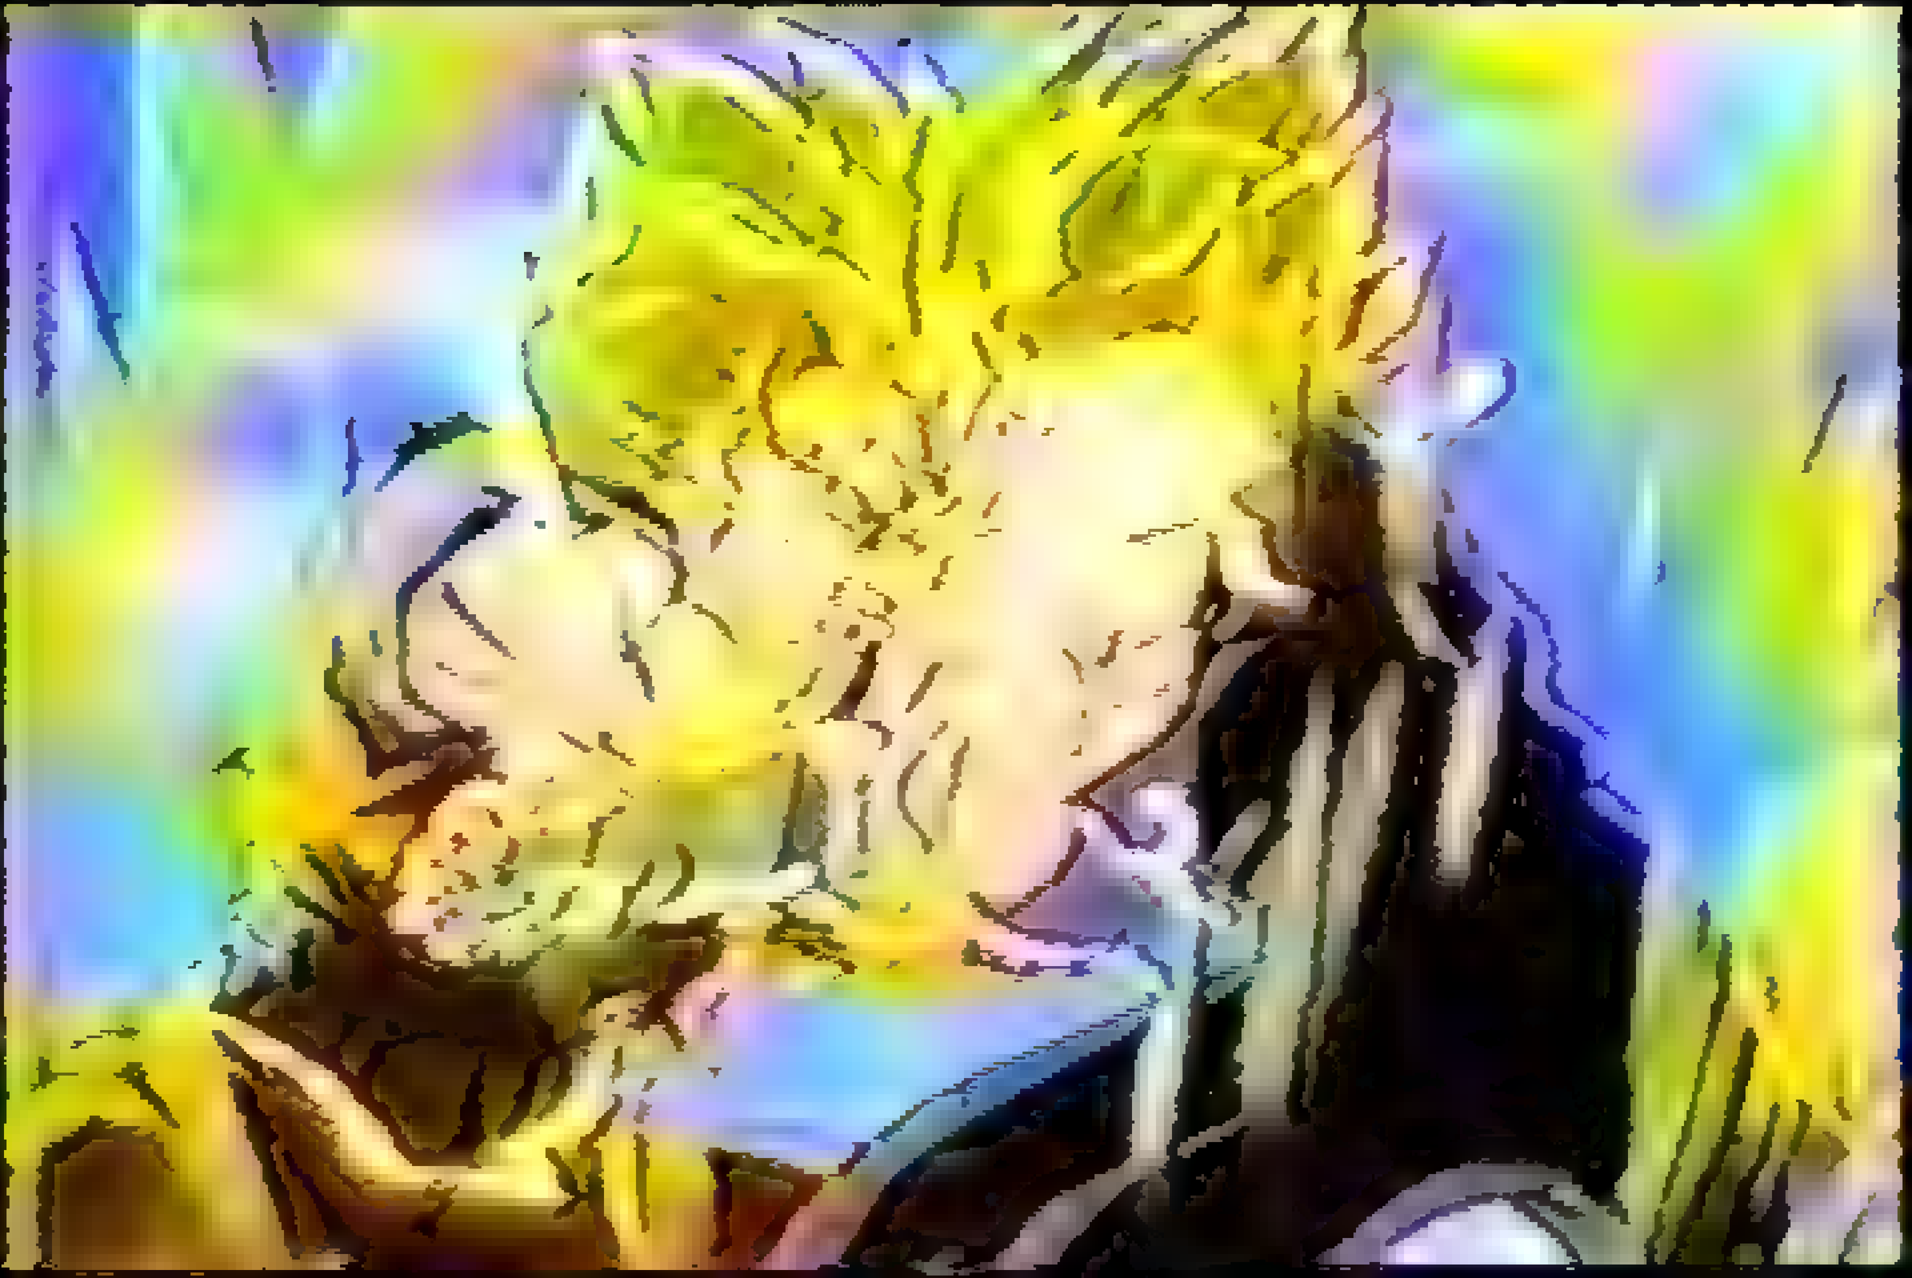

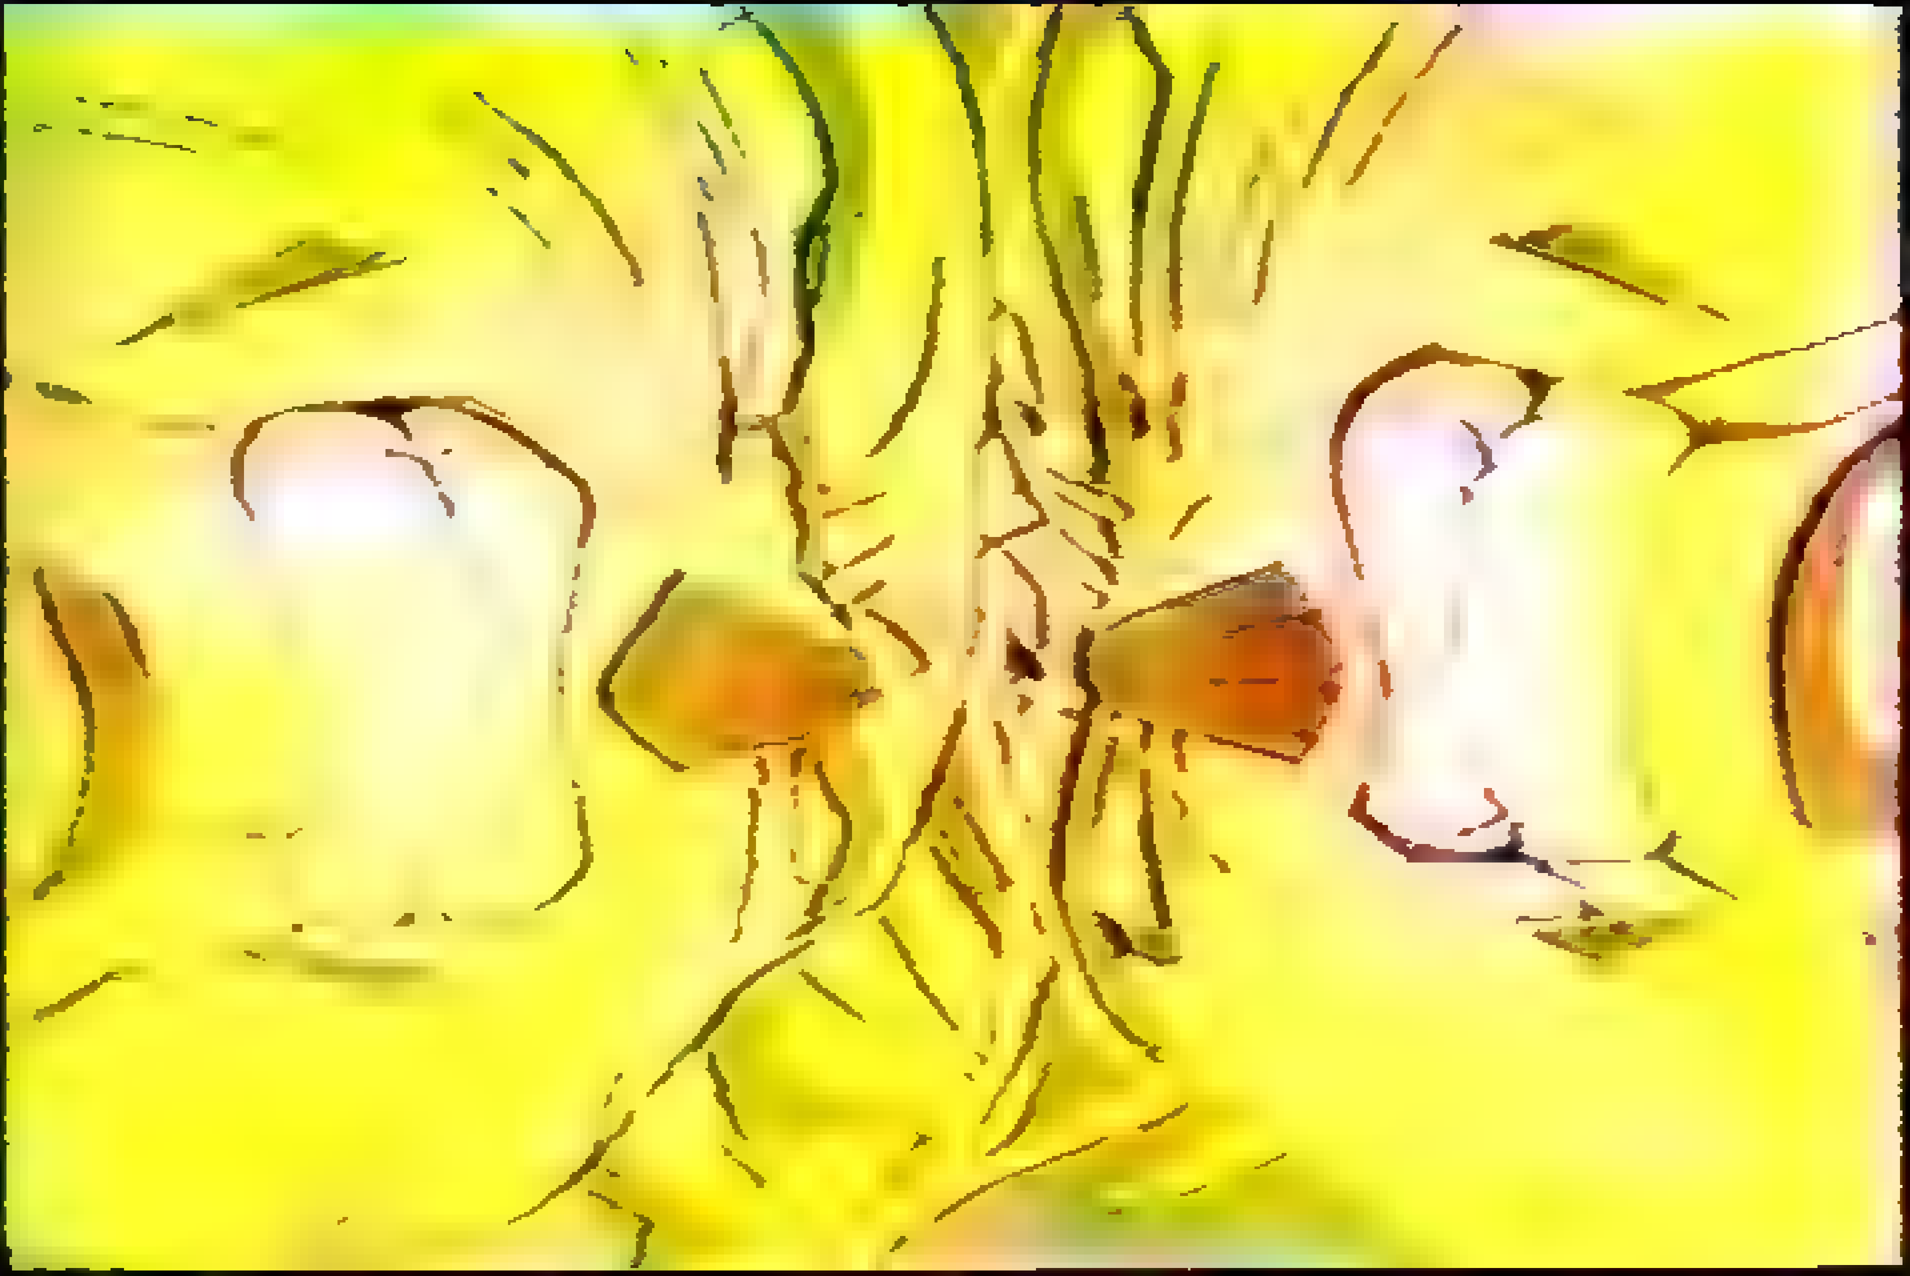

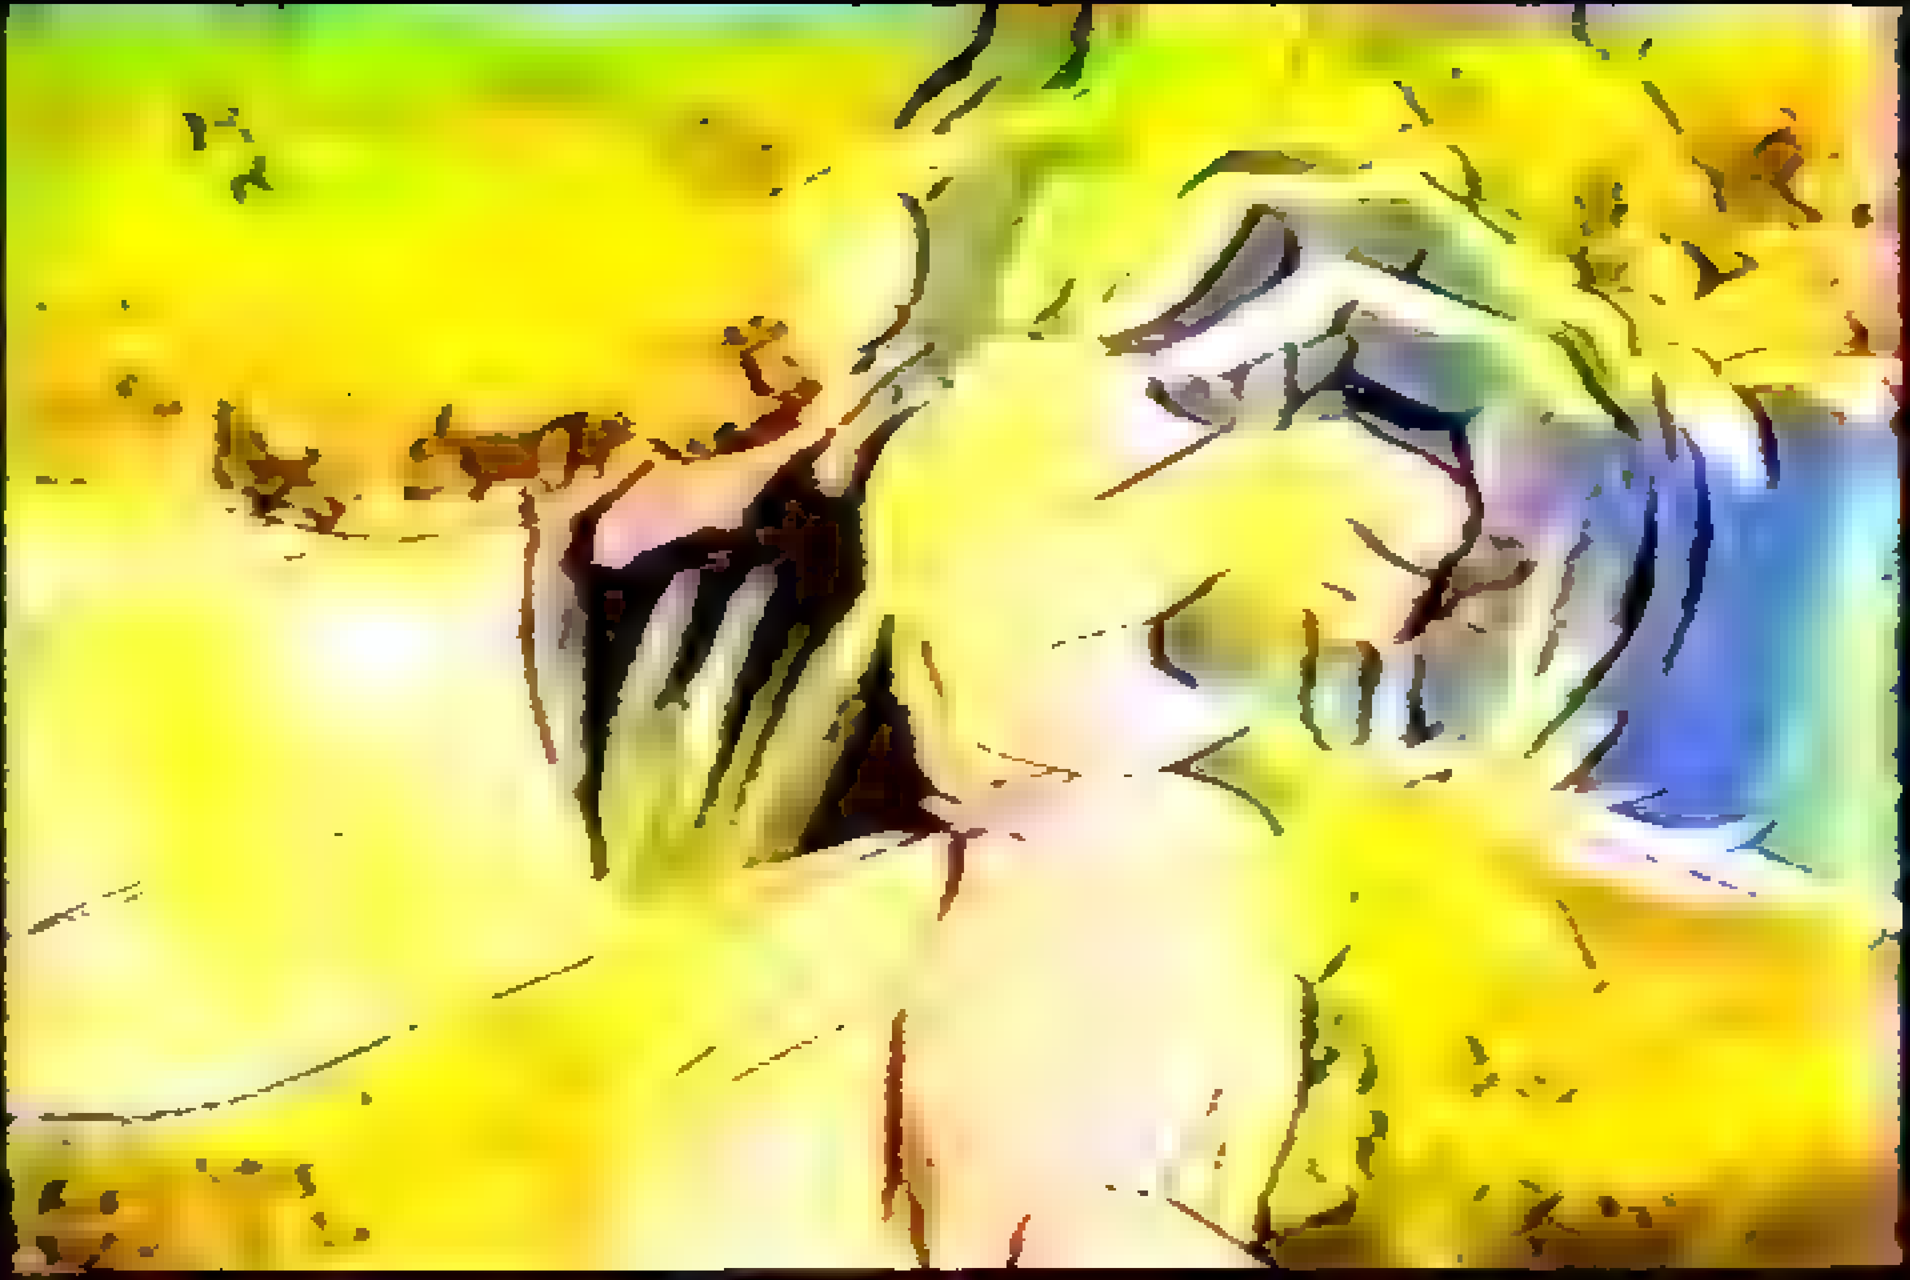

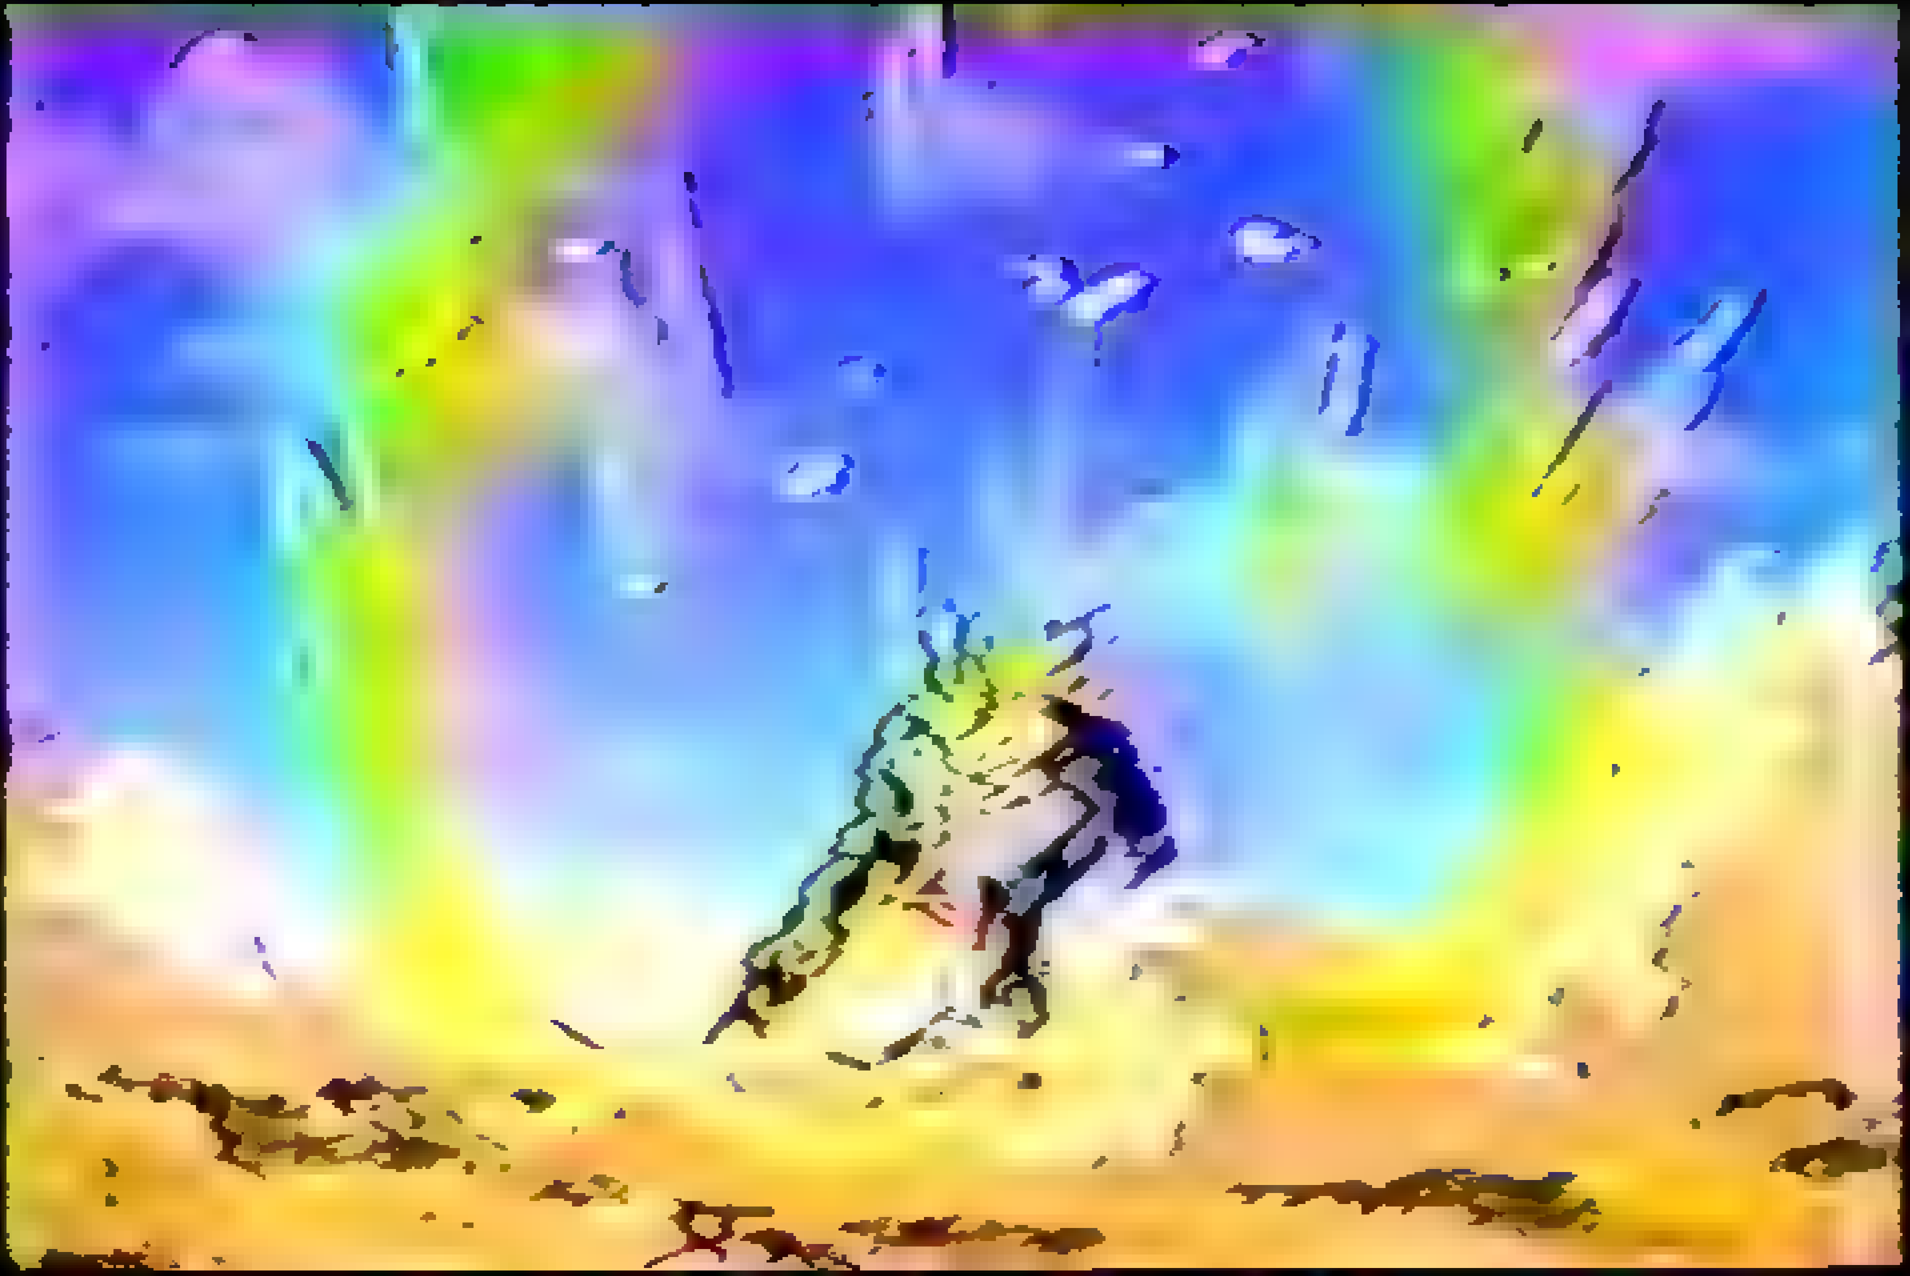

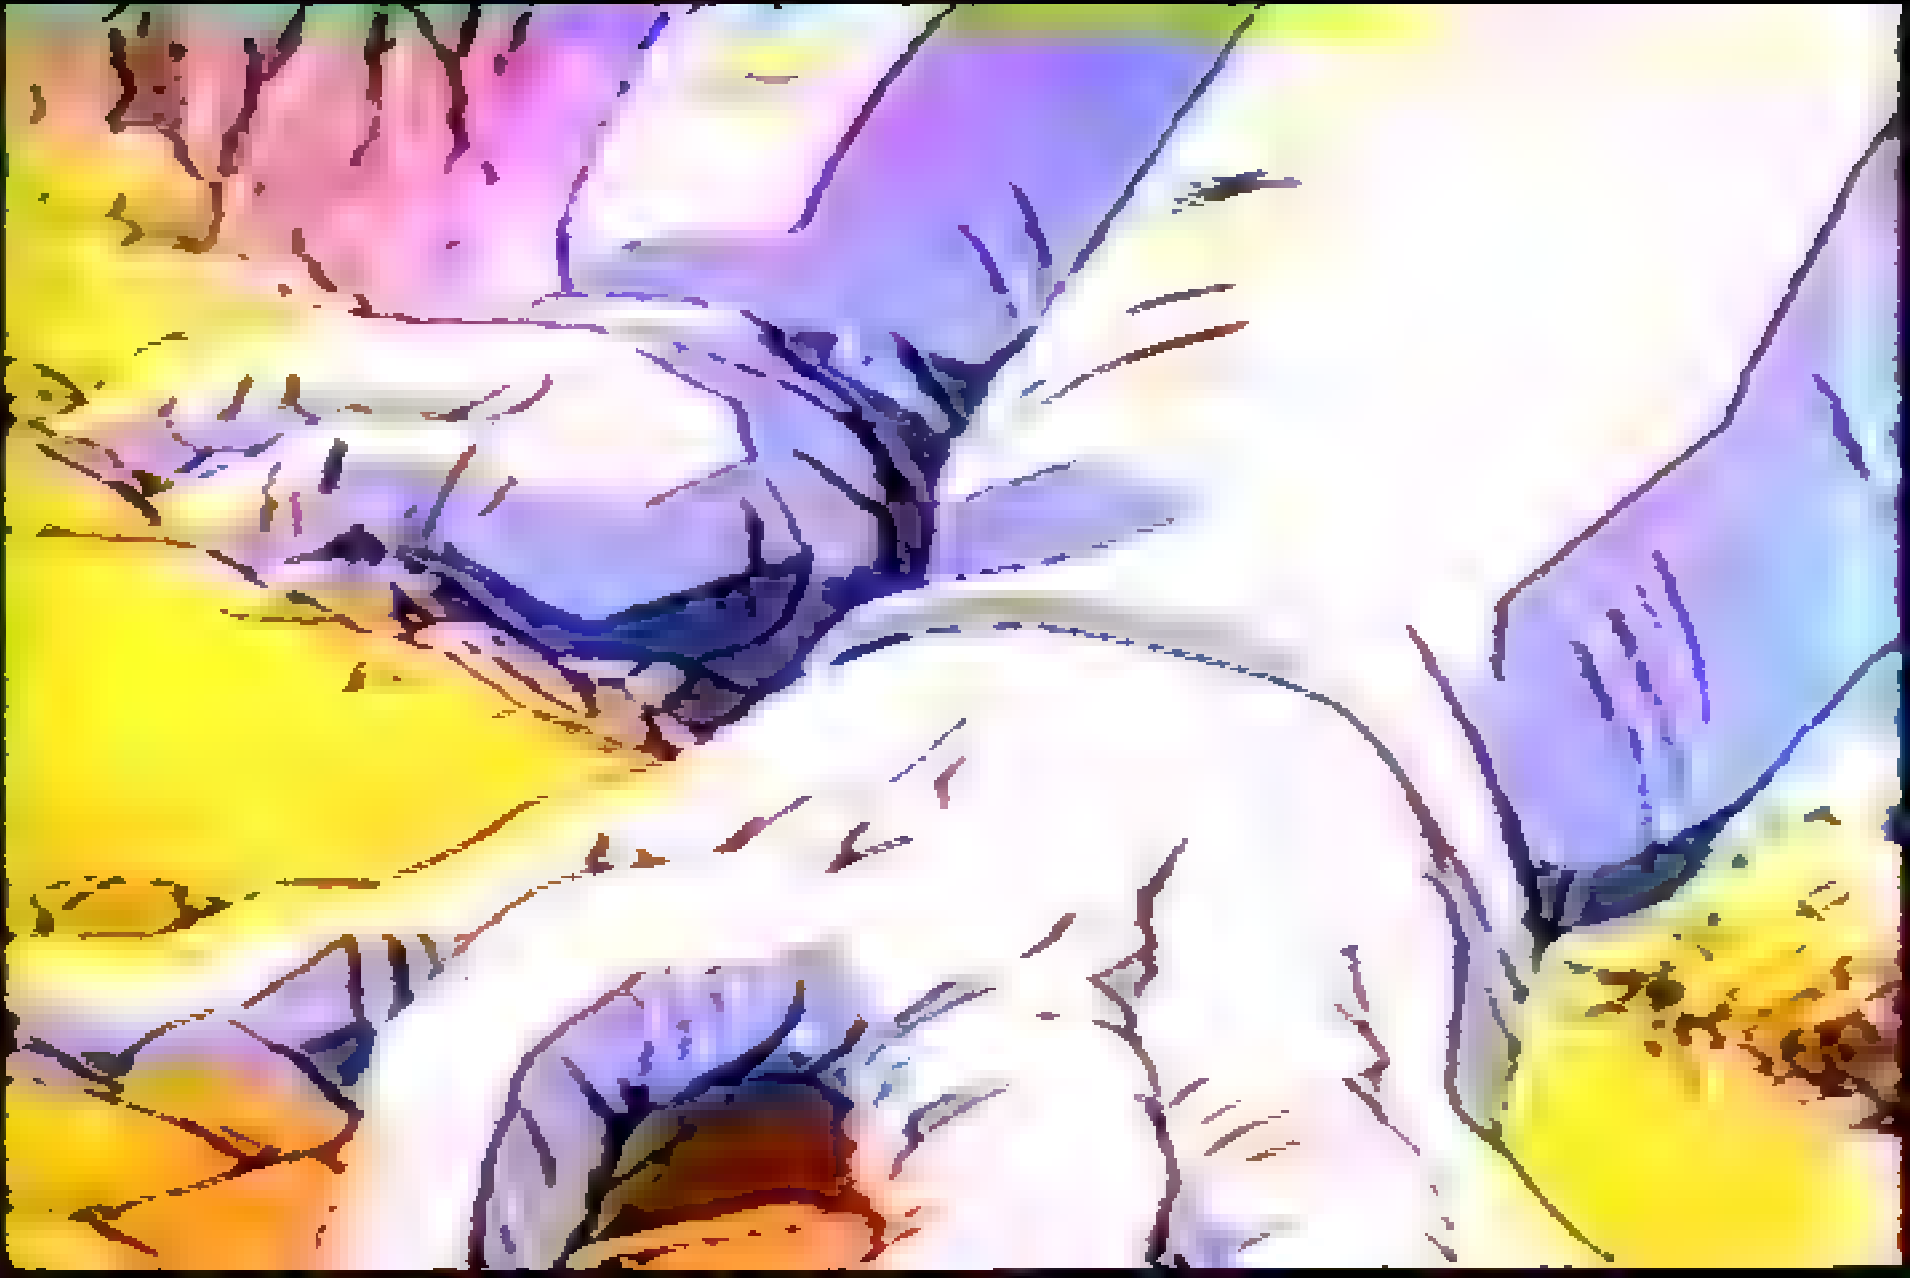

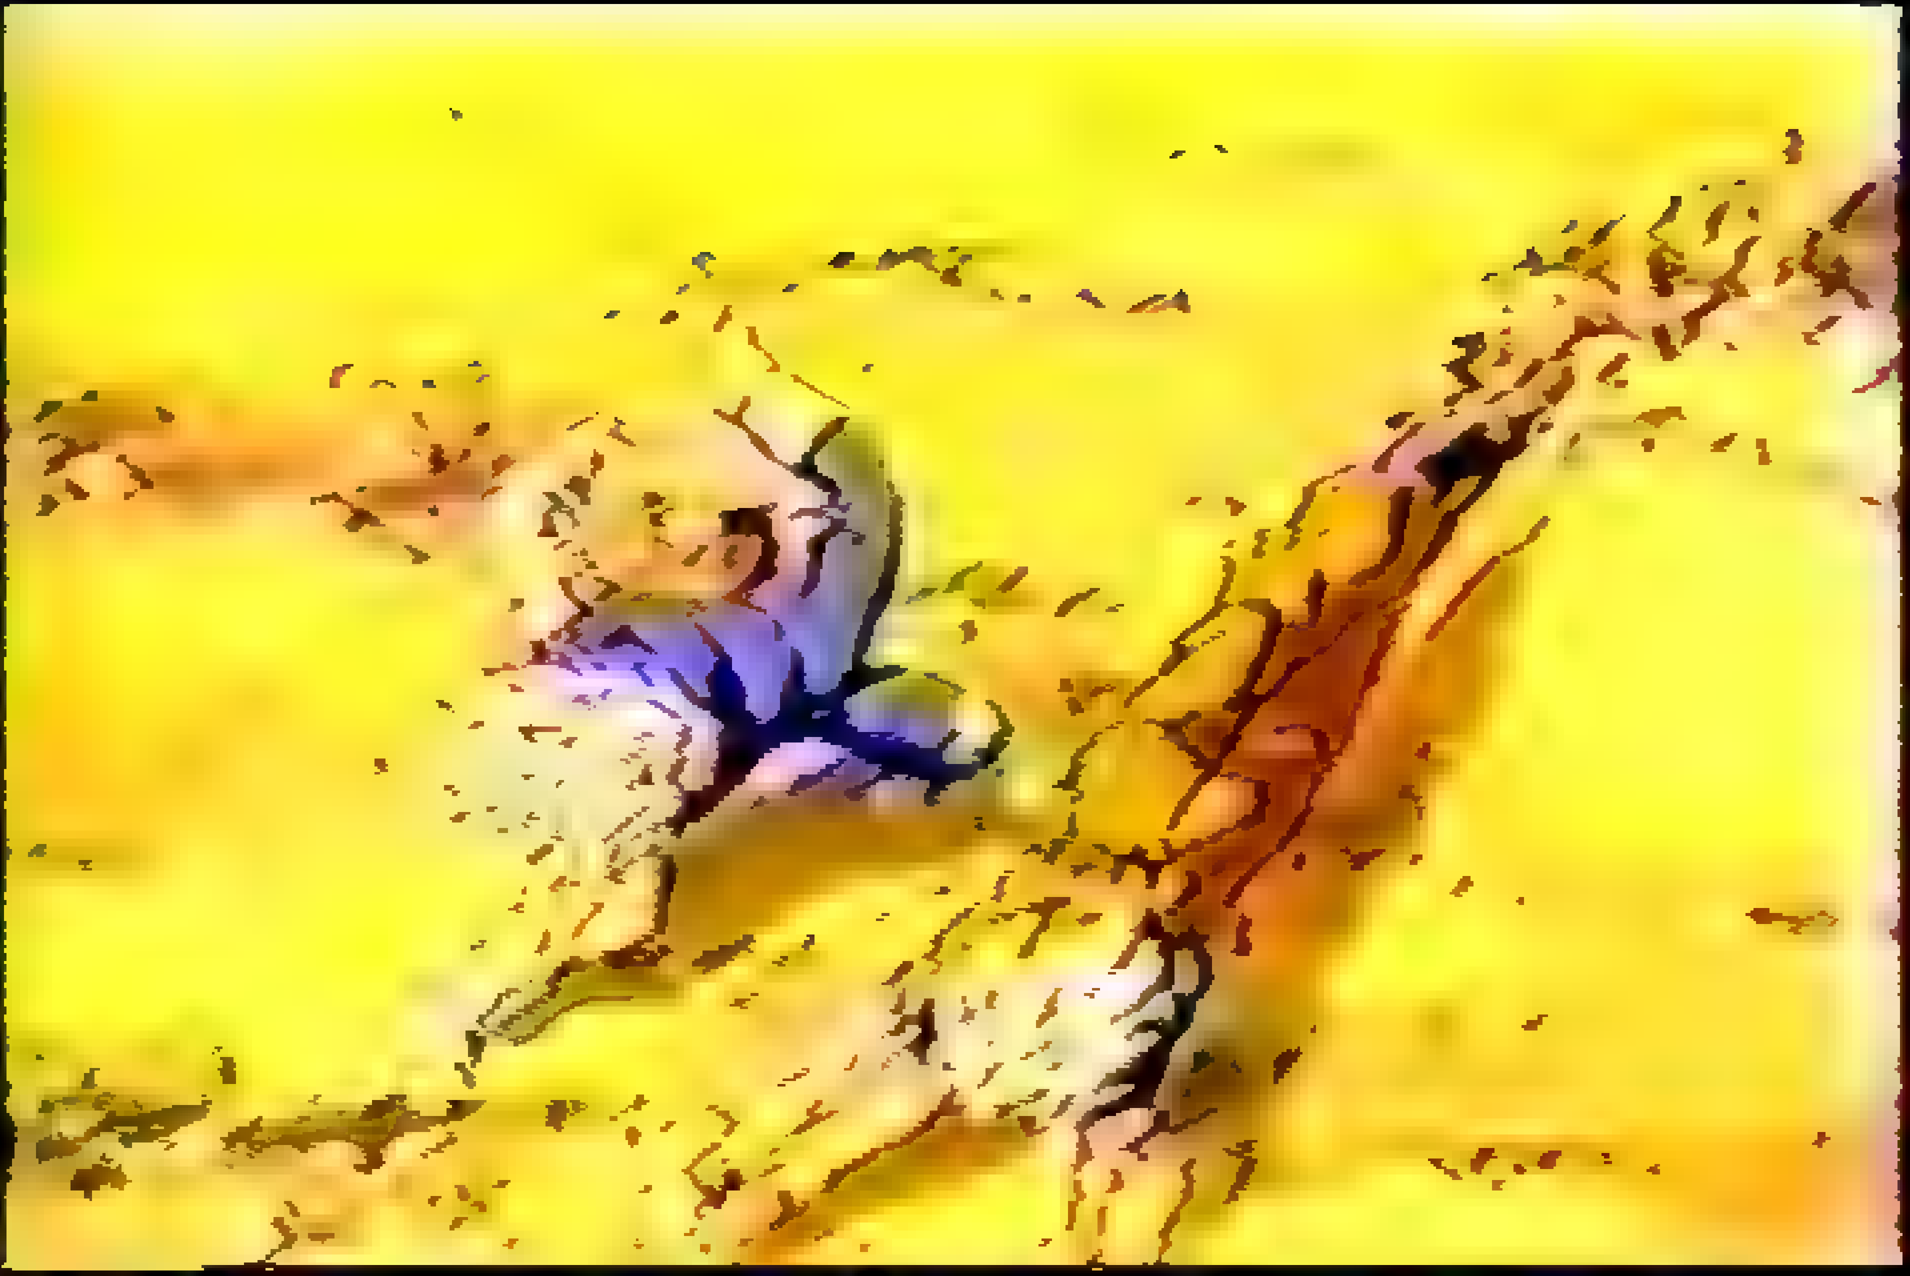

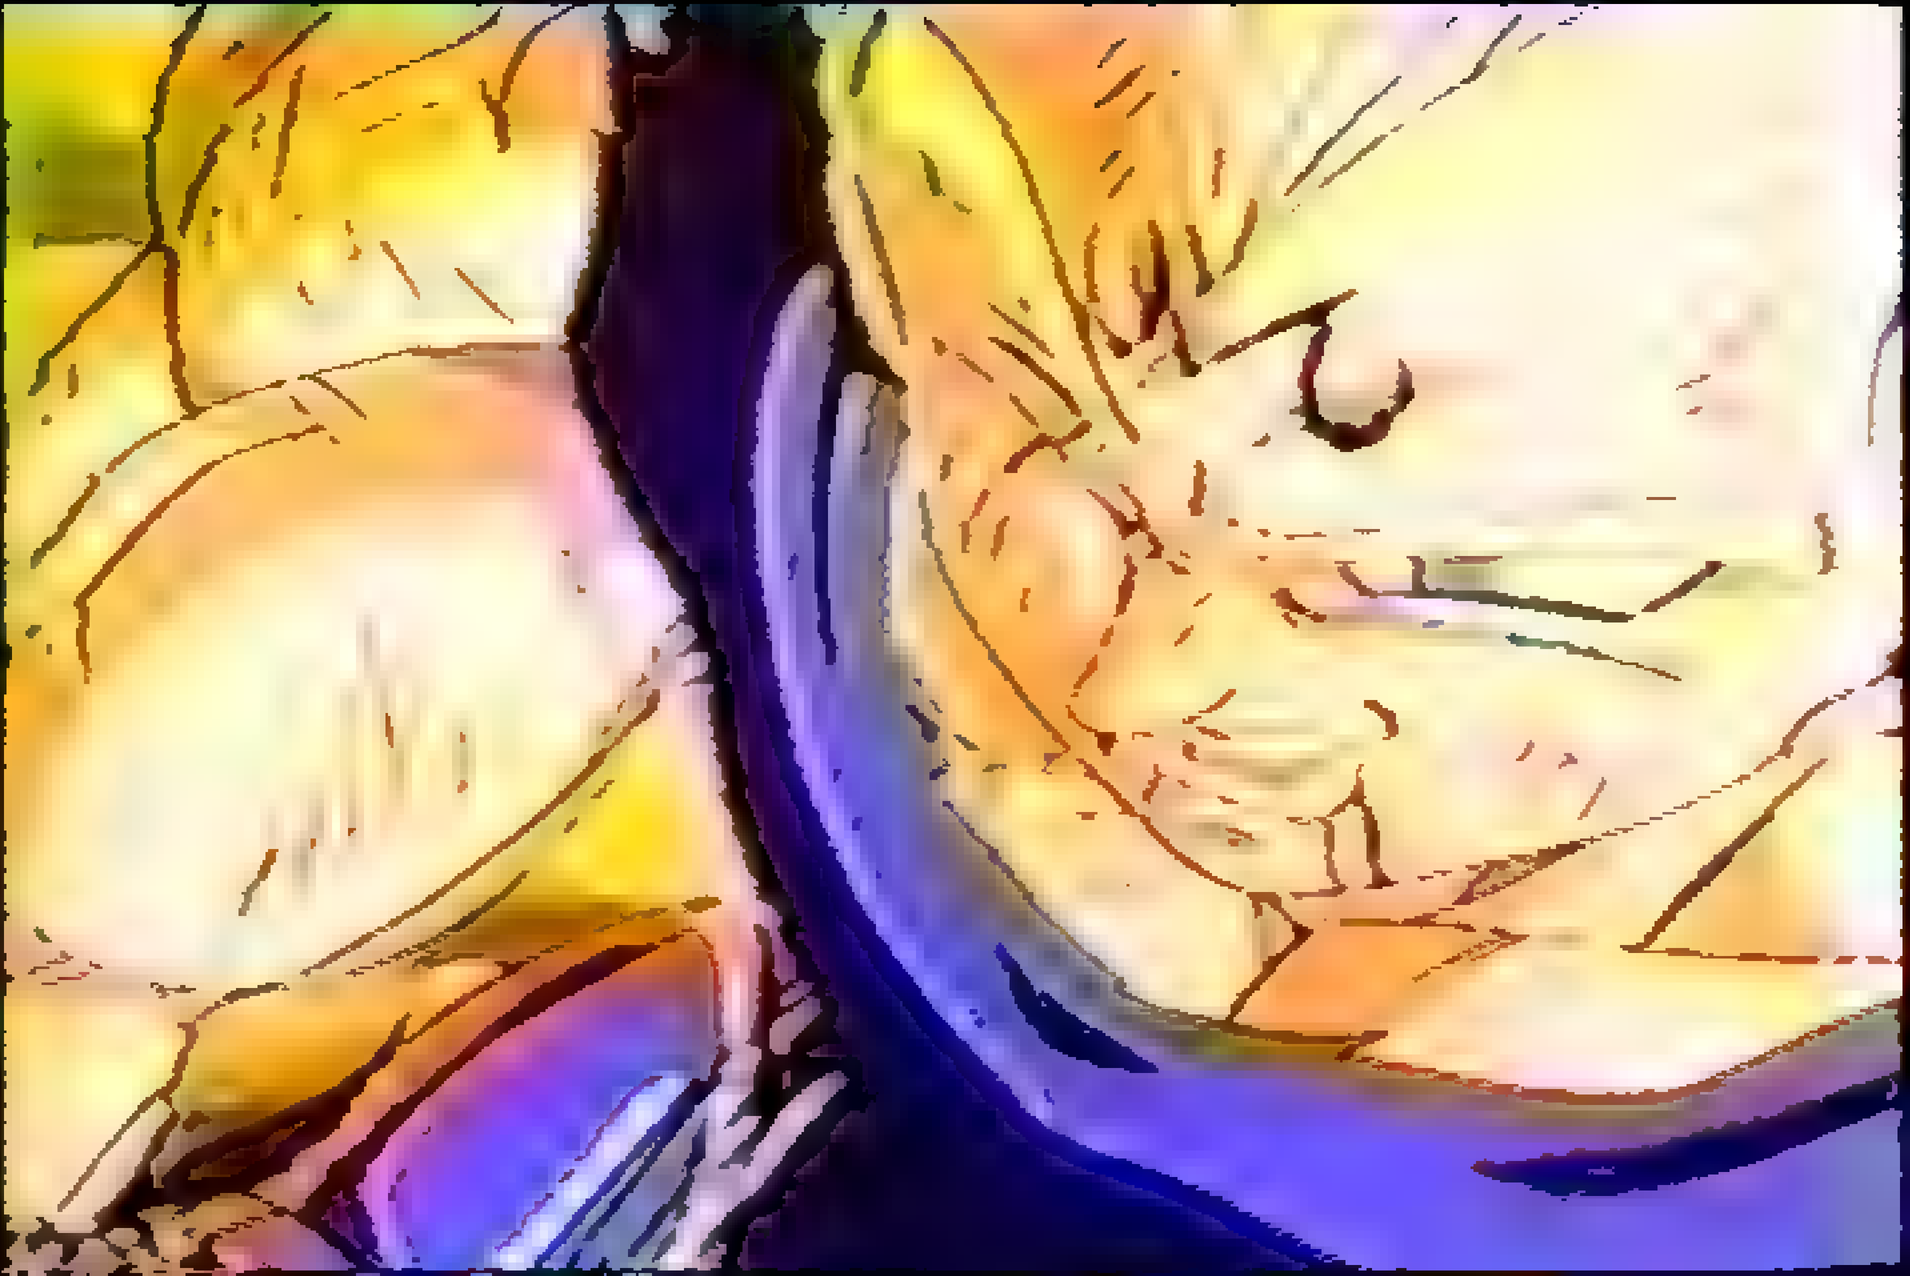

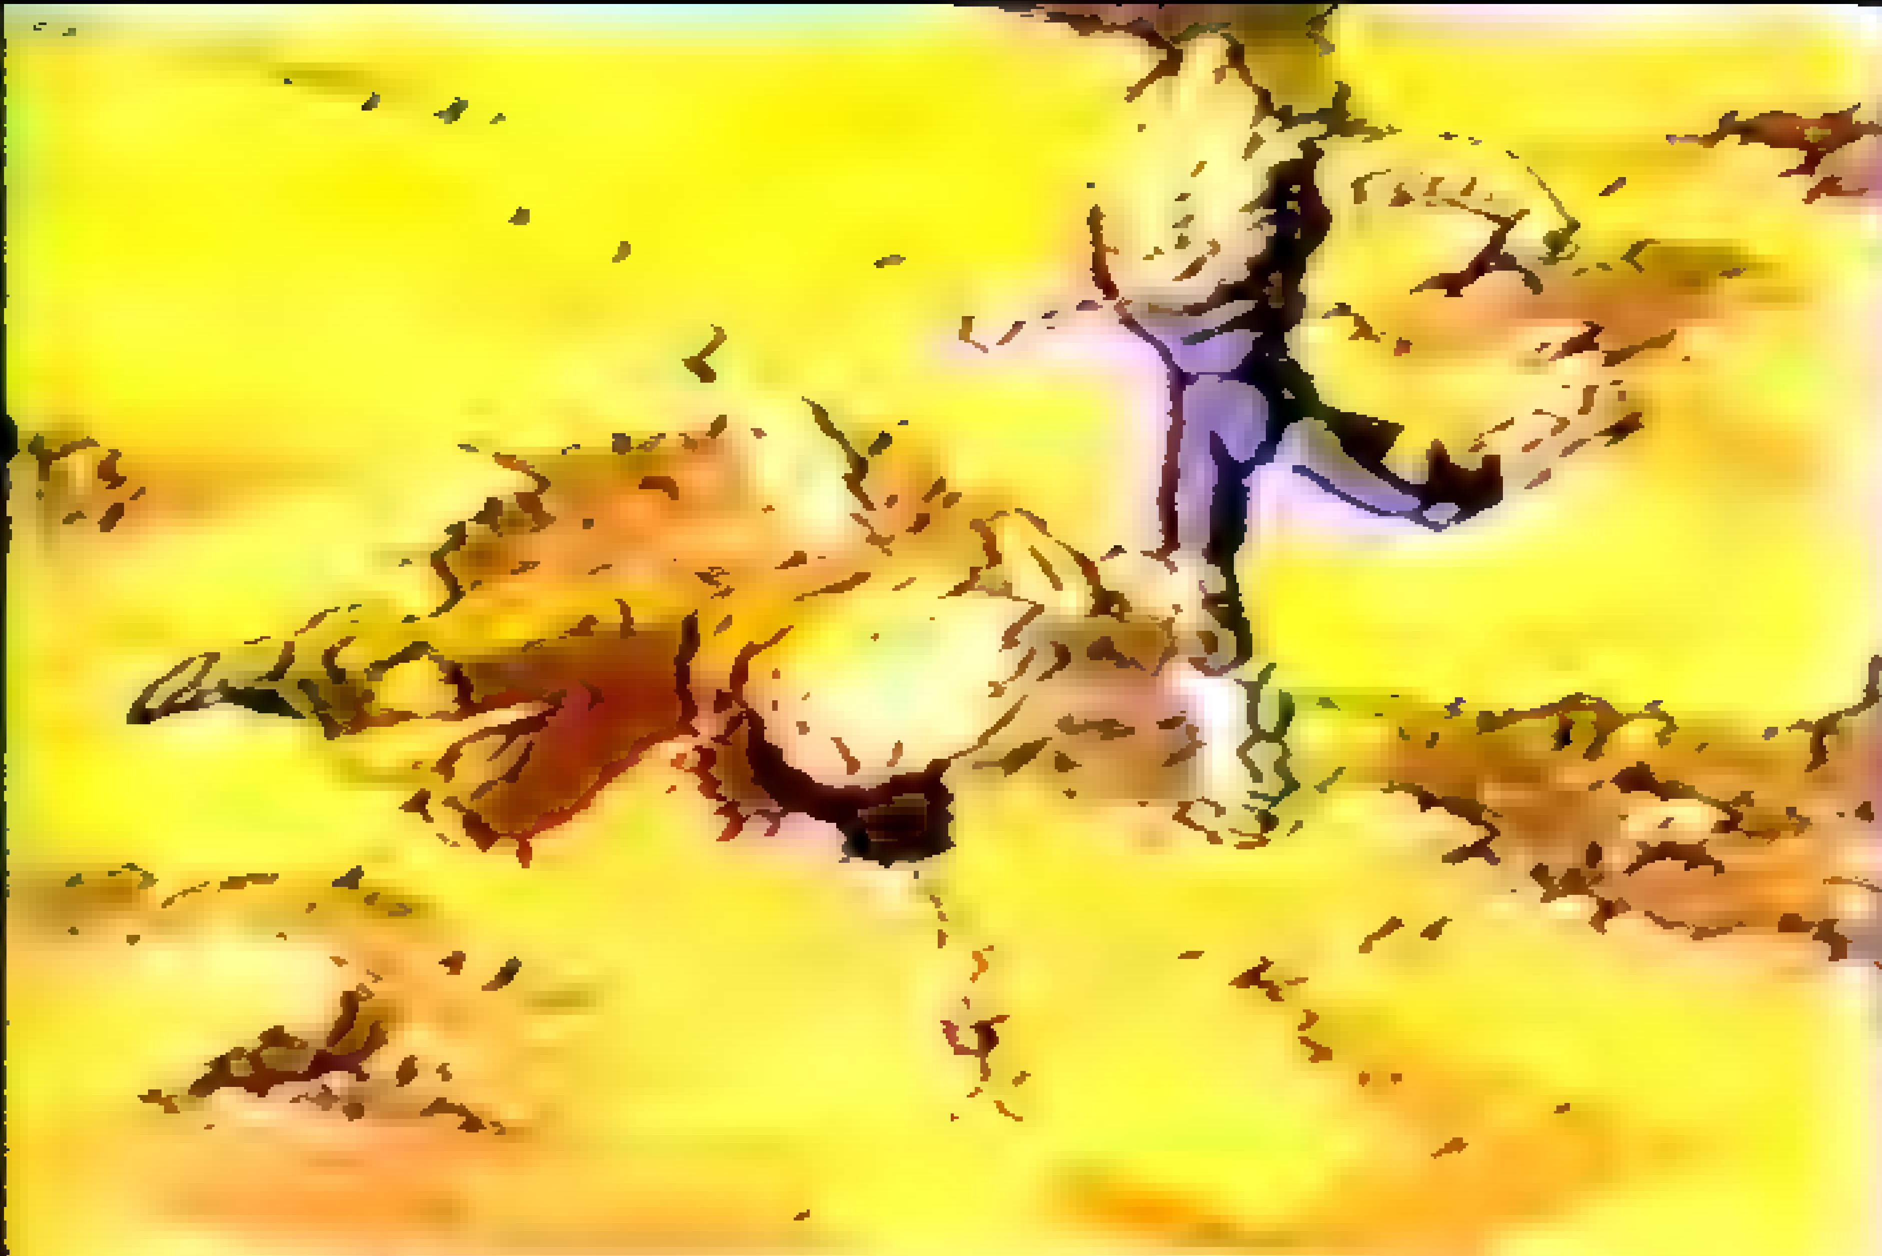

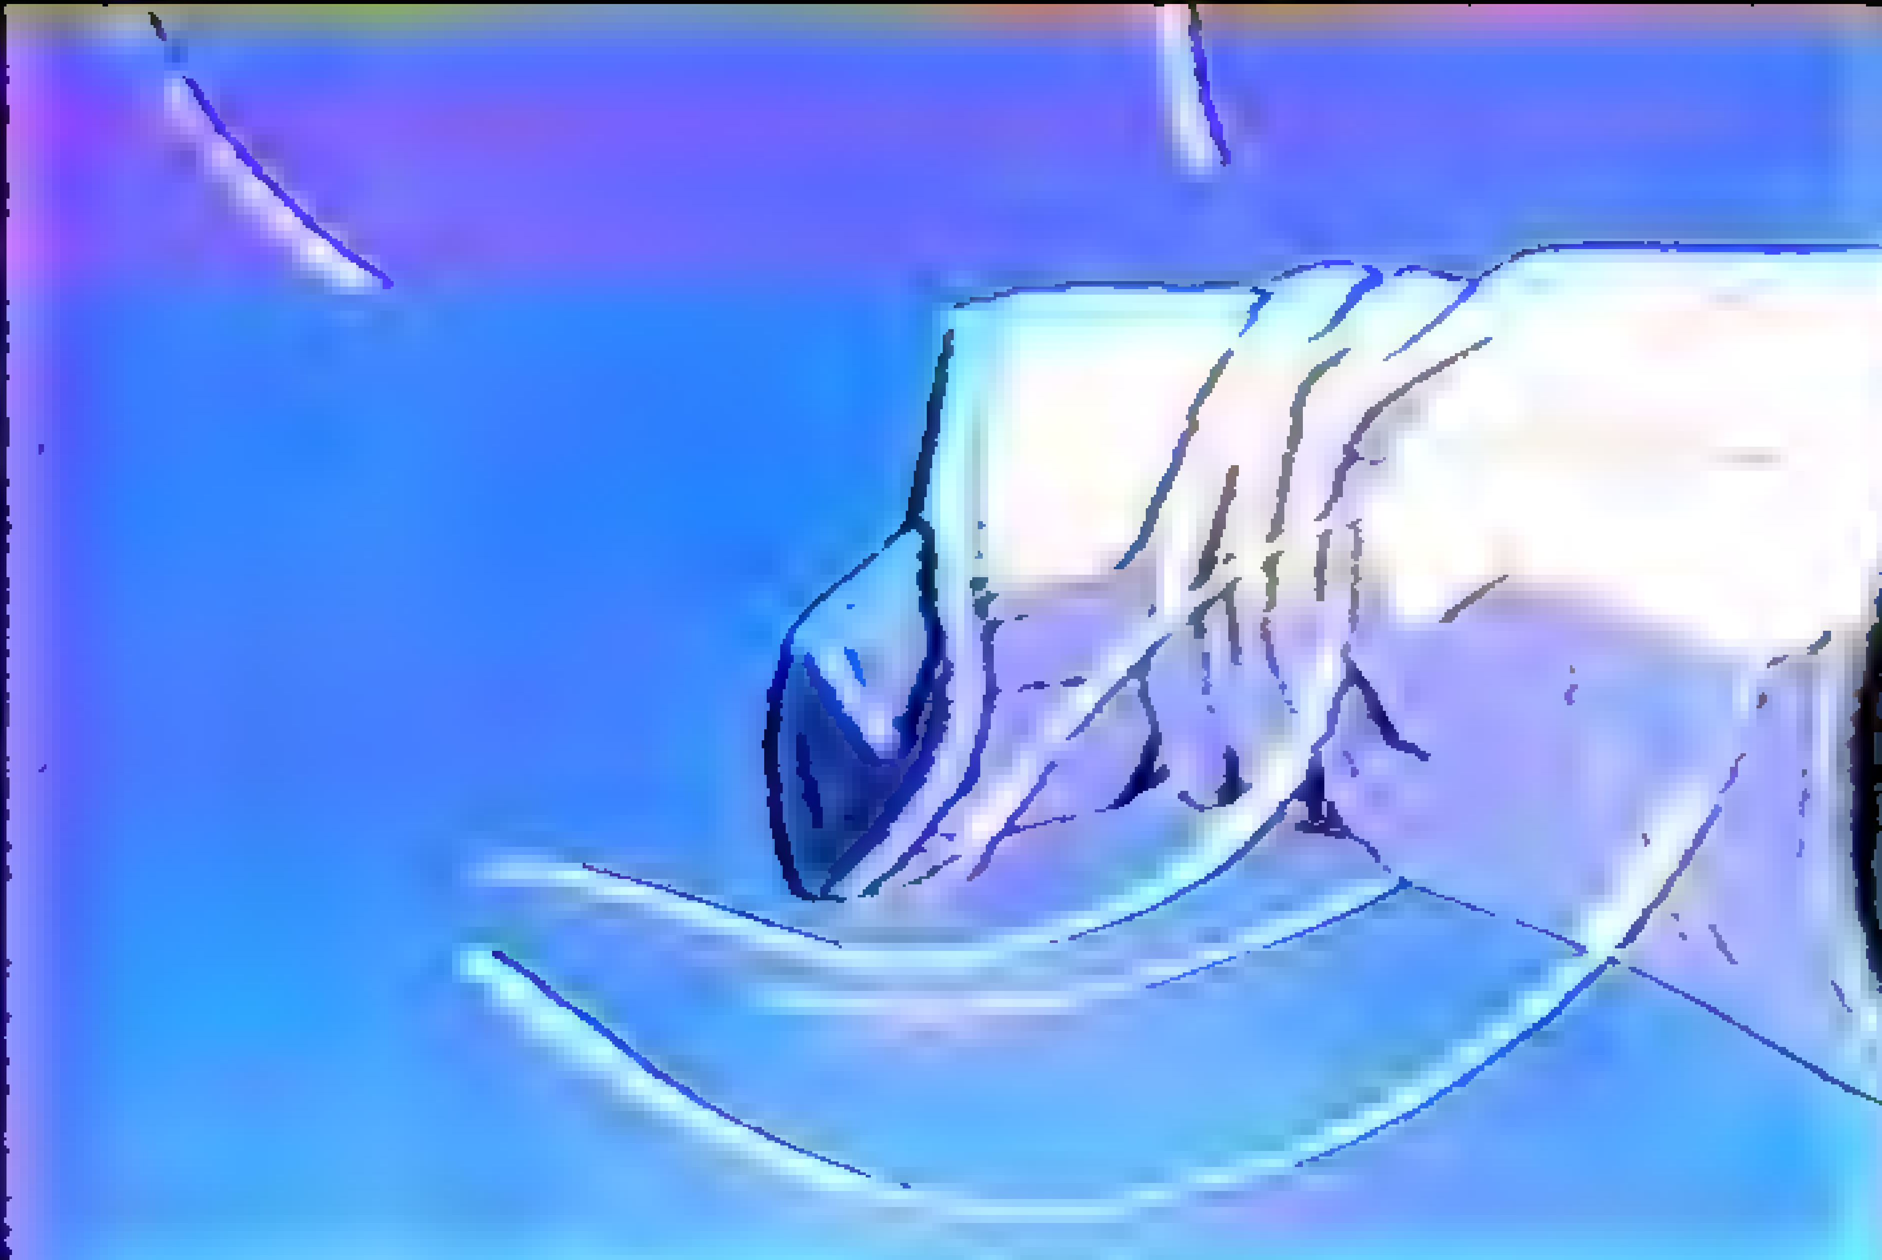

I'm going to show you my true strength!

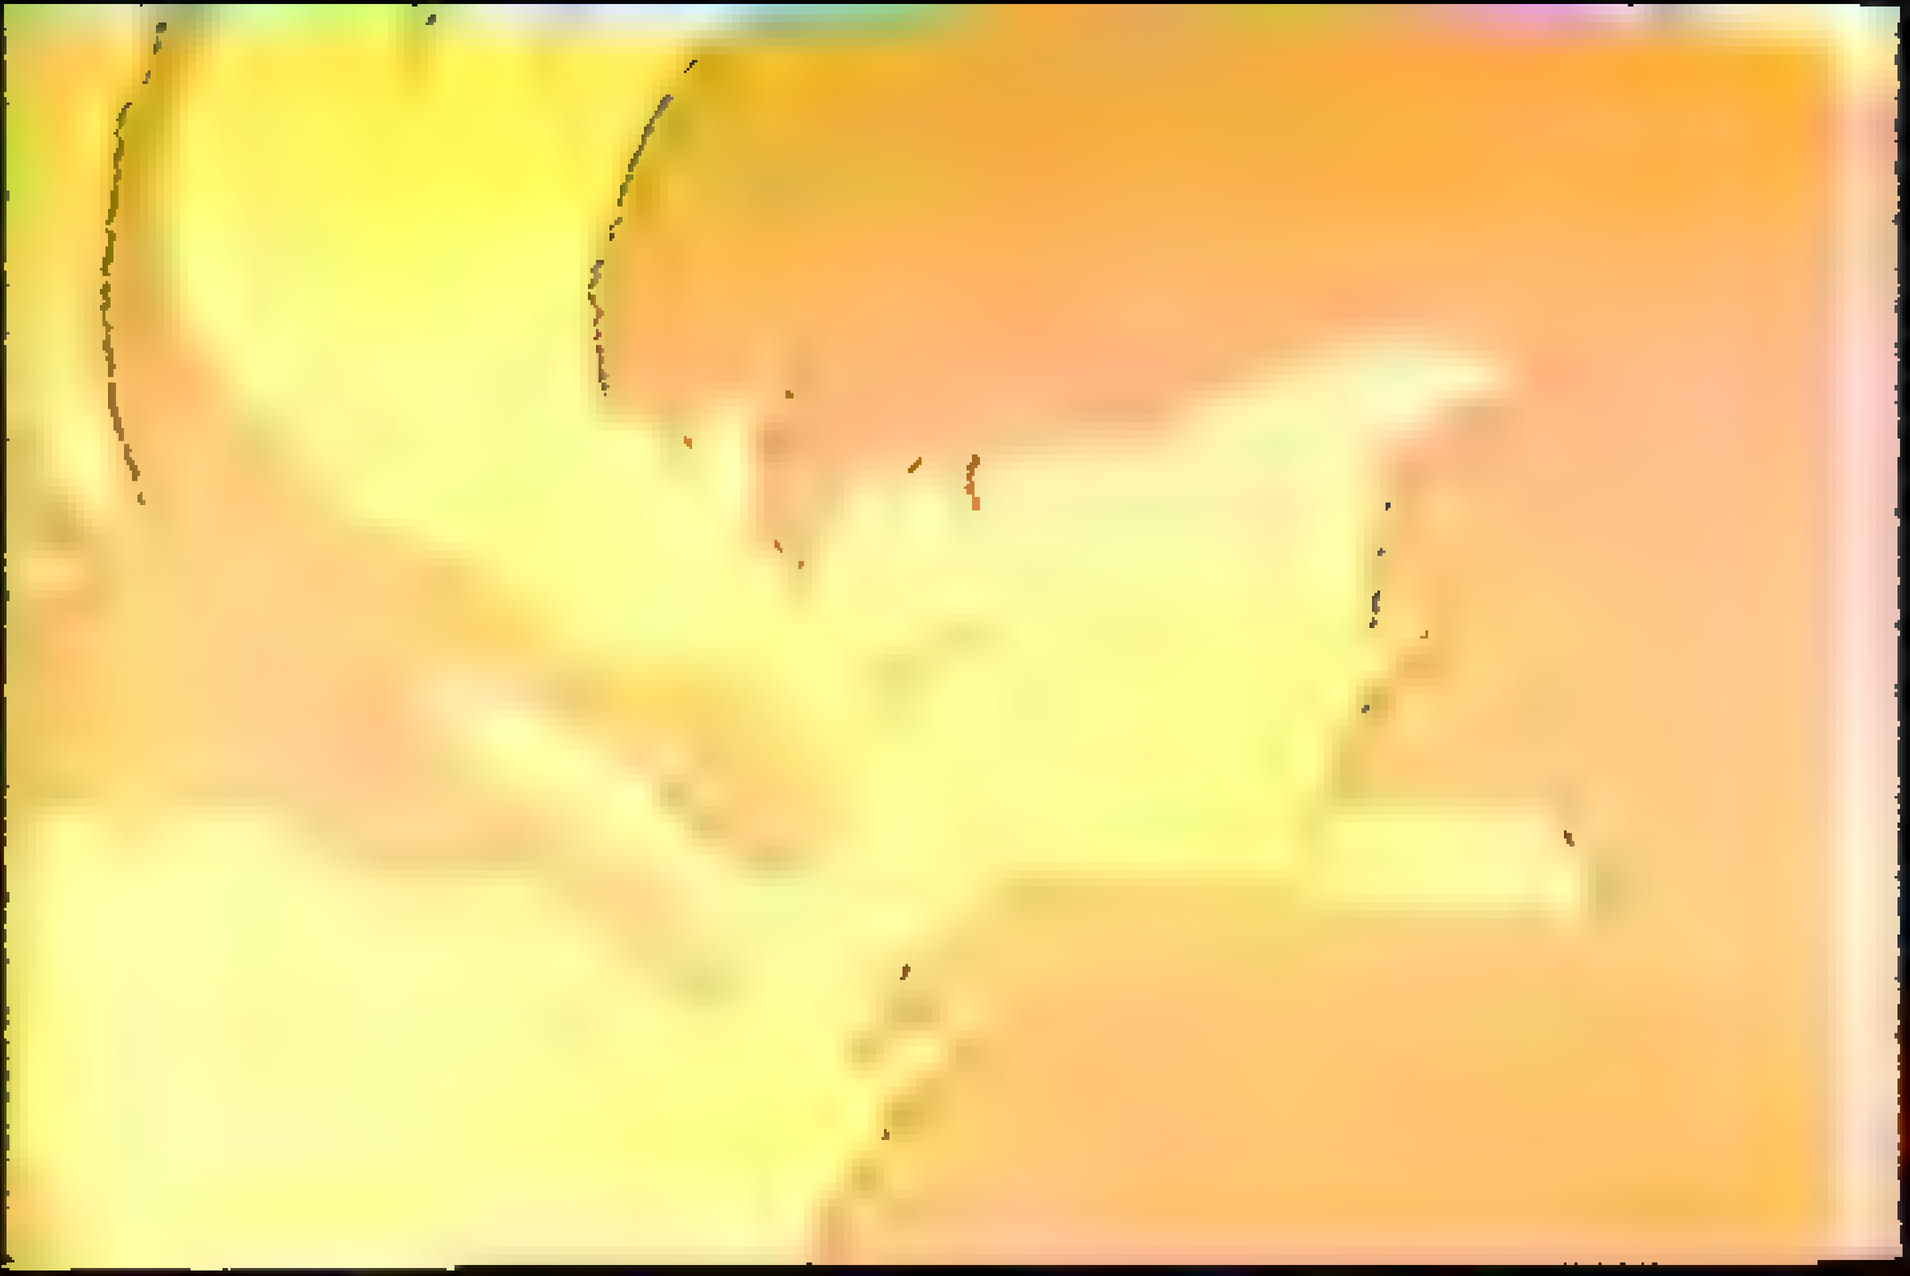

I'm going to show you my true strength!

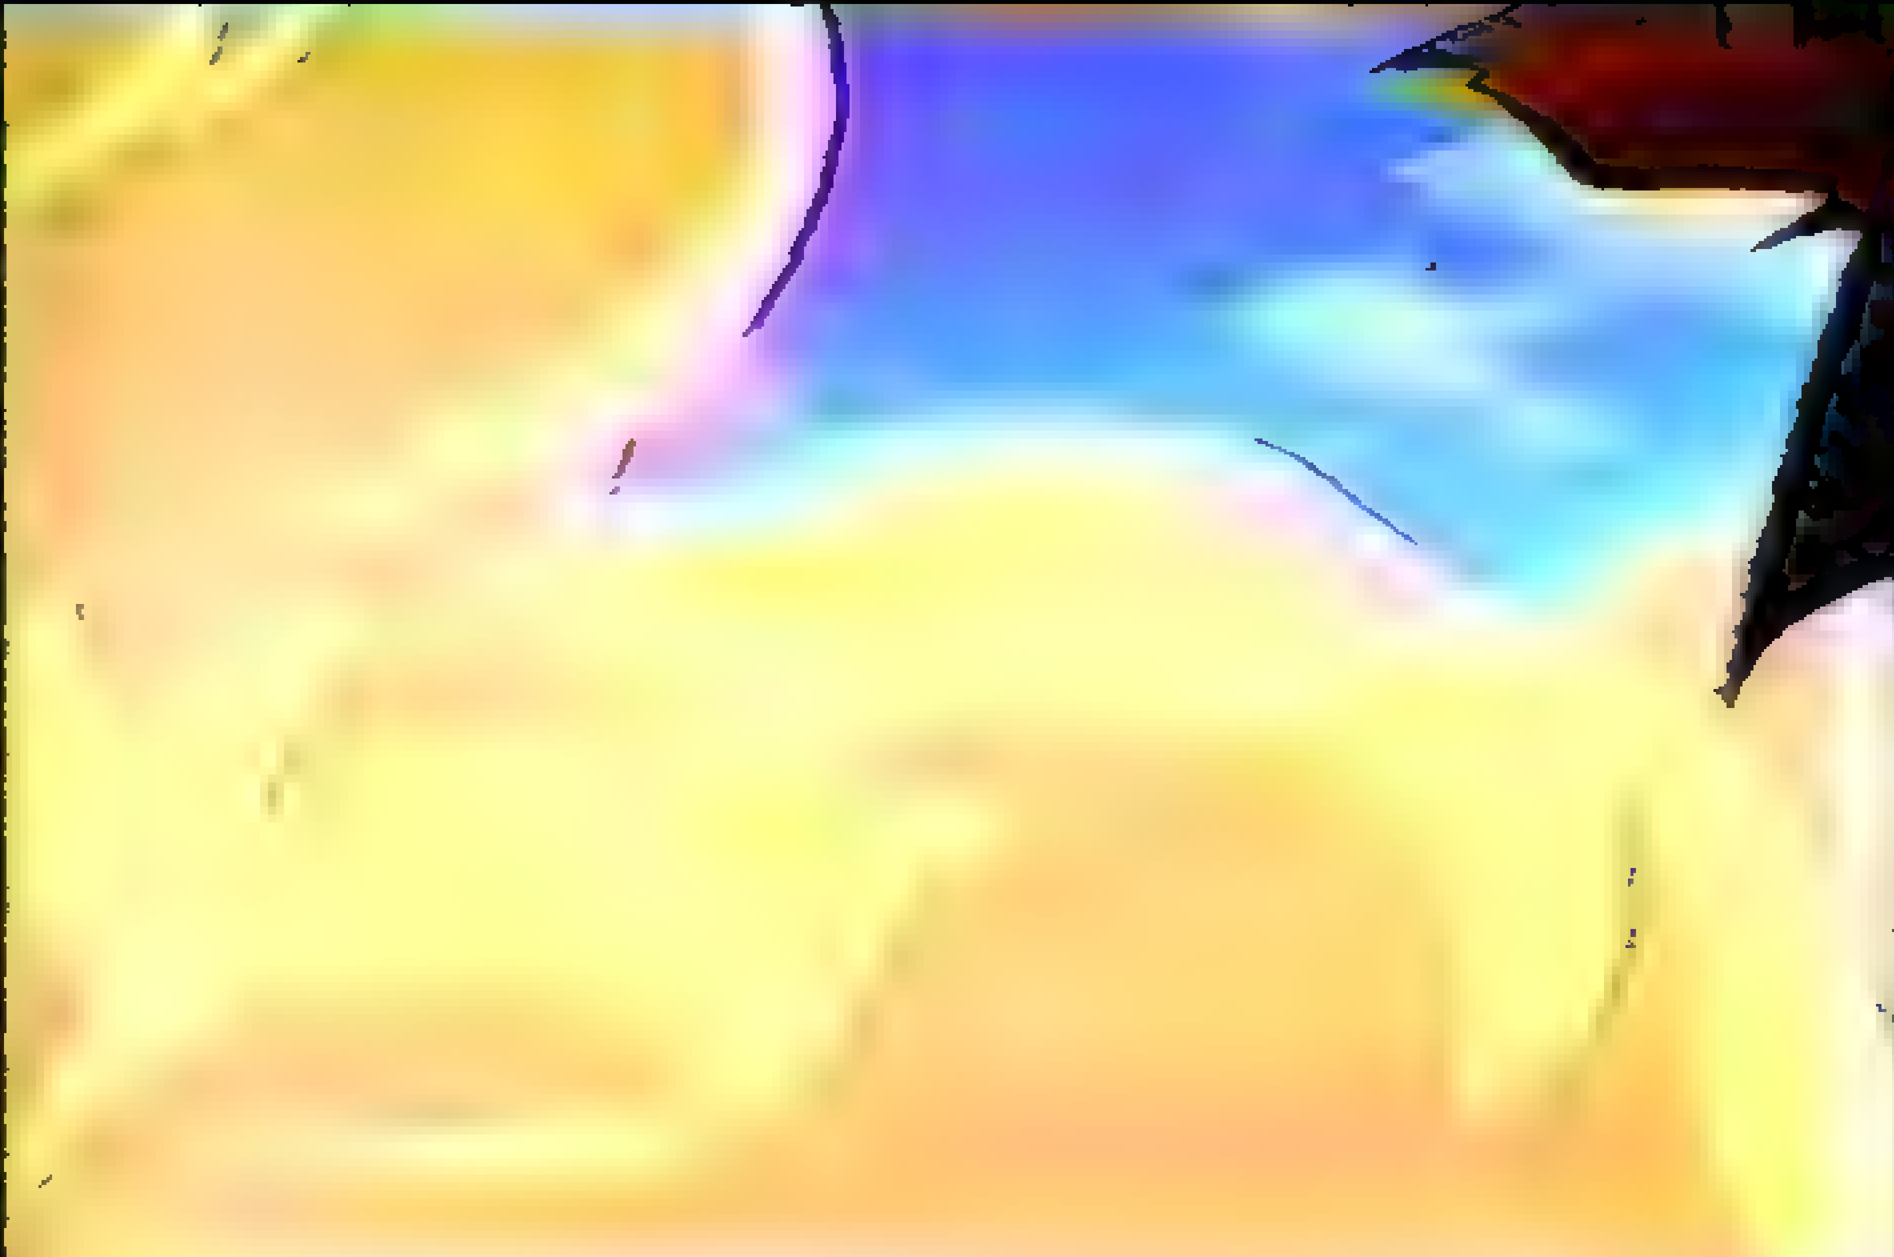

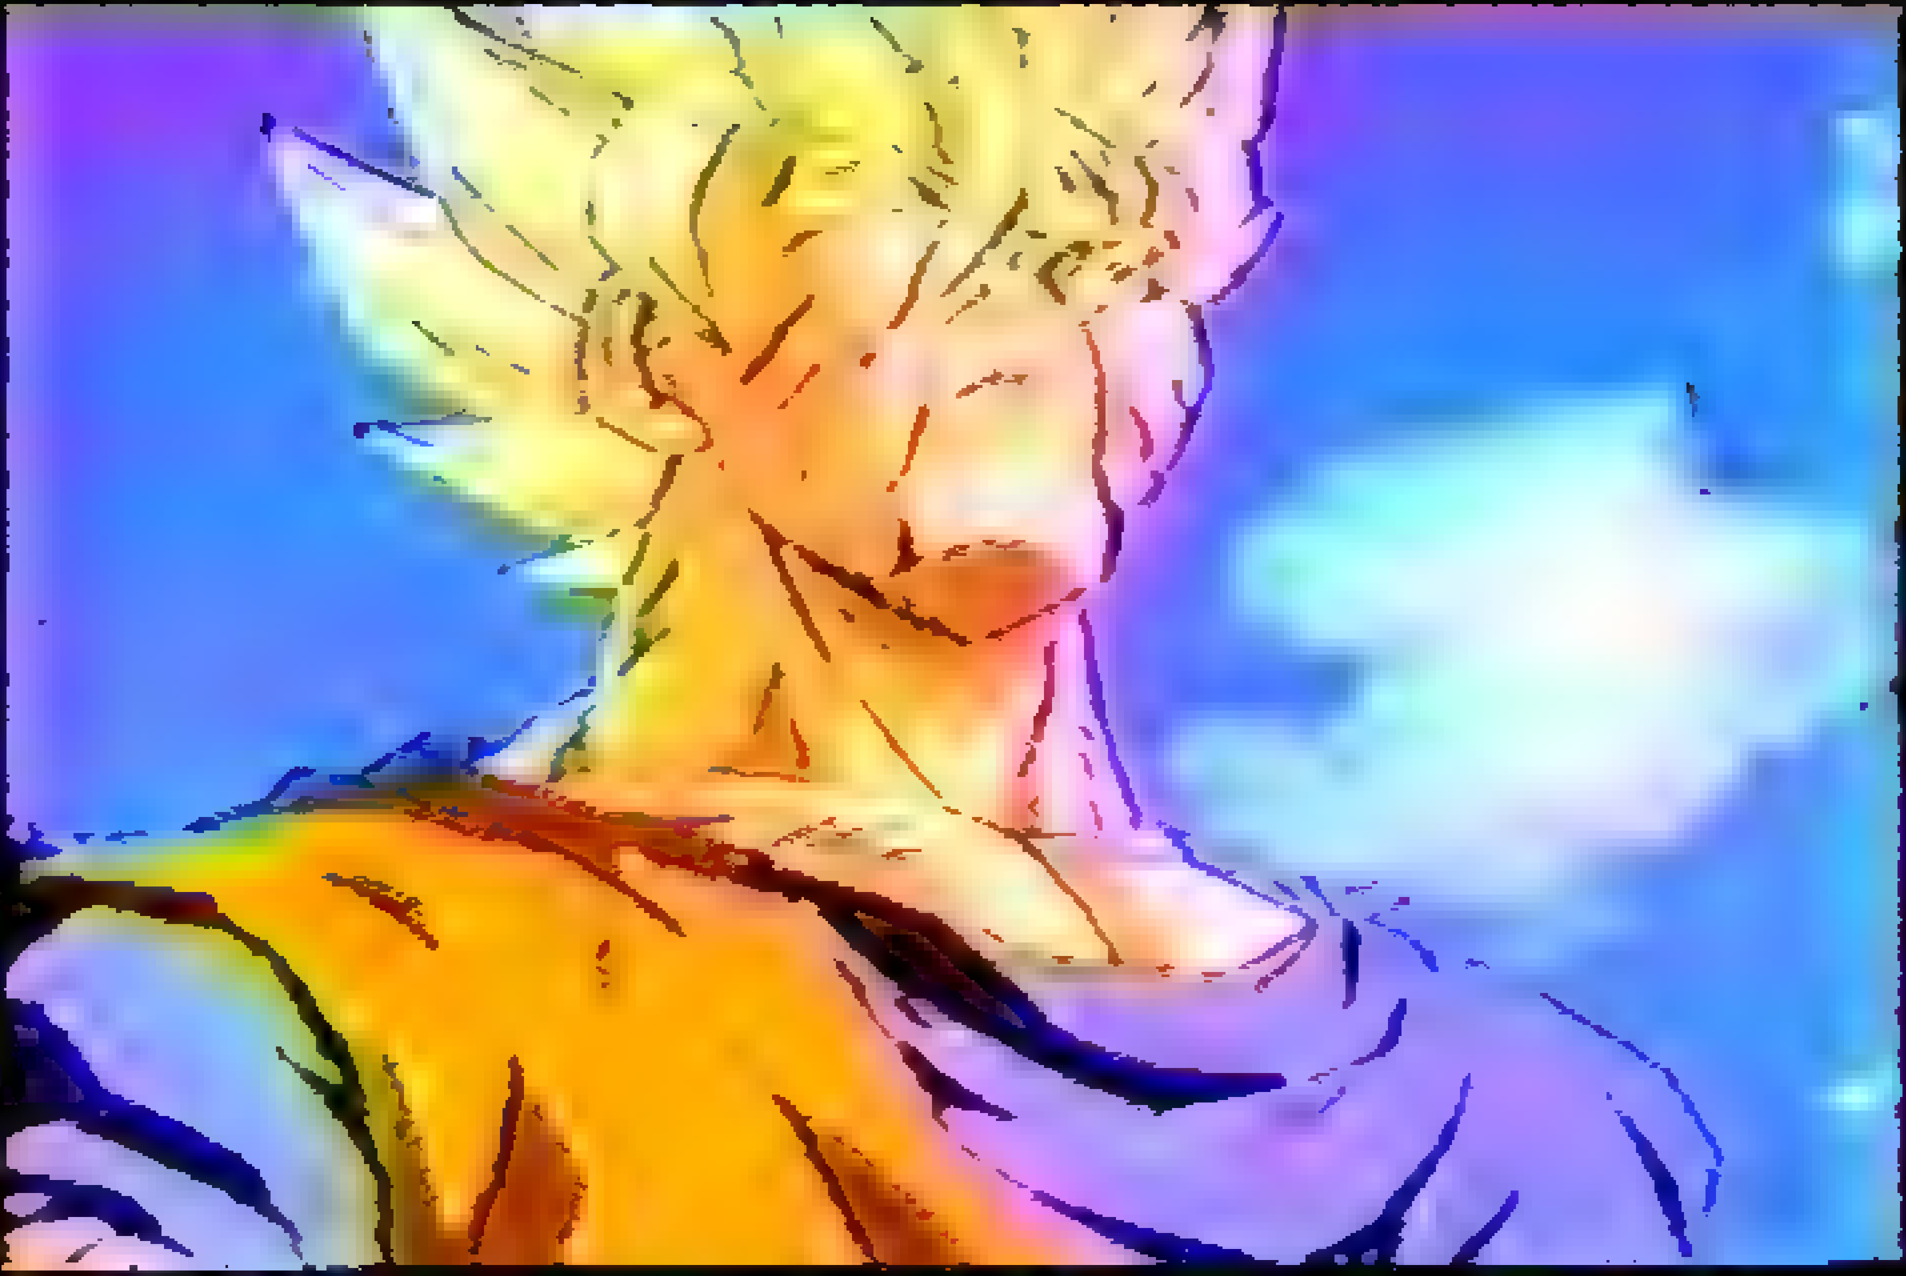

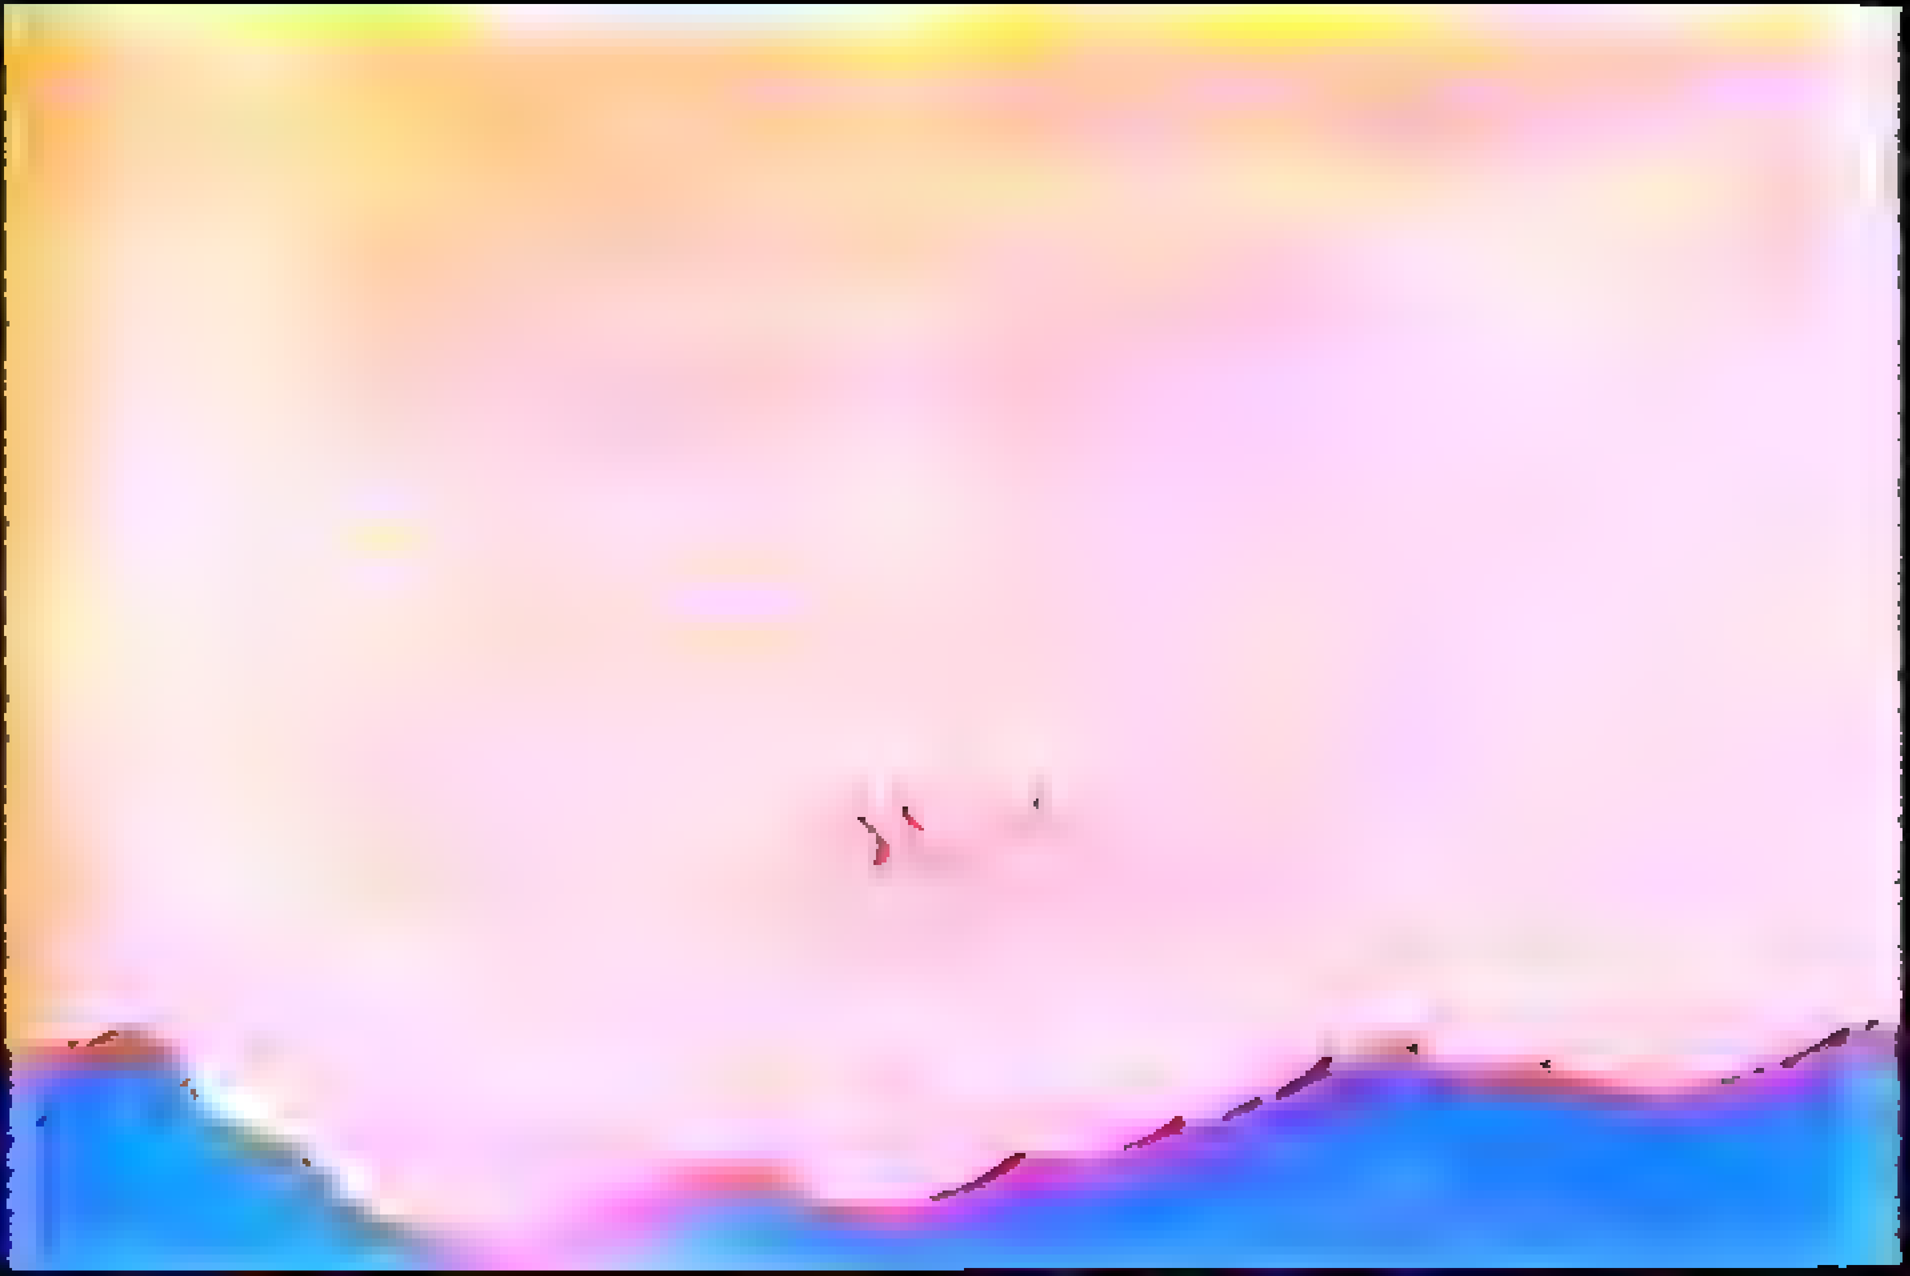

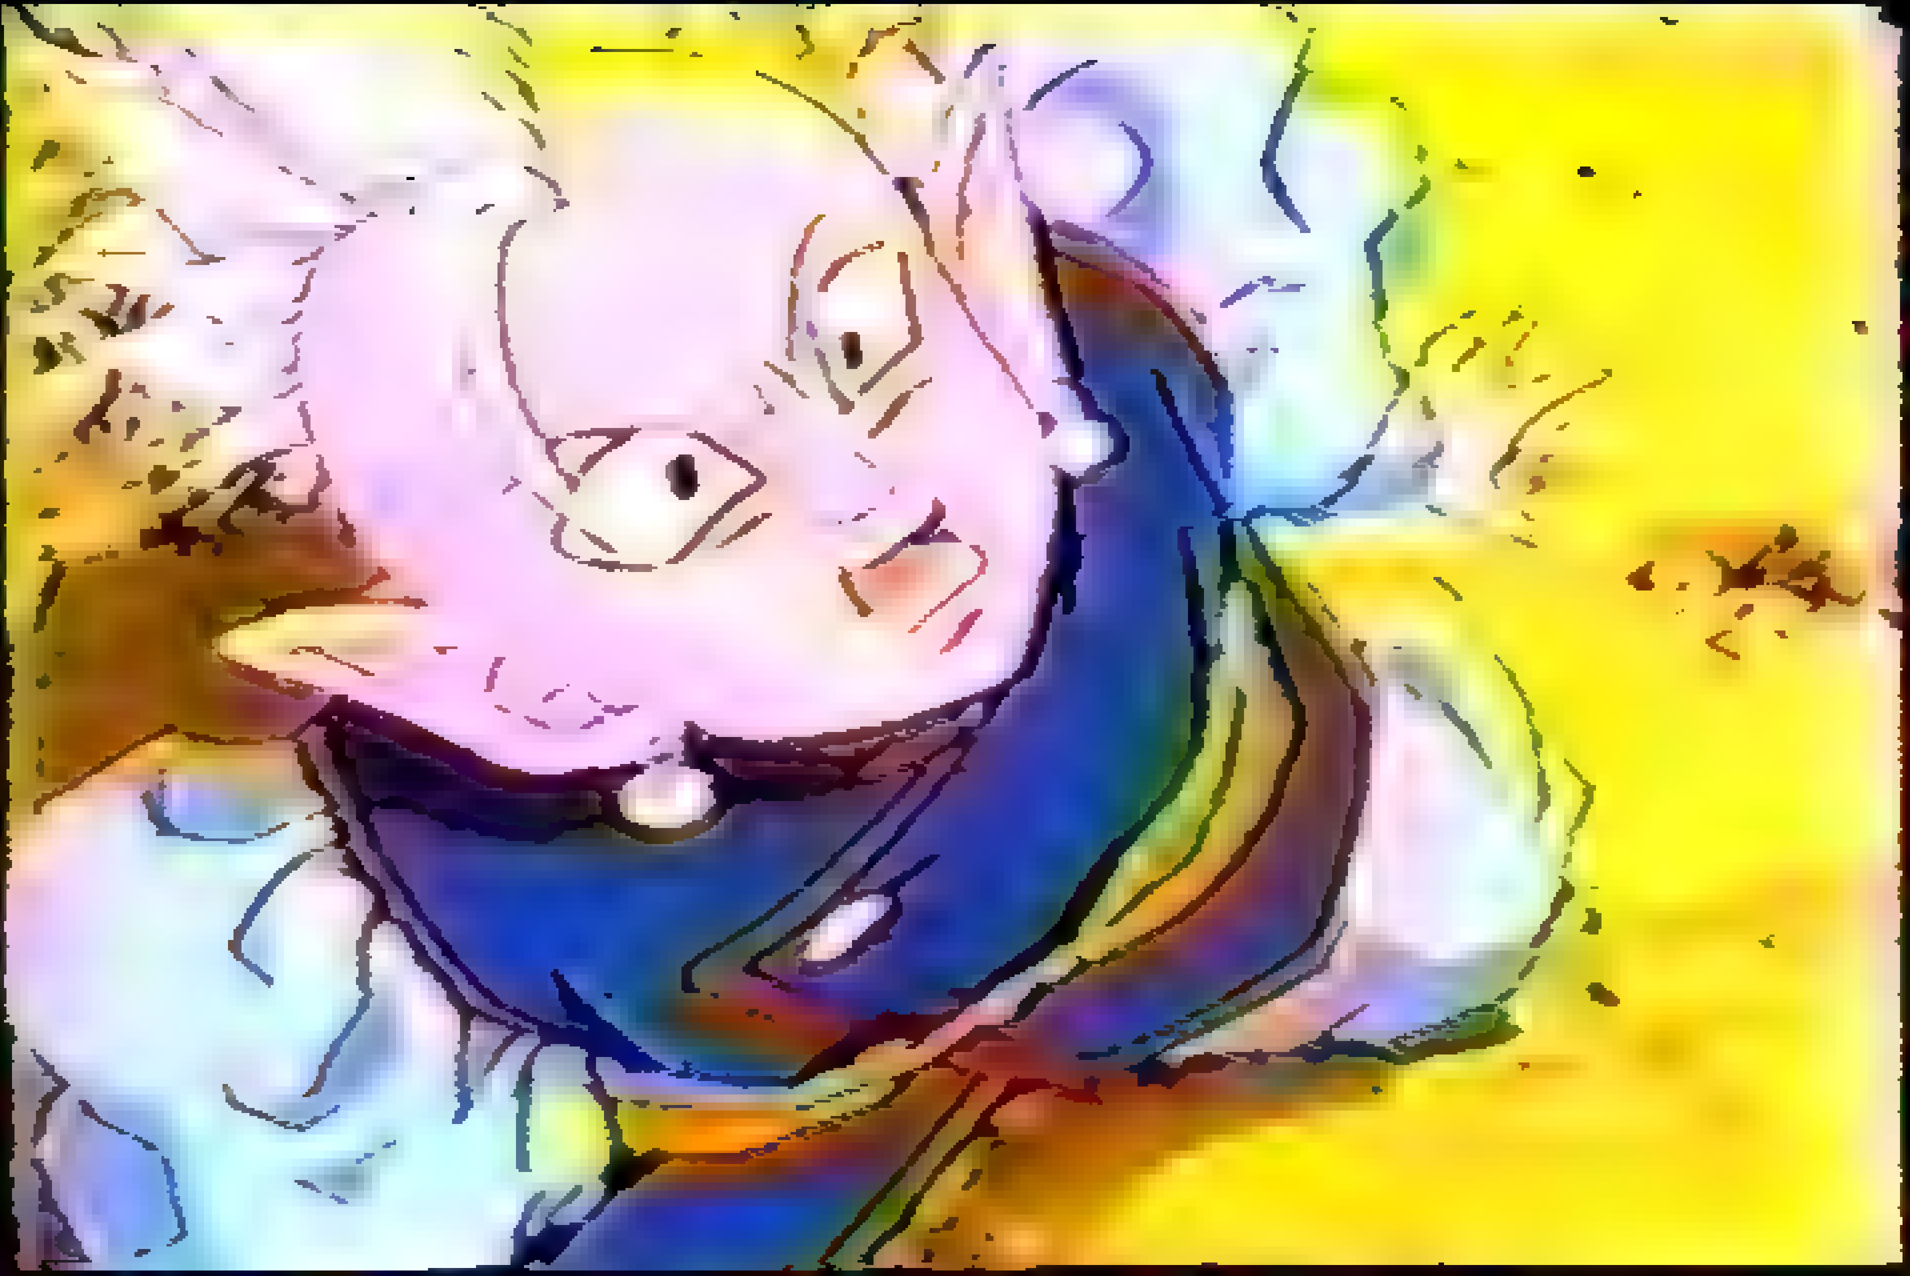

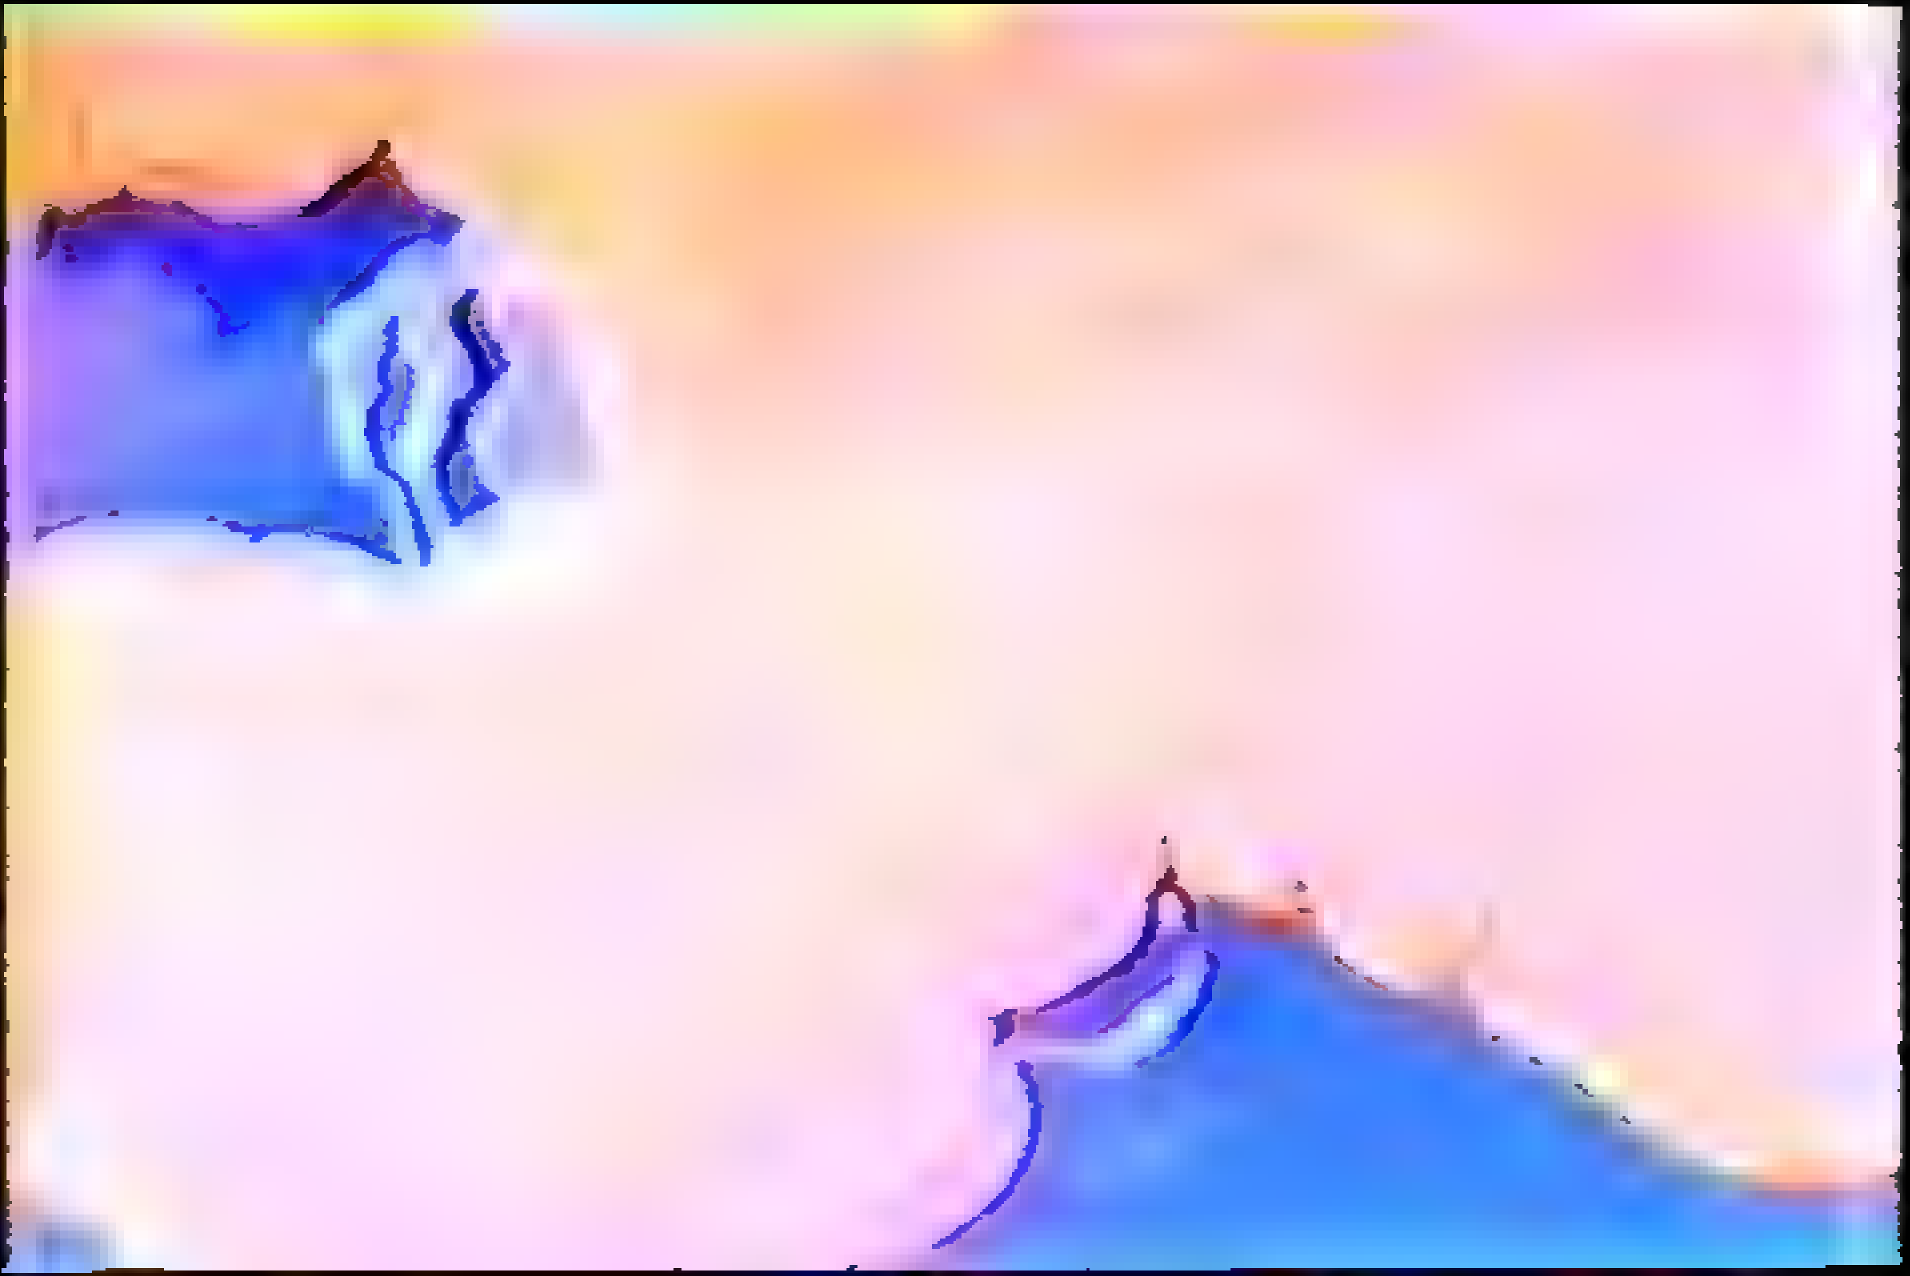

Hey,

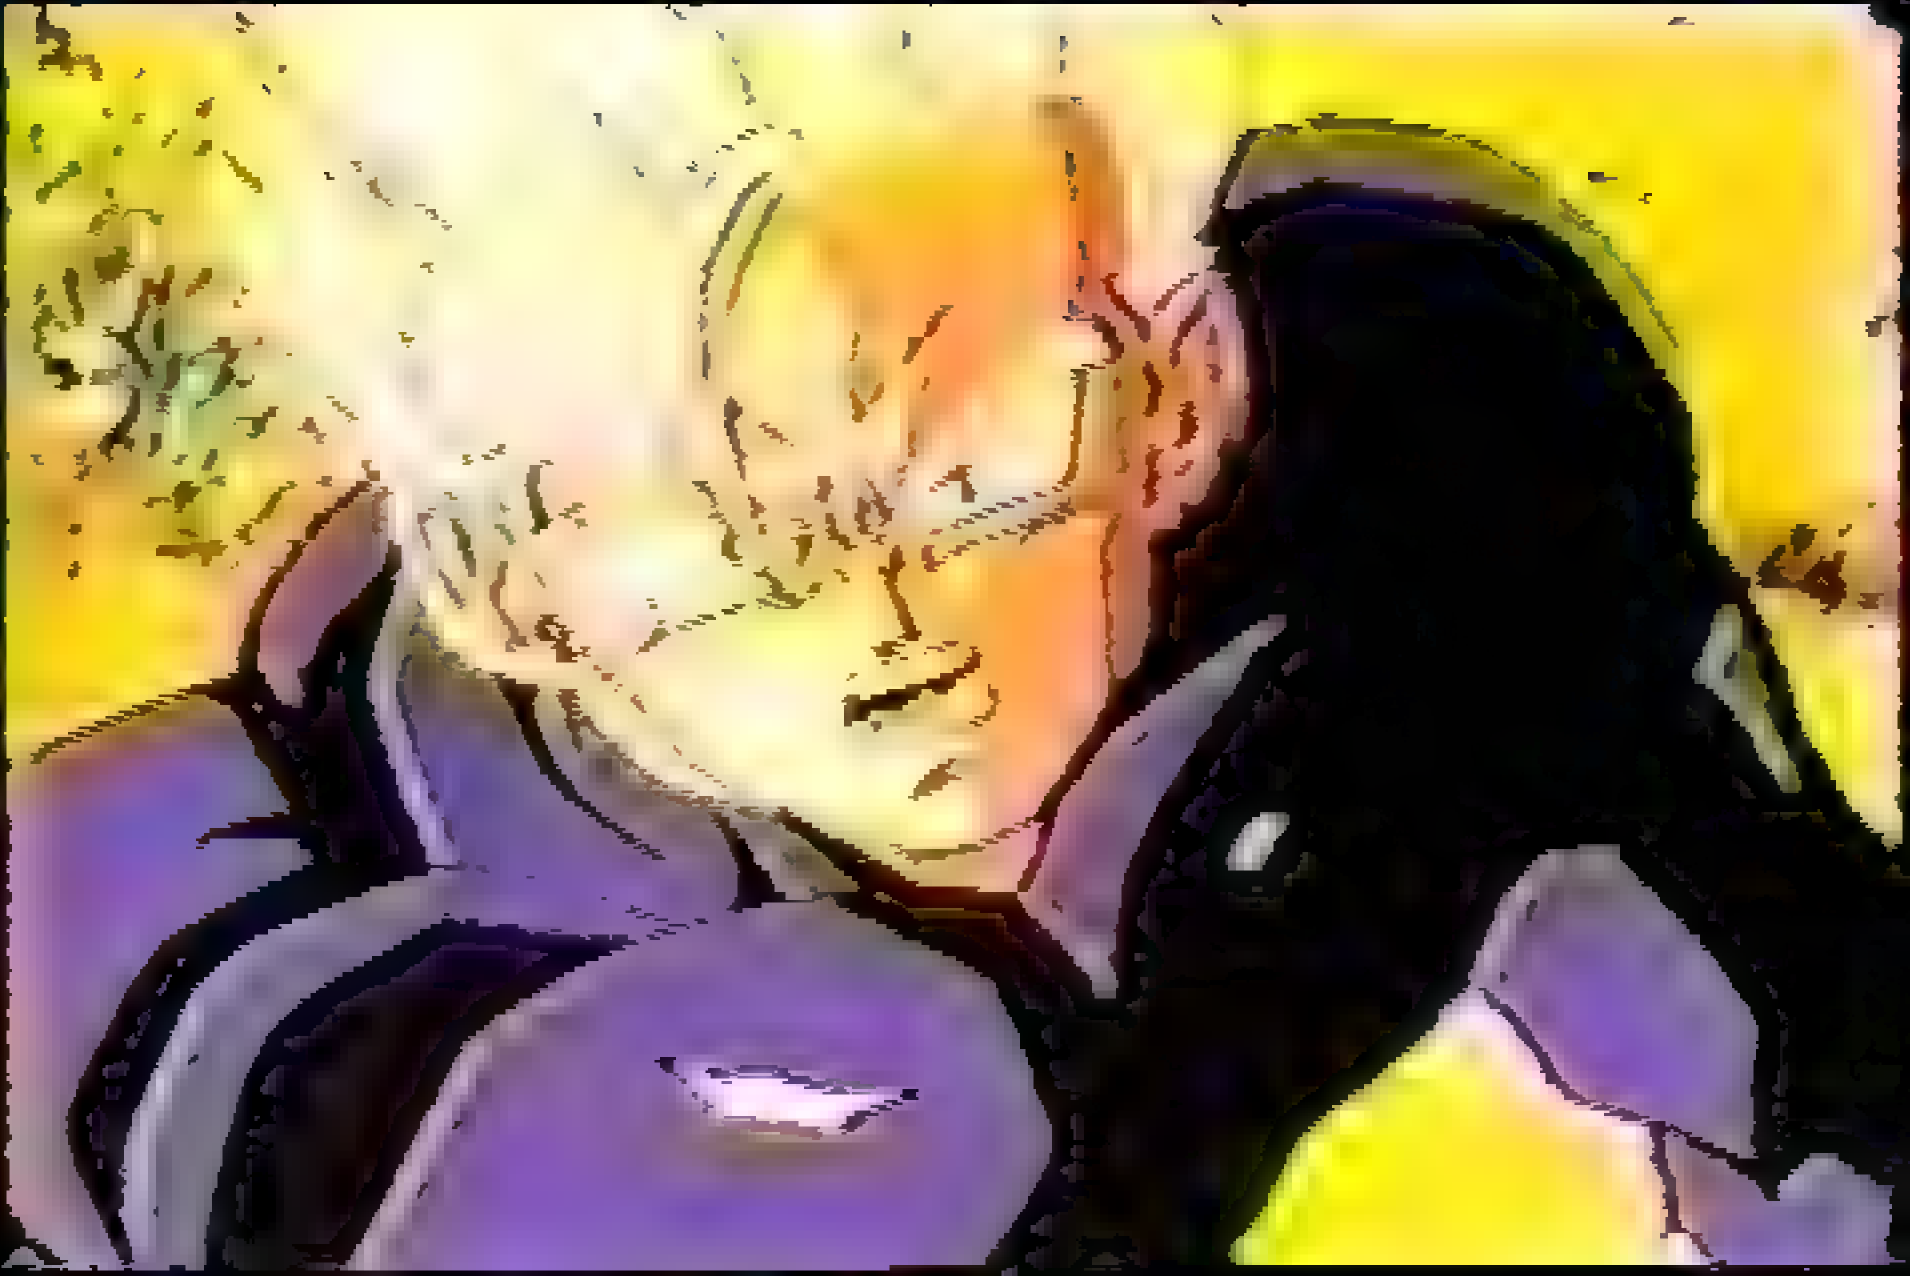

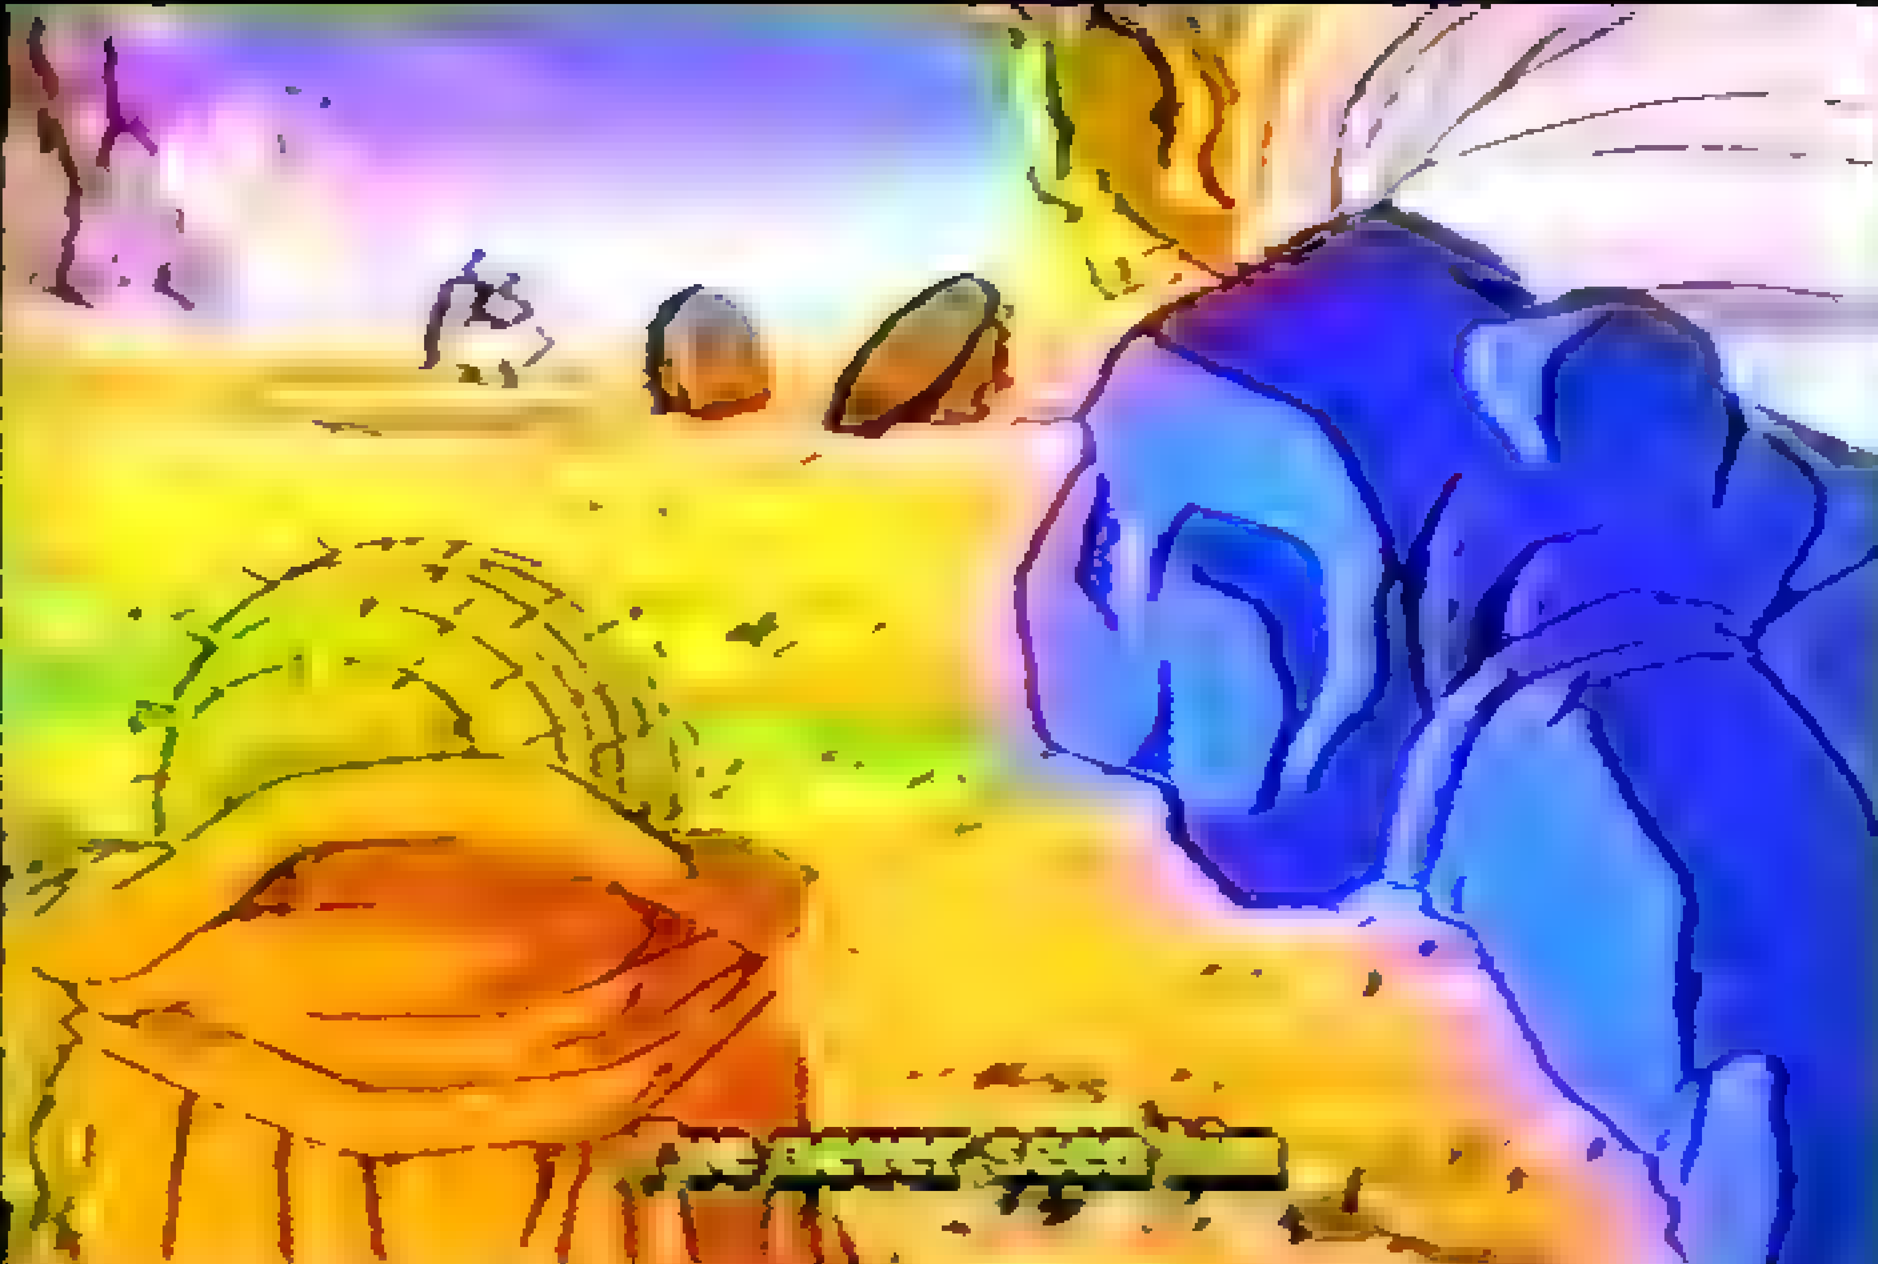

Lord Babi Dee, is that Majin Buu?

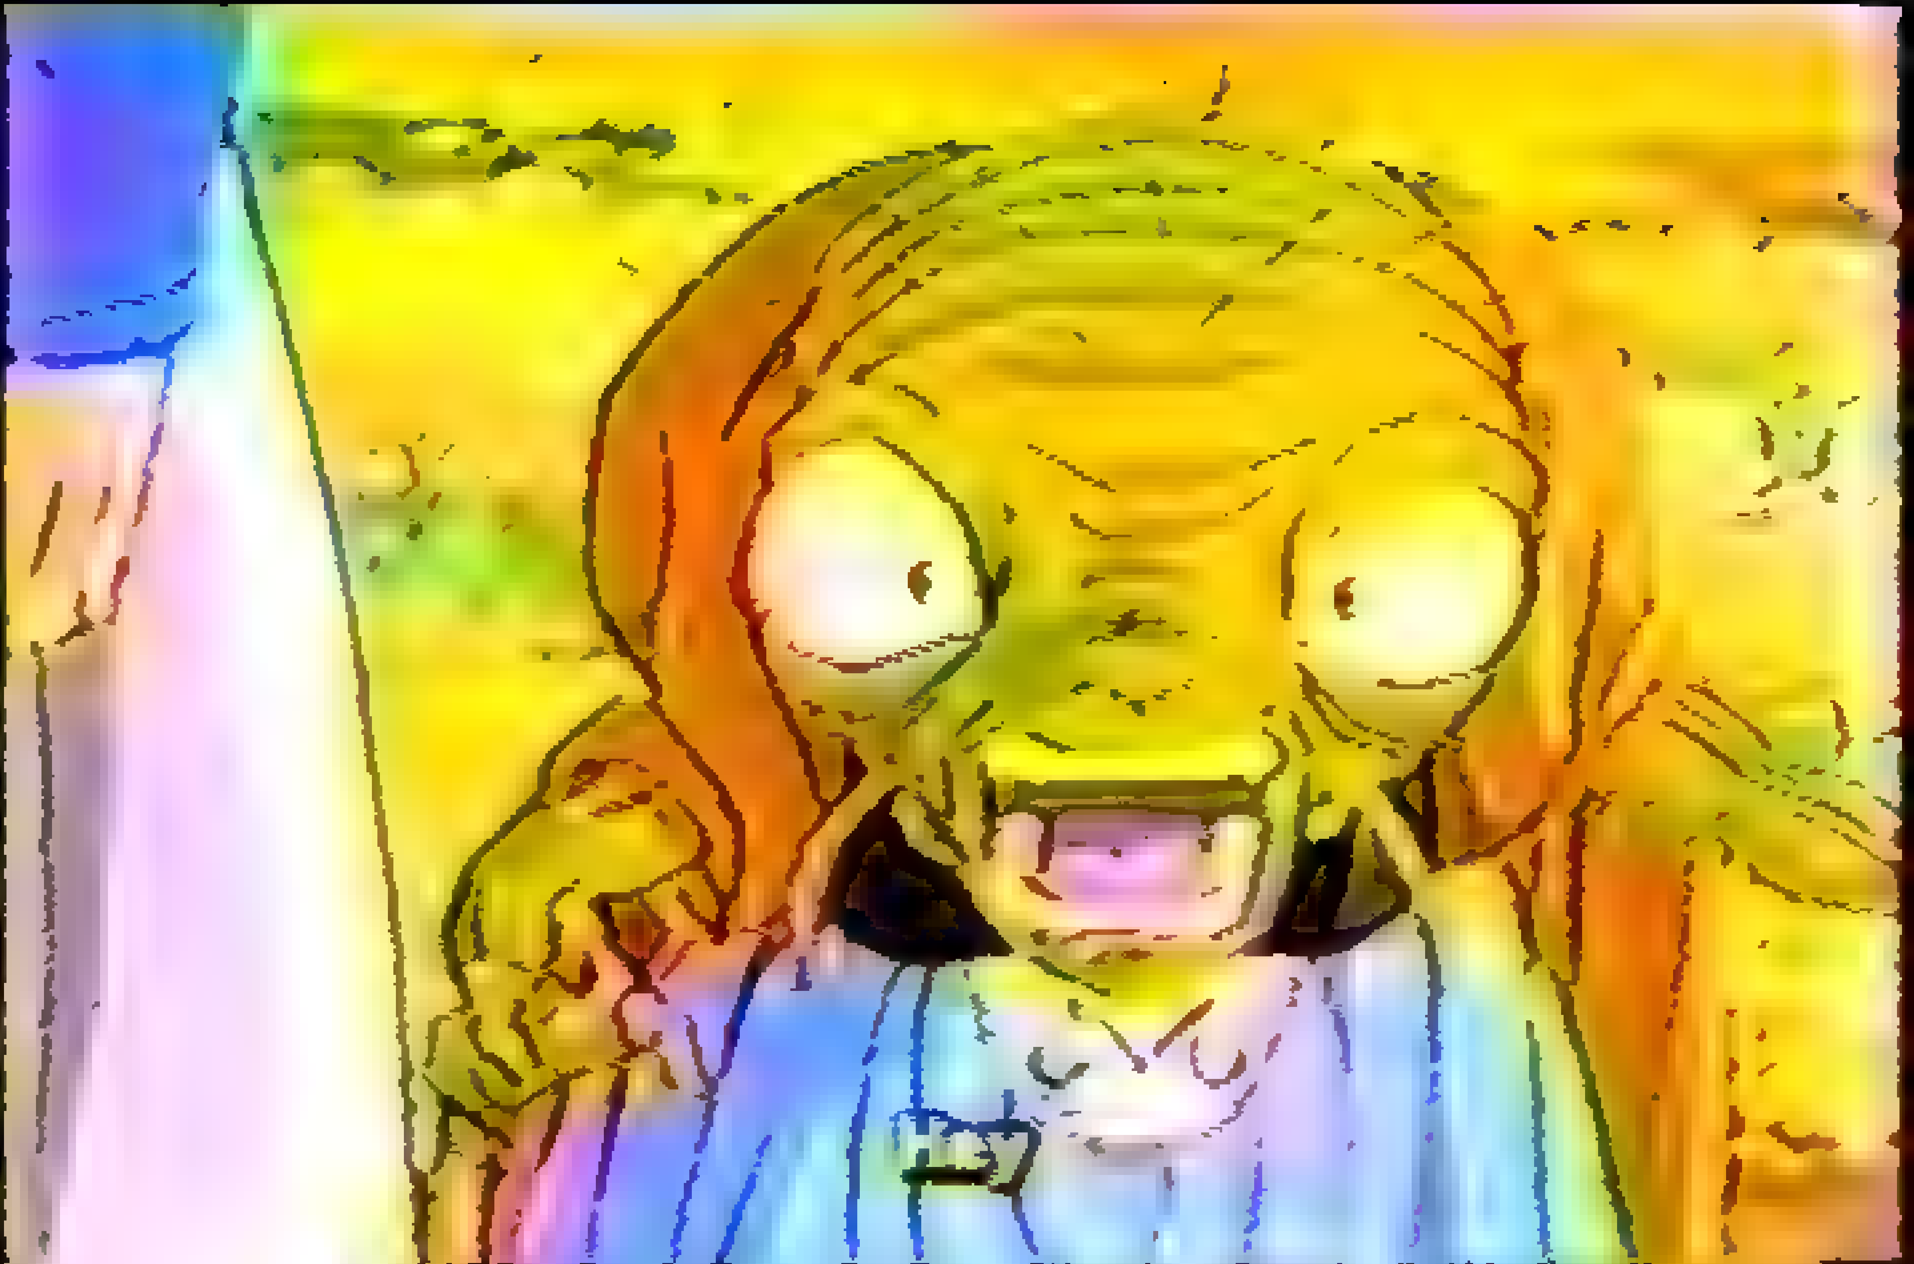

Excuse me, but is that Majin Buu?

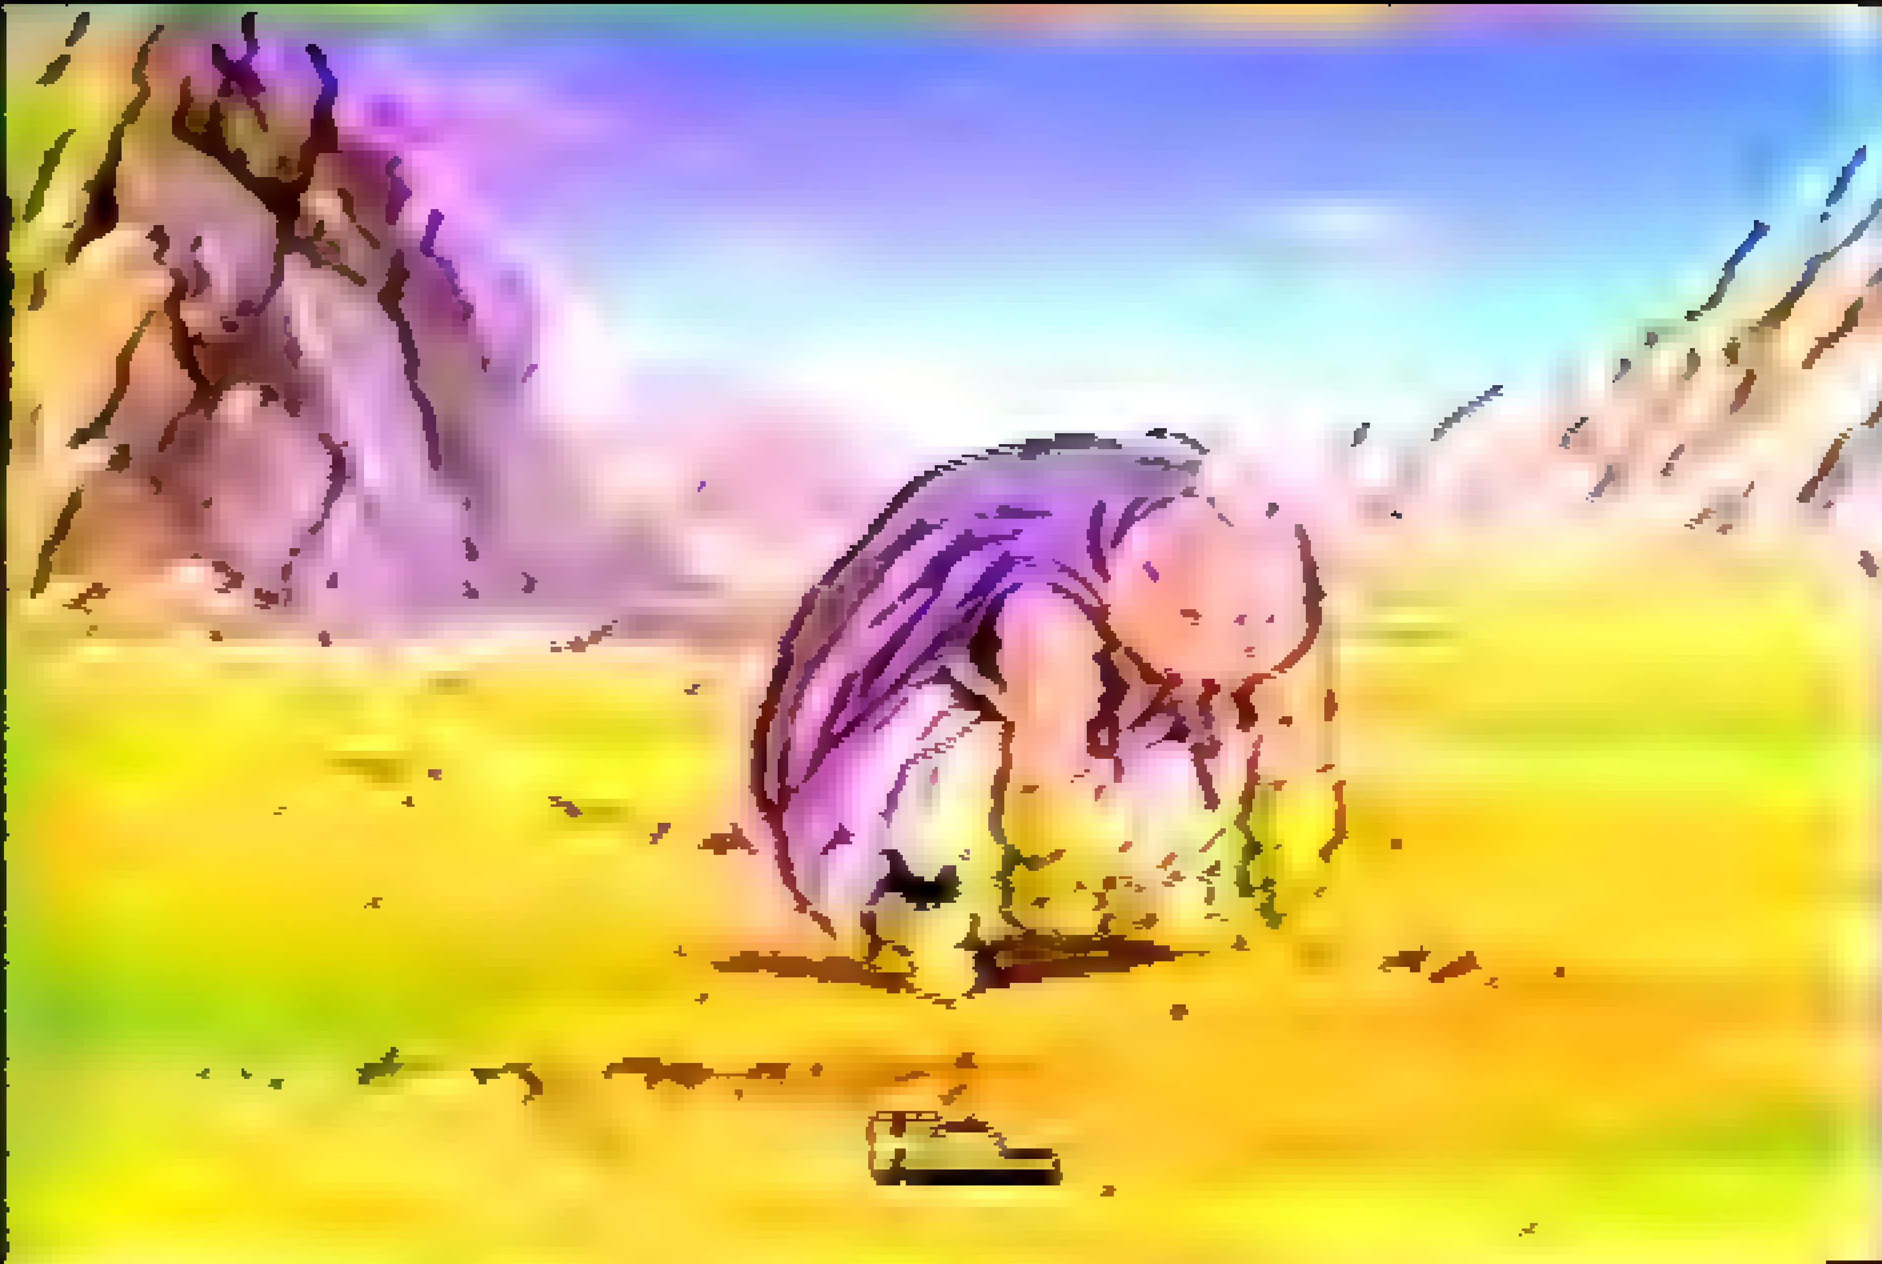

I could never forget that terrifying face...

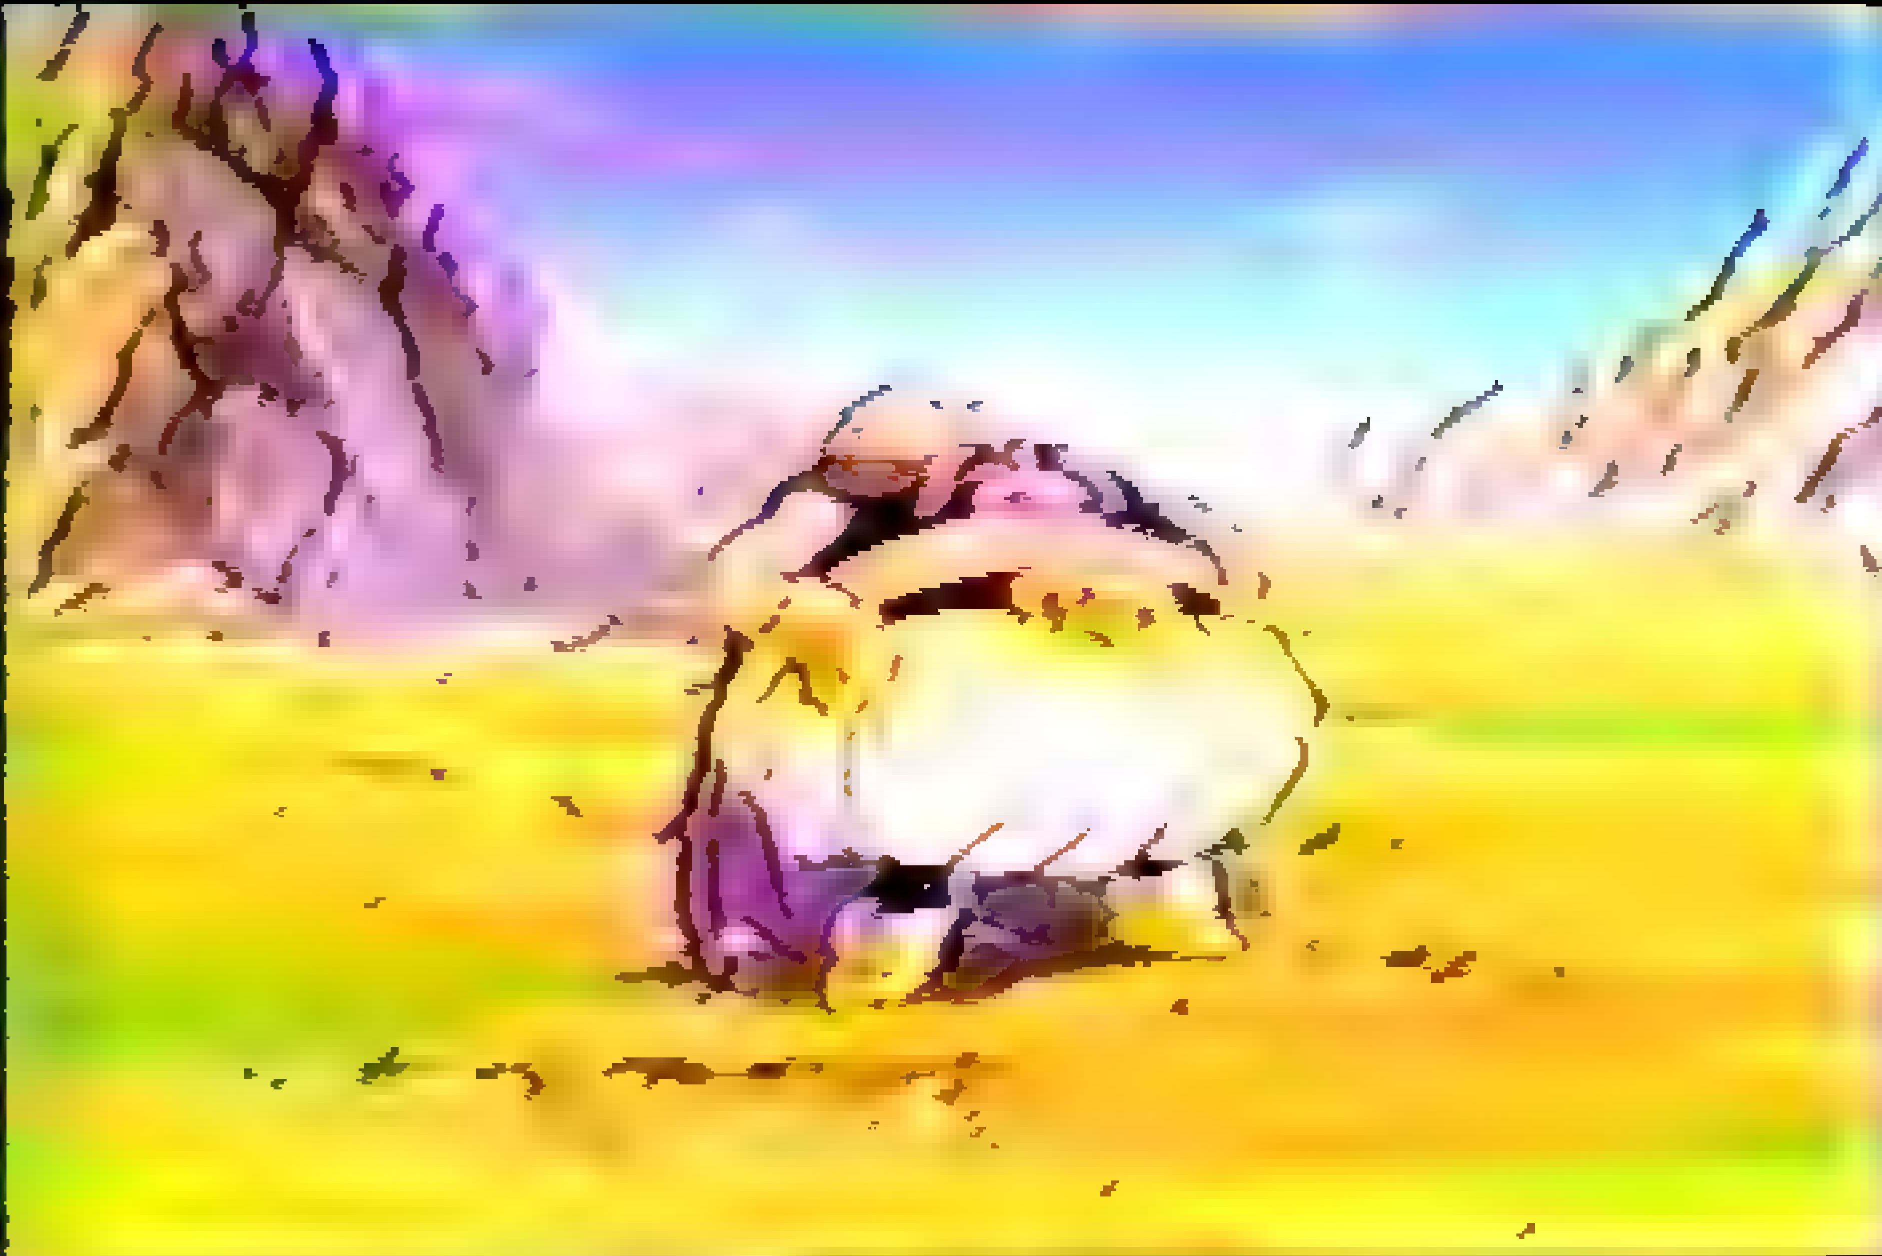

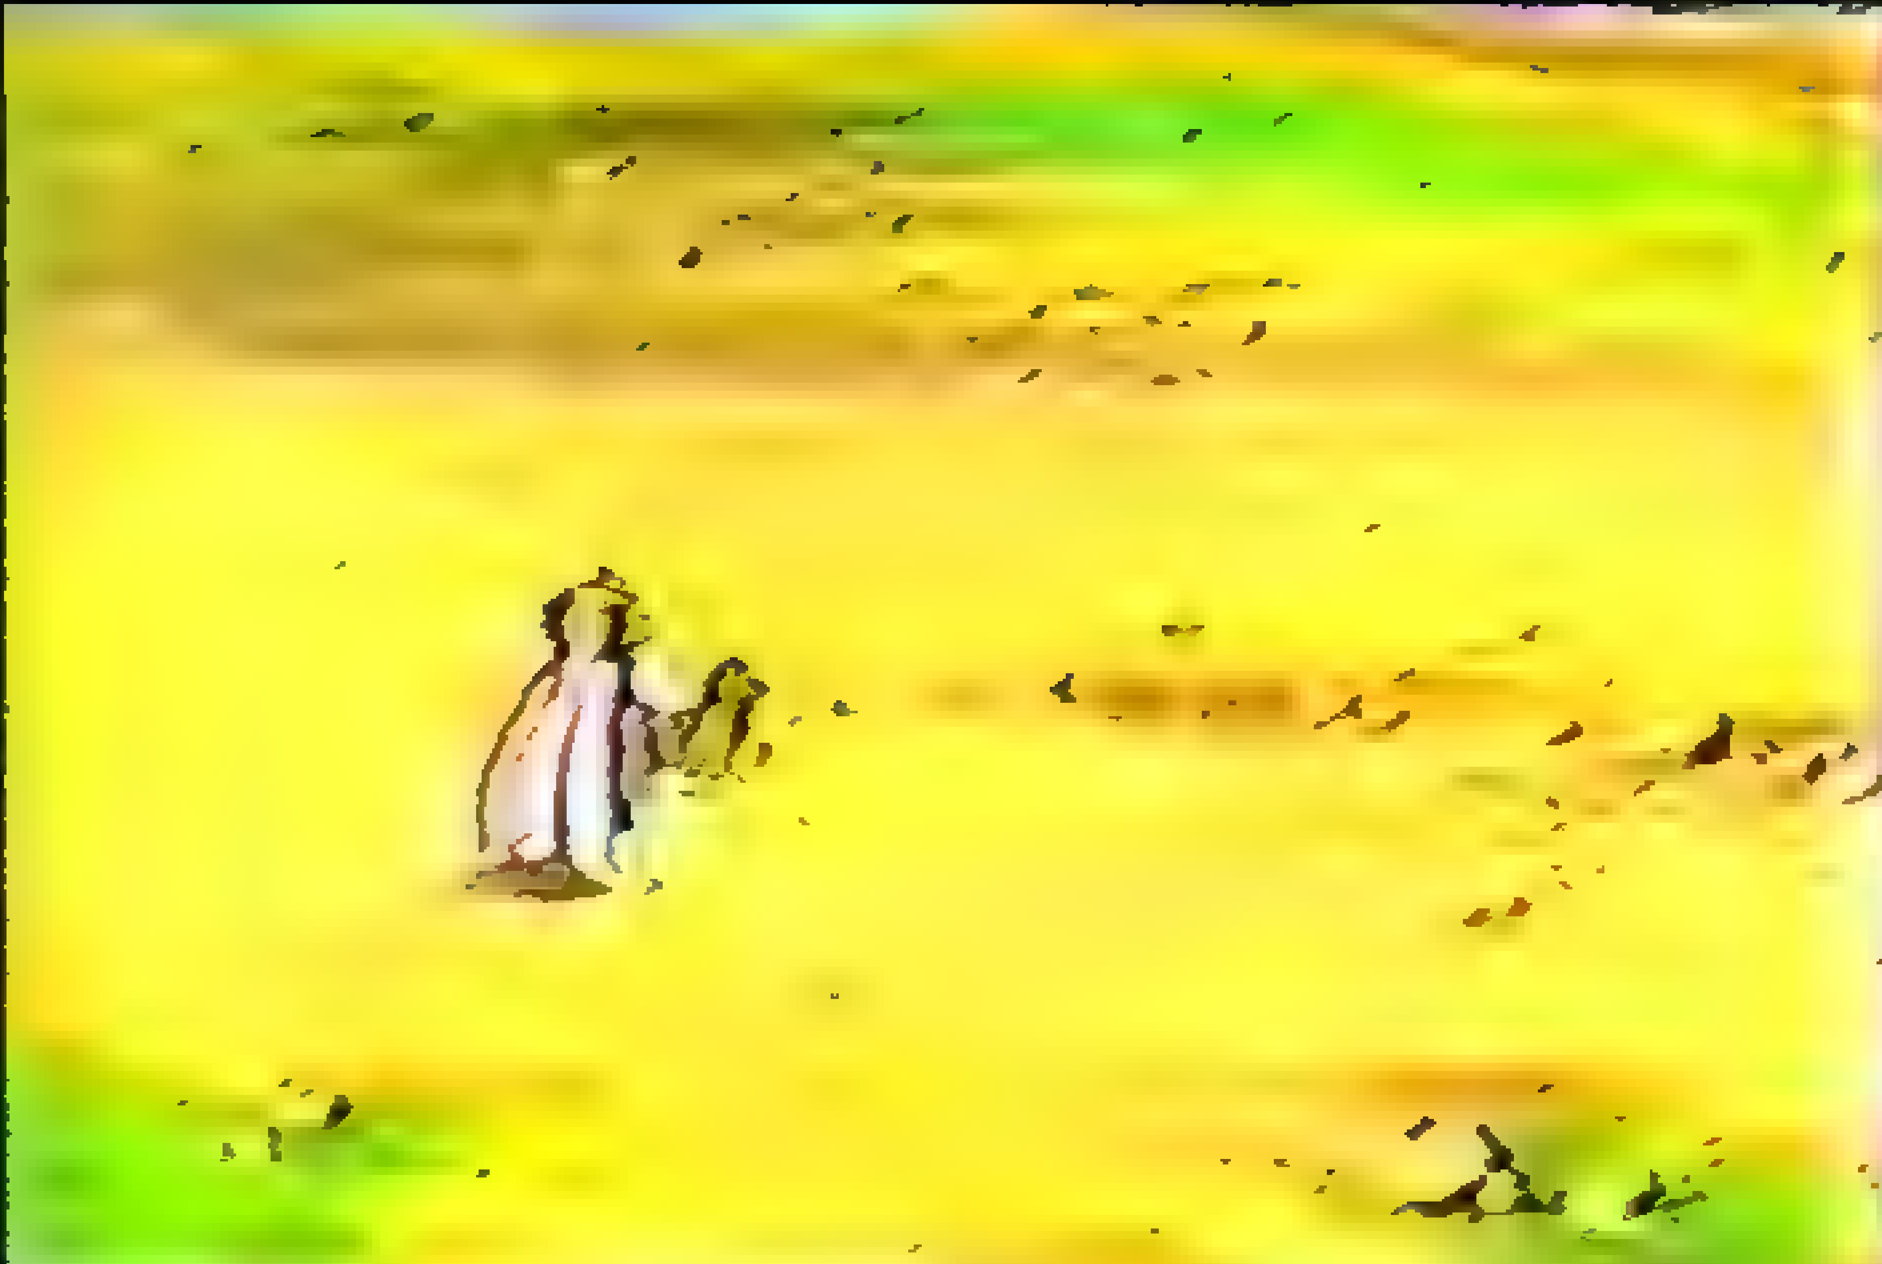

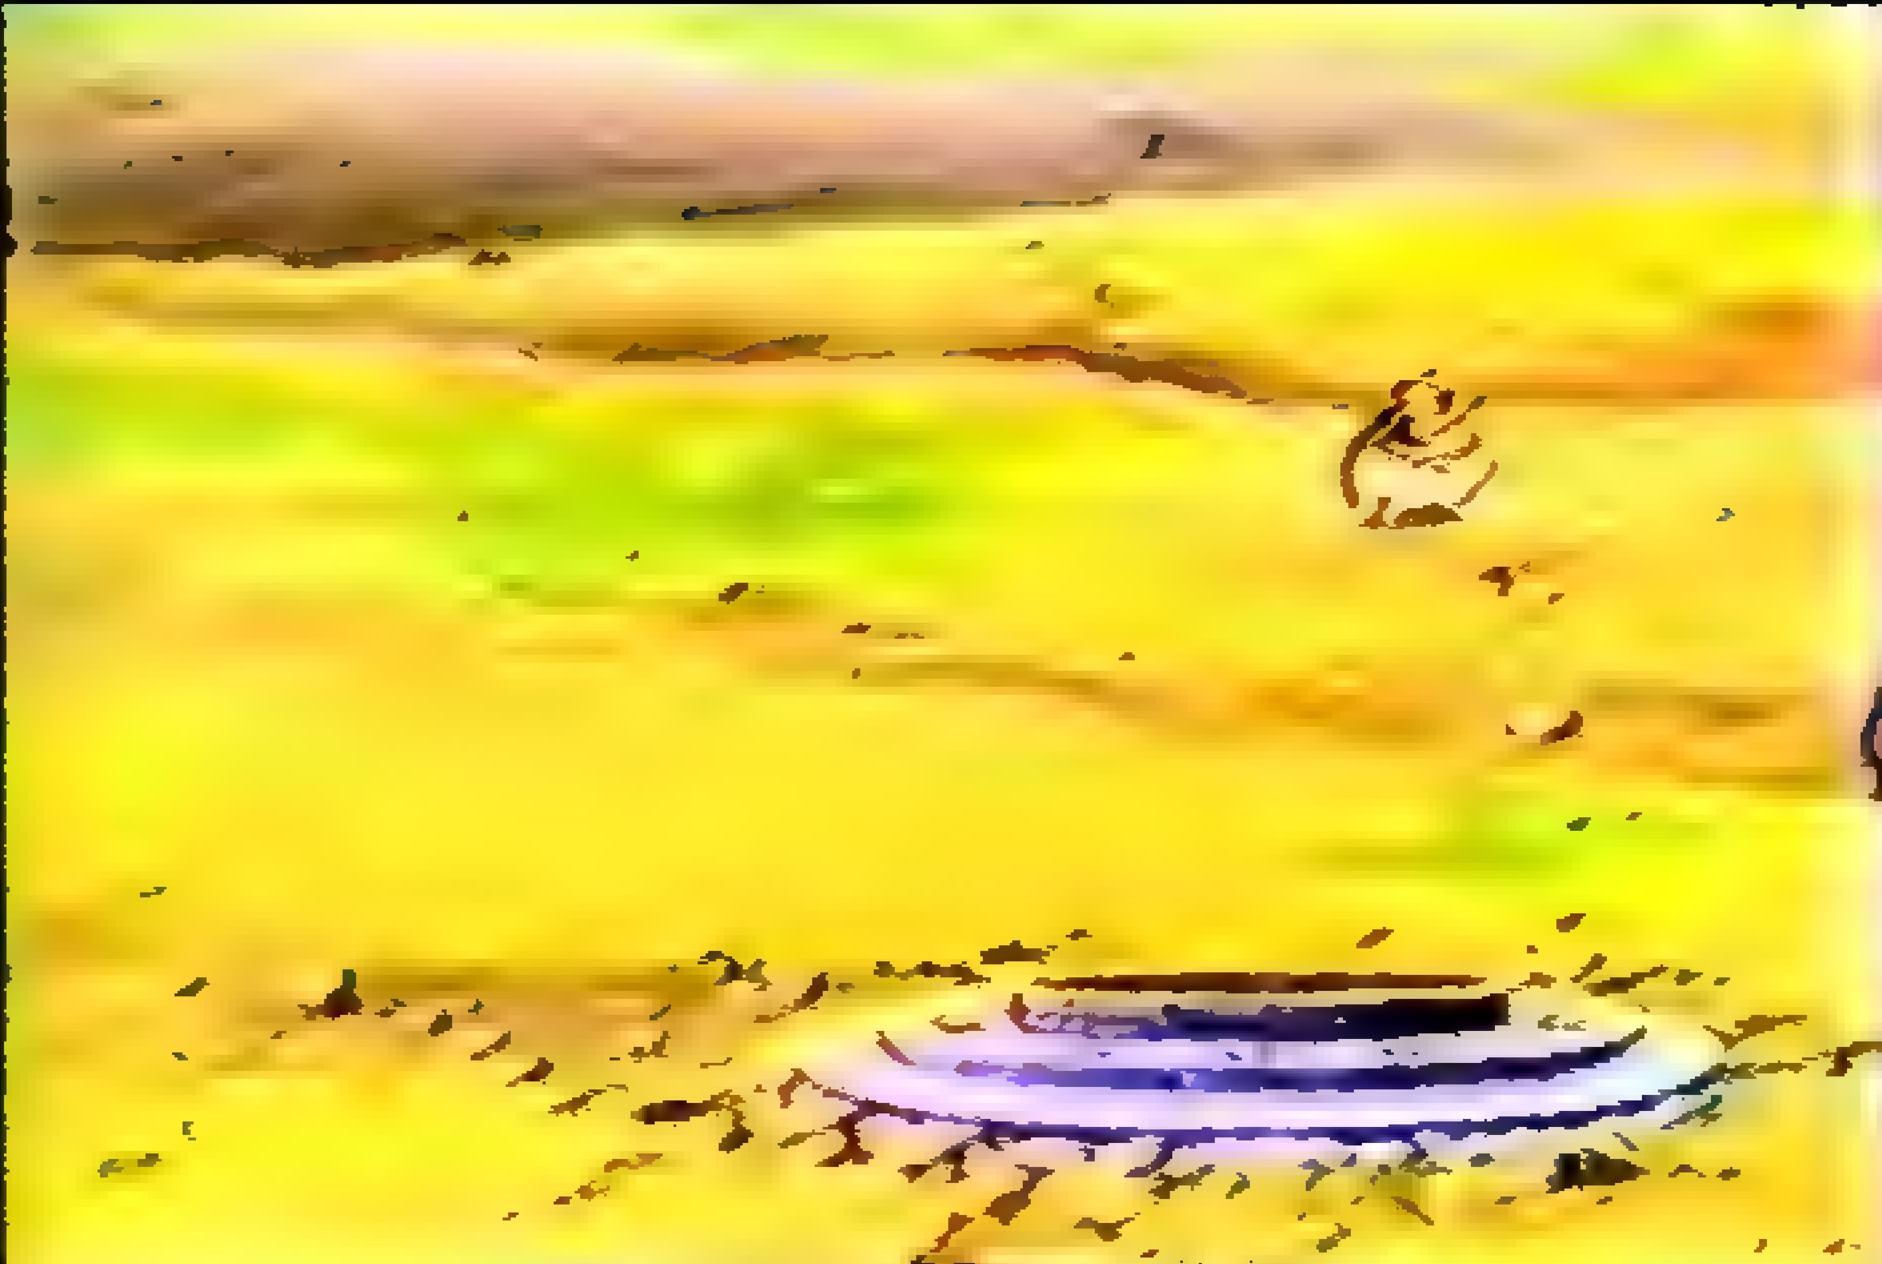

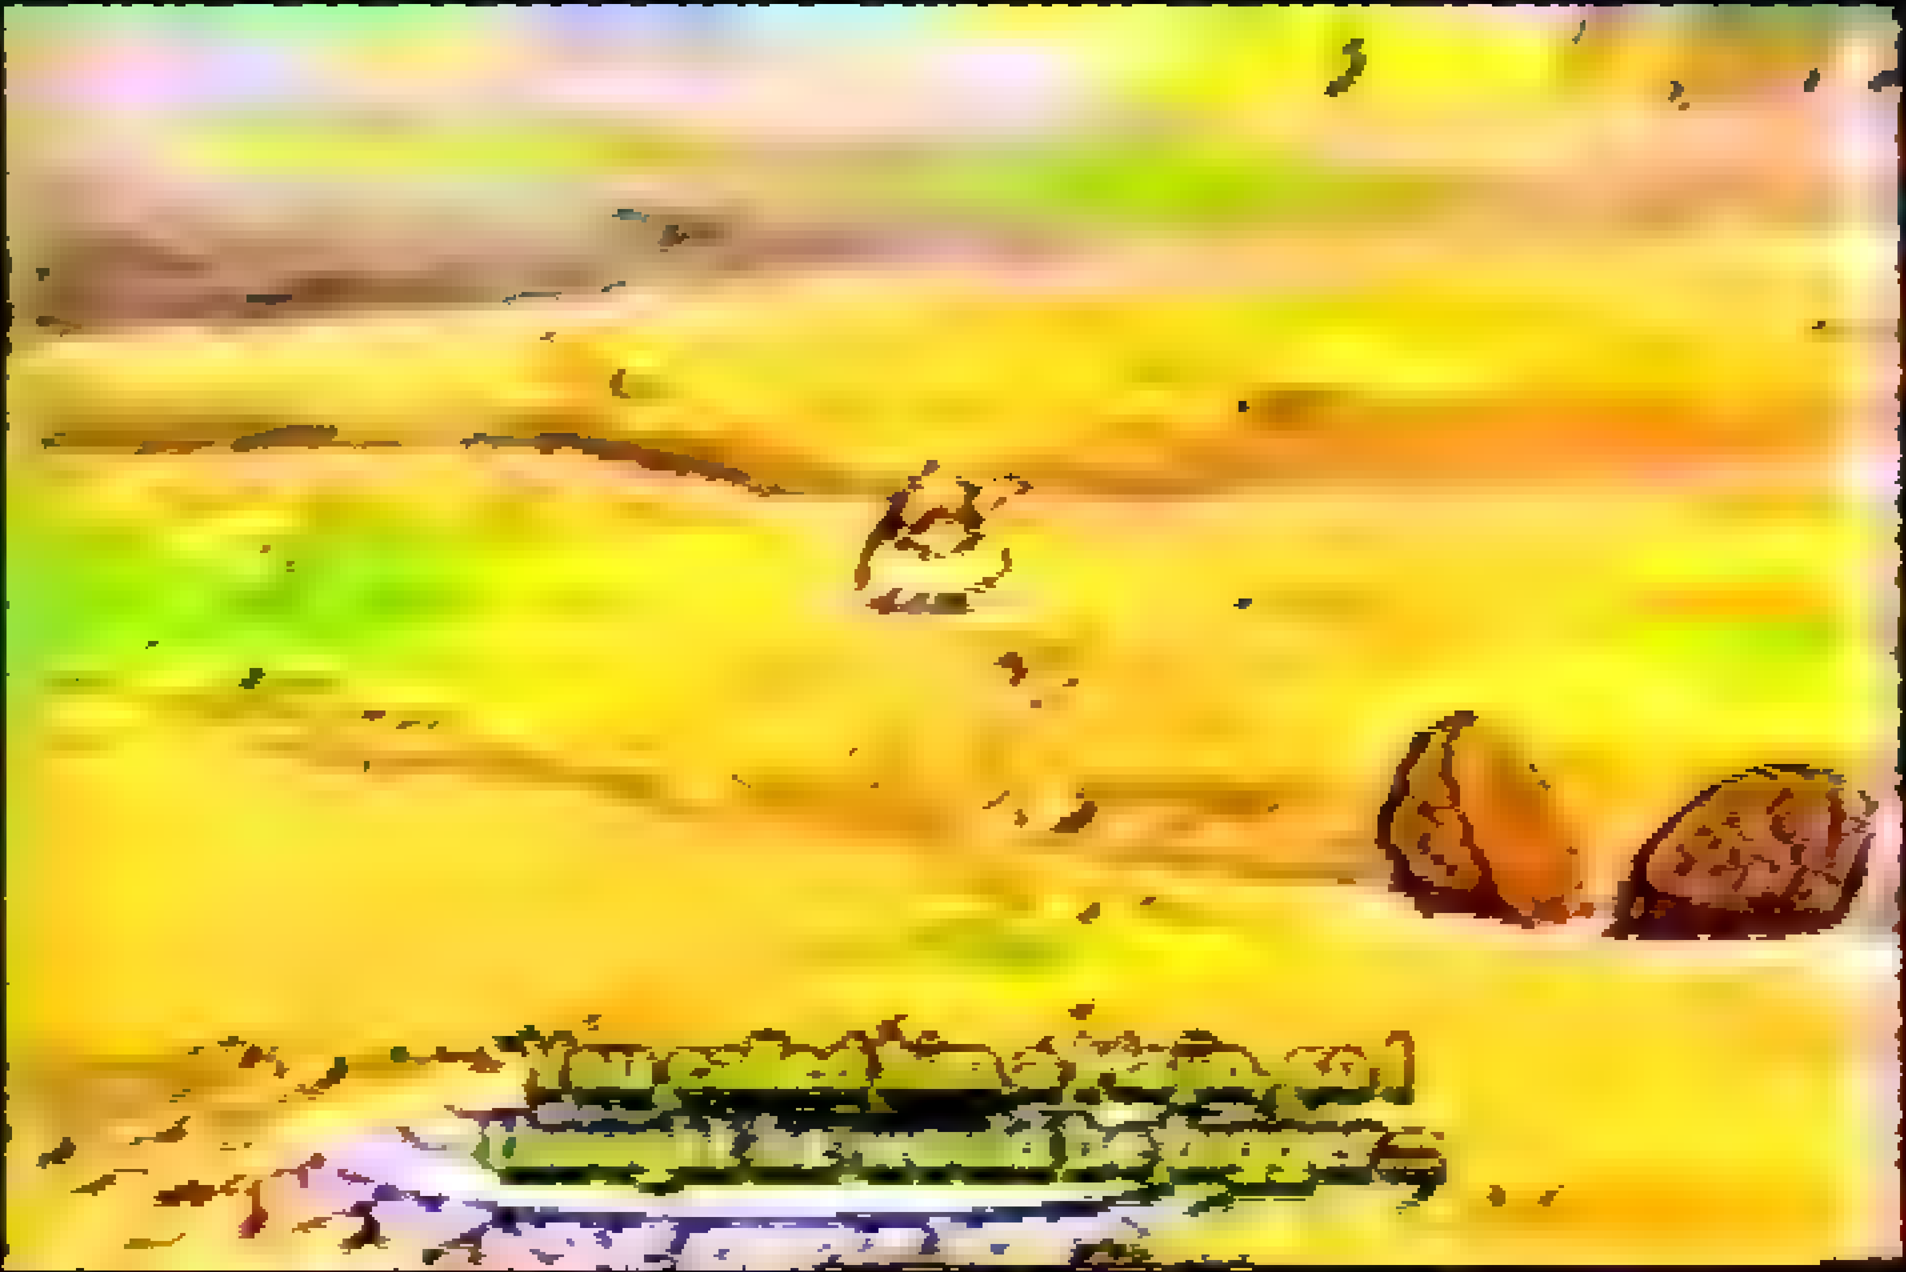

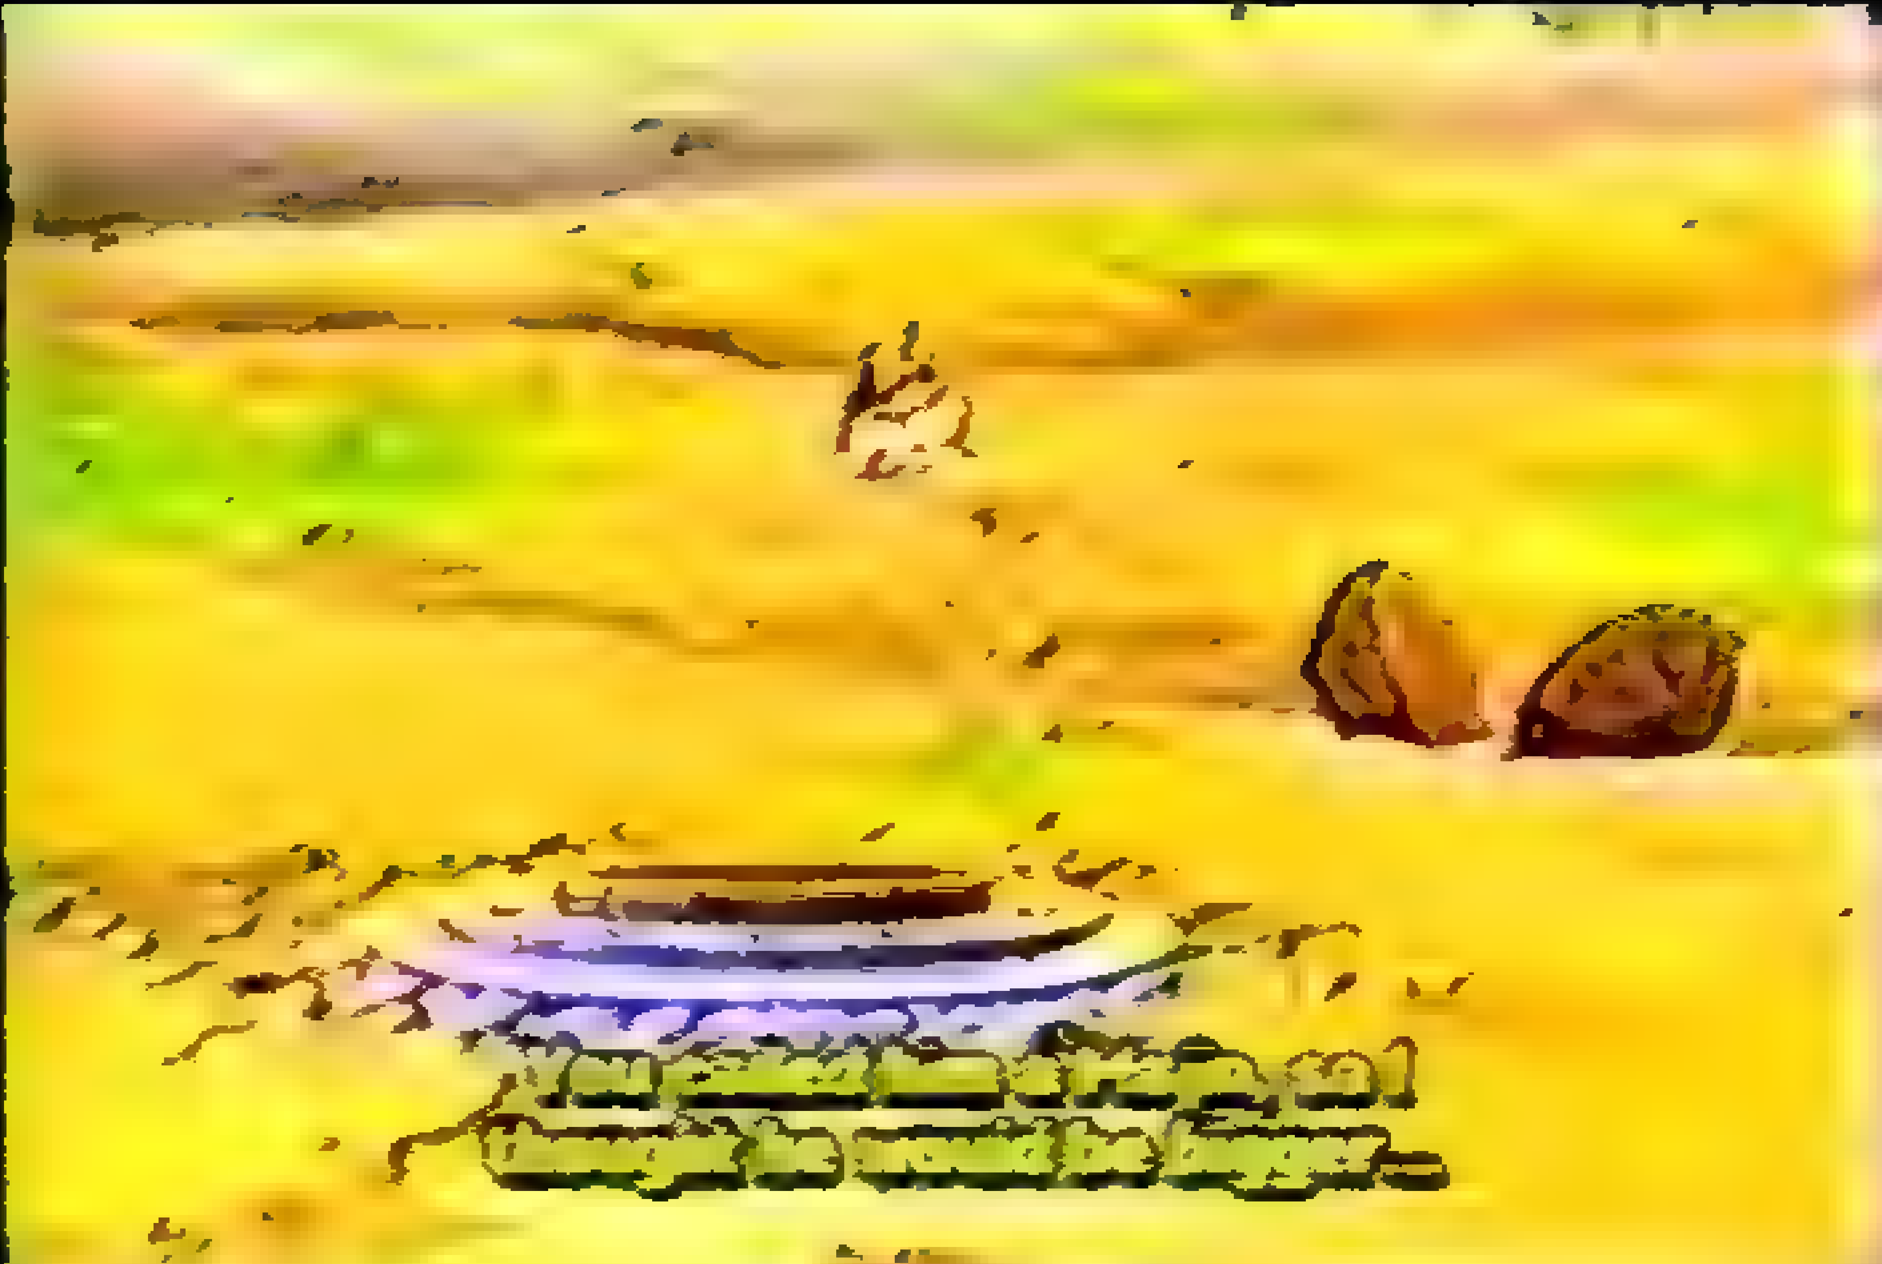

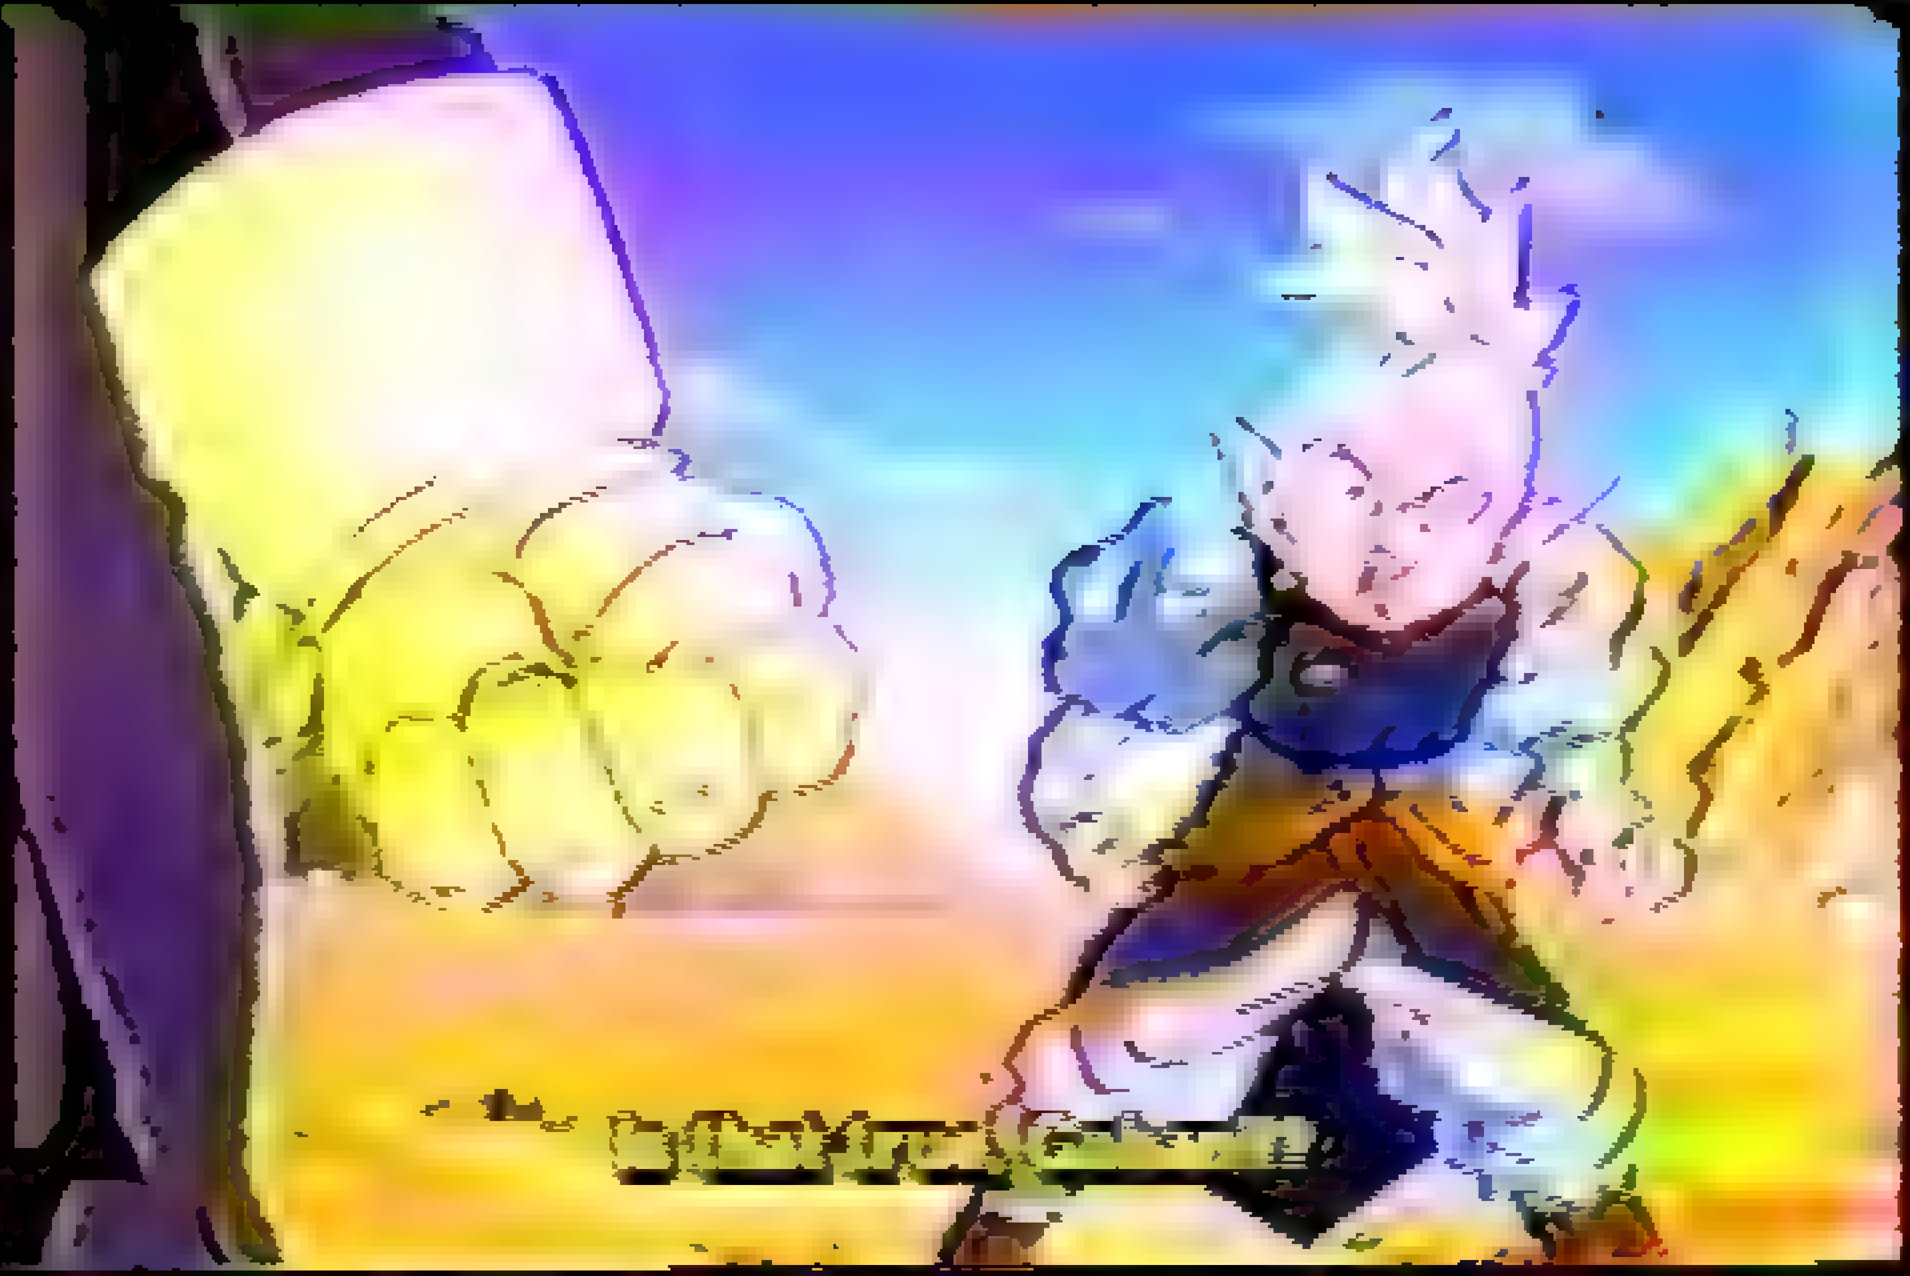

You're probably right

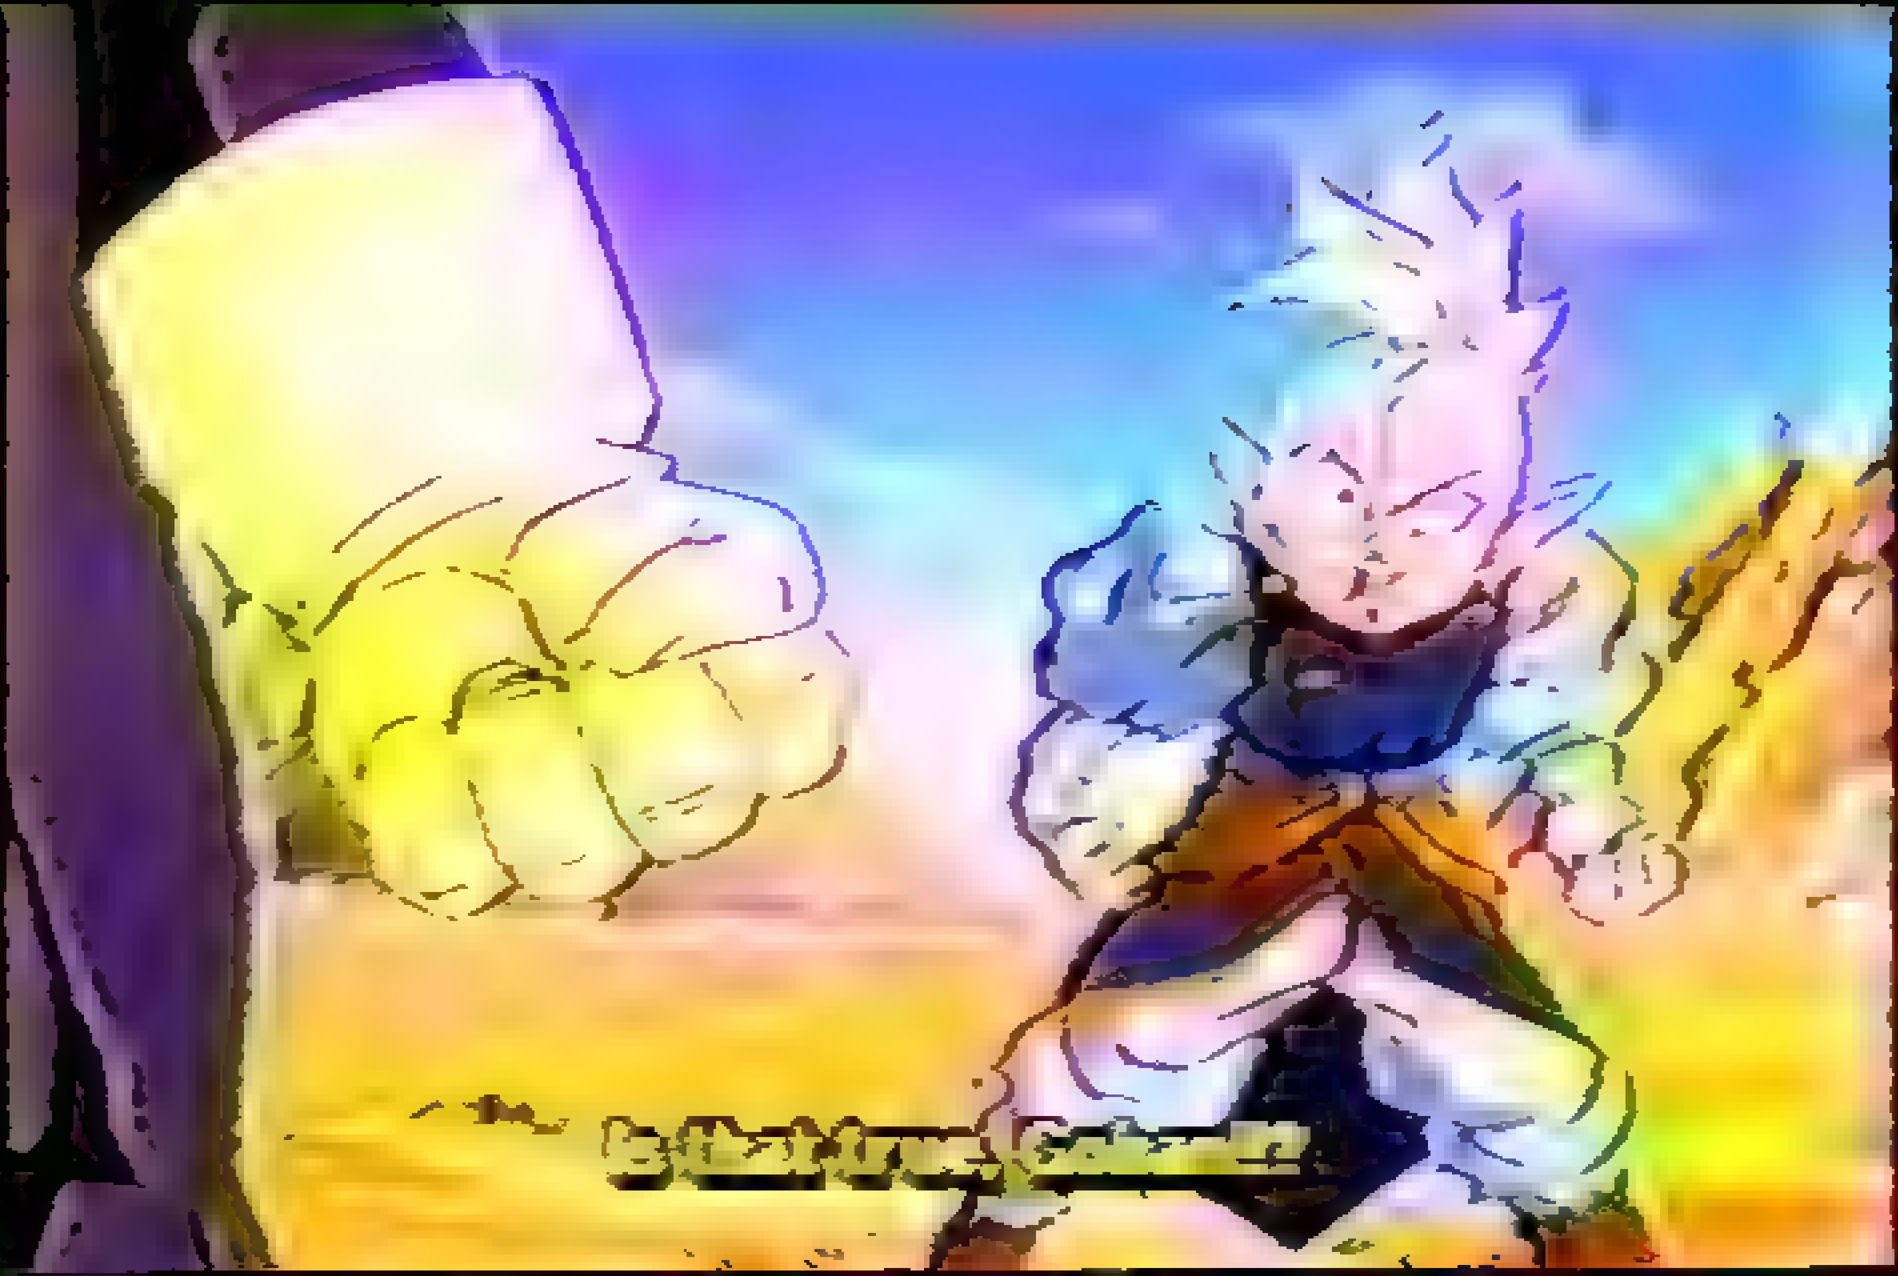

And he's certainly very strong but...

And he's certainly very strong but...

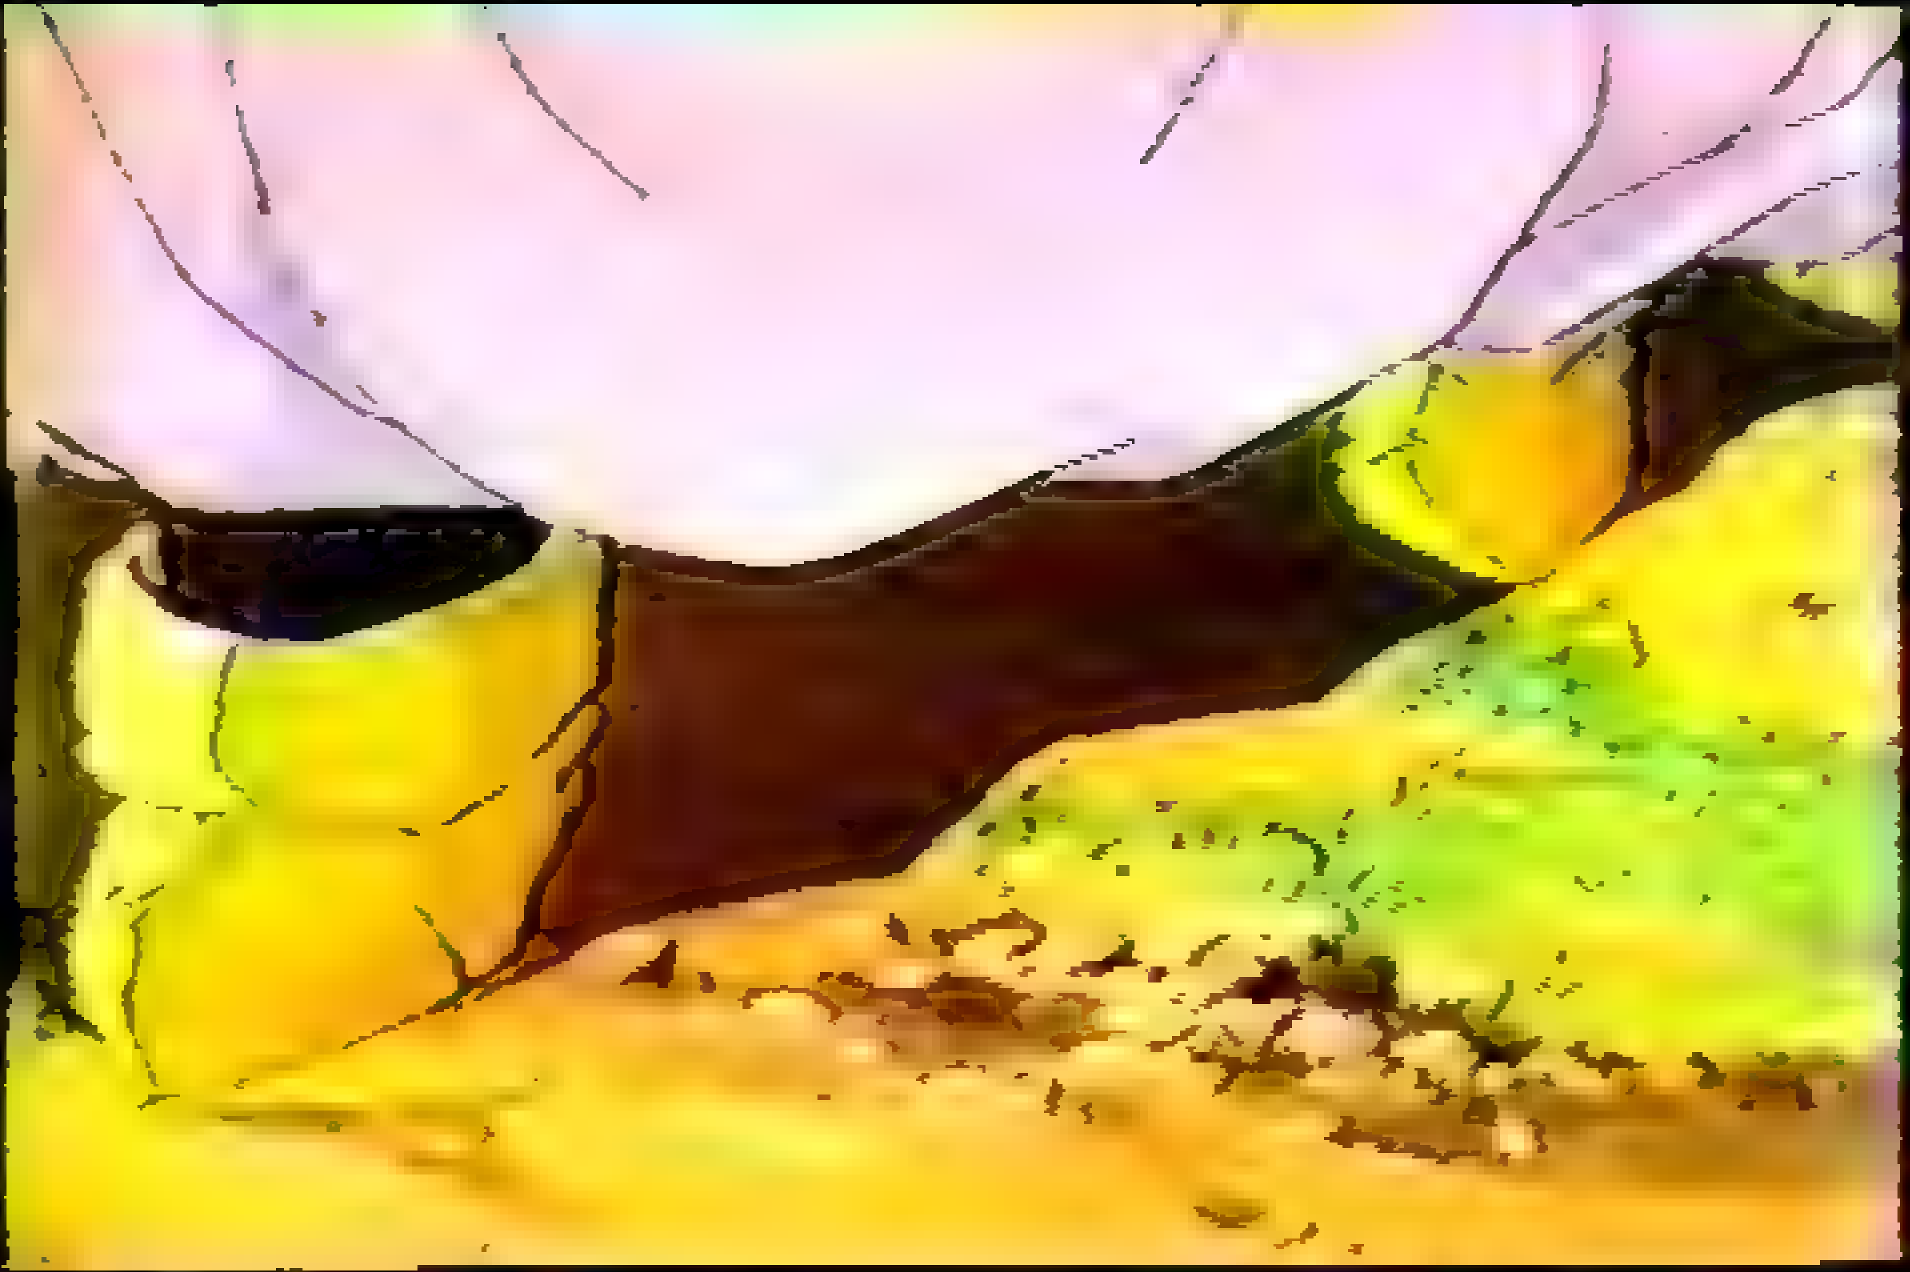

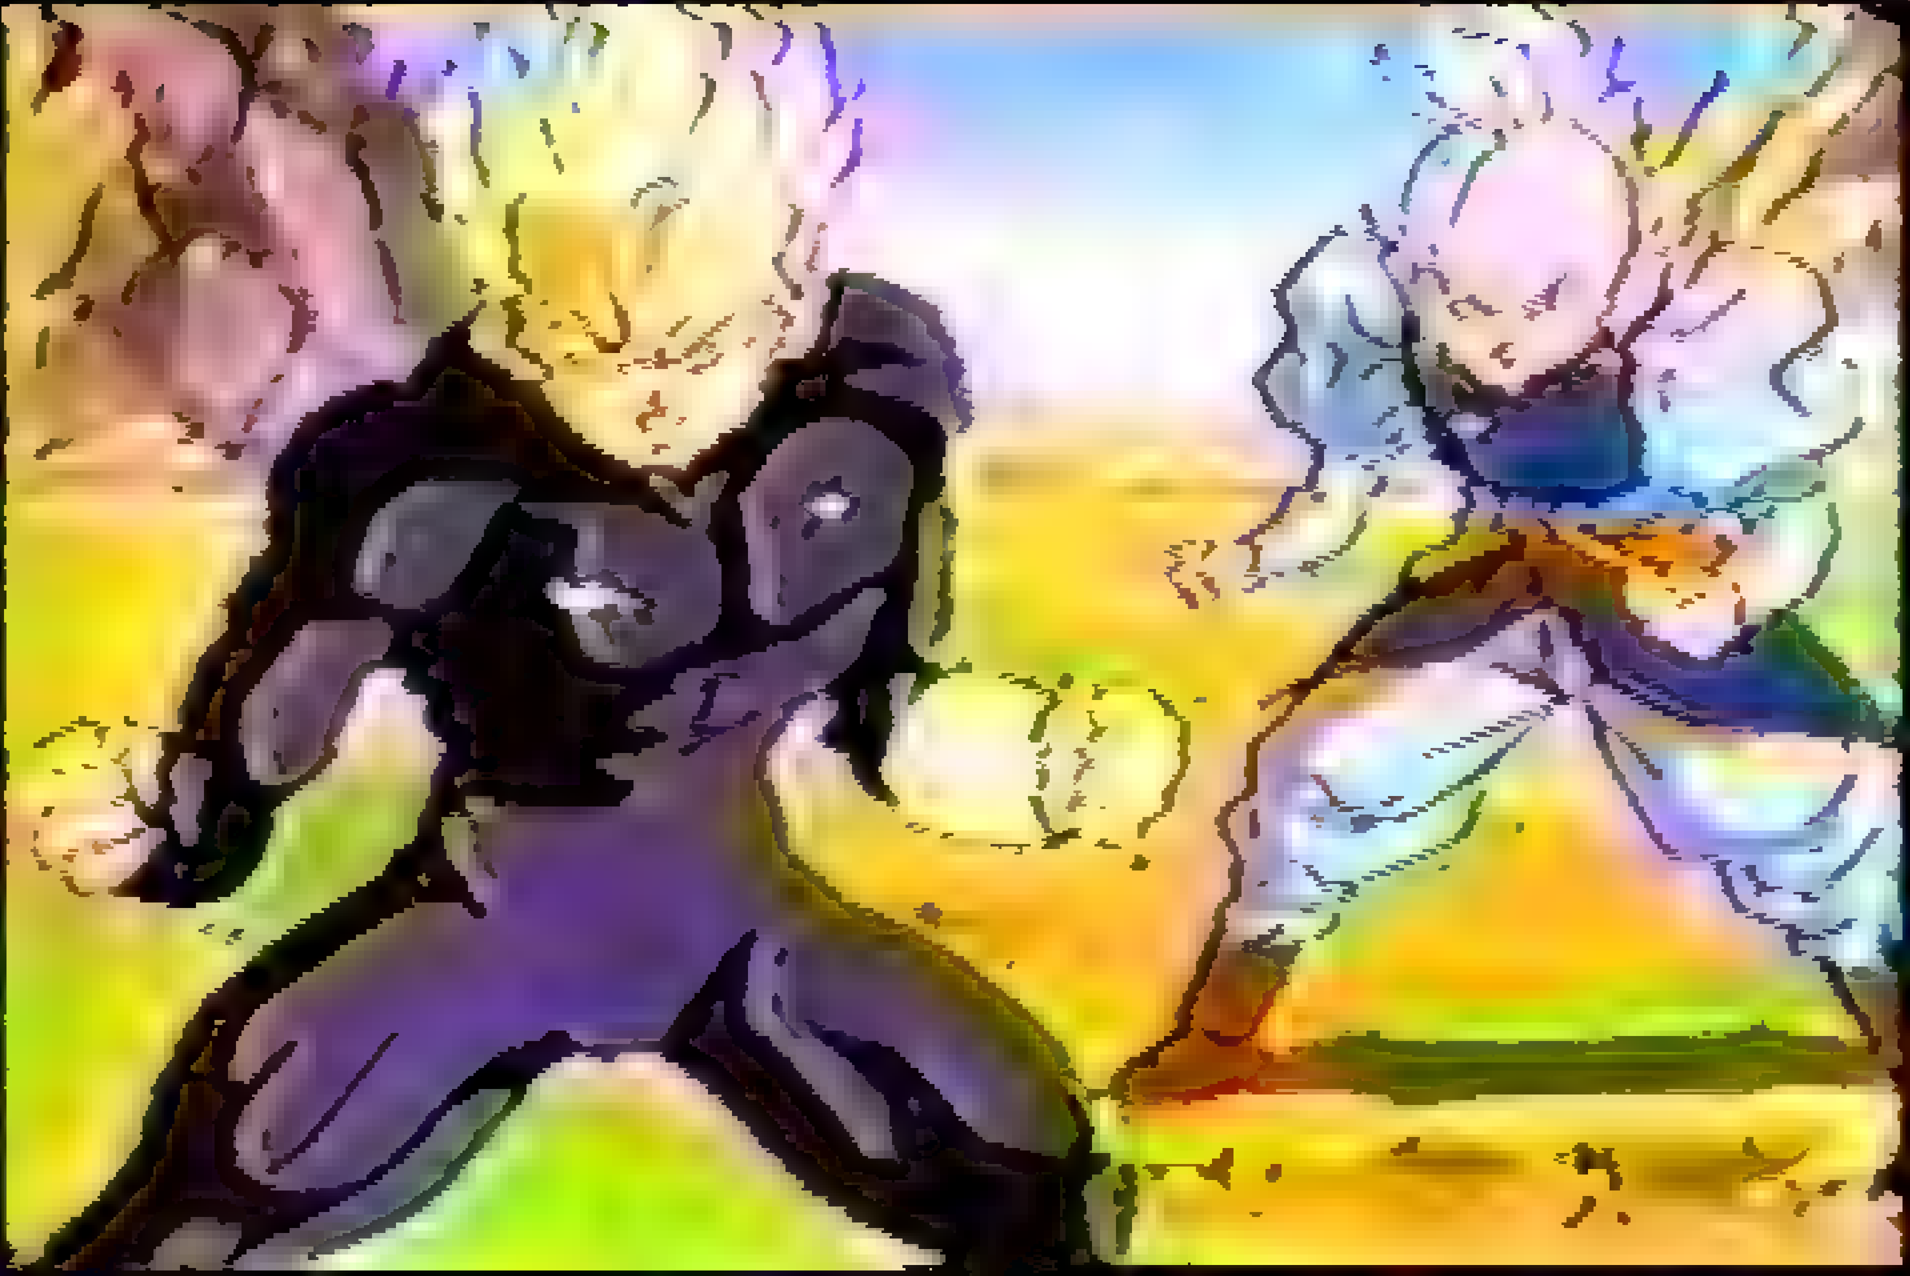

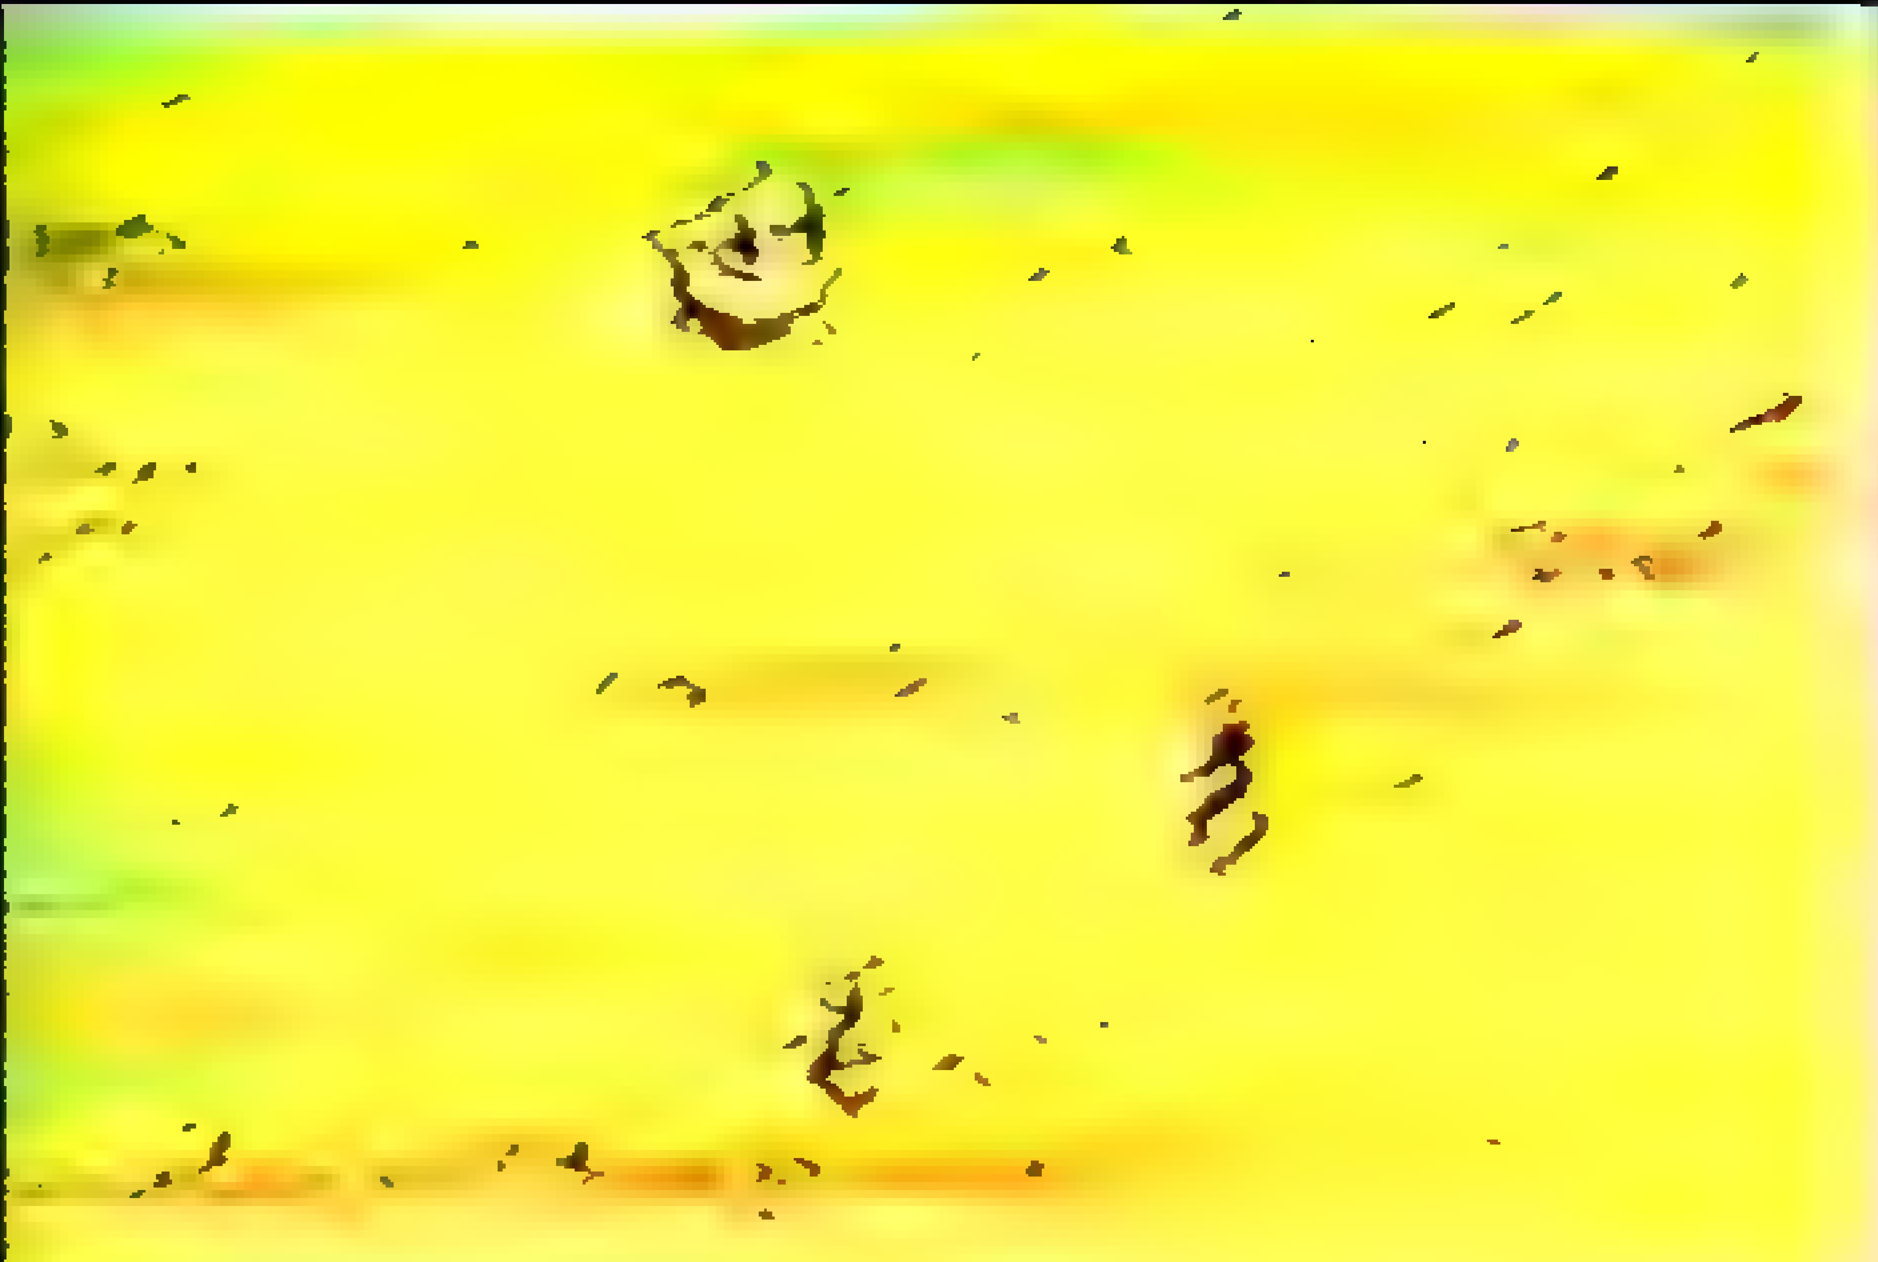

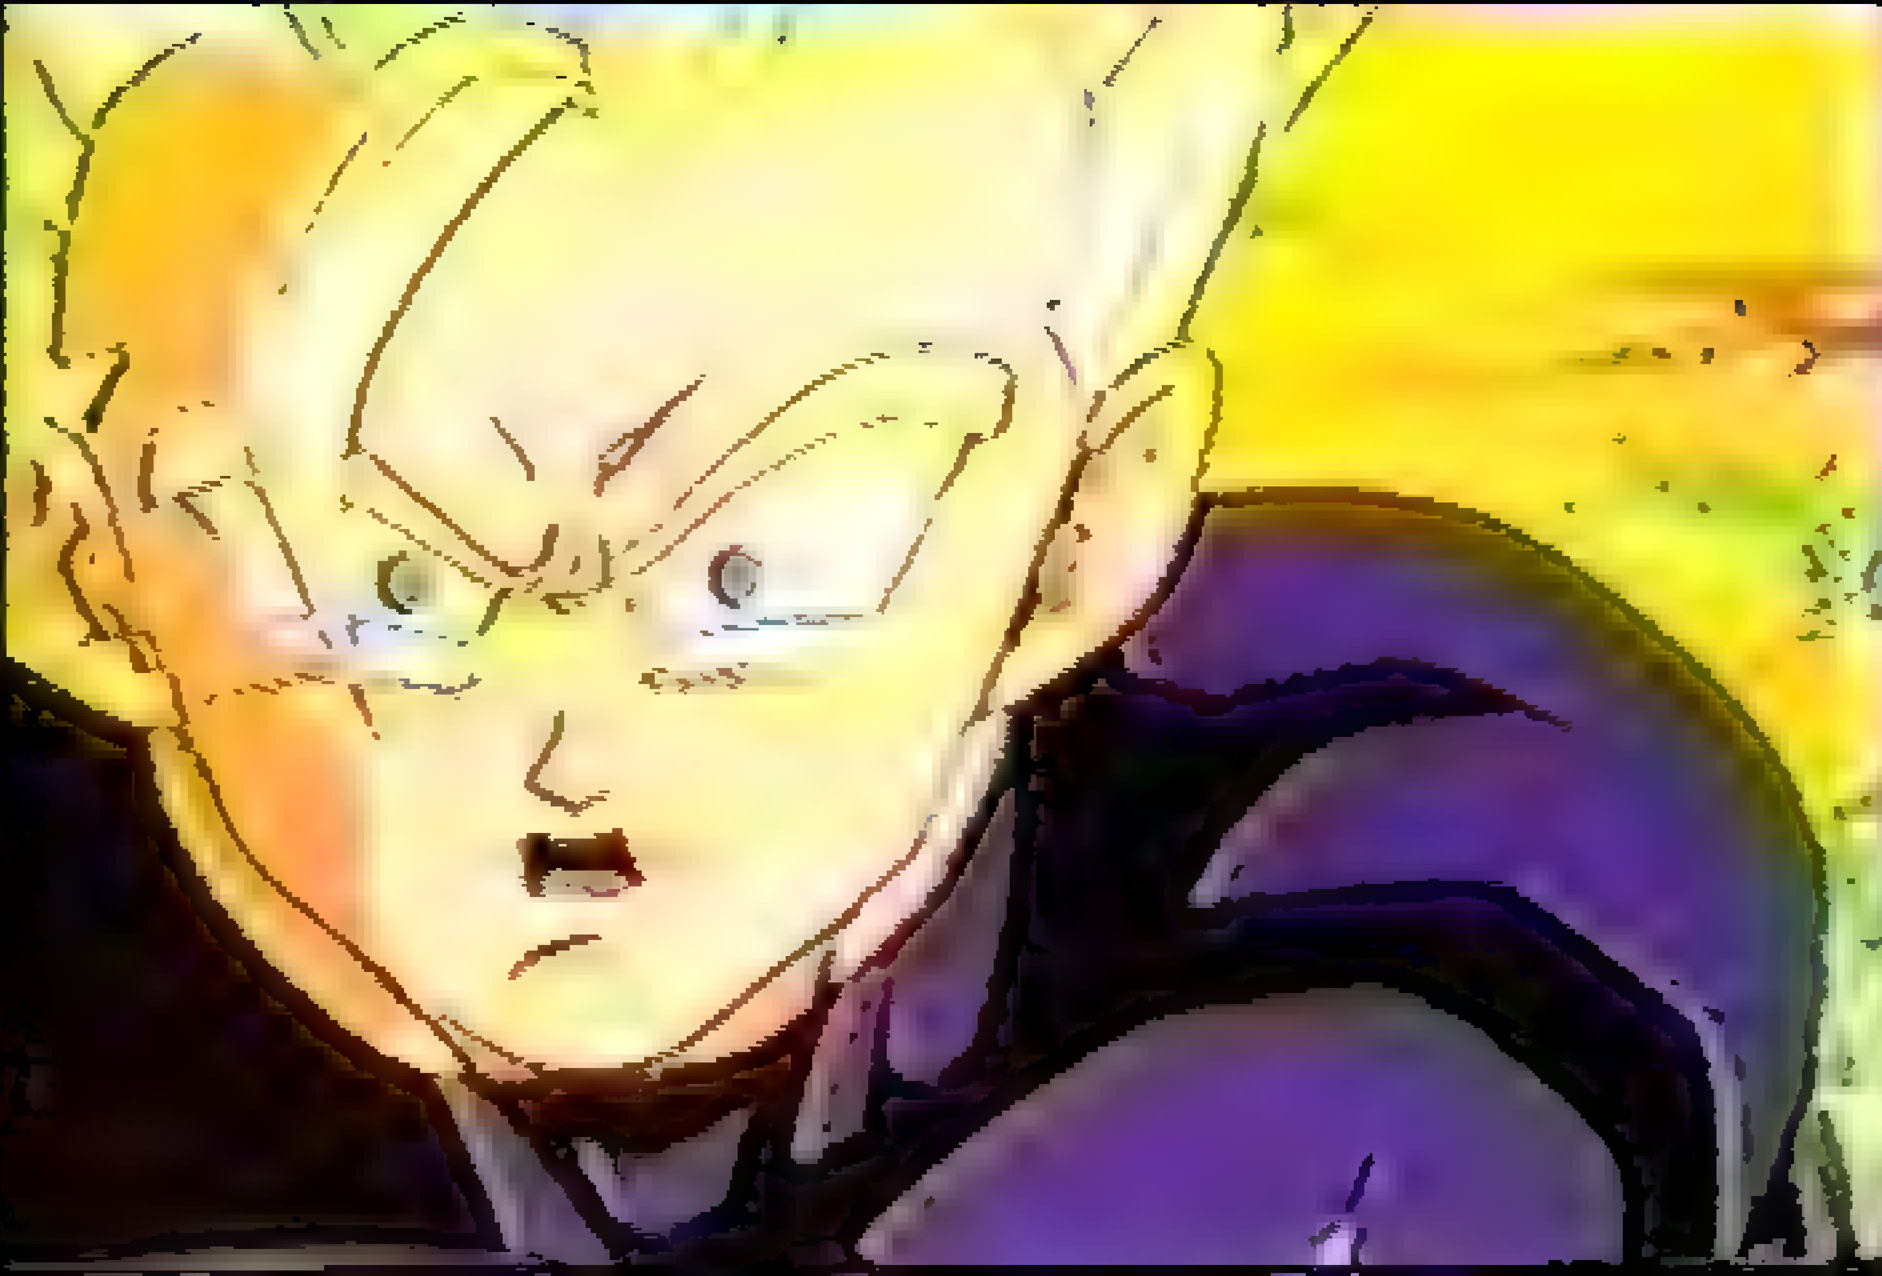

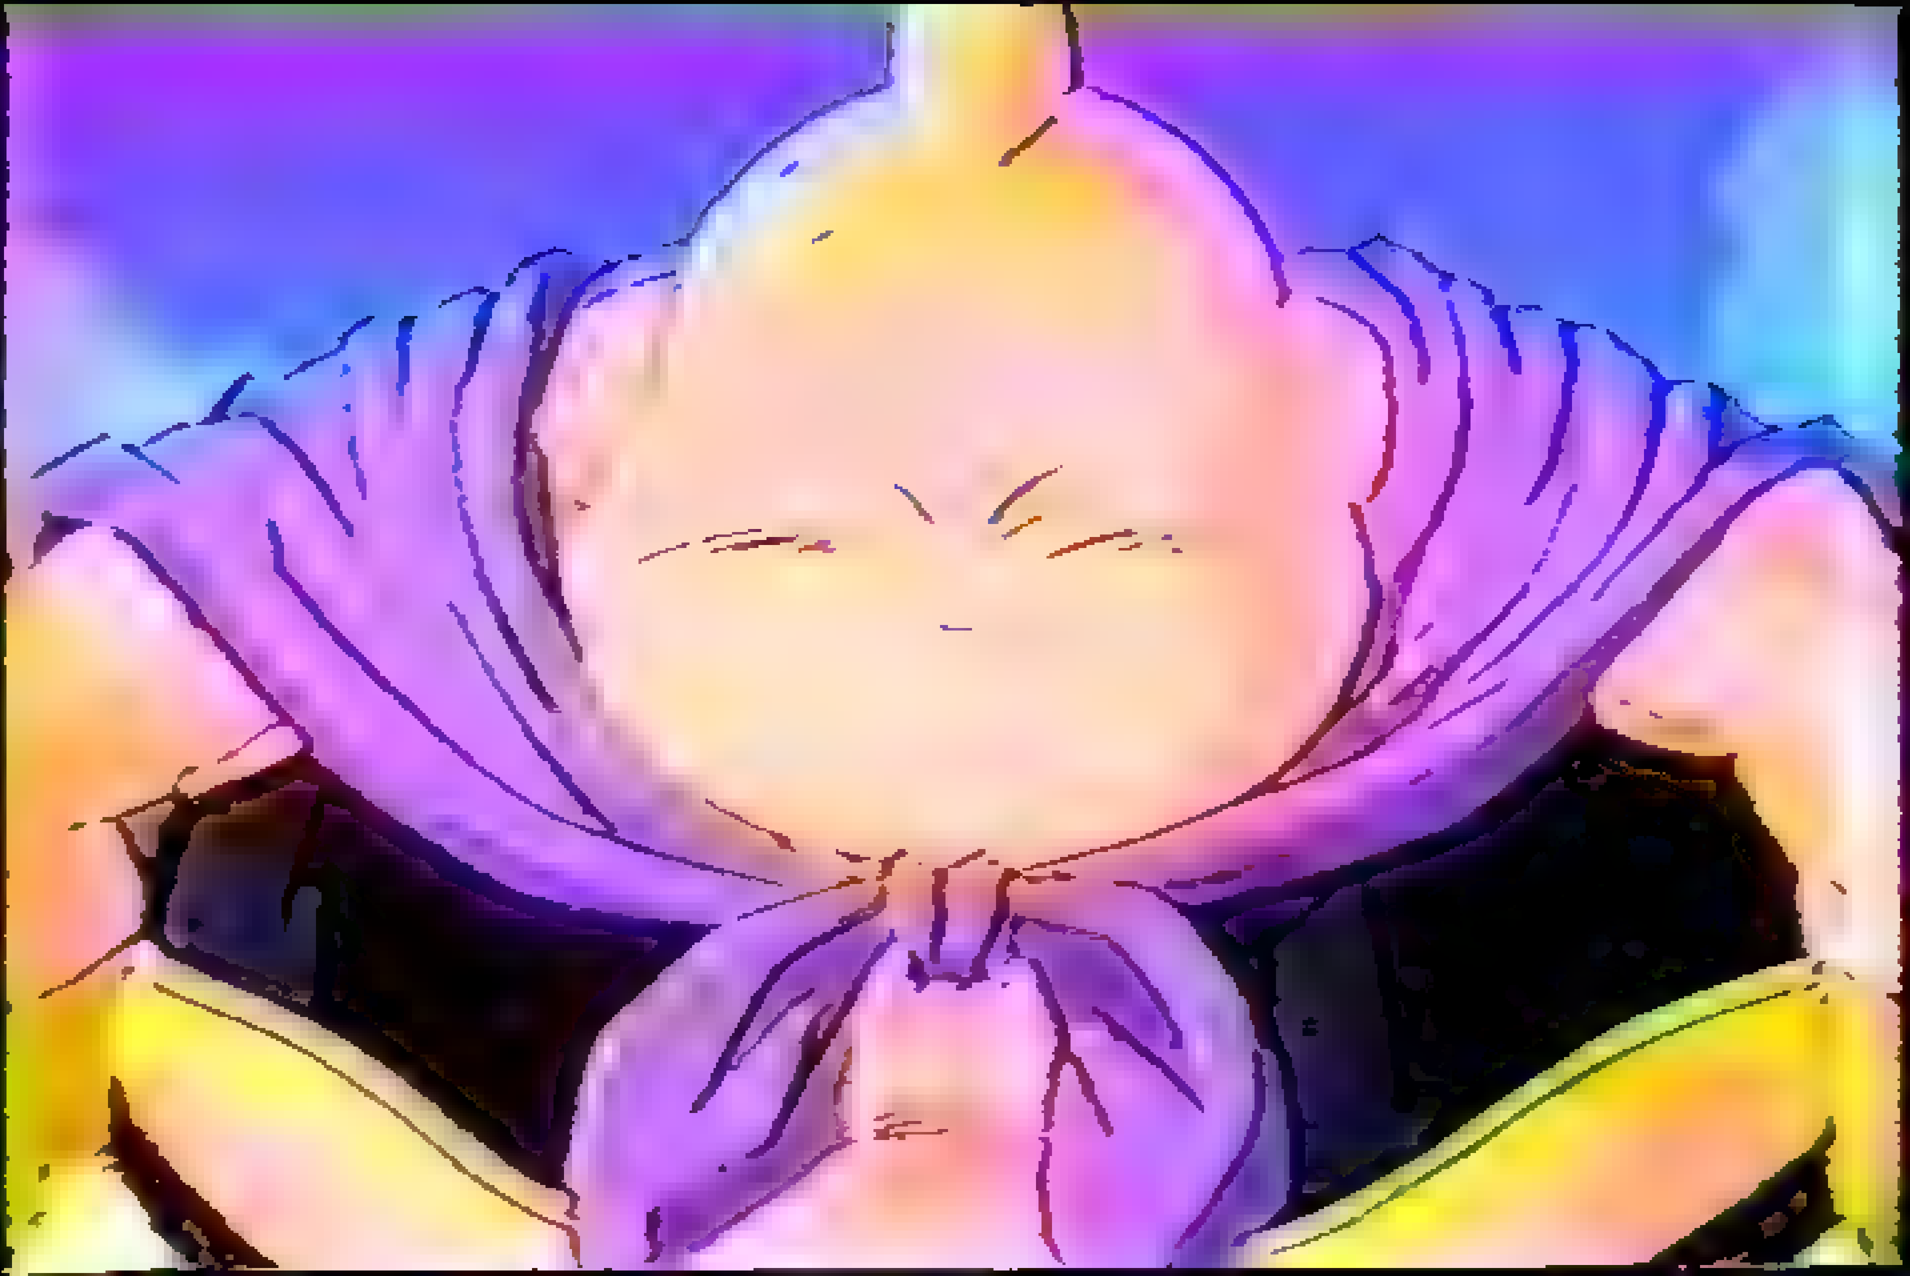

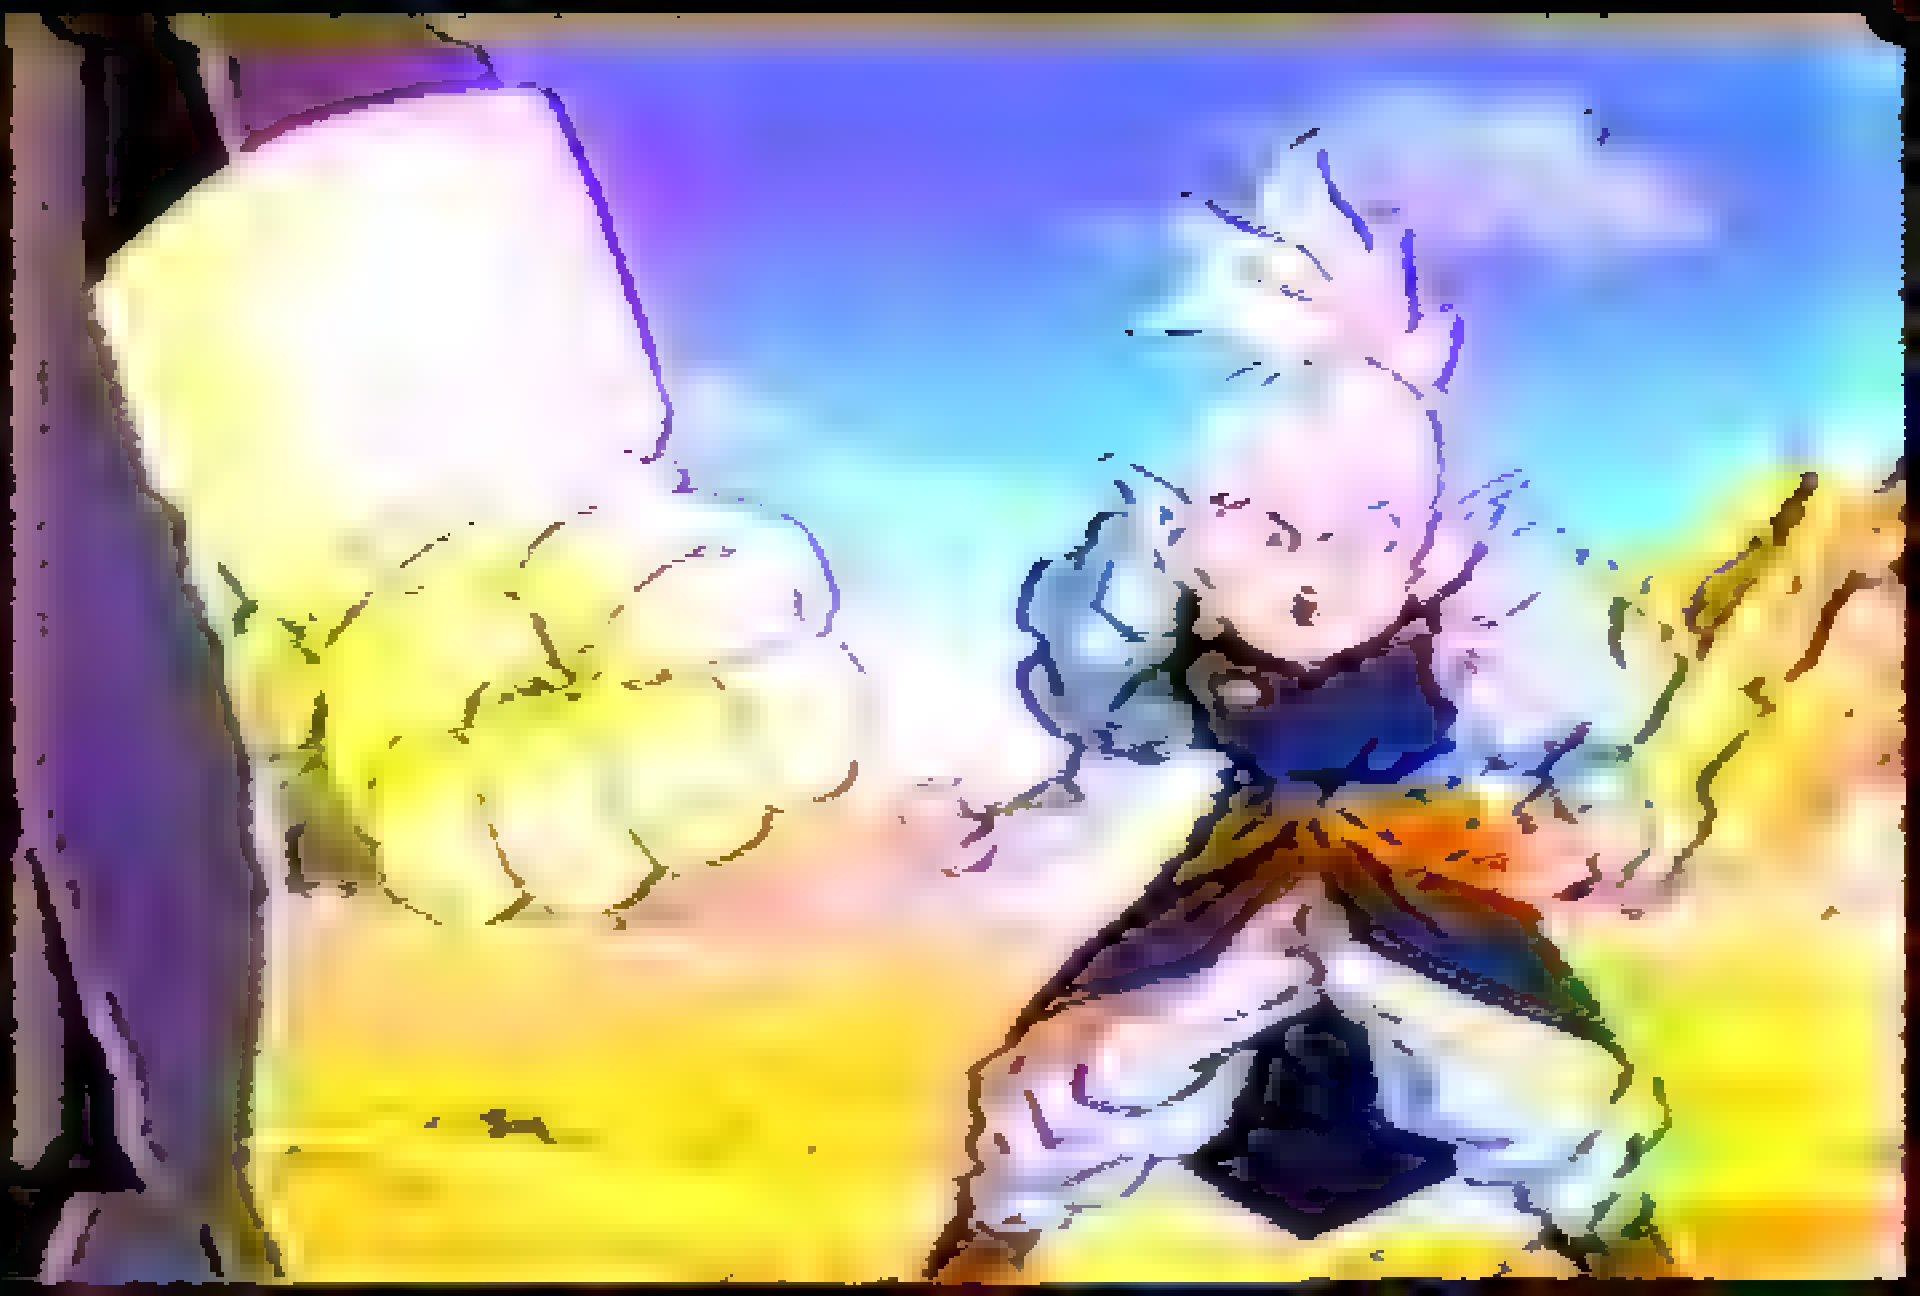

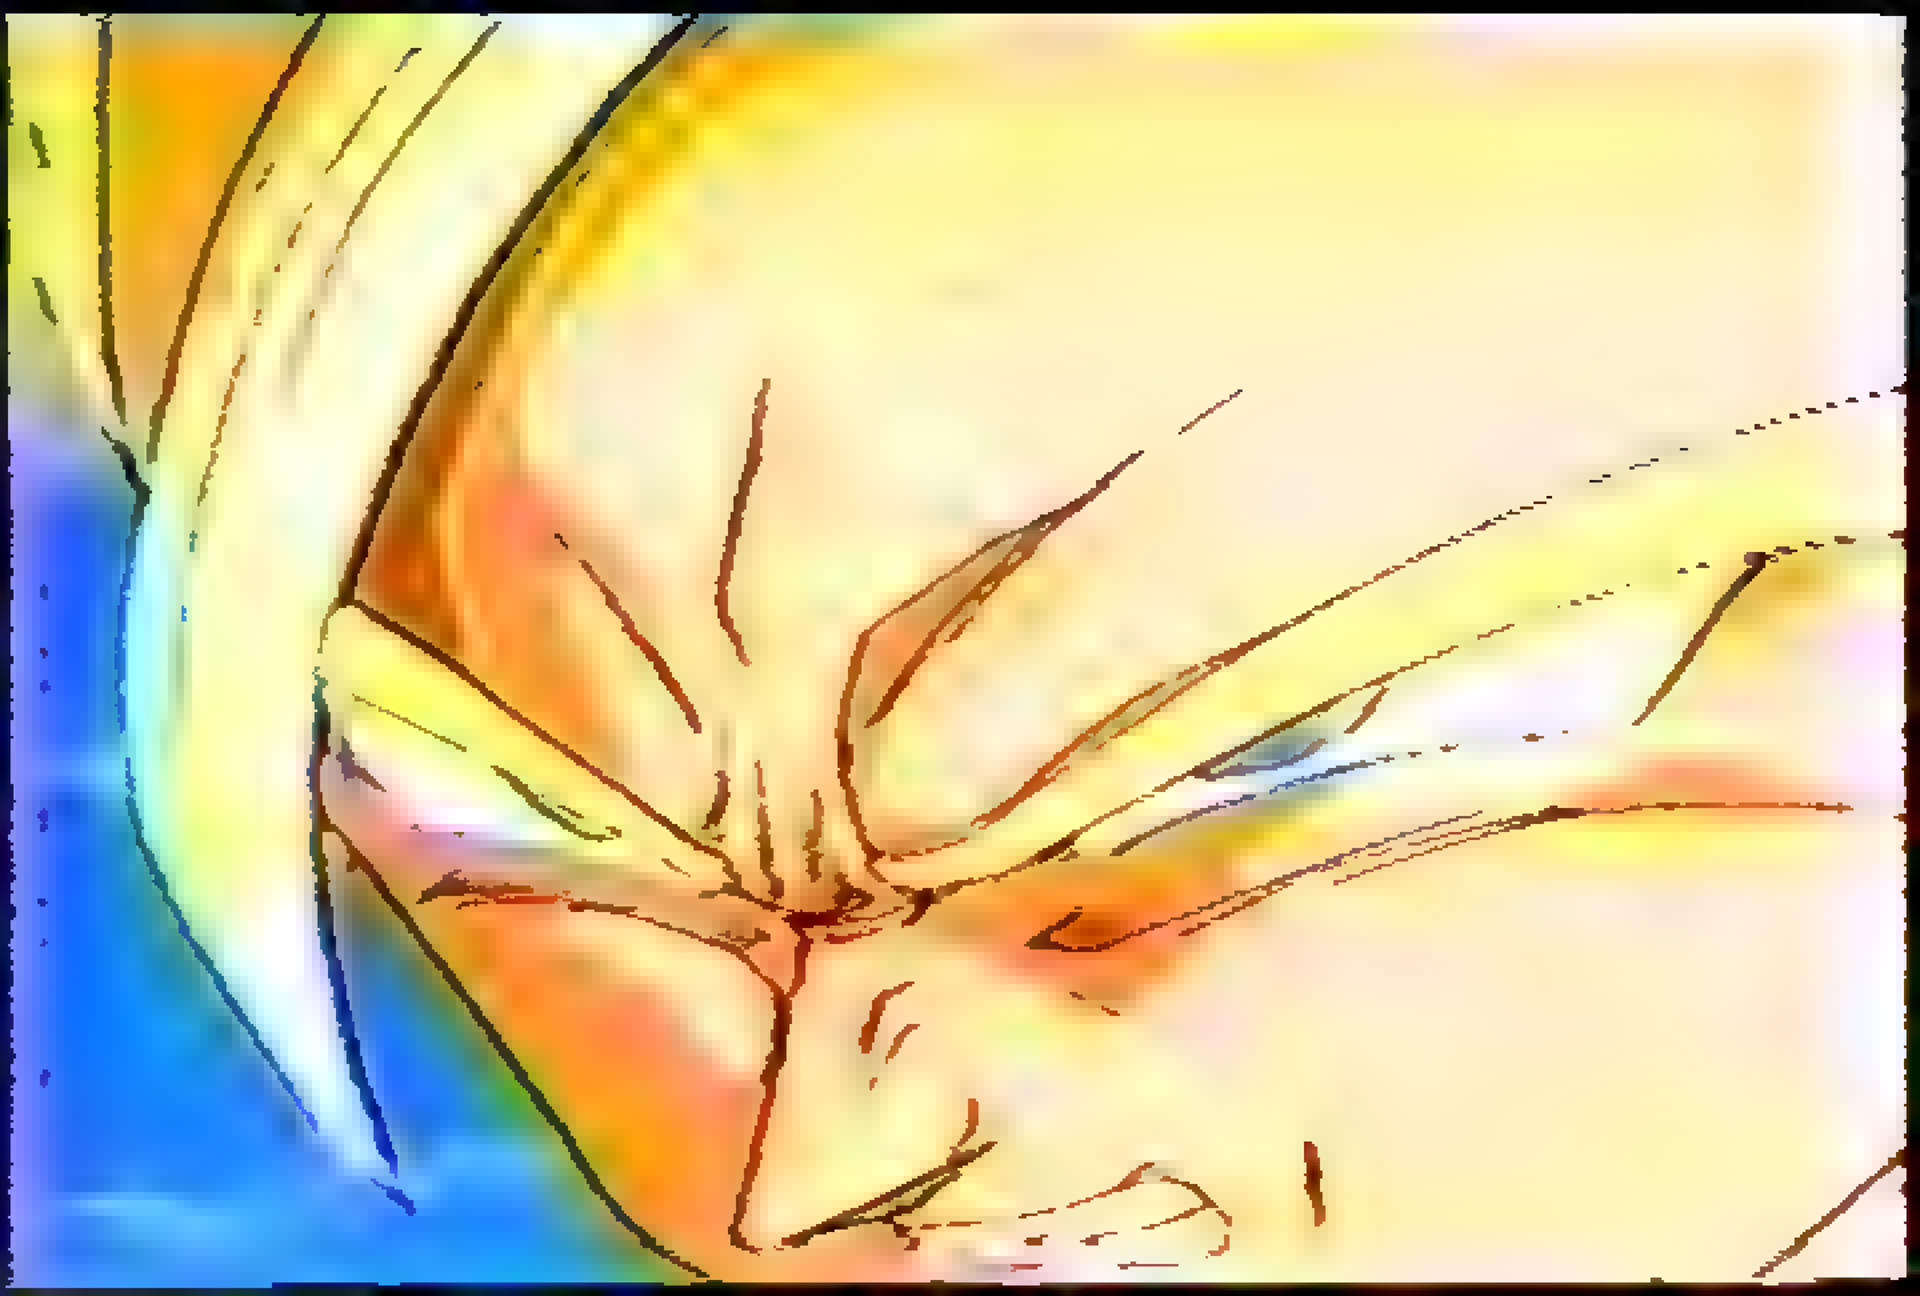

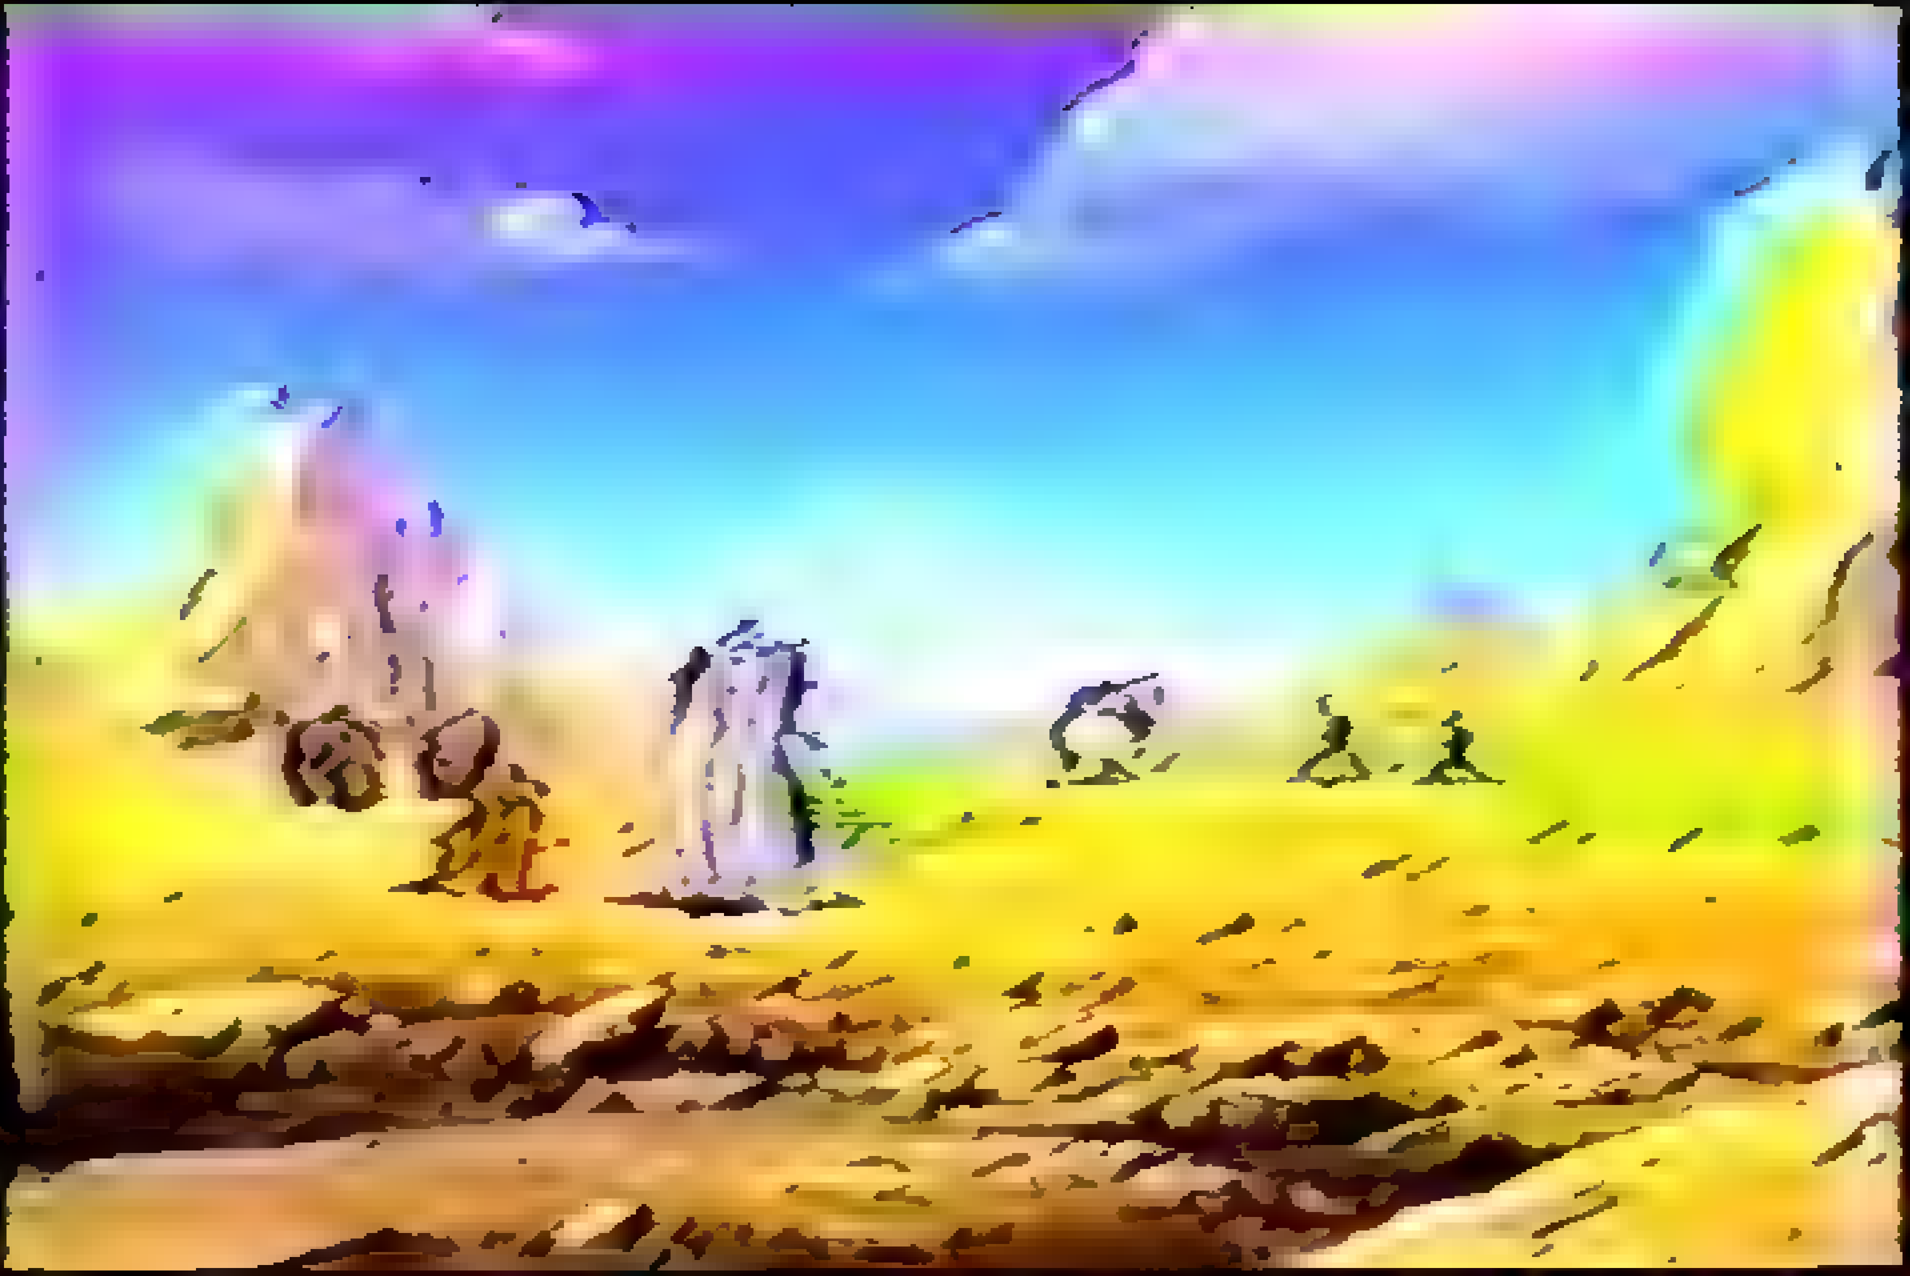

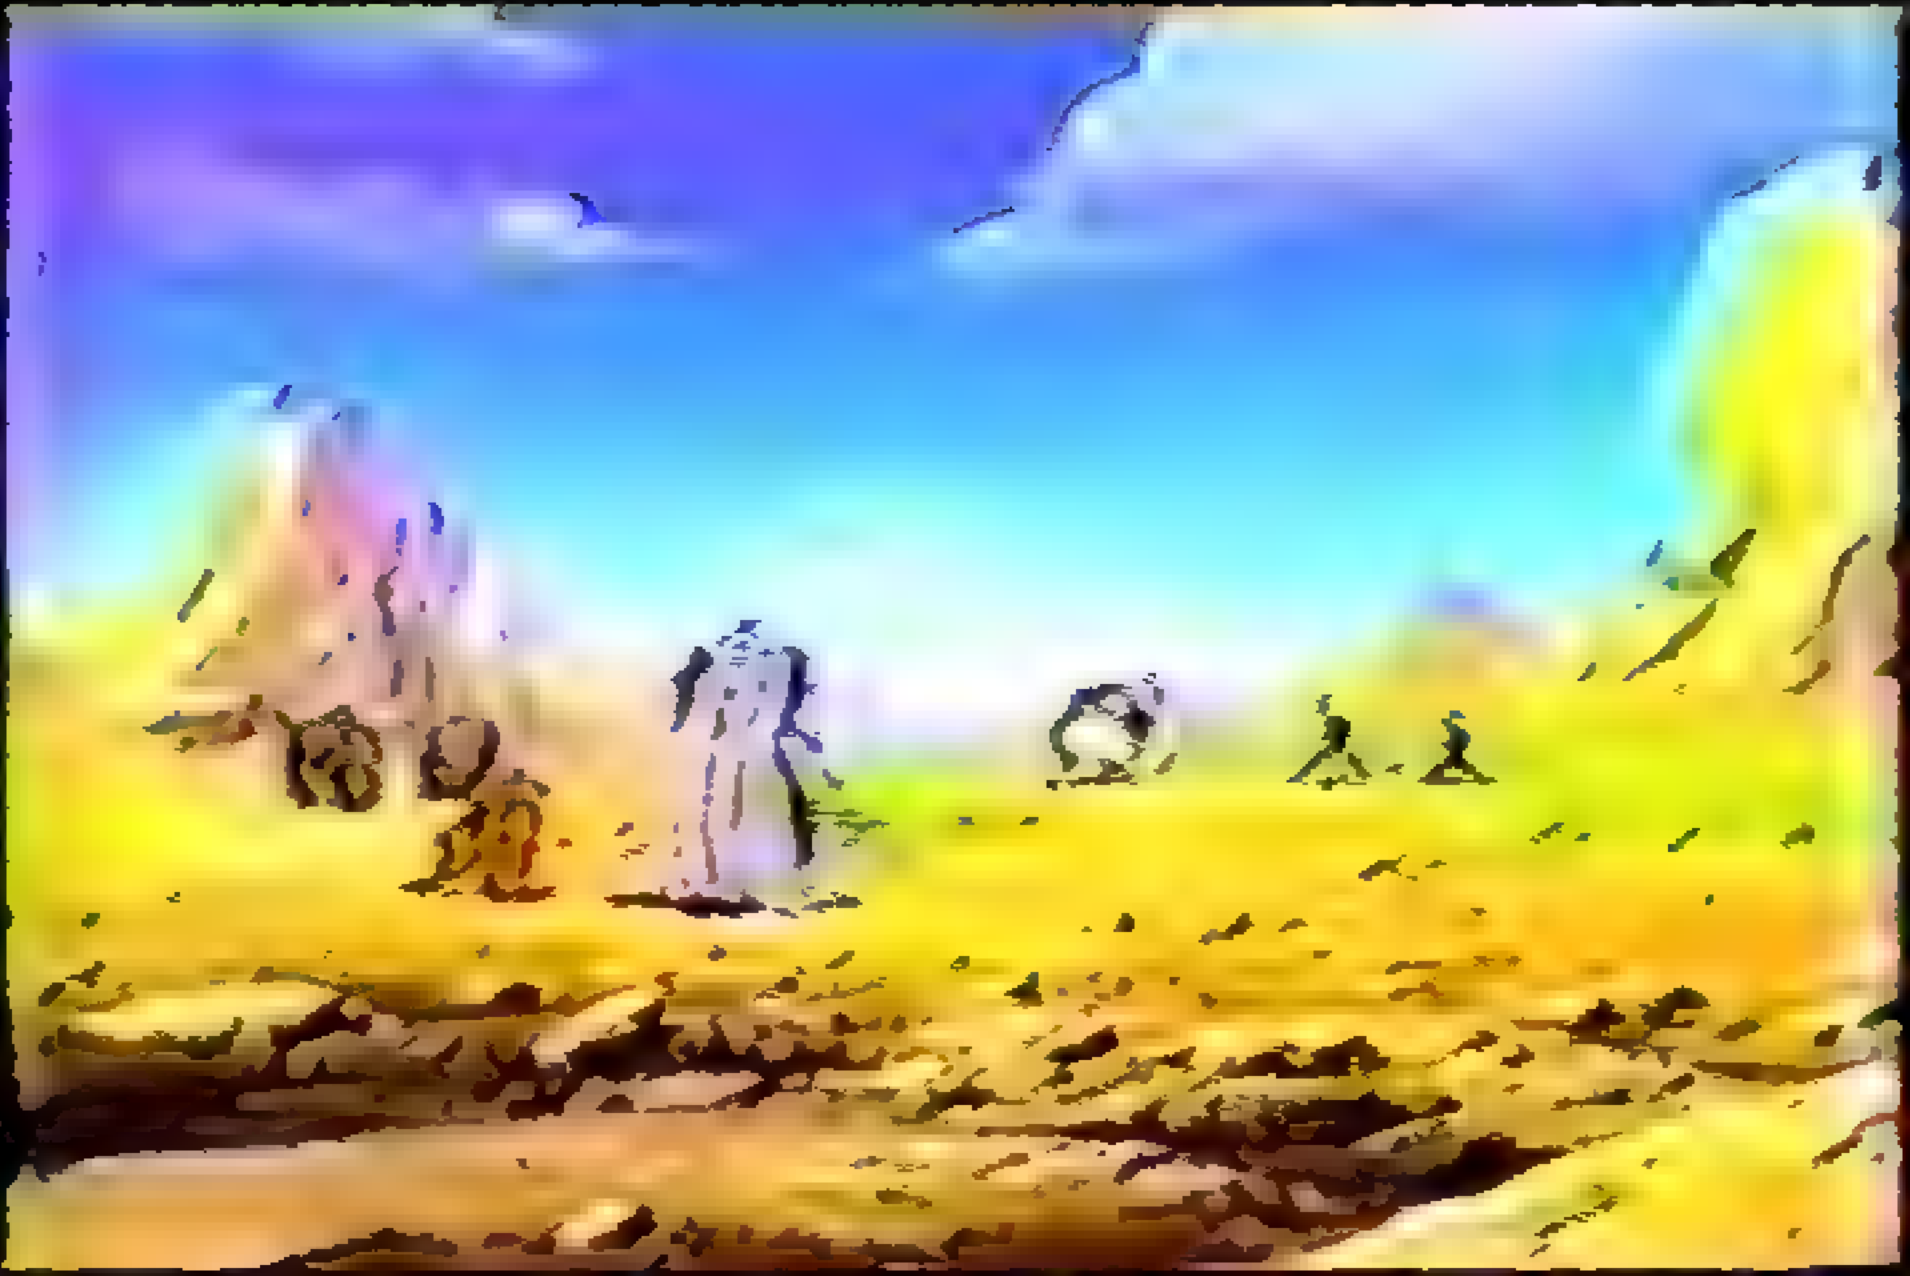

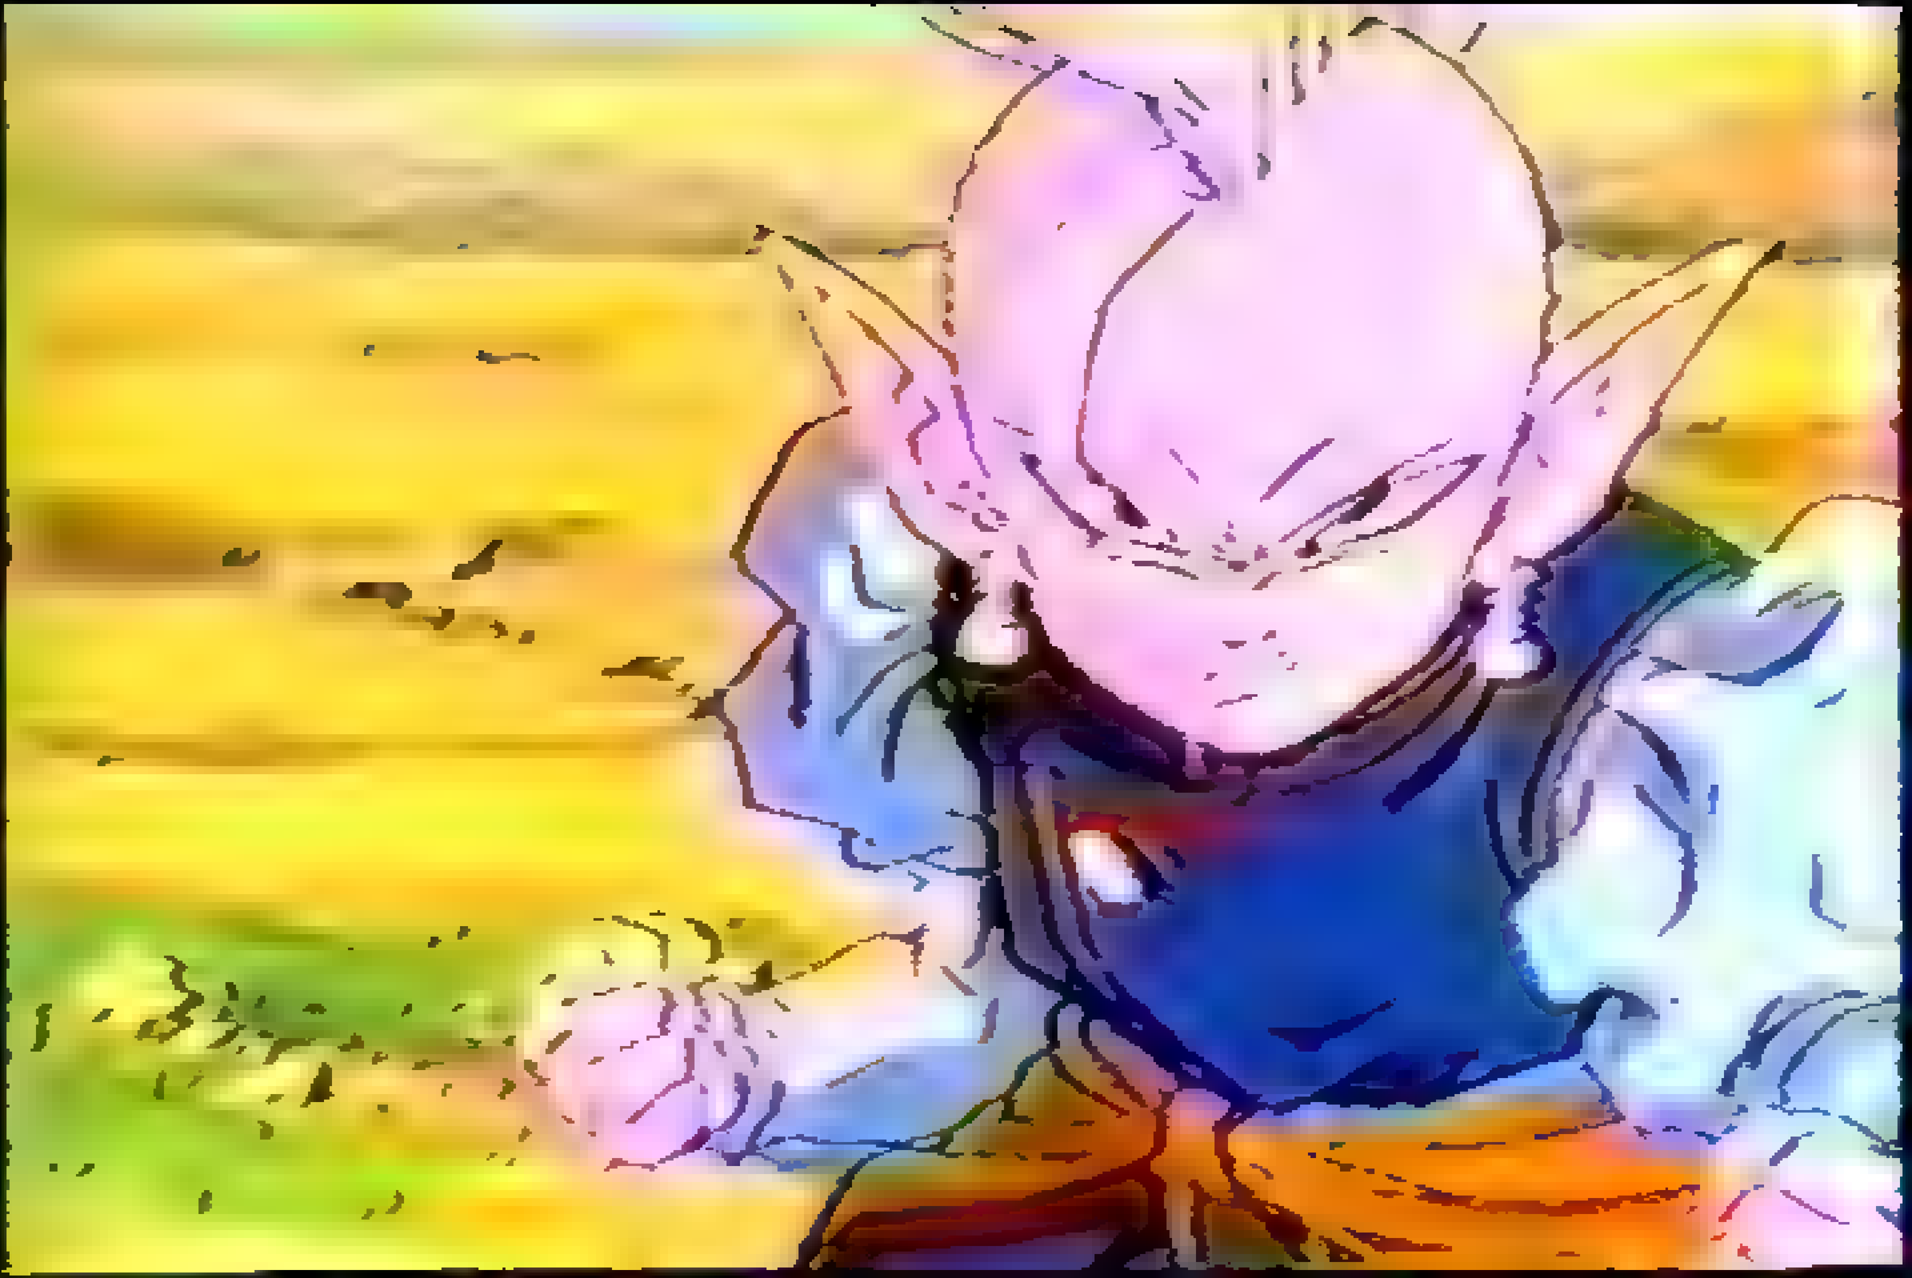

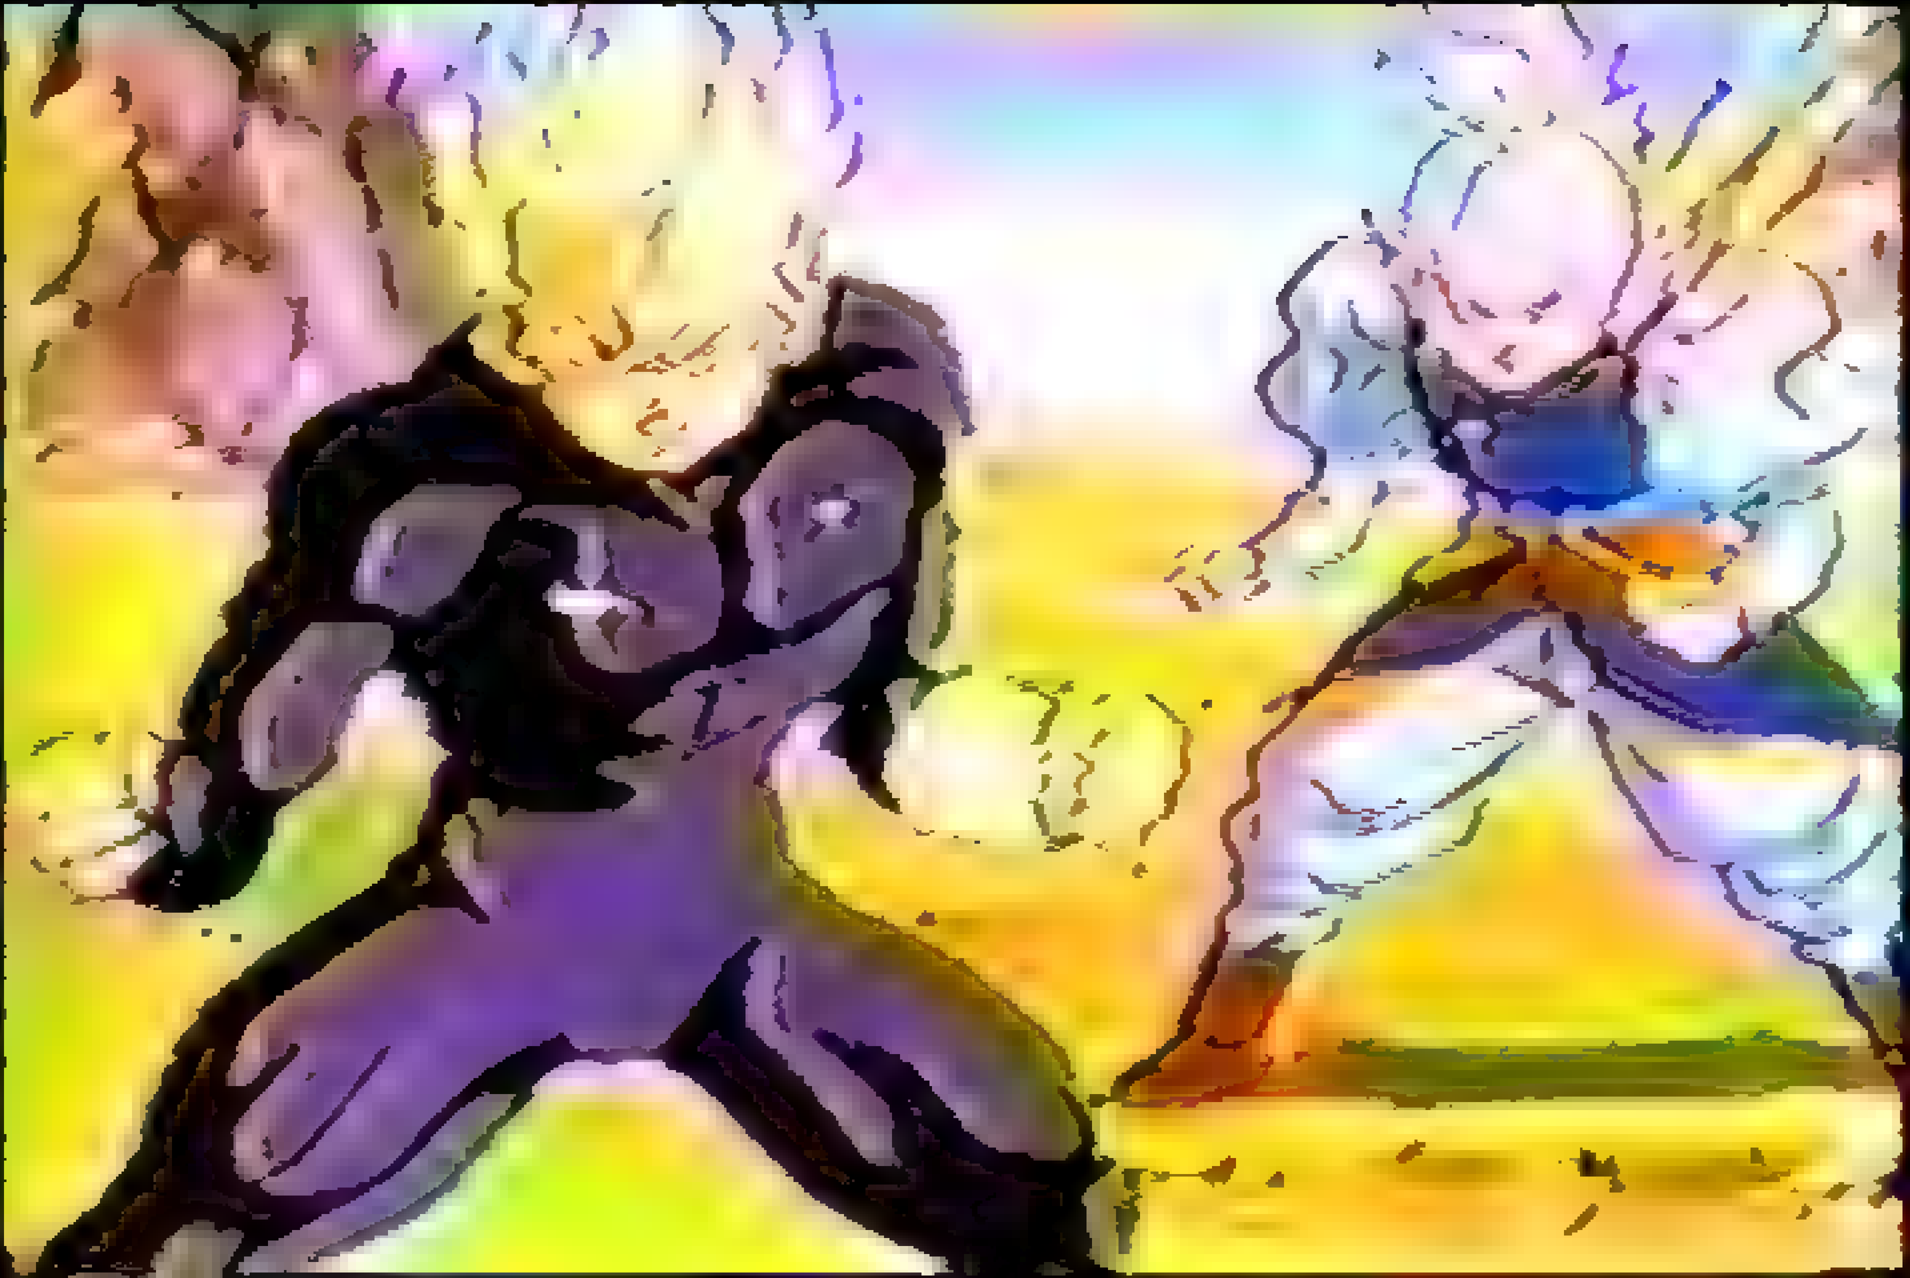

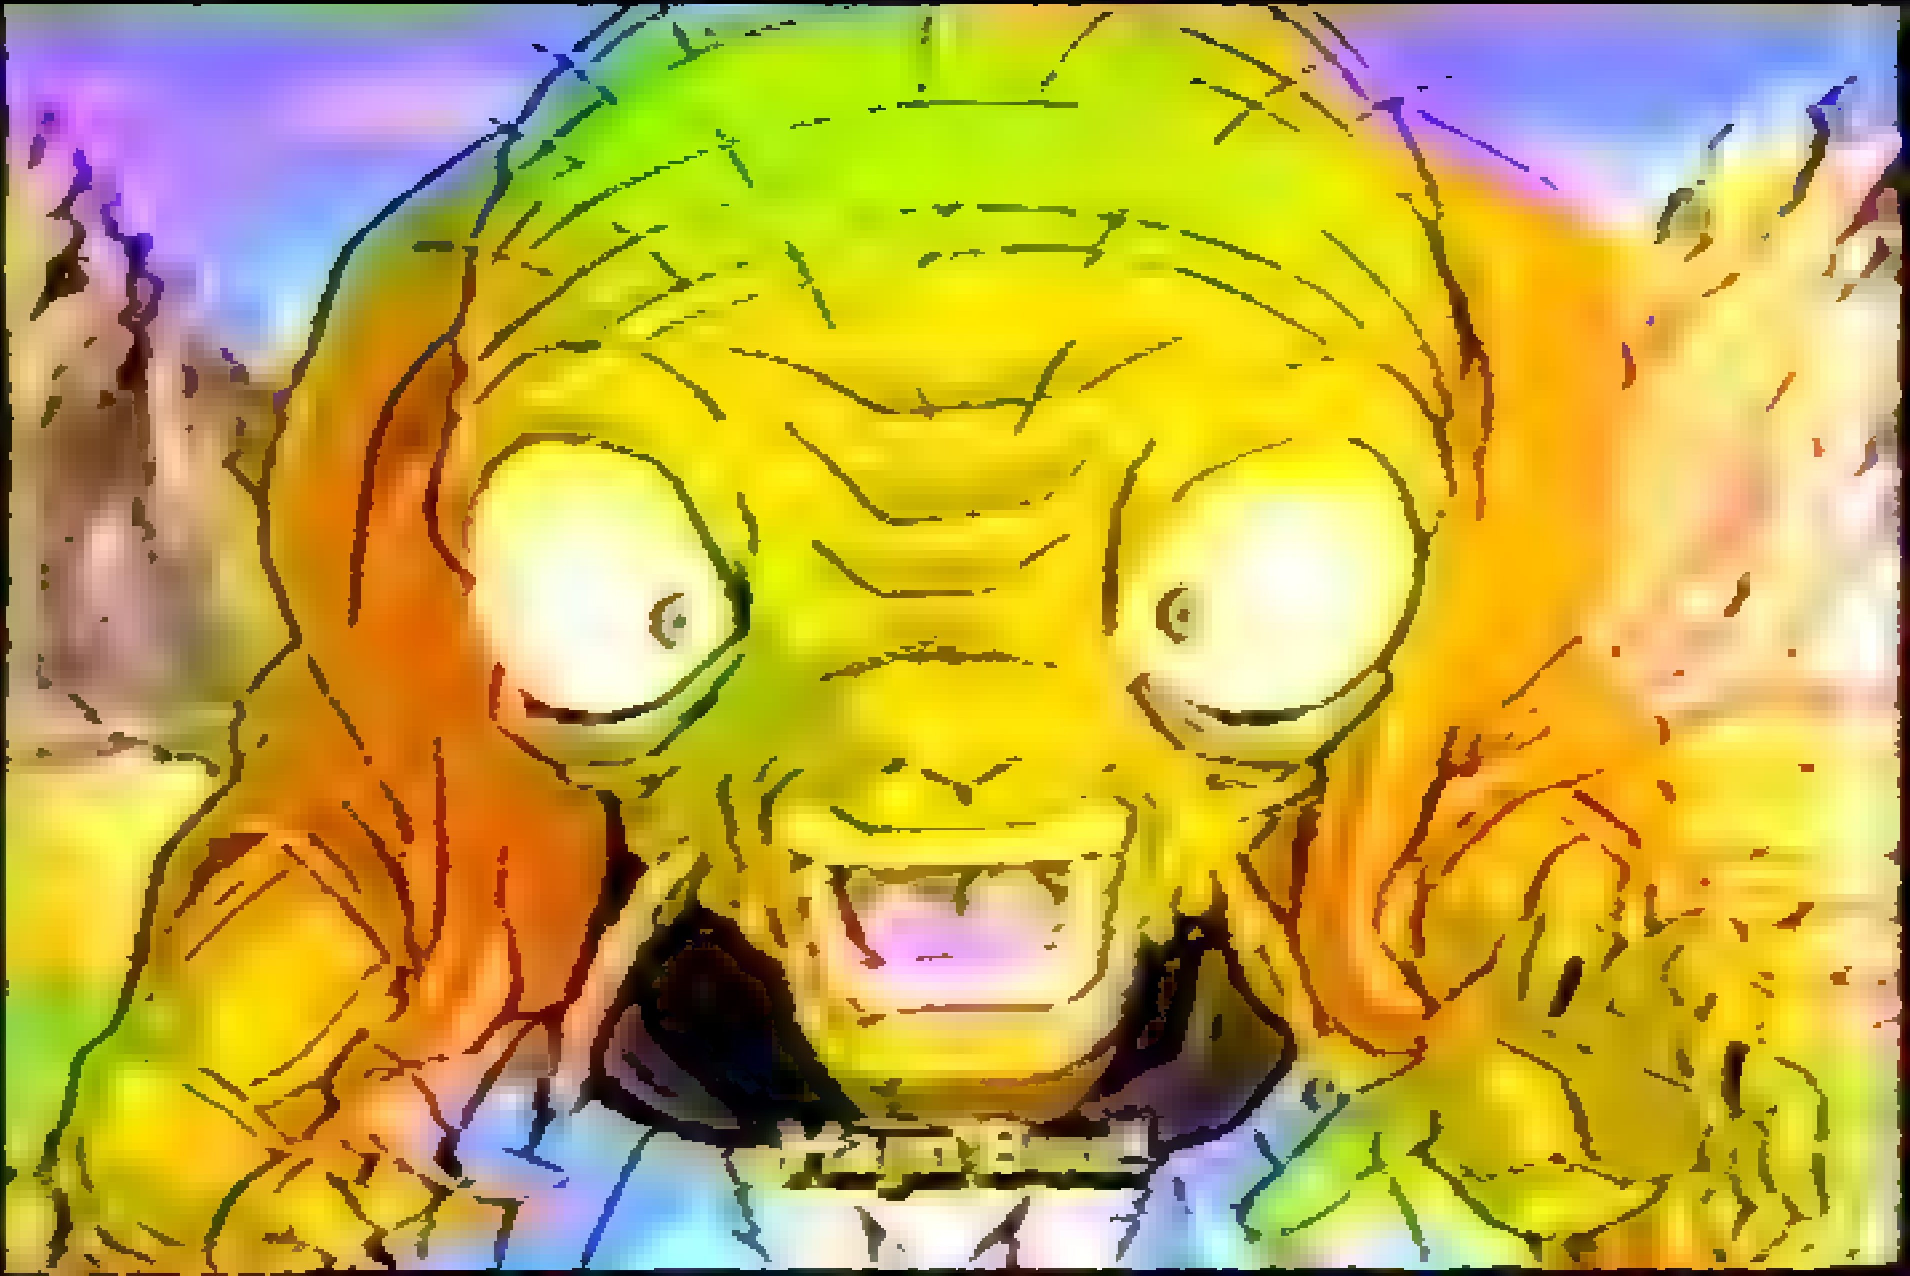

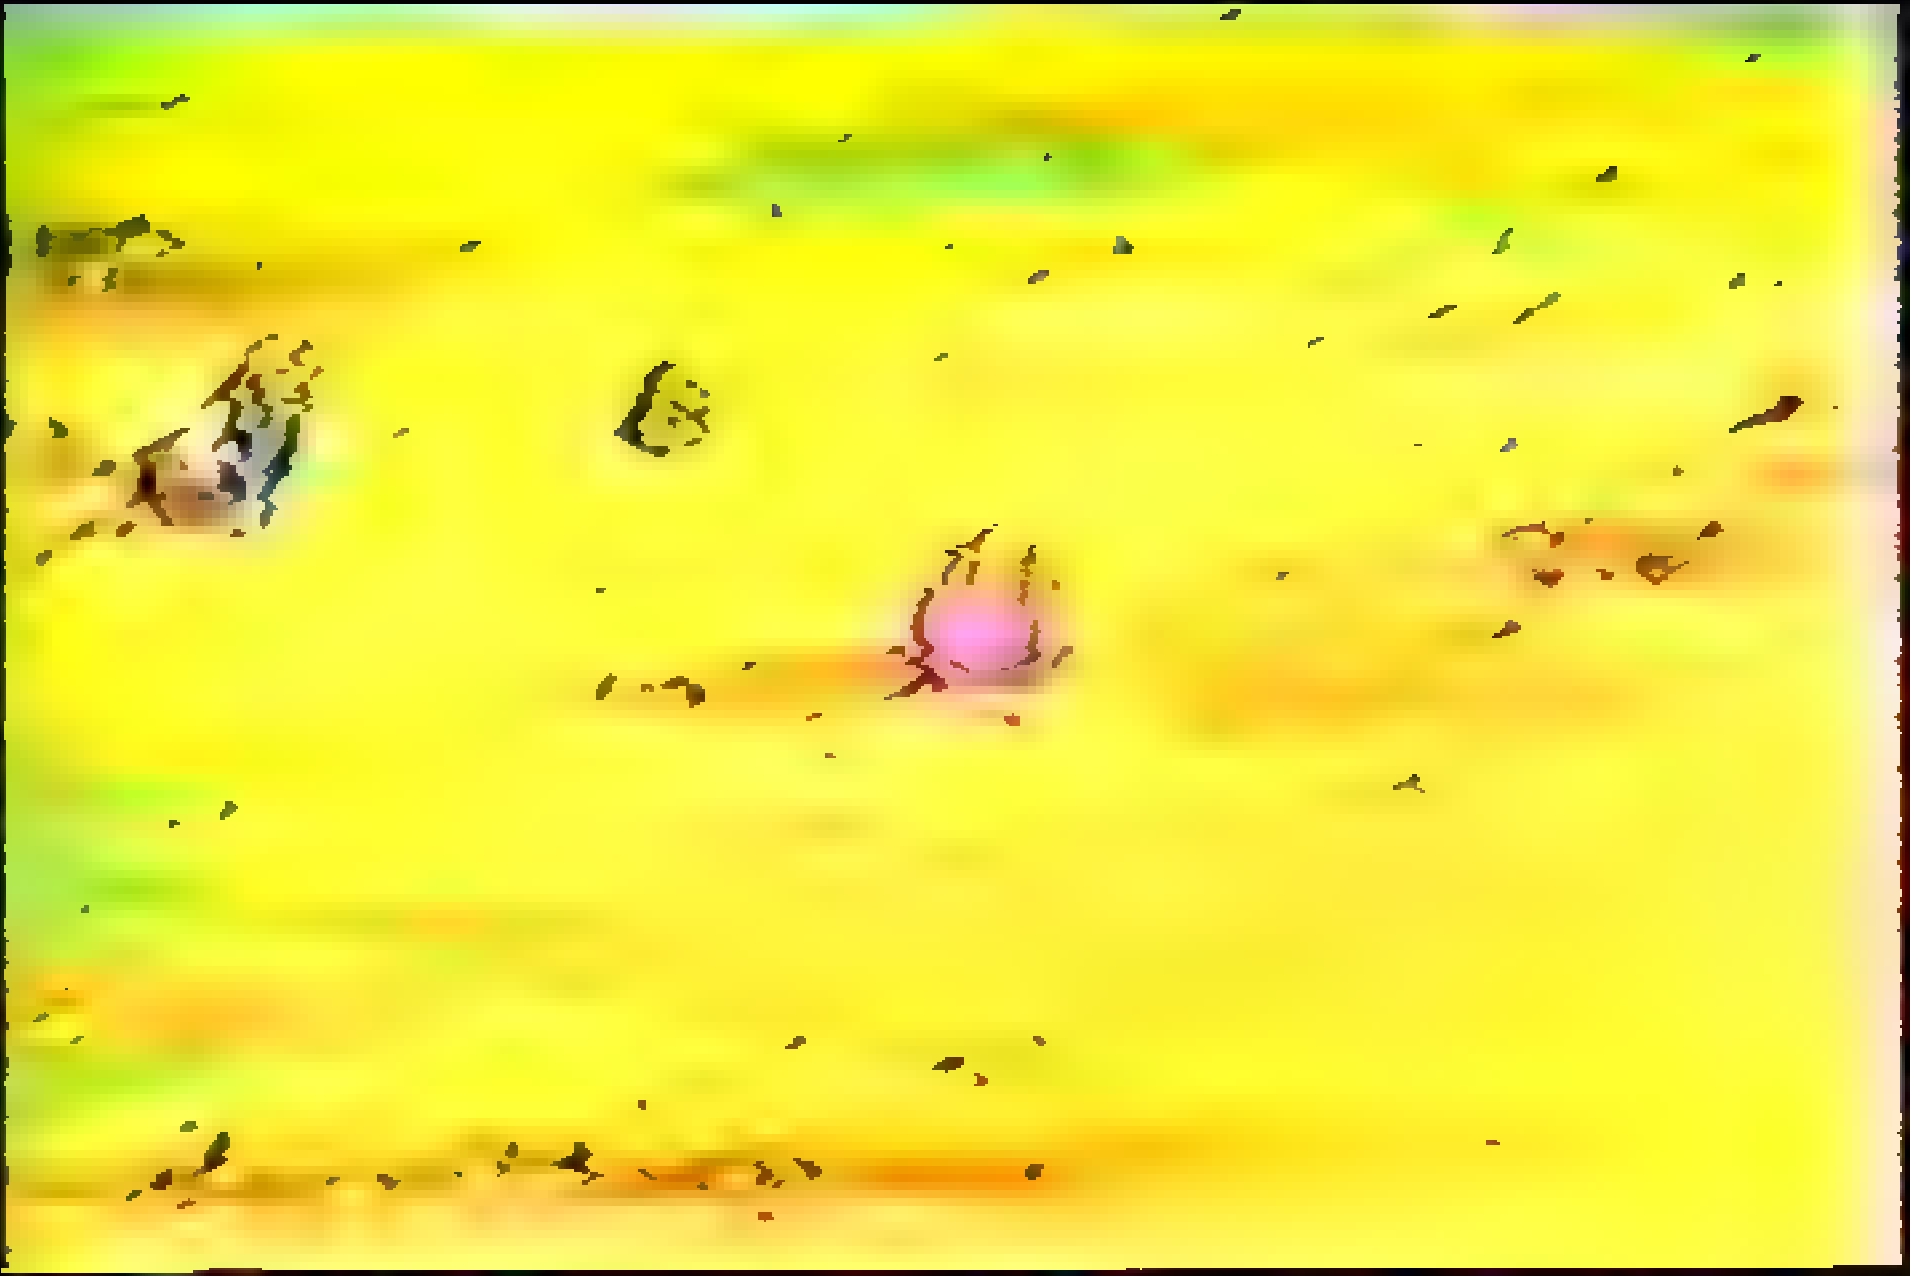

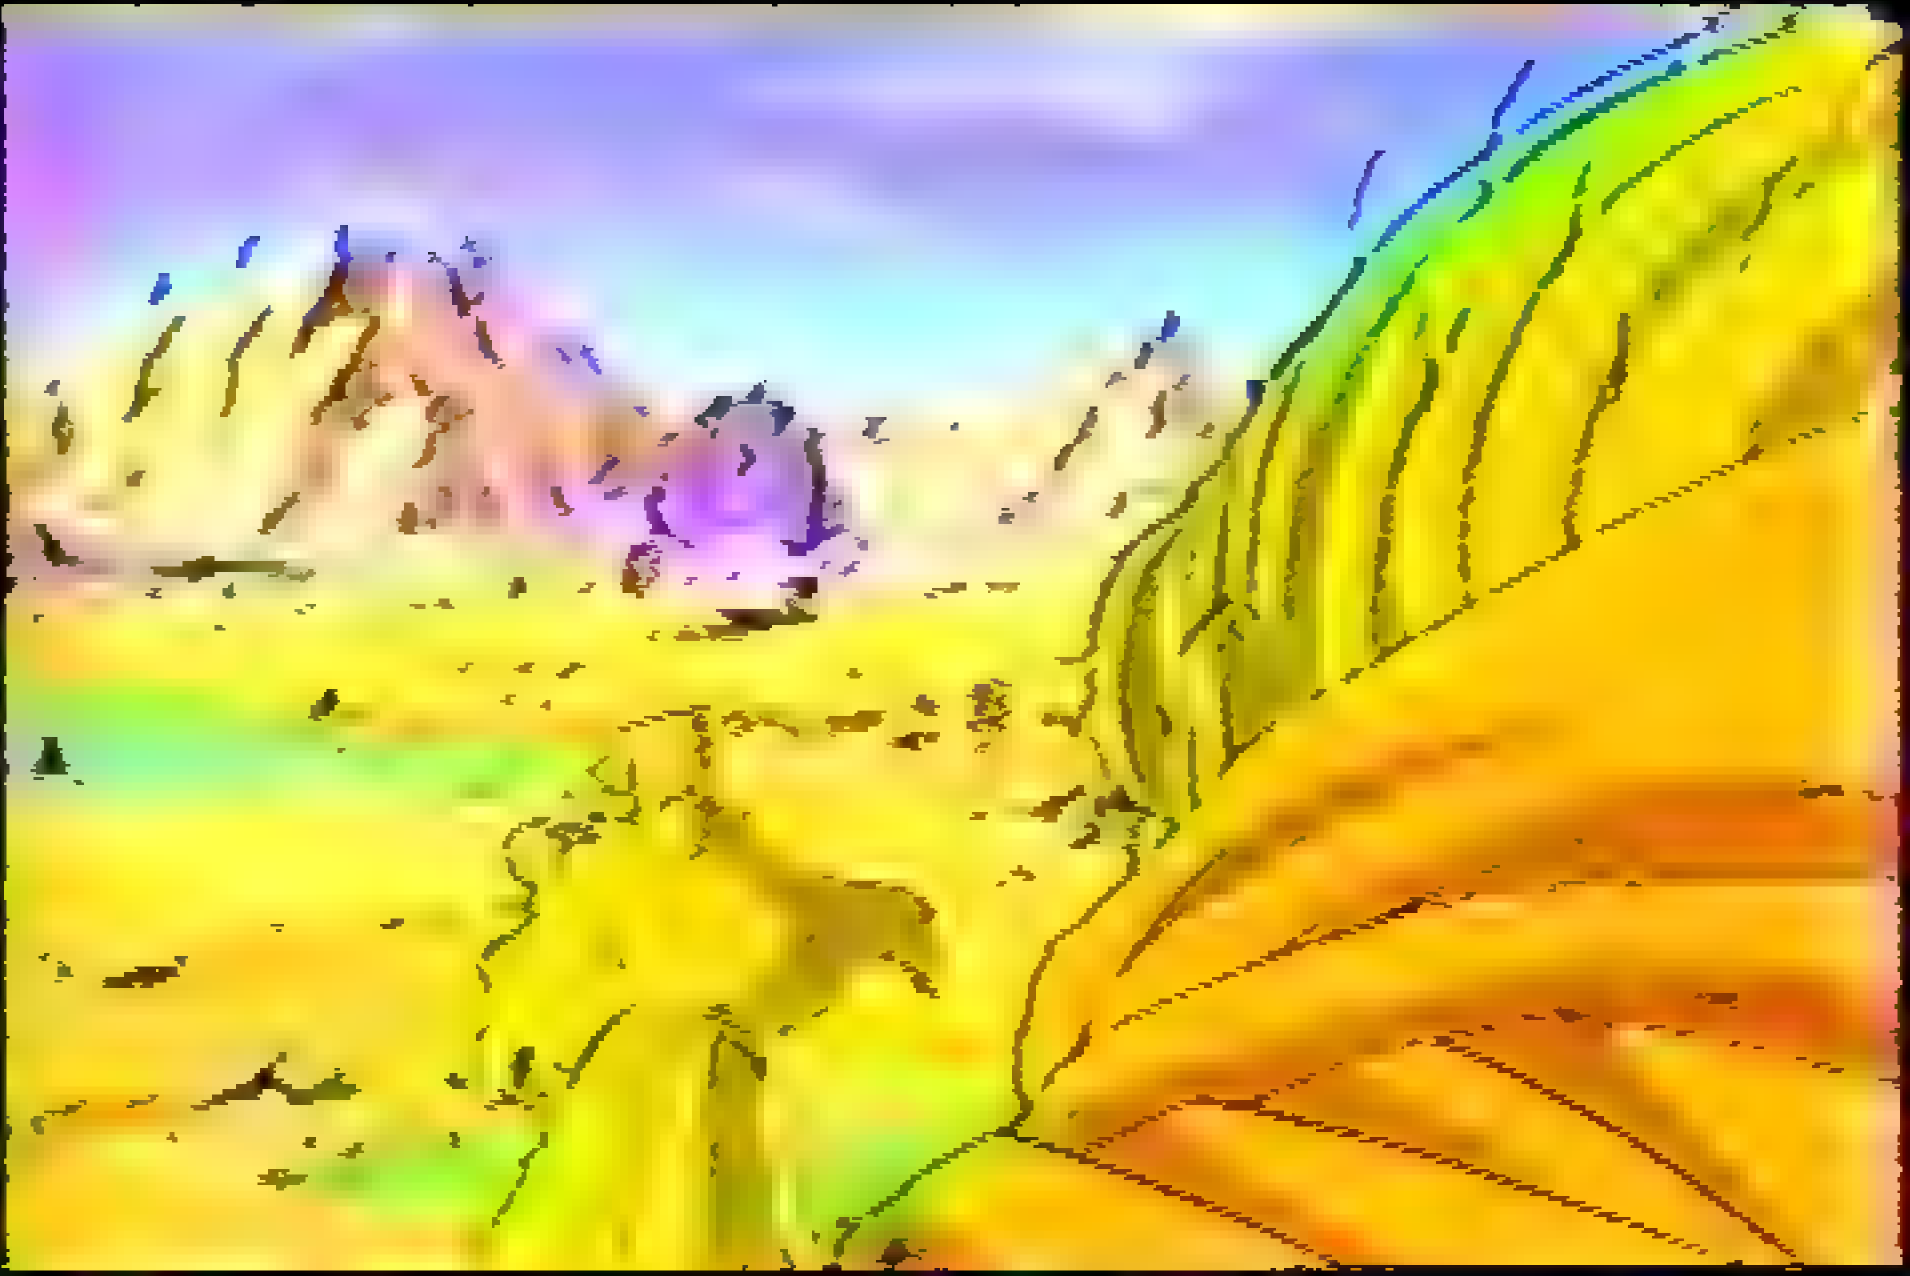

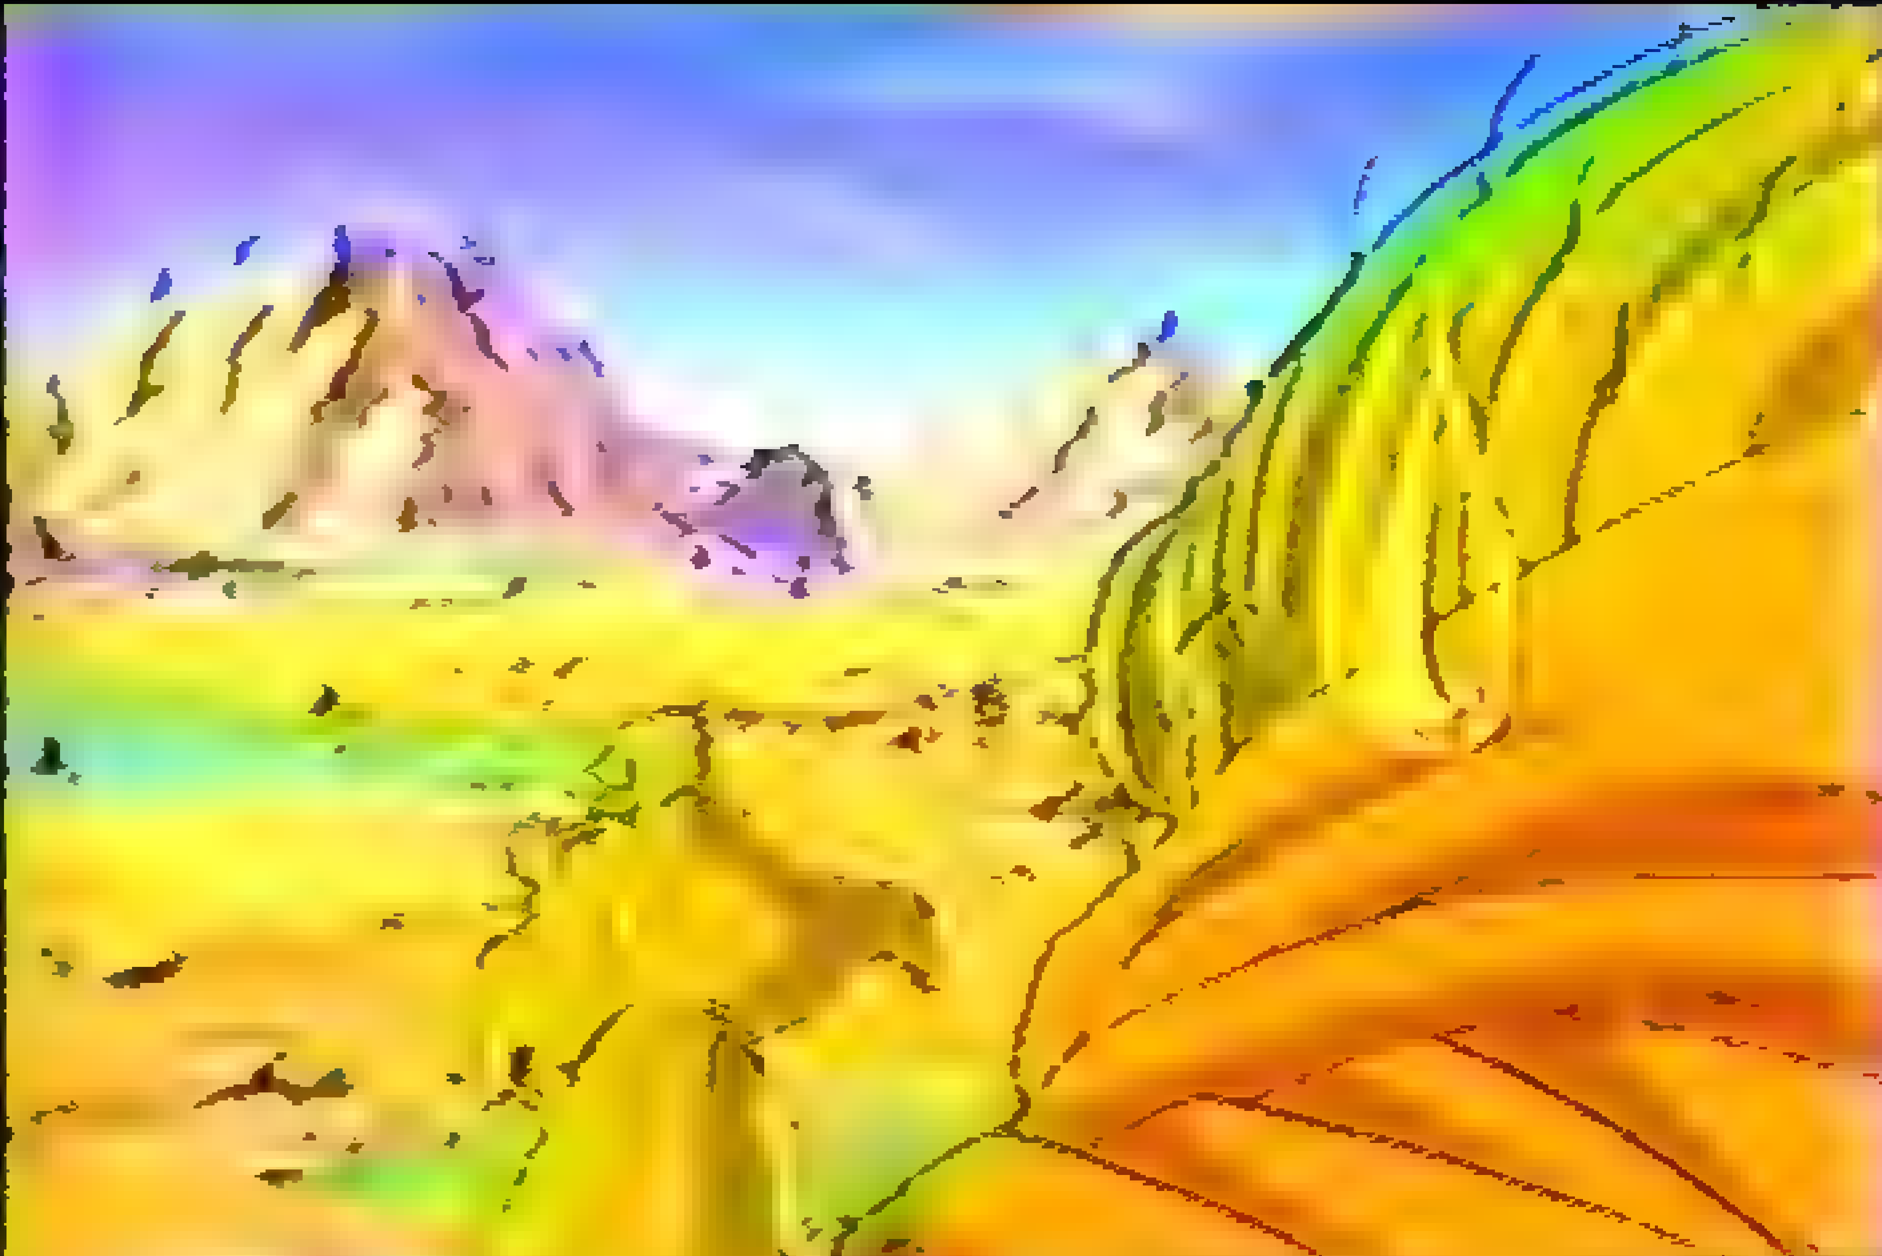

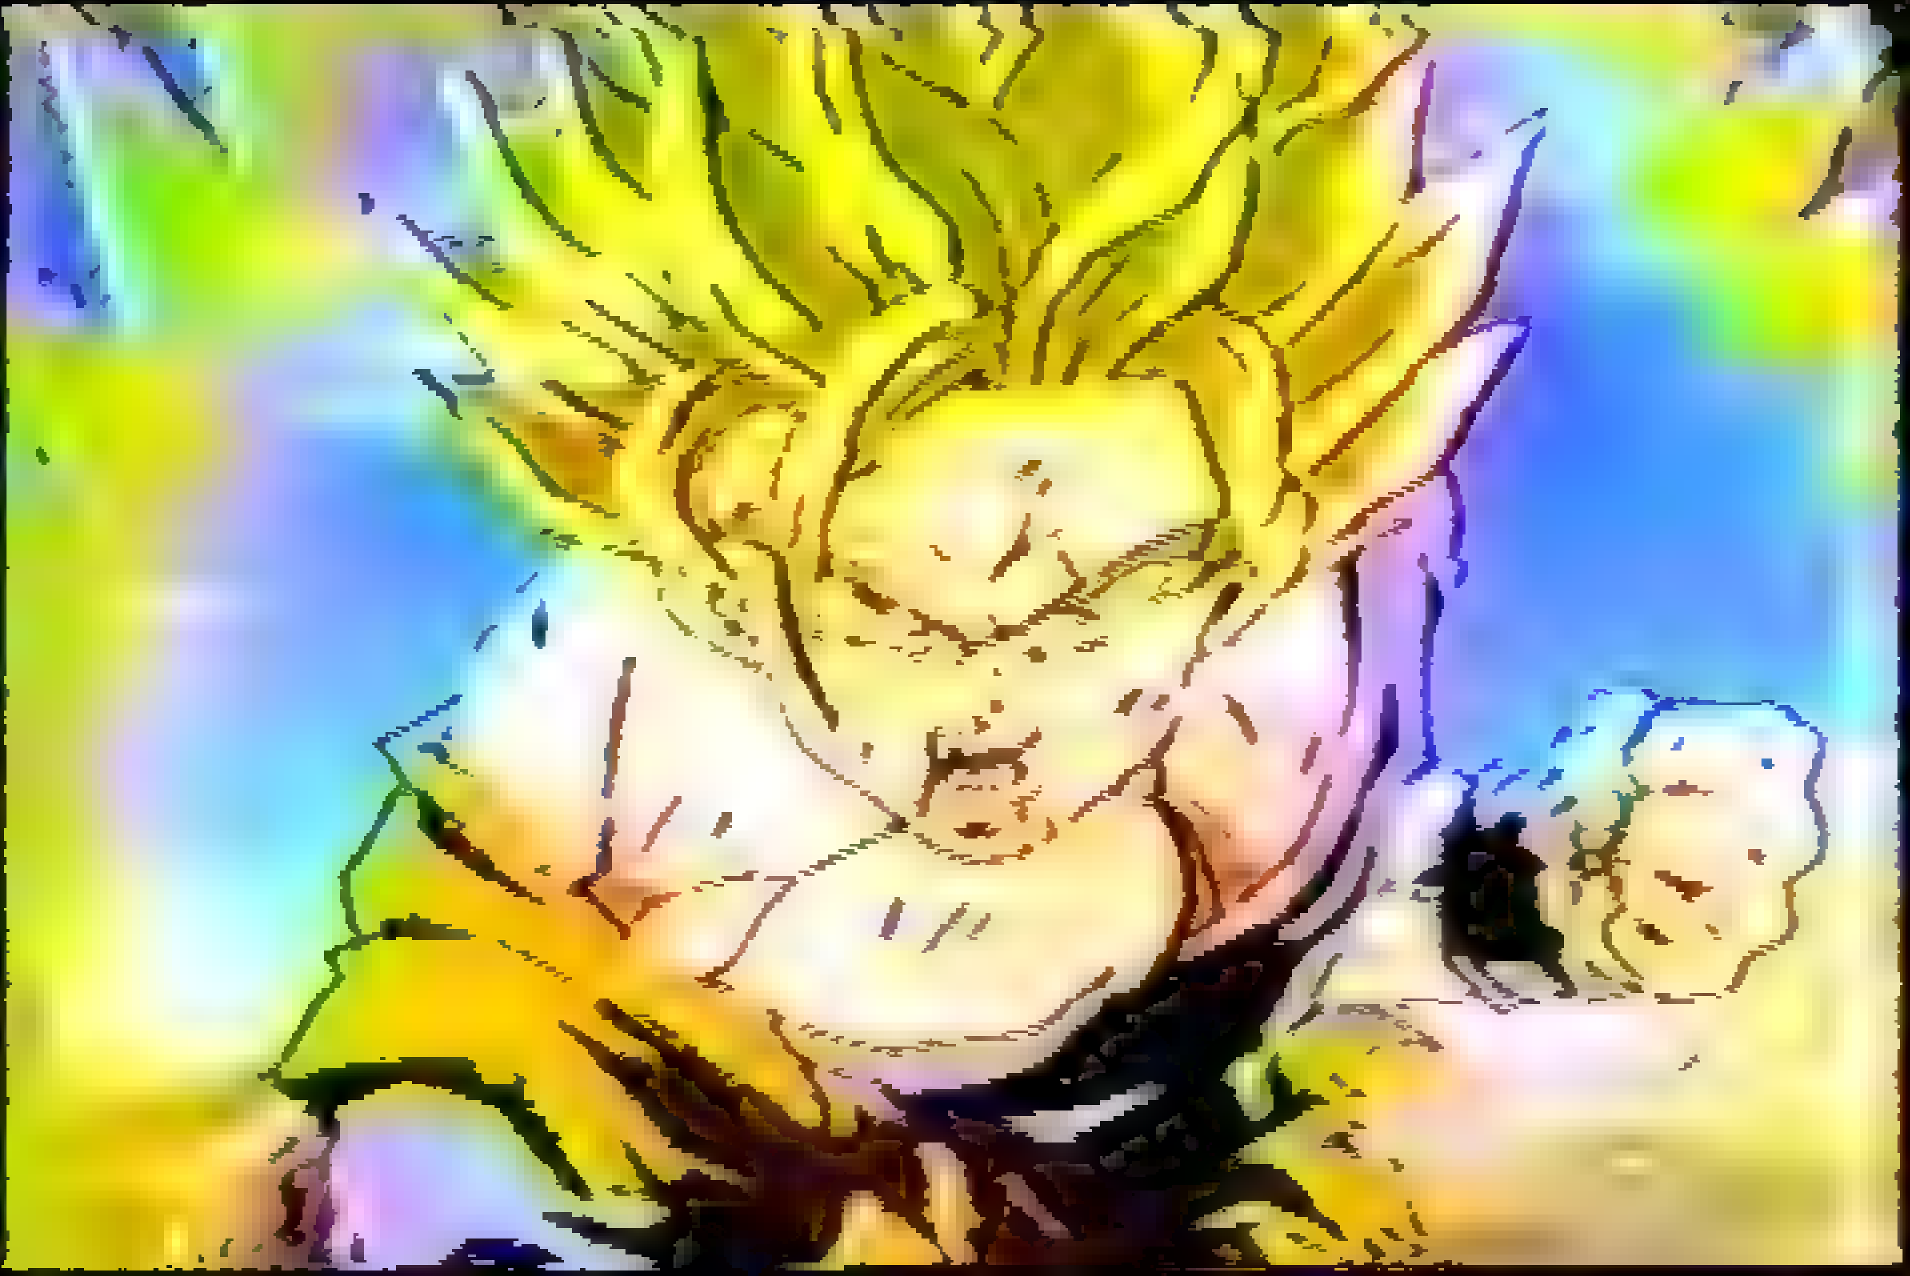

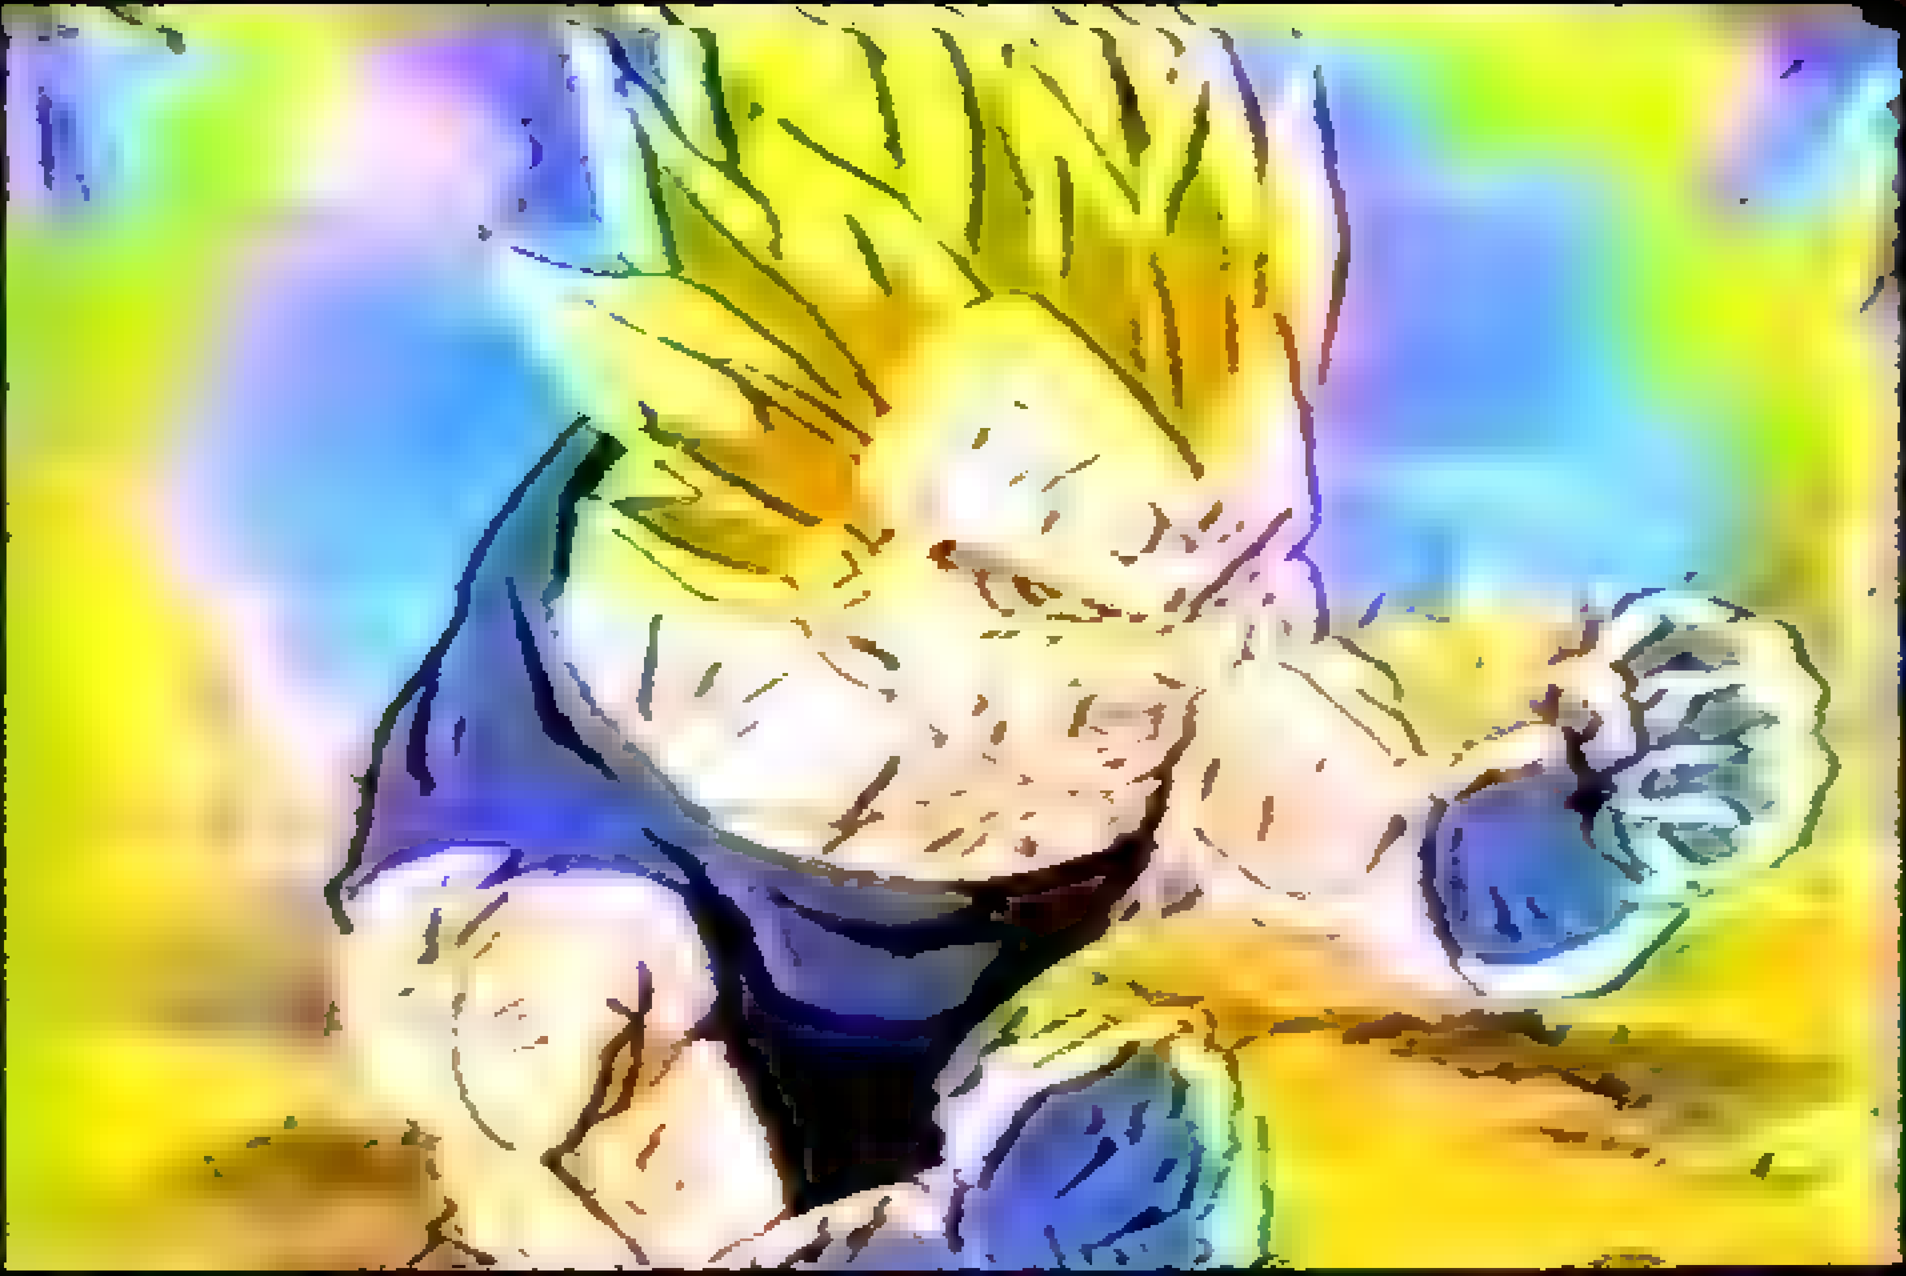

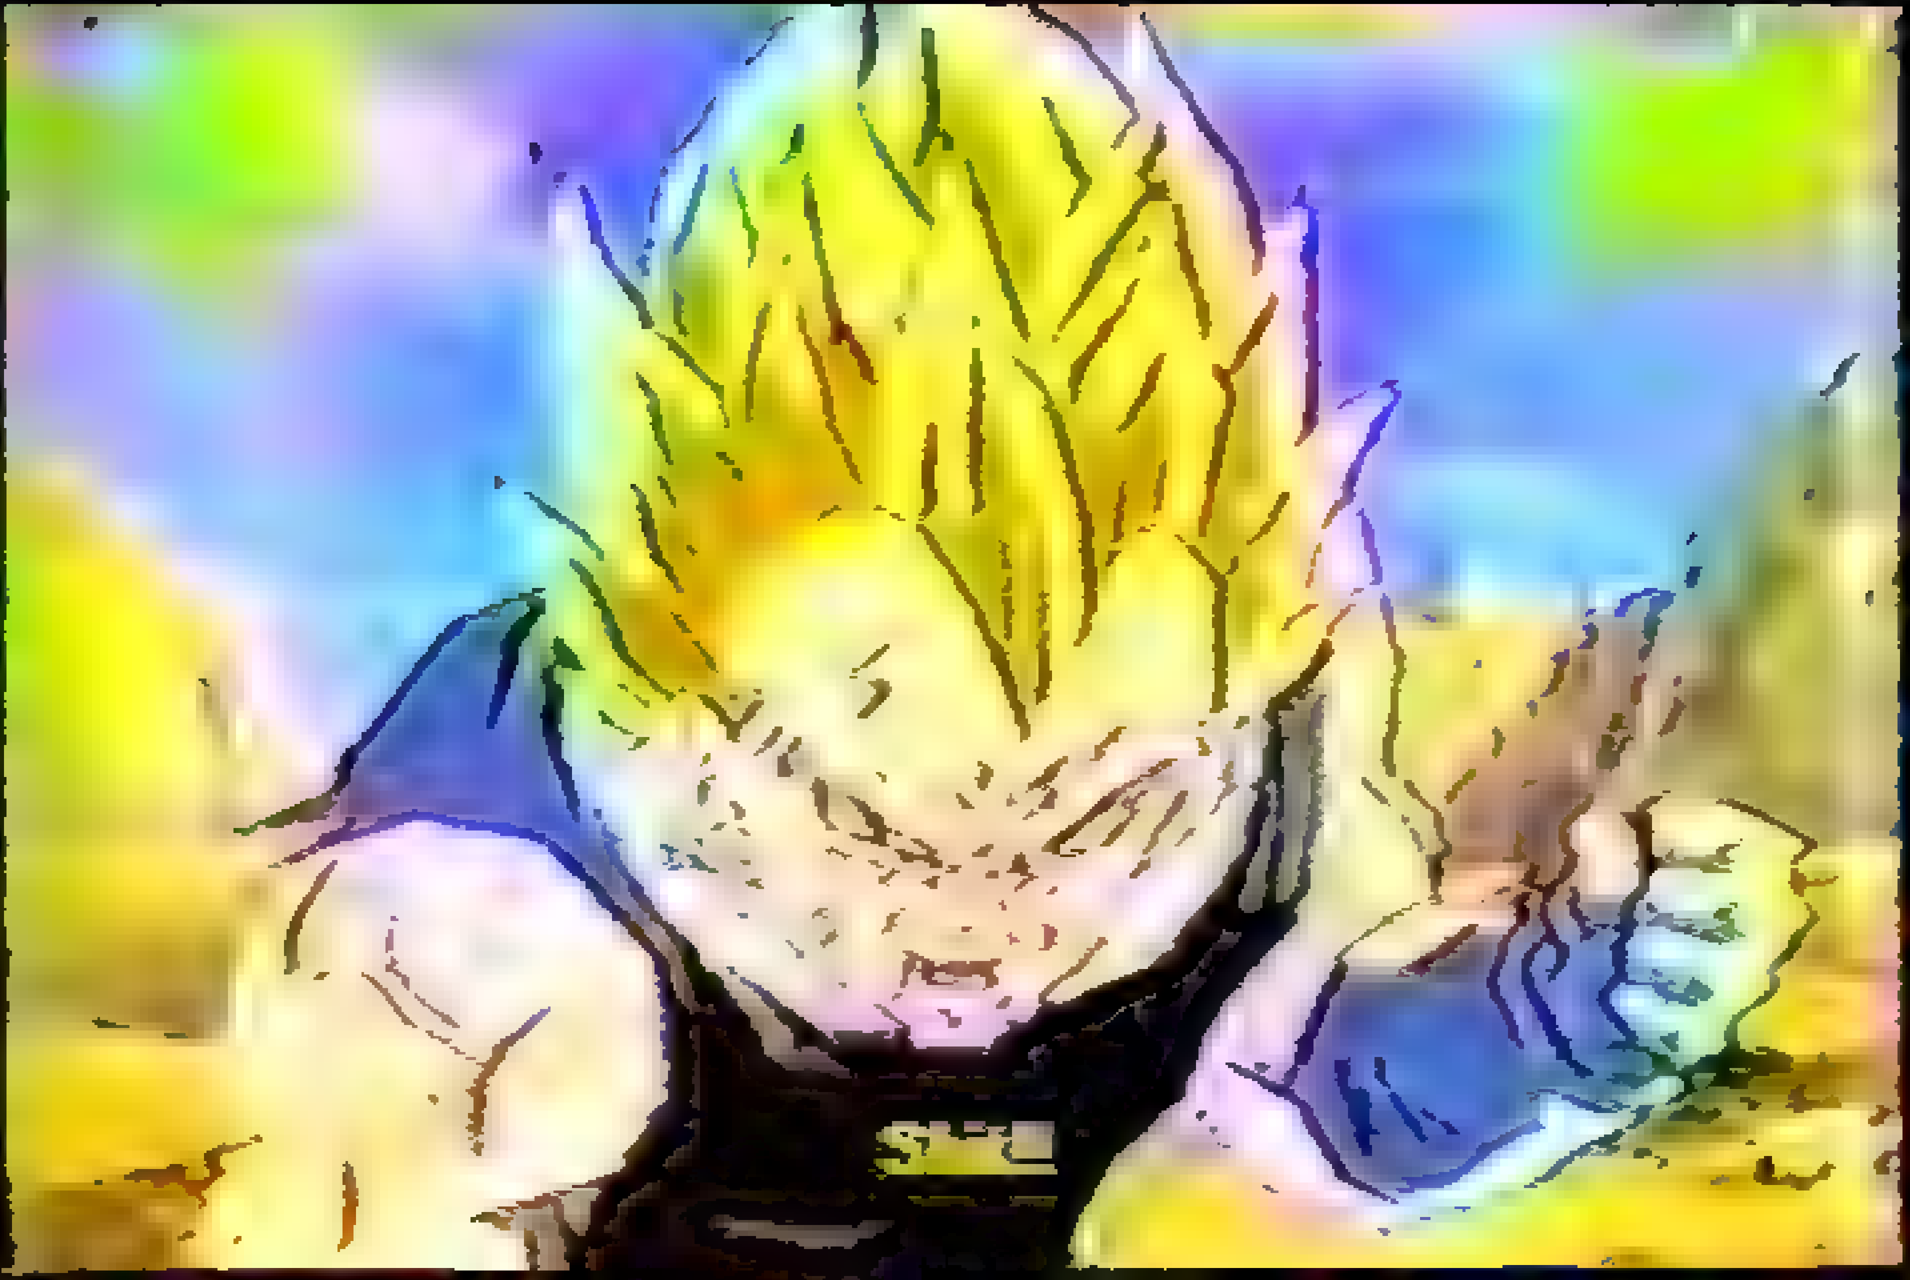

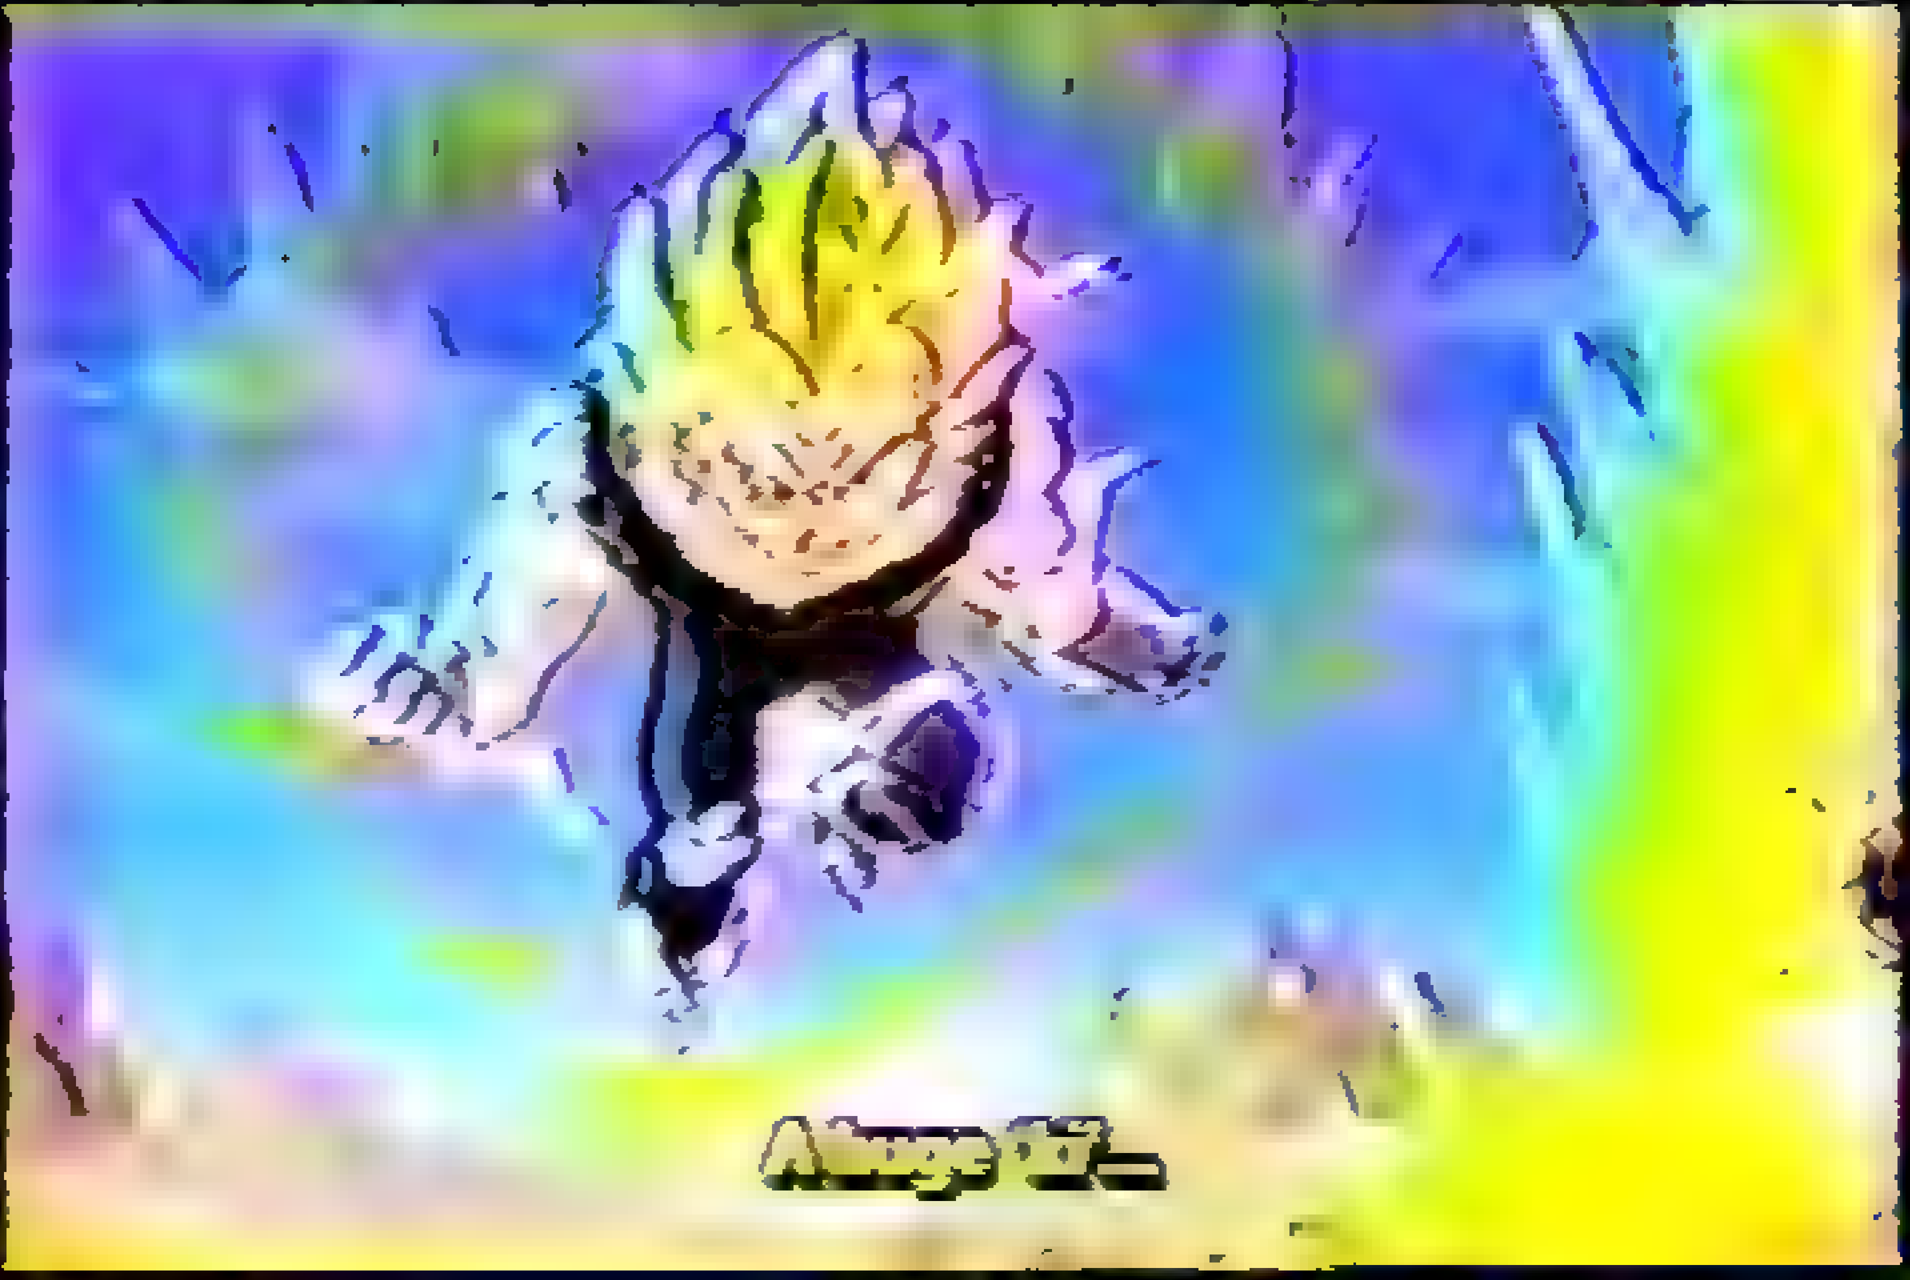

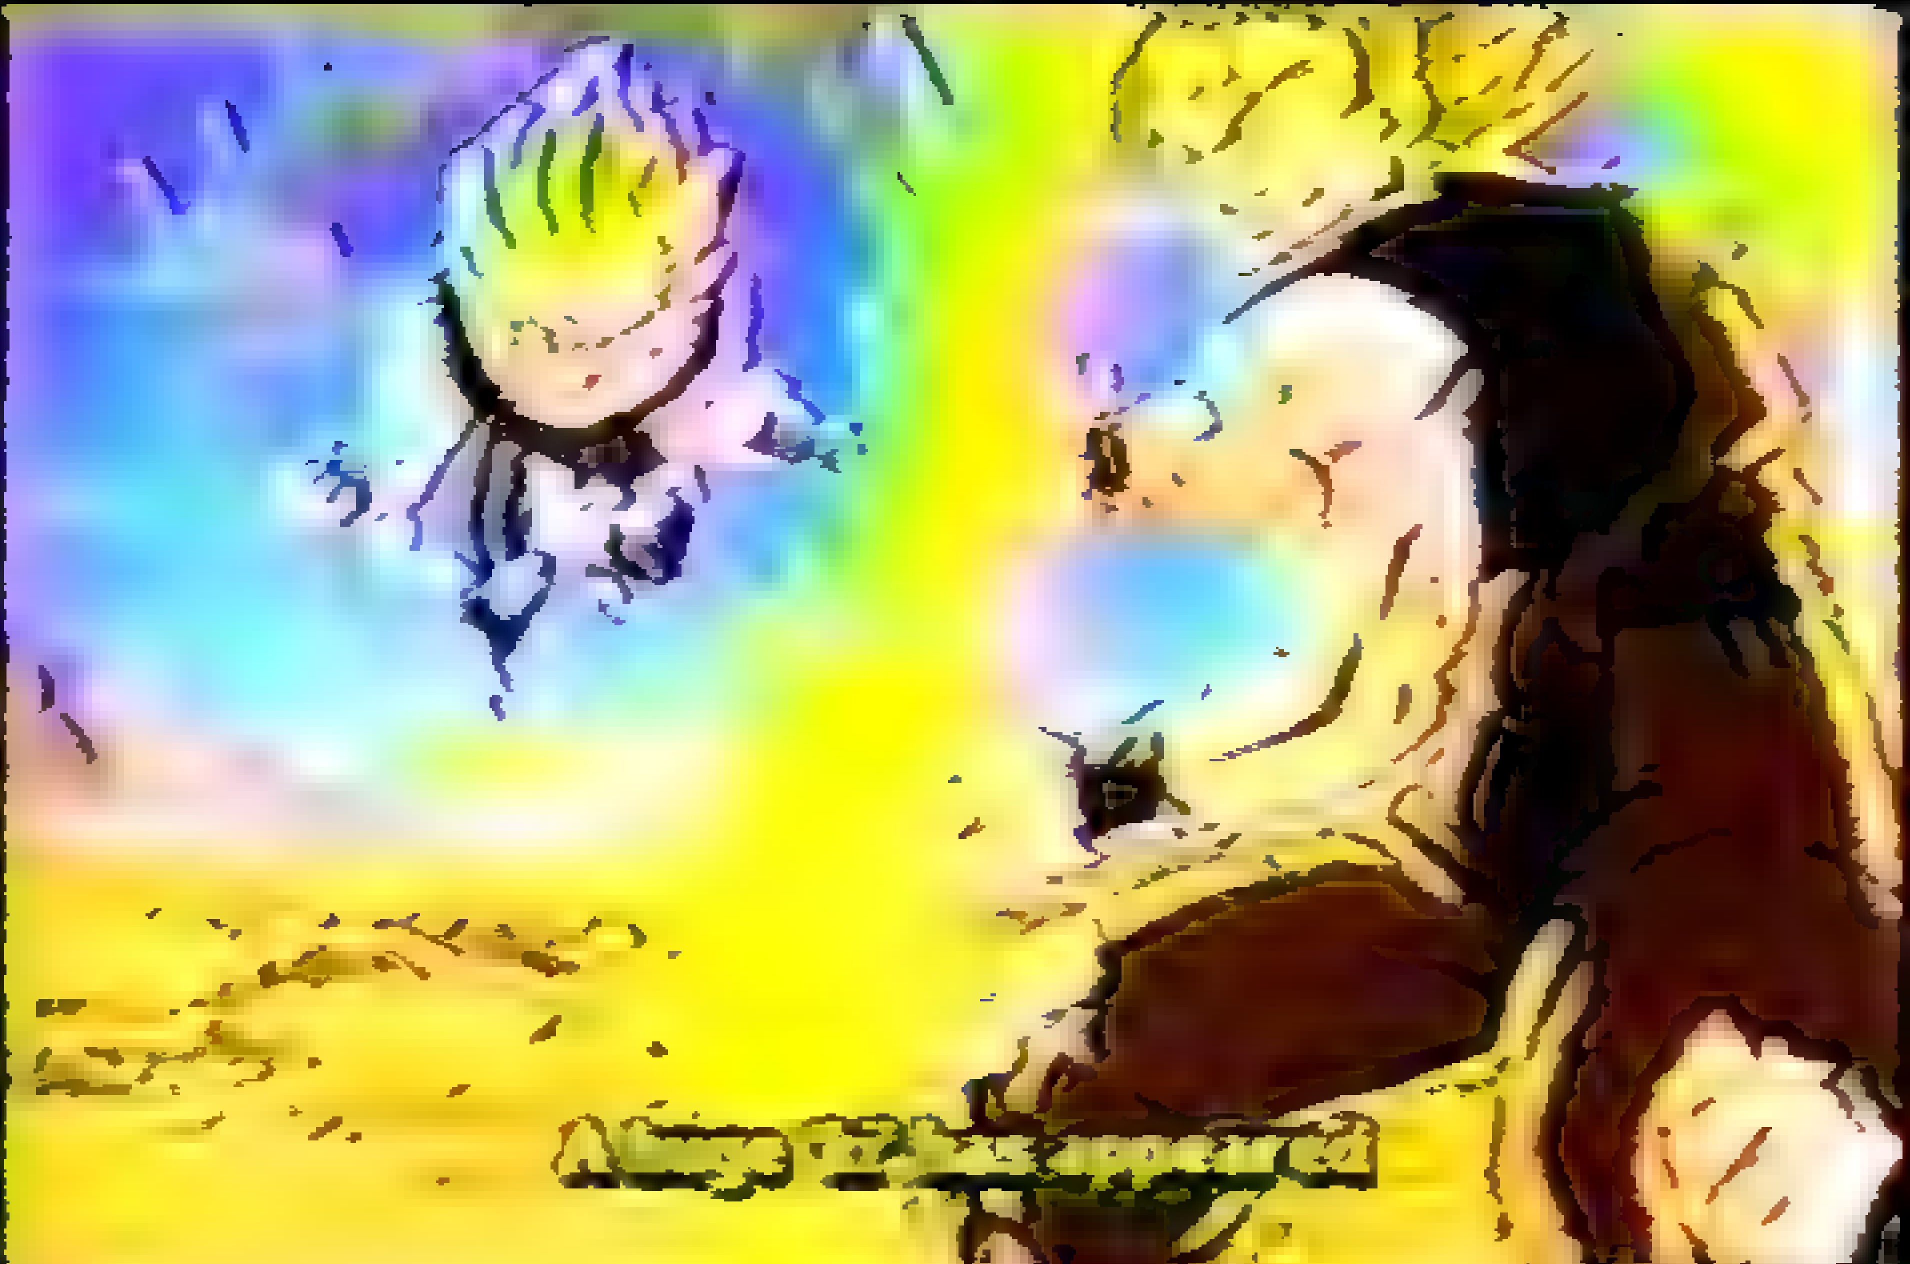

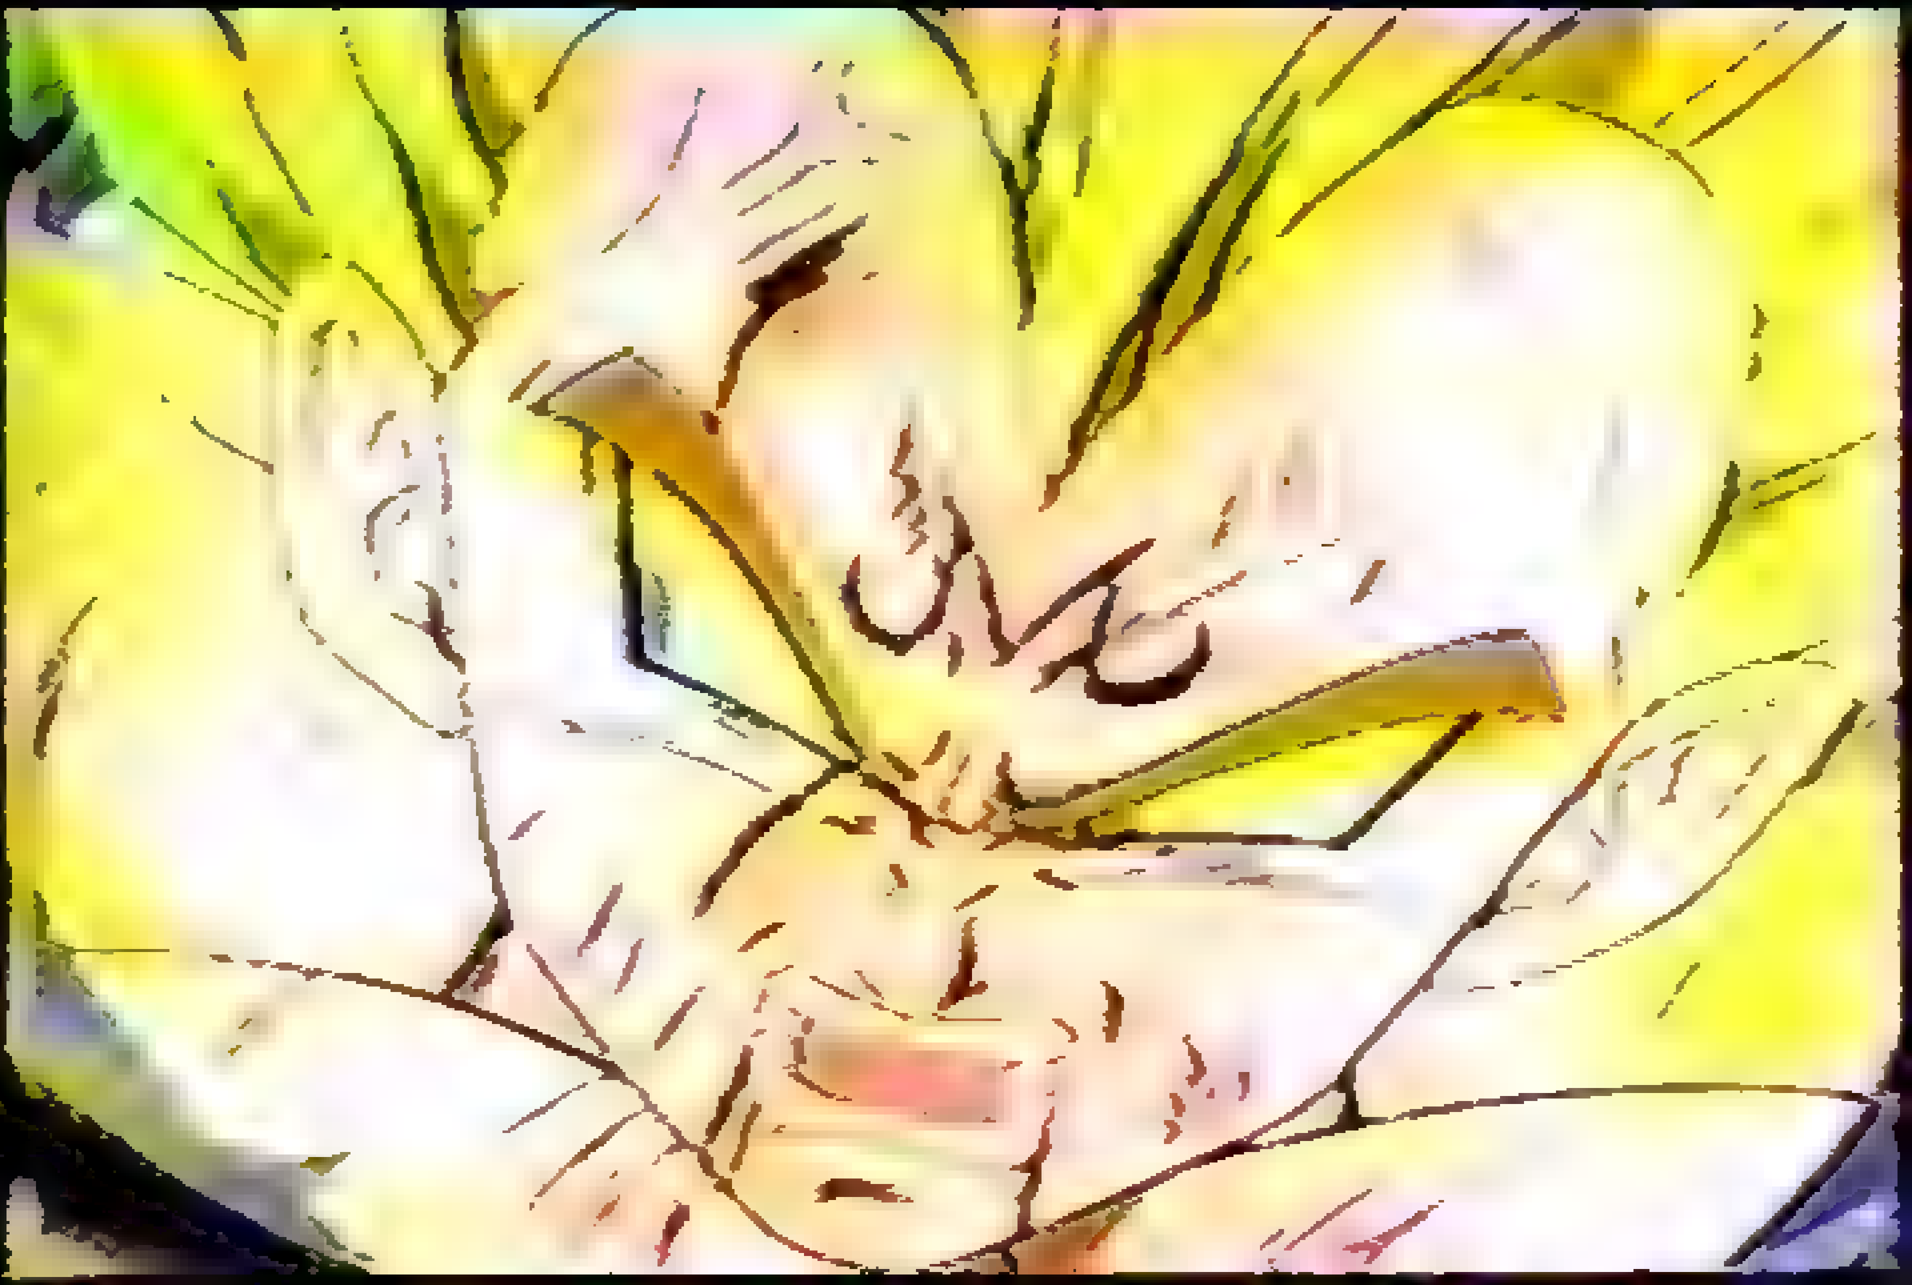

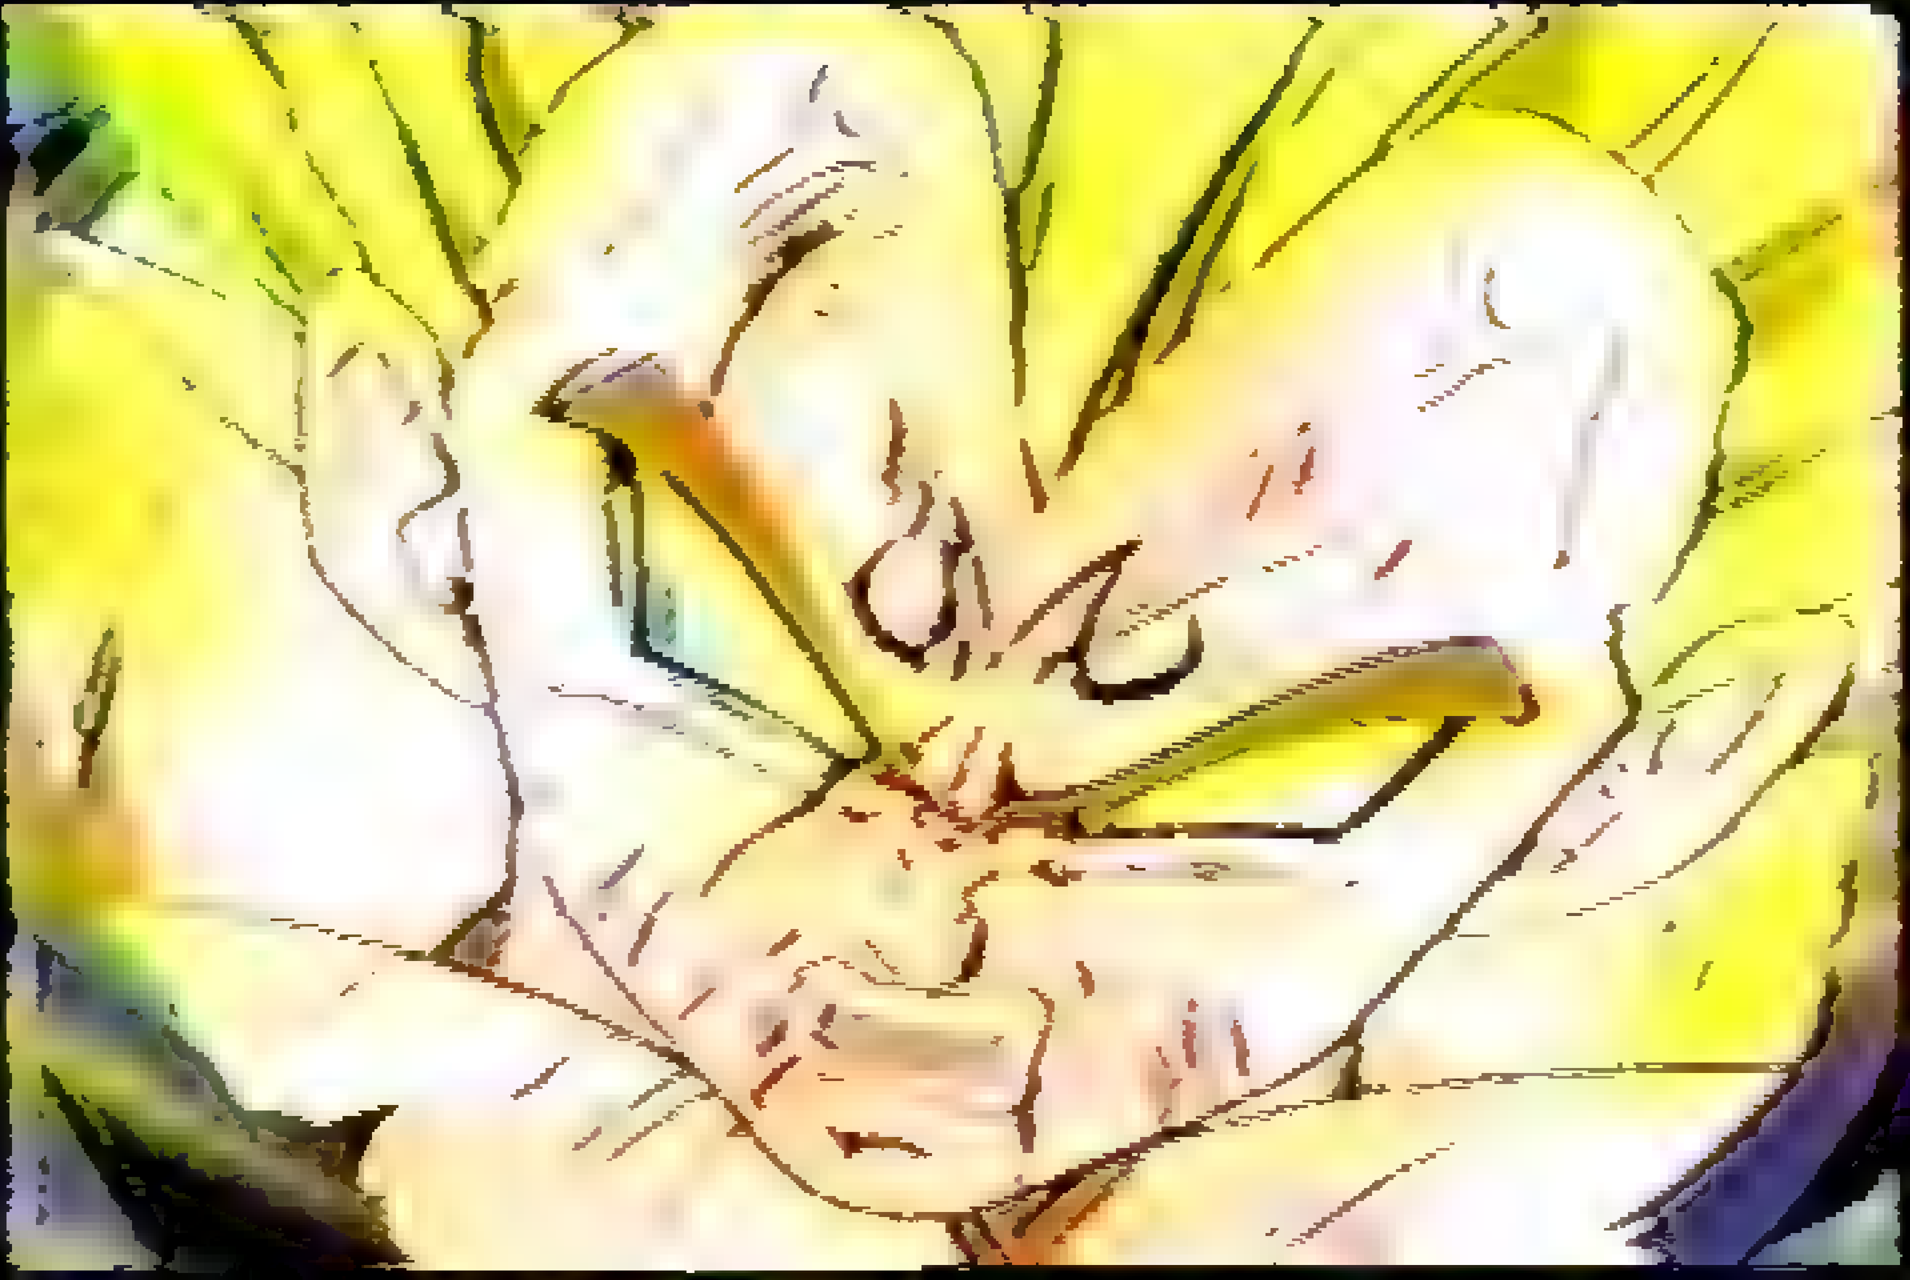

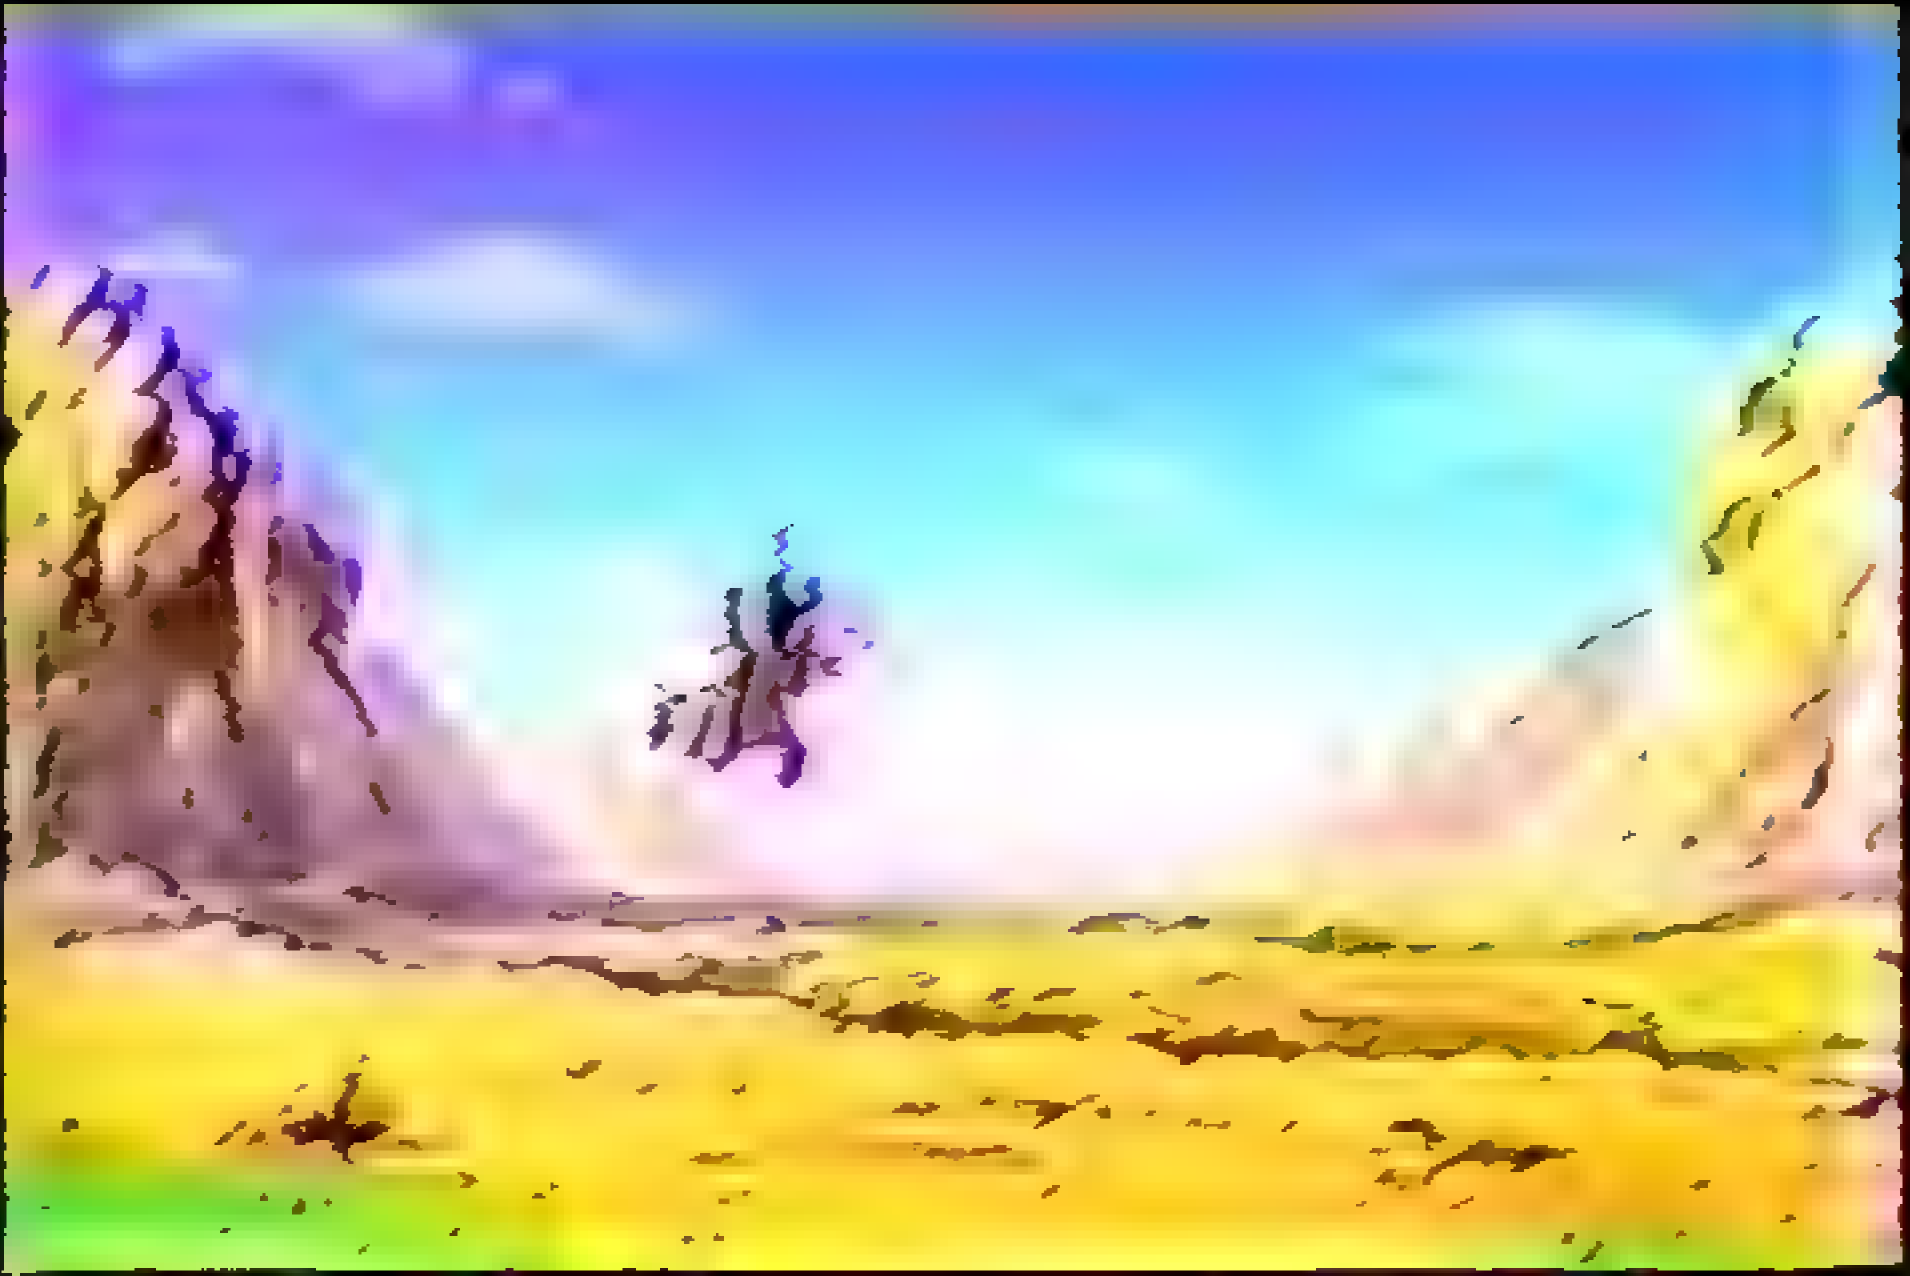

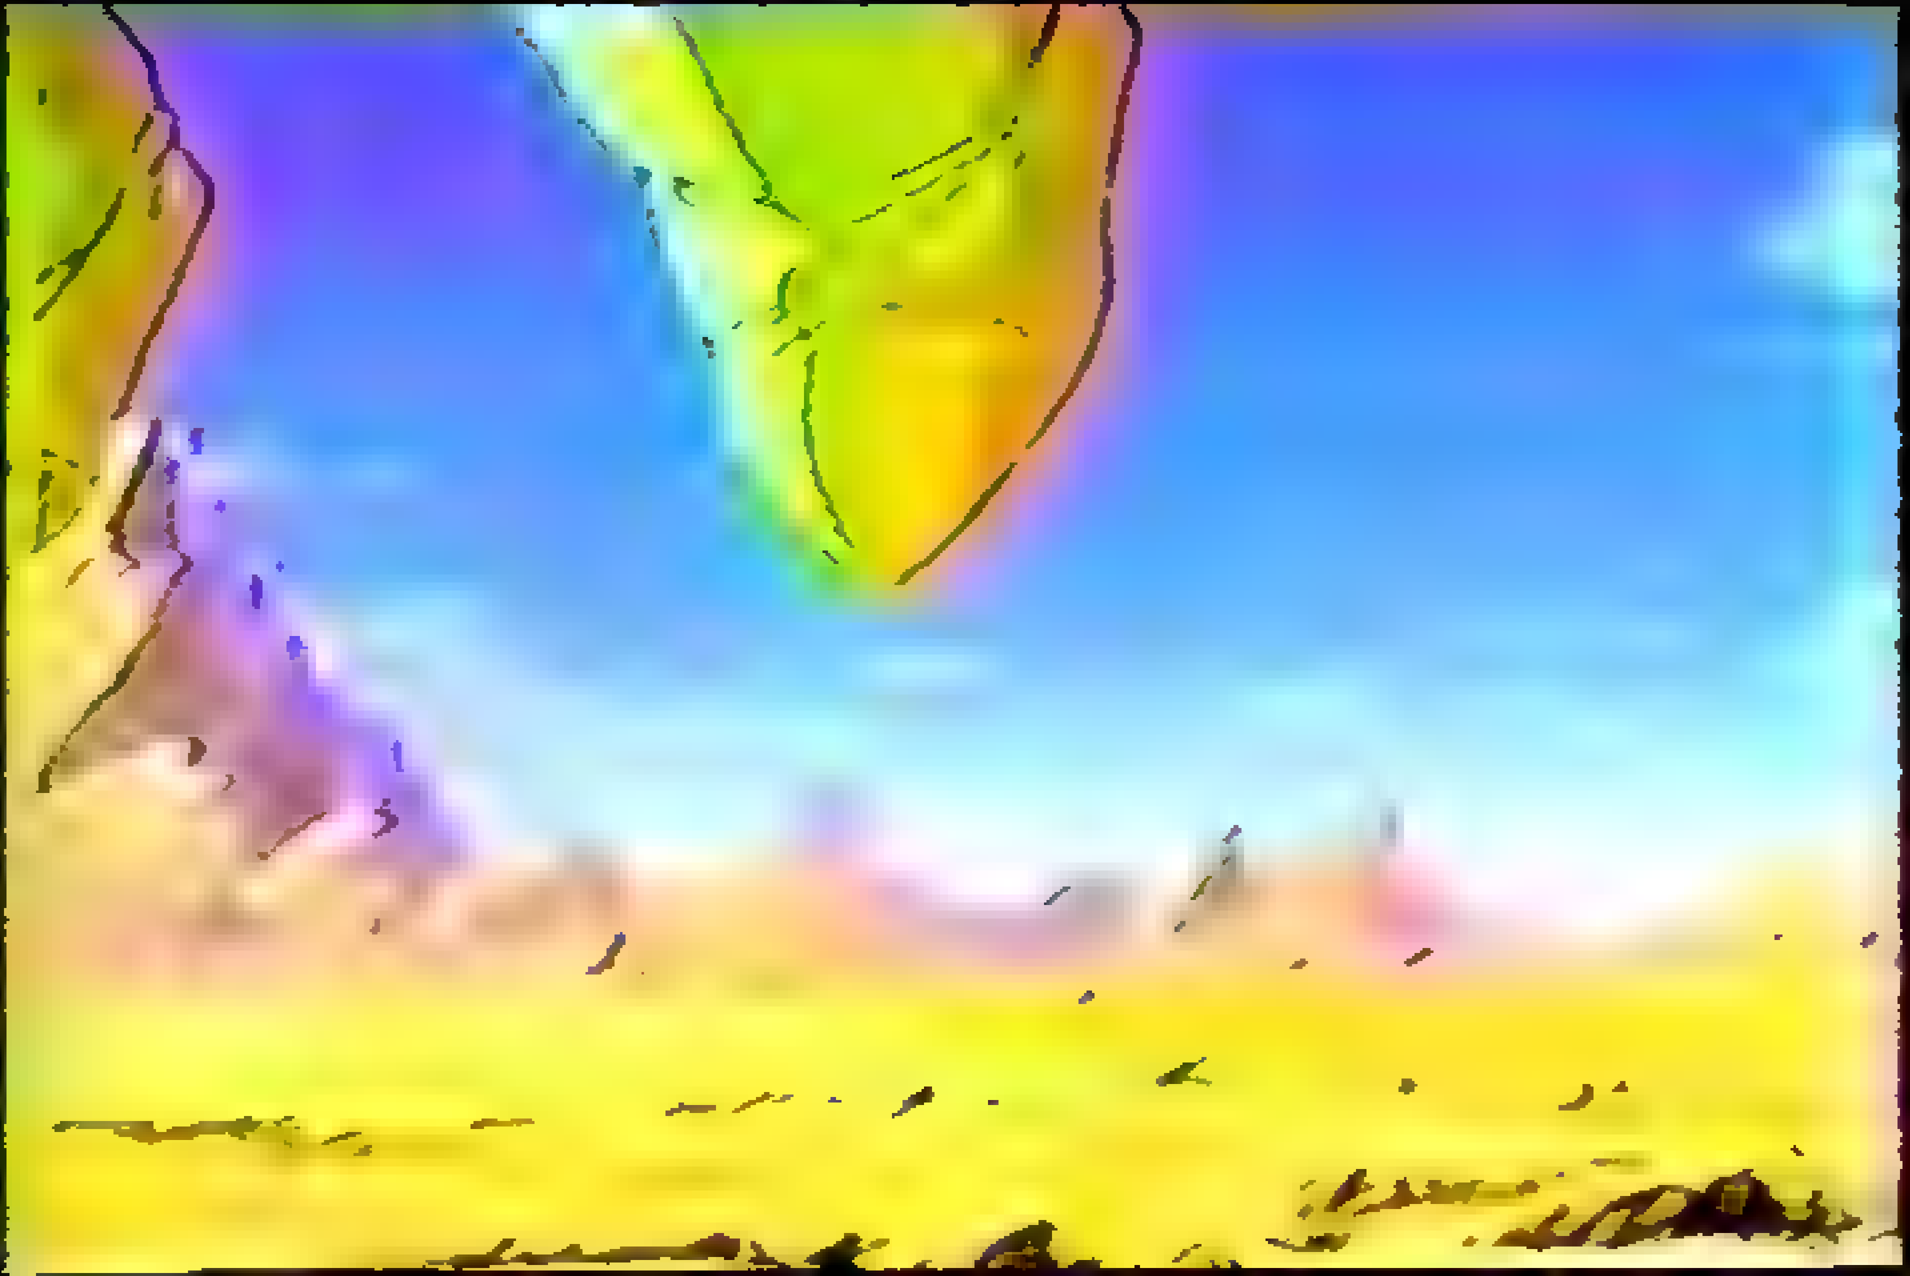

Majin Buu's already come out!

Majin Buu's already come out!

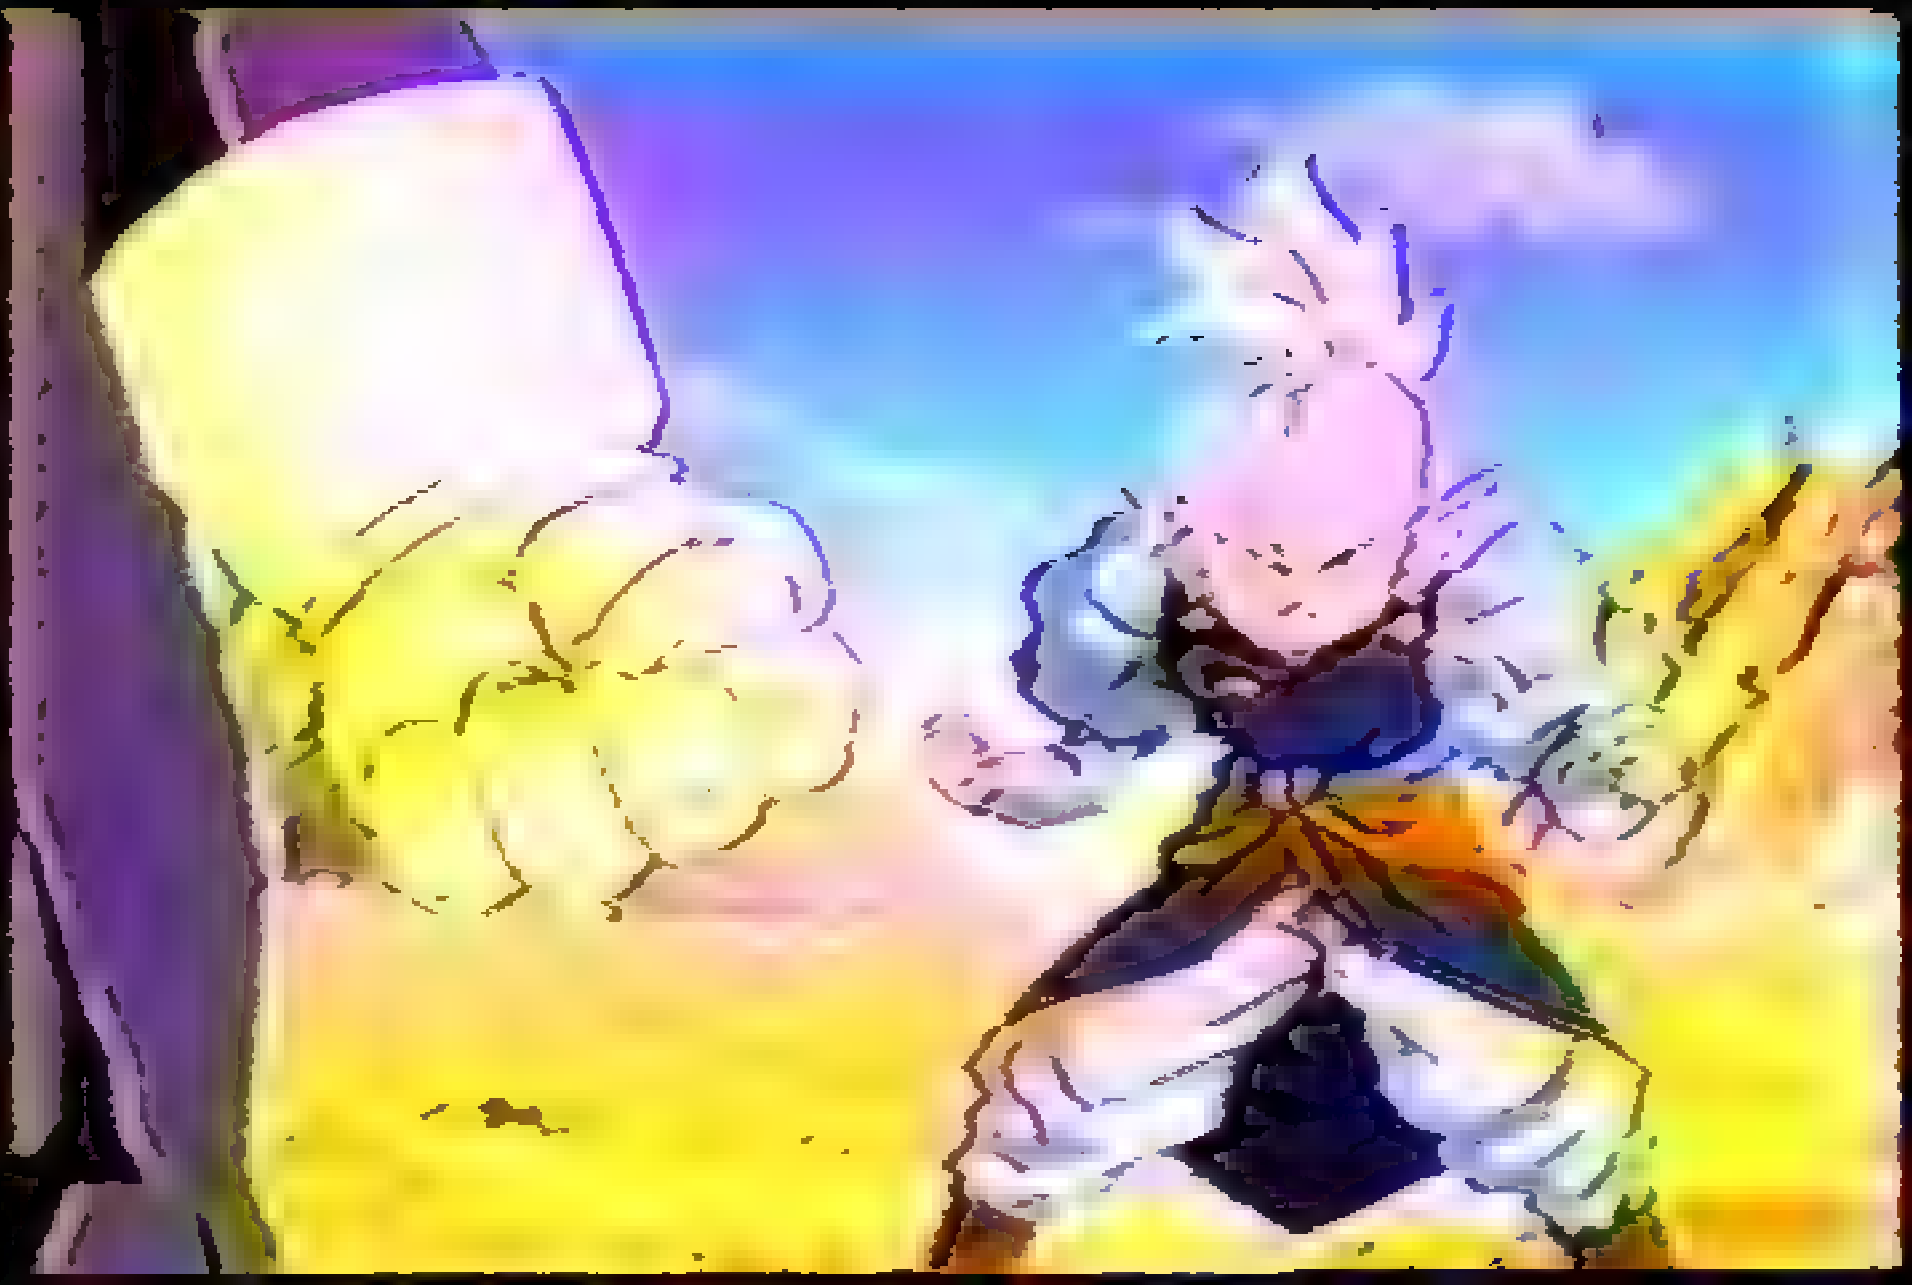

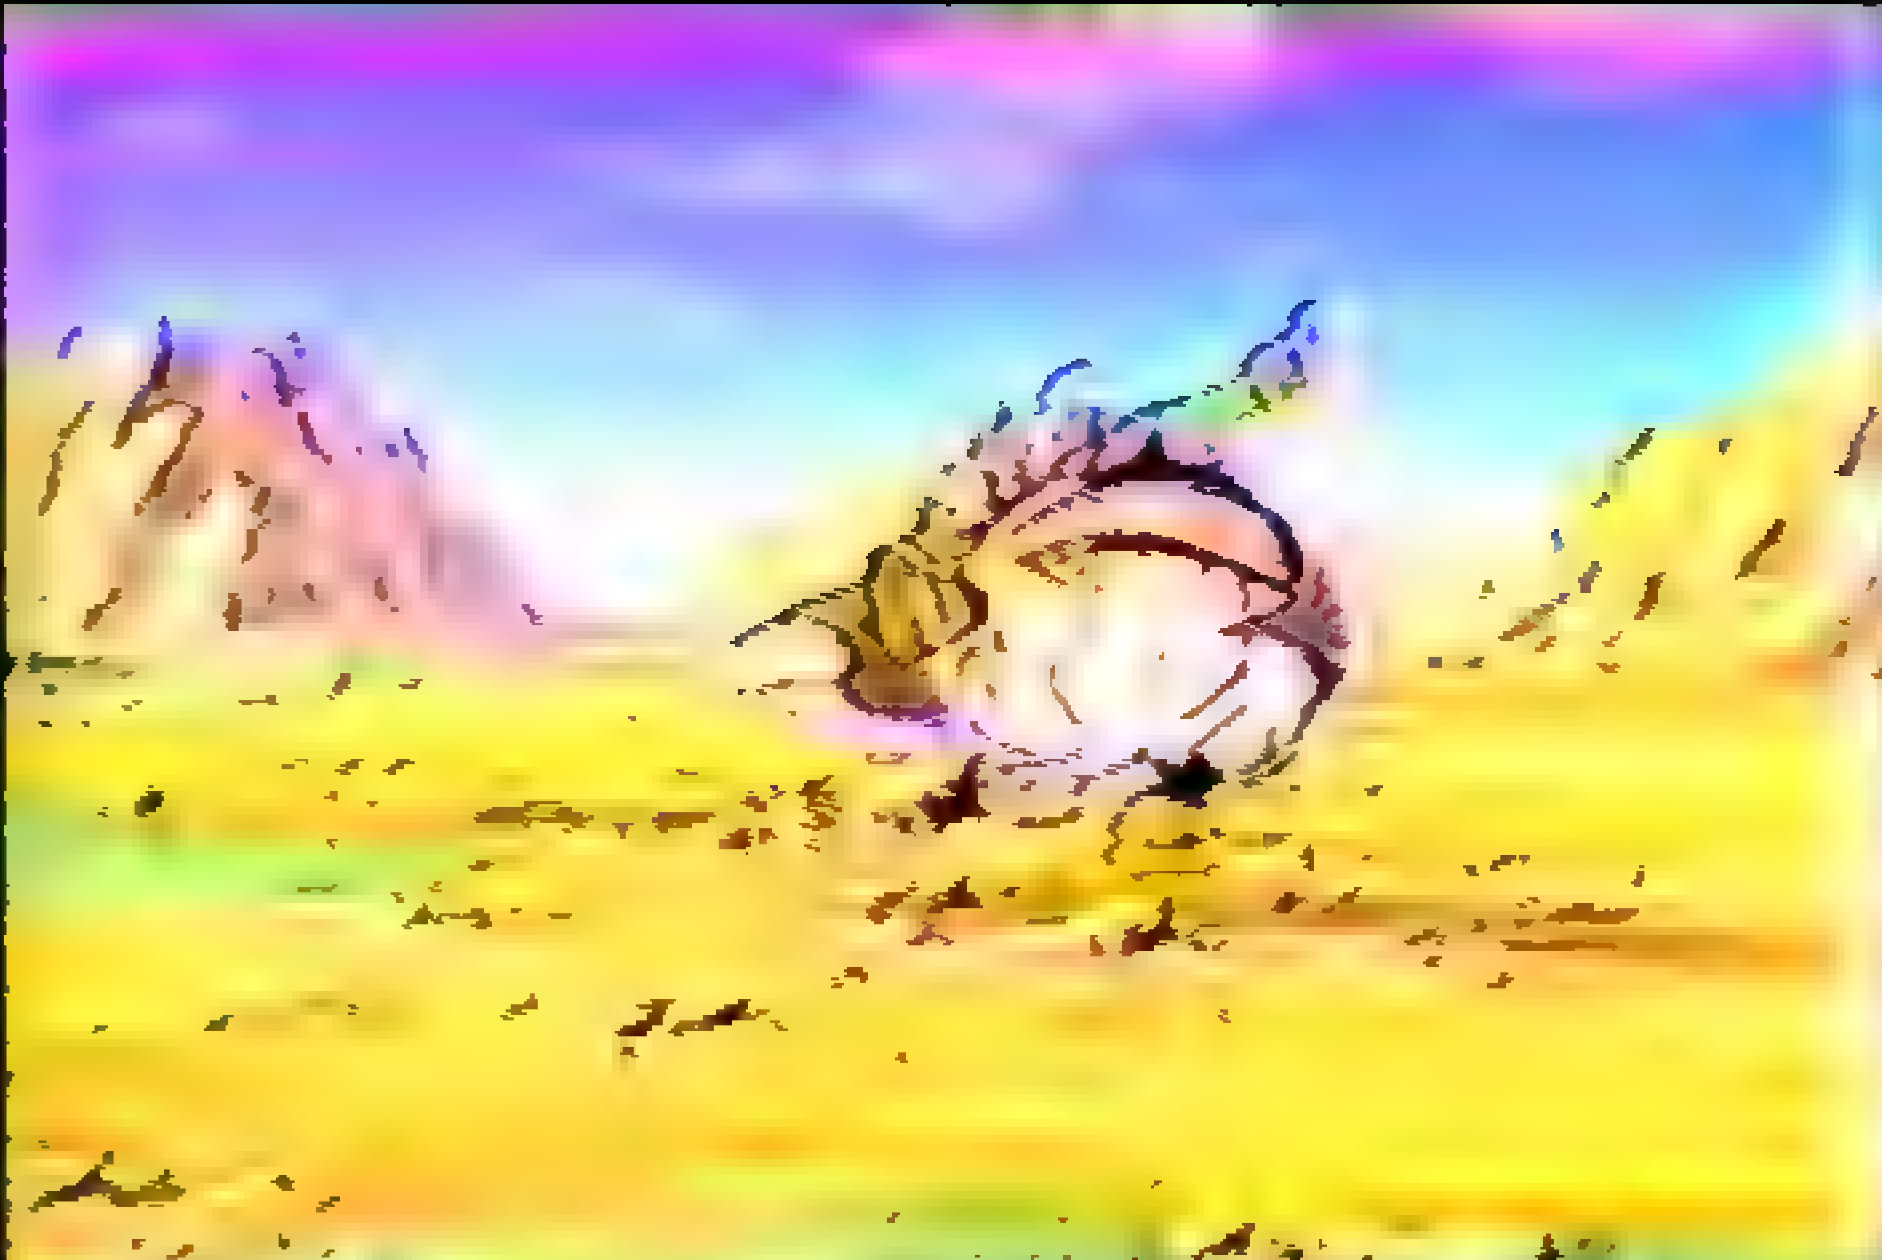

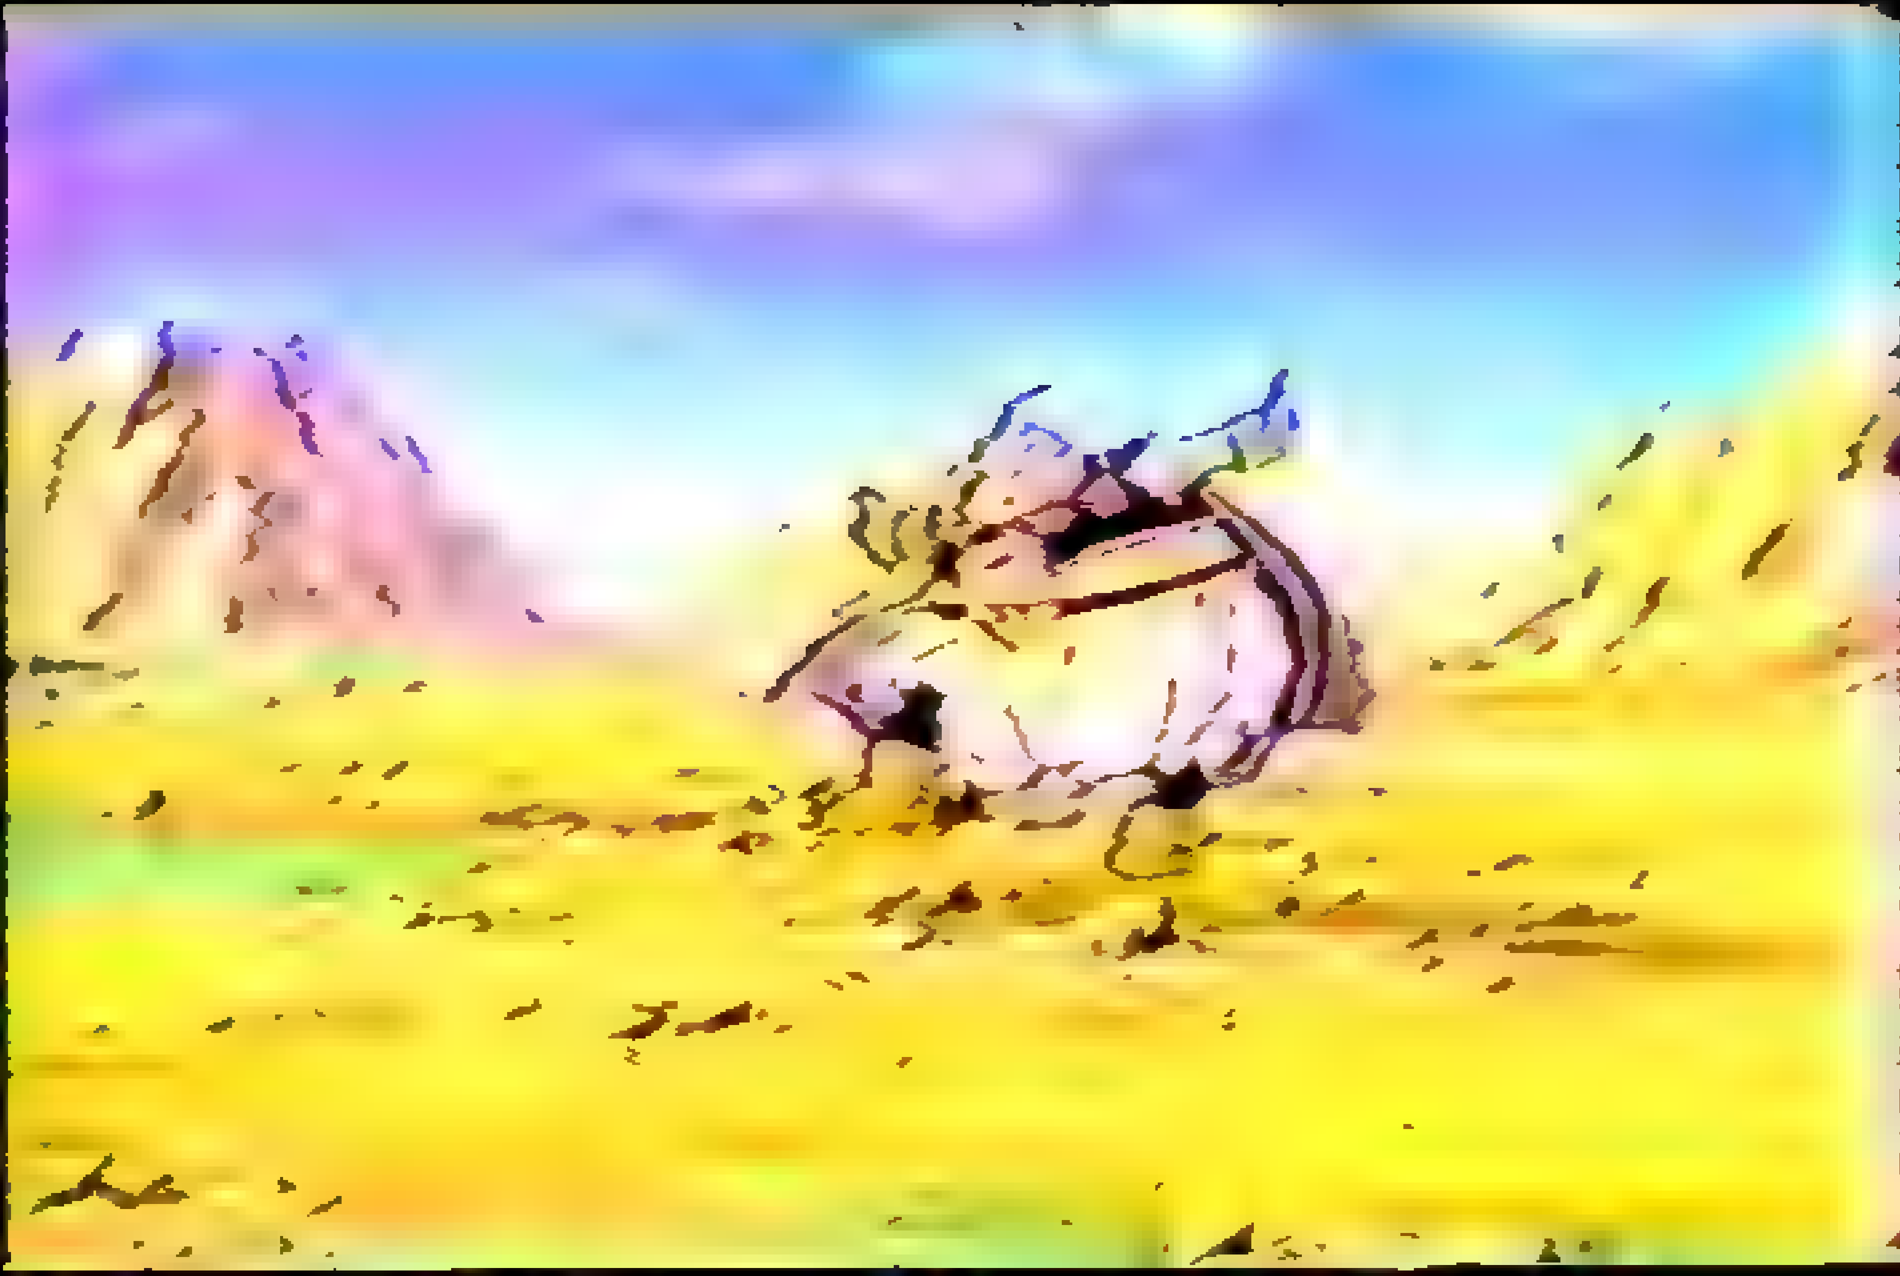

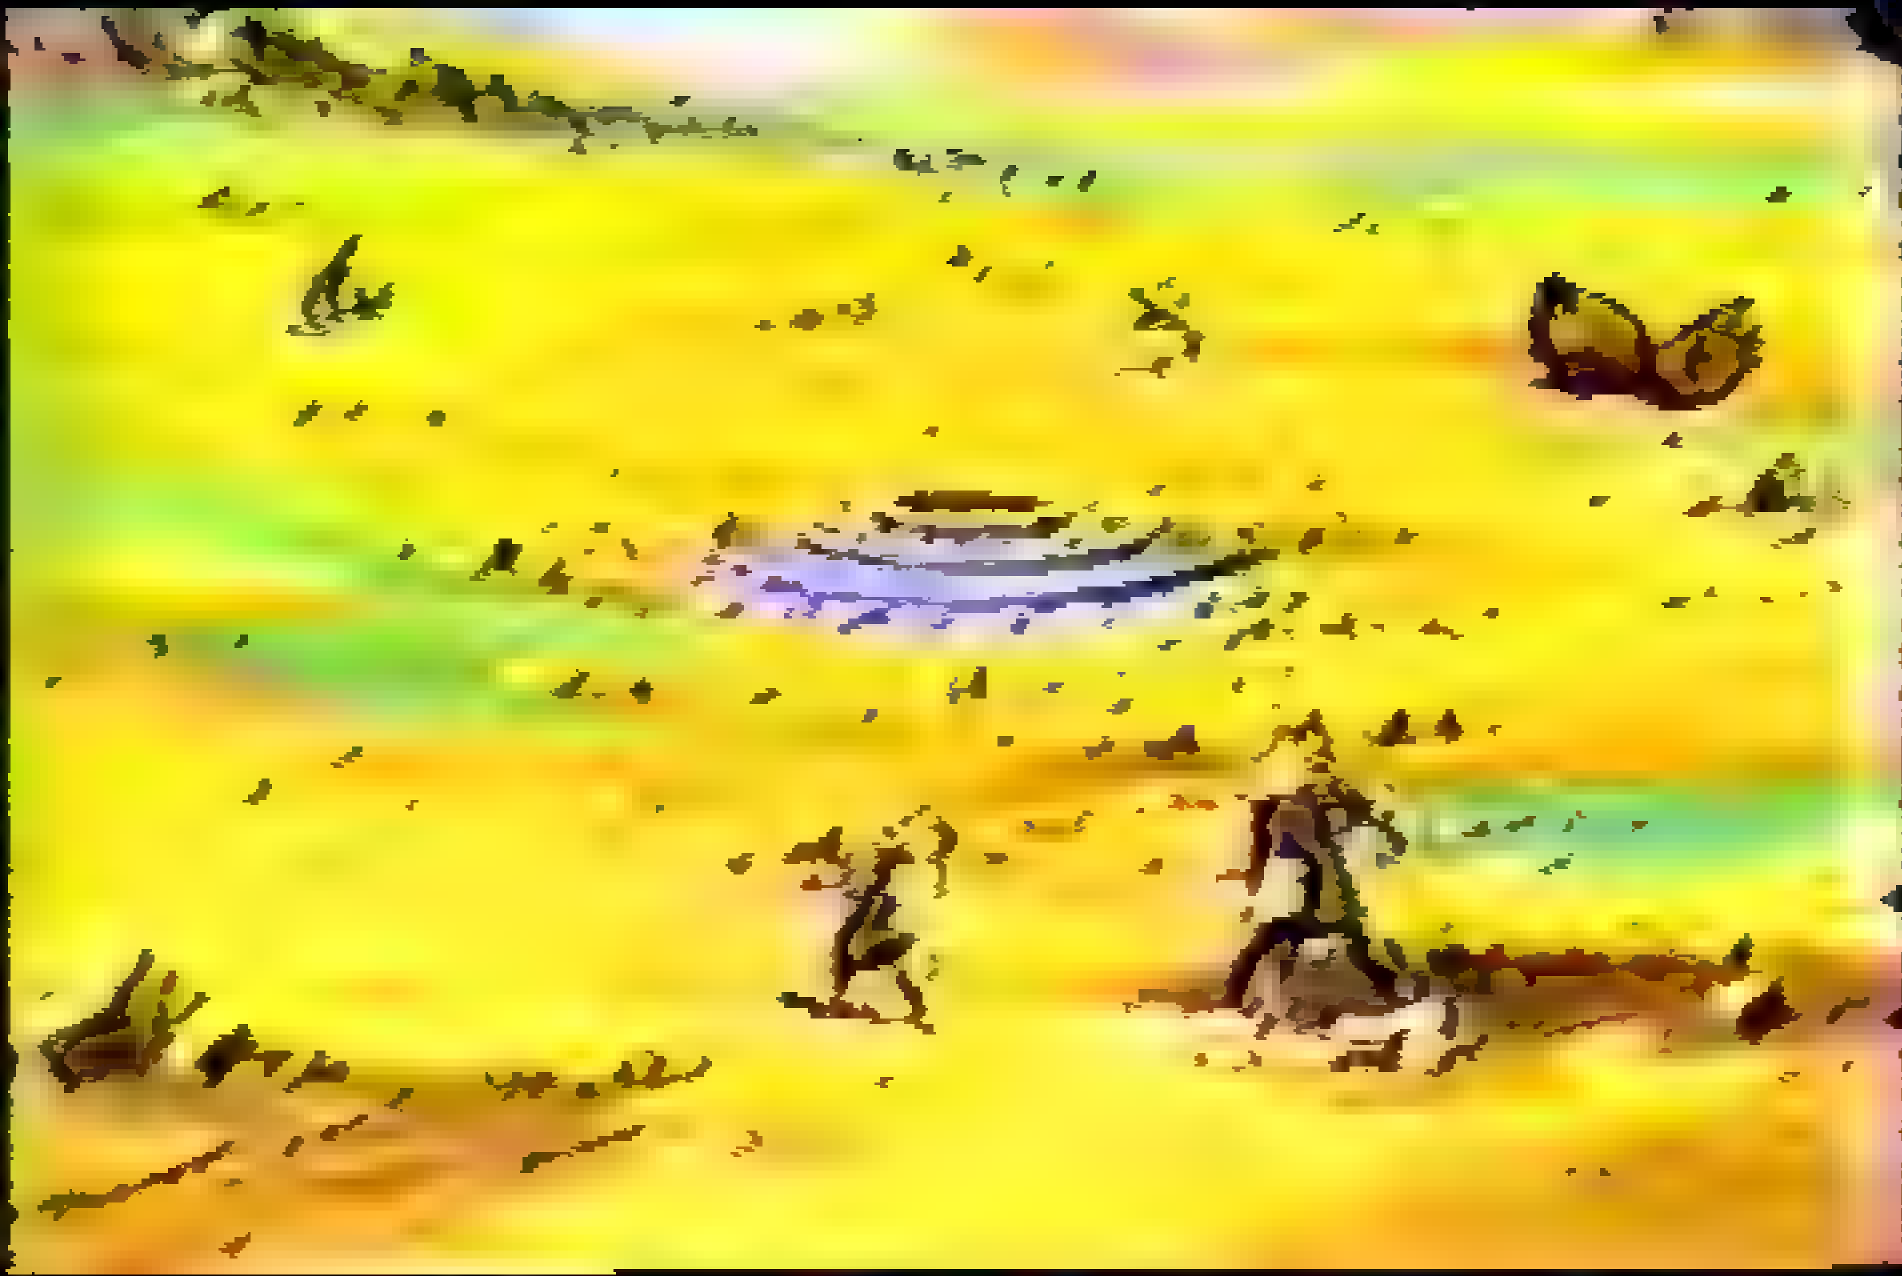

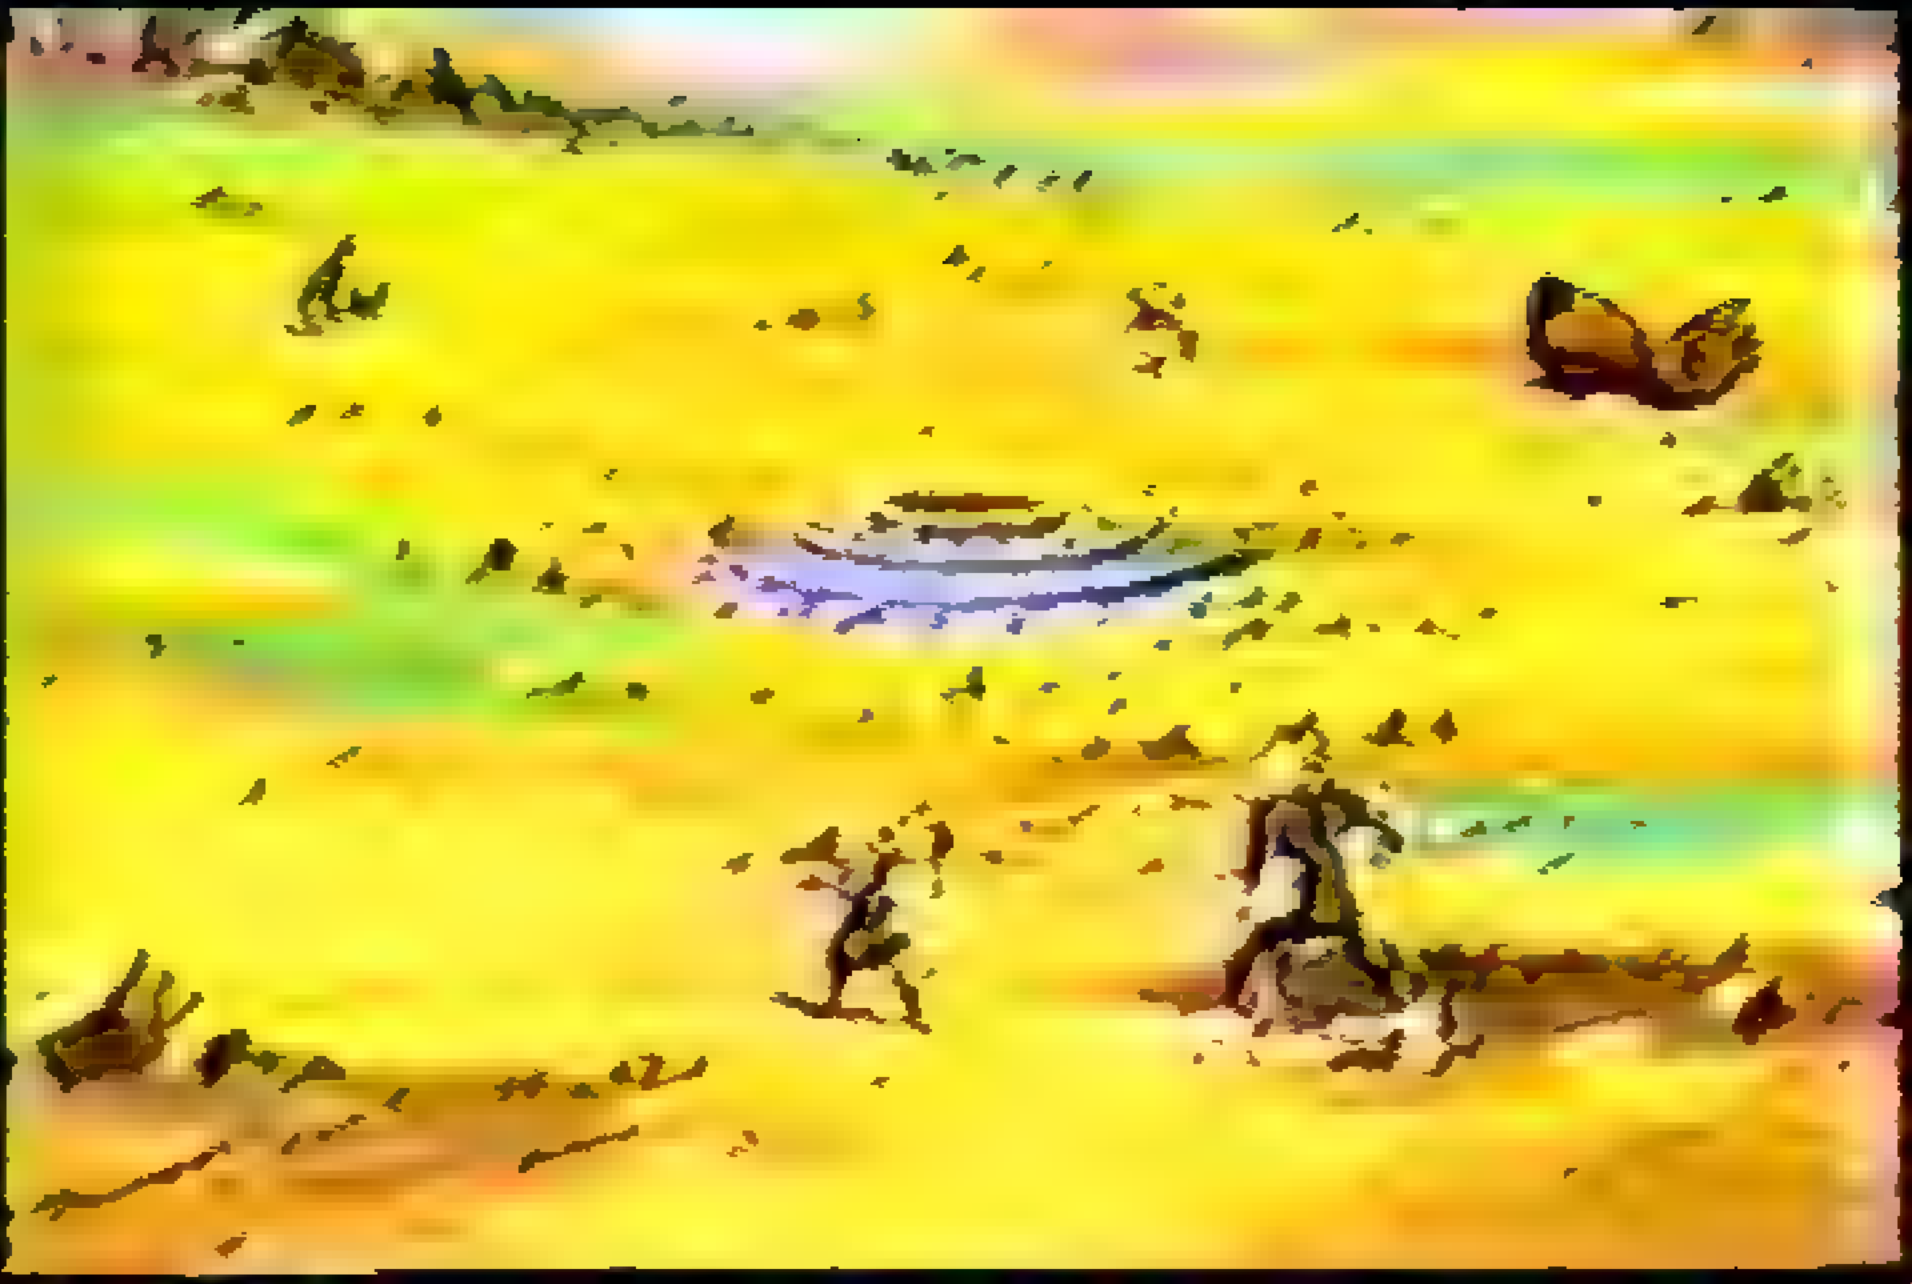

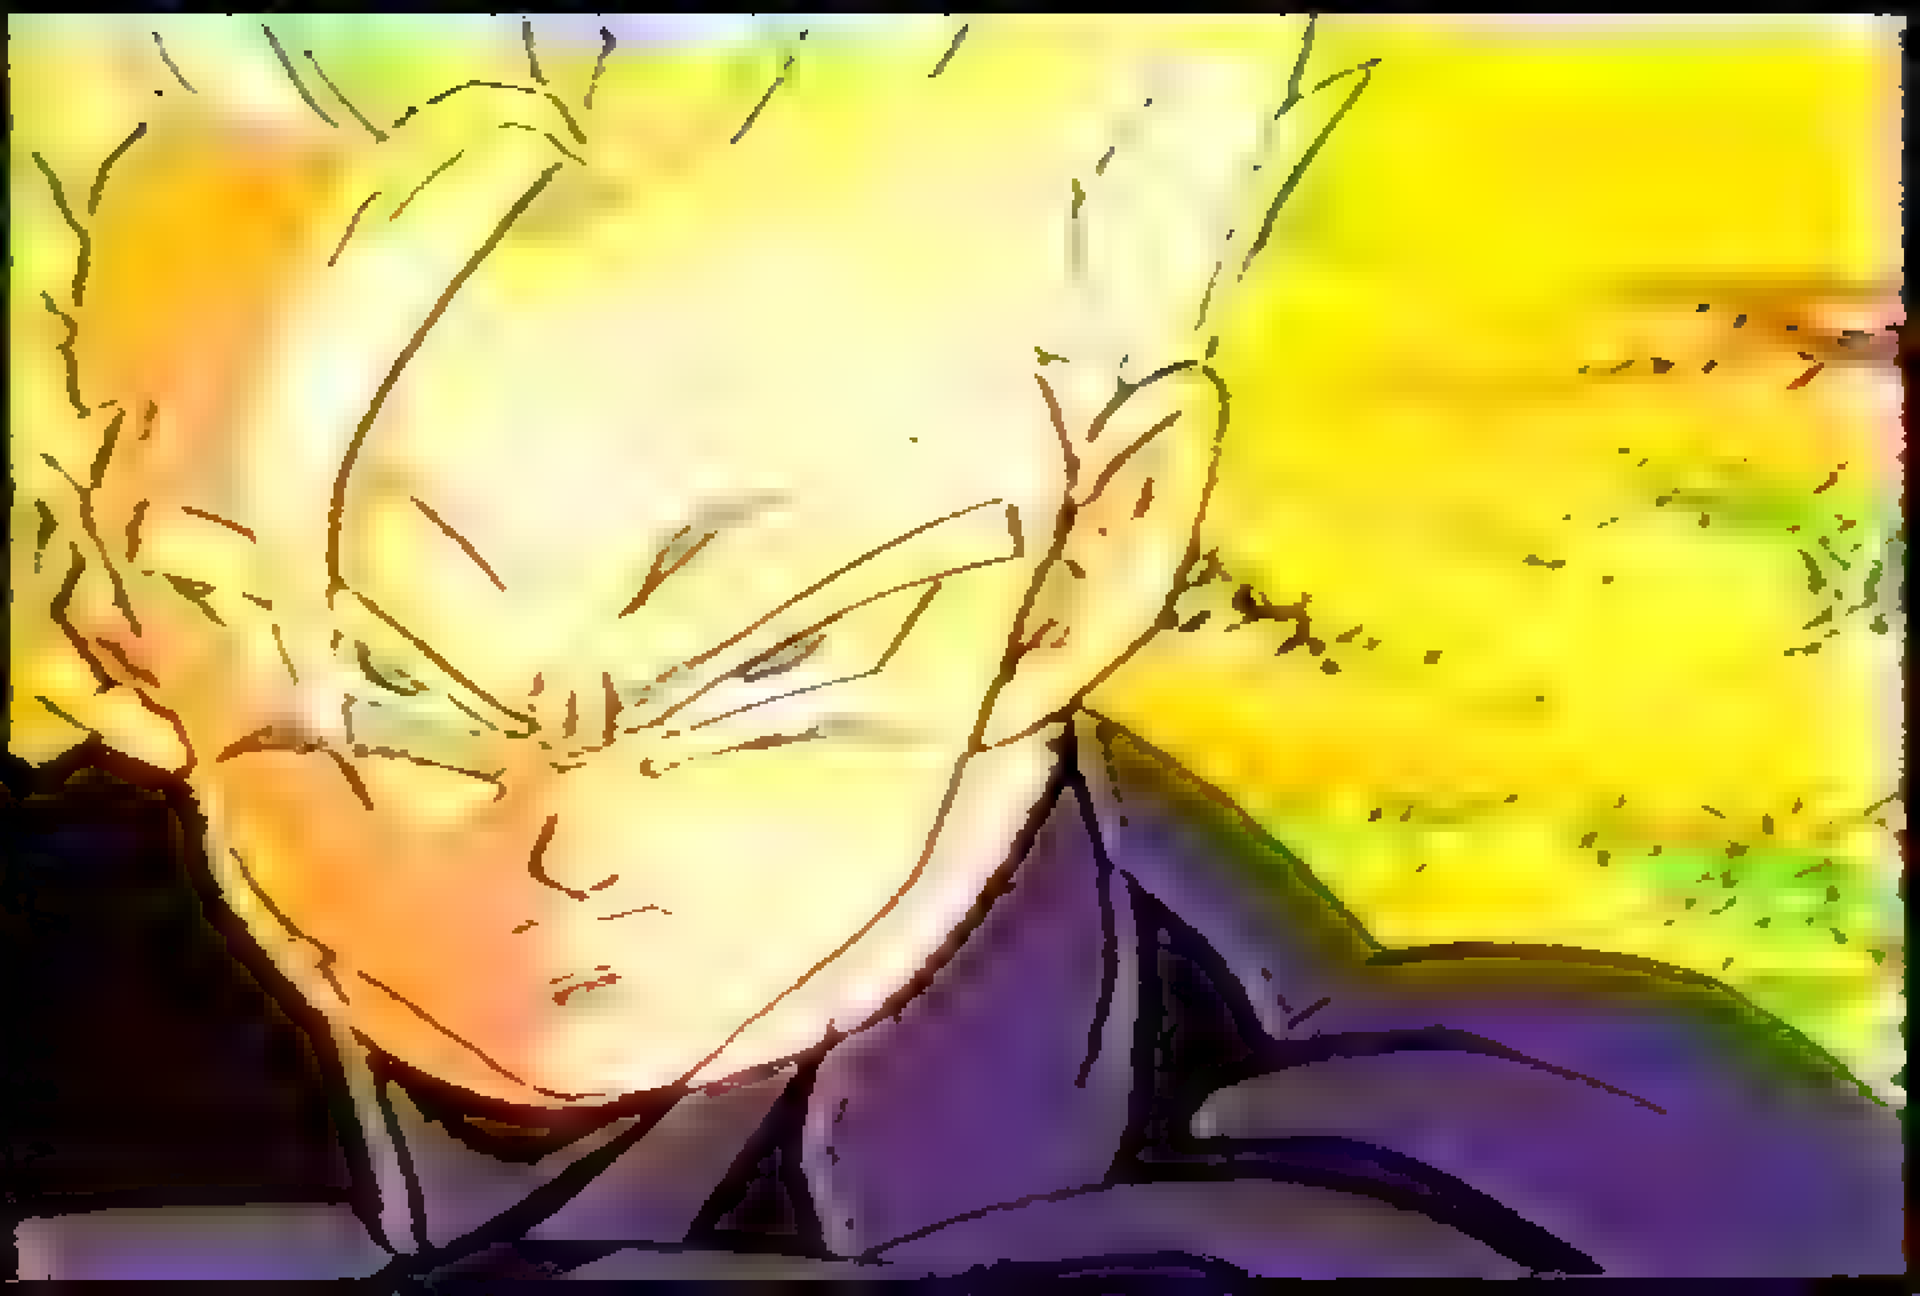

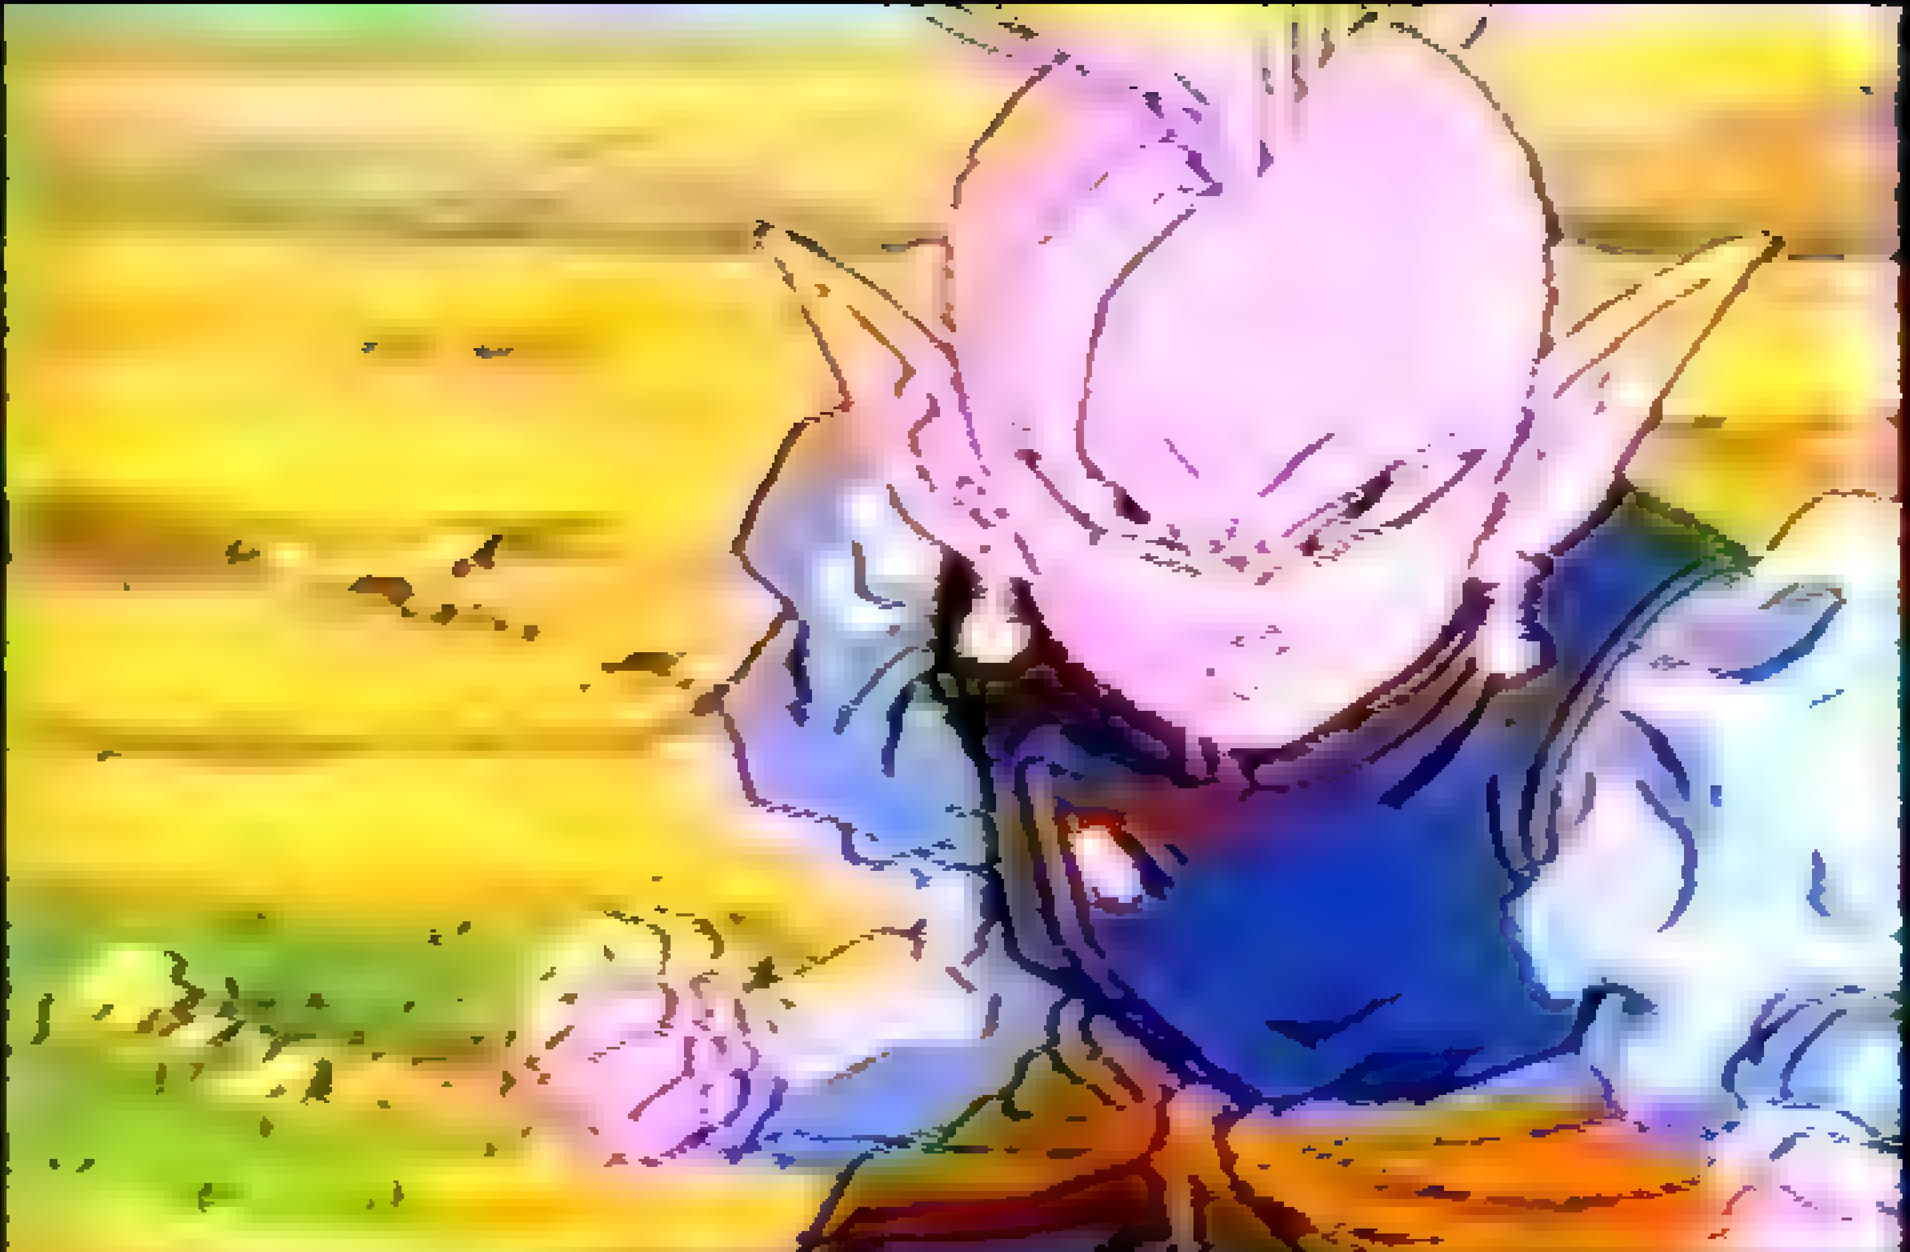

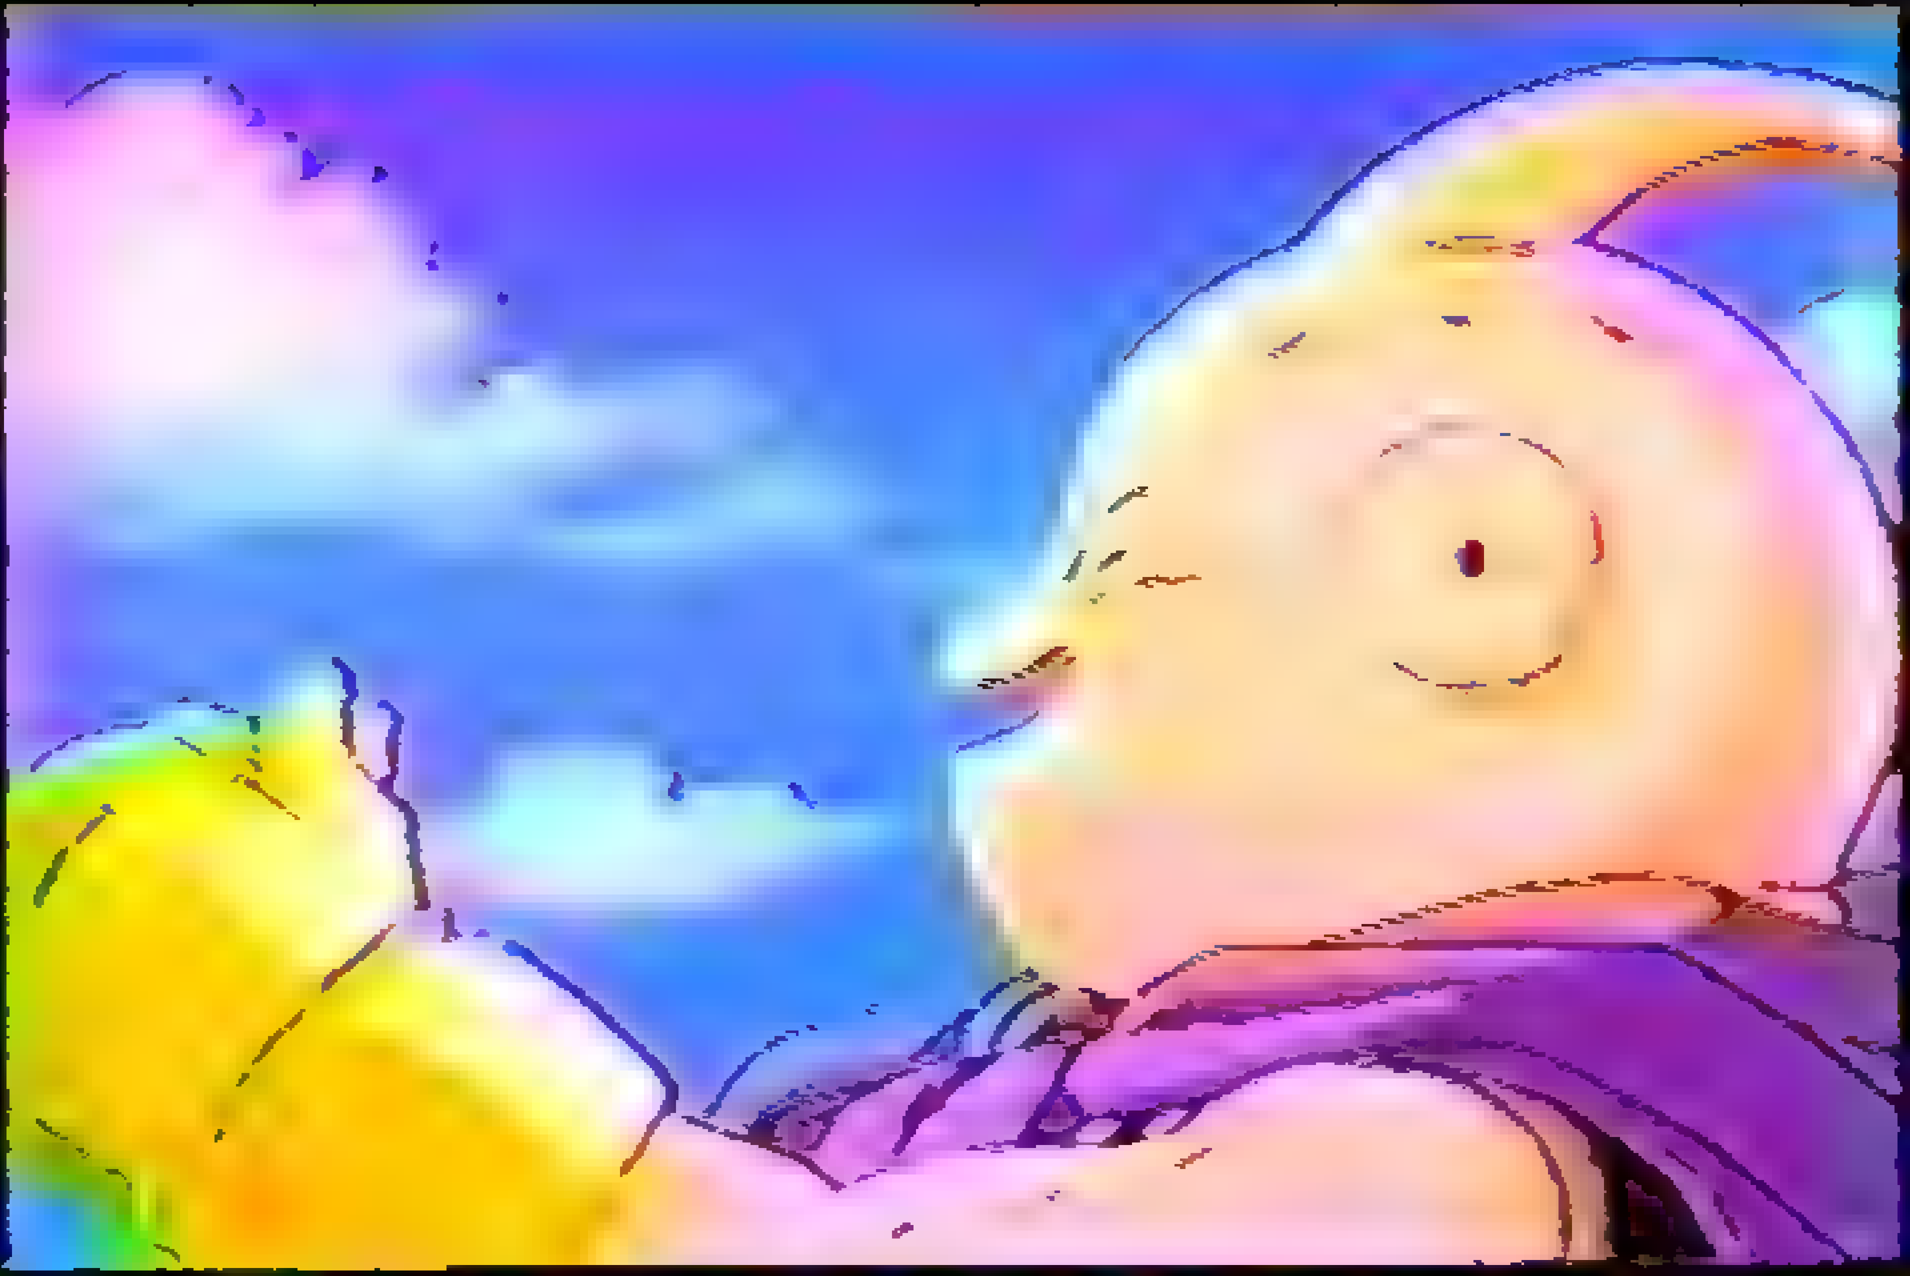

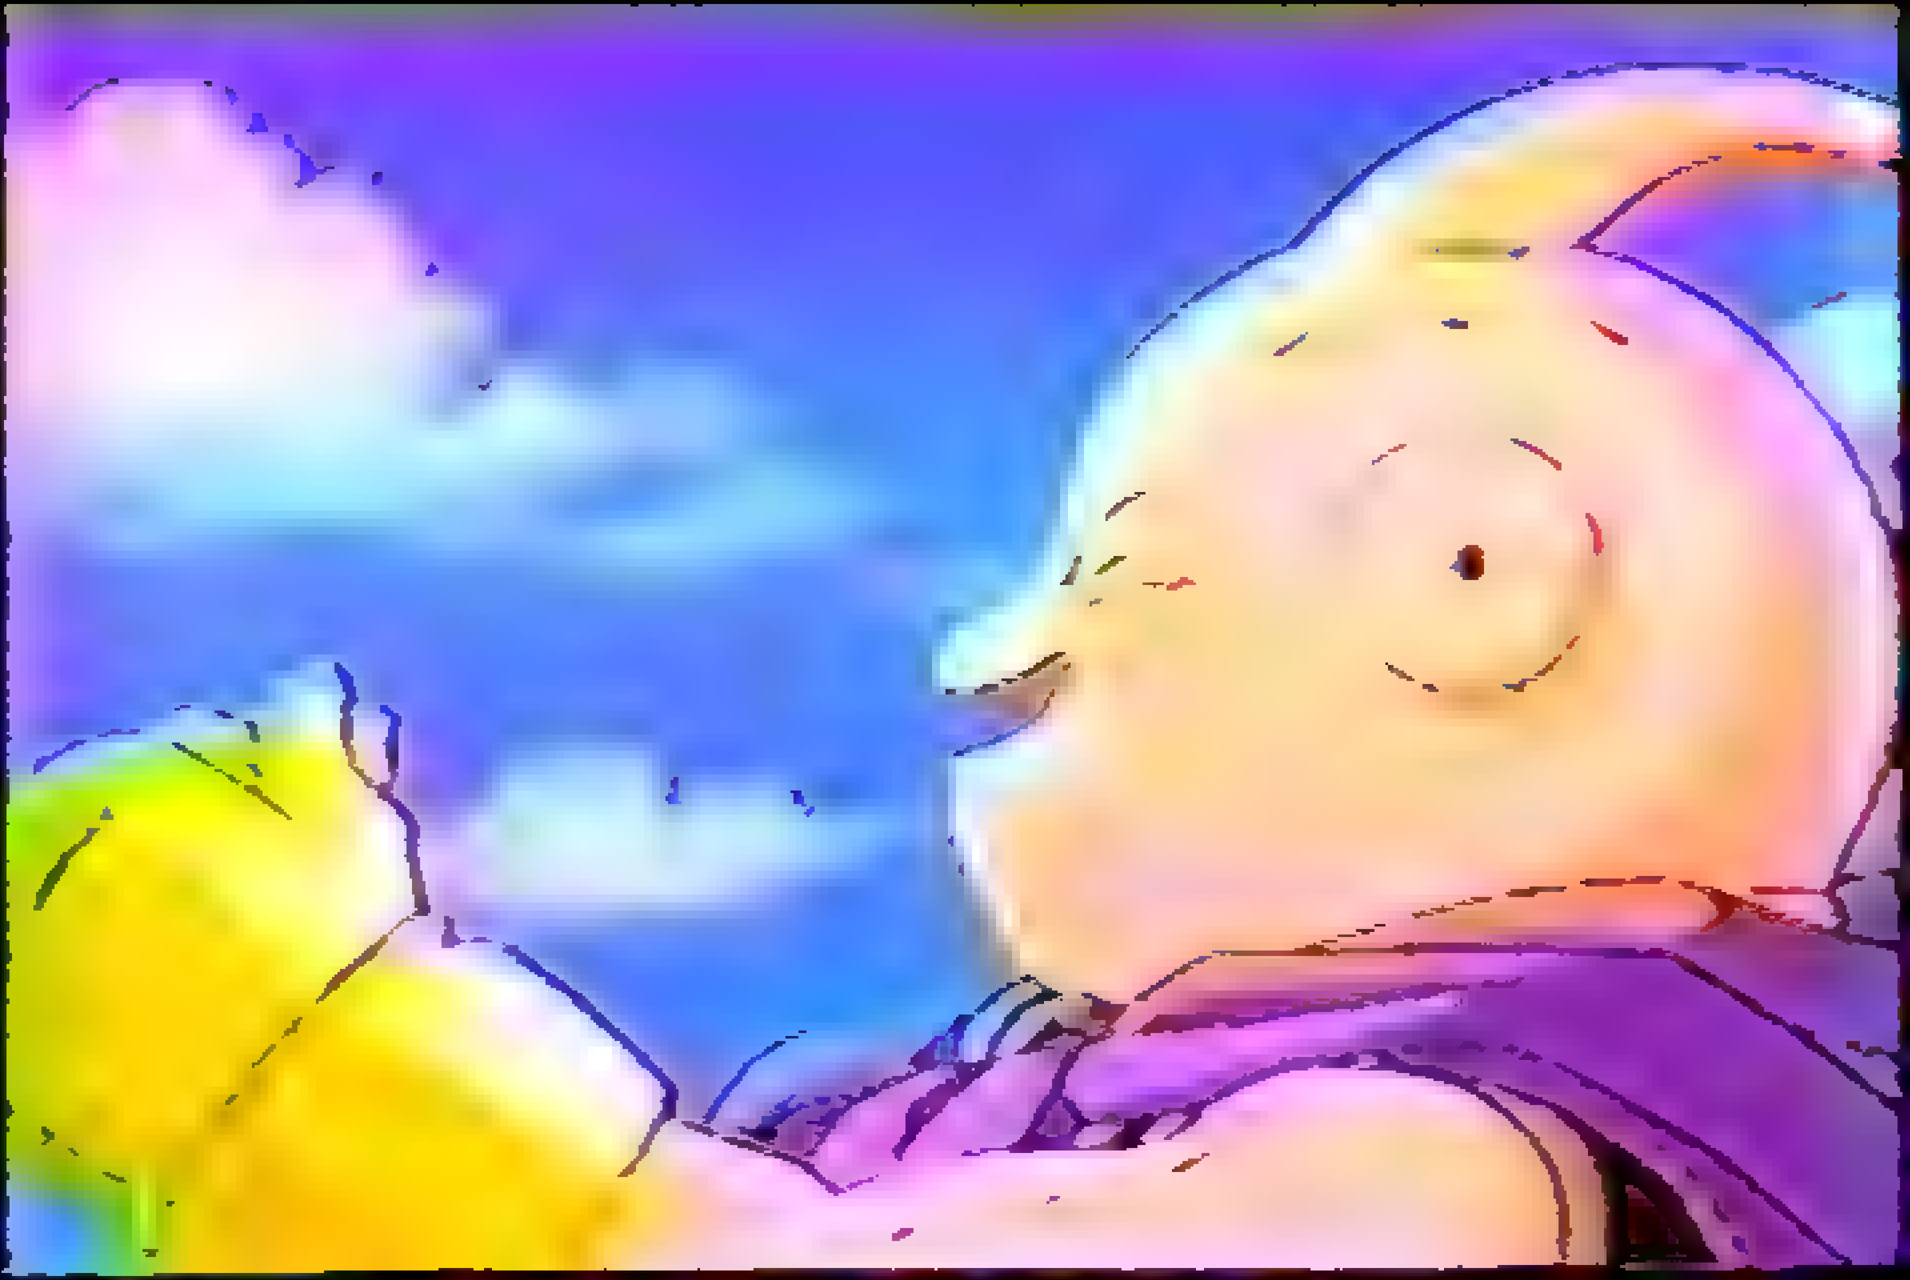

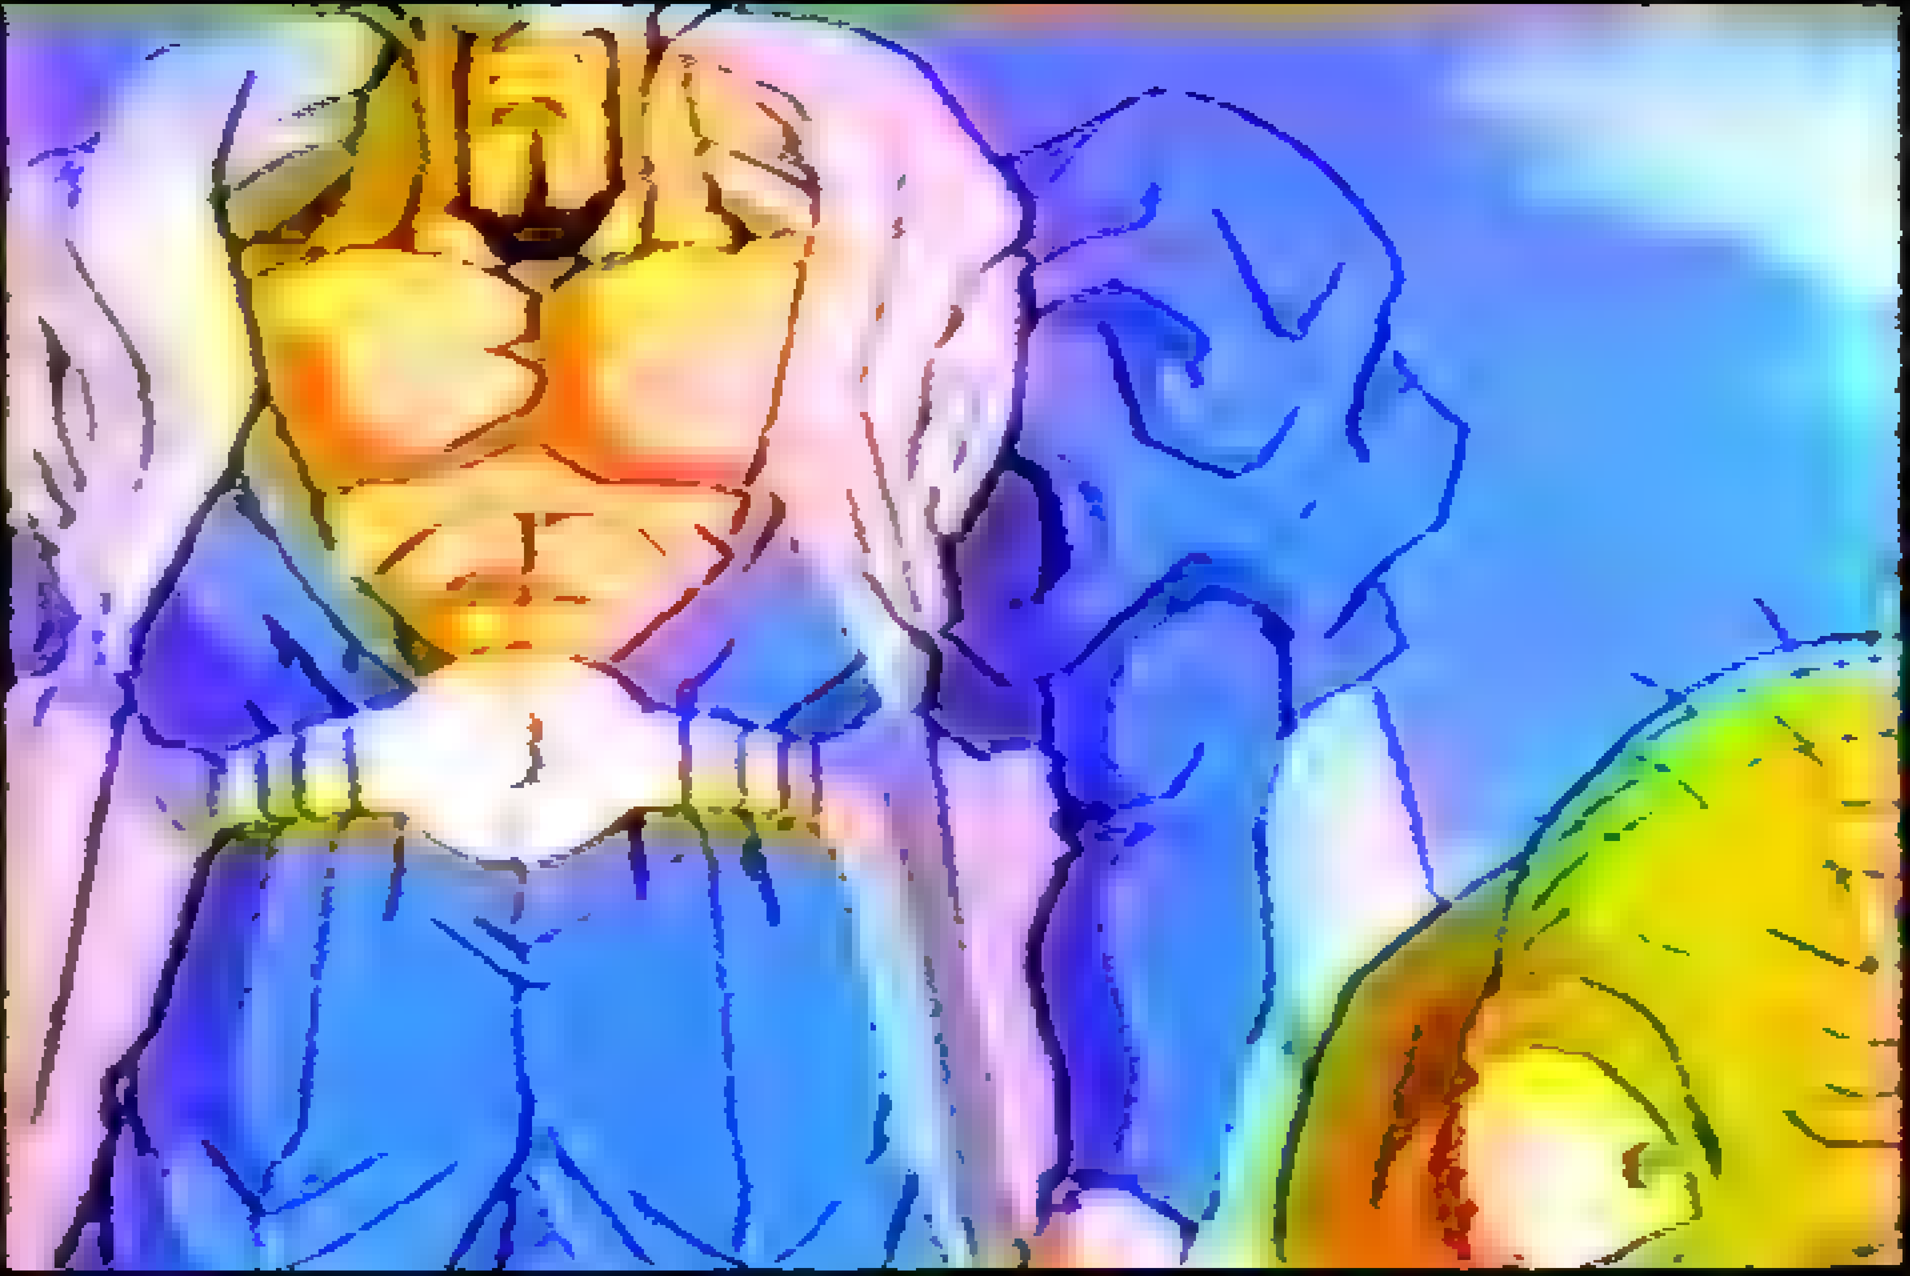

At last, Majin Buu has been reborn
